**PROXY STATEMENT FOR THE SPECIAL MEETING OF
SHAREHOLDERS OF PHYSICIANS INSURANCE COMPANY OF WISCONSIN, INC.
and
PROSPECTUS OF PROASSURANCE CORPORATION**

MERGER PROPOSED YOUR VOTE IS IMPORTANT

The boards of directors of Physicians Insurance Company of Wisconsin, Inc., which we refer to as PIC Wisconsin, and ProAssurance Corporation, which we refer to as ProAssurance, have unanimously approved an agreement to combine the two companies. Under the Agreement and Plan of Merger dated as of December 8, 2005, as amended on February 14, 2006, which we refer to as the merger agreement, by and among PIC Wisconsin, ProAssurance and its wholly-owned subsidiary Physicians Merger Company, PIC Wisconsin will merge with Physicians Merger Company, and PIC Wisconsin will survive the merger as a wholly-owned subsidiary of ProAssurance. The board of directors of PIC Wisconsin believes that the merger presents an attractive opportunity to combine with a leading medical malpractice insurance group that will have significantly greater financial strength and stability than PIC Wisconsin would have on its own.

Under the terms of the merger agreement, each share of PIC Wisconsin common stock will be converted into not less than 83.738 nor more than 125.628 shares of ProAssurance common stock pursuant to the following exchange ratio:

If the average price of a share of ProAssurance common stock at the effective time of the merger is more than \$59.71 per share, a share of PIC Wisconsin common stock will be converted into 83.738 shares of ProAssurance common stock in which event the implied value of a share of PIC Wisconsin common stock will be more than \$5,000;

If the average price of a share of ProAssurance common stock at the effective time of the merger is no more than \$59.71 and no less than \$39.80 per share, a share of PIC Wisconsin common stock will be converted into a number of ProAssurance shares determined by dividing \$5,000 by the average price of a share of ProAssurance common stock at the effective time of the merger, so that the implied value of a share of PIC Wisconsin common stock will be fixed at \$5,000; or

If the average price of a share of ProAssurance common stock at the effective time of the merger is less than \$39.80 per share, a share of PIC Wisconsin common stock will be converted into 125.628 shares of ProAssurance common stock in which event the implied value of a share of PIC Wisconsin common stock will be less than \$5,000.

For purposes of determining the exchange ratio, the average price of a share of ProAssurance common stock at the effective time of the merger will be equal to the arithmetic average of the last reported sale price of a share of ProAssurance common stock as reported by the New York Stock Exchange, which we refer to as the NYSE, on the ten trading days preceding the effective time of the merger. The last sale price of a share of ProAssurance common stock on December 7, 2005 (the last trading day prior to the public announcement of the merger) was \$49.30 and on June 6, 2006 was \$46.86. The shares of PIC Wisconsin common stock are not publicly traded. You should obtain a current market quotation for ProAssurance common stock. ProAssurance common stock is listed on the NYSE under the symbol PRA .

The merger will generally be tax free to the shareholders of PIC Wisconsin except for taxes on cash received instead of fractional shares of ProAssurance common stock and cash received by PIC Wisconsin shareholders who exercise their dissenters' rights. The merger will also be tax free to PIC Wisconsin and ProAssurance and their respective subsidiaries.

ProAssurance and PIC Wisconsin cannot complete the merger unless the shareholders of PIC Wisconsin approve it. PIC Wisconsin will hold a special meeting of its shareholders on July 26, 2006 to vote on the approval and adoption of the merger agreement and the merger. Your vote is important. Whether or not you plan to attend the meeting, please take the time to submit your proxy in accordance with the voting instructions contained in this proxy statement-prospectus. If you do not vote, it will have the same effect as voting against the merger agreement and the merger. Please read this proxy statement-prospectus carefully because it contains important information about the merger. **In particular, you should carefully consider the discussion in the section titled Risk Factors beginning on page 11.**

Neither the SEC nor any state securities commission has approved or disapproved the securities to be issued in the merger or determined if this proxy statement-prospectus is accurate or adequate. Any representation to the contrary is a criminal offense.

This document is a proxy statement that PIC Wisconsin is using to solicit proxies for use at its special meeting of shareholders. It is also a prospectus relating to the shares of the ProAssurance common stock proposed to be issued in connection with the merger.

The date of this proxy statement-prospectus is June 8, 2006, and it is first being mailed to the shareholders of PIC Wisconsin on or about June 13, 2006.

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETING

The following are some questions that you, as a shareholder of PIC Wisconsin, may have regarding the merger and the other matters being considered at the special meeting of shareholders and the answers to those questions. PIC Wisconsin and ProAssurance urge you to read carefully the remainder of this proxy statement-prospectus because the information in this section does not provide all of the information that might be important to you with respect to the merger and the other matters being considered at the special meeting of shareholders. Additional important information is also contained in the appendices to and the documents incorporated by reference in this proxy statement-prospectus.

Q: WHY DO PROASSURANCE AND PIC WISCONSIN WANT TO MERGE?

A: ProAssurance and PIC Wisconsin want to merge because the merger will benefit their respective shareholders, policyholders and employees. The merger will give PIC Wisconsin shareholders increased liquidity and an opportunity to participate as stockholders of a larger insurance group that is the fourth largest writer of medical professional liability insurance in the United States. For ProAssurance, the merger will provide additional marketing opportunities for its professional liability insurance.

Q: WHAT WILL I RECEIVE IN THE MERGER?

A: You will have the right to receive shares of ProAssurance common stock for each share of PIC Wisconsin common stock you own at the effective time of the merger. The number of shares of ProAssurance common stock that you will be entitled to receive for each of your shares of PIC Wisconsin common stock will not be less than 83.738 shares nor more than 125.628 shares with the actual number of shares to be determined using the following exchange ratio that is based on the average price (as discussed below) of a share of ProAssurance common stock at the effective time of the merger:

If the average price of a share of ProAssurance common stock at the effective time of the merger is more than \$59.71 per share, a share of PIC Wisconsin common stock will be converted into 83.738 shares of ProAssurance common stock in which event the implied value of a share of PIC Wisconsin common stock will be more than \$5,000;

If the average price of a share of ProAssurance common stock at the effective time of the merger is no more than \$59.71 and no less than \$39.80 per share, a share of PIC Wisconsin common stock will be converted into a number of ProAssurance shares determined by dividing \$5,000 by the average price of a share of ProAssurance common stock at the effective time of the merger, so that the implied value of a share of PIC Wisconsin common stock will be fixed at \$5,000; or

If the average price of a share of ProAssurance common stock at the effective time of the merger is less than \$39.80 per share, a share of PIC Wisconsin common stock will be converted into 125.628 shares of ProAssurance common stock in which event the implied value of a share of PIC Wisconsin common stock will be less than \$5,000.

The average price of a share of ProAssurance common stock at the effective time of the merger will be equal to the arithmetic average of the last reported sale price of a share of ProAssurance common stock as reported by the NYSE on the ten trading days preceding the effective time of the merger. The exchange ratio is intended to provide an implied value of \$5,000 for a share of PIC Wisconsin common stock if at the effective time of the

merger the average price of a share of ProAssurance common stock is within a 20% range of the average price of a share of ProAssurance common stock as reported by the NYSE on the ten trading days preceding the date of the execution of the merger agreement, which was \$49.76. If the average price is outside the range, the number of shares of ProAssurance common stock to be received for a share of PIC Wisconsin common stock will be fixed and the implied value of a share of PIC Wisconsin common stock will be greater or less than \$5,000, as the case may be.

Table of Contents

The following table illustrates the number of shares of ProAssurance common stock that a holder of a share of PIC Wisconsin common stock will be entitled to receive in the merger and the implied value of such ProAssurance shares assuming varying average prices for ProAssurance common stock at the effective time of the merger. The table assumes that a share of ProAssurance common stock has a value equal to the stated average prices and that fractional shares will be paid based on the stated average prices. You should bear in mind that the value of ProAssurance common stock is subject to market fluctuations, and therefore, the value of a share of ProAssurance common stock at the effective time of the merger and after the merger may differ from the average price used to establish the exchange ratio. This table uses hypothetical ProAssurance common stock prices:

| | Average Price of a Share of ProAssurance Common Stock at the Effective Time of the Merger: | | | | | | |
|--------------------------|---|----------------|----------------|----------------|----------------|----------------|----------------|
| | \$65.00 | \$60.00 | \$55.00 | \$50.00 | \$45.00 | \$40.00 | \$35.00 |
| Number of Shares: | 83.738 | 83.738 | 90.909 | 100.000 | 111.111 | 125.000 | 125.628 |
| Value: | \$5,443 | \$5,024 | \$5,000 | \$5,000 | \$5,000 | \$5,000 | \$4,397 |

As of December 7, 2005 (the last trading day prior to the public announcement of the merger), the last reported sale price for a share of ProAssurance common stock was \$49.30. The last reported sale price on June 6, 2006 was \$46.86. You should obtain current market prices for shares of ProAssurance common stock. ProAssurance common stock is listed on the NYSE under the symbol **PRA**. PIC Wisconsin common stock is not publicly traded.

Q: WHAT RISKS SHOULD I CONSIDER BEFORE I VOTE ON THE MERGER?

A: You should review the section titled **Risk Factors** beginning on page 11.

Q: WHAT ARE THE TAX CONSEQUENCES OF THE MERGER TO ME?

A: ProAssurance and PIC Wisconsin have structured the merger so that you, as a holder of PIC Wisconsin common stock, will not recognize any gain or loss for federal income tax purposes on the exchange of PIC Wisconsin shares for shares of ProAssurance common stock in the merger except to the extent that you receive cash in lieu of fractional shares of ProAssurance common stock and the cash received exceeds your tax basis in your PIC Wisconsin shares exchanged for such cash. At the closing, PIC Wisconsin and ProAssurance are to receive separate opinions confirming, subject to certain assumptions, these tax consequences. See **Material Federal Income Tax Consequences** beginning on page 55.

Your tax consequences will depend on your personal situation. You should consult your tax advisor for a full understanding of the consequences of the merger to you.

Q: HOW DOES THE PIC WISCONSIN BOARD OF DIRECTORS RECOMMEND THAT I VOTE ON THE MERGER AGREEMENT AND THE MERGER?

A: The board of directors of PIC Wisconsin unanimously recommends that you vote **FOR** the approval and adoption of the merger agreement and the merger.

Q: WHY IS MY VOTE IMPORTANT?

A:

The failure of a PIC Wisconsin shareholder to vote by proxy or in person will have the same effect as a vote against the proposal to approve and adopt the merger agreement and the merger. The approval and adoption of the merger agreement and the merger requires the affirmative vote of a majority of the votes that record holders of the outstanding shares of PIC Wisconsin common stock are entitled to cast on the merger agreement and the merger at the special meeting. In addition, if you do not return your proxy card or attend the meeting in person, then it will be more difficult for PIC Wisconsin to obtain the necessary quorum to hold its special meeting.

Q: WHAT DO I NEED TO DO NOW?

