ANNUAL MEETING OF SHAREHOLDERS
MAY 23, 2006

PROXY STATEMENT

INTRODUCTION

Your Proxy is solicited by the Board of Directors of Health Fitness Corporation ("the Company") for the Annual Meeting of Shareholders to be held on May 23, 2006, at the location and for the purposes set forth in the notice of meeting, and at any adjournment or postponement thereof.

The cost of soliciting proxies, including the preparation, assembly and mailing of the proxies and soliciting material, as well as the cost of forwarding such material to beneficial owners of the Company's Common Stock, will be borne by the Company. Directors, officers and regular employees of the Company may, without compensation other than their regular remuneration, solicit proxies personally or by telephone.

Any shareholder giving a proxy may revoke it at any time prior to its use at the meeting by giving written notice of such revocation to the Secretary of

Edgar Filing: Health Fitness Corp /MN/ - Form 424B3

the Company or by attending and voting at the meeting. Proxies not revoked will be voted in accordance with the choice specified by shareholders by means of the ballot provided on the Proxy for that purpose. Proxies which are signed but which lack any such specification will, subject to the following, be voted in favor of the proposals set forth in the Notice of Meeting and in favor of the number and slate of directors proposed by the Board of Directors and listed herein. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal. If a broker returns a "non-vote" proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote proxy shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter.

The mailing address of the principal executive office of the Company is 3600 American Boulevard West, Suite 560, Bloomington, Minnesota 55431. The Company expects that this Proxy Statement, the related proxy and notice of meeting will first be mailed to shareholders on or about April 17, 2006.

OUTSTANDING SHARES AND VOTING RIGHTS

The Board of Directors of the Company has fixed April 3, 2006 as the record date for determining shareholders entitled to vote at the Annual Meeting. Persons who were not shareholders on such date will not be allowed to vote at the Annual Meeting. At the close of business on April 3, 2006, 18,930,368 shares of the Company's Common Stock were issued and outstanding. The Common Stock is the only outstanding classes of capital stock of the Company entitled to vote at the meeting. Each share of Common Stock is entitled to one vote on each matter to be voted upon at the meeting. No holders of any capital stock of the Company are entitled to cumulative voting rights.

2

INDEPENDENCE

The Board of Directors has determined that Messrs. James A. Bernards, John C. Penn, Robert J. Marzec, Mark W. Sheffert, Rodney A. Young and Ms. Linda Hall Whitman, constituting a majority the Board of Directors, are independent directors since none of them are believed to have any relationships that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and since such directors otherwise satisfy the requirements of NASD Rule 4200(a)(15). (Although the Company is not subject to the rules of the NASD, the Board of Directors believes that NASD Rule 4200(a)(15) is helpful in determining the Company's independent directors.)

Jerry Noyce is precluded from being considered independent since he currently serves as an executive officer of the Company. K. James Ehlen is precluded by the Board from being independent since he has received material compensation as a consultant to the Company. The Company expects that Dr. Ehlen will qualify as an independent director under Nasdaq Rule 4200(a)(15) on February 1, 2008.

CODE OF CONDUCT

DIRECTOR ATTENDANCE AT ANNUAL MEETINGS

Directors' attendance at Annual Meetings can provide shareholders with an opportunity to communicate with directors about issues affecting the Company. The Company does not have a policy regarding director attendance, but all directors are encouraged to attend the Annual Meeting of Shareholders. The 2005 Annual Meeting of Shareholders was attended by six directors.

COMMITTEE AND BOARD MEETINGS

During fiscal 2005, the Board held 7 formal meetings. The directors often communicate informally to discuss the affairs of the Company and, when appropriate, take formal action by written consent of a majority of all directors, in accordance with the Company's charter and bylaws and Minnesota law.

The Company's Board of Directors has four standing committees, the Audit Committee, the Compensation and Human Capital Committee, the Finance Committee and the Nominating / Governance Committee. Members of such committees met formally and informally from time to time throughout fiscal 2005 on committee matters.

Each director attended 75% or more of the total number of meetings of the Board and of committees of which he or she was a member.

