GENERAL INFORMATION

Q: Who is soliciting my proxy?

A: We, the Board of Directors of Carriage Services, Inc., are sending you this Proxy Statement in connection with our solicitation of proxies for use at Carriage's 2006 Annual Meeting of Stockholders. Certain directors, officers and employees of Carriage, American Stock Transfer & Trust Company (AST), and Georgeson Shareholder Communications, Inc. (Georgeson) also may solicit proxies on our behalf by mail, phone, fax or in person.

Q: Who is paying for this solicitation?

A: Carriage will pay for the solicitation of proxies, including the cost of preparing and mailing this Proxy Statement. Carriage also will reimburse banks, brokers, custodians, nominees and fiduciaries for their reasonable charges and expenses to forward our proxy materials to the beneficial owners of Carriage stock. No additional fee beyond the \$950 monthly fee paid to AST to act as Carriage's transfer agent, together with AST's out-of-pocket expenses, will be paid to AST. We estimate that Georgeson's fee will total approximately \$20,000 for acting as proxy solicitor in connection with the Meeting.

Q: What am I voting on?

A: (1) The election of Melvin C. Payne and Joe R. Davis to the Board of Directors as Class I directors.
(2) The approval of our 2006 Long-Term Incentive Plan.
(3) The ratification of the selection of KPMG LLP as the independent public accounting firm for Carriage for 2006.

Q: Who can vote?

A: Stockholders as of the close of business on March 27, 2006 are entitled to vote at the Annual Meeting.

Q: How do I vote?

A: You may vote your shares either in person or by proxy. To vote by proxy, you should mark, date, sign and mail the enclosed proxy card in the prepaid envelope. Giving a proxy will not affect your right to vote your shares if you attend the Annual Meeting and want to vote in person. By voting in person you automatically revoke your proxy. You also may revoke your proxy at any time before the meeting by giving the Secretary written notice of your revocation or by submitting a later-dated proxy. If you return your proxy card but do not mark your voting preference, the individuals named as proxies will vote your shares **FOR** the election of the nominees for director and **FOR** the other proposal described in this Proxy Statement.

Q: How does the Board recommend I vote on the proposals?

A: The Board recommends a vote **FOR** each of the director nominees and the other proposals.

Q: Is my vote confidential?

A: Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to Carriage and handled in a manner intended to protect your voting privacy. Your vote will not be disclosed *except*: (1) as needed to permit Carriage to tabulate and certify the vote; (2) as required by law; or (3) in limited circumstances, such as a proxy contest in opposition to the Board (which is not currently anticipated).

Additionally, all comments written on the proxy card or elsewhere will be forwarded to management, but your identity will be kept confidential unless you ask that your name be disclosed.

Table of Contents

Q: How many shares can vote?

A: As of the record date, March 27, 2006, Carriage had outstanding 18,493,718 shares of Common Stock. Each share of Common Stock is entitled to one (1) vote.

Q: What happens if I withhold my vote for an individual director?

A: Because the individual directors are elected by a plurality of the votes cast at the meeting, a withheld vote will not have an effect on the outcome of the election of an individual director.

Q: Can I vote on other matters?

A: Carriage's By-laws limit the matters presented at an annual meeting to those in the notice of the meeting and those otherwise properly presented before the meeting. We do not expect any other matter to come before the meeting. If any other matter is presented at the Annual Meeting, your signed proxy gives the individuals named as proxies authority to vote your shares on such matters at their discretion.

Q: When are stockholder proposals due for the annual stockholders meeting in 2007?

A: To be considered for inclusion in the proxy statement for Carriage's 2007 annual meeting, a stockholder proposal must be received at Carriage's offices no later than December 1, 2006. A stockholder proposal submitted outside the processes of Rule 14a-8 of the SEC, if received by Carriage after February 15, 2007, will be considered untimely for presentation at Carriage's 2007 annual meeting of stockholders.

Q: How do I nominate someone to be a Carriage director?

A: A stockholder may recommend nominees for director by giving the Secretary a written notice not less than ninety (90) days prior to the anniversary date of the immediately preceding annual meeting. For the annual meeting in 2007, the deadline will be February 24, 2007, based upon this year's meeting occurring on May 25th. The notice must include the full name, age, business and residence address, principal occupation or employment of the nominee, the number of shares of Common Stock that the nominee beneficially owns, any other information about the nominee that must be disclosed in proxy solicitations under Rule 14(a) of the Securities Exchange Act of 1934, and the nominee's written consent to the nomination and to serve, if elected.

Q: How can I communicate directly with a Carriage director?

A: Stockholders and other interested parties may contact any member of our Board or Committee thereof via U.S. mail, by addressing any correspondence to the Board, the applicable Committee, the non-management directors as a group or any individual director by either name or title, in care of Carriage Services, Inc., 3040 Post Oak Boulevard, Suite 300, Houston, Texas 77056; Attn: Corporate Secretary. In the case of communications addressed to the non-management directors, the Corporate Secretary will send appropriate stockholder communications to the Lead Director. In the case of communications addressed to a committee of the Board, the Corporate Secretary will send appropriate stockholder communications to the Chairman of such committee.

RECORD DATE AND VOTING SECURITIES

Only holders of record of the Common Stock at the close of business on March 27, 2006, the record date for the Meeting, are entitled to notice of and to vote at the Meeting. On that date, Carriage had outstanding 18,493,718 shares of Common Stock, each of which is entitled to one vote.

The presence at the Meeting, in person or by proxy, of the holders of a majority of the total voting power of the issued and outstanding shares of Common Stock is necessary to constitute a quorum to transact business. In the absence of a quorum at the Meeting, the Meeting may be adjourned without notice other than announcement at the Meeting until a quorum shall be formed.

With respect to the election of directors, stockholders may vote (a) in favor of the nominees or (b) to withhold votes as to the nominees. If a quorum is present at the Meeting, the nominees for the Class I directors will be elected by a plurality vote. Votes withheld, or abstentions, will be treated as present for purposes of determining a quorum; however, because directors are elected by a plurality, votes withheld will not affect the outcome of the election. With respect to each proposal (and any other matter properly brought before the Meeting) other than the election of directors, the affirmative vote of the holders of a majority of the voting power present or represented by proxy at the Meeting will be required for approval, except as noted below in regards to the adoption of the 2006 Long-Term Incentive Plan. Abstentions will have the effect of a vote against any of these proposals.

Under the rules of the New York Stock Exchange (NYSE), the proposal to elect the directors and the ratification of the appointment of KPMG LLP as the independent public accounting firm are considered discretionary items. This means that brokerage firms may vote in their discretion on these matters on behalf of clients who have not furnished voting instructions at least fifteen days before the date of the Meeting. In contrast, the proposal to approve the 2006 Long-Term Incentive Plan is a non-discretionary item. This means brokerage firms that have not received voting instructions from their clients on this matter may not vote on this proposal. These so-called broker non-votes will not be considered in determining the number of votes necessary for approval and, therefore, will have no effect on the outcome of the vote for this proposal.

To satisfy the NYSE listing requirements, the approval of the 2006 Long-Term Incentive Plan will require an affirmative vote of a majority of the votes cast on the proposal, provided that the total number of votes cast on the proposal represents over 50% of the Common Stock entitled to vote on the proposal.

All properly signed proxies received prior to the Meeting will be voted in accordance with the choices specified. If no choice has been specified in the proxy, the shares will be voted in favor of all proposals described in this Proxy Statement and in the discretion of the persons named in the proxy in connection with any other business that may properly come before the Meeting. A stockholder giving a proxy may revoke it at any time before it is voted at the Meeting by filing with the Secretary an instrument revoking it, by signing and delivering to the Secretary a proxy bearing a later date, or by voting in person at the Meeting after giving notice to the Chairman of the Meeting of the stockholder's intention to vote in person notwithstanding the fact that the stockholder previously delivered a proxy.

**SECURITY OWNERSHIP OF DIRECTORS, EXECUTIVE OFFICERS
AND CERTAIN BENEFICIAL OWNERS**

The following table sets forth, as of March 27, 2006, the number of shares beneficially owned and percent of the Common Stock held by: (i) each director and director nominee of Carriage, (ii) the Chief Executive Officer, (iii) the other executive officers named in the Summary Compensation Table set forth under Executive Compensation below, and (iv) all current executive officers and directors of Carriage as a group. Under the rules of the Securities and Exchange Commission (SEC), a person is deemed to own beneficially all securities as to which that person owns or shares voting or investment power, as well as all securities which such person may acquire within 60 days through the exercise of currently available conversion rights or options. Each person named in the table below has sole voting and investment power with respect to the shares indicated, except as otherwise stated in the notes to the table.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

We currently have five directors on our Board who each serve staggered three-year terms. At the Meeting, the stockholders will elect two individuals to serve as Class I directors for a new three-year term expiring on the date of the 2009 annual meeting and until their successors are duly elected and qualified. Our Corporate Governance Committee has recommended that we nominate Melvin C. Payne and Joe R. Davis for re-election at the Meeting to serve as the Class I directors for a new three-year term. Proxies may be voted for the Class I directors. The biography

descriptions for Messrs. Payne and Davis are set forth below.

We recommend that you vote FOR the election of the nominees listed in Proposal No. 1 as Class I Directors. The individuals named as proxies will vote the enclosed proxy FOR the election of the nominees unless you direct them to withhold your votes for the nominees.

You may not cumulate your votes in the election of directors. You may withhold authority to vote for the nominees for director. If the nominees become unable to serve as directors before the Meeting (or decide not to serve), the individuals named as proxies will vote FOR such other nominees as we may designate as a replacement or substitute for those who become unavailable.

Organization and Committees of the Board

During 2005, Carriage's Board met four times and acted by unanimous written consent two times. Each of the directors attended all of the meetings of the Board. The functions of the Audit, Compensation and Corporate Governance Committees of the Board, and the number of meetings held during 2005, are described below.

The Compensation Committee reviews and makes recommendations to the Board concerning the compensation of Carriage's executive officers and approves grants to all officers and employees under our stock incentive plans. The members of the Compensation Committee are Vincent D. Foster, Chairman and Joe R. Davis. In 2005, the Compensation Committee held two meetings (and both Committee members were present) and acted by unanimous consent two times. See the report of the Compensation Committee on page 14 of this Proxy Statement.

