NAM TAI ELECTRONICS, INC.
Proxy Statement and
Notice of Annual Meeting

May 4, 2009

Dear Shareholders:

2008 Reviewed

Despite the challenges we faced during 2008, Nam Tai remained profitable, but the effects of the global economic downturn took its toll on us. For the year ended December 31, 2008, Nam Tai's net sales were \$622.9 million, a decrease of 20.2% as compared to \$780.8 million in the same period of 2007. Gross profit was \$70.7 million, a decrease of 18.8% as compared to \$87.0 million in the same period in 2007. Operating income for 2008 decreased 84.3% to \$6.4 million, or \$0.14 per share (diluted), compared to \$40.7 million, or \$0.91 per share (diluted), in the same period in 2007. Net income was \$30.6 million, or \$0.68 per share (diluted), a decrease of 55.9% as compared to \$69.5 million or \$1.55 per share (diluted) in the same period of 2007.

Despite the effect of global economic conditions, Nam Tai's financial position remained strong at December 31, 2008 with \$237.0 million of cash on hand, of which \$129.3 million were in the subsidiaries of Nam Tai Electronic & Electrical Products Limited, or NTEEP, our subsidiary through which we conduct our operations and which is listed on the Hong Kong Stock Exchange (Stock Code: 2633). NTEEP's subsidiaries are mainly located in the People's Republic of China (the PRC). Such cash is, accordingly, restricted from use outside of the PRC under its tight currency control policy. Net cash provided by operating activities for 2008 was \$36.8 million. During 2008, the Company made capital expenditures of \$27.4 million and paid cash dividends of \$47.7 million to shareholders of the Company and minority shareholders of NTEEP.

Nam Tai's cash on hand at December 31, 2008 was invested in term deposits, which is conservative and provides immediate availability for use as working capital, but generates minimal income in the current environment that offers low interest rates on such deposits. We are therefore seeking and exploring opportunities for our cash in excess of amounts needed to fund ongoing operations that offer quality, safety and the potential for higher returns.

The Company continues to exercise rigorous corporate governance and control policies and is not involved in trading of any debt securities or financial derivative products.

The Journey Ahead

Under the current global economic downturn, we continue to experience weaker demand across all of our product segments. However, Nam Tai is financially sound with a strong cash position and adequate liquidity to weather these challenging market conditions. To offset the decline and potential further decline in our sales during 2009, management has remained focused on efforts to reduce costs, improve operating and manufacturing efficiencies and deliver advanced technologies and innovative manufacturing solutions that offer value to our customers. Recent actions taken to reduce costs and conserve cash include:

1. We have reduced headcount from 9,700 (as at the end of the third quarter of 2008) to 7,100 (as at the end of the fourth quarter of 2008), accounting for about 27% reduction of the total workforce from levels as at September 30, 2008. We continue to monitor effects of market conditions on the businesses of our customers and may reduce our workforce further if reduced customer demand and market conditions so require.
2. We have frozen salaries and are considering, in the worst scenario, additional steps to reduce employee compensation which depending on prevailing market conditions during 2009 could result in 2009 compensation reductions of up to 30 percent. Our management team will also step up internal control measures and work hard to look for effective ways to cut more costs.
3. We have determined *not* to declare dividends for 2008 to be paid in 2009 in order to maintain cash reserves during the continuing economic turmoil.
4. We have determined to postpone until at least mid-2009 the further implementation of our expansion plans for new factory additions, except for our new facilities in Wuxi, PRC, to be used for the manufacture of flexible printed circuit (FPC) boards and other components subassemblies. That project is on schedule and nearing completion.

Although we are taking a guarded position regarding expected demand during 2009 as the economic downturn continues or worsens and expect further near-term declines in revenues that could even result in losses from operations during periods in 2009, we are nevertheless seeking to take advantage of perceived opportunities to expand our market share in targeted areas. Accordingly, we plan to strengthen our sales force and customer and technical support by establishing local sales and support offices in Japan and Taiwan to increase our presence and better serve our customers in those markets. By seeking to capitalize on these opportunities, we hope to ensure a more robust future when end markets stabilize and the recovery cycle begins.

With best regards and thanks for your continuing support,

Ming Kown Koo

QUESTIONS AND ANSWERS RELATING TO THE ANNUAL MEETING

Why did I receive these materials?