Audit Committee

The Audit Committee is comprised of directors Robert J. Marzec (Chair), Mark W. Sheffert and John C. Penn. Messrs. Marzec, Sheffert and Penn are, in the judgment of the Board of Directors, "independent" directors. The Board also believes that each member of the Nominating Committee satisfies the independence requirements of Nasdaq Rule 4200(a)(15) (though not required to comply with such provision) and the criteria of Section 10A(m)(3) of the Securities Exchange Act of 1934. The Audit Committee is responsible for the oversight relating to the Company's systems of internal and disclosure controls and its financial accounting and reporting matters. The Committee is also responsible for appointment, compensation, retention and oversight of the work of any publicly registered accounting firm, including the Company's independent public accountants. The Charter for the Audit Committee is attached as Exhibit A to the Proxy Statement for the 2004 Annual Meeting of Shareholders. The Audit Committee met 7 times during fiscal 2005.

Audit Committee Financial Expert

The Board has determined that Robert J. Marzec is the "audit committee financial expert" as defined by Item 401(h)(2) of Regulation S-K under the Securities Act of 1933. The designation of Mr. Marzec as the audit committee financial expert does not impose on Mr. Marzec any duties, obligations or liability that are greater than the duties, obligations and liability imposed on Mr. Marzec as a member of the Audit Committee and the Board of Directors in the absence of such designation or identification.

Compensation and Human Capital Committee

Edgar Filing: Health Fitness Corp /MN/ - Form 424B3

The Compensation and Human Capital Committee consists of Linda Hall Whitman (Chair), James A. Bernards and Rodney A. Young. Though not required to comply with such provision, the Board believes that each of the foregoing members of the Compensation and Human Capital Committee satisfies the independence requirements of Nasdaq Rule 4200(a)(15). The Compensation and Human Capital Committee is charged with oversight responsibility for management's performance and the

9

adequacy and effectiveness of compensation and benefit plans. In addition, the Compensation and Human Capital Committee makes recommendations to the Board of Directors regarding remuneration arrangements for senior management, and adoption of employee compensation and benefit plans. Though not required to comply with such provision, the Board believes that each member of the Compensation and Human Capital Committee satisfies the independence criteria of Nasdaq Rule 4200(a)(15). The Compensation and Human Capital Committee met 3 times during fiscal 2005.

Effective March 1, 2006, K. James Ehlen, M.D. was appointed to the Compensation and Human Capital Committee as a non-voting member. Mr. Ehlen's appointment as a non-voting member is subject to the continuing condition that he not receive more than \$30,000 in consulting fees from the Company in any 12-month period. Dr. Ehlen does not satisfy the independence requirements of Nasdaq Rule 4200(a)(15) since he received more than \$60,000 in annual consideration from the Company within the past three years for serving as a consultant to the Company. Dr. Ehlen will not be present or otherwise participate in any matters related to fixing the compensation of the Company's Chief Executive Officer so long as he is a consultant to the Company. Dr. Ehlen will be entitled to participate in all other discussions and matters before the Compensation and Human Capital Committee. The Company believes that Dr. Ehlen will be particularly valuable in discussions regarding the performance and adequacy of the Company's personnel, including its executive officers, and in all other personnel policy matters. The Company expects that Dr. Ehlen will qualify as an independent director under Nasdaq Rule 4200(a)(15) on February 1, 2008.

Finance Committee

The Finance Committee, which consists of Mark W. Sheffert (Chair), James A. Bernards, and Cary Musech, is charged with exploring strategic opportunities and the methods that might be available for financing such opportunities. The Finance Committee met 17 times during fiscal 2005.

Nominating/Governance Committee

The Company's Nominating/Governance Committee consists of the Chairman of the Board (John C. Penn), the Chairman of the Audit Committee (Robert J. Marzec), the Chairman of the Compensation and Human Capital Committee (Linda Hall Whitman), and the Chairman of the Finance Committee (Mark W. Sheffert). Though not required to comply with such provision, the Board believes that each member of the Nominating/Governance Committee satisfies the independence requirements of Nasdaq Rule 4200(a)(15). The nominees for election to the Board at the annual meeting of shareholders were recommended by the Nominating/Governance Committee. The Nominating/Governance Committee met once during fiscal 2005.