A: After you have carefully read the information contained in and incorporated by reference in this proxy statement-prospectus, indicate on your proxy card how you want your shares to be voted. Then complete, sign, date and mail your proxy card in the enclosed postage paid return envelope as soon as possible. This

Table of Contents

will enable your shares to be represented and voted at the PIC Wisconsin special meeting. You may also return your proxy card via fax to the number shown on the proxy card.

Q: CAN I CHANGE MY VOTE?

A: Yes. You can change your vote at any time before your proxy is voted at the special meeting. You can do this in one of three ways. First, you can send a written notice to the Corporate Secretary of PIC Wisconsin stating that you revoke your proxy. Second, you can complete and submit a new proxy card, dated a later date than the first proxy card. Third, you can attend the special meeting and vote in person. However, your attendance at the special meeting will not, by itself, revoke your proxy.

Q: SHOULD I SEND IN MY STOCK CERTIFICATES NOW?

A: No. After the merger is completed you will be sent a letter of transmittal and instructions for exchanging your shares of PIC Wisconsin common stock for shares of ProAssurance common stock you will be entitled to receive in the merger. At that time, you should follow the instructions in the letter of transmittal, complete and sign it, and send your stock certificates and the letter of transmittal to the address specified in the letter of transmittal.

Q: WHEN DO YOU EXPECT TO COMPLETE THE MERGER?

A: ProAssurance and PIC Wisconsin are working to complete the merger as quickly as possible, but must first obtain the approval of PIC Wisconsin shareholders at the special meeting that PIC Wisconsin will hold for its shareholders to vote on the merger agreement and the merger. ProAssurance and PIC Wisconsin currently expect to complete the merger early in the third quarter of 2006.

Q: WHOM SHOULD I CALL IF I HAVE OTHER QUESTIONS ABOUT THE SPECIAL MEETING?

A: If you have more questions, you should contact:

Madison, Wisconsin 53744. At the PIC Wisconsin special meeting, PIC Wisconsin shareholders will be asked to:

approve and adopt the merger agreement and the merger;

vote upon an adjournment of the PIC Wisconsin special meeting, if necessary, to solicit additional proxies if there are not sufficient votes for the foregoing proposal; and

transact any other business that may properly be brought before the PIC Wisconsin special meeting or any adjournments or postponements thereof.

Record date; shares entitled to vote. PIC Wisconsin's board of directors has established June 6, 2006, as the record date for the meeting of the shareholders. As of the record date, there were 19,657.1 shares of PIC Wisconsin common stock outstanding and each share is entitled to one vote at the special meeting.

Vote required; recommendation of the board of directors. The approval and adoption of the merger agreement and the merger requires the affirmative vote of a majority of the votes that record holders of the outstanding shares of PIC Wisconsin common stock are entitled to cast on the merger agreement and the merger at the special meeting. Assuming a quorum is present, the affirmative vote of a majority of the shares represented at the meeting and entitled to vote thereon is required to approve the proposal to adjourn the special meeting, if necessary, for the purpose of soliciting additional proxies. PIC Wisconsin's board of directors has unanimously approved and adopted the merger agreement and the merger and unanimously recommends that the shareholders of PIC Wisconsin vote **FOR** the proposal to approve and adopt the merger agreement and the merger and **FOR** the proposal to adjourn the meeting to permit further solicitation of proxies in the event that there is an insufficient number of votes to approve and adopt the merger agreement and the merger. As of the record date, the directors and executive officers of PIC Wisconsin and their affiliates beneficially owned 495.36 shares or approximately 2.52% of the outstanding shares of PIC Wisconsin common stock, and all such persons have indicated their intention to vote their shares in favor of the proposal to approve and adopt the merger agreement and the merger.

The proposed merger (page 42).

Pursuant to the merger agreement, PIC Wisconsin will merge with Physicians Merger Company, a newly formed subsidiary of ProAssurance, and PIC Wisconsin will survive the merger as a wholly-owned subsidiary of ProAssurance. A copy of the merger agreement is attached as *Appendix A* to this proxy statement-prospectus and is incorporated by reference.

The merger consideration (page 43).

You will have the right to receive shares of ProAssurance common stock for each share of PIC Wisconsin common stock you own at the effective time of the merger. The number of shares of ProAssurance common stock that you will be entitled to receive for each of your shares of PIC Wisconsin common stock will not be less than 83.738 shares nor more than 125.628 shares with the actual number of shares to be determined using an exchange ratio based on the average price (as discussed below) of a share of ProAssurance common stock at the effective time of the merger.

If the average price of a share of ProAssurance common stock at the effective time of the merger is more than \$59.71 per share, a share of PIC Wisconsin common stock will be converted into 83.738 shares of ProAssurance common stock in which event the implied value of a share of PIC Wisconsin common stock will be more than \$5,000;

If the average price of a share of ProAssurance common stock at the effective time of the merger is no more than \$59.71 and no less than \$39.80 per share, a share of PIC Wisconsin common stock will be converted into a number of ProAssurance shares determined by dividing \$5,000 by the average price of a share of ProAssurance common stock at the effective time of the merger, so that the implied value of a share of PIC Wisconsin common stock will be fixed at \$5,000; or

If the average price of a share of ProAssurance common stock at the effective time of the merger is less than \$39.80 per share, a share of PIC Wisconsin common stock will be converted into 125.628 shares of ProAssurance common stock in which event the implied value of a share of PIC Wisconsin common stock will be less than \$5,000.

The average price of a share of ProAssurance common stock at the effective time of the merger will be equal to the arithmetic average of the last reported sale price of a share of ProAssurance common stock as reported by the NYSE on the ten trading days preceding the effective time of the merger. The exchange ratio is intended to provide an implied value of \$5,000 for a share of PIC Wisconsin common stock if at the effective time of the merger the average price of a share of ProAssurance common stock is within a 20% range of the average price of a share of ProAssurance common stock on the ten trading days preceding the execution of the merger agreement, which was \$49.76. If at the effective time of the merger the average price is outside the range, the number of shares of ProAssurance common stock to be received for a share of PIC Wisconsin common stock will be fixed and the implied value of a share of PIC Wisconsin common stock will be greater or less than \$5,000, as the case may be.

The following table illustrates the number of shares of ProAssurance common stock that a holder of a share of PIC Wisconsin common stock will be entitled to receive in the merger and the implied value of such ProAssurance shares assuming varying average prices for ProAssurance common stock at the effective time of the merger. The table assumes that a share of ProAssurance common stock has a value equal to the stated average prices and that fractional shares will be paid based on the stated average prices. You should bear in mind that the value of ProAssurance common stock is subject to market fluctuations, and therefore, the value of a share of ProAssurance common stock at the effective time of the merger and after the merger may differ from the average price used to establish the exchange ratio. This table uses hypothetical ProAssurance common stock prices:

| | Average Price of a Share of ProAssurance Common Stock at the Effective Time of the Merger: | | | | | | |
|--------------------------|---|----------------|----------------|----------------|----------------|----------------|----------------|
| | \$65.00 | \$60.00 | \$55.00 | \$50.00 | \$45.00 | \$40.00 | \$35.00 |

Shareholders will have dissenters' rights (page 81).

PIC Wisconsin shareholders will have dissenters' rights under Chapters 611 and 180 of the Wisconsin Statutes. PIC Wisconsin shareholders who desire to exercise their dissenters' rights must follow the procedure set forth in these statutes. Failure to follow the statutory procedure will result in forfeiture of the right to dissent from the merger. The fair value of the shares subject to demand for payment under the dissenters' rights statutes, which will be paid in cash, may be less than the implied per share value of the merger consideration. ProAssurance believes that the fair value of a share of PIC Wisconsin common stock is less than the implied per share value of the merger consideration because the merger consideration is payable in shares of ProAssurance common stock instead of cash. ProAssurance believes that the estimated fair value of the shares of PIC Wisconsin common stock that are subject to a demand for payment will approximate the statutory book value of such shares.

The merger will be accounted for as a purchase (page 41).

The merger will be treated as a purchase by ProAssurance of PIC Wisconsin under GAAP.

The merger will generally be tax-free to shareholders of PIC Wisconsin (page 55).

For United States federal income tax purposes, the merger has been structured as a plan of reorganization. As a PIC Wisconsin shareholder, you generally will not recognize any gain or loss upon the exchange of shares of PIC Wisconsin common stock solely for ProAssurance common stock for federal income tax purposes. However, you may recognize gain or loss with respect to the payment of cash in lieu of fractional shares of ProAssurance common stock to the extent the amount of cash exceeds your tax basis in the PIC Wisconsin common stock exchanged for such fractional shares. Additionally, if you exercise your dissenters' rights and receive a cash payment in lieu of the merger consideration for your shares of PIC Wisconsin common stock, you will recognize gain or loss to the extent the cash payment exceeds your tax basis in your shares of PIC Wisconsin common stock.

Neither ProAssurance nor PIC Wisconsin (nor their respective subsidiaries) will recognize any gain or loss for United States federal income tax purposes in the merger. For a complete description of the material United States federal income tax consequences of the transaction, see Material Federal Income Tax Consequences on page 55.

The United States federal income tax consequences described above may not apply to some holders of PIC Wisconsin common stock, including certain holders specifically referred to on page 55. Your tax consequences will depend on your individual situation. Accordingly, you are strongly urged to consult your tax advisor for a full understanding of the particular tax consequences of the merger to you.

ProAssurance and PIC Wisconsin have received opinions from Burr & Forman LLP, Birmingham, Alabama, and Quarles & Brady LLP, Madison, Wisconsin, respectively, regarding the tax consequences of the merger summarized above. These opinions are based in part on customary assumptions and on representations that ProAssurance and PIC Wisconsin made to Burr & Forman LLP and Quarles & Brady LLP. The opinions are exhibits to the registration statement filed with the SEC in connection with this proxy statement-prospectus.

ProAssurance and PIC Wisconsin will not be obligated to complete the merger unless Burr & Forman LLP and Quarles & Brady LLP confirm these tax consequences on the closing date.

PIC Wisconsin's board of directors unanimously recommends that you vote FOR the approval and adoption of the merger agreement and the merger (page 25).

PIC Wisconsin's board of directors believes that the merger agreement and the merger are fair to and are in the best interests of PIC Wisconsin and its shareholders. The board of directors unanimously recommends that PIC Wisconsin shareholders vote **FOR** the approval and adoption of the merger agreement and the merger.

Table of Contents

PIC Wisconsin's and ProAssurance's reasons for the merger (pages 25 and 35).

PIC Wisconsin's board of directors. PIC Wisconsin's board of directors has approved and adopted the merger agreement and the merger and is proposing the merger because the merger with ProAssurance is a strategic combination that will bring greater financial strength and stability to PIC Wisconsin, its shareholders and its policyholders and will afford PIC Wisconsin shareholders with liquidity in the form of publicly traded shares of ProAssurance common stock.

ProAssurance's board of directors. ProAssurance's board of directors has approved the merger because the merger is consistent with ProAssurance's goal of building a larger and stronger professional liability insurance group and with ProAssurance's history of expansion through combinations with other medical professional liability insurers that are closely related to the local physician community. The merger is also consistent with ProAssurance's current plan for geographic expansion in the midwestern states.

