Factors that may cause our actual results to differ materially from those contemplated by these forward-looking statements include, among others, the following possibilities: (a) general economic conditions and other factors, including prevailing interest rate levels and stock market performance, which may affect our ability to sell our products, the market value of our investments and the lapse rate and profitability of our policies; (b) our ability to achieve anticipated levels of operational efficiencies and cost-saving initiatives and to meet cash requirements based upon projected liquidity sources; (c) customer response to new products, distribution channels and marketing initiatives; (d) mortality, morbidity, and other factors which may affect the profitability of our insurance products; (e) our ability to develop and maintain effective risk management policies and procedures and to maintain adequate reserves for future policy benefits and claims; (f) changes in the federal income tax laws and regulations which may affect the relative tax advantages of some of our products; (g) increasing competition in the sale of insurance and annuities and the recruitment of sales representatives; (h) regulatory changes or actions, including those relating to regulation of insurance products and of insurance companies; (i) our ratings and those of our subsidiaries by independent rating organizations which we believe are particularly important to the sale of our products; (j) the performance of our investment portfolios; (k) the impact of changes in standards of accounting for derivatives and business combinations, goodwill and other intangibles and purchase accounting adjustments; (l) our ability to integrate the business and operations of acquired entities; (m) expected life and annuity product margins; (n) the impact of investment transactions; and (o) unanticipated litigation or regulatory investigations.

**DESCRIPTION OF THE PLAN**

**Issuer; Duration**

We are the issuer of the securities being offered under the Plan, which are units equal in value to the fair market value of a share of our company stock on the day a unit is cashed out ( Stock Units ) Stock Units. The Plan became effective on January 1, 2002 and will continue until terminated by the Committee described below.

**Purpose of the Plan**

The plan is called the AmerUs Group Co. Chairman s Bonus Plan (the Plan ). The purpose of the Plan is to compensate and reward certain agents of AmerUs insurer-subidiaries ( Insurers ) by rewarding agents for meeting certain sales thresholds and by tying such rewards to the performance of the Company s common stock.

**Administration**

The Chief Executive Officer of AmerUs will appoint a committee of between three and five employees of AmerUs and/or its Insurers to administer the Plan ( Committee ). The Chief Executive Officer may change the composition of the Committee at any time. The Committee has the power to grant participants Stock Units according to the Plan. The Committee may also interpret the Plan and take such steps as are reasonably necessary to appropriately administer the Plan. Any decision made by the Committee regarding the Plan will be final. No Committee member will be liable to any person for any action or omission made in conjunction with the administration of the Plan.

**Securities Subject to the Plan; Adjustments**

The Plan covers 75,000 Stock Units, subject to adjustment as described immediately below. Under the Plan, the Committee may award participants Stock Units that, following vesting, will be exchanged for a cash payment equal to the fair market value of a corresponding number of shares of AmerUs common stock. Participants are not required to pay for awards granted under the Plan.

If there is a change in the number of outstanding shares of AmerUs common stock (because of a stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares), the Committee will adjust the number of Stock Units issued to each participant to the extent necessary to reflect the change.

**Plan Eligibility**

Agents of the Insurers who sign certain agency contracts with the Insurer become eligible to receive Stock Units under the Plan. Each Insurer may publish a yearly addendum to the Plan (the Base Year Supplement ) establishing criteria by which awards are made. The Base Year Supplement, which may vary from Insurer to Insurer and year to year, sets forth the minimum sales threshold an agent must meet during the year to receive an award under the Plan. The Base Year Supplement will specify, for each type of agent contract included, which products are included for purposes of meeting the minimum sales threshold. An Insurer may choose not to award new grants for a given year by not publishing a Base Year Supplement.

**Grant of Awards**

As of February 15 of the year after the year as to which the Base Year Supplement is published, the Committee will determine which agents have met the minimum sales threshold established for such year. Each qualifying agent will receive a number of unvested Stock Units equal to i) the agent s actual qualifying sales multiplied by a bonus rate set forth in the Base Year Supplement, divided by ii) the fair market value of a share of Company stock on that day. Within thirty (30) days of determining the awards, the Committee will notify each qualifying agent of his or her award.

