[SUNTRUST LOGO]

July 5, 2001

Dear Wachovia Shareholder:

The preservation and potential growth of your cash dividend undoubtedly will be a key factor in deciding how to vote on the First Union merger proposal -- and we believe First Union's dividend proposal is a compelling reason to vote "AGAINST" the First Union merger.

If you have held your Wachovia shares for the past five years, you have seen your annual dividend increase each year, growing steadily from \$1.52 per share in 1996 to \$2.40 per share in 2001 (on an annualized basis). BUT IF THE FIRST UNION MERGER IS APPROVED AND COMPLETED, YOU WILL BE FORCED TO SURRENDER YOUR WACHOVIA SHARES IN EXCHANGE FOR FIRST UNION SHARES. So it is important to look closely at First Union's recent dividend history, and to consider what First Union is proposing about future dividend payments. It also is important to decide whether you are comfortable with the future of your dividend payments if you end up holding First Union stock. You may conclude that the last thing you want to do is rely on First Union for the dividend payments you've come to expect.

Edgar Filing: WACHOVIA CORP/ NC - Form DFAN14A

THE POTENTIAL COST TO YOU OF FIRST UNION'S DIVIDEND PROPOSAL AS COMPARED TO SUNTRUST'S IS SHOWN ON THE INSERT WHICH ACCOMPANIES THIS LETTER. ONE SIDE OF THE INSERT COMPARES THE PROPOSALS, ASSUMING 6% ANNUAL GROWTH IN DIVIDENDS. OF COURSE, THE GREATER THE ASSUMED ANNUAL DIVIDEND GROWTH RATE, THE GREATER THE POTENTIAL COST TO YOU -- AND SUNTRUST'S COMPOUNDED ANNUAL DIVIDEND GROWTH RATE DURING THE LAST FIVE YEARS HAS BEEN 14%. THE OTHER SIDE OF THE INSERT DEMONSTRATES THE DOLLAR COST TO WACHOVIA SHAREHOLDERS AT VARIOUS SHARE OWNERSHIP LEVELS, USING THE SAME ASSUMPTIONS, OVER THE NEXT 5 YEARS.

FIRST UNION'S DIVIDEND: LOWER TODAY THAN FIVE YEARS AGO

While the dividend on your Wachovia shares increased by 58% during the past five years, shareholders of First Union have not fared nearly as well with their dividends. In fact, over the same five-year period, First Union's dividend fell from \$1.10 per share in 1996 to only \$0.96 per share today -- a drop of 13%. THIS DECLINE IS A DIRECT RESULT OF FIRST UNION CUTTING ITS DIVIDEND IN HALF DURING THE FIRST QUARTER OF THIS YEAR. The slashing of First Union's dividend followed its poorly executed acquisitions in recent years of CoreStates Financial Corp. and The Money Store. The CoreStates acquisition resulted in major integration problems, and last year First Union shut down The Money Store, contributing to an astounding \$4.9 billion charge to earnings -- one of the largest charges against earnings in the history of corporate America!

SUNTRUST'S DIVIDEND: SIXTEEN YEARS OF STEADY GROWTH

There is, of course, an alternative to the First Union merger proposal. We believe that if Wachovia shareholders reject the First Union merger by voting "AGAINST" Proposal No. 1 on the enclosed BLUE proxy card, that rejection could very well lead to a merger between Wachovia and SunTrust.

In considering your choices, you should also look closely at SunTrust's dividend record. Much like Wachovia's recent dividend history -- and in stark contrast to First Union's -- SunTrust's dividend has increased during the past five years from \$0.83 per share in 1996 to \$1.60 per share today (on an annualized basis). This is an increase during the five-year period of 93%.

SUNTRUST HAS NEVER CUT ITS PER SHARE DIVIDEND RATE, AND HAS INCREASED ITS DIVIDEND EVERY YEAR SINCE ITS FORMATION IN 1985. And SunTrust shareholders have never been blindsided with a massive dividend cut like First Union's staggering 50% cut earlier this year -- a cut which cost unsuspecting First Union shareholders an aggregate of almost \$500,000,000 in dividend payments in the first half of this year alone.

WHICH DIVIDEND APPROACH SUITS YOU BEST-- SUNTRUST'S SIMPLICITY OR FIRST UNION'S COMPLEXITY?

The payment of dividends under SunTrust's merger proposal is simple and straightforward. Our proposal provides for an increase in SunTrust's per share dividend rate, so that Wachovia shareholders would receive on a pro forma basis a dividend equal to the \$2.40 per share dividend they currently receive.