The Nominating/Governance Committee has not adopted a charter. The Company has not yet adopted a nominating policy regarding director nominee proposals by shareholders and does not believe such a policy is needed because shareholders

Edgar Filing: Health Fitness Corp /MN/ - Form 424B3

are free at any time to recommend a nominee to be considered by the Board by submitting a written proposal to the Chairman of the Board of Directors, at Health Fitness Corporation, 3600 American Boulevard West, Suite 560, Bloomington, Minnesota 55431. A consent signed by the proposed nominee agreeing to be considered as a director should accompany the written proposal. The proposal should include the name and address of the nominee, in addition to the qualifications and experience of said nominee.

10

The independent directors will consider the attributes of the candidates and the needs of the Board and will review all candidates in the same manner, regardless of the source of the recommendation. In evaluating director nominees, a candidate should have certain minimum qualifications, including being able to read and understand basic financial statements, be familiar with our business and industry, have high moral character and mature judgment, and be able to work collegially with others. In addition, factors such as the following shall be considered:

- appropriate size and diversity of the Board;
- needs of the Board with respect to particular talent and experience;
- knowledge, skills and experience of nominee;
- familiarity with domestic and international business affairs;
- legal and regulatory requirements;
- appreciation of the relationship of our business to the changing needs of society; and
- desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by a new member.

1. Each director receives an annual cash retainer of \$12,000 payable quarterly at a rate of \$3,000 in advance of each quarter.
2. The chairperson of the board receives an additional annual cash retainer of \$6,000 payable quarterly at a rate of \$1,500 in advance of each quarter.

director's telephonic attendance at a board meeting, are compensated at 75% of the full payment.

7. Committee members receive a cash payment of \$500 for attending each regular and special committee meeting up to the following annual limit: Compensation and Human Capital Committee - eight meetings; and Audit Committee - eight meetings. AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors, as amended, (set forth in Exhibit A to the 2004 proxy statement), the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management;
- (2) discussed with the independent auditors the material required to be discussed by Statement on Auditing Standards No. 61; and
- (3) reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No. 1, and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, as filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

COMPENSATION AND HUMAN CAPITAL COMMITTEE REPORT

COMPENSATION AND HUMAN CAPITAL COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. The Compensation and Human Capital Committee of the Board of Directors is composed of outside directors Linda Hall Whitman, James A. Bernards and Rodney A. Young. Effective March 1, 2006, Dr. Ehlen was appointed as a non-voting member of the Compensation and Human Capital Committee. Dr. Ehlen will not participate in any matters related to the fixing of compensation for the Chief Executive Officer so long as he is serving as a consultant to the Company. None of such members of the Committee is or ever has been an employee or officer of the Company and none of such persons are affiliated with any entity other than the Company with which an executive officer of the Company is affiliated.

OVERVIEW AND PHILOSOPHY. In accordance with the Compensation and Human Capital Committee Charter, the Compensation and Human Capital Committee (i) develops procedures and policies for compensating directors; (ii) reviews the Company's procedures, processes and policies used to compensate the Company's CEO and principal executives (Chief Financial Officer, National Vice Presidents of Account Services, Vice President of Human Resources, Vice President of Marketing, Vice President of Program Services, Vice President of Health Management Consulting, National Vice President of Business Development, Chief

Edgar Filing: Health Fitness Corp /MN/ - Form 424B3

Information Officer and Chief Science Officer); (iii) reviews the performance evaluation procedures for the CEO and principal executives; (iv) recommends compensation plans for the CEO to the Board and approves compensation plans for the principal executives. The Compensation and Human Capital Committee has developed executive compensation programs designed to attract and retain qualified executives and to motivate them to maximize shareholder investment by achieving Company goals. There are three basic components to the Company's executive compensation program: base pay, annual incentive bonus, and long-term, equity-based incentive compensation in the form of stock options. Each component is established in light of individual and Company performance, comparable compensation programs in the Minneapolis/Saint Paul metropolitan area, equity among employees and cost effectiveness.

BASE PAY. Base pay is designed to be competitive, although conservative, as compared to salary levels for equivalent positions at comparable companies in the Minneapolis/Saint Paul metropolitan area. The executive's actual salary within this competitive framework depends on the individual's performance, responsibilities, experience, leadership and potential future contribution. The base pay of the CEO and CFO are currently set by their employment agreements (See "Employment Agreements" below), with increases for the CEO determined by the Board upon recommendation of the Compensation and Human Capital Committee and increases for the CFO determined by the CEO and the Compensation and Human Capital Committee.

