### ELECTION OF DIRECTORS

Our Restated Articles of Incorporation provide that the Board of Directors consists of three classes of directors with overlapping three-year terms, and that the three classes should be as nearly equal in number as possible. One class of directors is elected each year with terms extending to the Annual Meeting held three years later. The Company's Board of Directors currently consists of thirteen members.

Four directors are standing for re-election at the 2004 Annual Meeting as Class I directors, for terms expiring at the Annual Meeting in 2007. Richard W. Hanselman (formerly a Class I director) is standing for re-election as a Class II director for a term expiring at the Annual Meeting in 2005. The four other directors currently in Class II and the four directors in Class III are serving terms expiring at the Annual Meeting of Shareowners in 2005 and 2006, respectively.

Proxies will be voted at the meeting (unless authority to do so is withheld) for the election as directors of the nominees specified in Class I -- Nominees for Director with Terms Expiring in 2007 and Class II -- Nominee for Director with a Term Expiring in 2005 below. If for any reason any of the nominees is not a candidate (which is not expected) when the election occurs, it is likely that either (a) proxies would be voted for the election of the other nominees and of a substitute nominee, or (b) the Board of Directors would reduce the number of directors.

The Corporate Governance and Nominating Committee's charter is posted on our website, [www.arvinmeritor.com](http://www.arvinmeritor.com), in the investor information section.

The Board has adopted membership guidelines that outline the desired composition of the Board and the criteria to be used in selecting directors. These guidelines provide that the Board should be composed of directors with a variety of experience and backgrounds who have high-level managerial experience in a complex organization and who represent the balanced interests of shareowners as a whole rather than those of special interest groups. Other important factors in Board composition include diversity, age, international background and experience and specialized expertise. A significant majority of the Board should be directors who are not past or present employees of the Company or of a significant shareowner, customer or supplier.

In considering candidates for the Board, the Corporate Governance and Nominating Committee considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a Board nominee. The Committee is guided by the composition guidelines set forth above, and by the following basic selection criteria: highest character and integrity; experience and

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

understanding of strategy and policy-setting; reputation for working constructively with others; sufficient time to devote to Board matters; and no conflict of interest that would interfere with performance as a director. With respect to nomination of continuing directors for re-election, the individual's contributions to the Board, as reflected in results of the most recent peer review of individual director performance, are also considered.

The Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used and no fees have been paid in the past fiscal year.

Shareowners may recommend candidates for consideration by the Committee by writing to the Secretary of the Company at its headquarters in Troy, Michigan, giving the candidate's name, biographical data and qualifications. A written statement from the candidate, consenting to be named as a candidate and, if nominated and elected, to serve as a director, should accompany any such recommendation. No candidates for Board membership have been put forward by large long-term security holders or groups of security holders for election at the 2004 Annual Meeting.

### COMPENSATION OF DIRECTORS

Only non-employee directors receive compensation for Board service. Directors who are also employees of ArvinMeritor or a subsidiary do not receive compensation for serving as directors.

**Retainer Fees.** In fiscal year 2003, non-employee directors of ArvinMeritor received a retainer at the rate of \$35,000 per year for Board service. The Chairman of the Audit Committee received an additional retainer of \$5,000 per year, and the Chairmen of the other three standing Board committees each received an additional retainer of \$3,000 per year. No additional retainer was paid for service as committee members.

**Committee Meeting Fees.** Non-employee directors receive fees of \$1,500 for attendance at each Audit Committee meeting (\$750 for each telephone meeting), and \$1,000 for attendance at each meeting of other Board committees (\$500 for each telephone meeting).

**Equity-Based Awards.** In fiscal year 2003, immediately after the Annual Meeting of Shareowners, each non-employee director received grants of 1,000 shares of Common Stock and options to purchase 3,000 shares of Common Stock at the closing price of the Common Stock on the New York Stock Exchange -- Composite Transactions reporting system on the date of the grant. A non-employee director elected to the Board during the fiscal year received a pro rata portion of these grants.

**Deferrals.** A director may elect to defer payment of all or part of the cash retainer and meeting fees to a later date, with interest on deferred amounts accruing quarterly at a rate equal to 120% of the Federal long-term rate set each month by the Secretary of the Treasury. Each director also has the option each year to defer the entire annual grant of shares and all or any portion of the cash retainer and meeting fees by electing to receive restricted shares that could be forfeited if certain conditions are not satisfied. The restricted shares in lieu of the cash retainer and meeting fees are valued at the closing price of the Common Stock on the New York Stock Exchange -- Composite Transactions reporting system on the date each retainer and meeting fee payment would otherwise be made in cash.

**Changes in Director Compensation.** Beginning with fiscal year 2004, the

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

annual retainer for Board service was increased to \$45,000, the additional annual retainer for the Chairman of the Audit Committee was increased to \$10,000, and the additional annual retainer for the Chairman of the Compensation Committee was increased to \$7,000. These increases were implemented to reflect the additional responsibilities and time commitments related to Board service and chairmanship of these committees.

In addition, the Board has adopted and recommended to the shareowners for approval a new Directors Stock Plan that will provide flexibility to make annual equity-based grants to non-employee directors in the form of restricted stock or restricted stock units, as well as Common Stock and options. It is expected that the annual equity-based grant to each non-employee director following the 2004 Annual Meeting of Shareowners will be in the form of 2,400 restricted stock units. See "Proposal to Approve the 2004 Directors Stock Plan" below for further information on the proposed new plan.

### INVOLVEMENT IN CERTAIN LEGAL PROCEEDINGS

On October 5, 2000, Owens Corning filed a petition for reorganization under Chapter 11 of the Bankruptcy Code in the U.S. Bankruptcy Court in Wilmington, Delaware. Owens Corning stated that it took the action to address demands on its cash flow resulting from asbestos-related liability. Rhonda L. Brooks, a director of the Company, was President of Owens Corning's Roofing Systems Business from December 1997 to June 2000, and President of its Exterior Systems Business from June 2000 to July 2002.

### CORPORATE GOVERNANCE AT ARVINMERITOR

ArvinMeritor is committed to good corporate governance. The foundation of our corporate governance principles and practices is the independent nature of our Board of Directors and its primary responsibility to ArvinMeritor's shareowners. Our corporate governance guidelines have been in place since the Company's creation in 1997 and were derived from the principles that had been in place for many years at Rockwell. The guidelines are reviewed periodically by the Corporate Governance and Nominating Committee and changes are recommended to the Board for approval as appropriate. We will continue to monitor developments and review our guidelines periodically, and will modify or supplement them when and as appropriate. Our current Corporate Governance Guidelines are posted on our website, [www.arvinmeritor.com](http://www.arvinmeritor.com), in the investor information section, and paper copies will be provided upon request to the Office of the Secretary, ArvinMeritor, Inc., 2135 West Maple Road, Troy, MI 48084. Our policies and practices are summarized below.

#### Board Independence

- Independent directors must comprise at least a majority of the Board and, as a matter of policy, a substantial majority of the Board should be independent directors. The Board has adopted criteria for independence based on the definition used in the listing requirements of the New York Stock Exchange.
- The Corporate Governance and Nominating Committee reviews the independence of each director annually. Currently, all of our non-management directors are independent.
- Only independent directors can serve on the Board's standing committees.

#### Board Composition

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

- Board nominees are screened and recommended by the Corporate Governance and Nominating Committee and approved by the full Board (see "Nominating Procedures" above for information on Board selection criteria).
- Committee membership is reviewed periodically to assure that each committee has the benefit of both experience and fresh perspectives.
- Committee chairmanships are normally rotated at least once every four years, with the chair of one standing committee changing each year. A director usually serves on a committee at least 12 months before becoming its chair, and a former chair normally serves on a committee for at least 12 months after retiring as chair.
- The Board has established term limits that provide that each director shall serve no more than 12 consecutive years, beginning the later of his initial election to the Board or the date of adoption of the provision (November 12, 2003). The Board, by affirmative vote of at least 2/3 of the directors, may make exceptions to this provision in appropriate cases.
- The Guidelines on Corporate Governance establish the following expectations regarding director tenure:
  - Non-employee directors are required to offer not to stand for reelection if they are age 70 at the time of re-election or will reach age 70 during their new term. The Corporate Governance and

11

Nominating Committee decides whether continued Board service is appropriate and, if so, the length of the next term.

- Directors whose job responsibilities change significantly during their Board service are required to offer to resign or not to stand for reelection. The Corporate Governance and Nominating Committee reviews the appropriateness of continued Board membership.
- When the Chief Executive Officer retires or resigns from that position, he is expected to offer his resignation from the Board. The Board and the successor Chief Executive Officer determine whether continued Board service is desirable and appropriate.