Table of Contents

The Audit Committee evaluates, appoints and engages Carriage's independent audit firm and reviews the plan, scope and results of the audit with the auditors and Carriage's officers. The Audit Committee also reviews with the auditors the principal accounting policies and internal accounting controls of Carriage. The members of the Audit Committee are Vincent D. Foster, Chairman, Joe R. Davis and Ronald A. Erickson. The Audit Committee met five times during 2005. In 2003, Carriage's Board adopted a new written charter to be the governing instrument for the Audit Committee, which was amended in 2004. A copy of the amended charter is available on our website at <http://www.carriageservices.com>. No member of our Audit Committee is or has been in the last three years an employee of Carriage or in a business relationship with Carriage. Also, no immediate family member related to a member of our Audit Committee is an executive officer of Carriage or any of its affiliates. See below, under the heading Corporate Governance Principles, for a specific description of independence which we apply to our independent directors.

In addition to the independence standard, the NYSE requires that each member of the Audit Committee be financially literate and at least one member must have accounting or related financial management expertise. Each member of our Audit Committee is financially literate. Mr. Foster, the Committee's financial expert, is a certified public accountant with over 20 years of public accounting experience. Currently, Mr. Foster is a managing director of two small business investment corporations for which he reviews and analyzes financial statements as part of his daily functions.

The Corporate Governance Committee provides oversight with respect to our corporate governance guidelines, which includes reviewing the structure of the full Board and making recommendations regarding the size of the Board and the number and classification of directors. The Corporate Governance Committee also conducts a search for suitable and qualified candidates to serve as directors when the terms of office are up for election at each year's annual meeting of stockholders, and submits the names of candidates for such positions for consideration by the Board. The members of the Corporate Governance Committee are Joe R. Davis, Chairman, Vincent D. Foster and Ronald A. Erickson. The Corporate Governance Committee met once in 2005 (and all Committee members were present) and did not take any action by unanimous consent.

Corporate Governance Guidelines

We have long been committed to integrity, reliability and transparency in our disclosures to the public. In early 2003, before the corporate governance listing standards of the NYSE and adopted regulations of the Securities and Exchange Commission (the SEC) became effective, we adopted new charters for our Board committees, a set of corporate governance guidelines, and a code of business conduct and ethics for our directors, officers and employees, and we moved to increase the independence of our Board members. In 2004, following the final release of the NYSE and SEC rules, we amended the committee charters and corporate governance guidelines, and the corporate governance guidelines and the charter for the Corporate Governance Committee were again modified in early 2005. All of these materials as well as our code of business conduct and ethics are accessible through the Investor Relations Section of our website at <http://www.carriageservices.com>, or you may receive copies without charge by writing to us at Carriage Services, Inc., 3040 Post Oak Boulevard, Suite 300, Houston, Texas 77056, Attn: Investor Relations.

Independence. Our corporate governance guidelines require that our Board composition comply with the NYSE rules, including the requirement that a majority of our Board consist of independent directors. Under the NYSE rules, a director qualifies as independent if the Board determines that he or she has no material relationship with Carriage (either directly or as a shareholder, partner or officer of an organization that has a relationship with Carriage). Further, under the NYSE guidelines, a director will not be considered independent if:

The director is, or in the past three years has been, an employee of Carriage, or has an immediate family member who is or in the past three years has been, an executive officer of Carriage;

Table of Contents

The director or an immediate family member (other than an immediate family member who is a non-executive employee) receives, or in the past three years has received, more than \$100,000 per year in direct compensation from Carriage (other than director fees and pension or other forms of deferred compensation for prior service that is not contingent in any way on continued service);

The director is, or in the past three years has been, affiliated with or employed by, or has an immediate family member who is or in the past three years has been, affiliated with or employed in a professional capacity by a present or former auditor of Carriage;

The director is, or in the past three years has been, an executive officer, or has an immediate family member who is, or in the past three years has been, an executive officer of another company where any of Carriage's present executives serves on that company's compensation committee; or

The director is, or in the past three years has been, an executive officer or an employee, or has an immediate family member who is, or in the past three years has been, an executive officer of another company that makes payments to, or receives payments from, Carriage for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

Our Corporate Governance Committee reviewed our Board composition in early 2006, and determined that three of five of our directors meet the independence standards set forth above. In addition, all directors serving on our Audit, Compensation and Corporate Governance Committees satisfy these independence requirements.

Executive Sessions; Lead Director. In accordance with our corporate governance guidelines, the non-management directors meet in executive session at least quarterly, outside of the presence of management directors or other members of management, both with the independent auditors and then without anyone else present. In connection with the 2005 amendments to our corporate governance guidelines, the Board established the position of Lead Director, who is required to be qualified as independent and will be appointed by a majority of the non management directors. The Lead Director's role is to facilitate the functioning of the Board independently of management and to enhance the quality of the Board's governance. The Lead Director is required to be a member of the Corporate Governance Committee and, among other things, will preside at the executive sessions of the non-management directors. In May 2005, Mr. Foster, Chairman of the Audit Committee, was appointed Lead Director.

Board Composition. The Corporate Governance Committee is responsible for reviewing the requisite skills and characteristics of new Board members as well as the composition of the Board as a whole. Nominees for directorship will be selected by the Corporate Governance Committee in accordance with the policies and principles in its charter. The Corporate Governance Committee believes that the minimum qualifications for serving as a director are that a nominee demonstrate an ability to make a meaningful contribution to the Board's oversight of our business and affairs and have a reputation for ethical conduct. Nominees for director will include individuals who, taking into account their diversity, age, skills, and experience in the context of the needs of the Board, as well as other relevant factors such as conflicts of interest and other commitments, would enhance the Board's ability to manage and direct our affairs and business. No director may serve on more than five other public company boards or on the audit committee for more than three other public companies. We have not established term limits as we do not wish to risk losing the contribution of directors who have been able to develop, over a period of time, increasing insight into our business and operations. However, we have determined that no director may be nominated to a new term if he or she would be age 75 or older at the time of the election.

The Corporate Governance Committee identifies candidates by asking our current directors and executive officers to notify the Committee if they become aware of individuals who meet the criteria described above. The Corporate Governance Committee has the authority to engage firms that specialize in identifying director candidates, although we have not heretofore engaged such a firm. The Corporate Governance Committee will also consider candidates recommended by stockholders. Once the Corporate Governance Committee has identified a potential candidate, the Committee collects and reviews available information regarding the individual, and if the Committee determines that

the candidate warrants further consideration, the Committee Chair or another Committee member will contact the person. Generally, if the individual expresses a willingness to be considered for election to the Board, the Corporate Governance Committee will request information from the candidate, review the

Table of Contents

individual's qualifications, and conduct one or more interviews with the candidate. When the Corporate Governance Committee has completed this process, it tenders its recommendation to the full Board for consideration.

Board's Interaction With Stockholders. Our Chief Executive Officer and other corporate officers are responsible for establishing effective communications with our stockholders. It is our policy that management speaks for Carriage. This policy does not preclude independent directors from meeting with stockholders, but where appropriate, management should be present at such meetings. Stockholders may submit communications to directors by writing in care of Carriage Services, Inc., 3040 Post Oak Boulevard, Suite 300, Houston, Texas 77056; Attn: Joseph Saporito, Executive Vice President and Secretary.

Board and CEO Evaluation. In 2004, we instituted an annual process for the Board and each Committee to perform self-evaluations. These are conducted through written questionnaires compiled on a confidential basis by the Chairman of the Corporate Governance Committee with summary results presented to the full Board annually. In addition, the Compensation Committee performs an annual evaluation of the Chief Executive Officer's performance. As part of the long-range planning, the Corporate Governance Committee is charged with evaluating Chief Executive Officer succession, both in the event of emergency and upon retirement.

Business Conduct and Ethics. Our code of business conduct and ethics requires all of our directors, officers and employees to adhere to certain basic principles to uphold our mission to be the most professional, ethical and highest quality service organization in the death care industry. Our code requires them to comply with the law, avoid conflicts of interest, compete fairly and honestly, maintain a safe and healthy work environment, and preserve company assets. We do not presently believe that there would be any occasion requiring any changes in or waivers under the code, but in the event of exceptional circumstances in which such a change or waiver becomes necessary, it would require Board approval and, where appropriate, prompt public disclosure. Our code includes specific compliance procedures and a mechanism for reporting violations through our Human Resources Department. You can access our code of business conduct and ethics on our website at <http://www.carriageservices.com>.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Carriage's directors and executive officers, and persons who own more than 10% of a registered class of Carriage's equity securities, to file with the SEC and the NYSE reports of ownership and changes in ownership of Common Stock and other equity securities of Carriage on Forms 3, 4 and 5. Executive officers, directors and greater than 10% beneficial owners are required by SEC regulations to furnish Carriage with copies of all Forms 3, 4 and 5 they file.

Based solely on a review of the copies of such reports furnished to Carriage or written representations, Carriage believes that all filing requirements applicable to its executive officers, directors and greater than 10% beneficial owners were complied with during 2005, except as follows: Joe R. Davis, Ronald A. Erickson, Vincent D. Foster and Mark F. Wilson each filed their respective Form 4 on May 13, 2005 to report a grant of 6,000 stock options each that occurred effective May 10, 2005; Mark F. Wilson filed his Form 5 on February 7, 2006 to report sales of 689 shares of common stock that occurred between April 6, 2005 and April 15, 2005; and Melvin C. Payne filed his Form 4 on January 11, 2006 to report a gift of 2,800 shares of common stock that occurred effective December 27, 2005.

CERTAIN TRANSACTIONS

Mark Wilson is a prior owner of a business that Carriage acquired in 1997. As an incentive, we entered into an arrangement with him to pay him 10% of the amount by which the annual field level cash flow exceeds predetermined targets on certain businesses in his geographic region through 2006, with a final amount payable in 2007 equal to a multiple of six times the average of the last three years' payments. The business purpose of the arrangement was to incentivize Mr. Wilson to provide Carriage with high quality acquisition targets and to have input in the competitive strategies of those businesses post-acquisition so that cash flows grow over time. The incentives earned by Mr. Wilson totaled approximately \$276,000 for 2005. The final payment will be determined at the conclusion of 2006 and is currently estimated to be in the range of \$1.0 million to \$1.3 million.

