Performance Share Program

In February 2003, the Compensation Committee of the Board of Directors established the first performance period under the PSP (PSP I), for the performance period covering January 1, 2003 through December 31, 2005. Each executive's award was subject to a range of 0 - 200%, or more, of target based upon the program criteria and a subjective evaluation of the individual's long-term potential and performance, considering input from the Chairman and CEO for each participant other than himself. On February 10, 2006, the Compensation Committee of the Board of Directors approved the following payouts under PSP I to the Senior Executive Team:

| Executive Officer | Total Number of Shares/Units * |
|-------------------|--------------------------------|
| J.J. Mulva | 381,442 |
| J.W. Nokes | 106,400 |
| W.B. Berry | 66,906 |
| J.A. Carrig | 60,880 |
| J.E. Lowe | 52,126 |
| S.F. Gates | 41,786 |
| P.L. Frederickson | 49,539 |

* PSP I payouts, in some cases, include discretionary individual adjustments in addition to the maximum program payout of 200% of target. Payout was made in the form of restricted stock units. Restrictions for these restricted stock units do not lapse until separation from service with the Company, whether because of death, disability, layoff, retirement, or after a change in control. The restricted stock units are forfeitable upon separation from service for reasons other than those specified. Above amounts do not include early partial PSP I payout made February 8, 2004, as set forth on page 17 of the Company's Proxy Statement for its 2004 Annual Meeting of Shareholders.