### Key Responsibilities of the Board

- The Company's long-term strategic goals and plans are discussed in depth by the Board at least annually.
- The non-management directors select the Chief Executive Officer of the Company and meet at least annually to evaluate the Chief Executive Officer's performance against long-term goals and objectives established by the Compensation Committee.
- Management development and succession plans are reviewed annually, including CEO succession plans.

### Board and Committee Meetings

- Board and committee agendas are developed through discussions with management and Board members, and are focused on business performance and strategic issues, leadership, and recent developments.

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

- Presentation materials are generally sent to Board and committee members for review in advance of each meeting.
- Directors are expected to attend, prepare for and participate in meetings. The Corporate Governance and Nominating Committee monitors each director's attendance and addresses issues when appropriate.
- Non-management directors meet in private executive sessions at the end of each regular Board meeting. The chair of each of the four standing committees, on a rotating basis, chairs these meetings.
- Information and data important to understanding of the business, including financial and operating information, are distributed regularly to the Board.

### Board Performance and Operations

- The Corporate Governance and Nominating Committee, which is composed solely of independent directors, is responsible for corporate governance and Board practices, and formally evaluates these areas periodically.
- Each Board committee has a detailed charter outlining its responsibilities, as described above under the heading "Board of Directors and Committees."
- The Board and its committees have the authority to hire such outside counsel, advisors and consultants as they choose with respect to any issue related to Board activities. Directors also have full access to Company officers and employees.
- To enhance Board effectiveness, the Corporate Governance and Nominating Committee conducts annual self-evaluations of the Board's performance. These assessments are made of either the Board as a whole or each individual director. Results are shared with the Board, and action plans are formulated to address any deficiencies.

12

### Director Education

- Each new director is provided a full-day program of orientation to the Company's business, which includes discussions with each business and functional head, background materials on the Company's financial condition and business, and a facility tour.
- The continuing education process for Board members includes extensive informational materials, meetings with key management and visits to Company facilities.
- Meeting agenda regularly include discussions of business environment, outlook, performance and action plans for the various business segments.
- Board and committee meeting agenda regularly include topics of director education, including updates on corporate governance developments.
- Board members may request presentations on particular topics and specific facility visits to educate them and update their knowledge as to the Company, its industry and markets, the responsibilities of directorship, and other topics of interest.
- Each director is encouraged to visit at least two Company plants each

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

year, and, at least once each year, a Board meeting is held at a plant location.

- Each director is encouraged to attend educational seminars and conferences to enhance his or her knowledge of the role and responsibilities of directors.
- In each fiscal year, at least one director is required to attend a director education seminar accredited by Institutional Shareholder Services. In fiscal year 2003, three directors attended such accredited seminars.

### Alignment with Shareowner Interests

- A large portion of director compensation is equity-based and therefore tied to the Company's stock performance. Directors can also elect to receive their cash retainer fees in the form of Common Stock.
- The Board has adopted stock ownership guidelines that require each non-employee director to own Common Stock with a market value equal to at least five times the annual cash retainer, effective on the later of five years after the director's initial election to the Board or three years after adoption of the guidelines (November 12, 2006).
- The Compensation Committee and the Board oversee employee compensation programs to assure that they are linked to performance and increasing shareowner value. The Compensation Committee also monitors compliance by Company executives with stock ownership guidelines (see Compensation Committee Report on Executive Compensation below).
- Senior management meets regularly with major institutional investors and shareholders and reports to the Board on analyst and shareholder views of the Company.

### CODE OF ETHICS

All ArvinMeritor employees, including our chief executive officer, chief financial officer, controller and other executive officers, are required to comply with our corporate policies regarding Standards of Business Conduct and Conflicts of Interest. These policies have been in place since the Company was formed in a spin-off from Rockwell in 1997 and were derived from similar policies in place at Rockwell. The purpose of these corporate policies is to ensure to the greatest possible extent that our business is conducted in a consistently legal and ethical manner, and the Audit Committee has oversight responsibility with respect to compliance. Employees may submit concerns or complaints regarding ethical issues on a confidential basis to our Ethics Helpline, by means of a toll-free telephone call or e-mail. All concerns and complaints are investigated by the Office of the General Counsel.

13

ArvinMeritor's ethics manual, including the text of the policies on Standards of Business Conduct and Conflicts of Interest, is posted in the investor information section on our website ([www.arvinmeritor.com](http://www.arvinmeritor.com)). We will also post on our website any amendment to, or waiver from, a provision of our policies that applies to our chief executive officer, chief financial officer or controller, and that relates to any of the following elements of these policies: honest and ethical conduct; disclosure in reports or documents filed by the Company with the SEC and in other public communications; compliance with applicable laws, rules and regulations; prompt internal reporting of code violations; and accountability for adherence to the policies.

Officers in each fiscal year, did not exceed the lesser of \$50,000 or 10% of salary and bonus.

- (5) The Named Executive Officers held the following aggregate numbers of restricted shares of Common Stock at September 30, 2003, with an aggregate value (based on the closing price of ArvinMeritor Common Stock, \$17.81 per share, on the New York Stock Exchange -- Composite Transactions reporting system on September 30, 2003) as follows: Mr. Yost -- 244,801 shares, \$4,359,906; Mr. O'Rourke -- 44,298 shares, \$788,947; Mr. Soderstrom -- 43,518 shares, \$775,056; Mr. Gosnell -- 37,936 shares, \$675,640; Mr. Daniel -- 19,527 shares, \$347,776; and Mr. Stinson -- 28,773 shares, \$512,447. - (6) Performance-based restricted shares of Common Stock were granted to the Named Executive Officers on November 22, 2002. The portion of the restricted shares that will vest at the end of the three-year restricted period depends on achieving the same levels of earnings per share growth and cash flow/return on investment that determine payouts of performance awards under the 1997 Long-Term Incentives Plan for the three-year performance period ending September 30, 2005. See Long-Term Incentive Plan Awards below.
- (7) Restricted shares of Common Stock were issued to the Named Executive Officers on July 16, 2001 in exchange for cancellation of outstanding stock options. - (8) Long-term incentive payments for Messrs. Yost, O'Rourke, Soderstrom and Gosnell in fiscal year 2001 consist of cash paid by the Company with respect to three-year performance plans, established under the Meritor 1997 Long-Term Incentives Plan, that ended in that year. Long-term incentive payments for Messrs. Daniel and Stinson in fiscal year 2001 consist of cash paid by the Company with respect to pro rata awards under the performance plan that ended in 2001. No long-term incentive payments were made with respect to the performance plans that ended in 2002 or 2003. See Long-Term Incentive Plan Awards below.
- (9) This column includes (a) amounts contributed or accrued for the Named Executive Officers under the Company's employee savings plan and the related supplemental savings plan; (b) \$40,902 paid to Mr. Stinson in 2001 as additional compensation for overseas assignments; and (c) \$20,159 and \$4,444 in interest paid by the Company in fiscal years 2003 and 2002, respectively, on a relocation bridge loan made to Mr. Stinson by a third-party lender.

In connection with a job-related relocation, in June 2002 the Company arranged a 12-month \$1.5 million line of credit for Craig Stinson from GMAC Global Relocation Services, Inc. to finance the building of a new home. The Company made periodic interest payments, which are treated as compensation to Mr. Stinson (see note 9 to the table above), at a rate equal to the prime commercial lending rate plus 1%. Mr. Stinson repaid the loan in full on July 18, 2003, and this line of credit was terminated.

(1) These grants were made under ArvinMeritor's 1997 Long-Term Incentives Plan on November 22, 2002. The options become exercisable in three approximately equal installments on November 22, 2003, November 22, 2004 and November 22, 2005.

(2) Based on the total number of options to purchase ArvinMeritor Common Stock issued to employees during the fiscal year.

(3) Exercise price reflects market value per share (as defined in the 1997 Long-Term Incentives Plan) of ArvinMeritor Common Stock on the date of grant.

(4) These values are based on the Black-Scholes option pricing model, which attempts to portray the value of an option at the date of grant. The actual value, if any, that may be realized from these options by the officer will depend solely on the gain in stock price over the exercise price when the options are exercised. Based on a per option share value of \$5.91, using the following assumptions and inputs: options exercised after 7 1/2 years; weighted one-year stock price volatility and dividend yield of 36.58% and 1.67%, respectively; and an interest rate of 3.99%, which was the zero coupon 7 1/2-year Treasury bond rate at the date of grant.

(1) Potential awards for target performance are expressed as cash amounts.

(2) Amounts are stated before application of stock price change modifier, described below.

