**Item 1.01 Entry Into a Material Definitive Agreement.**

SCOLR Pharma, Inc. (the Company) entered into an employment agreement with Alan M. Mitchel effective January 10, 2005 which provides that Mr. Mitchel will serve as Senior Vice President of Business and Legal Affairs and Chief Legal Officer of the Company indefinitely, subject to termination as provided in the agreement. The agreement provides for the payment of a base salary of \$245,000 per year, with annual reviews and possible increases in subsequent years. Mr. Mitchel will be eligible to receive an annual bonus up to 50% percent of his base salary (as adjusted from time to time) based on the achievement of certain objectives approved by the Board of Directors in its discretion; provided there has been a minimum gain in the Company's market capitalization of 20% for the year under consideration for payment of a bonus. In addition, Mr. Mitchel will receive a bonus of \$50,000 upon commencement of his employment with the Company; provided that \$25,000 of such bonus shall be credited against the first bonus awarded to Mr. Mitchel by the Company. Mr. Mitchel was granted an option to purchase 200,000 shares of the Company's common stock. The option has an exercise price of \$4.50 per share, which represents the last sale price of the Company's common stock as reported on the American Stock Exchange on the last trading date prior to the date of grant, and becomes exercisable in 36 equal monthly installments commencing on January 10, 2005.

The Company may terminate Mr. Mitchel's agreement for cause (as defined) without notice or compensation to Mr. Mitchel, except for unpaid base salary and other benefits already earned. If the agreement is terminated by the Company without cause, or if Mr. Mitchel resigns for good reason (as defined), Mr. Mitchel will receive a lump sum payment equal to 87.5% of his then current base salary, a prorated bonus payment equal to 50% of such base salary for the portion of the year prior to termination (provided there has been a minimum gain in the Company's market capitalization of 20% during the applicable portion of such year), accelerated vesting of any unvested stock options, and continued medical coverage at the Company's expense for up to one year. The agreement provides for protection of the Company's confidential information and intellectual property and that Mr. Mitchel shall not, during his employment and for a period of one year following termination, compete with the Company, or solicit or hire any of the Company's employees.

The foregoing description of Mr. Mitchel's employment agreement is qualified in its entirety by reference to the employment agreement attached as Exhibit 10.1 to this current report and incorporated herein by reference.
