On July 28, 2009, Energy Transfer Partners, L.P. (the Partnership) adopted the Second Amended and Restated Agreement of Limited Partnership in order to incorporate Amendments Nos. 1 through 12 to its existing partnership agreement, as well as make certain other changes necessary (i) to update certain definitions in the agreement, (ii) to remove obsolete provisions relating to the Partnership's IPO, (iii) to provide for uncertificated common units, (iv) to convert the general partner's obligation to make capital contributions equal to 2% of the capital contributions to the Partnership by purchasers of new common units issued by the Partnership to an option for the general partner to maintain its general partner percentage interest by making a capital contribution proportionate to its then current general partner interest which, if not exercised, would result in dilution to the general partner's percentage interest in cash distributions related to its general partner interest, (v) to update language in the agreement with respect to changes in and/or finalization of certain Treasury Regulations, and (vi) to update various other provisions of the agreement.

A copy of the Second Amended and Restated Agreement of Limited Partnership is filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.