Table of Contents**Compensation of Directors**

We compensate our directors through cash payments, including quarterly retainers and meeting attendance fees, and through stock-related incentives. Each outside director is entitled to an annual retainer of \$20,000, payable quarterly. A director qualifies as outside if that director either is an independent director or is not an employee of our parent corporation or any subsidiary; currently, outside directors consist of Messrs. Erickson, Foster and Davis. In addition, the Chair of the Audit Committee (who is required to be an independent director, currently Mr. Foster) receives an annual grant of 5,000 fully vested shares of our Common Stock.

As a general rule, each outside director is entitled to \$1,000 for each regular or special meeting of the full Board attended in person, and \$500 if attended by phone. In addition, Audit Committee members receive \$1,500 for each committee meeting held in person and \$1,000 for each such meeting held by phone, except that those amounts are reduced by one-half if the committee meeting occurs on the same day as a full Board meeting. Members of the other committees receive \$750 for each committee meeting held in person and \$500 for each such meeting held by phone. The amounts are \$1,125 and \$750, respectively, for the chair of such committees, and no attendance fees are payable for these other committees for a meeting that occurs on the same day as a full Board meeting.

Outside directors have the ability to elect to receive all or any portion of the cash retainer and attendance fees in shares of our Common Stock, based on the fair market value thereof as of the date the amount is earned. Currently, Mr. Davis receives 100% of his fees in Common Stock, Mr. Foster receives 50%, and Mr. Erickson receives no portion of his fees in Common Stock.

We also have the ability to issue discretionary options and restricted stock grants under our existing 1996 Directors Stock Option Plan, which will expire later this year. We issue 6,000 fully vested options on the day of our annual stockholder meetings to our directors, except to Mr. Payne, our one director who is an executive officer of Carriage. We expect that Messrs. Foster, Erickson, Davis and Wilson will each receive a grant of 6,000 fully vested on the day of the 2006 Annual Meeting.

In March 2006, the Board amended its director compensation policy, to become effective upon the 2006 Annual Meeting and intended to work in tandem with the new 2006 Long Term Incentive Plan. Under the new policy, among other things the annual retainer has been increased to \$30,000, and the annual grant has been changed from 6,000 options to a grant of 3,000 shares. In addition, the stock grants, plus all stock issued in lieu of cash director fees, will be registered under the Securities Act of 1933. The term outside director has been expanded to include directors who may be employees but who are not executive officers of our parent corporation, thus qualifying Mr. Wilson as outside. However, the annual retainer and meeting fees are payable only to independent directors under the new policy.

Employment Agreements

Effective November 8, 1999, we entered into an employment agreement with Melvin C. Payne. The employment agreement with Mr. Payne has an initial term of approximately five years with an evergreen two-year extension continuing after the first three years of the employment agreement unless either Carriage or Mr. Payne gives 90 days notice of termination. Pursuant to this agreement, Mr. Payne is entitled to receive a base salary of not less than his current level of \$415,000 per year, and a bonus to be determined on an annual basis by the Board of Directors. If Mr. Payne is terminated without cause during the term of the agreement, he will receive a monthly severance payment until the end of the term as if he had not been terminated plus a proportionate amount of the bonus earned for the year of termination. Such monthly severance payment would be equal to the average monthly amount (including salary and bonus) earned by Mr. Payne during the three calendar years prior to his termination. During the period that Mr. Payne receives the monthly severance payment, he also would be entitled to participate in any employee benefit plans or programs in which he was participating at the time of his termination. In addition, the agreement contains a covenant prohibiting Mr. Payne from competing with Carriage during the period he is receiving compensation under his agreement, provided, however, that following termination of employment, he may elect to forego certain severance payments which he would be entitled to under the employment agreement and thereafter would not be prohibited from competing with us. In addition, the agreement contains customary benefits and prerequisites.

Table of Contents

Carriage is also a party to separate employment agreements with Joseph Saporito, George J. Klug and James J. Benard dated effective November 14, 2005, March 30, 2005 and January 1, 2004, respectively, providing for annual base salaries to them that are currently \$285,000, \$200,000, \$220,000, respectively, plus certain benefits including but not limited to eligibility for a year-end bonus based on performance, eligibility for equity grants, and other benefits generally available to employees. Their agreements extend through September 30, 2010, December 31, 2007 and December 31, 2006, respectively, and each agreement may sooner terminate with no further obligation of Carriage for additional payments upon the death or disability of the employee or his termination from employment for cause. If the employee is terminated without cause, Carriage is obligated to continue to pay the employee his salary and provide benefits for a period of one year. Each such employee has agreed that for a certain period following the termination of his employment agreement, he will not compete with Carriage and will not induce any employees of Carriage to leave Carriage. In addition, if Carriage undergoes a Corporate Change (as defined in our current 1996 Stock Option Plan) and either Mr. Saporito or Mr. Klug leaves our employment, then he would be entitled to receive compensation and benefits for a specified period or until the remainder of his contract term, whichever is longer.

In November 2005, Charles Sidun resigned his position as Senior Vice President of Funeral Operations. The Company intends to continue paying Mr. Sidun his base salary and benefits through the first anniversary of his separation, or November 2006, in accordance with his employment agreement.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is responsible for recommending compensation arrangements for our Chief Executive Officer, approving compensation arrangements for other executive officers, making recommendations with respect to employee benefit plans, making grants under our stock incentive plans and administering our Employee Stock Purchase Plan. Each member of the Committee is independent of Carriage within the meaning of the NYSE corporate governance guidelines.

The goal of the Committee is to enhance performance and maximize stockholder value through, among other things, establishing appropriate compensation levels and incentives for our senior management team. The Committee believes that compensation levels should be tied to performance on both an individual and corporate level so that management will be properly motivated to achieve Carriage's annual and long term performance goals and to maximize stockholder value. Our executive compensation policies are designed to:

Allow us to attract and retain qualified executives with the leadership and other skills needed by Carriage at this stage in its development;

Provide strong incentives to achieve our annual and long term performance goals, with rewards for both individual and corporate performance; and

Solidly align the interests of management with those of the stockholders.

Each year, our Committee takes an individualized approach to implement these policy goals, which includes a review of base salary as well as consideration of annual incentives, which may consist of one or a combination of cash bonuses, stock options, restricted stock grants and other incentives. The emphasis since 2003 has been focused on cash incentives and restricted stock awards. The Compensation Committee again reviewed the compensation structure for the management team in January 2006 and authorized salary increases and cash bonuses to the senior management team, all as further described below.

Base Salaries

The base salaries for each of our executive officers are determined on an individual basis, taking into account such factors as the duties and levels of responsibility of the individual and compensation levels set by other companies within the industry, as well as other companies in the service sector of comparable revenue size. The Committee believes that maintaining a reasonable base salary structure is necessary to attract and retain talented executives.

Table of Contents

At the beginning of 2005, our Committee approved base salary increases for the senior management team averaging 3.5%. After carefully considered Carriage's performance in 2005, the performance of the senior management team as a whole and that of each officer, the duties and responsibilities of the team, and our understanding of annual adjustments in executive compensation among peer groups, we maintained the same salary levels for two members of the team and implemented increases for two others so that the overall increase for the team as a whole at the beginning of 2006 was about 2.3%. This excludes the effect of Charles Sidun, who resigned in November 2005.

Bonuses for Named Executive Officers for 2005

In analyzing 2005 performance, the Committee began to take a more structured approach, reviewing actual results achieved against goals set at the beginning of the year. Of the goals, 67% are weighted against objective quantitative goals and 33% against subjective qualitative goals. Carriage started 2005 on a positive note by refinancing its senior debt on favorable terms, repositioning the company for growth and enjoying strong first quarter operating results. The goals for 2005 were set based upon an optimism that Carriage would experience significantly improved operating results in 2005 compared to 2004. While Carriage finished the year strong from a liquidity and cash flow perspective, financial results for the full year were only marginally better than in 2004. The Committee's consensus was that across the senior management team, the qualitative goals were mostly met but that the quantitative goals mostly did not meet the high expectations set at the beginning of the year, and this consensus was reflected in the bonuses awarded for 2005 performance.

Cash bonuses for the senior management team's 2005 performance totaled \$334,000, averaging 30% of the executives' 2005 base salary levels, as reflected in the Summary Compensation Table. This compares against cash bonuses in the previous year for these individuals totaling \$510,000, or 47% of 2004 base salary, excluding \$150,000 in transaction bonuses awarded to two executives for their efforts in successfully completing Carriage's offering of its \$130 million in aggregate principal amount of 7.875% Senior Notes due 2015. These figures exclude Mr. Sidun, who resigned in November 2005 and who consequently did not receive a bonus.

Options and Restricted Stock Grants

The Committee has not authorized the issuance of any stock options to any of our executive officers since 2002, reflecting the Committee's current view that as a general rule, restricted stock grants provide better incentives in aligning management with long-term enhancement of stockholder value. The practice since 2003 has been to award restricted stock grants every other year, which occurred in 2003 for 2002 performance and in 2005 for 2003-04 performance. No restricted stock was awarded to any member of the senior management team in 2006 for 2005 performance.

Compensation Policies for the Chief Executive Officer

Melvin C. Payne has served as our Chief Executive Officer since Carriage was founded in 1991. He assumed the additional title of Chairman of the Board in December 1996. Mr. Payne took on the additional responsibilities as President at the end of 2000. Mr. Payne has also led our funeral operations from the third quarter of 2003 until the present, other than for the first eleven months of 2005.

Under our charter, the Committee recommends compensation for the Chief Executive Officer for approval by the full Board. In 2005, the Committee recommended an increase of 3.75% in Mr. Payne's salary level to \$415,000 per year. For 2006, the Committee adopted Mr. Payne's own recommendation that his salary level remain unchanged. The Committee also reviewed Mr. Payne's performance in 2005, applying the same quantitative and qualitative criteria described above according to the specific goals that had been set for him at the beginning of the year, and based upon the actual results achieved, the Committee awarded Mr. Payne a cash performance bonus of \$112,000, or 27% of his base salary level. At the same time, the Committee re-set goals for 2006 in accordance with the same structure and will evaluate Mr. Payne's performance in 2007 according to achievement of these goals.