Under the 1997 Long-Term Incentives Plan, the Compensation Committee of the Board of Directors establishes performance periods of at least three fiscal years duration and performance objectives for those periods, and grants potential awards expressed as cash payments to key employees of the Company and its subsidiaries. Participants earn awards upon conclusion of the applicable performance period (which may vary from 0% to 300% of the target award) based on

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

actual performance against target levels established by the Compensation Committee. (For purposes of the performance plan established and the awards made in fiscal year 2003, performance is measured by earnings per share growth and cash flow/return on investment.) However, awards are subject to achieving minimum threshold levels (5% earnings per share growth and 15% cash flow/return on investment) established by the Compensation Committee. The award payments are further modified by the percentage change in the price of ArvinMeritor Common Stock over the three-year period of the performance plan, which may increase or decrease the payment finally awarded. At the discretion of the Compensation Committee, payments may be made wholly or partly by delivering shares of ArvinMeritor Common Stock valued at the fair market value on the payment date.

There were no long-term incentive payments in 2003 or 2002. Long-term incentive payments in 2001 were made in cash.

### COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation and Management Development Committee of the Board of Directors, which consists entirely of non-employee directors (see Board of Directors and Committees above), has responsibility for reviewing all aspects of ArvinMeritor's executive compensation and has furnished the following report.

#### COMPENSATION PHILOSOPHY AND OBJECTIVES

The Compensation Committee has adopted compensation policies for ArvinMeritor intended to "pay for performance" through meeting three fundamental objectives:

- foster the creation of shareowner value through close alignment of the financial interests of executives with those of ArvinMeritor's shareowners,
- recognize individual and team performance through evaluation of each executive's effectiveness in meeting strategic and operating plan goals, and
- create compensation systems to attract, retain and motivate the high caliber of executives necessary for ArvinMeritor's leadership and growth.

#### EMPLOYEE STOCK OWNERSHIP

The Compensation Committee believes the focus on "pay for performance" can best be achieved by aligning the financial interests of ArvinMeritor's key executives with those of its shareowners. Accordingly, it has set the following minimum Ownership Guidelines (multiple of base salary) to be achieved and maintained:

	COMMON STOCK MARKET VALUE -----
- Chief Executive Officer.....	5
- President.....	5
- Senior Vice Presidents.....	3
- Other Executive Officers.....	2
- Other Vice Presidents.....	1.5
- Other Executives subject to the guidelines.....	1

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

Non-U.S. based executives in each category listed above are subject to the same Ownership Guidelines, except that "Other Vice Presidents" are subject to a multiple of 1, and "Other Executives subject to the guidelines" are subject to a multiple of 0.5.

Shares owned directly (including restricted shares of Common Stock) or through savings plans of ArvinMeritor or Rockwell are considered for determining whether an executive meets the Ownership Guidelines. Shares subject to unexercised stock options are not considered. The Ownership Guidelines provide a transition period during which executives may achieve compliance. In general, this period ends five years after the date the Ownership Guidelines become applicable to them. All ArvinMeritor executives are within the five-year transition period for satisfying the Guidelines. As of November 30, 2003, the chief executive officer, president, senior vice presidents and other executive officers owned an aggregate of approximately 953,000 shares of ArvinMeritor Common Stock.

### COMPENSATION STRATEGY

The Compensation Committee carries out its "pay for performance" philosophy by tying each executive's total compensation to the performance of both the Company and the individual. Base salaries are set at a level that is competitive with major durable goods manufacturers as well as other automotive suppliers, commensurate with responsibilities and experience. However, executives have an opportunity to earn above-median compensation through ArvinMeritor's annual and long-term incentive plans, which provide rewards for

20

superior performance by the individual and the Company. The Compensation Committee considers the total compensation potentially available to each executive in establishing each element of compensation.

At the beginning of fiscal year 2003, the Compensation Committee reviewed data compiled by Towers Perrin, independent compensation consultants retained to advise the Committee and management (the "consultants"), from competing companies and reference data for a broader group of industrial companies with which the Company competes for talented executives, in determining executive compensation for the year. The data reviewed included data from ten of the eleven companies included in the peer group of companies used to compare ArvinMeritor's shareowner return (see Shareowner Return Performance Presentation below).

Section 162(m) of the Internal Revenue Code provides that the Company may not deduct compensation in excess of \$1 million paid in any taxable year to the Chief Executive Officer or any of the other four most highly compensated individuals who were executive officers as of the end of the fiscal year, unless the compensation is "performance based." Awards under the 1997 Long-Term Incentives Plan, the 1998 Stock Benefit Plan and the Employee Stock Benefit Plan, each as amended ("long-term incentive plans") are designed to be "performance based" for purposes of Section 162(m) and are not subject to the limit on deductibility. However, base salaries and awards under the Incentive Compensation Plan do not qualify as "performance based" compensation for this purpose, because the Compensation Committee retains discretion with respect to these payments. The Compensation Committee's policy is to structure compensation arrangements in a manner that will avoid the deduction limitations of Section 162(m), except where it determines that exceeding these limitations is in the best interests of ArvinMeritor and its shareowners. None of the ArvinMeritor executive officers to whom this limitation applies earned in excess of \$1

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

million of non-performance based compensation in fiscal year 2003.

### COMPONENTS OF ARVINMERITOR'S COMPENSATION PLANS

The primary components of ArvinMeritor's executive compensation are base salary, annual incentives and long-term incentives. Each of these components is discussed below.

- Base Salary -- In the early part of fiscal year 2003, the Compensation Committee established the base salaries of the Company's senior executives, including Messrs. O'Rourke, Soderstrom, Gosnell, Daniel and Stinson. The Compensation Committee separately determined the salary for the Chief Executive Officer (as discussed below), and established the base salaries of other senior executives upon recommendations of the Chief Executive Officer and ArvinMeritor's senior human resources executives. The recommended base salaries were developed based on survey data and the consultants' reports, on individual performance and on judgments as to the expected future contributions of the individual senior executives. Base salaries also reflect the number of years of experience that each executive had in his or her current position.

Because of industry downturns and cost reduction initiatives, 2003 base salary adjustments for officers were made only in cases where salary levels were significantly below market averages. Of the Named Executive Officers, Mr. Yost and Mr. O'Rourke received salary adjustments effective as of February 1, 2003, and Mr. Soderstrom and Mr. Gosnell received salary adjustments effective as of September 1, 2003. Salary adjustments for executive officers who changed positions during the year were implemented at the time of promotion.

- Annual Incentives -- Near the beginning of fiscal year 2003, the Compensation Committee and the Board of Directors reviewed with the Chief Executive Officer the corporate goals and objectives for that year. These goals and objectives were focused on objectives tied to creating shareowner value, which included measurable financial goals for the fiscal year, as well as strategic objectives that require more subjective assessments. The financial goals for fiscal year 2003 included earnings per share growth and improvement in the ratio of non-cash working capital to sales. ArvinMeritor's strategic objectives related to exceeding customer expectations, out-performing the competition, developing an employee-valued culture, building supplier relationships and enhancing social responsibility. In addition, separate goals and objectives were developed for each of the business units, tailored to its particular operations, and for each individual. When corporate, business unit and individual goals and objectives are achieved, incentive compensation is intended

21

to be awarded at or above 100% of stated target levels. These target levels were established based on broad industry surveys, with significant upward and downward leverage dependent on performance.

In assessing performance for fiscal year 2003, the Compensation Committee focused solely on earnings per share growth and did not consider the attainment of remaining corporate and individual goals. Since the Company did not achieve minimum required thresholds for earnings growth in fiscal year 2003, no incentive compensation awards were made to ArvinMeritor's executives or key employees.

- Long-Term Incentives -- ArvinMeritor's long-term incentive plans provide the flexibility to grant long-term incentives in a variety of forms, including target performance awards, stock options, stock appreciation rights and restricted shares of Common Stock. Annually, the Compensation Committee evaluates the types of long-term incentives it believes are most likely to

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

achieve ArvinMeritor's total compensation objectives.

In fiscal year 2003, the Compensation Committee provided long-term incentives to executive officers one-third each through stock option grants, grants of performance-based restricted shares, and awards under long-term performance plans. In recognition of fundamental changes in stock option award practices, the Committee changed in 2003 from the prior practice of awarding two-thirds stock options and one-third performance awards. As in prior years, other executives' and key employees' long-term incentives were provided through a combination of grants of non-performance based restricted shares, stock options and/or awards under long-term performance plans. The Compensation Committee believes that these allocations provide appropriate incentives for achievement of the Company's goals, align the interests of executives with the interests of shareowners and provide a means of increasing ownership of Common Stock.