PIC Wisconsin's financial advisor has provided an opinion as to the fairness of the merger consideration from a financial point of view to the shareholders of PIC Wisconsin (page 28).

Cochran, Caronia & Co. (now known as Cochran Caronia Waller, LLC), which is referred to as Cochran, delivered its opinion to PIC Wisconsin's board of directors that, as of the date of the fairness opinion and based upon and subject to the factors and assumptions set forth therein, the merger consideration offered to PIC Wisconsin's shareholders pursuant to the merger agreement was fair from a financial point of view to PIC Wisconsin's shareholders.

The full text of the written opinion of Cochran, dated December 8, 2005, which sets forth assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with its opinion, is attached as *Appendix C*. Cochran provided its opinion for the information and assistance of PIC Wisconsin's board of directors in connection with its consideration of the merger. The Cochran opinion is not a recommendation as to how any holder of PIC Wisconsin common stock should vote on, or take any action with respect to, the merger. Pursuant to the terms of an engagement letter with Cochran, PIC Wisconsin has agreed to pay Cochran, upon consummation of the merger, a transaction fee of \$1 million, of which \$350,000 was paid upon the delivery of the Cochran opinion.

PIC Wisconsin's directors and executive officers have interests in the merger that may differ from your interests (page 37).

Some of PIC Wisconsin's directors and executive officers have interests in the merger other than their interests as shareholders. PIC Wisconsin's board of directors knew about these additional interests and considered them when they approved and adopted the merger agreement and the merger.

PIC Wisconsin or certain of its subsidiaries are parties to agreements with certain officers that provide severance payments and certain other benefits upon termination of employment after the merger.

Other interests of directors and officers of PIC Wisconsin may include rights under equity compensation programs and awards, compensation for continued employment with ProAssurance after the merger, and rights to continued indemnification and insurance coverage for acts or omissions occurring prior to the merger.

In addition, ProAssurance is required to nominate one person designated by PIC Wisconsin to serve on the board of directors of ProAssurance after the merger. The board of directors of ProAssurance must nominate a person who is a physician and who will be considered to be an independent director under the criteria established by ProAssurance's board of directors in accordance with the NYSE's corporate governance requirements. PIC Wisconsin has designated William J. Listwan, M.D. to serve as a director of ProAssurance.

Those directors who are not employees of PIC Wisconsin and are not appointed as a director of ProAssurance will be retained by ProAssurance as consultants under consulting agreements which provide for compensation through June 30, 2007 at the rate of \$2,000 per month for the vice chairman of PIC Wisconsin and \$1,500 per month for all non-employee directors of PIC Wisconsin other than Dr. Listwan.

Table of Contents

The parties must meet several conditions to complete the merger (page 52).

PIC Wisconsin's and ProAssurance's obligations to complete the merger depend on a number of conditions being met. These include:

the approval and adoption of the merger agreement and the merger by PIC Wisconsin's shareholders;

the listing of the shares of ProAssurance common stock to be issued in the merger on the NYSE;

the filing of articles of merger with the appropriate governmental authorities;

the receipt of the approval of the Commissioner of Insurance in the State of Wisconsin as required by Wisconsin's insurance laws and regulations;

the receipt of the required approvals of other federal and state regulatory authorities;

the absence of any government action or other legal restraint or prohibition that would prohibit the merger or make it illegal;

the absence of a material adverse effect suffered by either ProAssurance or PIC Wisconsin on a consolidated basis;

the absence of any inquiries, proceedings, claims or actions by any government or regulatory authority alleging violations of federal securities laws by PIC Wisconsin, its subsidiaries or any of their respective directors or officers;

the number of shares of PIC Wisconsin common stock whose holders exercise their right to dissent and obtain payment for their shares pursuant to their dissenters' rights when added to the number of shares of PIC Wisconsin common stock repurchased from participants of the long term stock plan does not exceed 19.9% of the outstanding shares of PIC Wisconsin common stock;

the delivery of certain customary closing documents and other certificates;

the absence of certain events under PIC Wisconsin's amended shareholder rights agreement;

the receipt of legal opinions that, for United States federal income tax purposes, the merger will be treated as a plan of reorganization and no gain or loss will be recognized by PIC Wisconsin shareholders who receive ProAssurance common stock in exchange for all of their PIC Wisconsin common stock (except with respect to any cash received for fractional interests or in lieu of the merger consideration as a result of the exercise of dissenters' rights) and no gain or loss will be recognized by ProAssurance, PIC Wisconsin and their respective subsidiaries; and

the truth and accuracy of the representations and warranties of each party to the merger agreement, except as would not have or would not reasonably be expected to have a material adverse effect, and the performance by each party to the merger agreement in all material respects of all its obligations under the merger agreement.

Where the law permits, either PIC Wisconsin or ProAssurance could choose to waive a condition to the obligation to complete the merger even when that condition has not been satisfied. Neither ProAssurance nor PIC Wisconsin can be

certain when, or if, the conditions to the merger will be satisfied or waived, or that the merger will be completed. Although the merger agreement allows either party to waive the receipt of the tax opinions as of the closing date of the merger, neither ProAssurance nor PIC Wisconsin currently anticipates doing so. If either ProAssurance or PIC Wisconsin waives the condition, you will be informed of this fact and asked to vote again on the merger agreement and the merger.

The parties must obtain regulatory approvals to complete the merger (page 40).

ProAssurance and PIC Wisconsin cannot complete the merger unless it is approved by the Commissioner of Insurance of the State of Wisconsin in accordance with the requirements of the insurance holding company laws and regulations of the State of Wisconsin. The Commissioner held a public hearing on May 12, 2006, and approved the merger by order dated May 17, 2006.

Table of Contents

In addition, the merger is subject to review by antitrust regulatory authorities under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, or HSR Act. Each of ProAssurance and PIC Wisconsin has filed notices with the Federal Trade Commission, or FTC, and the Antitrust Division of the United States Department of Justice, or DOJ, and has received early termination of the statutory waiting period.

PIC Wisconsin agreed when and how it can consider third party acquisition proposals (page 50).

PIC Wisconsin has agreed that it will not, directly or indirectly, initiate, entertain, solicit, encourage, engage in or participate in proposals from third parties regarding acquiring PIC Wisconsin or its businesses. However, if PIC Wisconsin receives an acquisition proposal from a third party, PIC Wisconsin can participate in negotiations with, and provide confidential information to, the third party and recommend the proposal to its shareholders if PIC Wisconsin's board of directors concludes in good faith that the proposal is in furtherance of the best interests of its shareholders. If PIC Wisconsin's board of directors has authorized, recommended, approved or entered into an agreement with any third party to effect an acquisition proposal, then PIC Wisconsin must pay to ProAssurance \$2 million in liquidated damages and PIC Wisconsin can terminate the merger agreement.

Shareholder rights agreement (page 40).

PIC Wisconsin entered into a shareholder rights agreement on November 4, 2004, which is referred to as the rights agreement, to protect its shareholders from takeover attempts that are not acceptable to the board of directors of PIC Wisconsin. In general, the rights agreement allows PIC Wisconsin shareholders to acquire additional shares of PIC Wisconsin common stock after a person, group or company, unless exempted, acquires or agrees to acquire 15% or more of the outstanding PIC Wisconsin common stock. The rights agreement is intended to prevent an acquisition of PIC Wisconsin stock on terms that PIC Wisconsin's board of directors determines are unfair or coercive to PIC Wisconsin and its shareholders. PIC Wisconsin amended the rights agreement to exempt ProAssurance, the merger agreement and the merger from application of the rights agreement, and to provide that the rights agreement will terminate in all respects immediately prior to the effective time of the merger. Until the effective time of the merger, however, the rights agreement remains in effect and may discourage acquisition proposals from parties other than ProAssurance.

The parties may terminate the merger agreement (page 53).

PIC Wisconsin and ProAssurance may mutually agree at any time to terminate the merger agreement without completing the merger, even if PIC Wisconsin's shareholders have approved and adopted the merger agreement and the merger. Also, either PIC Wisconsin or ProAssurance may decide, without the consent of the other, to terminate the merger agreement:

if there is a final denial of a required regulatory approval;

if the merger is not completed on or before December 31, 2006;

if there is a continuing breach of any representation or warranty in the merger agreement by the other party that has had or is reasonably expected to have a material adverse effect and such breach continues after 45 days written notice to the breaching party, as long as the terminating party is not in material breach of any representation, warranty, covenant or other agreement in the merger agreement;

if PIC Wisconsin fails to obtain the shareholder vote required for the approval and adoption of the merger agreement and the merger;

if the other party discloses a material adverse effect or change to its disclosure schedule that has or would be likely to have a material adverse effect; or

if the Form S-4 registration statement has not been filed with the SEC on or before June 30, 2006, unless the failure to do so is due to the failure of the party seeking to terminate the merger agreement.

Table of Contents

Also, ProAssurance may terminate the merger agreement if PIC Wisconsin's board of directors:

fails to recommend approval and adoption of the merger agreement and the merger to its shareholders or withdraws, modifies or amends its recommendation in any respect materially adverse to ProAssurance;

authorizes, recommends, approves or proposes an acquisition proposal other than the merger; or

enters into an agreement with a third party regarding an acquisition proposal other than the merger.

If ProAssurance terminates the merger agreement as a result of PIC Wisconsin's board of directors failing to recommend approval and adoption of the merger agreement and the merger or withdrawing or adversely modifying or amending its recommendation of the merger, PIC Wisconsin shall be obligated to pay liquidated damages in the amount of \$2 million.

PIC Wisconsin may also terminate the merger agreement if its board of directors:

fails to recommend approval and adoption of the merger agreement and the merger to its shareholders or withdraws, modifies or amends its recommendation in any respect materially adverse to ProAssurance;

authorizes, recommends, approves or proposes an acquisition proposal other than the merger; or

enters into an agreement with a third party regarding an acquisition proposal other than the merger.

However, any decision by PIC Wisconsin's board of directors to authorize, recommend, approve or propose an acquisition proposal other than the merger, or enter into an agreement with a third party regarding an acquisition proposal other than the merger will result in PIC Wisconsin's obligation to pay to ProAssurance liquidated damages in the amount of \$2 million.

As long as no termination event has occurred, both companies remain obligated to continue to use their reasonable best efforts to complete the merger until December 31, 2006.

The boards of directors of ProAssurance and PIC Wisconsin considered and believed it was appropriate to make the foregoing commitments for the limited period of time involved, especially in light of the regulatory process involved in transactions like these.

Whether or not the merger is completed, ProAssurance and PIC Wisconsin will each pay its own fees and expenses, except that (i) the parties will share the cost of the HSR Act filing fees in proportion to each party's relative assets as of December 31, 2004, (ii) ProAssurance will pay all expenses and filing fees in connection with the Form A filing with the Commissioner of Insurance in Wisconsin, (iii) PIC Wisconsin will pay substantially all costs and expenses relating to printing and mailing this proxy statement-prospectus to PIC Wisconsin shareholders, and (iv) ProAssurance will pay all registration, filing and other fees paid to the SEC or NYSE in connection with the merger.

The parties may amend or waive merger agreement provisions (page 54).