Our shareholders as of the close of business on April 22, 2009, which we refer to as the Record Date, are entitled to vote at our Annual Meeting of shareholders, which will be held on June 5, 2009. As a shareholder, you are invited to attend the annual meeting and are requested to vote on the items of business described in this proxy statement. We are required by law to distribute these proxy materials to all shareholders as of the Record Date. This proxy statement provides notice of the Meeting of shareholders, describes the proposals presented for shareholder action and includes information that we desire to disclose to shareholders. The accompanying proxy card enables shareholders to vote on the matters without having to attend the annual meeting in person.

Who is entitled to vote at the Meeting?

Only shareholders of record at the close of business on the Record Date are entitled to receive notice of and to participate in the annual meeting. If you were a shareholder of record on the Record Date, you will be entitled to vote all of the shares that you held on that date at the Meeting, or any postponements or adjournments of the Meeting.

How many votes do I have?

You will be entitled to one vote for each outstanding share of our common stock you own as of the Record Date. As of the Record Date, there were 44,803,735 shares of our common stock outstanding and eligible to vote.

How many shares must be present or represented to conduct business at the Meeting?

The presence at the Meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the Company's common shares outstanding on the Record Date will constitute a quorum, permitting the conduct of business at the Meeting. Based on the number of shares of our common stock outstanding on the Record Date, the presence of the holders of our common stock representing at least 22,401,868 votes will be required to establish a quorum.

Proxies received but marked as abstentions, votes withheld and broker non-votes will be included in the calculation of the number of votes considered present at the Meeting.

How can I vote my shares in person at the Meeting?

Shares held in your name as the shareholder of record may be voted by you in person at the Meeting. Shares held by you beneficially in street name through a broker, bank or other nominee may be voted by you in person at the Meeting only if you obtain a legal proxy from the broker, bank or other nominee that holds your shares giving you the right to vote the shares.

How can I vote my shares without attending the Meeting?

Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the Meeting. If you are a shareholder of record (that is, if your shares are registered directly in your name with our transfer agent), you must complete and properly sign and date the accompanying proxy card and return it to us and it will be voted as you direct. A pre-addressed envelope is included for your use and is postage paid if mailed in the United States. If you are a shareholder of record and attend the meeting, you may deliver your completed

proxy card in person. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or other nominee.

Can I vote by telephone or electronically?

If you are a shareholder of record, you may vote by telephone, or electronically through the Internet, by following the instructions included with your proxy card. If your shares are held in street name, please check your proxy card or contact your broker, bank or other nominee to determine whether you will be able to vote by telephone or electronically and the deadline for such voting.

Can I change my vote after I return my proxy card?

Yes. If you are a shareholder of record, you may revoke or change your vote at any time before the proxy is exercised by delivering to our Secretary at the address shown at the beginning of this proxy statement a notice of revocation, or by signing a proxy card bearing a later date or by attending the Meeting and voting in person.

For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares, by attending the Meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the Meeting in person and so request, although attendance at the Meeting will not by itself revoke a previously granted proxy.

Who counts the votes?

Votes will be counted and certified by the Inspectors of Election, who are employees of Registrar and Transfer Company (RTC), our transfer agent. If you are a shareholder of record, your signed proxy card is returned directly to RTC for tabulation. If you hold your shares in street name through a broker, bank or other nominee, your broker, bank or other nominee will return one proxy card to RTC on behalf of its clients.

What are the Board of Directors' recommendations?

Unless you give other instructions on your proxy card, the person named as proxy holder on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board of Directors recommends that shareholders vote FOR the election of directors named; and FOR the ratification of the selection of Moore Stephens as independent public accountants of the Company for the year ending December 31, 2009.

Will shareholders be asked to vote on any other matters?

To the knowledge of the Company and its management, shareholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the Meeting, the persons named as proxies for shareholders will vote on those matters in the manner they consider appropriate.

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast at the Meeting is required for the election of directors (Proposal 1). A properly executed proxy marked withhold authority with respect to the election of one or more directors will not be voted with respect to the

director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Other Item. For the proposal to ratify the appointment of our independent registered public accounting firm for our year ending December 31, 2009 (Proposal 2) the affirmative vote of the holders of a majority of the votes cast in person or represented by proxy and entitled to vote on the item will be required for approval.

A properly executed proxy marked **abstain** with respect to any matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

How are votes counted?

