Amended and Restated 2009 Equity Incentive Plan (the Plan). The Plan was amended and restated effective May 13, 2010 upon the approval of the Registrant's stockholders to increase by 700,000 the number of shares of Common Stock available for awards under the Plan. Under the Plan as amended and restated, the Registrant is authorized to issue 1,450,000 shares of Common Stock plus the number of shares of Common Stock granted under the Wright Medical Group, Inc. Fifth Amended and Restated 1999 Equity Incentive Plan, as amended (the 1999 Equity Incentive Plan) that are not exercised or forfeited, lapsed or expired, or otherwise terminate without delivery of any shares of any Common Stock subject thereto, to the extent such Common Stock would otherwise again have been available for issuance under the 1999 Equity Incentive Plan. In addition, this Registration Statement includes 65,000 shares reserved for issuance pursuant to an Inducement Stock Option Grant Agreement dated May 31, 2010 between the Registrant and Raymond C. 2. These figures are estimated solely for the purpose of calculating the amount of the registration fee. 3. These figures are estimated solely for the purpose of calculating the amount of the registration fee. The registration fee has been calculated pursuant to paragraph (h) of Rule 457 under the Securities Act based upon the price at which the options subject to the Inducement Stock Option Grant Agreement may be exercised. The exercise price represents the closing sale price of the Common Stock as reported by the Nasdaq Global Select Market on May 28, 2010, the date prior to the grant.

**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

Section 145 of the General Corporation Law of the State of Delaware ("GCL") provides for the indemnification of officers and directors under certain circumstances against expenses incurred in successfully defending against a claim and authorizes Delaware corporations to indemnify their officers and directors under certain circumstances against expenses and liabilities incurred in legal proceedings involving such persons because of their being or having been an officer or director.

Section 102(b) of the GCL permits a corporation, by so providing in its certificate of incorporation, to eliminate or limit a director's liability to the corporation and its stockholders for monetary damages arising out of certain alleged breaches of their fiduciary duty. Section 102(b)(7) of the GCL provides that no such limitation of liability may affect a director's liability with respect to any of the following: (i) breaches of the director's duty of loyalty to the corporation or its stockholders; (ii) acts or omissions not made in good faith or which involve intentional misconduct of knowing violations of law; (iii) liability for dividends paid or stock repurchased or redeemed in violation of the GCL; or (iv) any transaction from which the director derived an improper personal benefit. Section 102(b)(7) does not authorize any limitation on the ability of the corporation or its stockholders to obtain injunctive relief, specific performance or other equitable relief against directors.

The Registrant's Fourth Amended and Restated Certificate of Incorporation, as amended, provides that the Registrant shall indemnify to the fullest extent authorized or permitted under and in accordance with the laws of the State of Delaware any person who was or is a party or is threatened to be made a party to any action, whether civil, criminal, administrative or investigative by reason of the fact that he or she is or was a director, officer, or employee or agent of the Registrant, or is or was serving at the request of the Registrant in a similar capacity or in any other capacity with another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Registrant, and had no reasonable cause to believe his or her conduct was unlawful. However, each director will continue to be subject to liability for any breach of the director's duty of loyalty to the Registrant or the Registrant's stockholders and for acts or omissions not in good faith or involving intentional misconduct or knowing violations of law or, if in failing to act, the director shall have acted in a manner involving intentional misconduct or a knowing violation of the law, or for any transaction in which the director derived an improper personal benefit. Expenses incurred in defending a civil or criminal action shall (in the case of any action involving a director of the Registrant) or may (in the case of any action involving an officer, trustee, employee or agent) be paid by the Registrant in advance of the final disposition of such action as authorized by the board of directors upon receipt of an undertaking by or on behalf of the indemnified person to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Registrant.

**Table of Contents**

The Registrant's Second Amended and Restated Bylaws provide that the Registrant will indemnify any and all of the Registrant's directors and officers, including former directors and officers, including those serving as officer or director of any corporation at the request of the Registrant, to the fullest extent permitted under and in accordance with the laws of the State of Delaware.

The Registrant has entered into an indemnification agreement with each of its directors and officers that provides for the indemnification of such director or officer to the fullest extent permitted by law for certain liabilities that arise by reason of the indemnitee's status as a director, officer, employee, or agent of the Registrant or its affiliates. The indemnification agreement provides that an indemnitee may be entitled to advancement of the expenses related to an indemnifiable event and that the Registrant will cause the indemnitee to be covered by its general liability insurance policy if the Registrant maintains such a policy. The rights of the indemnitee under the indemnification agreement are in addition to any other rights that indemnitee may have under the GCL, the Registrant's Fourth Amended and Restated Certificate of Incorporation, as amended, and the Registrant's Second Amended and Restated Bylaws. The Registrant maintains a general liability insurance policy that covers certain liabilities of directors and officers of the Registrant and its affiliates arising out of claims based on acts or omissions in their capacities as directors or officers.

**Item 9. Undertakings.**

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