During 2005, no executive officer or employee of Carriage served as (i) a member of the compensation committee (or other board committee performing equivalent functions) of another entity, one of whose executive officers served on the Compensation Committee of the Board of Directors; (ii) a director of another entity, one of whose executive officers served on the Compensation Committee of the Board of Directors; or (iii) a member of the compensation committee (or other board committee performing equivalent functions) of another entity, one of whose executive officers served as a director of Carriage.

PROPOSAL NO. 2

APPROVE THE COMPANY'S 2006 LONG-TERM INCENTIVE PLAN

Carriage has maintained four stock incentive plans since going public in 1996. Our 1995 Stock Incentive Plan expired in 2005, leaving our 1996 Stock Incentive Plan and 1996 Directors' Stock Option Plan, both of which are set to expire in June 2006, and our 1998 Stock Option Plan for Consultants, which we do not expect to use for additional grants. In anticipation of stockholder approval of our new 2006 Plan, the Board elected to terminate early both 1996 Plans and the 1998 Plan, effective when the new 2006 Plan goes into effect. Termination of the existing plans would not affect options and awards made prior to termination. No further awards under any of these existing plans are anticipated, except for the options granted to eligible directors under the Directors' Plan as described in Compensation of Directors under Executive Compensation above.

With the goal of replacing these plans, the Board of Directors has adopted, subject to stockholder approval, the Carriage Services Inc. 2006 Incentive Plan (the 2006 Plan). The Board of Directors believes that approval of the 2006 Plan will advance the interests of the Company by providing eligible participants the opportunity to receive a broad variety of equity-based and other incentives awards (Awards), thereby effectively aligning employee and stockholder interests by motivating and rewarding performance that will enhance stockholder value.

A copy of the 2006 Plan is attached as Appendix A.

Share Availability

A total of 1,350,000 shares of Common Stock will be available for grant of Awards under the 2006 Plan, subject to adjustment as provided in the 2006 Plan. The maximum number of shares of Common Stock that may be subject to incentive stock options granted under the 2006 Plan would also be 1,350,000.

Administration

The 2006 Plan will be administered by our Compensation Committee, which consists solely of persons who qualify as independent under New York Stock Exchange guidelines, as outside directors (within the meaning of Section 162(m) of the Internal Revenue Code (the Code)) and non-employee directors (within the meaning of Rule 16b-3 promulgated under the Securities Exchange Act of 1934). Subject to the terms of the 2006 Plan, the Compensation Committee shall have total and exclusive responsibility to control, operate, manage and administer the 2006 Plan in accordance with its terms. The Compensation Committee shall have all the authority that may be necessary or helpful to enable it to discharge its responsibilities with respect to the 2006 Plan.

Eligibility

The Compensation Committee shall select participants from those employees and outside directors (together Participants) who, in the opinion of the Compensation Committee, are in a position to make a significant contribution to the success of Carriage. Once a Participant has been selected for an Award by the Compensation Committee, the Compensation Committee shall determine the type and size of Award to be granted to the participant

and shall establish in the related Award Agreement the terms, conditions, restrictions and limitations applicable to the Award, in addition to those set forth in the 2006 Plan and the administrative guidelines and regulations, if any, established by the Compensation Committee. The maximum number of shares of Common Stock that may be granted under the 2006 Plan to any one Participant (i) during the fiscal year of Carriage in which the Participant is first hired by the Carriage is 100,000 shares and (ii) during each subsequent fiscal year is 100,000 shares, in each case subject to adjustment as provided in the 2006 Plan.

Awards

The 2006 Plan allows the Compensation Committee to award (i) options to purchase Common Stock, (ii) restricted stock, (iii) stock appreciation rights (SARs), (iv) performance awards (Performance Award), (v) cash bonuses, (vi) stock awards, or (vii) any combination of the foregoing, in such amounts and at such times as established by the Compensation Committee subject to the terms of the 2006 Plan. After the Compensation Committee grants an Award under the 2006 Plan to a Participant, Carriage and the Participant will enter into an Award Agreement setting forth the terms, conditions, restrictions and limitations applicable to the Award. All Award Agreements shall be subject to the provisions of the 2006 Plan, and in the event of any conflict between the two, the terms of the 2006 Plan shall govern.

Stock Options: Options may be granted by the Compensation Committee in the form of incentive stock options or nonqualified stock options, or a combination of both; provided, however, that incentive stock options may only be provided to employees. Stock Options are subject to the terms and conditions, including vesting conditions, set by the Compensation Committee and incentive stock options are subject to further statutory restrictions that are set forth in the 2006 Plan. No option shall be exercisable later than ten years after the grant date.

Restricted Stock: Restricted stock awards are subject to such terms, conditions and restrictions on Common Stock as the Compensation Committee may deem advisable, including without limitation providing for vesting upon the achievement of specified performance goals pursuant to a Performance Award and restrictions under applicable Federal or state securities laws.

Stock Appreciation Rights: The Compensation Committee may grant Awards in the form of SARs in such numbers and at such times as it shall determine. SARs shall vest and be exercisable in whole or in such installments and at such times as may be determined by the Compensation Committee. The price at which SARs may be exercised shall be determined by the Compensation Committee but shall not be less than 100% of the Fair Market Value per share of Common Stock on the grant date unless the SARs were granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who became Employees as a result of a merger, consolidation, acquisition, or other corporate transaction involving the Company and comply with Code Section 409A. The term of each SAR shall be as specified by the Compensation Committee; provided, however, that no SARs shall be exercisable later than ten years after the grant date.

Performance Awards: Performance Awards may be payable in the form of cash, shares of Common Stock, or a combination of both. Performance Awards shall be conditioned upon the level of achievement of one or more stated performance goals over a specified performance period that shall not be shorter than one year. Performance Awards may be combined with other Awards to impose performance criteria as part of the terms of such other Awards. Each Award Agreement embodying a Performance Award shall set forth (a) the amount, including a target and maximum amount if applicable, a Participant may earn in the form of cash or shares of Common Stock or a formula for determining such amount, (b) the performance criteria and level of achievement versus such criteria that shall determine the amount payable or number of shares of Common Stock to be granted, issued, retained and/or vested, (c) the performance period over which performance is to be measured, (d) the timing of any payments to be made, (e) restrictions on the transferability of the Award, and (f) such other terms and conditions as the Compensation Committee may determine that are not inconsistent with the 2006 Plan.

Performance Goals: The performance measure(s) to be used for purposes of Performance Awards under the 2006 Plan may consist of one or more or any combination of the following criteria: (a) earnings or earnings per share (whether on a pre-tax, after-tax, operational or other basis), (b) return on equity, (c) return on assets or net assets, (d) return on capital or invested capital and other related financial measures, (e) cash flow, (f) revenues, (g) income or operating income, (h) expenses or expense levels, (i) one or more operating ratios, (j) stock price, (k) total stockholder return, (l) market share, (m) operating profit, (n) profit margin, (o) capital expenditures, (p) net

borrowing, debt leverage levels, credit quality or debt ratings, (q) the accomplishment of mergers, acquisitions, dispositions, public offerings or similar extraordinary business transactions, (r) net asset value per share, (s) economic value added, and (t) individual business objectives. The performance goals based on these performance measures may be made relative to the performance of other business entities.

Deductibility: The Compensation Committee shall determine in its sole discretion whether all or any portion of a Performance Award shall be intended to satisfy the requirements for performance based compensation under Section 162(m) of the Code (162(m) Requirements). The performance criteria for any Performance Award that is intended to satisfy such requirements shall be established in writing by the Compensation Committee based on the performance goals set forth in the 2006 Plan not later than 90 days after the commencement of the performance period with respect to such Award. The maximum amount that may be paid in cash pursuant to Performance Awards granted to a Participant with respect to any Carriage fiscal year that is intended to satisfy the 162(m) Requirements is \$1,000,000. At the time of the grant of a Performance Award and to the extent permitted under Section 162(m) and regulations thereunder for a Performance Award intended to satisfy the 162(m) Requirements, the Compensation Committee may provide for the manner in which the performance goals will be measured in light of specified corporate transactions, extraordinary events, accounting changes and other similar occurrences.

Equitable Adjustments

If there is any change in the number or kind of shares of Common Stock outstanding, by reason of a stock dividend, spin-off, recapitalization, stock split, combination, exchange of shares, merger, reorganization, consolidation, reclassification, or other change in Carriage s capital structure, the Compensation Committee will make appropriate adjustments to reflect any increase or decrease in the number of, or change in the kind or value of, issued shares of Common Stock to preclude, to the extent practicable, the enlargement or dilution of rights under such Awards. The Compensation Committee shall also have the sole discretion to determine the manner in which shares of Common Stock available for grant of Awards under the 2006 Plan are counted.

Transferability

Except as the Compensation Committee otherwise provides, no Award shall be subject to execution, attachment or similar process, and no Award may be sold, transferred, pledged or otherwise disposed of, other by will or pursuant to the applicable laws of descent and distribution. In the event of legal incapacity or death, an Award may be exercised by the incapacitated Participant s guardian or legal representative, or the person so entitled to succeed to receive the deceased Participant s rights under the Award, respectively.

Amendment; Termination

The Board may at any time terminate or amend the 2006 Plan, in whole or in part; provided, however, under certain circumstances described more fully in the 2006 Plan, no amendment or modification of the 2006 Plan shall become effective without the approval by the holders of at least a majority of the shares of Common Stock. An amendment to the 2006 Plan shall not require stockholder approval if it curtails rather than expands the scope of the 2006 Plan, nor if it is made to conform the 2006 Plan to new statutory or regulatory requirements that arise after submission of the 2006 Plan to stockholders for their approval. Upon termination of the 2006 Plan, the terms and provisions of the 2006 Plan will continue to apply to Awards granted prior to such termination. Subject to the terms of the 2006 Plan, no suspension, termination, amendment or modification of the 2006 Plan shall adversely affect in any material way any Award previously granted under the 2006 Plan, without the consent of the Participant holding such Award.

Stockholder ratification of the selection of KPMG LLP as Carriage's independent public accountants is not required by Delaware law or our By-laws. If Carriage's stockholders fail to ratify the selection, we will reconsider whether to retain that firm. Even if the selection is ratified, the Board, in its discretion may direct the appointment of a different independent accounting firm at any time during the year if we feel that such a change would be in the best interests of Carriage and its stockholders. The affirmative vote of the holders of a majority of the voting power of the shares of capital stock present or represented by proxy at the Meeting will be required to ratify the selection of KPMG LLP.