**Stock Options.** In accordance with these practices, the Compensation Committee granted stock options to executive officers, including the Named Executive Officers (see the table under Executive Compensation -- Option Grants above), in fiscal year 2003. The Compensation Committee determined the individual award of stock options to the Chief Executive Officer (as discussed below), and reviewed the Chief Executive Officer's recommendations for individual awards of stock options to other key executives. The Compensation Committee also considered relevant survey data, the consultants' reports and the anticipated future contributions of the individual executive officers.

**Performance Awards.** In fiscal year 2003, the Compensation Committee established a performance plan with a three-year performance period ending September 30, 2005, and set target performance awards thereunder for executives, including the Named Executive Officers (see Executive Compensation -- Long-Term Incentive Plan Awards above). Under the performance plan, potential compensation depends on achieving levels of earnings per share growth and cash flow/return on investment, as modified by the change in the price of ArvinMeritor Common Stock during the term of the performance period.

In fiscal year 2001, the Compensation Committee granted key executives long-term incentives under the 1997 Long-Term Incentives Plan. Since minimum target goals based on earnings per share growth and cash flow/return on investment for the three-year performance period ended September 30, 2003 were not achieved, the Compensation Committee made no long-term incentive awards under this performance plan.

**Performance-Based Restricted Shares.** In fiscal year 2003, the Compensation Committee granted performance-based restricted shares of Common Stock to executive officers, including the Named Executive Officers (see the column headed Restricted Stock Awards in the table under Executive Compensation -- Summary Compensation Table above.) The portion of the restricted shares that will vest at the end of the three-year restricted period is dependent on achieving the same levels of earnings per share growth and cash flow/return on investment that determine payouts of the performance awards described above.

### COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

For the period from October 1, 2002 to January 31, 2003, Mr. Yost's base salary was \$966,000. Effective February 1, 2003, his base salary increased to \$1,000,000. The Compensation Committee believes his base salary is in line with its compensation philosophy and appropriately reflects Mr. Yost's responsibilities as Chief Executive Officer. In accordance with the Compensation Committee's assessment of the Company's financial performance in the past year (described above in this report under the heading Components of ArvinMeritor's

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

Compensation Plans -- Annual Incentives), Mr. Yost did not receive any annual incentive compensation for fiscal year 2003.

The Compensation Committee granted stock options and performance-based restricted shares to Mr. Yost in fiscal year 2003 as long-term incentives. (See Executive Compensation -- Option Grants and the column headed Restricted Stock Awards in the table under Executive Compensation -- Summary Compensation Table above.) In determining the number of options and restricted shares granted, the Compensation Committee considered the consultants' advice and the value of long-term incentives provided by other companies, as reported in surveys. The Compensation Committee also considered Mr. Yost's total compensation, as well as his past and expected future contributions to the achievement of ArvinMeritor's long-term performance goals. The Compensation Committee also granted Mr. Yost target performance awards under the performance plan established in fiscal 2003 for the three-year performance period ending September 30, 2005. (See Executive Compensation -- Long-Term Incentive Plan Awards above.)

The Compensation Committee did not make a long-term incentive award to Mr. Yost under the three-year performance plan that ended in fiscal year 2003 (see Components of ArvinMeritor's Compensation Plans -- Long-Term Incentives -- Performance Awards above in this report).

The Board in executive session (when Mr. Yost was not present) received and discussed the Compensation Committee's evaluation of the Company's and Mr. Yost's performance in the 2003 fiscal year. The Board also reviewed the Compensation Committee's decision not to make any annual incentive award to Mr. Yost for that year, and the long-term incentives granted to Mr. Yost in the form of stock options, restricted shares and target performance awards.

### SUMMARY

The Committee believes that ArvinMeritor's compensation plans are consistent with the Company's strategic objectives and are properly aligned with shareowners' best interests. The programs enable the Company to attract, retain and motivate highly qualified individuals and provide appropriate incentives to reward them for achieving and surpassing corporate and personal goals. The Compensation Committee periodically re-assesses these programs to assure that they emphasize performance and reward the enhancement of shareowner value, and modifies the programs as deemed necessary and appropriate to achieve their stated objectives, as well as to take into account systemic changes in leading compensation practices. It also monitors these programs and changes them in recognition of the dynamic, global marketplace in which ArvinMeritor competes for talent.

### AGREEMENTS WITH NAMED EXECUTIVE OFFICERS

Each of the Named Executive Officers received and accepted an employment letter during fiscal year 2003. Under the terms of these letters, if we terminate the executive's employment without cause, the executive will receive any accrued and unpaid compensation; monthly severance pay for a period of 18 to 36 months (depending on years of service); pro rata participation in the current year annual bonus and in the cash portion of existing long-term incentive cycles; continuation of benefits (other than long-term and short-term disability

coverage) and savings plan participation throughout the severance period; full vesting of all stock options at the end of the severance period; extension of exercise period for stock options for three months after the end of the severance period (but not beyond the original option expiration date); pro rata vesting of restricted stock based on the portion of the restricted period that has elapsed as of the end of the severance period; outplacement services; and gross-up for any excise tax imposed. The executives also agreed to an

23

18-month non-solicitation provision, perpetual non-disclosure and confidentiality, and mandatory arbitration of disputes.

The Company entered into an agreement with Craig M. Stinson in connection with his resignation from the position of Senior Vice President and President, Light Vehicle Systems, on August 26, 2003. Under this agreement, Mr. Stinson is entitled to 36 months of severance pay (based on his 20 years of service); pro rata participation in the performance plans under the 1997 Long-Term Incentives Plan for the performance periods ending September 30, 2004 and 2005; and other terms consistent with his employment letter (described above). In addition, the Company agreed to pay Mr. Stinson a lump sum of \$350,000 in 2004 to reimburse him for expenses in connection with a job-related relocation and the building of a new home, and Mr. Stinson agreed to 12-month non-compete and non-solicitation provisions.

SHAREOWNER RETURN PERFORMANCE PRESENTATION

ArvinMeritor Common Stock began trading on the New York Stock Exchange on July 10, 2000, following the merger of Meritor and Arvin into ArvinMeritor. As a result, the cumulative total shareowner return on the Common Stock of the merged entity cannot be provided for any period before that date.

The line graph below compares the cumulative total shareowner return on an investment in Meritor's common stock against the cumulative total return of the S&P 500 and a peer group of companies for the period from October 1, 1998 to September 30, 2003, assuming a fixed investment of \$100 at the respective closing prices on the last day of each fiscal year and reinvestment of all cash dividends. The fiscal years ended September 30, 2000, 2001, 2002 and 2003 reflect the exchange of each share of Meritor common stock for .75 of a share of ArvinMeritor Common Stock on July 7, 2000, the effective date of the merger.

RETIREMENT BENEFITS

Arvin and Meritor had separate retirement plans covering their respective employees, and we assumed these plans at the time of the merger of the two companies into ArvinMeritor. These separate retirement plans were superseded by an integrated ArvinMeritor plan, effective January 1, 2001.

The following table shows the estimated aggregate annual retirement benefits payable on a straight life annuity basis to participating employees in the earnings and years of service classifications indicated under our retirement plan, which covers most of our officers and other salaried employees on a noncontributory basis. These benefits reflect a reduction to recognize in part the cost of Social Security benefits related to service with the Company. The plans also provide for the payment of benefits to an employee's surviving spouse or other beneficiary.

Covered compensation includes salary and annual bonus. The calculation of retirement benefits under the new plan generally is based upon average earnings for the highest five consecutive years of the ten years preceding retirement. Our new plan credits participants for service earned with ArvinMeritor, Arvin, Meritor and Rockwell, as applicable. The credited years of service of Messrs. Yost, O'Rourke, Soderstrom, Gosnell, Daniel and Stinson are 32, 4, 17, 24, 16 and 20, respectively.

The new plan includes "grandfathering" provisions under which the retirement benefits payable to certain long-term employees will be adjusted in some cases to reflect differences between the benefits earned under the new plan and those earned under the predecessor plans prior to January 1, 2001.

Sections 401(a)(17) and 415 of the Internal Revenue Code limit the annual benefits that may be paid from a tax-qualified retirement plan. As permitted by the Employee Retirement Income Security Act of 1974, we have established a supplemental plan that authorizes the payment out of the Company's general funds

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

of any benefits calculated under provisions of the applicable retirement plan that may be above the limits under these sections. Effective January 1, 2001, this new supplemental plan replaced separate supplemental plans of Arvin and Meritor.

### AUDIT COMMITTEE REPORT

The Audit Committee, in accordance with its written charter, assists the Board in fulfilling its responsibility for monitoring the integrity of the accounting, auditing and financial reporting practices of ArvinMeritor. The Audit Committee's function is more fully described in its charter, which is included as Appendix A to this proxy statement.