## **Table of Contents**

### **Vesting**

Each Base Year Supplement sets forth the number of years (at least three) over which the Stock Units awarded will vest. An agent must meet the minimum sales threshold set forth in the Base Year Supplement for each year during the vesting period in order for the full award to vest. If an agent does not meet the minimum performance threshold in one or more of the years during the vesting period, that portion of the award will not vest. For example, if the vesting period is three years and the agent meets the performance threshold in years one and three, but not year two, 1/3 of the Stock Units will vest in year one, 1/3 of the Stock Units will be forfeited in year two and 1/3 of the Stock Units will vest in year three.

Upon a participant's death, any of the participant's unvested Stock Units will vest. If a participant becomes disabled for fewer than five (5) years, vesting will be suspended during the time he or she is disabled. When the participant ceases to be disabled, vesting will resume. A disabled participant's award will not vest during the year he or she becomes disabled or the year the disability ends unless he or she meets the minimum sales threshold for those years. If a participant is disabled for longer than five (5) years, he or she will forfeit any unvested Stock Units.

### **Certain Forfeitures of Stock Units**

If a participant's agency contract is terminated for cause, the participant forfeits all vested and unvested Stock Units.

### **Cashing Out Stock Units**

A participant may cash out all or part of his or her vested Stock Units any time after the last vesting year for the given award by providing AmerUs written notice. Within thirty (30) days of receiving written notice, the Committee will pay the participant, for each stock unit cashed out, cash equal to the fair market value of a share of AmerUs common stock on the day the Committee received the notice. The Committee will cash out any remaining vested Stock Units in a lump sum on the fifth (5th) anniversary of the final vesting date of the Stock Units.

In the event a participant dies, the Committee will promptly cash out all the participant's Stock Units following the Committee's receipt of the death notice. The cash out amount will be calculated using the fair market value as of the day of the participant's death or the next business day. The Committee will pay the cash out amount to the participant's designated beneficiary or to the participant's estate if the participant did not designate a beneficiary.

If a participant's agency contract is terminated without cause prior to the final vesting date for any Stock Units granted, the Committee will cash out, as of the final vesting date, any Stock Units that were vested as of termination of the contract. If a participant's agency contract is terminated without cause after the final vesting date, the Committee will cash out any vested Stock Units as of the day of termination of the contract.

The Committee may cash out any participant's vested Stock Units at any time or it may defer cashing out any Stock Unit unless AmerUs is indemnified against liability for any tax. In addition, the Committee may offset any cash out amount against amounts owed by the participant to one or more Insurers.

### **Deferred Compensation**

A participant may defer the receipt of any cash out amount under the terms of the Insurer's Deferred Compensation Plan, if available.

### **Exercise of Awards by Non-participants**

While the participant is alive, vested Stock Units may only be cashed out by the participant or the Committee. A participant may transfer his or her vested Stock Units only by will or intestacy.

## **Table of Contents**

### **Change of Control**

The Base Year Supplement may contain provisions regarding the vesting of Stock Units in the event of a Change of Control (as defined immediately below). If the Base Year Supplement is otherwise silent, all unvested Stock Units will vest upon such Change of Control and will be cashed out at the fair market value on the day before the Change of Control.

For purposes of this Plan, a Change of Control means any of the following events: (a) any person becomes the beneficial owner of more than twenty-five percent (25%) of the stock or voting securities of AmerUs; (b) the individuals who, prior to a merger, reorganization or consolidation constituted the board of directors of the Company cease to constitute at least a majority thereof, unless the election of each director of AmerUs was approved by a vote of at least two-thirds of the directors prior to the merger, reorganization or consolidation; or (c) consummation by AmerUs of either: (i) a merger, reorganization, consolidation, or similar transaction in which the former beneficial owners of the outstanding stock and voting securities of AmerUs do not beneficially own, immediately after such merger, directly or indirectly, more than sixty percent (60%) of the stock and combined voting power, or (ii) a plan of liquidation or agreement for the sale or other disposition of all or substantially all of the assets of AmerUs.

### **Amendments and Termination**

AmerUs may amend, alter or terminate the Plan at any time. No amendment or alteration may impair a participant's interest in vested or unvested Stock Units or any grant which may be made in respect of the year in which the termination occurs, without the participant's consent. If the plan terminates or one or more Insurers discontinue grants under the Plan, the Committee will publish the minimum sales threshold for the remaining vesting years for granted but unvested Stock Units. If the Committee does not publish a new threshold, the most recent production threshold prior to the termination will be continued.

