Stockholders do not have the right to cumulate votes in the election of Directors. Only stockholders of record at the close of business on December 20, 2002 (the Record Date) will be entitled to vote at the Annual Meeting. As of the Record Date, there were 430,147,895 shares of Common Stock issued and outstanding.

The accompanying proxy is solicited from the holders of the Common Stock on behalf of the Board of Directors of the Company and is revocable at any time by giving written notice of revocation to the Secretary of the Company prior to the Annual Meeting or by executing and delivering a later-dated proxy via the Internet, via telephone or by mail prior to the Annual Meeting. Furthermore, the stockholders who are present at the Annual Meeting may revoke their proxies and vote in person. All shares of the Company's Common Stock represented by properly executed and unrevoked proxies will be voted by the Board of Directors of the Company in accordance with the directions given therein. Where no instructions are indicated, proxies will be voted FOR the proposals set forth in this Proxy Statement for consideration at the Annual Meeting. The Directors expect shares of the Common Stock held by executive officers and Directors of the Company will be voted FOR such proposals. Such shares, not including shares held in the names of spouses of executive officers and Directors, represent approximately 45 percent of the Common Stock outstanding as of December 20, 2002.

A quorum consisting of at least a majority of shares of Common Stock must be present at the meeting for any business to be conducted. Shares of Common Stock entitled to vote and represented by properly executed, returned and unrevoked proxies, including shares with respect to which votes are withheld, abstentions are cast or there are broker non-votes, will be considered present at the meeting for purposes of determining a quorum.

PROPOSAL 1

ELECTION OF DIRECTORS

Board of Directors

The Company's amended and restated certificate of incorporation divides the Company's Board of Directors into three classes, with three Directors per class and with each class being elected to a staggered three-year term. J. Joe Ricketts, our Chairman and Founder, certain members of his family and trusts established for their benefit (collectively, the Ricketts holders) owned approximately 25.0% of our Common Stock as of the Record Date. Investment funds affiliated with Bain Capital, Silver Lake Partners and TA Associates (collectively, the Datek holders) collectively owned approximately 29.5% of our Common Stock as of the Record Date. The Ricketts holders and the Datek holders have entered into a stockholders agreement (the Stockholders Agreement) that obligates the parties to vote their shares in favor of a Board of Directors consisting of nine members, of which three are designated by the Ricketts holders, three are designated by the Datek holders and three are independent directors selected with the agreement of the Ricketts holders and the Datek holders. Accordingly, the Board has nominated Michael D. Fleisher, Glenn H. Hutchins and Thomas S. Ricketts as Class I Directors to be voted upon at the 2003 Annual Meeting, to serve terms ending at the 2006 Annual Meeting. C. Kevin Landry, Mark L. Mitchell and J. Peter Ricketts are Class II Directors serving terms ending at the 2004 Annual Meeting. Stephen G. Pagliuca and J. Joe Ricketts are Class III Directors serving terms ending at the 2005 Annual Meeting. The third Class III Director will be nominated with the agreement of the Ricketts holders and the Datek holders.

This Proxy Statement relates only to the solicitation of proxies from the stockholders with respect to the election of three Class I Directors to be elected by them and the other matters described herein. The Board of Directors knows of no reason any of Messrs. Fleisher, Hutchins and T. Ricketts might be unavailable to serve as the Class I Directors, and each has expressed an intention to serve, if elected. If any of Messrs. Fleisher, Hutchins and T. Ricketts is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute nominee as the Board of Directors may recommend. With the exception of the Stockholders Agreement, there are no arrangements or understandings between any of the persons nominated to be a Class I Director and any other person pursuant to which any of such nominees was selected.

The election of a Director requires the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote; provided that a quorum of at least a majority of the outstanding shares of Common Stock are represented at the meeting. Shares of Common Stock held by stockholders electing to abstain from voting and broker non-votes will be counted towards the presence of a quorum but will not be considered present and voting. Therefore, abstentions and broker non-votes will have no impact on the election of Directors. Proxies submitted pursuant to this solicitation will be voted for the election of each of Messrs. Fleisher, Hutchins and T. Ricketts as Class I Directors, unless specified otherwise.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE **FOR** THE ELECTION OF MICHAEL D. FLEISHER, GLENN H. HUTCHINS AND THOMAS S. RICKETTS AS CLASS I DIRECTORS.

Specifically, the Directors Plan provides that, upon a non-employee Director's election to the Board for his first term, the Director will receive (a) a stock option to purchase such number of shares of the Company's Common Stock as determined by the Chairman of the Board and approved by the Board and (b) an award of restricted stock, the fair market value of which is equal to approximately \$20,000 or such other amount determined by the Board from time to time. Non-employee Directors may also be awarded stock options other than upon their initial election to the Board as determined from time to time by the Board. Awards made pursuant to the Directors Plan will generally vest in substantially equal annual installments over a period of three years, beginning with the first anniversary of the grant date. The exercise price of options granted under the Directors Plan may not be less than the fair market value of a share of the Company's Common Stock on

Employee Directors do not receive compensation for services provided as a Director. Non-employee Directors receive an annual retainer payable in advance. For fiscal year 2002, the annual retainer was \$25,000. Fifty percent of the retainer is payable in cash and fifty percent is payable in the form of Common Stock, provided that, if a Director has met the Company's equity ownership guidelines, the Director may elect to receive all or any portion of the stock retainer in cash. Non-employee Directors receive payments of \$1,500 for quarterly meetings and \$1,000 for Committee meetings, all payable quarterly in advance in the form of cash or Common Stock at the election of the Director. The foregoing elections and payments are made pursuant to the Directors Plan. Awards for periods of less than 12 months are calculated and determined by the Board. Special rules applied to the payment of the annual retainer for the 2003 fiscal year to accommodate newly elected Directors.

Pursuant to the Directors Plan, non-employee Directors may elect to defer receipt of all or a portion of the retainer and meeting and Committee fees otherwise payable to the non-employee Director, including those amounts that would otherwise be payable to the non-employee Director in the form of Common Stock. Amounts deferred pursuant to a non-employee Director's election are credited to a bookkeeping account, which consists of a Cash Subaccount reflecting amounts that would otherwise have been payable to the non-employee Director in cash and a Stock Subaccount reflecting amounts that would otherwise have been payable to the non-employee Director in Common Stock. As of the first day of each fiscal quarter, the Cash Subaccount is adjusted to reflect contributions and distributions during the preceding fiscal quarter and is credited with interest computed at the prime rate as reported by the Wall Street Journal for that date (or, if that day is not a business day, the next preceding business day). The Stock Subaccount is credited with stock units as of each day that a deferred amount would otherwise have been payable to the non-employee Director in Common Stock, is charged with stock units as of each day on which amounts are distributed from the Stock Subaccount and is credited with stock units as of each record date to reflect dividends paid on the Common Stock. For purposes of the adjustments to the Stock Subaccount, one stock unit corresponds to one share of Common Stock.