The First Union dividend proposal, on the other hand, is unusual and highly complex. FIRST UNION WOULD PROVIDE YOU WITH AN ANNUAL COMMON STOCK

Edgar Filing: WACHOVIA CORP/ NC - Form DFAN14A

DIVIDEND RATE OF ONLY \$1.92 PER SHARE ON A PRO FORMA BASIS -- \$0.48 PER YEAR LESS THAN YOU CURRENTLY RECEIVE FROM WACHOVIA. Because of this, First Union is offering you a choice of either a one-time cash payment of \$0.48 per share upon completion of the merger, or so-called "dividend equalization preferred shares" (which First Union calls "DEPs") that are designed to pay a dividend which, when added to the dividend you would receive on the First Union common stock, would equal on a pro forma basis a \$2.40 annual dividend per share of Wachovia common stock.

If the First Union merger is approved and you choose the one-time payment option, you would not be entitled to any further payment to make up for any dividend shortfalls (as compared to your current Wachovia dividend rate of \$2.40 per share) after the first year following a First Union merger. And First Union would have to increase its current dividend by 25% one year after the merger just to get you back to the same per share dividend rate that you currently enjoy. DO YOU REALLY BELIEVE THAT FIRST UNION, WHICH ONLY MONTHS AGO SLASHED ITS DIVIDEND BY 50%, WILL INCREASE ITS DIVIDEND BY 25% IN A SINGLE YEAR?

If instead you choose to receive the First Union DEPs, your dividend will be tied to two separate securities: First Union common stock and the new and unusual DEPs. FIRST UNION ITSELF HAS ADMITTED THAT THE DEPS MAY NOT QUALIFY FOR LISTING, TRADING OR QUOTATION ON ANY EXCHANGE OR DEALER QUOTATION SYSTEM. THIS MEANS THAT YOU MAY FIND IT VERY DIFFICULT TO SELL YOUR DEPS, IF YOU ARE ABLE TO SELL THEM AT ALL.

In addition, there is nothing "preferred" about the dividend on the DEPs, which First Union has said rank equally as to dividends with the First Union common stock. According to First Union, DEP dividends will be paid "when declared" by the First Union Board. Moreover, while First Union has characterized dividends on the DEPs as "cumulative," you should know that if First Union does not pay you a dividend on the DEPs for any quarter, it has no obligation to pay you that missed dividend in the future (except, possibly, in the event First Union liquidates).

FUTURE DIVIDEND GROWTH: FIRST UNION STARTS \$0.48 BEHIND

First Union attempts to portray the DEPs as a device which would restore your dividend on a pro forma basis to the current \$2.40 per share dividend you currently receive from Wachovia. Unfortunately, this is far from the full story.

No corporation, of course, can offer assurances about future dividend rates, but some facts are obvious. If First Union's annual dividend increases, the first \$0.48 of that increase will serve only to reduce the dividend on the DEPs, with no net increase in total dividends to the holder of DEPs. THE FIRST UNION ANNUAL COMMON STOCK DIVIDEND WOULD HAVE TO INCREASE BY MORE THAN \$0.48 PER SHARE BEFORE A DEP HOLDER SAW THE FIRST PENNY OF AN ACTUAL DIVIDEND INCREASE.

With SunTrust stock, however, the result is quite different. The full amount of any increase in SunTrust's annual common stock dividend rate would be received by you as a holder of SunTrust stock in the event of a Wachovia-SunTrust merger.

Edgar Filing: WACHOVIA CORP/ NC - Form DFAN14A

SUNTRUST: THE DIVIDEND THAT MAKES SENSE

It is clear to us that SunTrust's dividend history and dividend proposal are far superior to First Union's.

- o SUNTRUST HAS THE DIVIDEND WITH A SOLID GROWTH RATE. First Union's dividend rate is lower today than it was five years ago.
- o SUNTRUST HAS THE DIVIDEND THAT HAS EXPERIENCED 16 CONSECUTIVE YEARS OF INCREASES.
First Union has the dividend that was cut in half a few months ago.
- o SUNTRUST PROPOSES TO MAINTAIN YOUR CURRENT CASH DIVIDEND RATE if it merges with Wachovia, and the full amount of your dividend would be paid on your shares of common stock -- just as it is today. First Union's dividend proposal is described above and, frankly, is too complicated to describe again.

IN YOUR OWN BEST INTERESTS, WE URGE YOU TO VOTE "AGAINST" THE FIRST UNION MERGER PROPOSAL ON THE ENCLOSED BLUE PROXY CARD. DEFEATING THE FIRST UNION MERGER PROPOSAL IS THE CRUCIAL FIRST STEP IN SECURING THE BENEFITS OF A PROPOSED MERGER WITH SUNTRUST. PLEASE SIGN, DATE AND RETURN THE ENCLOSED BLUE PROXY CARD TODAY.

