SELLING SECURITYHOLDERS

The senior convertible debentures were originally purchased from First American on April 24, 2001. The initial purchasers of the senior convertible debentures have advised First American that the senior convertible debentures were resold in transactions exempt from the registration requirements of the Securities Act to "qualified institutional buyers," defined in Rule 144A of the Securities Act and to buyers outside the United States in accordance with Regulation S under the Securities Act. These subsequent purchasers, or their transferees, pledgees, donees or successors, may from time to time offer and sell any or all of the senior convertible debentures and/or First American common shares issuable upon conversion of the senior convertible debentures

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form 424B3

pursuant to this prospectus.

The selling securityholders may choose to sell senior convertible debentures and/or common shares issuable upon conversion of the senior convertible debentures from time to time. See "Plan of Distribution."

The following table sets forth:

- o the name of each selling securityholder who has provided First American with notice as of the date of this prospectus pursuant to the registration rights agreement of its intent to sell or otherwise dispose of senior convertible debentures and/or common shares issuable upon conversion of the senior convertible debentures pursuant to the registration statement;
- o the principal amount of senior convertible debentures and the number of common shares issuable upon conversion of the senior convertible debentures which it may sell from time to time pursuant to the registration statement; and
- o the amount of outstanding senior convertible debentures and common shares beneficially owned by the selling securityholder prior to the offering (assuming no conversion of the senior convertible debentures).

Except as indicated below, no selling securityholder, and no affiliate of a selling securityholder, has held any position or office with, been employed by or otherwise has had any material relationship with First American or First American's affiliates, during the three years prior to the date of this prospectus.

A selling securityholder may offer all or some portion of the senior convertible debentures and common shares issuable upon conversion of the senior convertible debentures. Accordingly, no estimate can be given as to the amount or percentage of senior convertible debentures or common shares that will be held by the selling securityholders upon termination of sales pursuant to this prospectus. In addition, the selling securityholders identified below may have sold, transferred or disposed of all or a portion of their senior convertible debentures since the date on which they provided the information regarding their holdings in transactions exempt from the registration requirements of the Securities Act.