Deferred amounts are payable to non-employee Directors as of a distribution date elected by the non-employee Director at the time of the deferral. If no distribution date is specified, payments begin as of the first business day of January of the year following the date on which the non-employee Director ceases to be a Director of the Company for any reason. Distributions of deferred amounts can be made in ten annual installments commencing on the distribution date elected. A non-employee Director may also elect to have payments in a lump sum or in any number of annual payments not exceeding ten. If a non-employee Director dies prior to the full payment of his deferral account, the balance will be paid in a lump sum to a beneficiary designated by the non-employee Director. The Compensation Committee may also distribute the full balance of a non-employee Director's deferral account in a lump sum at any time.

Prior to the merger, the Ricketts holders collectively owned approximately 51.0% of the AOH Common Stock. Upon completion of the merger, the Ricketts holders owned approximately 25.5% of the Company's Common Stock and the Datek holders collectively owned approximately 29.4% of the Company's Common Stock. Therefore, the Ricketts holders and the Datek holders collectively owned a majority of the Company's Common Stock.

Under the Stockholders Agreement by and among the Ricketts holders, the Datek holders and the Company, among other things:

the Ricketts holders and the Datek holders have agreed to vote their shares of Common Stock in favor of a Board of Directors of the Company consisting of nine members, of which three are designated by the Ricketts holders, three are designated by the Datek holders, and three are independent directors designated by the Ricketts holders and the Datek holders, subject to limitations, until after the Company's annual stockholders meeting in 2006;

Employment and Severance Agreements

The Company currently has employment agreements with each of its Named Executive Officers.

Joseph H. Moglia. Mr. Moglia's employment agreement was entered into as of March 1, 2001 and has a two-year initial term. The agreement renews automatically for an additional two-year term unless either party provides written notice of non-renewal to the other at least 90 days before the last day of the initial term. Either party also may terminate the employment agreement with or without cause. Pursuant to the agreement, Mr. Moglia was paid a signing bonus of \$1.3 million and was reimbursed for relocation costs. The agreement provides for the payment of a base salary of \$600,000 per year, an annual bonus of not less than \$600,000 plus an annual performance-based bonus of not more than \$300,000, a one-time benefit of \$15.6 million pursuant to a deferred compensation plan that generally vests as of March 1, 2003 and is

Edgar Filing: AMERITRADE HOLDING CORP - Form DEF 14A

payable upon his termination, and participation in other employee benefits under the various benefit plans and programs maintained by the Company. In addition, the agreement provides that, if Mr. Moglia is still employed by the Company as of March 1, 2003, he will be awarded stock options with respect to 2 percent of the then outstanding shares of

Page 14

Table of Contents

Company Common Stock. If Mr. Moglia is discharged from employment by the Company without cause or terminates his employment under circumstances that constitute constructive dismissal, all of his stock options and amounts in the deferred compensation plan will vest and the grant of options described in the preceding sentence will be accelerated as described below. Under the deferred compensation plan established in connection with the agreement, Mr. Moglia is entitled to a deferred payment of cash compensation, as adjusted for earnings and losses based on investment performance. The balance in the deferred compensation account vests pro rata on a daily basis over the initial two-year term. Payments of the deferred compensation account balance begin as soon as practicable after Mr. Moglia's termination date and may be made in a lump sum or installments over a period of not more than 10 years, as elected by Mr. Moglia in accordance with the plan. If Mr. Moglia dies before the vested balance in his deferred compensation account is paid to him, the vested balance is paid in a lump sum to a beneficiary named by him.

The agreement provides that, if a change in control of the Company occurs, Mr. Moglia's employment will automatically terminate and he will be entitled to the payments and benefits to which he would otherwise be entitled under the agreement had he continued in employment with the Company through both the initial and additional two-year terms. If, during the initial two-year term of the agreement, a change of control occurs, Mr. Moglia's employment is terminated during that term by the Company without cause or if his employment is terminated during that term under circumstances that constitute a constructive dismissal, he will be awarded stock options that would have been awarded to him at the beginning of the additional two-year term, except that the options will be granted as of the date of the change of control or termination date, as applicable, with an exercise price equal to 80 percent of the fair market value of a share of Common Stock on the date of grant. The agreement contains covenants by Mr. Moglia not to compete with the Company during the term of employment and for a specified period after the term. He is generally entitled to receive noncompetition payments during the period subsequent to his termination in which the covenant not to compete is in effect.

The Company and Mr. Moglia entered into an addendum to the employment agreement as of March 30, 2002. Under the addendum, the Company and Mr. Moglia agreed that the merger with Datek would not constitute a change in control for the purpose of the employment agreement and Mr. Moglia waived the provisions of the agreement that would have been triggered by the merger. The Company and Mr. Moglia further agreed that if the Company terminates Mr. Moglia's employment within two years after the completion of the merger for any reason other than cause, Mr. Moglia will be entitled to the payments and benefits to which he would otherwise be entitled under the agreement had he continued in the employ of the Company until the fourth anniversary of the effective date of the employment agreement and he will be entitled to the noncompetition payments. In addition, if the Company terminates Mr. Moglia's employment before March 1, 2003, for any reason other than cause, Mr. Moglia will be entitled to the accelerated options, except that the grant date for the options will be the date of the termination with an exercise price equal to 80 percent of the fair market value of a share of Common Stock on the date of grant, and his account under the deferred compensation plan will become fully vested as of the termination date.

Under an agreement between the Company and Mr. Moglia, dated September 13, 2001, the Company is required to lend Mr. Moglia the Medicare tax amounts due from time to time resulting from his vesting in benefits under the deferred compensation plan. Mr. Moglia is required to repay the loan, which does not bear interest, at the time of termination of his employment. The Company may set off the amount of the loan against the amount that would otherwise be payable to Mr. Moglia under the deferred compensation plan. For periods prior to the termination of his employment, the Company will reimburse Mr. Moglia annually for all taxes imposed on the interest imputed to Mr. Moglia.