ProAssurance and PIC Wisconsin may jointly amend the merger agreement, and each may waive its right to require the other party to follow particular provisions of the merger agreement. However, the parties may not amend the merger agreement after PIC Wisconsin's shareholders approve and adopt the merger agreement and the merger if the amendment would change the amount or the form of the consideration to be delivered to PIC Wisconsin shareholders.

If any amendment or waiver changes the amount or form of the consideration to be delivered to PIC Wisconsin shareholders after approval and adoption of the merger agreement and the merger has already been obtained, then such amendment or waiver would require further approval by PIC Wisconsin shareholders.

- (1) Includes acquired entities since date of acquisition only. Professionals Group, Inc. was acquired June 27, 2001 and NCRIC Group, Inc. was acquired effective August 1, 2005. ProAssurance's personal lines operations were acquired in the Professionals Group transaction, but were sold effective January 1, 2006, and are included in discontinued operations in all periods presented.
- (2) Excludes discontinued operations.
- (3) Net income for the year ended December 31, 2002 was increased by \$1.7 million due to the adoption of SFAS 141 and 142. See Note 13 to ProAssurance's consolidated financial statements. In accordance with SFAS 142, ProAssurance wrote off the unamortized balance of deferred credits that related to business combinations completed prior to July 1, 2001. The cumulative effect increased net income per share (basic and diluted) by \$0.07 per share.
- (4) Diluted earnings per share and diluted weighted average number of shares outstanding for 2003 have been restated to reflect implementation of Emerging Issues Task Force 04-8, "The Effect of Contingently Convertible Debt on Diluted Earnings per Share". The restatement reduced previously reported diluted net income per share by \$0.01.
- (5) Real estate holdings are included in Total Assets but are not included in Total Investments. Rather than being considered components of net investment income, rental income is included in Other Income and real estate expenses are included as a part of underwriting, acquisition and insurance expenses. Prior to 2006, ProAssurance included its real estate holdings as a part of total investments and included rental income from real estate holdings, net of real estate related expenses, as components of net investment income. The above table presents all periods in a manner consistent with ProAssurance's 2006 presentation. Due to the reclassification, amounts in the table for periods prior to 2006 do not agree to previously presented amounts. The reclassifications increased (decreased) amounts previously disclosed as shown in the following table, but had no effect on total assets, total liabilities, stockholders' equity, income from continuing operations or net income.

RISK FACTORS

*In addition to the other information included and incorporated by reference in this proxy statement-prospectus, including the matters addressed in the section entitled **Forward-Looking Statements**, (page 85), you should carefully consider the risks set forth below before deciding whether to vote for the approval and adoption of the merger agreement and the merger. You should also read and consider other information in this proxy statement-prospectus and other documents incorporated by reference in this proxy statement-prospectus. See the section entitled **Where You Can Find More Information** beginning on page 85.*

Risks relating to the merger.

PIC Wisconsin shareholders cannot be sure the ProAssurance common stock to be issued in the merger will have a value of \$5,000.

The merger agreement provides that you will receive ProAssurance common stock having a value of \$5,000 if the average price of a share of ProAssurance common stock in the ten trading days preceding the merger is within a 20% range around the average price of a share of ProAssurance common stock in the ten trading days preceding the date of the merger agreement, which was \$49.76. Thus, PIC Wisconsin shareholders may receive more than \$5,000 for each share of common stock if the average price of ProAssurance common stock is more than \$59.71; conversely, PIC Wisconsin shareholders may receive less than \$5,000 for each share of common stock if the average price of ProAssurance common stock is less than \$39.80. Any change in the market price of ProAssurance common stock prior to completion of the merger will affect the number of ProAssurance shares you receive and may possibly affect the value that you receive upon completion of the merger. Share price changes may result from a variety of factors including general market and economic conditions, changes in ProAssurance's operations and prospects and regulatory considerations. Many of these factors are beyond either ProAssurance's or PIC Wisconsin's control.

Accordingly, PIC Wisconsin shareholders who submit their proxies before the special meeting will not necessarily know or be able to calculate the number of shares of ProAssurance common stock that will be issued upon the completion of the merger or the value of such shares. Further, shares of ProAssurance common stock will be subject to market fluctuations after the merger and there can be no assurance that the value of a share of ProAssurance common stock after the merger will not be less than the average price used in determining the exchange ratio.

Combining PIC Wisconsin and ProAssurance may be more difficult, costly or time consuming than expected.

ProAssurance and PIC Wisconsin have operated, and until completion of the merger will continue to operate, independently. It is possible that the integration process could result in the loss of key employees or the disruption of each company's ongoing business or inconsistencies in standards, procedures and policies that adversely affect each company's ability to maintain relationships with customers and employees or to achieve the anticipated benefits of the merger.

ProAssurance and PIC Wisconsin must obtain several governmental consents to complete the merger which, if delayed, not granted or granted with burdensome conditions, may jeopardize or postpone the merger, result in additional expense or reduce the anticipated benefits of the transaction.

ProAssurance and PIC Wisconsin must obtain approvals and consents in a timely manner from several federal and state agencies prior to completion of the merger. If these approvals are not received, or are not on terms that satisfy the conditions set forth in the merger agreement, then the parties will not be obligated to complete the merger. The governmental agencies from which ProAssurance and PIC Wisconsin will seek these approvals have broad discretion

in administering governing laws. As a condition to approval of the merger, agencies may impose requirements, limitations or costs that could negatively affect the way ProAssurance conducts business following the merger. These requirements, limitations or costs could jeopardize or delay completion of the merger. If ProAssurance and PIC Wisconsin agree to any material requirements, limitations or costs in order to obtain any approvals required to complete the merger, these requirements, limitations or

Table of Contents

additional costs could adversely affect ProAssurance's ability to integrate the common aspects of the two companies' operations or reduce the anticipated benefits of the merger. This could result in a material adverse effect on the business and results of operations of ProAssurance following the merger.

Failure to complete the merger could negatively impact the future business and financial results of PIC Wisconsin.

If the merger is not completed, the ongoing business of PIC Wisconsin may be adversely affected and PIC Wisconsin will be subject to several risks, including the following:

Management may be focused on the merger instead of pursuing other opportunities that could be beneficial to the company.

PIC Wisconsin will be required to pay certain costs relating to the merger such as legal, accounting, financial advisor and printing fees and expenses.

PIC Wisconsin may be required under certain circumstances to pay ProAssurance a termination fee of \$2 million under the merger agreement.

The ability of PIC Wisconsin's shareholders to benefit from a competing business combination is limited.

The merger agreement limits PIC Wisconsin's ability to directly or indirectly initiate, entertain, solicit, encourage, engage in or participate in proposals from third parties regarding acquiring PIC Wisconsin or its businesses. In addition, if PIC Wisconsin's board of directors has authorized, recommended, approved or entered into an agreement with any third party to effect an acquisition proposal, then PIC Wisconsin must pay to ProAssurance \$2 million in liquidated damages.

In addition, PIC Wisconsin entered into a shareholder rights agreement to protect its shareholders from takeover attempts that are not acceptable to the board of directors of PIC Wisconsin. In general, the rights agreement allows PIC Wisconsin shareholders to acquire additional shares of PIC Wisconsin common stock after a person, group or company, unless exempted, acquires or agrees to acquire 15% or more of the outstanding PIC Wisconsin common stock. The rights agreement is intended to prevent an acquisition of PIC Wisconsin stock on terms that PIC Wisconsin's board of directors determines are unfair or coercive to PIC Wisconsin and its shareholders. PIC Wisconsin amended the rights agreement to exempt ProAssurance, the merger agreement and the merger from application of the rights agreement, and to provide that the rights agreement will terminate in all respects immediately prior to the effective time of the merger. Until the effective time of the merger, however, the rights agreement remains in effect and may discourage acquisition proposals from parties other than ProAssurance.

The Internal Revenue Service may disagree with the parties' description of the federal income tax consequences.

Neither ProAssurance nor PIC Wisconsin has applied for, or expects to obtain, a ruling from the Internal Revenue Service with respect to the federal income tax consequences of the merger. PIC Wisconsin and ProAssurance each received an opinion of its legal counsel as to certain anticipated federal income tax consequences as described under Material Federal Income Tax Consequences. Each such opinion is qualified in certain respects and is not binding on the Internal Revenue Service and is expected to be updated as of the closing date of the merger. No assurance can be given that the Internal Revenue Service will not challenge the favorable income tax consequences of the merger or that the opinion will be so updated. ProAssurance and PIC Wisconsin will vigorously contest any such challenge.

The PIC Wisconsin directors and officers have interests in the merger besides those of a shareholder.

The directors and officers of PIC Wisconsin have interests in the merger that are different from and in addition to your interests as PIC Wisconsin shareholders. You should be aware of these interests relating to the benefits available to PIC Wisconsin's directors and officers in considering their support of the merger.

Table of Contents

As discussed under Proposal 1: The Merger, Interests of certain persons in the merger, certain of the executive officers of PIC Wisconsin, including Mr. Montei, who is also a director, have been offered continued employment after the merger on terms that may be deemed more favorable than the current terms of employment. In addition, all of the PIC Wisconsin executive officers are covered by a change of control benefits policy that provides for payments in the event that their employment is terminated after a change of control of PIC Wisconsin. Additionally, stock awards that have been granted to officers that have not yet vested under PIC Wisconsin's long term stock plan will immediately vest upon a change of control. Shares issued or to be issued pursuant to these stock awards may be purchased at a cash price of \$5,000 at the option of the holder of the award or converted into shares of ProAssurance common stock using the exchange ratio. The merger will result in a change of control for purposes of such arrangements and other benefits.

Each of the non-employee directors of PIC Wisconsin will be offered a consulting agreement pursuant to which ProAssurance will pay a monthly consulting fee through June 30, 2007.

The merger agreement also provides that PIC Wisconsin may nominate one person who is a physician to serve on ProAssurance's board of directors, and the nominee may be a director of PIC Wisconsin in which event the nominee would be entitled to compensation as a non-management director of ProAssurance and would not be offered the consulting agreement referred to above. PIC Wisconsin has nominated William J. Listwan, M.D. to serve on ProAssurance's board of directors.

As a result, the PIC Wisconsin directors and officers are more likely to support the merger than if they did not hold these interests.

Substantial sales of ProAssurance common stock could adversely affect its market price.

A maximum of 2,480,050 shares of ProAssurance common stock will be issued to holders of PIC Wisconsin common stock upon completion of the merger, representing approximately 7.4% of the issued and outstanding common stock of ProAssurance. ProAssurance common stock issued in the merger will not be subject to any restrictions on transfer arising under the Securities Act of 1933, as amended, or Securities Act, except for shares issued to any PIC Wisconsin shareholder who may be deemed to be an affiliate of ProAssurance or PIC Wisconsin for purposes of Rule 145 under the Securities Act. The sale of a substantial amount of ProAssurance common stock after the merger could adversely affect its market price. It could also impair ProAssurance's ability to raise money through the sale of more common stock or other forms of capital. In addition, the sale of authorized but unissued shares of ProAssurance common stock by ProAssurance could adversely affect its market price.