We recommend that you vote FOR this Proposal No. 3 to ratify the selection of KPMG LLP.

AUDIT COMMITTEE REPORT

As members of the Audit Committee of the Board of Directors, we are responsible for helping to ensure the reliability of Carriage's financial statements. A copy of the amended charter was included as Appendix A to the proxy statement for the 2004 annual meeting.

Review and Discussions

The Audit Committee has reviewed and discussed Carriage's audited financial statements with management. It has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards Nos. 61 and 90. Additionally, the Audit Committee has received the written disclosures and the letter from the independent auditors at KPMG LLP, as required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent auditors their independence.

In an effort to maintain the auditor's independence, the Audit Committee considers whether KPMG LLP's rendering of non-audit services is compatible with maintaining its independence. No non-audit services were approved or rendered during 2005.

Audit Fees

The fees billed for services by KPMG LLP during 2005 related to the audits of the annual consolidated financial statements and internal controls over financial reporting and reviews of quarterly financial statements filed in the reports on Form 10-Q totaled \$630,000.

Pre-Approval Policy for Services of Independent Accounting Firm

If a type of service to be provided by the independent audit firm has not received pre-

approval during this annual process, it will require specific pre-approval by the Audit Committee. The Audit Committee does not delegate to management its responsibilities to pre-approve services performed by the independent auditors.

Recommendation to Include Audited Financial Statements in Annual Report

3.2 Liability; Indemnification. No member of the Committee, nor any person to whom it has delegated authority, shall be personally liable for any action, interpretation or determination made in good faith with respect to the Plan or Awards granted hereunder, and each member of the Committee (or delegatee of the Committee) shall be fully indemnified and protected by Carriage with respect to any liability he may incur with respect to any such action, interpretation or determination, to the maximum extent permitted by applicable law.

ARTICLE IV SHARES SUBJECT TO THE PLAN

4.1 Available Shares.

(a) Subject to adjustment as provided in Section 4.2, the maximum number of shares of Common Stock that shall be available for grant of Awards under the Plan shall be 1,350,000 shares of Common Stock.

(b) The maximum number of shares of Common Stock that may be subject to Incentive Stock Options granted under the Plan is 1,350,000. The maximum number of shares of Common Stock that may be subject to all Awards granted under the Plan to any one Participant (i) during the fiscal year of Carriage in which the Participant is first hired by the Company is 100,000 shares and (ii) during each subsequent fiscal year is 100,000 shares. The limitations provided in this Section 4.1(b) shall be subject to adjustment as provided in Section 4.2.

(c) Shares of Common Stock issued pursuant to the Plan may be original issue or treasury shares or a combination of the foregoing, as the Committee, in its sole discretion, shall from time to time determine. During the term of this Plan, Carriage will at all times reserve and keep available such number of shares of Common Stock as shall be sufficient to satisfy the requirements of the Plan.

4.2 Adjustments for Recapitalizations and Reorganizations. Subject to Article XII, if there is any change in the number or kind of shares of Common Stock outstanding (a) by reason of a stock dividend, spin-off, recapitalization, stock split, or combination or exchange of shares, (b) by reason of a merger, reorganization, or consolidation, (c) by reason of a reclassification or change in par value, or (d) by reason of any other extraordinary or unusual event affecting the outstanding Common Stock as a class without Carriage's receipt of consideration, or if the value of outstanding shares of Common Stock is reduced as a result of a spin-off or Carriage's payment of an extraordinary cash dividend, or distribution or dividend or distribution consisting of any assets of Carriage other than cash, the maximum number and kind of shares of Common Stock available for issuance under the Plan, the maximum number and kind of shares of Common Stock for which any individual may receive Awards in any fiscal year or under the Plan, the number and kind of shares of Common Stock covered by outstanding Awards, and the price per share or the applicable market value or performance target of such Awards may be appropriately adjusted by the Committee to reflect any increase or decrease in the number of, or change in the kind or value of, issued shares of Common Stock to preclude, to the extent practicable, the enlargement or dilution of rights under such Awards; provided, however, that any fractional shares resulting from such adjustment shall be eliminated.

4.3 Adjustments for Awards. The Committee shall have sole discretion to determine the manner in which shares of Common Stock available for grant of Awards under the Plan are counted. Without limiting the discretion of the Committee under this Section 4.3, unless otherwise determined by the Committee, the following rules shall apply for the purpose of determining the number of shares of Common Stock available for grant of Awards under the Plan:

(a) **Options, Restricted Stock and Stock Awards.** The grant of Options, Restricted Stock or Stock Awards shall reduce the number of shares of Common Stock available for grant of Awards under the Plan by the number of shares of Common Stock subject to such an Award.

(b) **SARs.** The grant of SARs that may be paid or settled (i) only in Common Stock or (ii) in either cash or Common Stock shall reduce the number of shares available for grant of Awards under the Plan by the number of shares subject to such an Award; provided, however, that upon the exercise of SARs, the excess of the number of shares of Common Stock with respect to which the Award is exercised over the

Table of Contents

number of shares of Common Stock issued upon exercise of the Award shall again be available for grant of Awards under the Plan.

(c) **Performance Awards and Other Incentive Awards.** The grant of a Performance Award or Other Incentive Award in the form of Common Stock or that may be paid or settled (i) only in Common Stock or (ii) in either Common Stock or cash shall reduce the number of shares available for grant of Awards under the Plan by the number of shares subject to such an Award; provided, however, that upon settlement of the Award, the excess, if any, of the number of shares of Common Stock that had been subject to such Award over the number of shares of Common Stock issued upon its settlement shall again be available for grant of Awards under the Plan.

(d) **Cancellation, Forfeiture and Termination.** If any Award referred to in Sections 4.3(a), (b), or (c) (other than an Award that may be paid or settled only for cash) is canceled or forfeited, or terminates, expires or lapses, for any reason, the shares then subject to such Award shall again be available for grant of Awards under the Plan.

(e) **Payment of Exercise Price and Withholding Taxes.** If previously acquired shares of Common Stock are used to pay the exercise price of an Award, the number of shares available for grant of Awards under the Plan shall be increased by the number of shares delivered as payment of such exercise price. If previously acquired shares of Common Stock are used to pay withholding taxes payable upon exercise, vesting or payment of an Award, or shares of Common Stock that would be acquired upon exercise, vesting or payment of an Award are withheld to pay withholding taxes payable upon exercise, vesting or payment of such Award, the number of shares available for grant of Awards under the Plan shall be increased by the number of shares delivered or withheld as payment of such withholding taxes.

ARTICLE V ELIGIBILITY

The Committee shall select Participants from those Employees and Outside Directors who, in the opinion of the Committee, are in a position to make a significant contribution to the success of the Company. Once a Participant has been selected for an Award by the Committee, the Committee shall determine the type and size of Award to be granted to the Participant and shall establish in the related Award Agreement the terms, conditions, restrictions and limitations applicable to the Award, in addition to those set forth in the Plan and the administrative guidelines and regulations, if any, established by the Committee.

ARTICLE VI FORM OF AWARDS

6.1 Form of Awards. Awards may be granted under the Plan, in the Committee's sole discretion, in the form of Options pursuant to Article VII, SARs pursuant to Article VIII, Restricted Stock pursuant to Article IX, Performance Awards pursuant to Article X, and Stock Awards and Other Incentive Awards pursuant to Article XI, or a combination thereof. All Awards shall be subject to the terms, conditions, restrictions and limitations of the Plan. The Committee may, in its sole discretion, subject any Award to such other terms, conditions, restrictions and/or limitations (including without limitation the time and conditions of exercise, vesting or payment of an Award and restrictions on transferability of any shares of Common Stock issued or delivered pursuant to an Award), provided they are not inconsistent with the terms of the Plan. The Committee may, but is not required to, subject an Award to such conditions as it determines are necessary or appropriate to ensure that an Award constitutes qualified performance based compensation within the meaning of Section 162(m) of the Code and the regulations thereunder. Awards under a particular Article of the Plan need not be uniform, and Awards under more than one Article of the Plan may be combined in a single Award Agreement. Any combination of Awards may be granted at one time and on more than one occasion to the same Participant. Subject to compliance with applicable tax law, an Award Agreement may provide that a Participant may elect to defer receipt of income attributable to the exercise or vesting of an Award.

6.2 No Repricing or Reload Rights. Except for adjustments made pursuant to Section 4.2, no Award may be repriced, replaced, regranted through cancellation or otherwise modified without stockholder approval, if the effect would be to reduce the exercise price for the shares underlying such Award. The Committee may not

cancel an outstanding Option that is under water for the purpose of granting a replacement Award of a different type.

6.3 Loans. The Committee may, in its sole discretion, approve the extension of a loan by the Company to a Participant who is an Employee to assist the Participant in paying the exercise price or purchase price of an Award; provided, however, that no loan shall be permitted if the extension of such loan would violate any provision of applicable law (including but not limited to Section 402 of the Sarbanes-Oxley Act of 2002). Any loan will be made upon such terms and conditions as the Committee shall determine.

ARTICLE VII OPTIONS

7.1 General. Awards may be granted in the form of Options that may be Incentive Stock Options or Nonqualified Stock Options, or a combination of both; provided, however, that Incentive Stock Options may be granted only to Employees.

7.2 Terms and Conditions of Options. An Option shall be exercisable in whole or in such installments and at such times as may be determined by the Committee. The price at which a share of Common Stock may be purchased upon exercise of an Option shall be determined by the Committee, but such exercise price shall not be less than 100% of the Fair Market Value per share of Common Stock on the Grant Date unless the Option was granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who became Employees as a result of a merger, consolidation, acquisition, or other corporate transaction involving the Company and complies with Section 409A of the Code. Except as otherwise provided in Section 7.3, the term of each Option shall be as specified by the Committee; provided, however, that no Options shall be exercisable later than ten years after the Grant Date. Options may be granted with respect to Restricted Stock or shares of Common Stock that are not Restricted Stock, as determined by the Committee in its sole discretion.

