DESCRIPTION OF THE PLAN

Issuer; Duration

We are the issuer of the securities being offered under the Plan, which are units equal in value to the fair market value of a share of our company stock on the day a unit is cashed out (Stock Units) Stock Units. The Plan became effective on January 1, 2002 and will continue until terminated by the Committee described below.

Purpose of the Plan

The plan is called the AmerUs Group Co. Chairman s Bonus Plan (the Plan). The purpose of the Plan is to compensate and reward certain agents of AmerUs insurer-subsidaries (Insurers) by rewarding agents for meeting certain sales thresholds and by tying such rewards to the performance of the Company s common stock.

Administration

The Chief Executive Officer of AmerUs will appoint a committee of between three and five employees of AmerUs and/or its Insurers to administer the Plan (Committee). The Chief Executive Officer may change the composition of the Committee at any time. The Committee has the power to grant participants Stock Units according to the Plan. The Committee may also interpret the Plan and take such steps as are reasonably necessary to appropriately administer the Plan. Any decision made by the Committee regarding the Plan will be final. No Committee member will be liable to any person for any action or omission made in conjunction with the administration of the Plan.

Securities Subject to the Plan; Adjustments

The Plan covers 75,000 Stock Units, subject to adjustment as described immediately below. Under the Plan, the Committee may award participants Stock Units that, following vesting, will be exchanged for a cash payment equal to the fair market value of a corresponding number of shares of AmerUs common stock. Participants are not required to pay for awards granted under the Plan.

If there is a change in the number of outstanding shares of AmerUs common stock (because of a stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares), the Committee will adjust the number of Stock Units issued to each participant to the extent necessary to reflect the change.

Plan Eligibility

Agents of the Insurers who sign certain agency contracts with the Insurer become eligible to receive Stock Units under the Plan. Each Insurer may publish a yearly addendum to the Plan (the Base Year Supplement) establishing criteria by which awards are made. The Base Year Supplement, which may vary from Insurer to Insurer and year to year, sets forth the minimum sales threshold an agent must meet during the year to receive an award under the Plan. The Base Year Supplement will specify, for each type of agent contract included, which products are included for purposes of meeting the minimum sales threshold. An Insurer may choose not to award new grants for a given year by not publishing a Base Year Supplement.

Grant of Awards

As of February 15 of the year after the year as to which the Base Year Supplement is published, the Committee will determine which agents have met the minimum sales threshold established for such year. Each qualifying agent will receive a number of unvested Stock Units equal to i) the agent s actual qualifying sales multiplied by a bonus rate set forth in the Base Year Supplement, divided by ii) the fair market value of a share of Company stock on that day. Within thirty (30) days of determining the awards, the Committee will notify each qualifying agent of his or her award.

Vesting

Each Base Year Supplement sets forth the number of years (at least three) over which the Stock Units awarded will vest. An agent must meet the minimum sales threshold set forth in the Base Year Supplement for each year during the vesting period in order for the full award to vest. If an agent does not meet the minimum performance threshold in one or more of the years during the vesting period, that portion of the award will not vest. For example, if the vesting period is three years and the agent meets the performance threshold in years one and three, but not year two, 1/3 of the Stock Units will vest in year one, 1/3 of the Stock Units will be forfeited in year two and 1/3 of the Stock Units will vest in year three.

Upon a participant's death, any of the participant's unvested Stock Units will vest. If a participant becomes disabled for fewer than five (5) years, vesting will be suspended during the time he or she is disabled. When the participant ceases to be disabled, vesting will resume. A disabled participant's award will not vest during the year he or she becomes disabled or the year the disability ends unless he or she meets the minimum sales threshold for those years. If a participant is disabled for longer than five (5) years, he or she will forfeit any unvested Stock Units.

Certain Forfeitures of Stock Units

If a participant's agency contract is terminated for cause, the participant forfeits all vested and unvested Stock Units.

Cashing Out Stock Units

A participant may cash out all or part of his or her vested Stock Units any time after the last vesting year for the given award by providing AmerUs written notice. Within thirty (30) days of receiving written notice, the Committee will pay the participant, for each stock unit cashed out, cash equal to the fair market value of a share of AmerUs common stock on the day the Committee received the notice. The Committee will cash out any remaining vested Stock Units in a lump sum on the fifth (5th) anniversary of the final vesting date of the Stock Units.

In the event a participant dies, the Committee will promptly cash out all the participant's Stock Units following the Committee's receipt of the death notice. The cash out amount will be calculated using the fair market value as of the day of the participant's death or the next business day. The Committee will pay the cash out amount to the participant's designated beneficiary or to the participant's estate if the participant did not designate a beneficiary.

