#### Risk Factors

You should read carefully the Risk Factors beginning on page 6 of this prospectus, as well as the risk factors relating to our business that are incorporated by reference in this prospectus, for certain considerations relevant to an investment in the shares of common stock offered hereby.

### RECENT DEVELOPMENTS

In our Quarterly Report on Form 10-Q for the quarter ended June 30, 2008, we changed our segment reporting composition in the current period in accordance with Statement of Financial Accounting Standards No. 131, *Disclosures about Segments of an Enterprise and Related Information* ( SFAS 131 ). SFAS 131 provides for the identification of reportable segments on the basis of discreet business units and their financial information to the extent such units are reviewed by an entity's chief decision maker (which can be an individual or group of management persons).

We modified our reporting segments to more accurately reflect the way we manage and assess the performance of our business. We changed our segments to report our banking operations on a state-by-state basis rather than on a per bank basis, as we had done in the past, and we also created new segments to report our asset management and credit card operations. Previously, our asset management operations were included in Other and our credit card operations were included in Torrey Pines Bank. The new structure is segmented as Nevada (Bank of Nevada and First Independent Bank of Nevada), Arizona (Alliance Bank of Arizona), California (Torrey Pines Bank, not including PartnersFirst Affinity Services, and Alta Alliance Bank), Asset Management (Miller/Russell & Associates, Inc., Premier Trust, Inc. and Shine Investment Advisory Services, Inc.), Credit Card Services (PartnersFirst Affinity Services) and Other (Western Alliance Bancorporation, in holding company form, and miscellaneous).

Prior to the adjustment of our segment reporting composition, our business was segmented as Bank of Nevada, Alliance Bank of Arizona, Torrey Pines Bank (including PartnersFirst Affinity Services), Alta Alliance Bank, First Independent Bank of Nevada and Other (Miller/Russell & Associates, Inc., Premier Trust, Inc., Shine Investment Advisory Services, Inc., Western Alliance Bancorporation, in holding company form, and miscellaneous).

The adjustment of our segment reporting composition resulted in, among other things, our asset management and credit card operations being reported as individual segments. For the quarter ended March 31, 2008, our Credit Card Services segment had net loans of \$6.5 million, and a net loss of \$1.3 million, as compared to net loans of \$217 thousand, and a net loss of \$1.7 million for the year ended December 31, 2007. For the quarter ended March 31, 2008, our Asset Management segment had \$2.2 billion in assets under management and net income of \$15 thousand, as compared to \$2.3 billion in assets under management and net income of \$1.2 million for the year ended December 31, 2007.

In connection with the private placement and pursuant to a registration rights agreement, we agreed, subject to certain limitations, to file this registration statement with the SEC within 45 calendar days after the closing of the private placement, and to use our reasonable best efforts to cause this registration statement to become effective as promptly as practicable after filing.

### RISK FACTORS

Before purchasing the shares offered by this prospectus you should carefully consider the risk factors relating to Western Alliance Bancorporation incorporated by reference in this prospectus from our Annual Report on Form 10-K for the year ended December 31, 2007, as well as the risks, uncertainties and additional information set forth in our SEC reports on Forms 10-K, 10-Q and 8-K and in the other documents incorporated by reference in this prospectus. For a description of these reports and documents, and information about where you can find them, see Where You Can Find More Information and Incorporation of Certain Documents By Reference. Additional risks not presently known or that are currently deemed immaterial could also materially and adversely affect our financial condition, results of operations, business and prospects. ### USE OF PROCEEDS

This prospectus relates to shares of our common stock that may be offered and sold from time to time by the selling stockholders who will receive all of the proceeds from the sale of the shares. Western Alliance will not receive

any of the proceeds from the sales of shares by the selling stockholders. Most of the costs and expenses incurred in connection with the registration under the Securities Act of the offered shares will be paid by Western Alliance. The selling stockholders will pay any brokerage fees and commissions, fees and disbursements of legal counsel for the selling stockholders, and share transfer and other taxes attributable to the sale of the offered shares.