7.3 Restrictions Relating to Incentive Stock Options.

(a) Options granted in the form of Incentive Stock Options shall, in addition to being subject to the terms and conditions of Section 7.2, comply with Section 422(b) of the Code. To the extent the aggregate Fair Market Value (determined as of the times the respective Incentive Stock Options are granted) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an individual during any calendar year under all incentive stock option plans of the Company exceeds \$100,000, such excess Incentive Stock Options shall be treated as options that do not constitute Incentive Stock Options. The Committee shall determine, in accordance with the applicable provisions of the Code and based on information available to it, which of a Participant's Incentive Stock Options will not constitute Incentive Stock Options because of such limitation and will notify the Participant of such determination as soon as practicable after such determination (but without liability for any failure or delay in providing such notification). The price at which a share of Common Stock may be purchased upon exercise of an Incentive Stock Option shall be determined by the Committee, but such exercise price shall not be less than 100% of the Fair Market Value of a share of Common Stock on the Grant Date. No Incentive Stock Option shall be granted to an Employee under the Plan if, at the time such Option is granted, such Employee owns stock possessing more than 10% of the total combined voting power of all classes of stock of Carriage or an Affiliate, within the meaning of Section 422(b)(6) of the Code, unless (i) on the Grant Date of such Option, the exercise price of such Option is at least 110% of the Fair Market Value of the Common Stock subject to the Option and (ii) such Option by its terms is not exercisable after the expiration of five years from the Grant Date of the Option.

(b) Each Participant awarded an Incentive Stock Option shall notify Carriage in writing immediately after the date he or she makes a disqualifying disposition of any shares of Common Stock acquired pursuant to the exercise of such Incentive Stock Option. A disqualifying disposition is any disposition (including any sale) of such Common Stock before the later of (i) two years after the Grant Date of the Incentive Stock Option or (ii) one year after the date of exercise of the Incentive Stock Option.

Table of Contents

7.4 Exercise of Options.

(a) Subject to the terms and conditions of the Plan, Options shall be exercised by the delivery of a written notice of exercise to Carriage, setting forth the number of whole shares of Common Stock with respect to which the Option is to be exercised, accompanied by full payment for such shares.

(b) Upon exercise of an Option, the exercise price of the Option shall be payable to Carriage in full either: (i) in cash or an equivalent acceptable to the Committee, or (ii) in the sole discretion of the Committee and in accordance with any applicable administrative guidelines established by the Committee, by tendering one or more previously acquired nonforfeitable, unrestricted shares of Common Stock that have been held by the Participant for at least six months having an aggregate Fair Market Value at the time of exercise equal to the total exercise price, or (iii) in a combination of the forms of payment specified in clauses (i) and (ii) above.

(c) During such time as the Common Stock is registered under Section 12 of the Exchange Act, to the extent permissible under applicable law, payment of the exercise price of an Option may also be made, in the absolute discretion of the Committee, by delivery to Carriage or its designated agent of an executed irrevocable option exercise form together with irrevocable instructions to a broker-dealer to sell or margin a sufficient portion of the shares with respect to which the Option is exercised and deliver the sale or margin loan proceeds directly to Carriage to pay the exercise price and any required withholding taxes.

(d) As soon as reasonably practicable after receipt of written notification of exercise of an Option and full payment of the exercise price and any required withholding taxes, Carriage shall (i) deliver to the Participant, in the Participant's name or the name of the Participant's designee, a stock certificate or certificates in an appropriate aggregate amount based upon the number of shares of Common Stock purchased under the Option, or (ii) cause to be issued in the Participant's name or the name of the Participant's designee, in book-entry form, an appropriate number of shares of Common Stock based upon the number of shares purchased under the Option.

7.5 Termination of Employment. Each Award Agreement embodying the Award of an Option shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment with the Company. Such provisions shall be determined by the Committee in its absolute discretion, need not be uniform among all Options granted under the Plan and may reflect distinctions based on the reasons for termination of employment. In the event a Participant's Award Agreement embodying the award of an Option does not set forth such termination provisions, the following termination provisions shall apply with respect to such Award:

(a) **Termination Other Than For Cause.** If the employment of a Participant shall terminate for any reason other than Cause, each outstanding Option held by the Participant may be exercised, to the extent then vested, until the earlier of (i) the expiration of one year from the date of such termination of employment or (ii) the expiration of the term of such Option.

(b) **Termination for Cause.** Notwithstanding paragraph (a) above, if the employment of a Participant shall terminate for Cause, each outstanding Option held by the Participant may be exercised, to the extent then vested, until the earlier of (i) the expiration of 30 days from the date of such termination of employment or (ii) the expiration of the terms of such Option.

Notwithstanding the foregoing, an Option will not be treated as an Incentive Stock Option unless at all times beginning on the Grant Date and ending on the day three months (one year in the case of a Participant who is disabled within the meaning of Section 22(e)(3) of the Code) before the date of exercise of the Option, the Participant is an employee of Carriage or an Affiliate (or a corporation or a parent or subsidiary corporation of such corporation issuing or assuming an option in a transaction to which Section 424(a) of the Code applies).

Table of Contents**ARTICLE VIII STOCK APPRECIATION RIGHTS**

8.1 General. The Committee may grant Awards in the form of SARs in such numbers and at such times as it shall determine. SARs shall vest and be exercisable in whole or in such installments and at such times as may be determined by the Committee. The price at which SARs may be exercised shall be determined by the Committee but shall not be less than 100% of the Fair Market Value per share of Common Stock on the Grant Date unless the SARs were granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who became Employees as a result of a merger, consolidation, acquisition, or other corporate transaction involving the Company and comply with Section 409A of the Code. The term of each SAR shall be as specified by the Committee; provided, however, that no SARs shall be exercisable later than ten years after the Grant Date. At the time of an Award of SARs, the Committee may, in its sole discretion, prescribe additional terms, conditions, restrictions and limitations applicable to the SARs, including without limitation rules pertaining to the termination of employment (by reason of death, permanent and total disability, or otherwise) of a Participant prior to exercise of the SARs, as it determines are necessary or appropriate, provided they are not inconsistent with the Plan.

8.2 Exercise of SARs. SARs shall be exercised by the delivery of a written notice of exercise to Carriage, setting forth the number of whole shares of Common Stock with respect to which the Award is being exercised. Upon the exercise of SARs, the Participant shall be entitled to receive an amount equal to the excess of the aggregate Fair Market Value of the shares of Common Stock with respect to which the Award is exercised (determined as of the date of such exercise) over the aggregate exercise price of such shares. Such amount shall be payable to the Participant in cash or in shares of Common Stock, as provided in the Award Agreement.

ARTICLE IX RESTRICTED STOCK

9.1 General. Awards may be granted in the form of Restricted Stock in such numbers and at such times as the Committee shall determine. The Committee shall impose such terms, conditions and restrictions on Restricted Stock as it may deem advisable, including without limitation providing for vesting upon the achievement of specified performance goals pursuant to a Performance Award and restrictions under applicable Federal or state securities laws. A Participant shall not be required to make any payment for Restricted Stock unless required by the Committee pursuant to Section 9.2.

9.2 Purchased Restricted Stock. The Committee may in its sole discretion require a Participant to pay a stipulated purchase price for each share of Restricted Stock.

9.3 Restricted Period. At the time an Award of Restricted Stock is granted, the Committee shall establish a Restricted Period applicable to such Restricted Stock. Each Award of Restricted Stock may have a different Restricted Period in the sole discretion of the Committee.

9.4 Other Terms and Conditions. Restricted Stock shall constitute issued and outstanding shares of Common Stock for all corporate purposes. Restricted Stock awarded to a Participant under the Plan shall be registered in the name of the Participant or, at the option of Carriage, in the name of a nominee of Carriage, and shall be issued in book-entry form or represented by a stock certificate. Subject to the terms and conditions of the Award Agreement, a Participant to whom Restricted Stock has been awarded shall have the right to receive dividends thereon during the Restricted Period, to vote the Restricted Stock and to enjoy all other stockholder rights with respect thereto, except that (a) Carriage shall retain custody of any certificates evidencing the Restricted Stock during the Restricted Period, and (b) the Participant may not sell, transfer, pledge, exchange, hypothecate or otherwise dispose of the Restricted Stock during the Restricted Period. A breach of the terms and conditions established by the Committee pursuant to the Award of the Restricted Stock may result in a forfeiture of the Restricted Stock. At the time of an Award of Restricted Stock, the Committee may, in its sole discretion, prescribe additional terms, conditions, restrictions and limitations applicable to the Restricted Stock, including without limitation rules pertaining to the termination of employment (by reason of death, permanent and total disability, retirement, cause or otherwise) of a Participant prior to expiration of the Restricted Period.

9.5 Miscellaneous. Nothing in this Article shall prohibit the exchange of shares of Restricted Stock pursuant to a plan of merger or reorganization for stock or other securities of Carriage or another corporation that is a party to the reorganization, provided that the stock or securities so received in exchange for shares of Restricted

Table of Contents

Stock shall, except as provided in Article XII, become subject to the restrictions applicable to such Restricted Stock. Any shares of Common Stock received as a result of a stock split or stock dividend with respect to shares of Restricted Stock shall also become subject to the restrictions applicable to such Restricted Stock.

ARTICLE X PERFORMANCE AWARDS

10.1 General. Awards may be granted in the form of Performance Awards that may be payable in the form of cash, shares of Common Stock, or a combination of both, in such amounts and at such times as the Committee shall determine. Performance Awards shall be conditioned upon the level of achievement of one or more stated performance goals over a specified performance period that shall not be shorter than one year. Performance Awards may be combined with other Awards to impose performance criteria as part of the terms of such other Awards.

10.2 Terms and Conditions. Each Award Agreement embodying a Performance Award shall set forth (a) the amount, including a target and maximum amount if applicable, a Participant may earn in the form of cash or shares of Common Stock or a formula for determining such amount, (b) the performance criteria and level of achievement versus such criteria that shall determine the amount payable or number of shares of Common Stock to be granted, issued, retained and/or vested, (c) the performance period over which performance is to be measured, (d) the timing of any payments to be made, (e) restrictions on the transferability of the Award, and (f) such other terms and conditions as the Committee may determine that are not inconsistent with the Plan.