### **Unfunded Status of the Plan**

The Plan is an unfunded plan for incentive and deferred compensation. Participants have no greater rights in the Plan than AmerUs' general creditors. The Committee may authorize the creation of trusts or other arrangements to meet the Plan obligations regarding awards granted under the Plan.

### **Resale Restrictions**

Participants may not transfer vested or unvested Stock Units, except that a participant may provide for distribution of vested Stock Units to a beneficiary or his or her estate upon his or her death.

### **Miscellaneous**

No Stock Unit certificates will be issued under the Plan. AmerUs will maintain accounting records of each participant's vested and unvested interests in the Plan. The Committee's decision regarding any dispute regarding the records will be final. On the reasonable request of a participant, AmerUs will provide a participant with a report on the status of his or her account.

### **Additional Information about the Plan**

Requests for additional information regarding the Plan should be directed to: AmerUs Group Co., 699 Walnut Street, Des Moines, Iowa 50309-3948, telephone number (515) 362-3600, Attention: Douglas K. Owens.

**Table of Contents**

**TAX CONSIDERATIONS**

A grant of Stock Units has no federal income tax consequences at the time of such grant. Upon the cash out of Stock Units, the amount of any cash received is taxable as ordinary income, and AmerUs will be entitled to a corresponding deduction. AmerUs may withhold from a participant's vested interest in any Stock Units any withholding or other tax required by law to be withheld or paid by AmerUs with respect to such Stock Units.

The Plan is not qualified under Section 401(a) of the Internal Revenue Code and is not subject to any provisions of the Employee Retirement Income Security Act of 1974, as amended.

**USE OF PROCEEDS**

We will not receive any proceeds from the recipients of the Stock Units for either the grants thereof or from any future exercise of the Stock Units.

**PLAN OF DISTRIBUTION**

Stock Units will be granted directly by us to certain agents of our insurer-subidiaries pursuant to the Plan. A copy of this prospectus will be delivered by us to agents of our insurer-subidiaries prior to their receipt of a grant of Stock Units.

**LEGAL MATTERS**

Certain legal matters in connection with the Stock Units offered under this prospectus will be passed upon for us by Joseph K. Haggerty, Esq., Senior Vice President and General Counsel of AmerUs. **ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.**

Section 490.202 of the Iowa Business Corporation Act, or the IBCA, provides that a corporation's articles of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its shareholders for monetary damages for any action taken, or failure to take action, as a director, provided that the provision does not eliminate or limit the liability of a director for the amount of a financial benefit received by a director to which the director is not entitled; an intentional infliction of harm on the corporation or the shareholder; violation of Section 490.833; or an intentional violation of criminal law. Further, Section 490.851 of the IBCA provides that a corporation may indemnify its directors party to a proceeding against liability incurred in the proceeding by reason of such person serving in the capacity of director, if such person has acted in good faith and in a manner reasonably believed by the individual to be in the best interests of the corporation, if the director was acting in an official capacity and in all other cases was not opposed to the best interests of the corporation, and in any criminal proceeding if such person had no reasonable cause to believe the individual's conduct was unlawful or the director engaged in conduct for which broader indemnification has been made permissible or obligatory under a provision of the articles of incorporation.

The indemnity provisions under Section 490.851 do not apply (i) in the case of actions brought by or in the right of the corporation except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct under Subsection 1 of Section 490.851; or (ii) in connection with any proceedings with respect to conduct for which the director was adjudged liable on the basis that the director received a financial benefit to which the director was not entitled, whether or not involving action in the director's official capacity. In addition, Section 490.852 of the IBCA provides mandatory indemnification of reasonable expenses incurred by a director who successfully defends any action in which the director was a party because the director is or was a

**Table of Contents**

director of the corporation. A director who is a party to a proceeding because the person is a director may also apply for court-ordered indemnification and advance of expenses under Section 490.854.

Under Section 490.856, a corporation may indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because the person is an officer to the same extent as to a director. If the person is an officer but not a director, further indemnification may be provided by the articles of incorporation, the bylaws, a resolution of the board of directors, or contract, except for liability in connection with a proceeding by or in the right of the corporation other than for reasonable expenses incurred in connection with the proceeding or for, liability arising out of conduct that constitutes receipt by the officer of a financial benefit to which the officer is not entitled; an intentional infliction of harm on the corporation or the shareholders; or an intentional violation of criminal law. Such indemnification is also available to an officer who is also a director if the basis on which the officer is made a party to a proceeding is an act or omission solely as an officer.