Holders of more than 19.9% of all the outstanding shares of PIC Wisconsin common stock may exercise their right to receive cash in the merger.

Under applicable Wisconsin law, PIC Wisconsin shareholders have dissenters' rights in connection with the merger. Under the terms of PIC Wisconsin's long term stock plan, holders of shares issued or to be issued pursuant to the plan may request that PIC Wisconsin repurchase the shares for cash as a result of the merger. It is a condition to the closing of the merger that holders of not more than 19.9% of all the outstanding shares of PIC Wisconsin common stock shall have exercised their right to obtain cash payment under the dissenters' rights statutes and the long term stock plan.

Risks relating to ProAssurance's business.

PIC Wisconsin shareholders should consider the following risk factors regarding the business of ProAssurance in their consideration of the merger and the merger agreement because they will own shares of ProAssurance stock upon completion of the merger. ProAssurance is a holding company for specialty property and casualty insurance subsidiaries that focus on writing professional liability insurance. For convenience, references to ProAssurance's

business include the insurance operations of its insurance subsidiaries.

Table of Contents

ProAssurance's results may be affected if actual insured losses differ from its loss reserves.

Significant periods of time often elapse between the occurrence of an insured loss, the reporting of the loss by the insured and payment of that loss. To recognize liabilities for unpaid losses, ProAssurance establishes reserves as balance sheet liabilities representing estimates of amounts needed to pay reported and unreported losses and the related loss adjustment expense. The process of estimating loss reserves is a difficult and complex exercise involving many variables and subjective judgments. As part of the reserving process, ProAssurance reviews historical data and consider the impact of various factors such as:

- trends in claim frequency and severity;
- changes in operations;
- emerging economic and social trends;
- inflation; and
- changes in the regulatory and litigation environments.

This process assumes that past experience, adjusted for the effects of current developments and anticipated trends, is an appropriate, but not necessarily accurate, basis for predicting future events. There is no precise method for evaluating the impact of any specific factor on the adequacy of reserves, and actual results are likely to differ from original estimates.

ProAssurance's loss reserves also may be affected by court decisions that expand liability on its policies after they have been issued and priced. In addition, a significant jury award, or series of awards, against one or more of its insureds could require ProAssurance to pay large sums of money in excess of its reserved amounts. ProAssurance's policy to aggressively litigate claims against its insureds may increase the risk that it may be required to make such payments.

To the extent loss reserves prove to be inadequate in the future, ProAssurance would need to increase its loss reserves and incur a charge to earnings in the period the reserves are increased, which could have a material adverse impact on ProAssurance's financial condition and results of operations and the price of its common stock.

If ProAssurance is unable to maintain a favorable financial strength rating, it may be more difficult for ProAssurance to write new business or renew its existing business.

Independent rating agencies assess and rate the claims-paying ability of insurers based upon criteria established by the agencies. Periodically the rating agencies evaluate ProAssurance to confirm that it continues to meet the criteria of previously assigned ratings. The financial strength ratings assigned by rating agencies to insurance companies represent independent opinions of financial strength and ability to meet policyholder obligations and are not directed toward the protection of investors. Ratings by rating agencies are not ratings of securities or recommendations to buy, hold or sell any security and are not applicable to the securities being offered by this proxy statement-prospectus.

ProAssurance's principal operating subsidiaries hold favorable financial strength ratings with A.M. Best, Standard & Poor's and other rating agencies. Financial strength ratings are used by agents and customers as an important means of assessing the financial strength and quality of insurers. If ProAssurance's financial position deteriorates, it may not maintain its favorable financial strength ratings from the rating agencies. Further, ProAssurance cannot assure you that the merger will not result in a downgrade of its ratings. A downgrade or withdrawal of any such rating could limit or

prevent ProAssurance from writing desirable business.

ProAssurance operates in a highly competitive environment.

The property and casualty insurance business is highly competitive. ProAssurance competes with large national property and casualty insurance companies, locally-based specialty companies, self-insured entities and alternative risk transfer arrangements (such as captive insurers and risk retention groups) whose activities are directed to limited markets. Competitors include companies with substantially greater financial resources

Table of Contents

than ProAssurance as well as companies that may have lower return on equity objectives than ProAssurance, such as mutual companies and other companies not owned by shareholders.

Competition in the property and casualty insurance business is based on many factors, including premiums charged and other terms and conditions of coverage, services provided, financial ratings assigned by independent rating agencies, claims services, reputation, perceived financial strength and the experience of the insurance company in the line of insurance to be written. Increased competition could adversely affect ProAssurance's ability to attract and retain business at current premium levels and reduce the profits that would otherwise arise from operations.

ProAssurance's revenues may fluctuate with insurance market conditions.

ProAssurance derives substantially all of its insurance premium revenue from medical malpractice risks. Between 2000 and 2004, premium rates increased significantly which improved ProAssurance's operating results. ProAssurance believes competition has increased in the medical malpractice insurance industry in recent years. Should ProAssurance's competitors become less disciplined in pricing, or more permissive in their terms, ProAssurance may lose customers who base their purchasing decisions primarily on price because its policy has been to charge adequate premiums on risks that meet its underwriting standards. ProAssurance cannot predict whether, when or how market conditions will change, or the manner in which, or the extent to which any such changes may adversely impact its results of operations.

ProAssurance's revenues may fluctuate with interest rates and investment results.

ProAssurance generally relies on the positive performance of its investment portfolio to offset insurance losses and to contribute to its profitability. As its investment portfolio is primarily comprised of interest-earning assets, prevailing economic conditions, particularly changes in market interest rates, may significantly affect ProAssurance's operating results. Changes in interest rates also can affect the value of ProAssurance's interest-earning assets, which are principally comprised of fixed and adjustable-rate investment securities. Generally, the value of fixed-rate investment securities fluctuate inversely with changes in interest rates. Interest rate fluctuations could adversely affect ProAssurance's GAAP stockholders' equity, income and/or cash flows. ProAssurance's total investments at March 31, 2006 were \$3.1 billion, of which \$2.5 billion was invested in fixed maturities. Unrealized pre-tax net investment losses on investments in fixed maturities were \$39.5 million at March 31, 2006.

At March 31, 2006, ProAssurance held equity investments having a fair value of \$10.1 million in an available-for-sale portfolio and held additional equity securities having a fair value of \$5.5 million in a trading portfolio. The fair value of these securities fluctuates depending upon company specific and general market conditions. Any decline in the fair value of available-for-sale securities that ProAssurance determines to be other-than-temporary will reduce ProAssurance's net income. Any changes in the fair values of trading securities, whether gains or losses, will be included in net income in the period changed.

Changes in healthcare could have a material impact on ProAssurance's operations.

ProAssurance derives substantially all of its medical professional liability insurance premiums from physicians and other individual healthcare providers, physician groups and smaller healthcare facilities. Significant attention has been focused on reforming the healthcare industry at both the federal and state levels which could result in changes to how health care providers insure their medical malpractice risks. A broad range of healthcare reform measures has been suggested, and public discussion of such measures will likely continue in the future. Proposals have included, among others, spending limits, price controls, limiting increases in insurance premiums, limiting the liability of doctors and hospitals for tort claims, imposing liability on institutions rather than physicians, and restructuring the healthcare insurance system. ProAssurance cannot predict which, if any, reform proposals will be adopted, when they may be

adopted or what impact they may have on ProAssurance. The adoption of certain of these proposals could materially adversely affect ProAssurance's financial condition or results of operations.

Table of Contents

In addition to regulatory and legislative efforts, there have been significant market driven changes in the healthcare environment. In recent years, a number of factors related to the emergence of managed care have negatively impacted or threatened to impact the medical practice and economic independence of medical professionals. Medical professionals have found it more difficult to conduct a traditional fee-for-service practice and many have been driven to join or contractually affiliate with larger organizations. Such change and consolidation may result in the elimination of, or a significant decrease in, the role of the physician in the medical malpractice insurance purchasing decision. It could also result in greater emphasis on the role of professional managers, who may seek to purchase insurance on a price competitive basis, and who may favor insurance companies that are larger and more highly rated than ProAssurance. In addition, such change and consolidation could reduce ProAssurance's medical malpractice premiums as groups of insurance purchasers generally retain more risk or self insure.

The movement from traditional fee-for-service practice to the managed care environment may also result in an increase in the liability profile of ProAssurance's insureds. The majority of ProAssurance's insured physicians practice in primary care specialties such as internal medicine, family practice, general practice and pediatrics. In the managed care environment, these primary care physicians are being required to take on the role of "gatekeeper" and restrain the use of specialty care by controlling access to specialists and by performing certain procedures that would customarily be performed by specialists in a fee-for-service setting. These practice changes may result in an increase in the claims frequency and severity experienced by primary care physicians and by ProAssurance as their insurance carrier.

ProAssurance is a holding company and is dependent on dividends and other payments from its operating subsidiaries, which are subject to dividend restrictions.

ProAssurance is a holding company whose principal source of funds is cash dividends and other permitted payments from operating subsidiaries. If ProAssurance's subsidiaries are unable to make payments to it, or are able to pay only limited amounts, ProAssurance may be unable to make payments on its indebtedness. The payment of dividends by these operating subsidiaries is subject to restrictions set forth in the insurance laws and regulations of their respective states of domicile as discussed under "Price Range of Common Stock and Dividends" Dividends on page 57.

Regulatory requirements could have a material impact on ProAssurance's operations.

ProAssurance's insurance businesses are subject to extensive regulation by state insurance authorities in each state in which it operates. Regulation is intended for the benefit of policyholders rather than shareholders. In addition to the amount of dividends and other payments that can be made to a holding company by insurance subsidiaries, these regulatory authorities have broad administrative and supervisory power relating to:

- licensing requirements;
- trade practices;
- capital and surplus requirements;
- investment practices; and
- rates charged to insurance customers.

These regulations may impede or impose burdensome conditions on rate increases or other actions that ProAssurance may want to take to enhance its operating results. In addition, ProAssurance may incur significant costs in the course of complying with regulatory requirements. Most states also regulate insurance holding companies like ProAssurance in a variety of matters such as acquisitions, changes of control and the terms of affiliated transactions.

Future legislative or regulatory changes may also adversely affect ProAssurance's business operations.

Table of Contents

The unpredictability of court decisions could have a material impact on ProAssurance's operations.

The financial position of ProAssurance's insurance subsidiaries may also be affected by court decisions that expand insurance coverage beyond the intention of the insurer at the time it originally issued an insurance policy. In addition, a significant jury award, or series of awards, against one or more of ProAssurance's insureds could require it to pay large sums of money in excess of its reserve amounts.

The passage of tort reform or other legislation, and the subsequent review of such laws by the courts could have a material impact on ProAssurance's operations.

Tort reforms generally restrict the ability of a plaintiff to recover damages by, among other limitations, eliminating certain claims that may be heard in a court, limiting the amount or types of damages, changing statutes of limitation or the period of time to make a claim, and limiting venue or court selection. A number of states in which ProAssurance does business have enacted, or are considering, tort reform legislation. Proposed federal tort reform legislation has failed to win Congressional approval to date.