Management is responsible for the financial reporting process, including the system of internal controls and disclosure controls, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States ("GAAP"). The independent auditors are responsible for auditing these financial statements and expressing an opinion as to their conformity to GAAP. The Audit Committee's responsibility is to monitor and review these processes, acting in an oversight capacity. The Audit Committee does not certify the financial statements or guarantee the independent auditor's report.

25

The Audit Committee relies, without independent verification, on the information provided to it, the representations made by management and the independent auditors and the report of the independent auditors.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended September 30, 2003 with the Company's management and has discussed with Deloitte & Touche LLP ("Deloitte"), independent auditors, the matters required to be discussed by Statement on Auditing Standards Standard No. 61, as amended, "Communication with Audit Committees." In addition, Deloitte has provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Audit Committee has discussed with Deloitte their independence.

Based on the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in ArvinMeritor's Annual Report on Form 10-K for the fiscal year ended September 30, 2003, to be filed with the SEC.

The Audit Committee may also pre-approve particular services on a case-by-case basis. In assessing requests for services by the independent accountants, the Audit Committee considers whether such services are consistent with the auditor's independence; whether the independent accountants are likely to provide the most effective and efficient service based upon their familiarity with the Company; and whether the service could enhance the Company's ability to manage or control risk or improve audit quality.

All of the audit-related, tax and other services provided by Deloitte in fiscal year 2003 (described in the footnotes to the table above) and related fees were approved in advance by the Audit Committee.

PROPOSAL TO APPROVE THE SELECTION OF AUDITORS

The Audit Committee of the Board of Directors of ArvinMeritor has selected the firm of Deloitte & Touche LLP as the auditors of the Company, subject to the approval of the shareowners. Deloitte & Touche LLP have acted as auditors for ArvinMeritor since the merger and acted as auditors for Meritor from its inception.

Before the Audit Committee appointed Deloitte & Touche LLP, it carefully considered the qualifications of that firm, including its performance for ArvinMeritor and for Meritor prior to the merger and its reputation for integrity and for competence in the fields of accounting and auditing. Representatives of Deloitte & Touche LLP are expected to attend the 2004 Annual Meeting to respond to appropriate questions and to make a statement if they desire to do so.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE PROPOSAL TO APPROVE THE SELECTION OF DELOITTE & TOUCHE LLP TO ACT AS AUDITORS FOR ARVINMERITOR, WHICH IS PRESENTED AS ITEM (2).

PROPOSAL TO APPROVE THE 2004 DIRECTORS STOCK PLAN

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

A proposal will be presented to the meeting to approve the 2004 Directors Stock Plan (the "2004 Directors Plan"), which was adopted by the Board of Directors on November 12, 2003, subject to approval of the shareowners. The complete text of the 2004 Directors Plan is set forth in Appendix B to this proxy statement, and shareowners are urged to review it together with the following information, which is qualified in its entirety by reference to Appendix B.

### DESCRIPTION OF NEW DIRECTORS STOCK PLAN

The purpose of the 2004 Directors Plan is to link compensation of non-employee directors of the Company directly with the interests of the Company's shareowners. If approved by shareowners, the 2004 Directors Plan will become effective and supersede a similar plan previously adopted by the Board and approved by shareowners, and the first awards will be made immediately following the meeting.

**Participation.** Participation in the 2004 Directors Plan will be limited to directors who are not employees of the Company or any of its subsidiaries. There are currently 11 non-employee directors. An aggregate of 275,000 shares of Common Stock of the Company may be delivered under the 2004 Directors Plan, subject to appropriate adjustment in the event of any change in or affecting shares of Common Stock, including but not limited to stock dividends, stock splits and recapitalizations.

**Restricted Share Units.** Under the 2004 Directors Plan, each non-employee director may be awarded restricted share units immediately after each annual meeting of shareowners, with the number of restricted share units (the "Annual RSU Amount") to be fixed from time to time by the Board. The Board may also at any time award non-employee directors such additional restricted share units under the 2004 Directors Plan as it may determine in its sole discretion. Unless otherwise provided in the applicable award agreement, (i) each restricted share unit will be paid or settled by the issuance of one Share after the earliest of (A) six years from the date of the award, (B) ten days after the non-employee director retires from the Board after reaching age 72 and having served at least three years as a director, or (C) the date the non-employee director resigns from the Board or ceases to be a director by reason of the antitrust laws, compliance with the Company's conflict of interest policies, death, disability or other circumstances the Board determines not to be adverse to the best interests of the Company, and (ii) if the non-employee director ceases to be a director prior to six years from the date of the award for any other reason, the restricted share unit will terminate and all right, title and interest of the non-employee director therein will be forfeited. A recipient of restricted share units may also be entitled to receive dividend equivalents in an amount equal to the amount or value of any cash or other dividends or distributions payable on an equivalent number of shares of Common Stock. If provided for in the applicable award agreement, a non-employee director also may from time to time elect in advance to defer the issuance and delivery of shares otherwise issuable in respect of restricted share units held by the non-employee director.

27

**Shares.** Each non-employee director may be awarded shares of Common Stock immediately after each annual meeting of shareowners, with the number of shares (the "Annual Share Amount") to be fixed from time to time by the Board. The Board may also at any time award non-employee directors such additional shares of Common Stock under the 2004 Directors Plan as it may determine in its sole discretion.

**Restricted Shares.** Each non-employee director may be awarded restricted shares of Common Stock immediately after each annual meeting of shareowners,

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

with the number of shares (the "Annual Restricted Share Amount") to be fixed from time to time by the Board. The Board may also at any time award non-employee directors such additional restricted shares under the 2004 Directors Plan as it may determine in its sole discretion. Restricted shares will have all the attributes of outstanding shares, including the right to vote and to receive dividends, except that restricted shares will be held by the Company. Unless otherwise provided in the applicable award agreement, (i) the restricted shares so held will be delivered to the non-employee director and cease to be restricted shares upon the earliest of (A) the date the restrictions set forth in the applicable award agreement lapse, (B) ten days after the non-employee director retires from the Board after reaching age 72 and having served at least three years as a director, or (C) the date the non-employee director resigns from the Board or ceases to be a director by reason of the antitrust laws, compliance with the Company's conflict of interest policies, death, disability or other circumstances the Board determines not to be adverse to the Company's best interests, and (ii) if the non-employee director ceases to be a director for any other reason prior to the date the restrictions set forth in the applicable award agreement lapse, all right, title and interest of the non-employee director in the restricted shares will be forfeited.

**Stock Options.** Each non-employee director may be granted options to purchase shares of Common Stock immediately after each annual meeting of shareowners, with the number of shares subject to options to be fixed from time to time by the Board (the "Annual Option Amount"). The Board may also at any time grant non-employee directors options for such additional number of shares under the 2004 Directors Plan as it may determine in its sole discretion. The purchase price of the shares subject to each option granted will be 100% of the fair market value of the shares on the date the option is granted. Upon exercise of an option, the option price must be paid in full in cash, shares valued at their fair market value on the date of exercise, or a combination of both.

Unless otherwise provided in the applicable award agreement, options granted under the 2004 Directors Plan may not be exercised prior to one year or after ten years from the date of grant and will become exercisable in three approximately equal installments on the first, second and third anniversaries of the date of grant, provided, however, that

- if an optionee who holds outstanding stock options dies, all options then held will be exercisable even if they were not exercisable at the date of death, but the options will expire at the earlier of three years after the date of death or the expiration date specified in the options;
- if an optionee who holds outstanding stock options retires from the Board after reaching age 72 and has served at least three years as a director, all options then held will be exercisable even if they were not exercisable at the retirement date, but the options will expire at the earlier of five years after the date of retirement or the expiration date specified in the options;
- if an optionee ceases to be a director by reason of disability or resignation from the Board for reasons of the antitrust laws, compliance with the Company's conflict of interest policies or other circumstances that the Board determines not to be adverse to the Company's best interests, all options then held by the optionee will be exercisable, even if they were not exercisable at the termination date, from and after the termination date, but the options will expire at the earlier of one year after the termination date or the expiration date specified in the options, unless the Board determines otherwise; and
- if an optionee ceases to be a director while holding unexercised options for any other reason, the options will then be void.

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

Options granted under the 2004 Directors Plan are not transferable other than by will or by the laws of descent and distribution or by gift to the optionee's immediate family members, affiliated trusts or family charitable trusts.