J. Joe Ricketts, Chairman and Founder. Mr. Ricketts' employment agreement was entered into as of October 1, 2001 and has a seven-year term. Either party may terminate the agreement with or without cause. and reimbursement for reasonable fees and expenses for legal, tax, accounting, financial and estate planning counseling and services and some insurance coverages. If the agreement is terminated due to Mr. Ricketts' disability, Mr. Ricketts is entitled to payment of 50% of his base salary plus benefits until the earlier of the end of the agreement term or the fifth anniversary of the date of the disability. If Mr. Ricketts is discharged from employment by the Company without cause or terminates his employment following specified breaches of the agreement by the Company, he will be entitled to receive payments of his base salary, bonus, option awards and continuing benefits for the remainder of the agreement term; provided, that in no event will his payments under these circumstances be less than the sum of three times (1) his base salary, determined as of October 1, 2001, and (2) his annual cash bonus payable for 2002. If a termination described in the preceding sentence occurs, Mr. Ricketts will also be entitled to recover damages he incurs as a result of his inability to exercise his outstanding stock options. The agreement contains covenants by Mr. Ricketts not to compete with the Company during the term of the agreement and for a specified period after the term.

Mr. Passione's employment agreement was entered into as of February 1, 2002 and has a term ending on June 30, 2003 with provisions for renewal for an additional twelve months. Mr. Passione will also receive the amount of annual target bonus to which he was entitled for the year in which the termination occurs and he will be provided with continuing medical coverage, subject to limitations, for the severance period at the Company's cost. If, following a change in control, Mr. Passione's employment is terminated by the Company without cause or his employment is terminated for good reason, he is entitled to be paid a lump sum equal to his salary and bonus as described above. The agreement contains covenants by Mr. Passione not to compete with the Company during the term of employment and for a specified period after the term. All severance benefits payable under the agreement are conditional on Mr. Passione's execution of a release of claims and, if any payments under the agreement would subject Mr. Passione to an excise tax on parachute payments, the payments under the agreement will be reduced to the extent necessary to avoid the tax. On July 15, 2002, Mr. Passione entered into an employment agreement addendum with the Company, which specifies that the merger with Datek does not constitute a change in control for purposes of his employment agreement.

John R. MacDonald, Executive Vice President, Chief Financial Officer and Treasurer. Mr. MacDonald's employment agreement was entered into as of September 9, 2002 and has a three-year term. If, following a change in control, Mr. MacDonald's employment is terminated by the Company without cause or his employment is terminated for good reason, he will be entitled to be paid a lump sum equal to his salary and bonus as described above. The agreement contains covenants by Mr. MacDonald not to compete with the Company during the term of employment and for a specified period after the term. All severance benefits payable under the agreement are conditional on Mr. MacDonald's execution of a release of claims and, if any payments under the agreement would subject Mr. MacDonald to an excise tax on parachute payments, the payments under the agreement will be reduced to the extent necessary to avoid the tax.

Report of the Compensation Committee on Executive Compensation

This report is not deemed to be soliciting material or to be filed with the SEC or subject to the SEC's proxy rules or to the liabilities of Section 18 of the Securities Exchange Act of 1934 (the "1934 Act") and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing by the Company under the Securities Act of 1933 (the "1933 Act") or the 1934 Act.

The Compensation Committee (the "Committee") of the Board of Directors establishes and administers the Company's executive compensation programs. The Committee is currently composed of three non-employee directors of the Board, Messrs. Hutchins, Mitchell and Pagliuca. No member of the Committee during fiscal year 2002 was an employee of the Company or any of its subsidiaries. Each member qualifies as a non-employee director under rule 16b-3 of the Securities Exchange Act of 1934 and as an outside director under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

Compensation Philosophy and Policy Overview

The Committee's purpose is to develop and maintain compensation programs and policies reflective of the Company's strategy to provide strong performance incentive for achieving goals to maximize stockholder value. To accomplish this, the Committee constructs compensation determinations based upon the following goals:

1. Align executive compensation with stockholder interests; and
2. Attract, retain and motivate an effective executive team.

The Company's executive officers' base salaries are determined by comparing individual responsibilities with industry survey data and responsibilities of the other Company executive officers. In addition, a target annual incentive bonus award is based on a percentage of salary and long-term incentive awards are based on a factor of salary. Both the incentive bonus and long-term incentives are at-risk pay, which serves to motivate the executive to perform, and comprises a large portion of total executive compensation. The Committee has utilized the services of an external executive compensation consultant to provide the utmost objective and competitive data to ensure stockholder-beneficial decision making consistent with the Company's compensation goals.

Table of Contents

The Committee and the Company strongly believe in executive ownership of Company stock. This benefits stockholders by meaningfully aligning executive goals and decision-making to stockholder needs. Executives are required to adhere to equity ownership guidelines that require a specific percentage of stock ownership, ranging from 100 to 500 percent of annual base salary, depending on executive level.

Fiscal Year 2002 Results

Under Mr. Moglia's leadership and the performance of the Executive Management Team, the Company:

Reported record net income from ongoing operations of \$26.2 million, or \$0.12 per share;

Added 284,000 new accounts opened and funded at an average cost per account of \$215;

Reduced its debt-to-equity ratio to four percent as of September 27, 2002;

Increased operating margin 34 percent by controlling costs;

Completed the acquisition of National Discount Brokers Corporation;

Merged with Datek to become the leading brokerage firm in terms of number of online equity trades; and

Initiated a stock repurchase program.

Base Salaries

In order to remain competitive with the market, the Committee reviews executive salaries at least annually. Comparably sized general industry, technology and financial services competitors are selected for analysis and comparison. Executive officer salary adjustments are determined by objective and subjective evaluation of individual performance and by comparison with market data of external comparable positions, internal comparison, and applicable terms of existing employment agreements.

Annual Incentive Bonuses

Annual incentive bonuses are designed to promote strong Company performance and achievement of the Company's initiatives. Target incentive percentages are set at the beginning of the fiscal year and payout is earned according to achievement of Company goals. The Company's executive officers participate in the 2002 Management Incentive Plan. This plan is based on the achievement of key corporate performance metrics and is intended to be qualified under Section 162(m) of the Code in order to maximize tax deductibility for the Company, while providing strong incentive for goal achievement at the highest levels of the organization. For fiscal year 2002, 100 percent of annual incentive was based upon corporate performance.

Executives were able to defer all or part of annual incentive bonuses under a deferred compensation program in the form of Company stock.

Long-Term Incentives

The Company strongly supports stock ownership at all levels and maintains a broad based and executive stock option program. Long-term incentives are awarded to foster forward-looking motivation and long-term growth for stockholders.