In the election of directors, you may vote **FOR** all or some of the nominees or your vote may be **WITHHELD** with respect to one or more of the nominees. You may not cumulate your votes for the election of directors.

For the other items of business, you may vote **FOR**, **AGAINST** or **ABSTAIN**. If you elect to **ABSTAIN**, the abstention has the same effect as a vote **AGAINST**. If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items.

If you hold your shares in **street name** through a broker, bank or other nominee rather than directly in your own name, then your broker, bank or other nominee is considered the shareholder of record, and you are considered the beneficial owner of your shares. We have supplied copies of our proxy statement to the broker, bank or other nominee holding your shares of record, and they have the responsibility to send it to you. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares at the Meeting. The broker, bank or other nominee that is the shareholder of record for your shares is obligated to provide you with a voting instruction card for you to use for this purpose. If you hold your shares in a brokerage account but you fail to return your voting instruction card to your broker, your shares may constitute **broker non-votes**. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered present and entitled to vote on that proposal. If a quorum is present at the Meeting, the persons receiving the greatest number of votes will be elected to serve as directors. As a result, broker non-votes will not affect the outcome of the voting on the election of directors (Proposal 1). The ratification of the appointment of our independent registered public accounting firm (Proposal 2) require the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Meeting and entitled to vote on the proposal. A broker non-vote is treated as not being entitled to vote on the matter and, therefore, is not counted for purposes of determining whether the proposal has been approved. If you are a beneficial owner and your broker, bank or other nominee holds your shares in its name, it is not permitted for the broker, bank or other nominees to vote your shares on the election of directors (Proposal 1) or the ratification of the appointment of our independent registered public accounting firm (Proposal 2).

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Compensation of Directors and Senior Management

Compensation on an Aggregate Basis

The aggregate compensation, including benefits in kind granted, during the year ended December 31, 2008 that we or any of our subsidiaries paid to all directors and senior management as a group for their services in all capacities to the Company or any subsidiary was approximately \$1.9 million (excluding the value of stock options granted in accordance to Statement of Financial Accounting Standard No. 123(R), Share-based Payment (FAS 123(R)) or amounts paid when the Company repurchased stock options from directors).

During the year ended December 31, 2008, we granted to our directors from our stock option plans options to purchase an aggregate of 75,000 of our common shares at exercise price of \$12.03 per share. During the year ended December 31, 2008, we also granted to our former senior management from our stock option plans options to purchase an aggregate of 100,000 of our common shares at exercise price of \$9.856. The exercise prices of the shares covered by the options granted during 2008 were either equal to or higher than their fair market value of our shares on the date of grant and the options granted expire on the anniversary of their grant date in 2011.

We pay our directors \$3,000 per month for services as a director, \$750 per meeting attended in person and \$500 per meeting attended by telephone. In addition, we reimburse our directors for all reasonable expenses incurred in connection with their services as a director and member of a board committee.

During 2008, members of our senior management were eligible for annual cash bonuses based on their performance and that of the subsidiaries in which they are assigned for the relevant period. Senior management is entitled to share up to 15% of the operating income from the subsidiary in which they are employed during the year. Our senior management in charge of our subsidiaries recommends the participating staff members from the corresponding subsidiary and the amount, if any, to be allocated from such subsidiary's profit pool to an eligible employee. In addition to cash incentives, members of our senior management are eligible to receive stock options from our Stock Option Plans. With effect from 2009, our President and Chief Executive Officer (Acting) is entitled to 20% of the incentive pools of each business unit and the balance will be shared by senior management of relevant business unit per above.

According to the applicable laws and regulations in China set by the local government of Shenzhen, China, prior to July 2006, we are required to contribute 8% to 9% of the stipulated salary to our staff located there to retirement benefit schemes to fund retirement benefits for our employees. With effect from July 2006, the applicable percentages were adjusted from 10% to 11%. Our principal obligation with respect to these retirement benefit schemes is to make the required contributions under the scheme. No forfeited contributions may be used by us to reduce the existing level of contributions.