Thank you for your support.

THE FOLLOWING LETTER WILL BE SENT TO WACHOVIA BENEFIT PLAN PARTICIPANTS/BENEFICIARIES.

[SUNTRUST LOGO]

July 5, 2001

Dear Wachovia Benefit Plan Participants/Beneficiaries:

SunTrust has proposed a business combination with Wachovia that we believe is superior to Wachovia's proposed merger with First Union. WE BELIEVE THAT THE SUNTRUST PROPOSAL IS A BETTER DEAL FOR ALL OF WACHOVIA'S CONSTITUENCIES: EMPLOYEES, CUSTOMERS, SHAREHOLDERS AND THE COMMUNITIES WACHOVIA SERVES.

You hold an interest in Wachovia shares as a participant in, or beneficiary of, one or more benefit plans of Wachovia and its subsidiaries. Under the provisions of the Plans, IF YOU DO NOT DIRECT THE TRUSTEE AS TO HOW TO VOTE YOUR PLAN SHARES, SOMEONE ELSE WILL MAKE THAT DECISION FOR YOU. Wachovia has designated U.S. Trust Company, N.A. to vote your Plan shares if you don't.

The outcome of the vote by Wachovia's shareholders on the First Union merger proposal could be extremely important to you. THEREFORE, IT IS ESSENTIAL THAT YOU MAKE YOUR OWN VOTING DECISION. For example, according to First Union and Wachovia, approval of First Union's merger proposal will likely result in:

- o 7,000 JOB CUTS,
- o 325 BRANCH CLOSINGS (which is already higher than the 250 to 300 branch closings that First Union originally estimated and which would represent approximately 45% of Wachovia's branches), and
- o \$890 MILLION IN COST SAVINGS, including \$490 million in the first year alone.

On the other hand, a combined SunTrust/Wachovia can be expected to eliminate 3,000 fewer jobs than First Union anticipates eliminating and close 150 to 175 fewer branches than First Union expects to close -- including NO MERGER-RELATED BRANCH CLOSINGS IN NORTH CAROLINA AND SOUTH CAROLINA.

SUNTRUST'S VISION: A SUPERIOR BANK

When we envision the combination of SunTrust and Wachovia, we see the premier financial services franchise in the Southeast, with a strong, vibrant presence in seven contiguous, high-growth states, including #1 MARKET POSITIONS IN GEORGIA, SOUTH CAROLINA AND VIRGINIA based on customer deposits.

Combining SunTrust and Wachovia would bring together two compatible and complementary Southeastern banking institutions. We have similar management philosophies and corporate cultures -- and share a strong commitment to locally focused relationship-based banking and active community involvement.

Don't just take our word for it. See what others have to say about a SunTrust/Wachovia combination:(1)

Edgar Filing: WACHOVIA CORP/ NC - Form DFAN14A

"The rank and file employee at Wachovia would much rather work for SunTrust than First Union . . . [SunTrust and Wachovia] actually do fit together very well."

- Thomas Finucane, John Hancock Regional Bank Fund, TheStreet.com 5/24/01

"I believe [SunTrust and Wachovia] are tremendously similar. Employees at the middle levels of Wachovia will have a much less difficult time assimilating to this change."

- Nancy Bush, Ryan, Beck & Co., AmericanBanker.com 5/16/01

YOUR VOTE WILL BE CONFIDENTIAL

You should note that Wachovia has hired an independent third party to tabulate the votes of shares held by participants in the Plans. Neither Wachovia nor U.S. Trust will be given any information as to how individual participants vote. ACCORDINGLY, AS REQUIRED BY FEDERAL LAW, YOUR VOTE WILL BE COMPLETELY CONFIDENTIAL.

Please take the time to read the proxy statement that we recently sent to you. Our proxy statement describes in more detail why we believe that SunTrust's merger proposal is superior to the First Union proposal.

You can vote your Plan shares AGAINST the First Union/Wachovia merger by signing and dating the enclosed BLUE instruction card today and returning it in the enclosed postage-prepaid envelope. IN YOUR OWN BEST INTERESTS, WE URGE YOU TO VOTE AGAINST THE FIRST UNION/WACHOVIA MERGER PROPOSAL. DEFEATING THE FIRST UNION MERGER IS THE CRUCIAL FIRST STEP IN SECURING THE BENEFITS OF THE SUNTRUST MERGER PROPOSAL.

Thank you for your support.