Annual executive stock option awards were determined based on the Company's total stockholder return. This measurement compares Company stock performance with the stock performance of a peer group. The Company's relative performance against the peer group is applied to the target award level per individual executive.

The Committee also considers the award of stock options in specific cases based on individual performance or for purposes of retaining and attracting key executives.

Table of Contents

Although the long-term incentive plan also permits the award of stock appreciation rights, stock awards (including restricted stock) and performance units, no such awards have been made under the program. The Company granted replacement stock appreciation rights in fiscal 2002 to former Datek employees in connection with the Datek merger.

Deductibility of Compensation

Section 162(m) of the Code limits the Company's deduction for compensation paid to the executive officers named in the Summary Compensation Table to \$1 million unless certain requirements are met. The policy of the Compensation Committee with respect to Section 162(m) is to establish and maintain a compensation program that will optimize the deductibility of compensation. However, the Committee must exercise its right to use judgment, where merited by the need to respond to changing business conditions or by an executive officer's individual performance, to authorize compensation, which may not, in a specific case, be fully deductible by the Company. For fiscal year 2002, the only executive officers to exceed \$1 million in compensation for Section 162(m) purposes were Mr. J. Joe Ricketts and Mr. Moglia, due to Mr. Ricketts' bonus paid for the successful expansion of the retail brokerage conducted by the Company and the provisions of Mr. Moglia's employment agreement. The Committee has reviewed these arrangements and the related Section 162(m) issues and given its approval.

Chief Executive Officer Compensation

In fiscal year 2002, Mr. Moglia served in the capacity of Chief Executive Officer. The determination of the Chief Executive Officer's salary, annual incentive, and grants of stock options followed the philosophy and policies set forth above for all other executive compensation, subject to any individual terms in the executive's employment agreement.

Given the fiscal year results described above and Mr. Moglia's focus on increasing stockholder value and commitment to sustained profitability, Mr. Moglia is a valuable asset to the Company. Mr. Moglia's vision, leadership and reputation are important to the Company. His departure would negatively affect stockholder value and his compensation has been designed to reflect this.

Certain Relationships and Related Transactions

On September 6, 2001, the Company acquired from National Discount Brokers Group, Inc. (NDB Group) all the outstanding stock of National Discount Brokers Corporation (NDB). Pursuant to the terms of the purchase agreement dated July 30, 2001, between the Company and NDB Group (the Purchase Agreement), the Company paid aggregate consideration of \$154 million, consisting of 26,027,282 shares of its Common Stock issued to BT Investment Partners Inc., an affiliate of NDB Group and a subsidiary of

Table of Contents

Taunus Corporation (Taunus), a wholly owned subsidiary of Deutsche Bank AG, and \$20,000 in cash paid to NDB Group. Taunus, primarily through its ownership of BT Investment Partners Inc., currently owns approximately 5.3% of the Company s Common Stock.

The Company entered into certain agreements with affiliates of Taunus prior to Taunus becoming a beneficial owner of greater than 5% of the Company s Common Stock. In April 2001, the Company entered into an agreement with Deutsche Banc Alex. Brown Inc. (DB Alex. Brown), an affiliate of Taunus, to provide financial advisory and investment banking services. The Company paid a one-time retainer fee of \$150,000 to DB Alex. Brown. Under the agreement, the Company will pay additional fees if a merger with or acquisition of another company is completed, based on the amount of consideration paid, or if DB Alex. Brown renders a fairness opinion. In fiscal 2002, the Company paid fees of approximately \$6.7 million to DB Alex. Brown in connection with the Datek merger and \$0.5 million in connection with the acquisition of TradeCast Inc. In July 2001, the Company entered into an equity index swap arrangement with Deutsche Bank AG for the purpose of hedging the Company s obligation under its deferred compensation plan for its Chief Executive Officer. The Company paid interest and fees to Deutsche Bank AG of \$0.7 million related to this arrangement. The swap arrangement was assigned from Deutsche Bank AG to an unaffiliated counterparty in November 2001.

In October 2001, the Company entered into an agreement with NDB Group, which in part amended the Purchase Agreement, relating to the occupancy and surrender of certain premises by NDB. The agreement provided, among other things, that NDB Group would purchase from the Company certain furniture, fixtures and building equipment for a price of \$0.5 million. NDB Group completed the purchase in December 2001.

During fiscal 2002, the Company executed a portion of its clients securities transactions through subsidiaries of Taunus. Revenues earned by the Company related to such transactions totaled \$0.2 million.

On September 9, 2002, the Company s Board of Directors authorized a program to repurchase up to 40 million shares of Company Common Stock from time to time over a two-year period beginning September 19, 2002. The Company has utilized Deutsche Bank Securities Inc., an affiliate of Taunus, to implement the repurchase program. Through September 27, 2002, the Company repurchased approximately 1.2 million shares at a cost of approximately \$4.8 million, including commissions, through Deutsche Bank Securities Inc.

The Company believes that its transactions with affiliates of Taunus have been negotiated on an arms-length basis and have been entered into on terms no more or less favorable than those available in similar transactions with other unaffiliated third parties.

Gartner, Inc. provided professional consulting services to the Company under a two-year contract with an original term from October 2000 through October 2002. The Company renewed the contract for another two years in October 2002. The Company pays \$105,000 in professional fees to Gartner, Inc. annually under the contract. Michael D. Fleisher, a Director of the Company, is Chairman and Chief Executive Officer of Gartner, Inc. Glenn H. Hutchins and Stephen G. Pagliuca, Directors of the Company, are directors of Gartner, Inc.

Certain Directors and executive officers, and members of their immediate families, maintain margin trading accounts with the Company. Margin loans to these individuals were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

PROPOSAL 3

AMENDMENT TO THE COMPANY'S 1996 DIRECTORS INCENTIVE PLAN

Introduction

The stockholders are being requested to consider and approve an amendment and restatement of the Company's 1996 Directors Incentive Plan, as previously amended and restated, to increase the maximum aggregate number of shares of the Common Stock reserved for issuance under the Plan from 960,000 to 1,460,000.

The purposes of the Directors Plan are to attract and retain as non-employee Directors persons whose abilities, experience and judgment can contribute to the continued progress of the Company and its subsidiaries and to facilitate the Directors' ability to acquire a proprietary interest in the Company.

As of September 27, 2002, there were 139,455 shares available for future grants under the Directors Plan. The Board of Directors has proposed the amendments to the Directors Plan to ensure that a sufficient number of shares are available for future grants and awards under the Directors Plan.