While the effects of tort reform would appear to be beneficial to ProAssurance's business generally, there can be no assurance that such reforms will be effective or ultimately upheld by the courts in the various states. Further, if tort reforms are effective, the business of providing professional liability insurance may become more attractive, thereby causing an increase in competition for ProAssurance.

In addition, there can be no assurance that the benefits of tort reform will not be accompanied by legislation or regulatory actions that may be detrimental to ProAssurance's business. For example, various states have established or are evaluating their intention to establish state sponsored malpractice insurance for their resident physicians that may eliminate targeted physicians from the private insurance market. Furthermore, insurance regulatory authorities may require premium rate limitations and expanded coverage requirements as well as other requirements in anticipation of the expected benefits of tort reform which may or may not be actually realized.

ProAssurance's geographic concentration ties its performance to the economic, regulatory and demographic conditions of the midwestern, southern and mid-Atlantic states.

ProAssurance's revenues and profitability are subject to prevailing economic, regulatory, demographic and other conditions in the states in which it writes insurance. ProAssurance currently writes professional liability insurance primarily in the midwestern, southern and mid-Atlantic United States with approximately 68% of gross premiums written in Alabama, Florida, Indiana, Michigan and Ohio in 2005. Further, the business of PIC Wisconsin is concentrated in Wisconsin and other midwestern states. Because its business currently is concentrated in a limited number of markets, adverse developments that are limited to a geographic area in which ProAssurance does business may have a disproportionately greater affect on it than they would have if it did business in markets outside that particular geographic area.

ProAssurance's business could be adversely affected by the loss of independent agents.

ProAssurance depends in part on the services of independent agents and brokers in the marketing of its insurance products. ProAssurance faces competition from other insurance companies for the services and allegiance of independent agents and brokers. These agents and brokers may choose to direct business to competing insurance companies or may direct less desirable risks to ProAssurance.

If market conditions cause reinsurance to be more costly or unavailable, ProAssurance may be required to bear increased risks or reduce the level of its underwriting commitments.

As part of its overall risk and capacity management strategy, ProAssurance purchases reinsurance for significant amounts of risk underwritten by its insurance company subsidiaries. Market conditions beyond ProAssurance's control determine the availability and cost of the reinsurance, which may affect the level of ProAssurance's business and profitability. ProAssurance may be unable to maintain current reinsurance coverage or to obtain other reinsurance coverage in adequate amounts and at favorable rates. If ProAssurance

Table of Contents

is unable to renew its expiring coverage or to obtain new reinsurance coverage, either its net exposure to risk would increase or, if it is unwilling to bear an increase in net risk exposures, ProAssurance would have to reduce the amount of its underwritten risk.

ProAssurance cannot guarantee that its reinsurers will pay in a timely fashion, if at all, and, as a result, it could experience losses.

ProAssurance transfers some of its risks to reinsurance companies in exchange for part of the premium it receives in connection with the risk. Although reinsurance makes the reinsurer liable to ProAssurance to the extent the risk is transferred, it does not relieve ProAssurance of its liability to its policyholders. If reinsurers fail to pay ProAssurance or fail to pay on a timely basis, ProAssurance's financial results would be adversely affected. At March 31, 2006, ProAssurance had reinsurance recoverables on paid losses and loss adjustment expenses of approximately \$331.5 million.

The guaranty fund assessments that ProAssurance is required to pay to state guaranty associations may increase and results of operations and financial condition could suffer as a result.

Each state in which ProAssurance operates has separate insurance guaranty fund laws requiring admitted property and casualty insurance companies doing business within their respective jurisdictions to be members of their guaranty associations. These associations are organized to pay covered claims (as defined and limited by the various guaranty association statutes) under insurance policies issued by insolvent insurance companies. Most guaranty association laws enable the associations to make assessments against member insurers to obtain funds to pay covered claims after a member insurer becomes insolvent. These associations levy assessments (up to prescribed limits) on all member insurers in a particular state on the basis of the proportionate share of the premiums written by member insurers in the covered lines of business in that state. Maximum assessments permitted by law in any one year generally vary between 1% and 2% of annual premiums written by a member in that state. Some states permit member insurers to recover assessments paid through surcharges on policyholders or through full or partial premium tax offsets, while other states permit recovery of assessments through the rate filing process.

Property and casualty guaranty fund assessments incurred by ProAssurance totaled \$226,000 and \$396,000 for 2005 and 2004, respectively. ProAssurance's policy is to accrue the insurance insolvencies when notified of assessments. ProAssurance is not able to reasonably estimate the liabilities of an insolvent insurer or develop a meaningful range of the insolvent insurer's liabilities because of inadequate financial data with respect to the estate of the insolvent company as supplied by the guaranty funds.

ProAssurance's business could be adversely affected by the loss of one or more key employees.

ProAssurance is heavily dependent upon its senior management and the loss of services of its senior executives could adversely affect its business. ProAssurance's success has been, and will continue to be, dependent on its ability to retain the services of existing key employees and to attract and retain additional qualified personnel in the future. The loss of the services of key employees or senior managers, or the inability to identify, hire and retain other highly qualified personnel in the future, could adversely affect the quality and profitability of ProAssurance's business operations.

ProAssurance's board of directors is in the process of considering succession planning relating to its Chief Executive Officer. Dr. Crowe, its current Chairman and Chief Executive Officer, has indicated to the board that he has no immediate plans for retirement.

Provisions in ProAssurance's charter documents, Delaware law and state insurance law may impede attempts to replace or remove management or impede a takeover, which could adversely affect the value of its common stock.

ProAssurance's certificate of incorporation, bylaws and Delaware law contain provisions that may have the effect of inhibiting a non-negotiated merger or other business combination. Additionally, the board of directors may issue preferred stock, which could be used as an anti-takeover device, without a further vote of

Table of Contents

ProAssurance's stockholders. ProAssurance currently has no preferred stock outstanding, and no present intention to issue any shares of preferred stock. However, because the rights and preferences of any series of preferred stock may be set by the board of directors in its sole discretion, the rights and preferences of any such preferred stock may be superior to those of ProAssurance's common stock and thus may adversely affect the rights of the holders of common stock.

The voting structure of common stock and other provisions of ProAssurance's certificate of incorporation are intended to encourage a person interested in acquiring ProAssurance to negotiate with, and to obtain the approval of, the board of directors in connection with a transaction. However, certain of these provisions may discourage ProAssurance's future acquisition, including an acquisition in which stockholders might otherwise receive a premium for their shares. As a result, stockholders who might desire to participate in such a transaction may not have the opportunity to do so.

In addition, state insurance laws provide that no person or entity may directly or indirectly acquire control of an insurance company unless that person or entity has received approval from the insurance regulator. An acquisition of control of ProAssurance's insurance operating subsidiaries generally would be presumed if any person or entity acquires 10% (5% in Alabama) or more of its outstanding common stock, unless the applicable insurance regulator determines otherwise.

These provisions apply even if the offer may be considered beneficial by stockholders.

If a change in management or a change of control is delayed or prevented, the market price of ProAssurance's common stock could decline.

Table of Contents

will have the same effect as votes cast against the proposal to approve and adopt the merger agreement and the merger.

Vote required for proposal 2. Assuming a quorum is present, the affirmative vote of a majority of the shares represented at the meeting and entitled to vote thereon is required to approve the proposal to adjourn the special meeting, if necessary, for the purpose of soliciting additional proxies. Abstentions will have the same effect as a vote against this proposal.

Proxies.

You should complete and return the proxy card accompanying this proxy statement-prospectus to ensure that your vote is counted at the special meeting, regardless of whether you plan to attend the special meeting.

All shares of PIC Wisconsin common stock represented by valid proxies that PIC Wisconsin receives through this solicitation, and not revoked before they are exercised, will be voted in the manner specified on the proxies. If you sign and return your proxy card but make no specification on your proxy card, your proxy will be voted **FOR** approval and adoption of the merger agreement and the merger and **FOR** approval of any adjournment or postponement of the special meeting, if necessary, to solicit additional proxies if there are not sufficient votes for approval and adoption of the merger agreement and the merger.

Adjournments of the special meeting may be made in accordance with PIC Wisconsin's bylaws. If the persons named as proxies by you are asked to vote for one or more adjournments of the special meeting for matters incidental to the conduct of the special meeting, such persons will have the authority to vote in their discretion on such matters. However, if the persons named as proxies by you are asked to vote for one or more proposals to adjourn the special meeting to a later date to solicit additional proxies in favor of the proposal to approve and adopt the merger agreement and the merger in the event that there are not sufficient votes to approve and adopt the merger agreement and the merger at the special meeting, such persons will only have the authority to vote on such matter as directed by you or your proxy, or, in the absence of such direction, in favor of such adjournment. No proxy voted against the proposal to approve and adopt the merger agreement and the merger will be voted in favor of any adjournments, postponements or continuations of the special meeting, unless specifically so designated on the proxy.

If you are a record holder of PIC Wisconsin common stock, you can revoke your proxy at any time before the vote is taken at the special meeting by submitting to PIC Wisconsin's corporate secretary written notice of revocation or a properly executed proxy of a later date, or by attending the special meeting and voting in person. Attendance at the special meeting will not by itself constitute revocation of a proxy. Written notices of revocation and other communications about revoking PIC Wisconsin proxies should be addressed to:

Attn: Corporate Secretary
Physicians Insurance Company of Wisconsin, Inc.
1002 Deming Way
Madison, Wisconsin 53744

PIC Wisconsin's board is unaware of any other matters that may be presented for action at the special meeting. If other matters do properly come before the special meeting, however, PIC Wisconsin intends that shares represented by proxies in the form accompanying this proxy statement-prospectus will be voted by and at the discretion of the persons named as proxies on the proxy card.

You should not send in any stock certificates with your proxy card. The exchange agent will mail to PIC Wisconsin shareholders a transmittal letter with instructions for the surrender of stock certificates as soon as practicable after the

completion of the merger.

Solicitation of proxies.

The proxies are solicited by and at the direction of the board of directors of PIC Wisconsin. PIC Wisconsin will bear the entire cost of soliciting proxies from its shareholders and the costs and expenses of printing and mailing this proxy statement-prospectus, except that ProAssurance will engage Mellon Investor

Table of Contents

Services LLC, which we refer to as Mellon, to act as exchange agent in the merger and to be responsible for tabulating the votes at the special meeting at the expense of ProAssurance. ProAssurance will pay all registration, filing and other fees relating to the merger paid to the SEC and the NYSE. In addition, PIC Wisconsin's directors, officers and regular employees may solicit proxies, without payment of additional compensation to such persons, either personally or by telephone, the Internet, telegram, fax, letter or special delivery letter.

Record date and voting rights.

In accordance with Wisconsin law and PIC Wisconsin's bylaws, PIC Wisconsin has fixed June 6, 2006, as the record date for determining the PIC Wisconsin shareholders entitled to notice of and to vote at the special meeting. Only PIC Wisconsin shareholders of record at the close of business on the record date are entitled to notice of and to vote at the special meeting and any adjournments or postponements of the special meeting. At the close of business on the record date, there were 19,657.1 shares of PIC Wisconsin common stock outstanding, held by 1,214 holders of record. The presence in person or by proxy of a majority of shares of common stock outstanding on the record date and entitled to vote will constitute a quorum for purposes of conducting business at the special meeting. On each matter properly submitted for consideration at the special meeting, each record holder is entitled to one vote for each outstanding share of PIC Wisconsin common stock.

