The Company has also granted the Underwriters an option for 30 days to purchase up to a maximum of 900,000 additional shares of Series A Non-Cumulative Perpetual Preferred Stock from the Company for the purpose of covering overallocments, if any. The Underwriters purchased the Shares at a discount of \$0.7875 per share with respect to Shares sold to retail investors and \$0.50 per share with respect to Shares sold to certain institutions, for a total underwriting discount of \$4,023,500. The Agreement contains customary representations, warranties and covenants that are valid as between the parties and as of the date of entering into such agreements and they are not factual information to investors about the Company. Investors are advised to review the Company s periodic filings with the Securities and Exchange Commission. In connection with its issuance of the Shares, the Company executed a Declaration of Covenant, dated as of September 26, 2005 (Declaration), in which the Company agreed, for the benefit of certain debt holders, not to redeem the Shares unless such redemption is made with the proceeds from certain equity issuances.