At September 27, 2002, the closing sale price per share of Common Stock was \$3.90.

The material features of the Directors Plan are outlined below. This summary of the Directors Plan is qualified in its entirety by reference to the Directors Plan, a copy of which is attached as Appendix B.

Plan Provisions

The Directors Plan is administered by the Compensation Committee. Under the Directors Plan, non-employee Directors are granted various equity awards and may make elections with respect to the payment of their retainers and fees. Specifically, the Directors Plan provides that, upon a non-employee Director's election to the Board for his first term, the Director will receive (a) a stock option to purchase such number of shares of the Company's Common Stock as determined by the Chairman of the Board and approved by the Board and (b) an award of restricted stock, the fair market value of which is equal to approximately \$20,000 or such other amount determined by the Board from time to time. Non-employee Directors may also be awarded stock options other than upon their initial election to the Board as determined from time to time by the Board. Awards made pursuant to the Directors Plan will generally vest in substantially equal annual installments over a period of three years, beginning with the first anniversary of the grant date. Options granted under the Directors Plan are nonqualified stock options, which are not intended to be incentive stock options as that term is described in Section 422(b) of the Code. The exercise price of options granted under the Directors Plan may not be less than the fair market value of a share of the Company's Common Stock on the date of the grant of the option. The expiration date with respect to an award under the Directors Plan is the earlier of the ten-year anniversary of the date on which the award is granted or the one-year anniversary of the date on which the non-employee Director's service as a director of the Company terminates for cause. Options are not exercisable after the expiration date. Restricted stock that is not vested on the expiration date is forfeited.

Pursuant to the Directors Plan, non-employee Directors may elect whether to receive their retainers and other fees in cash or in shares of Common Stock and may elect to defer receipt of all or a portion of the retainer, meeting and Committee fees otherwise payable to the non-employee Director, including those amounts that would otherwise be payable to the non-employee Director in the form of Common Stock. Amounts deferred pursuant to a non-employee Director's election are credited to a bookkeeping account, which consists of a Cash Subaccount reflecting amounts that would otherwise have been payable to the non-employee Director in cash and a Stock Subaccount reflecting amounts that would otherwise have been payable to the non-employee Director in Common Stock. As of the first day of each fiscal quarter, the Cash Subaccount is adjusted to reflect contributions and distributions during the preceding fiscal quarter and is credited with interest computed at the prime rate as reported by the Wall Street Journal for that date (or, if that day is not a business day, the next preceding business day). The Stock Subaccount is credited with stock units as of each day that a deferred amount would otherwise have been payable to the non-employee Director

Table of Contents

in Common Stock, is charged with stock units as of each day on which amounts are distributed from the Stock Subaccount and is credited with stock units as of each record date to reflect dividends paid on the Common Stock. For purposes of the adjustments to the Stock Subaccount, one stock unit corresponds to one share of the Common Stock.

Deferred amounts are payable to non-employee Directors as of a distribution date elected by the non-employee Director at the time of the deferral. If no distribution date is specified, payments begin as of the first business day of January of the year following the date on which the non-employee Director ceases to be a Director of the Company for any reason. Distributions of deferred amounts can be made in ten annual installments commencing on the distribution date elected. A non-employee Director may also elect to have payments in a lump sum or in any number of annual payments not exceeding ten. If a non-employee Director dies prior to the full payment of his deferral account, the balance will be paid in a lump sum to a beneficiary designated by the non-employee Director. The Compensation Committee may also distribute the full balance of a non-employee Director's deferral account in a lump sum at any time.

Federal Income Tax Consequences

The following summary generally describes the federal income tax consequences to participants and the Company of options granted under the Directors Plan and is based on current laws and regulations. The summary is general in nature and is not intended to cover all tax consequences that could apply to a particular participant or the Company.

No federal taxable income is recognized by a Directors Plan participant upon the grant of a nonqualified stock option. A holder of a nonqualified option will, however, recognize ordinary income in the year in which the option is exercised in the amount by which the fair market value of the purchased shares on the date of exercise exceeds the option exercise price. Additionally, any appreciation in the value of the purchased shares after the date of exercise will be taxed as capital gains when such stock is ultimately sold. The Company is generally entitled to a deduction at the time such option is exercised equal in amount to the ordinary income recognized by the participant.

If the option exercise price under any nonqualified stock option is paid for by surrendering shares of Common Stock previously acquired, then the participant will recognize ordinary income on the exercise as described above (any shares acquired under the option in excess of the number of shares surrendered being treated as having been acquired without consideration), but will not recognize any taxable gain or loss on the difference between the participant's basis in the surrendered shares and their current fair market value. For federal income tax purposes, newly acquired shares equal to the number of shares surrendered will have the same basis and holding period as the surrendered shares. Any additional newly acquired shares will have a basis equal to their fair market value at exercise and their holding period will begin at the date of exercise as described above.

Interest of Certain Persons in Matters to be Acted Upon

Each of the non-employee Directors of the Company has a direct interest in the approval of the Directors Plan, which will make additional shares of Common Stock available to non-employee Directors.

The following table sets forth grants of options and stock awards made under the Directors Plan during the fiscal year ended September 27, 2002.

As a result of the Merger, Old Ameritrade became a subsidiary of a newly formed corporation, Ameritrade Holding Corporation (Ameritrade or the Company) effective as of September 9, 2002 (the Merger Closing Date) and as of the Merger Closing Date Ameritrade assumed the Plan, and all outstanding obligations under the Plan. The following provisions constitute the amended and restated Plan.

2. *Administration.*

2.1 *Administration By Committee.* The Plan shall be administered by the Compensation Committee (the Committee) of the Board of Directors of the Company (the Board). Notwithstanding the foregoing, no member of the Committee shall act with respect to the administration of the Plan except to the extent consistent with the exempt status of the Plan under Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (Rule 16b-3).

The determination of the Committee on matters within its authority shall be conclusive and binding on the Company and all other persons.

3. *Participation.* Only Non-Employee Directors shall be eligible to participate in the Plan. As of any applicable date, a Non-Employee Director is a person who is serving as a director of the Company and who is not an employee of the Company or any subsidiary of the Company as of that date.

Subject to the provisions of subsection 5.3, the number of shares of Stock which may be issued with respect to awards under the Plan or distributed pursuant to elections made in accordance with Section 9 or 10 of the Plan shall not exceed 1,460,000 shares in the aggregate.

