**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On December 1, 2006, Natural Resource Partners L.P. closed its previously announced acquisition of the D.D. Shepard property from The Andrew W. Mellon Foundation for \$110 million in cash. The partnership funded the transaction through its credit facility.

The D.D. Shepard property consists of nearly 25,000 acres of land containing in excess of 80 million tons of coal reserves. The property, primarily located in Boone County, West Virginia adjacent to other NRP property, has both metallurgical and steam coal reserves, gas reserves and surface and timber. Over 90% of the property is owned in fee most of which is contiguous. Coal produced from the property can be shipped on the CSX and Norfolk Southern railroads. The majority of the coal reserves are leased to Peabody Energy while the majority of the gas reserves are leased to Dominion Exploration and Production.

The press release announcing the closing of the acquisition is included as Exhibit 99.1 to this Form 8-K.