ANNUAL INCENTIVE BONUS. In addition to base pay, the CEO and other principal executives may be eligible to receive an annual cash bonus based on criteria determined by the Board of Directors for the CEO, and for other principal executives by the CEO and Compensation and Human Capital Committee. Bonus eligibility may range from 15% to 50% of base pay.

LONG-TERM, EQUITY-BASED INCENTIVE COMPENSATION. The long-term, equity-based compensation program is tied directly to shareholder return. Under the current program, long-term incentive compensation consists of stock options that generally do not fully vest until after four years. Stock options are awarded with an exercise price equal to the fair market value of the Company's common

13

shares on the date of grant. Accordingly, the executive is rewarded only if the shareholders receive the benefit of appreciation in the price of the Common Stock.

Because long-term options vest over time, the Company periodically (generally once each year) grants new options to provide continuing incentives for future performance. The size of the previous grants and the number of options held are considered by the Compensation and Human Capital Committee, but are not entirely determinative of future grants. Each executive's annual grants are based upon the individual's performance, responsibilities, experience, leadership and potential future contribution and any other factors deemed relevant by the Committee. Stock option grants for the CEO and CFO are made by the Board of Directors upon recommendation of the Compensation and Human Capital Committee. Stock option grants for other principal executives are made by the CEO and Compensation and Human Capital Committee, including grants from a stock option pool subject to the discretion of the CEO within certain parameters.

Stock options are designed to align the interests of the Company's executives with those of shareholders by encouraging executives to enhance the value of the Company and, hence, the price of the Common Stock and the shareholders' investment. In addition, through deferred vesting, this component of the compensation system is designed to create an incentive for the executive

Edgar Filing: Health Fitness Corp /MN/ - Form 424B3

to remain with the Company.

BENEFITS. The Company also provides medical and insurance benefits to its executive officers, which are generally available to all Company employees. The Company has a 401(k) plan in which all qualified employees, including the executive officers, are eligible to participate. During 2005, the Company made aggregate matching contributions of approximately \$261,000 to plans qualified under IRC Section 401(k).

ANNUAL REVIEWS. Each year the Compensation and Human Capital Committee reviews its executive compensation policies and programs and determines what changes, if any, are appropriate for the following year. In addition, the Committee and Board of Directors review the individual performance of the CEO.

Chief Executive Officer Compensation in 2005. Mr. Noyce serves as the Company's Chief Executive Officer. For 2005, the Board of Directors approved the recommendation of the Compensation and Human Capital Committee to increase Mr. Noyce's annual base salary by 2% to \$250,096, and to grant Mr. Noyce options to purchase 40,000 shares of the Company's common stock, vesting over four years, with an exercise price equal to fair market value as of the date of grant. In December 2004, the Board of Directors, upon the recommendation of the Compensation and Human Capital Committee, approved a bonus program for Mr. Noyce for fiscal year 2005 pursuant to which Mr. Noyce had the opportunity to earn a bonus of up to 27% of his base pay upon achievement of certain revenue targets and a bonus of up to 18% of base pay based upon achievement of certain EBITDA targets. The Company paid Mr. Noyce a cash bonus of \$73,558 in fiscal year 2005 for bonus objectives he met for fiscal year 2004.

STOCK OPTIONS GRANTED IN FISCAL 2005

The following table sets forth information regarding stock options granted to the named executive officers during the fiscal year ended December 31, 2005. We have not granted stock appreciation rights.

Amounts in the following table represent potential realizable gains that could be achieved for the options if exercised at the end of the option term. The 5% and 10% assumed annual rates of compounded stock price appreciation are calculated based on the requirements of the Securities and Exchange Commission and do not represent an estimate or projection of our future common stock prices. These amounts represent certain assumed rates of appreciation in the value of our common stock from the fair market value on the date of grant. Actual gains, if any, on stock option exercises depend on the future performance of the common stock and overall stock market conditions. The amounts reflected in the following table may not necessarily be achieved.

INCREASE IN SHARES RESERVED FOR 1995 EMPLOYEE STOCK PURCHASE PLAN (PROPOSAL #2)

GENERAL

The Company has in effect a 1995 Employee Stock Purchase Plan (the "Stock Purchase Plan"). The Board of Directors has recommended an increase in the number of shares of the Company's Common Stock reserved for issuance under the Stock Purchase Plan from 700,000 to 1,000,000 shares. A general description of the basic features of the Stock Purchase Plan is presented below, but such description is qualified in its entirety by reference to the full text of the Stock Purchase Plan, a copy of which may be obtained without charge upon written request to the Company's Chief Financial Officer.

