**Safe Harbor**

This Form 8-K contains forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, including forward-looking statements regarding CFIUS matters, Bain Capital's relationship with Huawei (including after the closing of our proposed merger transaction), 3Com's success factors and the expected impact of the transaction on 3Com and timing of the filing of the proxy statement relating to this transaction. These statements are neither promises nor guarantees, but involve risks and uncertainties that could cause actual results to differ materially from those set forth in the forward-looking statements, including, without limitation, risks relating to our ability to file a proxy statement relating to, and ultimately to consummate, our proposed acquisition by affiliates of Bain Capital and to satisfy CFIUS that the transaction does not pose a threat to U.S. national or homeland security and therefore CFIUS should not recommend to the President that the transaction be blocked on national security grounds; and other risks detailed in our filings with the SEC, including those discussed in our annual report filed with the SEC on Form 10-K for the year ended June 1, 2007. 3Com Corporation does not intend, and disclaims any obligation, to update any forward-looking information contained in this Form 8-K or with respect to the announcements described herein.