Shares of PIC Wisconsin common stock present in person at the special meeting but not voting, and shares of PIC Wisconsin common stock for which PIC Wisconsin has received proxies indicating that their holders have abstained, will be counted as present at the special meeting for purposes of determining whether there is a quorum for transacting business at the special meeting.

As of the record date:

PIC Wisconsin's directors and executive officers beneficially owned 495.36 shares of PIC Wisconsin common stock, excluding unvested stock awards, representing approximately 2.52% of the shares entitled to vote at the special meeting. PIC Wisconsin currently expects that its directors and executive officers will vote the shares of PIC Wisconsin common stock they beneficially own FOR the approval and adoption of the merger agreement and the merger; and

ProAssurance and its directors and executive officers did not, as of the record date, beneficially own any shares of PIC Wisconsin common stock.

Recommendation of PIC Wisconsin's board of directors.

The PIC Wisconsin board has approved and adopted the merger agreement and the merger. The PIC Wisconsin board believes that the merger agreement and the transactions it contemplates are in the best interests of PIC Wisconsin and its shareholders, and unanimously recommends that PIC Wisconsin shareholders vote FOR approval and adoption of the merger agreement and the merger. The PIC Wisconsin board of directors also unanimously recommends that PIC Wisconsin shareholders vote FOR the approval of the proposal to adjourn the special meeting, if necessary, to solicit additional proxies if there are not sufficient votes for the merger proposal.

See Proposal 1: The Merger Recommendation of PIC Wisconsin's board of directors beginning on page 25 for a more detailed discussion of the PIC Wisconsin board's recommendation with regard to the merger agreement and the merger.

PROPOSAL 1: THE MERGER

The following discussion contains material aspects of the merger. Because this discussion is a summary, it may not contain all of the information that is important to you. To understand the merger fully, and for a more complete description of the legal terms of the merger, you should read carefully this entire proxy statement-prospectus and the documents we referred you to, including the merger agreement. See [Where You Can Find More Information](#) beginning on page 85.

A copy of the merger agreement without any schedules is attached as Appendix A to this proxy statement-prospectus and is incorporated by reference. You are encouraged to read the merger agreement completely and carefully as it is the legal document that governs the merger.

General.

ProAssurance's and PIC Wisconsin's boards of directors have unanimously approved and adopted the merger agreement and the merger. When the merger is completed:

PIC Wisconsin will become a wholly-owned subsidiary of ProAssurance;

each share of PIC Wisconsin common stock you own will be converted into the right to receive shares of ProAssurance common stock unless you properly exercise your dissenters' rights; and

after the completion of the merger, former PIC Wisconsin shareholders will own up to 7.4% of the then outstanding common stock of ProAssurance.

The shares of ProAssurance common stock to be issued in the merger will be authorized for listing on the NYSE, subject to official notice of issuance, before the completion of the merger.

ProAssurance and PIC Wisconsin are working towards completing the merger as quickly as possible, and expect to complete the merger early in the third quarter of 2006.

Background of the merger.

PIC Wisconsin was formed in 1986 as a Wisconsin stock insurance company. PIC Wisconsin's common stock was offered and sold at an initial offering price of \$600 from 1986 through January 1990 to licensed physicians and certain associated medical professionals who purchased shares as a condition of becoming policyholders of PIC Wisconsin's medical professional liability insurance. There has never been any public market for PIC Wisconsin common stock and, other than limited sales, gifts and bequests between and among shareholders, very few transfers of the stock have been made. PIC Wisconsin has never paid cash dividends to its shareholders.

Although the initial sale of PIC Wisconsin's common stock was accompanied by explicit cautionary representations regarding the stock's lack of liquidity and limited potential for investment returns, over the years PIC Wisconsin's board of directors has considered various means of providing shareholders with an opportunity to realize liquidity for their shares. Among the approaches considered were the creation or encouragement of a public trading market for the stock, as well as a public offering of PIC Wisconsin's common stock. The board concluded that neither of these approaches was feasible, considering the costs involved and PIC Wisconsin's paramount desire to maintain its physician ownership and governance.

In 1994, the board of directors authorized the redemption of approximately \$1.5 million, or a total of 2,480 shares of PIC Wisconsin common stock, from shareholders who wanted to sell their shares. Those who accepted the offer were paid \$600 in cash for each of their shares.

In 1995, PIC Wisconsin entered into a Reciprocal Stock Purchase Agreement with Physicians Insurance Company of Michigan, which is referred to as PICOM, pursuant to which the two companies exchanged shares of each other's stock. For purposes of that sale of stock, PIC Wisconsin's shares were valued at approximately \$1,580 per share. When PICOM, now known as ProNational Insurance Company, became part of the ProAssurance group of companies in 2001, PIC Wisconsin repurchased all of PICOM's shares for

Table of Contents

\$3,466 per share, which was the statutory book value of the shares at that time, pursuant to a call option in the Reciprocal Stock Purchase Agreement that was triggered by the change of control of PICOM.

In 1998, PIC Wisconsin again offered to redeem shares of PIC Wisconsin common stock. This redemption resulted in the repurchase of 2,528 shares for a total of approximately \$2.6 million, or an average of approximately \$1,014 per share.

By 2002, a renewed desire by PIC Wisconsin's shareholders for liquidity and value caused its board of directors again to review the available options. The board authorized management and counsel to prepare another redemption offer, this time for a maximum of 8,824 shares at \$1,700 per share, or a total of approximately 45% of the outstanding common stock for a total of \$15 million. This redemption program was abandoned, however, after PIC Wisconsin's shareholders failed to approve amendments to PIC Wisconsin's articles of incorporation necessary to implement the program at a special shareholders' meeting held in January 2003.

In late 2003 and continuing into 2004, management developed and presented to PIC Wisconsin's board of directors a recapitalization plan designed to offer liquidity to its shareholders, while at the same time retaining a base of ownership and control by its policyholders. For purposes of the recapitalization plan, PIC Wisconsin's common stock was valued at \$2,200 per share. The recapitalization plan was to use internally generated capital along with \$12 million from the proceeds of the sale of surplus notes. In May 2004, the board authorized the issuance of the surplus notes and set the date of a special meeting of shareholders to vote on the elements of the recapitalization plan. A proxy statement was prepared for the special shareholders' meeting that was scheduled for September 2004 and filed with the Office of the Commissioner of Insurance of Wisconsin, which is referred to as the OCI of Wisconsin.

In August 2004, PIC Wisconsin learned that a number of the largest PIC Wisconsin shareholders had retained a securities firm to find a buyer for their shares. Among the potential purchasers were ProAssurance and American Physicians Capital, Inc., both publicly traded medical malpractice insurance groups and competitors of PIC Wisconsin. In response, PIC Wisconsin's board of directors authorized management to investigate the facts and circumstances of this proposed transaction, analyze the potential impact of these sales on PIC Wisconsin, its other shareholders, policyholders and other constituencies, and make recommendations to the board of directors. In light of this development, the board postponed the special shareholders' meeting to consider and vote on the recapitalization plan.

On September 21, 2004, American Physicians Assurance Corporation, which is referred to as APA, a wholly-owned subsidiary of American Physicians Capital, Inc., filed a request with the OCI of Wisconsin for approval of the acquisition of 4,450 shares of PIC Wisconsin common stock from five current shareholders at a purchase price of \$3,800 per share. The APA filing also indicated that APA might purchase an additional 332 shares from an unidentified shareholder, which would bring APA's percentage ownership of PIC Wisconsin common stock to approximately 24%. Such an acquisition would give APA presumed control of PIC Wisconsin under Wisconsin's insurance laws, and therefore would require regulatory approval from the OCI of Wisconsin.

The board of directors of PIC Wisconsin considered the proposed acquisition by APA and determined that the proposed acquisition would not be in the best interests of PIC Wisconsin's shareholders and policyholders. At the board's direction, PIC Wisconsin President and CEO William T. Monte filed a letter dated September 29, 2004 with the OCI of Wisconsin opposing the proposed acquisition of control of PIC Wisconsin by APA on the grounds that the acquisition would be contrary to the interests of PIC Wisconsin's policyholders, would negatively affect its business and operations and would jeopardize the Wisconsin medical liability insurance market. The letter also stated that APA is not a fit and proper owner of PIC Wisconsin, and that the manner in which APA solicited proposed sellers of PIC Wisconsin shares may have been in violation of the law. The OCI of Wisconsin permitted PIC Wisconsin to become a party to the APA proceeding and commenced the process of evaluating the APA approval request.

Table of Contents

In October 2004, the PIC Wisconsin board of directors indefinitely postponed the special shareholders' meeting to vote on the recapitalization plan and directed management to explore and present to the board strategies to defend PIC Wisconsin against unwelcome acquisitions of its stock and hostile takeovers.

In November 2004, PIC Wisconsin received a letter from the President and CEO of APA requesting a meeting with the PIC Wisconsin board of directors. On the advice of counsel, the board directed PIC Wisconsin management to respond that the board would be willing to consider such a meeting if APA would first provide sufficient information about its business and intentions such that the board could properly assess the consequences to PIC Wisconsin's policyholders and its financial stability resulting from APA's proposed acquisition of PIC Wisconsin shares. In addition, the board reviewed with counsel and then adopted a shareholder rights agreement that permits PIC Wisconsin to defend itself against takeover attempts that the board considers contrary to the best interests of PIC Wisconsin and its shareholders. See Proposal 1: The Merger - Shareholder rights agreement on page 40.

In March 2005, PIC Wisconsin retained the investment banking firm of Cochran to advise the board of directors and assist in finding a suitable means of providing shareholder liquidity. Cochran contacted five potential investors who PIC Wisconsin or Cochran believed would be interested in making a minority investment in the company or other transactions that would offer at least some of its shareholders an opportunity to realize liquidity for their shares. None of these potential investors chose to pursue the purchase of a non-controlling interest in PIC Wisconsin. Concurrently, the board considered another redemption plan, as well as a plan to mutualize PIC Wisconsin that would transfer control of the company from the shareholders to policyholders. Ultimately, neither of these plans was deemed to fully satisfy the objectives of offering all PIC Wisconsin shareholders an opportunity to sell their shares at a fair price, while preserving the financial stability of PIC Wisconsin.

In April 2005, Cochran began contacting potential strategic partners for PIC Wisconsin. As part of that process, Cochran obtained confidentiality agreements from and distributed offering memoranda to three parties, including ProAssurance. Each of these parties responded by providing written indications of interest in a business combination with PIC Wisconsin, which Cochran reviewed with management and the board. One of the companies' offers involved a multi-step process with significant challenges at each step, so PIC Wisconsin's board of directors chose not to pursue it further.

