Item 2: Acquisition or Disposition of Assets.

On July 31, 2001, The News Corporation Limited ("News Corporation") completed its acquisition of Chris-Craft Industries, Inc. ("Chris-Craft") and its subsidiaries, BHC Communications, Inc. ("BHC") and United Television, Inc. ("United Television"). The acquisition of Chris-Craft, BHC and United Television were accomplished pursuant to separate Agreements and Plans of Merger, dated August 13, 2000, as amended, by and among News Corporation, News Publishing Australia Limited ("NPAL"), a wholly-owned subsidiary of News Corporation, and Fox Television Holdings, Inc. ("Fox Television Holdings"), a wholly-owned subsidiary Fox Entertainment Group, Inc. ("FEG") and each of Chris-Craft, BHC and United Television, as applicable. FEG is a majority-owned subsidiary of News Corporation.

Pursuant to the Transfer Agreement, dated as of August 13, 2000, among News Corporation, NPAL, FEG Holdings, Inc. and FEG, on July 31, 2001, News

Corporation transferred all of the assets of Chris-Craft and its subsidiaries (subject to all liabilities of such entities, including liabilities incurred in connection with the mergers), except for \$1.7 billion of cash, cash equivalents, marketable securities and other investments and the plastic business conducted by Chris-Craft and its subsidiaries, to FEG in exchange for the issuance by FEG of 122,244,272 shares of its Class A Common Stock to News Corporation; increasing News Corporation's indirect equity interest in FEG from 82.76 percent to 85.25 percent. The number of shares issued by FEG to News Corporation was determined based on the fair market value of FEG Class A Common Stock and the value of the assets transferred to FEG as of the execution of the Transfer Agreement on August 13, 2000. Simultaneously upon receipt of these assets and liabilities, FEG transferred title to all of the Federal Communications Commission ("FCC") licenses of the 10 newly-acquired television stations to Fox Television Stations, Inc. ("Fox Television Stations"). The newly acquired stations are: WWOR (UPN-9) in New York, KCOP (UPN-13) in Los Angeles, KPTV (UPN-12) in Portland, KBHK (UPN-44) in San Francisco, KMSP (UPN-9) in Minneapolis, KUTP (UPN-45) in Phoenix, WUTB (UPN-24) in Baltimore, WRBW (UPN-65) in Orlando, KMOL (NBC-4) in San Antonio and KTVX (ABC-4) in Salt Lake City.

The acquisitions were approved by the Department of Justice (the "DOJ") subject to a Consent Order that requires the divestiture of the television station in Salt Lake City (KTVX (ABC-4)). The Consent Order will be satisfied if the DOJ approves a buyer for the station by September 9, 2001, subject to two 30 day extensions at the DOJ's discretion. FCC approval of the transactions similarly requires divestiture of KTVX which will be satisfied if, by January 31, 2002, Fox Television Stations files an application with the FCC to assign the KTVX license. In addition, the FCC required Fox Television Stations to divest sufficient stations to come into compliance with its national station ownership cap. To comply with this requirement, Fox Television Stations is required to file with the FCC the license assignment applications necessary to come into compliance with the cap within 12 months of the issuance of a final order in the pending judicial challenge to the FCC's national station ownership rule.

Item 5: Other Events.

On July 26, 2001, News Corporation, Fox Television Stations and Clear Channel Communications, Inc. ("Clear Channel") announced a binding agreement to enter into an Asset Exchange Agreement pursuant to which Fox Television Stations and FEG will exchange two television stations KTVX-TV in Salt Lake City, Utah and KMOL-TV in San Antonio, Texas for Clear Channel television station WFTC-TV in Minneapolis, Minnesota. The parties entered into the Asset Exchange Agreement on July 31, 2001.

On August 8, 2001, News Corporation, Fox Television Stations and Viacom Inc. ("Viacom") announced that the companies entered into an Asset Exchange Agreement pursuant to which Fox Television Stations and FEG will exchange television station KBHK-TV for two Viacom television stations, WDCA (UPN-20) in Washington, D.C. and KTXH (UPN-20) in Houston, Texas.

Consummation of each of the transactions with Clear Channel and Viacom is subject to certain customary closing conditions including the approval of the DOJ, the Federal Trade Commission and the FCC. The closing of these exchanges are anticipated to occur before the end of the 2001 calendar year.

The transaction with Clear Channel satisfies the FCC divestiture requirement with respect to KTVX and, if the DOJ approves Clear Channel as a buyer, will satisfy the requirements of the Consent Order. Both the Clear Channel and Viacom transactions will reduce the national audience reach of Fox Television Stations, and therefore move News Corporation toward compliance with the FCC's national station ownership cap.