Since December 2000, we have enrolled all of our eligible employees located in Hong Kong into the Mandatory Provident Fund, or MPF, scheme, a formal system of retirement protection that is mandated by the government of Hong Kong and provides the framework for the establishment of a system of privately managed, employment-related MPF schemes to accrue financial benefits for members of the Hong Kong workforce when they retire. Since first establishing a subsidiary in Macao in 2003, we have enrolled all of our eligible employees in Macao into Macao's retirement benefit scheme, or RBS. Both the MPF and RBS are available to all employees aged 18 to 64 and with at least 60 days of service under the employment of Nam Tai in Hong Kong and Macao. Contributions are made by us at 5% based on the staff's relevant income. The maximum relevant income for contribution purpose per employee is \$3,000 per month. Staff members are entitled to 100% of the Company's contributions, together with accrued returns, irrespective of their length of service with us, but the benefits are required by law to be preserved until the retirement age of 65 for employees in Hong Kong while the benefit can be withdrawn by the employees in Macao at the end of employment contracts.

The cost of our contributions to the staff retirement plans in Hong Kong, Macao and China amounted to approximately \$1,534,000, \$1,800,000 and \$1,814,000 for the years ended December 31, 2006, 2007 and 2008, respectively.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Moore Stephens as independent registered public accounting firm of the Company for the year ending December 31, 2009. The Board of Directors further directed that the Company submit the selection of independent registered public accounting firm for ratification by shareholders at the Meeting.

Deloitte Touche Tohmatsu served as our independent registered public accounting firm for each of the fiscal years for the three-year period ended December 31, 2008, for which audited financial statements appeared in our annual report on Form 20-F filed with the Securities and Exchange Commission on March 13, 2009.

If the appointment of Moore Stephens is not ratified, the Audit Committee will evaluate the basis for the shareholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement or engage another audit firm without re-submitting the matter to shareholders. Even if the appointment is ratified, the Audit Committee, in its discretion, may act to engage a different independent auditing firm at any time during the year if the Audit Committee determines that such a change would be in the Company's and its shareholders' best interests.

Moreover, if the Audit Committee approves an audit service within the scope of the engagement of the audit service, such audit service shall be deemed to have been pre-approved. The decisions of the Chairman of the Audit Committee made under delegated authority to pre-approve an activity shall be presented to the Audit Committee at each of its scheduled meetings.

Requests or applications to provide services that require specific approval by the Audit Committee are submitted to the Audit Committee by both the independent registered public accounting firm and the Chief Financial Officer.

During 2007 and 2008, approximately 73.3% and 98.1%, respectively, of the total audit-related fees, tax fees and all other fees were approved by the Audit Committee pursuant to the pre-approval requirement provided by paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.

Report of Audit Committee

Nam Tai's Audit Committee serves to assist Nam Tai's Board of Directors in fulfilling the oversight responsibilities it has under the law with respect to financial reports and other financial information provided by Nam Tai to the public, Nam Tai's systems of internal controls regarding finance

and accounting that management and the Board of Directors have established and Nam Tai's auditing, accounting and financial reporting processes generally.

The Audit Committee is comprised solely of independent directors, as defined in the listing standards of the New York Stock Exchange.

The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is available on Nam Tai's website (<http://www.namtai.com/corpgov/corpgov.htm>). The Audit Committee annually reviews and assesses the adequacy of its charter in order to insure early or timely compliance with statutory, regulatory, listing and other requirements applicable to Nam Tai.

In this context, the Audit Committee reports as follows:

1. The Audit Committee has reviewed and discussed the audited financial statements at and for the year ended December 31, 2008 with Nam Tai's management;
2. The Audit Committee has discussed with Deloitte Touche Tohmatsu the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board);
3. The Audit Committee has received the written disclosures and the letter from Deloitte Touche Tohmatsu required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with Deloitte Touche Tohmatsu its independence; and
4. Based on the review and discussion referred to in paragraphs (1) through (3) above, the Audit Committee recommended to Nam Tai's Board of Directors, and the Board of Directors approved, that the audited financial statements included in Nam Tai's Annual Report on Form 20-F for the year ended December 31, 2008, for filing with the Securities and Exchange Commission.

Following the filing of its Annual Report on Form 20-F for the year ended December 31, 2008, Nam Tai solicited proposals from accounting firms and conducted an evaluation process in connection with the selection of the Company's independent auditor for the year ending December 31, 2009. After this process, on April 14, 2009, the Company's Board of Directors, upon recommendation of the Audit Committee, determined to replace Deloitte Touche Tohmatsu as independent auditor for the Company's year ending December 31, 2009 and appointed Moore Stephens to serve as the Company's independent auditor for 2009.