28

**Stock Appreciation Rights.** Each non-employee director may be granted stock appreciation rights ("SARs") immediately after each annual meeting of shareowners, with the number of SARs (the "Annual SAR Amount") to be fixed from time to time by the Board. The Board may also at any time grant non-employee directors such additional number of SARs under the 2004 Directors Plan as it may determine in its sole discretion. SARs may be tandem SARs, which are SARs related to a stock option, or freestanding SARs, which are SARs separate and apart from the grant of an option. Tandem SARs permit an optionee, upon exercise of such rights and surrender of the related option to the extent of an equivalent number of shares, to receive a payment equal to the excess of the fair market value (on the date of exercise) of the portion of the option so surrendered over the option price of such shares. Freestanding SARs entitle the grantee, upon exercise of such rights, to receive a payment equal to the excess of the fair market value (on the date of exercise) of all or part of a designated number of shares over the fair market value of such shares on the date the SARs were granted. Such payment may be made in shares (valued on the basis of the fair market value of the shares on the date of exercise of the SARs) or in cash, or partly in shares and partly in cash, as the Corporate Governance and Nominating Committee may determine. Unless otherwise provided in the applicable award agreement, SARs granted under the 2004 Directors Plan will be exercisable at the same times and under the same circumstances as described above for options granted under the 2004 Directors Plan.

**Pro Rata Awards.** Each non-employee director elected at any meeting of the Board will receive an award of 100% of the Annual RSU Amount, the Annual Share Amount, the Annual Restricted Share Amount, the Annual Option Amount and the Annual SAR Amount (the "Annual Grant Amount") if elected after an annual meeting and prior to May 1, 75% of the Annual Grant Amount if elected between May 1 and July 31, 50% of the Annual Grant Amount if elected between August 1 and October 31, and 25% of the Annual Grant Amount if elected between November 1 and the next annual meeting.

**Restricted Share Units or Restricted Shares in Lieu of Cash Compensation or Shares.** Each non-employee director may elect to receive all or any portion of the cash retainer to be paid for Board or other service related to Board activities in the form of restricted share units or restricted shares of Common Stock. Each non-employee director may also elect to receive an annual award of shares, if any, in the form of restricted share units or restricted shares of Common Stock.

**Administration and Amendment.** The Corporate Governance and Nominating Committee will administer the 2004 Directors Plan. The Board of Directors may amend the 2004 Directors Plan in any respect, provided that without shareowner approval no amendment will materially increase the number of shares of Common Stock available under the 2004 Directors Plan (other than adjustments to reflect changes in or affecting shares of Common Stock), expand the type of awards available under the 2004 Directors Plan, materially expand the class of directors eligible to participate in the 2004 Directors Plan, materially change the method of determining the exercise price of options under the 2004 Directors Plan or otherwise be effective to the extent that shareowner approval is necessary to comply with applicable requirements of the New York Stock Exchange.

The Board of Directors also has authority to terminate the 2004 Directors Plan at any time.

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

Change of Control. In order to maintain the rights of participants in the 2004 Directors Plan in the event of a change of control (as defined in Section 8.10 of the Company's By-Laws) of the Company, the 2004 Directors Plan provides that upon the occurrence of a change of control, unless the Board of Directors determines otherwise, all outstanding stock options and stock appreciation rights shall become fully exercisable whether or not then exercisable, the restrictions on all restricted shares shall lapse and all outstanding restricted stock units will be paid or settled by the issuance of shares of Common Stock.

New Plan Benefits. Only non-employee directors are eligible to participate in the 2004 Directors Plan, and no awards will be made under the Plan to executive officers or employees, including the Named Executive Officers. Since awards under the 2004 Directors Plan are made in the discretion of the Board, the amounts to be awarded in any year are not determinable. It is currently expected that the annual equity-based grant to each non-employee director following the 2004 Annual Meeting of Shareowners will be in the form of 2,400 restricted stock units.

29

Tax Matters. The following is a brief summary of the material United States federal income tax consequences of benefits under the 2004 Directors Plan under present law and regulations:

- Restricted Share Units. The grant of a restricted share unit will not result in any immediate tax consequences to the non-employee director or the Company. Upon payment or settlement of a restricted share unit award in shares or payment of any dividend equivalents, the non-employee director will recognize taxable ordinary income, and the Company will be entitled to a deduction, equal to the fair market value of the shares or the dividend equivalents on the date received.
- Shares. A non-employee director will recognize taxable ordinary income at the time of the award of unrestricted shares, and the Company will be entitled to a deduction, equal to the fair market value of the shares at that time.
- Restricted Shares. A non-employee director normally will not recognize taxable income in connection with an award of restricted shares, and the Company will not be entitled to a deduction, until the termination of the restrictions. Upon such termination, the non-employee director will recognize taxable ordinary income in an amount equal to the fair market value of the shares at that time. However, a non-employee director may elect to recognize taxable ordinary income in the year the restricted shares are awarded in an amount equal to their fair market value at that time, determined without regard to the restrictions. The Company will be entitled to a deduction in the same amount and at the same time as the non-employee director realizes income. To the extent dividends are paid currently, a non-employee director will realize taxable ordinary compensation income at the time such dividends are received and the Company will be entitled to an equal deduction at that time.
- Stock Options. The grant of an option will not result in any immediate tax consequences to the Company or the non-employee director. Upon the exercise of an option, the non-employee director will recognize taxable ordinary income, and the Company will be entitled to a deduction, equal to the excess of the fair market value of the shares acquired at the time of exercise over the option exercise price.
- Stock Appreciation Rights. The grant of either a tandem SAR or a freestanding SAR will not result in any immediate tax consequences to the Company or the non-employee director. Upon the exercise of either a

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

tandem SAR or a freestanding SAR, any cash received and the fair market value on the exercise date of any shares received will constitute ordinary income to the non-employee director. The Company will be entitled to a deduction in the same amount and at the same time.

- Restricted Share Units or Restricted Shares in Lieu of Cash Compensation or Shares. The value of restricted share units or restricted shares awarded in lieu of cash retainers or an award of shares, if any, is not taxable to the non-employee director, and the Company will not be entitled to a deduction, until (i) in the case of restricted share units, the payment or settlement of the restricted share units (at the value of the shares on the date of payment or settlement) or (ii) in the case of restricted shares, the lapse of the restrictions (at the value of the shares on the date the restrictions lapse).

SECURITIES AUTHORIZED FOR ISSUANCE UNDER OTHER EQUITY COMPENSATION PLANS

The number of stock options outstanding under our other equity compensation plans, the weighted average exercise price of outstanding options, and the number of securities remaining available for issuance, as of September 30, 2003, were as follows:

Table with 4 columns: PLAN CATEGORY, (COLUMN A) NUMBER OF SECURITIES TO BE ISSUED UPON EXERCISE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS (1), (COLUMN B) WEIGHTED AVERAGE EXERCISE PRICE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS, and (COLUMN C) NUMBER OF SECURITIES AVAILABLE FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS (EXCLUDING PLANS REFLECTED IN THIS TABLE).

(1) In addition to stock options, shares of Common Stock, restricted Common Stock, and deferred Common Stock have been awarded under the Company's equity compensation plans and were outstanding at September 30, 2003.

(2) All of our equity compensation plans except the 1998 Employee Stock Benefit Plan were approved by the shareholders of either Arvin or Meritor prior to the merger of the two companies into ArvinMeritor. The Employee Stock Benefit Plan was adopted by the Arvin board of directors in 1998 and expires in 2008. It is intended to provide compensation arrangements that will attract, retain and reward key non-officer employees and to provide these employees with a proprietary interest in the Company. The Plan provides for the issuance of incentive awards to non-officer employees in the form of stock options, tandem or non-tandem stock appreciation rights, restricted stock, performance shares or performance units. For further information, see the Plan document, which is filed as Exhibit 10-i to the Company's Annual Report on Form 10-K for the fiscal year ended September 28, 2003 (File No. 000011910300000003).

- (3) The table includes options granted under Arvin's 1988 Stock Benefit Plan, 1998 Stock Benefit Plan and Employee Stock Benefit Plan, which we assumed in connection with the merger of Arvin and Meritor. A total of 3,118,255 options issued under these plans, with a weighted average exercise price of \$28.10, were assumed at the time of the merger.
- (4) The following number of shares remained available for issuance under each of our equity compensation plans at September 30, 2003. Grants under these plans may be in the form of any of the listed types of awards:

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE PROPOSAL TO APPROVE THE ADOPTION BY THE BOARD OF DIRECTORS OF THE 2004 DIRECTORS PLAN, WHICH IS PRESENTED AS ITEM (3).

