ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On December 3, 2009, Ciena Corporation (Ciena) and Nortel Networks Corporation, its principal operating subsidiary Nortel Networks Limited, Nortel Networks Inc. and certain of its other subsidiaries (together, Nortel), entered into an amendment (the Amendment) to that certain amended and restated asset sale agreement dated November 24, 2009, relating to the purchase of substantially all of the North American, Caribbean and Latin American and Asian optical networking and carrier Ethernet assets of Nortel s Metro Ethernet Networks (MEN) business (the North American Agreement).

In accordance with the North American Agreement, and that certain EMEA Agreement dated as of October 7, 2009, as amended, relating to the purchase of substantially all of the European, Middle Eastern and African (EMEA) optical networking and carrier Ethernet assets of Nortel s MEN business, Ciena has agreed to pay \$530.0 million in cash and issue \$239.0 million in aggregate principal amount of 6% senior convertible notes due 2017 (the Notes) in exchange for the assets above.

The Amendment provides that prior to closing, Ciena may elect to replace some or all of the Notes with cash equal to 102% of the face amount of such Notes replaced, provided that the volume weighted average price of Ciena s common stock is less than \$17.00 per share over the ten trading days prior to the date Ciena makes such election, or, if such volume weighted average price of Ciena s common stock is equal to or greater than \$17.00 per share, with cash in the principal amount equal to the greater of 105% of the face amount of the Notes to be replaced or 95% of the fair value of the Notes to be replaced as of the date of the election. In the event that it completes any capital raising transaction prior to the closing, Ciena will be required to use the net proceeds of the capital raising transaction to make the election described above, and if such transaction involves the issuance of convertible securities, the price used to determine the value of Ciena s common stock for the purposes of calculating the cost of the Notes replaced or redeemed will be the closing price per share prior to the time when such offering is priced, instead of the volume weighted average price as described above. Prior to the Amendment, Ciena could elect to replace some or all of the notes with cash equal to 100% of the face amount, provided that the volume weighted price of Ciena s common stock above was less than \$17.00 per share. In these circumstances, the Amendment would have the effect of increasing the cost to replace the notes from \$239.0 million to approximately \$243.8 million.