An officer of a corporation who is not a director is entitled to mandatory indemnification under Section 490.852, and may apply to a court under Section 490.854 for indemnification or an advance for expenses, in each case to the same extent to which a director may be entitled to indemnification or advance for expenses under those provisions.

The Registrant's Articles of Incorporation provide that no director of the Registrant will be liable to the Registrant or its shareholders for monetary damages for any breach of fiduciary duty as a director, except to the extent required by the IBCA. This provision will not prevent shareholders from obtaining injunctive or other equitable relief against directors nor will it shield directors from liability under Federal or state securities laws. In addition, the Articles of Incorporation provide that the Registrant will to the maximum extent permitted by law, indemnify a person who incurs any loss by reason of the fact that he or she is or was or has agreed to be a director or officer of the Registrant or while a director or officer of the Registrant is or was serving at the request of the Registrant as a director, officer, partner, trustee, employee or agent of any corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, subject to such person having met the standards of conduct required for such indemnification under Iowa law.

The Registrant's Bylaws provide that the Registrant shall indemnify and advance expenses to any person who was or is a party to or is threatened to be made a party to any threatened, pending or completed claim, action, suit or proceeding, whether civil, criminal, administrative or investigative (including a grand jury proceeding) and whether formal or informal, by reason of the fact that such person (i) is or was a director or officer of the Registrant or any of its subsidiaries, whether before or after the conversion of the Registrant from a mutual insurance holding company to a stock company, or (ii) while a director or officer of the Registrant or any of its subsidiaries, whether before or after the conversion of the Registrant from a mutual insurance holding company, is or was serving at the request of the Registrant as a director, officer, employee, agent, partner or trustee (or in a similar capacity) of another corporation, partnership, joint venture, trust, other enterprise, or employee benefit plan, to the maximum extent it is permitted to do so by the IBCA. An amendment to the IBCA will be adopted and applied only to the extent that such amendment permits the Registrant to provide broader indemnification than previously permitted prior to such amendment. The Bylaws provide for indemnification of such person against reasonable expenses (including attorneys' fees), judgments, fines, penalties, including an excise tax assessed with respect to an employee benefit plan, and amounts paid in settlement actually and reasonably incurred by such person in connection with such claim, action, suit or proceeding or any appeal thereof. However, entitlement to such indemnification is conditional upon the Registrant being afforded the opportunity to participate directly on behalf of such person in

such claim, action, suit or proceeding or any related settlement discussions. Entitlement to indemnification with respect to any settlement or other nonadjudicated disposition is further conditional upon the prior approval by the Registrant of the proposed settlement or nonadjudicated disposition. Such approval shall be made (a) by the Board of Directors by majority vote of a quorum consisting of directors not at the time parties to the claim, action, suit or proceeding, or (b) by special legal counsel selected by the Board of Directors by majority vote of a quorum consisting of directors not at the time parties to the claim, action, suit, or proceeding, or, if the requisite quorum of the full board cannot be obtained therefor, by a majority vote of the full board, in which selection of counsel directors who are parties may participate. The Bylaws also provide that the Registrant shall indemnify a person for costs and expenses incurred in connection with successfully establishing in any action or proceeding his or her right to indemnification by the Registrant. Except as limited by the IBCA, the indemnification and advancement of expenses provisions of the Bylaws are not exclusive of any other rights to which a person seeking indemnification or advancement of expenses may be entitled under any other bylaw, agreement, vote of shareholders or disinterested directors, law or otherwise.

As permitted by and in accordance with Section 490.857 of the IBCA, the Registrant maintains a directors and officers liability insurance policy to insure against losses arising from claims made against its directors and officers, subject to the limitations and conditions as set forth in the policies. In addition, the Registrant has entered into indemnification agreements with its directors and certain of its executive officers providing for the indemnification of such persons as permitted by its Articles of Incorporation and Iowa law.

**ITEM 17. UNDERTAKINGS.**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the registration statement.

**Table of Contents**

Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from the registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
