JAMES A. MALLAK NAMED CFO OF TOWER AUTOMOTIVE

NOVI, Michigan -- December 18, 2003 -- Tower Automotive Inc. (NYSE: TWR) today announced the appointment of James A. Mallak as Chief Financial Officer of the company.

## Edgar Filing: TOWER AUTOMOTIVE INC - Form 8-K

Most recently Mallak served as Executive Vice President and CFO of Textron Fastening Systems, a \$1.7 billion division of Textron Inc. Textron Fastening Systems is a leading global provider of engineered fastening systems, assembly technology and fastener management services, serving automotive, aerospace, industrial, construction, electronic and other transportation markets worldwide.

Mallak started his career in 1977 at ITT Automotive, where he held numerous financial management positions during his 21-year tenure. When he left ITT in 1998 he was serving as Vice President, Finance for the company's Electrical Systems unit. He served as Vice President, Finance for the Heavy Vehicle Systems division of ArvinMeritor before joining Textron in 1999 as Executive Vice President and CFO of Textron Automotive Company. He was named to his current position in 2001.

"We are delighted that an individual of Jim's caliber will be joining the Tower Automotive team," said Kathleen Ligocki, the company's President and Chief Executive Officer. "Jim has an outstanding background that includes not only corporate-level finance functions such as tax, audit and treasury, but also on-the-ground operational experience in cost accounting and manufacturing control systems. He brings important expertise and leadership skills to our entire organization."

(more)

A native of Jackson, Mich., Mallak holds a bachelor of science degree in accounting and an MBA, both from Michigan State University. He is a member of the advisory board for the accounting and finance department at Oakland University in Oakland, Mich.

Mallak's appointment is effective January 5. He succeeds Kathy Johnston, Enterprise Leader for Global Purchasing & Manufacturing Strategy, who has been serving as interim CFO.

Tower Automotive, Inc., is a global designer and producer of vehicle structural components and assemblies used by every major automotive original equipment manufacturer, including BMW, DaimlerChrysler, Fiat, Ford, GM, Honda, Hyundai/Kia, Nissan, Toyota, Volkswagen and Volvo. Products include body structures and assemblies, lower vehicle frames and structures, chassis modules and systems, and suspension components.