10.3 Code Section 162(m) Requirements. From and after the date on which remuneration paid pursuant to the Plan becomes subject to the deduction limitation of Section 162(m) of the Code, the Committee shall determine in its sole discretion whether all or any portion of a Performance Award shall be intended to satisfy the requirements for performance-based compensation under Section 162(m) of the Code (the 162(m) Requirements). The performance criteria for any Performance Award that is intended to satisfy the 162(m) Requirements shall be established in writing by the Committee based on one or more performance goals as set forth in Section 10.4 not later than 90 days after commencement of the performance period with respect to such Award, provided that the outcome of the performance in respect of the goals remains substantially uncertain as of such time. The maximum amount that may be paid in cash pursuant to Performance Awards granted to a Participant with respect to a Carriage's fiscal year that are intended to satisfy the 162(m) Requirements is \$1,000,000; provided, however, that such maximum amount with respect to a Performance Award that provides for a performance period longer than one fiscal year shall be the foregoing limit multiplied by the number of full fiscal years in the performance period. At the time of the grant of a Performance Award and to the extent permitted under Code Section 162(m) and regulations thereunder for a Performance Award intended to satisfy the 162(m) Requirements, the Committee may provide for the manner in which the performance goals will be measured in light of specified corporate transactions, extraordinary events, accounting changes and other similar occurrences.

10.4 Performance Goals. The performance measure(s) to be used for purposes of Performance Awards may be described in terms of objectives that are related to the individual Participant or objectives that are Company-wide or related to a subsidiary, division, department, region, function or business unit of the Company in which the Participant is employed, and may consist of one or more or any combination of the following criteria: (a) earnings or earnings per share (whether on a pre-tax, after-tax, operational or other basis), (b) return on equity, (c) return on assets or net assets, (d) return on capital or invested capital and other related financial measures, (e) cash flow, (f) revenues, (g) income or operating income, (h) expenses or expense levels, (i) one or more operating ratios, (j) stock price, (k) total stockholder return, (l) market share, (m) operating profit, (n) profit margin, (o) capital expenditures, (p) net borrowing, debt leverage levels, credit quality or debt ratings, (q) the accomplishment of mergers, acquisitions, dispositions, public offerings or similar extraordinary business transactions, (r) net asset value per share, (s) economic value added, and (t) individual business objectives. The performance goals based on these performance measures may be made relative to the performance of other business entities.

10.5 Certification and Negative Discretion. Prior to the payment of any compensation pursuant to a Performance Award that is intended to satisfy the 162(m) Requirements, the Committee shall certify the extent to which the performance goals and other material terms of the Award have been achieved or satisfied. The Committee in its sole discretion shall have the authority to reduce, but not to increase, the amount payable and the number of shares to be granted, issued, retained or vested pursuant to a Performance Award.

Table of Contents

ARTICLE XI STOCK AWARDS AND OTHER INCENTIVE AWARDS

11.1 Stock Awards. Stock Awards may be granted to Participants upon such terms and conditions as the Committee may determine. Shares of Common Stock issued pursuant to Stock Awards may be issued for cash consideration or for no cash consideration. The Committee shall determine the number of shares of Common Stock to be issued pursuant to a Stock Award.

11.2 Other Incentive Awards. Other Incentive Awards may be granted in such amounts, upon such terms and at such times as the Committee shall determine. Other Incentive Awards may be granted based upon, payable in or otherwise related to, in whole or in part, shares of Common Stock if the Committee, in its sole discretion, determines that such Other Incentive Awards are consistent with the purposes of the Plan. Each grant of an Other Incentive Award shall be evidenced by an Award Agreement that shall specify the amount of the Other Incentive Award and the terms, conditions, restrictions and limitations applicable to such Award. Payment of Other Incentive Awards shall be made at such times and in such form, which may be cash, shares of Common Stock or other property (or a combination thereof), as established by the Committee, subject to the terms of the Plan.

ARTICLE XII CORPORATE CHANGE

12.1 Vesting of Awards. Except as provided otherwise below in this Article or in an Award Agreement at the time an Award is granted, notwithstanding anything to the contrary in this Plan, if a Participant's employment with the Company is terminated for any reason other than death, Cause or Inability to Perform or if a Participant voluntarily terminates employment for Good Reason, in either case within the one-year period following a Corporate Change of Carriage, any time periods, conditions or contingencies relating to the exercise or realization of, or lapse of restrictions under, any Award shall be automatically accelerated or waived so that:

(a) if no exercise of the Award is required, the Award may be realized in full at the time of the occurrence of the Participant's termination of employment; or

(b) if exercise of the Award is required, the Award may be exercised in full commencing on the date of the Participant's termination of employment;

provided, however, that with respect to an Award that consists of deferred compensation under Section 409A of the Code, in the event of a Corporate Change that does not satisfy the requirements for a change in the ownership or effective control of Carriage or a change in the ownership of a substantial portion of the assets of Carriage within the meaning of Section 409A of the Code and Treasury guidance and regulations related to Section 409A of the Code, including but not limited to Notice 2005-1 and such other Treasury guidance or regulations issued after the Effective Date, then delivery of payment with respect to such Award as provided above shall be delayed until payment may be made to the Participant without negative tax consequences to the Participant under Section 409A of the Code.

12.2 Replacement Awards. In the event all outstanding Awards are replaced in connection with a Corporate Change by comparable types of awards of at least substantially equivalent value, as determined by the Committee in its sole discretion, such replacement awards shall provide for automatic acceleration or waiver as provided in Section 12.1 in the event of a Participant's involuntary termination of employment with the Company other than for Cause or voluntary termination of employment for Good Reason, as applicable, within the one-year period following the Corporate Change of Carriage.

12.3 Cancellation of Awards. Notwithstanding the foregoing, on or prior to the date of a Corporate Change, the Committee may take any of the following actions with respect to all outstanding Awards, without the consent of any Participant: (a) the Committee may require that Participants surrender their outstanding Options and SARs in exchange for payment by the Company, in cash, Common Stock, the securities of another company, or a combination thereof, as determined by the Committee, in an amount equal to the amount, if any, by which the then Fair Market Value of the shares of Common Stock subject to the Participant's unexercised Options and SARs exceeds the exercise price or grant price, and (b) with respect to Participants holding Restricted Stock, Performance Awards or Other Incentive Awards, the Committee may determine that such Participants shall receive payment in

Table of Contents

settlement of such Awards (and dividend rights), in an amount equivalent to the value of such Awards (and dividend rights) at the time of such settlement.

ARTICLE XIII AMENDMENT AND TERMINATION

13.1 Plan Amendment and Termination. The Board may at any time suspend, terminate, amend or modify the Plan, in whole or in part; provided, however, that no amendment or modification of the Plan shall become effective without the approval of such amendment or modification by the holders of at least a majority of the shares of Common Stock if (a) such amendment or modification increases the maximum number of shares subject to the Plan (except as provided in Article IV) or changes the designation or class of persons eligible to receive Awards under the Plan, or (b) counsel for Carriage determines that such approval is otherwise required by or necessary to comply with applicable law or the listing requirements of the New York Stock Exchange or such other exchange or association on which the Common Stock is then listed or quoted. An amendment to the Plan shall not require stockholder approval if it curtails rather than expands the scope of the Plan, nor if it is made to conform the Plan to new statutory or regulatory requirements that arise after submission of the Plan to stockholders for their approval, such as, without limitation, changes to Code Section 409A, or regulations issued thereunder. Upon termination of the Plan, the terms and provisions of the Plan shall, notwithstanding such termination, continue to apply to Awards granted prior to such termination. Except as otherwise provided herein, no suspension, termination, amendment or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the consent of the Participant (or the Permitted Transferee) holding such Award. Notwithstanding the foregoing, Carriage may amend any Award Agreement to be exempt from Code Section 409A or to comply with the requirements of Code Section 409A or to modify any provision that causes an Award that is intended to be classified as an equity instrument under FAS 123R to be classified as a liability on Carriage's financial statements.

13.2 Award Amendment and Cancellation. The Committee may amend the terms of any outstanding Award granted pursuant to the Plan, but except as otherwise provided herein, no such amendment shall adversely affect in any material way the Participant's (or a Permitted Transferee's) rights under an outstanding Award without the consent of the Participant (or the Permitted Transferee) holding such Award.

ARTICLE XIV MISCELLANEOUS

14.1 Award Agreements. After the Committee grants an Award under the Plan to a Participant, Carriage and the Participant shall enter into an Award Agreement setting forth the terms, conditions, restrictions and limitations applicable to the Award and such other matters as the Committee may determine to be appropriate. The Committee may permit or require a Participant to defer receipt of the payment of cash or the delivery of shares of Common Stock that would otherwise be due to the Participant in connection with any Award. Awards that are not paid currently shall be recorded as payable on Carriage's records for the Plan. The terms and provisions of the respective Award Agreements need not be identical. All Award Agreements shall be subject to the provisions of the Plan, and in the event of any conflict between an Award Agreement and the Plan, the terms of the Plan shall govern.

14.2 Listing; Suspension.

(a) As long as the Common Stock is listed on a national securities exchange or system sponsored by a national securities association, the issuance of any shares of Common Stock pursuant to an Award shall be conditioned upon such shares being listed on such exchange or system. Carriage shall have no obligation to issue such shares unless and until such shares are so listed, and the right to exercise any Option or other Award with respect to such shares shall be suspended until such listing has been effected.

(b) If at any time counsel to Carriage or its Affiliates shall be of the opinion that any sale or delivery of shares of Common Stock pursuant to an Award is or may in the circumstances be unlawful or result in the imposition of excise taxes on Carriage or its Affiliates under the laws of any applicable jurisdiction, Carriage or its Affiliates shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act, or otherwise, with respect to shares of Common Stock or Awards, and the right to exercise any Option or

Table of Contents

other Award shall be suspended until, in the opinion of such counsel, such sale or delivery shall be lawful or will not result in the imposition of excise taxes on Carriage or its Affiliates.

(c) Upon termination of any period of suspension under this Section, any Award affected by such suspension that shall not then have expired or terminated shall be reinstated as to all shares available before such suspension and as to shares that would otherwise have become available during the period of such suspension, but no such suspension shall extend the term of any Award unless otherwise determined by the Committee in its sole discretion.