DESCRIPTION OF THE 1995 EMPLOYEE STOCK PURCHASE PLAN

PURPOSE. The purpose of the Stock Purchase Plan is to encourage stock ownership by employees of the Company and its subsidiaries and in so doing to provide an incentive to remain in the Company's employ, to improve operations, to increase profits and to contribute more significantly to the Company's success.

ELIGIBILITY. The Stock Purchase Plan permits employees to purchase stock of the Company at a favorable price and possibly with favorable tax consequences to the employees. Generally speaking, all full-time and part-time employees (including officers) of the Company (or those subsidiaries authorized by the Board from time to time (a "designated subsidiary")) who (i) are regularly scheduled to work 20 or more hours per week, (ii) who have been employed by the Company or designated subsidiary for at least 30 days prior to the commencement date of a phase, and (iii) who are not classified as an on-call or temporary employee in the Company's payroll system are eligible to participate in any of the phases of the Stock Purchase Plan. However, any employee who would own (as determined under the Internal Revenue Code), immediately after the grant of an option, stock possessing 5% or more of the total combined voting power or value of all classes of the stock of the Company cannot purchase stock through the Stock Purchase Plan. As of March 15, 2006, the Company had 926 full-time and part-time employees eligible to participate.

ADMINISTRATION; TERM. The Stock Purchase Plan is administered by the Board of Directors or a Committee appointed by the Board. The Stock Purchase Plan gives broad powers to the Board or Committee to administer and interpret the Stock Purchase Plan. The Stock Purchase Plan will terminate on a date to be determined by the Board.

OPTIONS. The Stock Purchase Plan is carried out in phases of six months each, commencing on January 1 and July 1 of each year. Before the commencement date of the phase, each participating employee must elect to have a certain percentage of his or her compensation deducted during each pay period in such phase; provided, however, that the payroll deductions during a phase may not exceed 10% of the participant's compensation or such other maximum percentage established by the Board or Committee. An employee may not increase or decrease his or her payroll deduction percentage during a phase. An employee may request a withdrawal of all accumulated payroll deductions at any time during the phase. Based on the amount of accumulated payroll deductions made at the end of the

Edgar Filing: Health Fitness Corp /MN/ - Form 424B3

phase, shares will be purchased for each employee at the termination date of such phase (generally six months after the commencement date). The purchase price to be paid by the employees will be 95% of the fair market value on the termination date of the phase. The closing price of one share of the Company's Common Stock on March 15, 2006, was \$2.25 per share. As required by tax law, an employee may not, during any calendar year, receive options under the Stock Purchase Plan for shares which have a total fair market value in excess of \$25,000 determined at the time such options are granted. Any amount not used to purchase shares will be carried forward to the next option period. No interest is paid by the Company on funds withheld and used to purchase shares, and such funds are used by the Company for general

19

operating purposes. If the employee dies or terminates employment for any reason before the end of the phase, the employee's payroll deductions will be refunded, without interest, as soon as practicable after such termination.

AMENDMENT. The Board of Directors may, from time to time, revise or amend the Stock Purchase Plan as the Board may deem proper and in the best interest of the Company or as may be necessary to comply with Section 423 of the Internal Revenue Code (the "Code"); provided, that no such revision or amendment may (i) increase the total number of shares available for issuance under the Stock Purchase Plan except as provided in the case of stock splits, consolidations, stock dividends or similar events, (ii) modify requirements as to eligibility for participation in the Stock Purchase Plan, or (iii) materially increase the benefits accruing to participants under the Stock Purchase Plan, without prior approval of the Company's shareholders if that approval is required for compliance with Code Section 423 or other applicable laws and regulations.