5.2 *Reusage of Shares.*

5.3 *Adjustments to Shares Reserved.* In the event of any merger, consolidation, reorganization, recapitalization, spinoff, stock dividend, stock split, reverse stock split, exchange or other distribution with respect to shares of Stock or other change in the corporate structure or capitalization affecting the Stock, the type and number of shares of stock which are or may be subject to awards under the Plan and the terms of any outstanding awards (including the price at which shares of stock may be issued pursuant to an outstanding award) shall be equitably adjusted by the Committee, in its sole discretion, to preserve the value of benefits awarded or to be awarded to Non-Employee Directors under the Plan. In determining what adjustment, if any, is appropriate pursuant to the preceding sentence, the Committee may rely on the advice of such experts as they deem appropriate, including counsel, investment bankers and the accountants of the Company.

(b) At such times as the Board shall determine, each Non-Employee Director shall be awarded an Option to purchase that number of shares of Stock determined by the Board and approved by the members of the Board other than those receiving the grant of an Option pursuant to this paragraph (b). In determining the number of shares of Stock subject to an Option under this paragraph (b), the Board may take into account such objective or subjective factors as it determines appropriate.

6.3 *Option Price.* The price at which shares of Stock may be purchased upon the exercise of an Option (the Option Price) shall be not less than the greater of (i) the Fair Market Value of a share of Stock as of the date on which the Option is granted, or (ii) the par value of a share of Stock on such date.

6.4 *Exercise.* Except as otherwise provided in the Plan, each Option granted to a Non-Employee Director under this Section 6 shall become exercisable in substantially equal annual installments over a period of three years, beginning with the first anniversary of the date of grant and no Option shall be exercisable after the Expiration Date (as defined in Section 8). (a) On and after date that a Non-Employee Director has a fully earned and vested right to the shares comprising a Stock Award, and the shares have been distributed to the Non-Employee Director, the Non-Employee Director shall have all dividend rights (and other rights) of a stockholder with respect to such shares.

(b) Prior to the date that a Non-Employee Director has a fully earned and vested right to the shares comprising a Stock Award, the Committee, in its sole discretion, may award Dividend Rights (as defined below) with respect to such shares.

9.2 *Elections to Receive Stock.* Subject to the terms and conditions of the Plan, each Non-Employee Director may elect to forego receipt of all or any portion of the Eligible Cash Payments (as defined below) payable to him in any Award Year beginning after the date of his election and instead to receive whole shares of Stock of equivalent value to the Eligible Cash Payments so foregone (determined in accordance with subsection 9.4). An election under this subsection 9.2 to have Eligible Cash Payments paid in shares of Stock shall be valid only if it is in writing, signed by the Non-Employee Director, and filed with the Committee in accordance with uniform and nondiscriminatory rules adopted by the Committee, including, but not limited to, rules required to cause the receipt of Stock pursuant to any such election to be exempt under Rule 16b-3. For purposes of the Plan, the term Eligible Cash Payments means the Cash Retainer and meeting fees and committee fees that would otherwise be payable to the Non-Employee Director by the Company in cash as established, from time to time, by the Board or any committee thereof. Notwithstanding the foregoing, in no event shall any Eligible Cash Payments for the 2003 Award Year be payable prior to October 11, 2002.

9.3 *Revocation of Election to Receive Stock.* Once effective, an election pursuant to subsection 9.2 to receive Stock shall remain in effect for successive Award Years until it is revised or revoked. Any such revision or revocation shall be in writing, signed by the Non-Employee Director, shall be effective for the Award Year next following the date on which it is received by the Committee, or such later date specified in such notice, and shall be filed with the Committee in accordance with uniform and nondiscriminatory rules established by the Committee, including, but not limited to, rules required to cause the receipt of Stock (or the receipt of cash in lieu of Stock as previously elected) to be exempt under Rule 16b-3.

9.4 *Equivalent Amount of Stock.* The number of whole shares of Stock to be distributed to any Non-Employee Director by reason of his election pursuant to subsection 9.2 to receive Stock in lieu of Eligible Cash Payments shall be equal to (rounded to the nearest whole number of shares):

(a) the amount of the Eligible Cash Payments which the Non-Employee Director has elected to have paid to him in shares of Stock;

DIVIDED BY

(b) the Fair Market Value of a share of Stock as of the date on which such Eligible Cash Payments would otherwise have been payable to the Non-Employee Director; provided, however, that in the case of Eligible Cash Payments which were payable (i) for the 2003 Award Year to individuals who were Non-

Employee Directors as of the first day of the 2003 Award Year and (ii) on or prior to October 11, 2002, Fair Market Value under this paragraph (b) shall be determined as of October 1, 2002.

10. *Deferred Compensation.*

10.1 *Deferral of Compensation.* Subject to the terms and conditions of the Plan, each Non-Employee Director, by filing a written Deferral Election with the Committee in accordance with uniform and nondiscriminatory rules adopted by the Committee, may elect to defer the receipt of all or any portion of the Eligible Deferral Amounts (as defined below) otherwise payable to him on or after the Effective Date until a future date (the Distribution Date) specified by the Non-Employee Director in his Deferral Election as of which payment of his Deferred Compensation Account (as defined in subsection 10.2) shall commence in accordance with subsection 10.3. If no Distribution Date is specified in a Non-Employee Director's Deferral Election, the Distribution Date shall be deemed to be the first business day in January of the year following the date on which the Non-Employee Director ceases to be a director of the Company for any reason. A Non-Employee Director's Deferral Election shall be effective with respect to Eligible Deferral Amounts otherwise payable to him for services rendered after the last day of the fiscal year in which such election is filed with the Committee; provided, however, that:

(a) a Deferral Election which is filed within 30 days of the date on which a director first becomes a Non-Employee Director shall be effective with respect to all Eligible Deferral Amounts otherwise payable to him for periods after the date on which the Deferral Election is filed; and

(b) by notice filed with the Committee in accordance with uniform and nondiscriminatory rules established by it, a director may terminate or modify any Deferral Election as to Eligible Deferral Amounts payable for services rendered after the last day of the fiscal year in which such notice is filed with the Committee; provided, however, that no modification may be made to the Distribution Date unless the Non-Employee Director shall file such notice with the Committee at least six months prior thereto.

Notwithstanding the provisions of paragraph (b) next above, the Committee may, in its sole discretion, after considering all of the pertinent facts and circumstances, approve a change to the Distribution Date which is requested by a Non-Employee Director less than six months prior thereto. For purposes of the Plan, the term Eligible Deferral Amounts shall mean the Retainer (including both the Cash Retainer and the Stock Retainer) and meeting fees and committee fees that would otherwise be payable to the Non-Employee Director by the Company, all as established from time to time by the Board or any committee thereof.