14.3 Additional Conditions. Notwithstanding anything in the Plan to the contrary: (a) the Committee may, if it shall determine it necessary or desirable in its sole discretion, at the time of grant of any Award or the issuance of any shares of Common Stock pursuant to any Award, require the recipient of the Award or such shares of Common Stock, as a condition to the receipt thereof, to deliver to Carriage a written representation of present intention to acquire the Award or such shares of Common Stock for his own account for investment and not for distribution, (b) the certificate for shares of Common Stock issued to a Participant may include any legend that the Committee deems appropriate to reflect any restrictions on transfer, and (c) all certificates for shares of Common Stock delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the SEC, any stock exchange or association upon which the Common Stock is then listed or quoted, any applicable federal or state securities law, and any applicable corporate law, and the Committee may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions.

14.4 Transferability.

(a) All Awards granted to a Participant shall be exercisable during his lifetime only by such Participant, or if applicable, a Permitted Transferee as provided in subsection (c) of this Section; provided, however, that in the event of a Participant's legal incapacity, an Award may be exercised by his guardian or legal representative. When a Participant dies, the personal representative, beneficiary, or other person entitled to succeed to the rights of the Participant may acquire the rights under an Award. Any such successor must furnish proof satisfactory to Carriage of the successor's entitlement to receive the rights under an Award under the Participant's will or under the applicable laws of descent and distribution.

(b) Except as otherwise provided in this Section, no Award shall be subject to execution, attachment or similar process, and no Award may be sold, transferred, pledged, exchanged, hypothecated or otherwise disposed of, other than by will or pursuant to the applicable laws of descent and distribution. Any attempted sale, transfer, pledge, exchange, hypothecation or other disposition of an Award not specifically permitted by the Plan or the Award Agreement shall be null and void and without effect.

(c) If provided in the Award Agreement, Nonqualified Stock Options may be transferred by a Participant to a Permitted Transferee. For purposes of the Plan, Permitted Transferee means (i) a member of a Participant's immediate family, (ii) any person sharing the Participant's household (other than a tenant or employee of the Participant), (iii) trusts in which a person listed in (i) or (ii) above has more than 50% of the beneficial interest, (iv) a foundation in which the Participant or a person listed in (i) or (ii) above controls the management of assets, (v) any other entity in which the Participant or a person listed in (i) or (ii) above owns more than 50% of the voting interests, provided that in the case of the preceding clauses (i) through (v), no consideration is provided for the transfer, and (vi) any transferee permitted under applicable securities and tax laws as determined by counsel to Carriage. In determining whether a person is a Permitted Transferee, immediate family members shall include a Participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships.

(d) Incident to a Participant's divorce, the Participant may request that Carriage agree to observe the terms of a domestic relations order which may or may not be part of a qualified domestic relations order (as defined in Code Section 414(p)) with respect to all or a part of one or more Awards made to the Participant under the Plan. Carriage's decision regarding such a request shall be made by the

Committee, in its sole and absolute discretion, based upon the best interests of Carriage. The Committee's decision need not be uniform among Participants. As a condition of participation, a Participant agrees to hold Carriage harmless from any claim that may arise out of Carriage's observance of the terms of any such domestic relations order.

14.5 Withholding Taxes. The Company shall be entitled to deduct from any payment made under the Plan, regardless of the form of such payment, the amount of all applicable income and employment taxes required by law to be withheld with respect to such payment, may require the Participant to pay to the Company such withholding taxes prior to and as a condition of the making of any payment or the issuance or delivery of any shares of Common Stock under the Plan, and shall be entitled to deduct from any other compensation payable to the Participant any withholding obligations with respect to Awards. In accordance with any applicable administrative guidelines it establishes, the Committee may allow a Participant to pay the amount of taxes required by law to be withheld from or with respect to an Award by (i) withholding shares of Common Stock from any payment of Common Stock due as a result of such Award, or (ii) permitting the Participant to deliver to the Company previously acquired shares of Common Stock, in each case having an aggregate Fair Market Value equal to the amount of such required withholding taxes. No payment shall be made and no shares of Common Stock shall be issued pursuant to any Award unless and until the applicable tax withholding obligations have been satisfied.

14.6 No Fractional Shares. No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan or any Award granted hereunder, provided that the Committee in its sole discretion may round fractional shares down to the nearest whole share or settle fractional shares in cash.

14.7 Notices. All notices required or permitted to be given or made under the Plan or pursuant to any Award Agreement (unless provided otherwise in such Award Agreement) shall be in writing and shall be deemed to have been duly given or made if (a) delivered personally, (b) transmitted by first class registered or certified United States mail, postage prepaid, return receipt requested, (c) sent by prepaid overnight courier service, or (d) sent by telecopy or facsimile transmission, with confirmation receipt, to the person who is to receive it at the address that such person has theretofore specified by written notice delivered in accordance herewith. Such notices shall be effective (a) if delivered personally or sent by courier service, upon actual receipt by the intended recipient, (b) if mailed, upon the earlier of five days after deposit in the mail or the date of delivery as shown by the return receipt therefor, or (c) if sent by telecopy or facsimile transmission, when the answer back is received. Carriage or a Participant may change, at any time and from time to time, by written notice to the other, the address that it or such Participant had theretofore specified for receiving notices. Until such address is changed in accordance herewith, notices hereunder or under an Award Agreement shall be delivered or sent (a) to a Participant at his address as set forth in the records of the Company or (b) to Carriage at the principal executive offices of Carriage clearly marked Attention: Chief Financial Officer.

14.8 Compliance with Law and Stock Exchange or Association Requirements. In addition, it is the intent of Carriage that Options designated Incentive Stock Options comply with the applicable provisions of Section 422 of the Code, and that Awards intended to constitute qualified performance-based awards comply with the applicable provisions of Section 162(m) of the Code and that any deferral of the receipt of the payment of cash or the delivery of shares of Common Stock that the Committee may permit or require, and all Awards either be exempt from Code section 409A or, if not exempt, comply with the requirements of Section 409A of the Code. To the extent that any legal requirement of Section 16 of the Exchange Act or Sections 422, 162(m) or 409A of the Code as set forth in the Plan ceases to be required under Section 16 of the Exchange Act or Sections 422, 162(m) or 409A of the Code, that Plan provision shall cease to apply. Any provision of this Plan to the contrary notwithstanding, the Committee may revoke any Award if it is contrary to law, governmental regulation, or stock exchange or association requirements or modify an Award to bring it into compliance with any government regulation or stock exchange or association requirements. The Committee may agree to limit its authority under this Section.

14.9 California Blue Sky Laws. Prior to the effective registration of the Common Stock under Section 12 of the Exchange Act, (a) Carriage shall deliver a balance sheet and an income statement at least annually to each Participant who performs services in the State of California, unless such Participant is a key employee whose duties in connection with the Company assure such Participant access to equivalent information, (b) the Committee may not impose upon any Award grant made to a Participant who performs services in the State of California a vesting schedule that is more

restrictive than 20 percent per year vesting, with the initial vesting to occur not later

than one year after the Award's grant date; provided, however, that such vesting limitation shall not be applicable to any Award grants made to individuals who are officers of Carriage, and (c) with respect to California Participants (including any individual whose Award is based in whole or in part on services performed in California), the Plan shall otherwise be administered in accordance with California Corporations Code Section 25102(o) and California Code of Regulations, Title 10, Sections 260.140.41, 260.140.42, 260.140.45, and 260.140.46.

14.10 Binding Effect. The obligations of Carriage under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of Carriage, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of Carriage. The terms and conditions of the Plan shall be binding upon each Participant and his Permitted Transferees, heirs, legatees, distributees and legal representatives.

14.11 Severability. If any provision of the Plan or any Award Agreement is held to be illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions of the Plan or such agreement, as the case may be, but such provision shall be fully severable and the Plan or such agreement, as the case may be, shall be construed and enforced as if the illegal or invalid provision had never been included herein or therein.

14.12 No Restriction of Corporate Action. Nothing contained in the Plan shall be construed to prevent Carriage or any Affiliate from taking any corporate action (including any corporate action to suspend, terminate, amend or modify the Plan) that is deemed by Carriage or such Affiliate to be appropriate or in its best interest, whether or not such action would have an adverse effect on the Plan or any Awards made or to be made under the Plan. No Participant or other person shall have any claim against Carriage or any Affiliate as a result of such action.

14.13 Governing Law. The Plan shall be governed by and construed in accordance with the internal laws (and not the principles relating to conflicts of laws) of the State of Texas except as superseded by applicable federal law.

14.14 No Right, Title or Interest in Company Assets. No Participant shall have any rights as a stockholder of Carriage as a result of participation in the Plan until the date of issuance of Common Stock in his name and, in the case of Restricted Stock, unless and until such rights are granted to the Participant pursuant to the Plan. To the extent any person acquires a right to receive payments from the Company under the Plan, such rights shall be no greater than the rights of an unsecured general creditor of the Company, and such person shall not have any rights in or against any specific assets of the Company. All Awards shall be unfunded.

14.15 Risk of Participation. Nothing contained in the Plan shall be construed either as a guarantee by Carriage or the Affiliates, or their respective stockholders, directors, officers or employees, of the value of any assets of the Plan or as an agreement by Carriage or the Affiliates, or their respective stockholders, directors, officers or employees, to indemnify anyone for any losses, damages, costs or expenses resulting from participation in the Plan.

14.16 No Guarantee of Tax Consequences. No person connected with the Plan in any capacity, including without limitation Carriage and the Affiliates and their respective directors, officers, agents and employees, makes any representation, commitment or guarantee that any tax treatment, including without limitation federal, state and local income, estate and gift tax treatment, will be applicable with respect to any Awards or payments thereunder made to or for the benefit of a Participant under the Plan or that such tax treatment will apply to or be available to a Participant on account of participation in the Plan.

14.17 Continued Employment. Nothing contained in the Plan or in any Award Agreement shall confer upon any Participant the right to continue in the employ of the Company, or interfere in any way with the rights of the Company to terminate a Participant's employment at any time, with or without cause. The loss of existing or potential profit in Awards will not constitute an element of damages in the event of termination of employment for any reason, even if the termination is in violation of an obligation of Carriage or an Affiliate to the Participant.

14.18 Miscellaneous. Headings are given to the articles and sections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction of the Plan or any provisions hereof. The use of the masculine gender shall also include within its meaning the feminine.