FEDERAL INCOME TAX CONSEQUENCES OF THE STOCK PURCHASE PLAN. Options granted under the Stock Purchase Plan are intended to qualify for favorable tax treatment to the employees under Code Sections 421 and 423. Employee contributions are made on an after-tax basis. Under current federal income tax provisions, no income is taxable to the optionee upon the grant or exercise of an option. For tax purposes, the date of grant of the option is the commencement date of the applicable phase. In addition, certain favorable tax consequences may be available to the employee if shares purchased pursuant to the Stock Purchase Plan are not disposed of by the employee within two years after the date the option was granted nor within one year after the date of transfer of purchased shares to the employee. The Company generally will not receive an income tax deduction upon either the grant or exercise of the option unless the employee disposes of the shares before the end of the two-year/one-year holding periods described above.

PLAN BENEFITS. The table below shows the total number of shares that have been purchased by the following individuals and groups under the Stock Purchase Plan as of April 3, 2006:

NAME AND POSITION / GROUP -----	TOTAL NUMBER OF SHARES RECEIVED (1) -----
Jerry V. Noyce, President and CEO	41,751
Wesley W. Winnekins, CFO	0
Jeanne C. Crawford, Vice President, Human Resources	0
Brian Gagne, Vice President - Program Services	8,409
Michael Seethaler, National Vice President - Business Development	0

Edgar Filing: Health Fitness Corp /MN/ - Form 424B3

Current Executive Officer Group	56,950
Current Non-executive Officer Director Group	0
Current Non-executive Officer Employee Group	501,477

- (1) Because participation in the Stock Purchase Plan is voluntary, the future benefits that may be received by participating individuals or groups under the Stock Purchase Plan cannot be determined at this time.

VOTE REQUIRED

Because of the employees' positive response to the 1995 Employee Stock Purchase Plan, the Board of Directors recommends that the shareholders approve the 300,000 share increase in the number of shares reserved for the Plan. Approval of the increase requires the affirmative vote of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.

INCREASE IN SHARES RESERVED FOR 2005 STOCK OPTION PLAN (PROPOSAL #3)

GENERAL

The Company has in effect a 2005 Stock Option Plan (the "Stock Option Plan"). The Board of Directors has recommended an increase in the number of shares of the Company's Common Stock reserved for issuance under the Stock Option Plan from 3,500,000 to 4,000,000 shares. A general description of the basic features of the Stock Option Plan is presented below, but such description is qualified in its entirety by reference to the full text of the Stock Option Plan, a copy of which may be obtained without charge upon written request to the Company's Chief Financial Officer.

DESCRIPTION OF THE 2005 STOCK OPTION PLAN

PURPOSE. The purpose of the Stock Option Plan is to advance the interests of the Company and its shareholders by enabling the Company to attract and retain persons of ability as employees, directors and consultants, by providing an incentive to such individuals through equity participation in the Company.

TERM. Options may be granted under the Stock Option Plan until December 14, 2014, or until such earlier date as the Stock Option Plan is discontinued or terminated by the Board.

ADMINISTRATION. The Stock Option Plan is administered by the Board of Directors or by a Committee of the Board of Directors (the "Administrator"). The Stock Option Plan gives broad powers to the Administrator to administer and interpret the Stock Option Plan, including the authority to select the individuals to be granted options and to prescribe the particular form and conditions of each option granted.

ELIGIBILITY. All salaried employees of the Company or any subsidiary are eligible to receive incentive stock options pursuant to the Stock Option Plan. All salaried employees, non-employee directors and officers of, and consultants to, the Company or any subsidiary are eligible to receive nonqualified stock

Edgar Filing: Health Fitness Corp /MN/ - Form 424B3

options. As of March 15, 2006, the Company had approximately 572 eligible employees (of which twelve are executive officers) and eight are directors who are not employees.

OPTIONS. When an option is granted under the Stock Option Plan, the Administrator, at its discretion, specifies the option price, the type of option (either "incentive" or "nonqualified") to be granted, and the number of shares of Common Stock which may be purchased upon exercise of the option. The exercise price of an incentive stock option may not be less than 100% of the fair market value of the Company's Common Stock and the option price of a nonqualified option may not be less than 85% of the fair market value of the Company's Common Stock on the date of grant. The fair market value of the Company's Common Stock (i.e., the closing sale price) on March 15, 2006 was \$2.25 per share. The term during which the option may be exercised and whether the option will be exercisable immediately, in stages or otherwise, are set by the Administrator, but the term of an incentive stock option may not exceed ten years from the date of grant. Optionees may pay for shares upon exercise of options with cash, certified check or Common Stock of the Company valued at the stock's then fair market value. Each stock option granted under the Stock Option Plan is nontransferable during the lifetime of the optionee. Each outstanding option under the Stock Option Plan may terminate earlier than its stated expiration date in the event of the optionee's termination of employment, directorship or other relationship with the Company.

