Item 1.01. Entry into a Material Definitive Agreement

On October 27, 2010, TreeHouse Foods, Inc. (NYSE: THS) (the Company) amended and restated its credit agreement, dated as of June 27, 2005 (as amended and restated, the Restated Credit Agreement), with Bank of America, N.A., as administrative agent, and the other financial institutions parties thereto. The Restated Credit Agreement, among other things, (i) extends the maturity of the Company's revolving credit facility from August 31, 2011 until October 27, 2015, (ii) increases the amount available under the revolving credit facility from \$600 million to \$750 million, and (iii) as described below, adjusts the interest rates payable on outstanding borrowings. In addition, the Company is required to pay a quarterly facility fee on all commitments under the Restated Credit Agreement based on the Company's consolidated leverage ratio.

Outstanding borrowings under the Restated Credit Agreement generally will bear interest at a rate per annum equal to LIBOR, plus a margin ranging from 1.50% to 2.50% (inclusive of the facility fee), based on the Company's consolidated leverage ratio, payable in arrears on the last day of the applicable interest period but in no event less frequently than every three months. In addition, the Company has other borrowing rates available under the Restated Credit Agreement, including a base rate plus the applicable margin.

The covenants under the Restated Credit Agreement were modified to reflect the extended term of the Restated Credit Agreement and the Company's expected performance, as applicable, during such period. The material terms and conditions under the Restated Credit Agreement are otherwise substantially consistent with those contained in the Company's credit agreement prior to this amendment and restatement.

The obligations of the Company under the Restated Credit Agreement are guaranteed by certain of its United States subsidiaries.

The descriptions of the Restated Credit Agreement set forth above are qualified in their entirety by reference to the Restated Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above in Item 1.01 is hereby incorporated by reference into this Item 2.03.
