Item 1.01. Entry into a Material Definitive Agreement.

On August 15, 2007, the Registrant entered into a Global Settlement Agreement (the Agreement) with Ascot Offshore Nigeria Limited, a company organized under the laws of the Federal Republic of Nigeria (Ascot), Berkeley Group Plc, a company organized under the laws of the Federal Republic of Nigeria and the parent company of Ascot, and Willbros International Services (Nigeria) Limited, a company organized under the laws of the Cayman Islands and a subsidiary of the Registrant (WISNL). The Agreement provides for the payment of an amount in full and final settlement of all disputes between Ascot and the Registrant related to the working capital adjustment to the closing purchase price under the Share Purchase Agreement dated as of February 7, 2007, between the Registrant and Ascot (the SPA), which provided for the sale by the Registrant, and the purchase by Ascot, of all the share capital of WG Nigeria Holdings Limited, a company organized under the laws of the Cayman Islands and at that time a subsidiary of the Registrant (the Company). In connection with the SPA, the Registrant, Ascot and WISNL also entered into a Transition Services Agreement dated as of February 7, 2007 (the TSA), and Ascot delivered a promissory note in favor of the Registrant (the Note).

The Agreement provides for a settlement amount of US\$25,000,000, the amount by which the Registrant and Ascot agreed to adjust the closing purchase price under the SPA downward in respect of the working capital of the Company at the closing (the Settlement Amount). Under the terms and conditions of the Agreement, a portion of the Settlement Amount will be retained by the Registrant and credited to the account of Ascot for amounts totaling up to US\$9,258,621 which are currently due from Ascot to the Registrant and WISNL under the TSA and the Note. The payment of the balance of the Settlement Amount under the terms of the Agreement will finally settle any and all obligations, payments and disputes between Ascot and the Registrant in relation to the adjustment to the closing purchase price under the SPA. As part consideration for the parties agreement on the Settlement Amount, and as a condition to payment by the Registrant of the balance of the Settlement Amount, Ascot must secure the cancellation or backstop of certain letters of credit totaling US\$20,322,391, as provided by the Agreement.

Upon the payment of the balance of the Settlement Amount, the Agreement also provides for the termination of all of the Registrant s and Ascot s respective rights and obligations under the indemnification provisions of the SPA. The Agreement amends such provisions of the SPA and the TSA as necessary or appropriate for all of the agreements set forth in the Agreement to be effective.

The Agreement also includes covenants of cooperation regarding various matters concerning the continued operation of the Company.