AMENDMENT. The Board of Directors may from time to time suspend or discontinue the Stock Option Plan or revise or amend it in any respect; provided, the Stock Option Plan may not, without the approval of the shareholders, be amended in any manner that will (a) materially increase the number of shares subject to the Stock Option Plan except as provided in the case of stock splits, consolidations,

21

stock dividends or similar events; (b) materially modify the requirements for eligibility for participation in the Stock Option Plan; (c) materially increase the benefits accruing to optionees under the Stock Option Plan or (d) cause incentive stock options to fail to meet the requirements of the Internal Revenue Code.

FEDERAL INCOME TAX CONSEQUENCES OF THE STOCK OPTION PLAN. Under present law, an optionee will not realize any taxable income on the date a nonqualified option is granted pursuant to the Stock Option Plan. Upon exercise of the option, however, the optionee must recognize, in the year of exercise, ordinary income equal to the difference between the option price and the fair market value of the Company's Common Stock on the date of exercise. Upon the sale of the shares, any resulting gain or loss will be treated as capital gain or loss. The Company will receive an income tax deduction in its fiscal year in which options are exercised, equal to the amount of ordinary income recognized by those optionees exercising options, and must withhold income and other employment-related taxes on such ordinary income.

Incentive stock options granted under the Stock Option Plan are intended to qualify for favorable tax treatment under Code Section 422. Under Section 422, an optionee recognizes no taxable income when the option is granted. Further, the optionee generally will not recognize any taxable income when the option is exercised if he or she has at all times from the date of the option's grant until three months before the date of exercise been an employee of the Company. The Company ordinarily is not entitled to any income tax deductions upon the grant or exercise of an incentive stock option. Certain other favorable tax consequences may be available to the optionee if he or she does not dispose of the shares acquired upon the exercise of an incentive stock option for a

Edgar Filing: Health Fitness Corp /MN/ - Form 424B3

period of two years from the granting of the option and one year from the receipt of the shares.

STOCK OPTION PLAN BENEFITS. The table below shows the total number of stock options that previously have been granted to the following individuals and groups under the 2005 Stock Option Plan as of April 3, 2006:

NAME AND POSITION / GROUP -----	TOTAL NUMBER OF OPTIONS RECEIVED (1) -----
Jerry V. Noyce, President and CEO	684,000
Wesley W. Winnekins, CFO	208,500
Jeanne C. Crawford, Vice President, Human Resources	152,500
Brian Gagne, Vice President - Programs and Partnerships	75,000
Michael Seethaler, National Vice President - Business Development	75,000
Current Executive Officers as a Group (12 persons)	1,578,750
Current Directors who are not Executive Officers as a Group (8 persons)	477,500
Current Employees who are not Executive Officers as a Group (21 persons)	230,425

-
- (1) This table reflects the total number of options granted under the Stock Option Plan as of April 3. Because future grants of stock options under the Stock Option Plan are subject to the discretion of the Committee, the future benefits that may be received by these individuals and groups under the Stock Option Plan cannot be determined at this time.

VOTE REQUIRED

The Board of Directors recommends that the shareholders approve the 500,000 share increase in the number of shares reserved for the Stock Option Plan. Under applicable Minnesota law, approval of the increase in the number of shares offered under the Stock Option Plan requires the affirmative vote of the holders of a majority of the voting power of the shares represented in person or by proxy at the meeting with authority to vote on such matter, provided that such majority must be greater than 25% of the Company's outstanding shares.

22

The following table provides information as of December 31, 2005 about the Company's equity compensation plans:

	NUMBER OF SECURITIES TO BE ISSUED UPON EXERCISE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS (a) -----	WEIGHTED AVERAGE EXERCISE PRICE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS (b) -----	N AVA EQUI SEC -----
Equity compensation plans approved by security holders	2,157,425	\$1.34	
Equity compensation plans not approved by security holders	1,694,431 (2)	\$2.38	
TOTAL	3,851,856	\$1.80	

-
- (1) Includes 182,134 shares of common stock available for issuance under the Company's Employee Stock Purchase Plan.
 - (2) Represents outstanding warrants to selling agents and investors issued in connection with financing transactions.

RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
(PROPOSAL #4)

Grant Thornton LLP acted as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2005, and has been selected by the Audit Committee to act as the Company's auditors for fiscal 2006. Although it is not required to do so, the Board wishes to submit the selection of Grant Thornton LLP to the shareholders for ratification. The Company's selection of Grant Thornton LLP will be deemed ratified by the shareholders if holders of a majority of the voting power of the shares represented in person or by proxy at the meeting with authority to vote on such matter provided that such majority must be greater than 25% of the Company's outstanding shares. The Board, and in particular the Audit Committee, retains discretion at all times to select the Company's independent registered public accounting firm, notwithstanding ratification by the Company's shareholders. In the event the shareholders do not approve such selection, the Audit Committee will reconsider its selection. A representative of Grant Thornton LLP is expected to be present at the Annual Meeting of Shareholders. Such representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

The ratification of Grant Thornton LLP as the independent registered public accounting firm for the Company requires the affirmative vote of a majority of the shares represented in person or by proxy at the Annual Meeting.

AUDIT FEES

The following fees were paid to Grant Thornton LLP in fiscal years 2004 and 2005:

	FY 2004	FY 2005
	-----	-----
Audit Fees	\$117,753	\$ 84,837
Audit-Related Fees	7,104	8,840
Tax Fees	28,472	82,607
All Other Fees	23,793	569
	-----	-----
	\$177,122	\$176,853

Audit fees are for professional services rendered and expenses incurred for the audit of the Company's annual financial statements and review of financial statements included in our Forms 10-K and 10-Q or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements.

Edgar Filing: Health Fitness Corp /MN/ - Form 424B3

Audit-related fees are primarily for services rendered and expenses incurred for the audit of the Company's 401K Employee Benefit Plan.

Tax fees include fees for services provided and expenses incurred in connection with the preparation of federal and state tax returns, tax advice and tax planning.

All other fees include fees for services provided and expenses incurred for non-audit related accounting services. The other fees paid in 2005 relate primarily to consultative services on Sarbanes-Oxley.

Pursuant to its written charter, the Audit Committee is required to pre-approve the audit and non-audit services performed by the Company's independent auditors in order to assure that the provision of such services does not impair the auditor's independence. Unless a particular service has received general pre-approval by the Audit Committee, each service provided must be specifically pre-approved. Any proposed services exceeding pre-approved costs levels will require specific pre-approval by the Audit Committee. As such, the Audit Committee adopted a policy in February 2003 that states the Audit

24

Committee is required to approve all audit and non-audit accounting-related services. The Audit Committee has pre-approved services to be requested from time to time by the Company's Chief Executive Officer and Chief Financial Officer only on accounting matters that do not exceed \$5,000 on any one occasion or \$25,000 per year; provided that the Company's Chief Financial Officer must report to the Audit Committee on the provision of such services at the Audit Committee meeting held immediately thereafter.

The Company's Audit Committee has considered whether provision of the above non-audit services is compatible with maintaining Grant Thornton LLP's independence and has determined that such services have not adversely affected Grant Thornton LLP's independence.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than ten percent of the Company's Common Stock, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors and greater than ten percent shareholders ("Insiders") are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based on a review of the copies of such reports furnished to the Company during the fiscal year ended December 31, 2005, all Section 16(a) filing requirements applicable to Insiders were complied with.

OTHER BUSINESS

Management knows of no other matters to be presented at the meeting. If any other matter properly comes before the meeting, the appointees named in the proxies will vote the proxies in accordance with their best judgment.

SHAREHOLDER PROPOSALS

Any appropriate proposal submitted by a shareholder of the Company and intended to be presented at the 2007 Annual Meeting must be received by the Company no later than January 22, 2007 to be includable in the Company's proxy

Edgar Filing: Health Fitness Corp /MN/ - Form 424B3

statement and related proxy for the 2007 Annual Meeting.

Also, if a shareholder proposal intended to be presented at the 2007 Annual Meeting but not included in the Company's proxy statement and proxy is received by the Company after April 8, 2007, then management named in the Company's proxy form for the 2007 Annual Meeting will have discretionary authority to vote the shares represented by such proxies on the shareholder proposal, if presented at the meeting, without including information about the proposal in the Company's materials.
