**Item 1.01 Entry into a Material Definitive Agreement.**

On December 28, 2010, PMC Commercial Trust (the Company ) and its wholly owned subsidiary, First Western SBLC, Inc. ( First Western ) entered into an Amended and Restated Credit Agreement (the Credit Agreement ) with JPMorgan Chase Bank, National Association, as a lender and as agent for the lenders (in such capacity, the Administrative Agent ) and the lenders named therein. The Credit Agreement amends and restates in its entirety the Credit Agreement dated February 29, 2004 among the Company, Bank One, NA (predecessor-in-interest to JPMorgan Chase Bank, National Association), as administrative agent and the lenders therein (as amended).

The Credit Agreement added First Western as a borrower under the revolving credit facility with a borrowing availability of up to \$7.5 million. The total amount available under the Credit Agreement remained at \$30 million, the maturity remained December 31, 2011 and all other material terms remained the same. In addition, the Company guaranteed the obligation of First Western and certain covenants were modified. All amounts borrowed under the Credit Agreement are secured by a security interest in, among other things, the Company s loans receivable and the capital stock of First Western.

The interest rate payable under the Credit Amendment was not modified and is equal to LIBOR plus 3% or the Administrative Agent s prime rate. The prime rate option has a floor so that it will not at any time be less than LIBOR plus 2.5%. The Credit Agreement contains customary terms and provisions (including representations and warranties, covenants, conditions and events of default) for transactions of this type. Certain covenants, among other things, restrict the Company s and its subsidiaries ability to incur indebtedness, grant liens, make investments and sell assets. The foregoing summary is qualified in its entirety by reference to the full text of the documents attached hereto as Exhibits 10.1, 10.2, 10.3 and 10.4 to this Form 8-K, which exhibits are incorporated herein by reference.