**DETERMINATION OF OFFERING PRICE**

This offering is being made solely to allow the selling stockholders to offer and sell shares of our common stock to the public. The selling stockholders may offer for resale some or all of their shares at the time and price that they choose. On any given day, the price per share is likely to be based on the market price for our common stock, as quoted on the New York Stock Exchange on the date of sale, unless shares are sold in private transactions. Consequently, we cannot currently determine the price at which shares offered for resale pursuant to this prospectus may be sold.

**SELLING STOCKHOLDERS**

This prospectus covers shares of our common stock that we sold in a private placement of our securities on June 27, 2008 to accredited investors as defined by Rule 501(a) under the Securities Act, pursuant to an exemption from registration under Section 4(2) of the Securities Act. The selling stockholders may from time to time offer and sell under this prospectus any or all of the shares listed opposite their names below.

We have prepared the table below based upon the information furnished to us by the selling stockholders as of June 27, 2008. The selling stockholders identified below may have sold, transferred or otherwise disposed of some or all of their shares since the date on which the information in the following table is presented in transactions exempt from or not subject to the registration requirements of the Securities Act. Any profits realized by the selling stockholder may be deemed to be underwriting commissions. Information concerning the selling stockholders may change from time to time and, if necessary, we will amend or supplement this prospectus accordingly. The total number of shares that may be sold hereunder will not exceed the number of shares offered hereby. Please read the section entitled "Plan of Distribution" in this prospectus for more information.

We have been advised that each of the selling stockholders purchased our common stock in the ordinary course of business, not for resale, and none of such selling stockholders had, at the time of purchase, any agreements or understandings, directly or indirectly, with any person to distribute the related common stock.

The following table sets forth:

The name of each selling stockholder;

The number of shares of our common stock beneficially owned by the selling stockholders as of June 27, 2008;

The maximum number of shares of our common stock that may be offered for the account of the selling stockholders under this prospectus; and

The amount and percentage of common stock that would be owned by the selling stockholders after completion of the offering, assuming a sale of all of the common stock that may be offered by this prospectus.

Under SEC rules, beneficial ownership includes any shares of common stock as to which a person has sole or shared voting power or investment power and any shares of common stock which the person has the right to acquire within 60 days through the exercise of any option, warrant or other right, through conversion of any security or pursuant to the automatic termination of a power of attorney or revocation of a trust, discretionary account or similar arrangement. Beneficial ownership is calculated based on 34,058,669 shares of our common stock outstanding as of June 30, 2008. In calculating the number of shares beneficially owned by a selling stockholder and the percentage ownership, shares of common stock subject to options and warrants held by that person that are currently exercisable or convertible or become exercisable or convertible within 60 days of June 30, 2008 (exercisable stock options and exercisable warrants, respectively) are deemed outstanding even if they have not actually been exercised or converted. The shares issuable under these securities are treated as outstanding for computing the percentage ownership of the person holding these securities but are not treated as outstanding for computing the percentage ownership of any other person.

In connection with an underwritten offering, underwriters or agents may receive compensation in the form of discounts, concessions or commissions from a selling stockholder or from purchasers of offered shares for whom they act as agents. Underwriters may sell offered shares to or through dealers, and the dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they act as agents. Under agreements that may be entered into by Western Alliance, underwriters, dealers and agents who participate in the distribution of offered shares may be entitled to indemnification by Western Alliance against liabilities under the Securities Act or otherwise, or to contribution with respect to payments which the underwriters, dealers or agents may be required to make. The offered shares may be sold directly or through broker-dealers acting as principals or agents, or pursuant to a distribution by one or more underwriters on a firm commitment or best-efforts basis. Broker-dealers acting as principals or agents may receive compensation in the form of discounts, concessions or commissions from a selling stockholder or from purchasers of offered shares for whom they act as agents. The methods by which the offered shares may be sold include:

- a cross or block trade in which the broker-dealer so engaged will attempt to sell the offered shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

- purchases by a broker-dealer as principal and resale by such broker-dealer for its accounts pursuant to this prospectus;

- ordinary brokerage transactions and transactions in which the broker solicits purchasers;

- a combination of any such methods; and

- any other method permitted by applicable law.