10.2 *Crediting and Adjustment of Deferred Amounts.* The amount of any Eligible Deferral Amounts deferred pursuant to a Non-Employee Director's Deferral Election in accordance with subsection 10.1 (Deferred Compensation) shall be credited to a bookkeeping account maintained by the Company in the name of the Non-Employee Director (the Deferred Compensation Account), which account shall consist of two subaccounts, one known as the Cash Subaccount and the other as the Company Stock Subaccount. Any portion of the Stock Retainer and any Eligible Cash Payments that the Non-Employee Director has elected to receive in Stock pursuant to subsection 9.2 and, in each case, with respect to which the Non-Employee Director has made a Deferral Election pursuant to subsection 10.1 shall be credited to his Company Stock Subaccount. Any other Deferred Compensation shall be credited to his Cash Subaccount. A Non-Employee Director's Deferred Compensation Account shall be adjusted as follows:

(a) As of the first day of each fiscal quarter occurring after the Effective Date (which dates are referred to herein as Accounting Dates), the Non-Employee Director's Cash Subaccount shall be adjusted as follows:

(i) first, the amount of any distributions from the Cash Subaccount made since the last preceding Accounting Date shall be charged to the Cash Subaccount;

(ii) next, the balance of the Cash Subaccount after adjustment in accordance with subparagraph (i) above shall be credited with interest since the last preceding Accounting Date computed at

the prime rate as reported by The Wall Street Journal for such date, or if such date is not a business day, for the next preceding business day; and

(iii) finally, after adjustment in accordance with the foregoing provisions of this subsection 10.2, the Cash Subaccount shall be credited with the Deferred Compensation otherwise payable to the Non-Employee Director since the last preceding Accounting Date which is to be credited to the Cash Subaccount.

(b) The Non-Employee Director's Company Stock Subaccount shall be adjusted as follows:

(i) as of any date on or after the Effective Date on which Eligible Deferral Amounts would have been payable to the Non-Employee Director in Stock but for his or her Deferral Election, the Non-Employee Director's Company Stock Subaccount shall be credited with that number of stock units (Stock Units) equal to the number of shares of Stock to which he would have been entitled as of the applicable date;

(ii) as of the date on which shares of Stock are distributed to the Non-Employee Director in accordance with subsection 10.3 below, the Company Stock Subaccount shall be charged with an equal number of Stock Units; and

(iii) as of the record date for any dividend paid on Stock, the Company Stock Subaccount shall be credited with that number of additional Stock Units which is equal to the number obtained by multiplying the number of Stock Units then credited to the Company Stock Subaccount by the amount of the cash dividend or the fair market value (as determined by the Board of Directors) of any dividend in kind payable on a share of Stock, and dividing that product by the then Fair Market Value of a share of Stock.

In the event of any merger, consolidation, reorganization, recapitalization, spinoff, stock split, reverse stock split, rights offering, exchange or other change in the corporate structure or capitalization of the Company affecting the Stock, each Non-Employee Director's Company Stock Subaccount shall be equitably adjusted in such manner consistent with subsection 5.3.

10.3 *Payment of Deferred Compensation Account.* Except as otherwise provided in this subsection 10.3 or subsection 10.4, the balances credited to a Non-Employee Director's Deferred Compensation Account shall each be payable to the Non-Employee Director in 10 annual installments commencing as of the Distribution Date and continuing on each annual anniversary thereof. Notwithstanding the foregoing, a Non-Employee Director may elect, by filing a notice with the Committee at least six months prior to the Distribution Date, to change the number of payments to a single payment or to any number of annual payments not in excess of ten. Each such payment shall include a cash portion, if applicable, and a Stock portion, if applicable, as follows:

(a) The cash portion to be paid as of the Distribution Date or any anniversary thereof and charged to the Cash Subaccount shall be equal to the balance of the Cash Subaccount multiplied by a fraction, the numerator of which is one and the denominator of which is the number of remaining payments to be made, including such payment.

(b) The Stock portion to be paid as of the Distribution Date or any anniversary thereof and charged to the Company Stock Subaccount shall be distributed in whole shares of Stock, the number of shares of which shall be determined by rounding to the next highest integer the product obtained by multiplying the number of Stock Units then credited to the Non-Employee Director's Company Stock Subaccount by a fraction, the numerator of which is one and the denominator of which is the number of remaining payments to be made, including such payment.

Notwithstanding the foregoing, the Committee, in its sole discretion, may distribute all balances in any Deferred Compensation Account to a Non-Employee Director (or former Non-Employee Director) in a lump sum as of any date.

10.4 *Payments in the Event of Death.* If a Non-Employee Director dies before payment of his Deferred Compensation Account commences, all amounts then credited to his Deferred Compensation Account shall be distributed to his Beneficiary (as described below), as soon as practicable after his death, in a lump sum. If a Non-Employee Director dies after payment of his Deferred Compensation Account has commenced but before the entire balance of such account has been distributed, the remaining balance thereof shall be distributed to his Beneficiary, as soon as practicable after his death, in a lump sum. Any amounts in the Cash Subaccount shall be distributed in cash and any amounts in the Stock Subaccount shall be distributed in whole shares of Stock determined in accordance with paragraph 10.3(b). For purposes of the Plan, the Non-Employee Director's Beneficiary is the person or persons the Non-Employee Director designates, which designation shall be in writing, signed by the Non-Employee Director and filed with the Committee prior to the Non-Employee Director's death. A Beneficiary designation shall be effective when filed with the Committee in accordance with the preceding sentence. If more than one Beneficiary has been designated, the balance in the Non-Employee Director's Deferred Compensation Account shall be distributed to each such Beneficiary per capita. In the absence of a Beneficiary designation or if no Beneficiary survives the Non-Employee Director, the Beneficiary shall be the Non-Employee Director's estate.

11. *Replacement Awards.* Each holder of an award related to the common stock of Old Ameritrade which was granted pursuant to the Plan prior to the Merger Closing Date and which was outstanding as of the Merger Closing Date after giving effect to the transactions contemplated by the Merger (the Existing Awards), will, as of the Merger Closing Date, be automatically granted a Replacement Award under the Plan and the Existing Awards shall be cancelled in exchange for the Replacement Awards. The number of shares of Stock and, if applicable, the Option Price per share of Stock, subject to a Replacement Award shall be equal to the same number of shares of common stock of Old Ameritrade and, if applicable, the same Option Price per share, subject to corresponding Existing Award. Except as provided in the preceding sentence, the Replacement Awards granted pursuant to this Section 11 shall be subject to the same terms and conditions as the corresponding Existing Awards.

