ITEM 8.01. OTHER EVENTS.

Edgar Filing: COMPASS MINERALS INTERNATIONAL INC - Form 8-K

On December 30, 2005 (the "Closing Date"), Salt Union Ltd. ("Salt Union"), a subsidiary of Compass Minerals International, Inc. (the "Company") and the Company sold their evaporated salt business in Weston Point, Cheshire and certain assets including, but not limited to, customer receivables, inventory, property, plant and equipment, intellectual property, books and records and other assets net of working capital liabilities to INEOS Enterprises Limited ("INEOS").

The sale was accomplished pursuant to an asset purchase agreement (the "Agreement"). Under the terms of the Agreement, Salt Union received a cash payment of (pound)21.1 million (\$36.3 million), subject to a working capital adjustment. The sale is expected to result in a pre-tax gain of \$3 million to \$5 million for the Company. The Company expects to use approximately \$4 million of the proceeds to fund Salt Union's pension plan with the remainder to be used for general corporate purposes, including debt reduction.

The Agreement includes customary representations and warranties, covenants and indemnification provisions. Salt Union and the Company retained certain liabilities relating to pre-closing operations of the business and made certain warranties with respect to the business acquired by INEOS (subject, in the case of most warranties, to a combined (pound)3 million limit). In addition, Salt Union and the Company entered into a noncompetition agreement generally related to the products of the business sold in the primary markets served by that business.

The Company issued a press release announcing the sale of this evaporated salt business. The press release is attached hereto as Exhibit 99.1 and is also incorporated herein by this reference.