If a participant's agency contract is terminated without cause prior to the final vesting date for any Stock Units granted, the Committee will cash out, as of the final vesting date, any Stock Units that were vested as of termination of the contract. If a participant's agency contract is terminated without cause after the final vesting date, the Committee will cash out any vested Stock Units as of the day of termination of the contract.

The Committee may cash out any participant's vested Stock Units at any time or it may defer cashing out any Stock Unit unless AmerUs is indemnified against liability for any tax. In addition, the Committee may offset any cash out amount against amounts owed by the participant to one or more Insurers.

Deferred Compensation

A participant may defer the receipt of any cash out amount under the terms of the Insurer's Deferred Compensation Plan, if available.

Exercise of Awards by Non-participants

While the participant is alive, vested Stock Units may only be cashed out by the participant or the Committee. A participant may transfer his or her vested Stock Units only by will or intestacy.

Change of Control

The Base Year Supplement may contain provisions regarding the vesting of Stock Units in the event of a Change of Control (as defined immediately below). If the Base Year Supplement is otherwise silent, all unvested Stock Units will vest upon such Change of Control and will be cashed out at the fair market value on the day before the Change of Control.

For purposes of this Plan, a Change of Control means any of the following events: (a) any person becomes the beneficial owner of more than twenty-five percent (25%) of the stock or voting securities of AmerUs; (b) the individuals who, prior to a merger, reorganization or consolidation constituted the board of directors of the Company cease to constitute at least a majority thereof, unless the election of each director of AmerUs was approved by a vote of at least two-thirds of the directors prior to the merger, reorganization or consolidation; or (c) consummation by AmerUs of either: (i) a merger, reorganization, consolidation, or similar transaction in which the former beneficial owners of the outstanding stock and voting securities of AmerUs do not beneficially own, immediately after such merger, directly or indirectly, more than sixty percent (60%) of the stock and combined voting power, or (ii) a plan of liquidation or agreement for the sale or other disposition of all or substantially all of the assets of AmerUs.

Amendments and Termination

AmerUs may amend, alter or terminate the Plan at any time. No amendment or alteration may impair a participant's interest in vested or unvested Stock Units or any grant which may be made in respect of the year in which the termination occurs, without the participant's consent. If the plan terminates or one or more Insurers discontinue grants under the Plan, the Committee will publish the minimum sales threshold for the remaining vesting years for granted but unvested Stock Units. If the Committee does not publish a new threshold, the most recent production threshold prior to the termination will be continued.

Unfunded Status of the Plan

The Plan is an unfunded plan for incentive and deferred compensation. Participants have no greater rights in the Plan than AmerUs' general creditors. The Committee may authorize the creation of trusts or other arrangements to meet the Plan obligations regarding awards granted under the Plan.

Resale Restrictions

Participants may not transfer vested or unvested Stock Units, except that a participant may provide for distribution of vested Stock Units to a beneficiary or his or her estate upon his or her death.

Miscellaneous

No Stock Unit certificates will be issued under the Plan. AmerUs will maintain accounting records of each participant's vested and unvested interests in the Plan. The Committee's decision regarding any dispute regarding the records will be final. On the reasonable request of a participant, AmerUs will provide a participant with a report on the status of his or her account.

Additional Information about the Plan

Requests for additional information regarding the Plan should be directed to: AmerUs Group Co., 699 Walnut Street, Des Moines, Iowa 50309-3948, telephone number (515) 362-3600, Attention: Douglas K. Owens.

TAX CONSIDERATIONS

A grant of Stock Units has no federal income tax consequences at the time of such grant. Upon the cash out of Stock Units, the amount of any cash received is taxable as ordinary income, and AmerUs will be entitled to a corresponding deduction. AmerUs may withhold from a participant's vested interest in any Stock Units any withholding or other tax required by law to be withheld or paid by AmerUs with respect to such Stock Units.

The Plan is not qualified under Section 401(a) of the Internal Revenue Code and is not subject to any provisions of the Employee Retirement Income Security Act of 1974, as amended.

USE OF PROCEEDS

We will not receive any proceeds from the recipients of the Stock Units for either the grants thereof or from any future exercise of the Stock Units.

PLAN OF DISTRIBUTION

Stock Units will be granted directly by us to certain agents of our insurer-subsidaries pursuant to the Plan. A copy of this prospectus will be delivered by us to agents of our insurer-subsidaries prior to their receipt of a grant of Stock Units.