12. *Miscellaneous.*

12.1 *Duration.* The Plan shall be unlimited in duration and, in the event of Plan termination, shall remain in effect as long as any awards under it are outstanding.

12.2 *Withholding Payments.* To the extent that any Non-Employee Director would incur an obligation for Nebraska state income taxes on account of an award or payment to him under the Plan or the exercise of any award under the Plan (referred to as the Withholding Obligation), the Company, in its sole discretion, may make a cash payment to such Non-Employee Director in an amount such that, after payment of all federal, state or local taxes on such cash payment, the Non-Employee Director retains a cash payment equal to the Withholding Obligation.

12.3 *Limit on Distribution.* Distribution of shares of Stock or other amounts under the Plan shall be subject to the following:

(a) Notwithstanding any other provision of the Plan, the Company shall have no liability to deliver any shares of Stock under the Plan or make any other distribution of benefits under the Plan unless such delivery or distribution would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity.

(b) To the extent that the Plan provides for issuance of certificates to reflect the transfer of shares of Stock, the transfer of such shares may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

12.4 *Transferability.* Awards under the Plan are not transferable except as designated by a Non-Employee Director by will or by the laws of descent and distribution. To the extent that the Non-Employee Director who receives an award under the Plan has the right to exercise such award, the award may be exercised during the lifetime of the Non-Employee Director only by the Non-Employee Director.

12.5 *Notices.* Any notice or document required to be filed with the Committee under the Plan will be properly filed if delivered or mailed by registered mail, postage prepaid, to the Committee, in care of the Company, at its principal executive offices. The Committee may, by advance written notice to affected persons, revise such notice procedure from time to time. Any notice required under the Plan (other than a notice of election) may be waived by the person entitled to notice.

12.6 *Form and Time of Elections.* Unless otherwise specified herein, each election required or permitted to be made by any Non-Employee Director or other person entitled to benefits under the Plan, and any permitted modification or revocation thereof, shall be in writing filed with the Committee at such times, in such form, and subject to such restrictions and limitations, not inconsistent with the terms of the Plan, as the Committee shall require. Any notice required under the Plan may be waived by the person entitled thereto.

12.7 *Agreement With the Company.* At the time of an award to a Non-Employee Director under the Plan, the Committee may require a Non-Employee Director to enter into an agreement with the Company in a form specified by the Committee, agreeing to the terms and conditions of the Plan and to such additional terms and conditions, not inconsistent with the Plan, as the Committee may, in its sole discretion, prescribe.

12.8 *Limitation of Implied Rights.*

(a) Neither a Non-Employee Director nor any other person shall, by reason of the Plan, acquire any right in or title to any assets, funds or property of the Company whatsoever, including, without limitation, any specific funds, assets, or other property which the Company, in its sole discretion, may set aside in anticipation of a liability under the Plan. A Non-Employee Director shall have only a contractual right to the amounts, if any, payable under the Plan, unsecured by any assets of the Company. Nothing contained in the Plan shall constitute a guarantee by the Company that the assets of such companies shall be sufficient to pay any benefits to any person.

(b) The Plan does not constitute a contract of continued service, and participation in the Plan shall not give any Non-Employee Director the right to be retained as a director of the Company, nor any right or claim to any benefit under the Plan, unless such right or claim has specifically accrued under the terms of the Plan. Except as otherwise provided in the Plan, no award under the Plan shall confer upon the holder thereof any right as a shareholder of the Company prior to the date on which he fulfills all service requirements and other conditions for receipt of such rights.

12.9 *Evidence.* Evidence required of anyone under the Plan may be by certificate, affidavit, document or other information which the person acting on it considers pertinent and reliable, and signed, made or presented by the proper party or parties.

12.10 *Gender and Number.* Where the context admits, words in one gender shall include the other gender, words in the singular shall include the plural and the plural shall include the singular.

12.11 *Source of Payments.* The provisions of Sections 9 and 10 constitute only unfunded, unsecured promises of the Company to make payments to directors (or other persons) in the future in accordance with the terms of the Plan.

12.12 *Nonassignment.* Neither a director's nor any other person's rights to payments under the Plan are subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment by creditors of the director.

13. *Amendment and Termination.*

The Board may, at any time, amend or terminate the Plan, provided that, subject to subsection 5.3 (relating to certain adjustments to shares) and subsection 10.3 (relating to lump sum payments of amounts held in a Non-Employee Director's Deferred Compensation Account), no amendment or termination may, without the consent of the Non-Employee Director or beneficiary, if applicable, materially adversely affect the rights of any Non-Employee Director or beneficiary under any award made under the Plan or rights already accrued hereunder prior to the date such amendment is adopted by the Board.

14. *Change in Control.* Notwithstanding any provision in the Plan to the contrary, upon a Change in Control, all outstanding Options will become fully exercisable and all outstanding Stock Awards shall become fully vested. For purposes of the Plan, the term *Change in Control* means a change the beneficial ownership of the Company's voting stock or a change in the composition of the Board which occurs as follows:

(a) Any person (as such term is used in Section 13(d) and 14(d)(2) of the Securities Exchange Act of 1934, as amended (the *Exchange Act*)) is or becomes a beneficial owner, directly or indirectly, of stock of the Company representing 30 percent or more of the total voting power of the Company's then outstanding stock.

(b) A tender offer (for which a filing has been made with the Securities Exchange Commission (*SEC*) which purports to comply with the requirements of Section 14(d) of the Exchange Act and the corresponding SEC rules) is made for the stock of the Company, which has not been negotiated and approved by the Board. In case of a tender offer described in this paragraph (b), the Change in Control will be deemed to have occurred upon the first to occur of (i) any time during the offer when the person (using the definition in (a) above) making the offer owns or has accepted for payment stock of the Company with 25 percent or more of the total voting power of the Company's stock, or (ii) three business days before the offer is to terminate unless the offer is withdrawn first, if the person making the offer could own, by the terms of the offer plus any shares owned by this person, stock with 50 percent or more of the total voting power of the Company's stock when the offer terminates.

(c) Individuals who were the Board's nominees for election as directors of the Company immediately prior to a meeting of the shareholders of the Company involving a contest for the election of directors shall not constitute a majority of the Board following the election.