The selling stockholders and any underwriters, dealers or agents participating in a distribution of the offered shares may be deemed to be underwriters within the meaning of the Securities Act, and any profit on the sale of the offered shares by the selling stockholders and commissions received by such broker-dealers may be deemed to be underwriting commissions under the Securities Act.

When the selling stockholder elects to make a particular offer of shares, a prospectus supplement, if required, will be distributed which will identify any underwriters, dealers or agents and any discounts, commissions and other terms constituting compensation from the selling stockholder and any other required information.

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock, from time to time, under this prospectus, or under an amendment or supplement to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

To comply with any applicable state securities laws, the offered shares may be sold only through registered or licensed brokers or dealers. In addition, in some states, the offered shares may not be sold unless they have been registered or qualified for sale in the state or an exemption from registration or qualification is available and satisfied.

Western Alliance has agreed to pay all costs and expenses incurred in connection with the registration under the Securities Act of the offered shares, including:

all registration and filing fees,

printing expenses, and

fees and disbursements of counsel and accountants for Western Alliance.

The selling stockholders will pay any brokerage fees and commissions, fees and disbursements of legal counsel for the selling stockholders and stock transfer and other taxes attributable to the sale of the offered shares. Western Alliance has also agreed to indemnify each of the selling stockholders against losses, claims, damages, liabilities and expenses arising under the securities laws in connection with this offering. The selling stockholders have agreed to indemnify Western Alliance, its officers and each person who controls, within the meaning of the Securities Act, Western Alliance, against any losses, claims, damages, liabilities and expenses arising under the securities laws in connection with this offering with respect to written information furnished to Western Alliance by the selling stockholder.

The aggregate proceeds to the selling stockholders from the sale of the common stock offered by them will be the purchase price of the common stock less discounts or commissions, if any. Each of the selling stockholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of common stock to be made directly or through agents. We will not receive any of the proceeds from this offering.

We have advised the selling stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. In addition, we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

**Item 15. Indemnification of Directors and Officers**

Article V of Western Alliance's amended and restated articles of incorporation provides that, to the fullest extent permitted by applicable law as then in effect, no director or officer shall be personally liable to the company or any stockholder for damages for breach of fiduciary duty as a director or officer, except for (i) acts or omissions which involve intentional misconduct, fraud, or a knowing violation of law or (ii) the payment of dividends in violation of Nevada Revised Statutes § 78.300.

Article IV of Western Alliance's amended and restated bylaws provides for indemnification of its directors, officers, employees and other agents and advancement of expenses. As permitted by the Nevada Revised Statutes, Western Alliance's bylaws provide that the corporation will indemnify a director or officer if the individual acted in good faith in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The Nevada Revised Statutes do not permit indemnification as to any claim, issue or matter as to which such person has been adjudged by a court of competent jurisdiction to be liable to the corporation, or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought determines upon application that in view of all of the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper. In addition, Western Alliance's bylaws provide that indemnification shall not be made to or on behalf of any director or officer if a final adjudication establishes that his or her acts or omissions involved intentional misconduct, fraud, or a knowing violation of the law and were material to the cause of action.

Western Alliance has entered into indemnification agreements with certain of its directors and executive officers in addition to indemnification provided for in its bylaws. Western Alliance maintains, on behalf of its directors and officers, insurance protection against certain liabilities arising out of the discharge of their duties, as well as insurance covering Western Alliance for indemnification payments made to its directors and officers for certain liabilities. The premiums for such insurance are paid by Western Alliance.

**Item 17. Undertakings**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the

Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in this registration statement.

*Provided, however, That:*

(1) Paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430B:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415 (a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

*Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(b) The undersigned registrant hereby further undertakes that, for the purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, that latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the last quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.