VOTE REQUIRED

At the 2004 Annual Meeting, the four nominees who receive the greatest number of votes for election as Class I directors, and the nominee who receives the greatest number of votes for election as a Class II director, in each case cast by the holders of ArvinMeritor Common Stock entitled to vote at the meeting, a quorum being present, will become directors at the conclusion of the tabulation of votes. To approve the selection of auditors and the approval of the 2004 Directors Plan, more votes must be cast in favor of the proposal than are cast against it, a quorum being present. The presence, in person or by proxy, of the holders of at least a majority of the shares of ArvinMeritor Common Stock issued and outstanding on the record date set for the meeting is necessary to have a quorum.

Under Indiana law and our Restated Articles of Incorporation and By-Laws, the aggregate number of votes cast "for" and "against" by all shareowners present in person or represented by proxy at the meeting will be counted for purposes of determining the minimum number of affirmative votes required for approval of the selection of auditors and approval of the 2004 Directors Plan,

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

and the total number of votes cast "for" such matter will be counted for purposes of determining whether sufficient affirmative votes have been cast. The shares of a shareowner who abstains from voting on a matter or whose shares are not voted by reason of a broker non-vote on a particular matter will be counted for purposes of determining whether a quorum is present at the meeting so long as the shareowner is present in person or represented by proxy. An abstention from voting or a broker non-vote on a matter by a shareowner present in person or represented by proxy at the meeting has no effect in the election of directors, the approval of the selection of auditors or the approval of the 2004 Directors Plan (assuming a quorum is present).

### OTHER MATTERS

The Board of Directors does not know of any other matters that may be presented at the meeting. In the event of a vote on any matters other than those referred to in items (1), (2) and (3) of the accompanying Notice of 2004 Annual Meeting of Shareowners, it is intended that properly given proxies will be voted on the additional matters in accordance with the judgment of the person or persons voting such proxies.

### COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers and directors, and persons who own more than ten percent of a registered class of ArvinMeritor equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the New York Stock Exchange. Officers, directors and greater than ten percent shareowners are required by SEC regulation to furnish us with copies of all Forms 3, 4 and 5 they file.

Based solely on our review of the copies of such forms we have received and information and representations furnished by our officers and directors, we believe that all our officers, directors and greater than ten percent beneficial owners have filed with the SEC on a timely basis all required forms with respect to transactions in ArvinMeritor securities in fiscal year 2003.

### ANNUAL REPORTS

Our Annual Report to Shareowners, including the Annual Report on Form 10-K and financial statements, for the fiscal year ended September 30, 2003, was mailed to shareowners with this proxy statement.

### EXPENSES OF SOLICITATION

The cost of the solicitation of proxies will be borne by ArvinMeritor. In addition to the use of the mails, proxies may be solicited personally, or by telephone, telegraph, telecopy, Internet or other means of

32

communication by our directors, officers and employees without additional compensation. We have engaged Georgeson Shareholder Communications Inc. to assist in the solicitation of proxies for a base fee of \$10,000, plus expenses. We will also reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their expenses of resending proxy materials to principals and obtaining their proxies.

### SHAREOWNER PROPOSALS FOR 2005 ANNUAL MEETING

Under the rules and regulations of the SEC, shareowner proposals for the 2005 Annual Meeting of Shareowners must be received on or before September 7,

2004, at the Office of the Secretary at our headquarters, 2135 West Maple Road, Troy, MI 48084-7186, in order to be eligible for inclusion in our proxy materials. ### 3. SHARES RESERVED UNDER THE PLAN.

Subject to the provisions of Section 14, there shall be reserved for delivery under the Plan 275,000 shares of Common Stock, par value \$1.00 per share, of ArvinMeritor (Shares). ### 4. ADMINISTRATION OF THE PLAN.

The Plan shall be administered by the Corporate Governance and Nominating Committee (the Committee) of the Board of Directors of ArvinMeritor (the Board), subject to the right of the Board, in its sole discretion, to exercise or authorize another committee or person to exercise some or all of the responsibilities, powers and authority vested in the Committee under the Plan. Immediately following each Annual Meeting of Shareowners of ArvinMeritor, each Non-Employee Director who is elected a director at, or who was previously elected and continues as a director after, that Annual Meeting may be awarded a right to receive Shares (Restricted Share Units) upon the terms and conditions set forth in the Plan and the applicable award agreement. The number of Restricted Share Units, if any, so awarded (the Annual RSU Amount) shall be fixed from time to time by the Board. Unless otherwise provided in the applicable award agreement, (i) each Restricted Share Unit shall be paid or settled by the issuance of one Share after the earliest of (A) six (6) years from the date of the award, (B) ten days after the Non-Employee Director retires from the Board after reaching age 72 and having served at least three years as a director or (C) the date the Non-Employee Director resigns from the Board or ceases to be a director by reason of the antitrust laws, compliance with ArvinMeritor's conflict of interest policies, death, disability or other circumstances that the Board determines not to be adverse to the best interests of ArvinMeritor and (ii) if the Non-Employee Director ceases to be a director prior to six years from the date of

A participant shall not be required to make any payment for any Restricted Shares delivered under this Section 8. Upon receipt of an award of Restricted Shares, the recipient shall have the right to vote the Restricted Shares and to receive dividends thereon, and the Restricted Shares shall have all the attributes of outstanding Shares, except that the Restricted Shares shall be held in book-entry accounts subject to the direction of ArvinMeritor (or if ArvinMeritor elects, certificates therefor may be issued in the recipient's name but delivered to and held by ArvinMeritor). Unless otherwise provided in the applicable award agreement, (i) the Restricted Shares so held shall be delivered to the Non-Employee Director and cease to be Restricted Shares upon the earliest of (A) the date the restrictions set forth in the applicable award agreement lapse, (B) ten days after the Non-Employee Director retires from the Board after reaching age 72 and having served at least three years as a director or (C) the date the Non-Employee Director resigns from the Board or ceases to be a director by reason of the antitrust laws, compliance with ArvinMeritor's conflict of interest policies, death, disability or other circumstances the Board determines not to be adverse to the best interests of ArvinMeritor and (ii) if the Non-Employee Director ceases to be a director for any reason

other than as described in clause (i)(B) or clause (i)(C) above prior to the date the restrictions set forth in the applicable award agreement lapse, all right, title and interest of the Non-Employee Director in such Restricted Shares shall be forfeited and such Restricted Shares shall be transferred to ArvinMeritor.

(b) Discretionary Awards. At such times as the Board may determine, the Board may award to each Non-Employee Director, or to one or more designated Non-Employee Directors, such additional number of Restricted Shares as the Board in its sole discretion shall determine.

### 9. STOCK OPTIONS.

Immediately following each Annual Meeting of Shareowners of ArvinMeritor, each Non-Employee Director who is elected a director at, or was previously elected and continues as a director after, that Annual Meeting may be granted an option (Option) to purchase Shares. The number of Shares subject to Options, if any, so granted (the Annual Option Amount) shall be fixed from time to time by the Board.

(b) Discretionary Grants. At such times as the Board may determine, the Board may grant to each Non-Employee Director, or to one or more designated Non-Employee Directors, Options for such additional number of Shares as the Board in its sole discretion shall determine.

(c) Exercise Price. The exercise price per Share for each Option granted under this Section 9 shall be one-hundred percent (100%) of the Fair Market Value (as defined below) of the Shares on the date of grant.

(d) Exercise and Termination. The purchase price of the Shares with respect to which an Option or portion thereof is exercised shall be payable in full in cash, Shares valued at their Fair Market Value on the date of exercise, or a combination thereof. Unless otherwise provided in the applicable award agreement: (i) each Option may be exercised in whole or in part at any time after it becomes exercisable, (ii) each Option shall become exercisable in three approximately equal installments on each of the first, second and third anniversaries of the date the Option is granted and (iii) no Option shall be exercisable prior to one year or after ten years from the date of the grant thereof; provided, however, that (A) if the holder of an Option dies, the Option may be exercised from and after the date of the optionee's death for a period of three years (or until the expiration date specified in the Option if earlier) even if it was not exercisable at the date of death; (B) if an optionee retires after reaching age 72 and having served at least three years as a director, all Options then held by that optionee shall be exercisable even if they were not exercisable at the optionee's retirement date, provided, however, that each such Option shall expire at the earlier of five years after the date of the optionee's retirement or the expiration date specified in the Option; (C) if an optionee ceases to be a director by reason of disability or resignation from the Board for reasons of the antitrust laws, compliance with ArvinMeritor's conflict of interest policies or other circumstances that the Board determines not to be adverse to the best interests of ArvinMeritor, all Options then held by such optionee may be exercised from and after such termination date for a period of one year (or until the expiration date specified in the Option, if earlier), even if they were not exercisable at such termination date, unless otherwise determined by the Board; and (D) if an optionee ceases to be a director while holding unexercised Options for any reason not specified above, such Options are then void.

(e) Nonassignability. Except as otherwise provided in an applicable award agreement, Options granted under the Plan are not transferable other than (i) by will or by the laws of descent and distribution or (ii) by gift to the grantee's spouse or natural, adopted or step-children or grandchildren (Immediate Family

the Board. Tandem SARs (as defined below) may be granted at the time of grant of an Option or at any time thereafter during the term of an Option.

(b) Discretionary Grants. At such times as the Board may determine, the Board may grant to each Non-Employee Director, or to one or more designated Non-Employee Directors, awards of such additional number of Stock Appreciation Rights as the Board in its sole discretion shall determine.

(c) Exercise and Other Terms. A Tandem SAR shall be exercisable only when and to the extent that the related Option is exercisable and in lieu thereof. Freestanding SARs (as defined below) may be granted on terms and conditions determined by the Committee, consistent with the provisions of the Plan. The payment to which the grantee of a Stock Appreciation Right is entitled upon exercise thereof may be made in Shares valued at their Fair Market Value on the date of exercise, or in cash or partly in cash and partly in Shares, as the Committee may determine. Upon exercise of a Tandem SAR and surrender of the related Option or part thereof, such Option, to the extent surrendered, shall not thereafter be exercisable, and the Shares covered by the surrendered Option shall not again be available for grants pursuant to the Plan. Upon exercise of a Freestanding SAR, any Shares delivered in payment thereof shall not again be available for grants pursuant to the Plan. Unless otherwise provided in the applicable award agreement: (i) each Freestanding SAR may be exercised in whole or in part at any time after it becomes exercisable, (ii) each Freestanding SAR shall become exercisable in three approximately equal installments on each of the first, second and third anniversaries of the date the Freestanding SAR is granted and (iii) no Freestanding SAR shall be exercisable prior to one year or after ten years from the date of the grant thereof; provided, however, that (A) if the holder of a Freestanding SAR dies, the Freestanding SAR may be exercised from and after the date of the Non-Employee Director's death for a period of three years (or until the expiration date specified in the Freestanding SAR if earlier) even if it was not exercisable at the date of death; (B) if a Non-Employee Director retires after reaching age 72 and having served at least three years as a director, all Freestanding SARs then held by that Non-Employee Director shall be exercisable even if they were not exercisable at the Non-Employee Director's retirement date, provided, however, that each such Freestanding SAR shall expire at the earlier of five years after the date of the Non-Employee Director's retirement or the expiration date specified in the Freestanding SAR; (C) if a Non-Employee Director ceases to be a director by reason of disability or resignation from the Board for reasons of the antitrust laws, compliance with ArvinMeritor's conflict of interest policies or other circumstances that the Board determines not to be adverse to the best interests of ArvinMeritor, all Freestanding SARs then held by such Non-Employee Director may be exercised from and after such termination date for a period of one year (or until the expiration date specified in the Freestanding SAR, if earlier), even if they were not exercisable at such termination date, unless otherwise determined by the Board; and (D) if a Non-Employee Director ceases to be a

director while holding unexercised Freestanding SARs for any reason not specified above, such Freestanding SARs are then void.

(d) Definitions. For purposes of the Plan, "Stock Appreciation Right" or "SAR" means a right granted to a Non-Employee Director (i) in conjunction with all or any part of any Option, which entitles the Non-Employee Director, upon exercise of such right, to surrender such Option, or any part thereof, and to receive a payment equal to the excess of the Fair Market Value on the date of such exercise of the Shares covered by such Option, or part thereof, over the purchase price of such Shares pursuant to the Option (a Tandem SAR) or (ii) separate and apart from any Option, which entitles the Non-Employee Director, upon exercise of such right, to receive a payment measured by the increase in the Fair Market Value of a number of Shares designated by such right from the date of grant of such right to the date on which the Non-Employee Director exercises such right (a Freestanding SAR).

### 11. PRO RATA AWARDS.

Each Non-Employee Director who is elected a director at any meeting of the Board shall receive effective immediately after that meeting an award of one hundred percent (100%) of the Annual RSU Amount, the Annual Share Amount, the Annual Restricted Share Amount, the Annual Option Amount and the Annual SAR Amount (the "Annual Grant Amount") if elected after an Annual Meeting of Shareowners and prior to May 1; an award of seventy-five percent (75%) of the Annual Grant Amount if elected between May 1 and July 31; an award of fifty percent (50%) of the Annual Grant Amount if elected between August 1 and

October 31; and an award of twenty-five percent (25%) of the Annual Grant Amount if elected between November 1 and the next Annual Meeting of Shareowners.

### 12. RESTRICTED SHARE UNITS OR RESTRICTED SHARES IN LIEU OF CASH COMPENSATION OR SHARES.

(a) Each Non-Employee Director may elect each year, not later than December 31 of the year preceding the year as to which deferral of fees is to be applicable, to defer all or any portion of the cash retainer to be paid for Board or other service related to Board activities in the following calendar year through the issuance or transfer of Restricted Share Units or Restricted Shares, valued at the Fair Market Value of the Shares on the date when each payment of such retainer amount would otherwise be made in cash. Such Restricted Share Units or Restricted Shares shall be the same as and subject to the same provisions as are applicable to Restricted Share Units and Restricted Shares that may be awarded pursuant to Sections 6 and 8, respectively.

(b) Each Non-Employee Director may elect each year, not later than December 31 of the year preceding the year in which an annual award of Shares is to be made pursuant to Section 7(a), to receive the annual award in the form of Restricted Share Units or Restricted Shares. Such Restricted Share Units or Restricted Shares shall be the same as and subject to the same provisions as are applicable to Restricted Share Units and Restricted Shares that may be awarded pursuant to Sections 6 and 8, respectively.

### 13. AWARD AGREEMENTS.

Each award or grant under the Plan may be evidenced by an award agreement setting forth such terms and conditions of the award or grant, not inconsistent with the terms of the Plan, as the Committee shall determine. In the event of any conflict between an award agreement and the Plan, the terms of the Plan shall govern.

## Edgar Filing: ARVINMERITOR INC - Form DEF 14A

### 14. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION.

If there shall be any change in or affecting Shares on account of any merger, consolidation, reorganization, recapitalization, reclassification, stock dividend, stock split or combination, or other distribution to holders of Shares (other than a cash dividend), there shall be made or taken such amendments to the Plan and outstanding awards or grants and award agreements and such adjustments and actions thereunder as the Board may deem appropriate under the circumstances.

### 15. GOVERNMENT AND OTHER REGULATIONS.

The obligations of ArvinMeritor to issue or deliver Shares under the Plan or upon exercise of Options granted under the Plan shall be subject to (a) all applicable laws, rules and regulations and such approvals by any governmental agencies as may be required, including, without limitation, compliance with the Securities Act of 1933, as amended, and (b) the condition that such Shares shall have been duly listed on the New York Stock Exchange.

### 16. AMENDMENT AND TERMINATION OF THE PLAN.

The Plan may be amended by the Board in any respect, provided that, without shareowner approval, no amendment shall (a) materially increase the number of Shares available under the Plan (other than adjustments pursuant to Section 14), (b) expand the types of awards available under the Plan, (c) materially expand the class of directors eligible to participate in the Plan, (d) materially change the method of determining the exercise price of Options under the Plan or (e) otherwise be effective to the extent that shareowner approval is necessary to comply with applicable requirements of the New York Stock Exchange. The Plan may also be terminated at any time by the Board. Termination of the Plan shall not affect the rights of Non-Employee Directors with respect to awards previously granted to them and all unexpired awards shall continue in force and effect after termination of the Plan except as they may lapse or be terminated by their own terms and conditions.

### 17. MISCELLANEOUS.

(a) Nothing contained in the Plan shall be deemed to confer upon any person any right to continue as a director of or to be associated in any other way with ArvinMeritor.

(b) For purposes of the Plan, the "Fair Market Value" of Shares means the closing sale price of the Shares as reported in the New York Stock Exchange -- Composite Transactions on the date of a determination (or on the next preceding day that Shares were traded if they were not traded on the date of a determination).

(c) Notwithstanding any other provision of the Plan, if a Change of Control as defined in Section 8.10 of ArvinMeritor's Amended By-Laws shall occur, then, unless prior to the occurrence thereof the Board of Directors shall determine otherwise by vote of at least two-thirds of its members, (i) all Options and Stock Appreciation Rights then outstanding pursuant to the Plan shall forthwith become fully exercisable whether or not then exercisable, (ii) the restrictions on all Restricted Shares awarded under the Plan shall forthwith lapse and (iii) all outstanding Restricted Share Units shall forthwith be paid or settled by the issuance of Shares thereunder.

(d) To the extent that Federal laws do not otherwise control, the Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Delaware.