In June 2005, the board of directors met with representatives of ProAssurance and one other company to discuss a potential transaction in which PIC Wisconsin would become a part of the acquiring organization, and its shareholders would receive either stock or cash, or a combination of stock and cash, in consideration for their shares. Both companies presented the board with term sheets. ProAssurance proposed a merger transaction in which PIC Wisconsin's shareholders would have a right to receive (i) the greater of the statutory book value or \$4,000 in cash, or (ii) shares of ProAssurance common stock with a value of the greater of 105% of statutory book value or \$4,200. As of March 31, 2005, PIC Wisconsin's statutory book value was \$3,789 per share. The other company offered a cash payment equal to statutory book value as of the date of the merger, and later raised its offer to 115% of statutory book value per share of PIC Wisconsin stock. In July 2005, PIC Wisconsin's board of directors met to consider the two proposals, by which time ProAssurance had increased its offer to (x) ProAssurance common stock with an implied value of \$5,000 per share of PIC Wisconsin common stock, or (y) cash equal to the greater of \$4,000 or the statutory book value per share of PIC Wisconsin common stock. ProAssurance later withdrew the cash option from its offer. The board authorized management to proceed with reciprocal due diligence with both companies.

During this period, two other parties expressed an interest in entering into discussions for the acquisition of PIC Wisconsin, including APA. Cochran was asked by PIC Wisconsin's board of directors to analyze these overtures and advise the board whether to pursue discussions with these companies. In July 2005, Cochran and PIC Wisconsin's legal counsel met with the board to consider these issues. Cochran advised the board that one of the two candidates had a significant market share in Wisconsin which, when combined with PIC Wisconsin's sales figures, would

comprise more than 50% of the Wisconsin medical malpractice insurance market. Discussions with that company did not go further because of the perceived risk that a merger with that company could raise issues with antitrust and insurance regulators, which could substantially delay or prevent

Table of Contents

the proposed merger. That company also verbally indicated that it did not foresee paying more than statutory book value for PIC Wisconsin shares, which was less than the bids PIC Wisconsin received from ProAssurance and the other bidder. The other company, APA, had already entered into contracts to purchase approximately 24% of PIC Wisconsin's common stock, subject to approval by the OCI of Wisconsin. PIC Wisconsin's legal counsel reviewed the reasons that PIC Wisconsin was opposing that acquisition in the proceeding pending before the OCI of Wisconsin and the information about APA obtained in discovery. Cochran informed the board of the risks that a transaction with APA may have to PIC Wisconsin. Among other things, Cochran noted that in November 2003, APA took a reserve charge of \$43.4 million, or 6.4% of total reserves. Furthermore, APA was rated B+ (with negative implications) by A.M. Best, while PIC Wisconsin was rated A- (excellent with stable outlook), so an acquisition by APA would pose a threat to its A.M. Best rating. Cochran also pointed out that, based upon an accretion/dilution analysis, it was unlikely that APA would top the ProAssurance offer. PIC Wisconsin's board of directors requested Cochran to continue its analysis of the two potential merger partners and prepare recommendations.

In September 2005, APA announced that it had purchased approximately 9.9% of the PIC Wisconsin common stock and filed a motion with OCI of Wisconsin to withdraw its original September 2004 request for approval to acquire approximately 24% of PIC Wisconsin common stock and to dismiss the proceeding. The OCI of Wisconsin denied APA's motion to withdraw on the grounds that APA's intentions were not conclusively established by its representations that it does not intend to acquire any more PIC Wisconsin common stock, and the OCI of Wisconsin retained jurisdiction in the matter. That proceeding before the OCI of Wisconsin, although stayed, remains pending.

At its meeting in October 2005, PIC Wisconsin's board of directors, with Cochran's advice, reviewed alternative courses of action, including its search for a passive minority investor, consideration of a redemption and recapitalization plan, potential mutualization of the company, and solicitation of expressions of interest for the purchase of the company. The board determined that the best alternative for both the company and its shareholders would be a sale of the company, and that a transaction with ProAssurance was preferable to any other transaction that had been proposed. The board directed management and counsel to continue due diligence with ProAssurance and prepare a definitive agreement for the board's consideration. The board met again in November 2005 to receive a report on the status of the merger agreement and due diligence activities with ProAssurance.

On December 7, 2005, PIC Wisconsin's board of directors, following a presentation by PIC Wisconsin's legal counsel and by Cochran, receipt of Cochran's oral opinion that the ProAssurance merger consideration is fair from a financial point of view to the PIC Wisconsin shareholders, and a review of the terms of the ProAssurance merger agreement, authorized management to enter into the merger agreement. The board also approved amendments to the rights agreement that excluded ProAssurance, the merger agreement and the merger from the effects of the rights agreement.

On December 8, 2005, the rights agreement was amended, Cochran delivered its written opinion dated December 8, 2005 that the merger consideration is fair from a financial point of view to the PIC Wisconsin shareholders, the merger agreement was signed and delivered, and the merger was publicly announced. On December 21, 2005, ProAssurance filed with the OCI of Wisconsin its request for approval of the acquisition of control of PIC Wisconsin on Form A, in accordance with the terms of the merger agreement.

Recommendation of PIC Wisconsin's board of directors.

At a special meeting of PIC Wisconsin's board of directors held on December 7, 2005, after careful consideration, PIC Wisconsin's board of directors determined that the approval and adoption of the merger agreement and the merger are advisable and in the best interests of PIC Wisconsin and its shareholders. PIC Wisconsin's board of directors has unanimously approved and adopted the merger agreement and the merger. **PIC Wisconsin's board of directors unanimously recommends that holders of PIC Wisconsin common stock vote FOR the approval and adoption of the merger agreement and the merger.**

Table of Contents

In reaching its decision to approve and adopt the merger agreement and the merger and to recommend that holders of PIC Wisconsin common stock vote to approve and adopt the merger agreement and the merger, PIC Wisconsin's board of directors considered a number of factors, including the following:

the business, competitive position and prospects of PIC Wisconsin (as well as the risks involved in achieving these prospects), the competitive nature of the industry in which PIC Wisconsin operates and the current industry, economic and market conditions;

the greater financial strength and stability that ProAssurance would bring to PIC Wisconsin and its shareholders and policyholders;

the strategic fit between PIC Wisconsin and ProAssurance based on the similarity of their management philosophies, including their common heritage of physician involvement and their strong commitment to serving the medical community through their professional liability insurance products;

the fact that the merger consideration represents a premium above statutory book value;

the consideration to be received by its shareholders, constituting shares of ProAssurance common stock, will allow most of its shareholders to defer recognition of any gain or loss for federal income tax purposes on the exchange of their shares for ProAssurance shares in the merger, except to the extent a shareholder receives cash in lieu of fractional shares;

there currently is sufficient liquidity in the public market for ProAssurance stock that PIC Wisconsin shareholders who wish to realize cash from the transaction by selling the ProAssurance shares they receive in exchange for their PIC Wisconsin shares should be able to do so;

the financial analyses presented by Cochran as well as Cochran's written opinion that the merger consideration to be received by PIC Wisconsin's shareholders pursuant to the merger agreement is fair to the shareholders from a financial point of view; a copy of the Cochran opinion is attached as *Appendix C* to this proxy statement-prospectus and should be read in its entirety for a description of the assumptions made, procedures followed, matters considered and limitations on the review undertaken by Cochran;

the fact that the merger is not subject to any financing conditions;

the fact that expressions of interest received from potential strategic parties over the last several years (prior to the commencement of discussions with ProAssurance) have not resulted in any proposal or offer to acquire or other strategic transaction that compares favorably to the ProAssurance offer and to the terms contained in the merger agreement;

the possible alternatives to the merger, including continuing to operate PIC Wisconsin as an independent entity, the perceived risks of those alternatives, the range of potential benefits to its shareholders of the possible alternatives, the timing and likelihood of accomplishing the goals of such alternatives, and PIC Wisconsin's board of directors' assessment that none of the alternatives were reasonably likely to present superior opportunities for PIC Wisconsin or to create greater value for its shareholders than the merger;

the general terms and conditions of the merger agreement, including consideration of several specific provisions of the merger agreement, such as the following:

reciprocal representations and warranties;

definitions of material adverse effect ;

limited conditions to ProAssurance's obligation to complete the merger;

ability of PIC Wisconsin's board of directors to terminate the merger agreement in the exercise of its fiduciary duties, under specific circumstances upon the occurrence of a PIC Wisconsin Acquisition Event ;

Table of Contents

a termination fee believed to be within the range of reasonable termination fees provided for in comparable transactions and not to be a significant deterrent to competing offers; and

PIC Wisconsin's ability to carry on its business without material interruption during the period in which regulatory approvals are to be obtained and until the merger is consummated;

the likelihood that the proposed transaction would be completed, in light of ProAssurance's demonstrated commitment to the transaction and that ProAssurance has successfully completed several other similar transactions;

the fact that its shareholders who dissent from the merger will have dissenters' rights under Wisconsin law; and

the current environment and trends in the medical malpractice insurance industry, including some legal and regulatory uncertainties unique to the State of Wisconsin, as well as industry consolidation and pricing trends.

In the course of its deliberations, PIC Wisconsin's board of directors also considered a variety of risks and other potentially negative factors, including the following:

the risks related to the announcement and pendency of the merger, including the impact of the merger on its employees and policyholders and the expected effect of the merger on its existing relationships with its agents and other third parties;

the fact that PIC Wisconsin will no longer exist as an independent company headquartered in Wisconsin;

the risk that the merger might not receive the necessary regulatory approvals and clearances to complete the merger, or that government authorities might attempt to condition their approval of the merger on one or more of the parties' compliance with certain burdensome terms or conditions;

the risk that the per share merger consideration may be less than \$5,000, should the average price of ProAssurance common stock at the effective time of the merger be less than \$39.80 per share;

the risk that its long-standing relationship with the Wisconsin Medical Society might suffer by reason of the fact that fewer Wisconsin physicians will have governance responsibilities with respect to the company; and

the risk that APA, which has announced that it has purchased approximately 9.9% of PIC Wisconsin's common stock, may oppose the merger.

PIC Wisconsin's board concluded that the anticipated benefits of combining with ProAssurance outweighed the preceding risks.

Although each member of PIC Wisconsin's board individually considered these and other factors, the board did not collectively assign any specific or relative weights to the factors considered and did not make any determination with respect to any individual factor. The board collectively made its determination with respect to the merger based on the conclusion reached by its members that, in light of the factors that each of them considered appropriate, the merger is in the best interests of PIC Wisconsin and its shareholders.

PIC Wisconsin's board of directors realized there can be no assurance about future results, including results expected or considered in the factors listed above. However, the board concluded the potential positive factors outweighed the

potential risks of consummating the merger.

It should be noted that this explanation of the PIC Wisconsin board's reasoning and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under the heading "Forward-Looking Statements" on page 86.

Opinion of PIC Wisconsin's financial advisor.

By an engagement letter dated March 8, 2005, PIC Wisconsin retained Cochran to act as financial advisor to PIC Wisconsin in connection with any proposed business combination involving PIC Wisconsin and, among other things, to render an opinion to PIC Wisconsin's board of directors as to the fairness, from a financial point of view, of a business combination. Cochran is a nationally recognized investment banking firm whose principal business specialty is insurance-related entities. In the ordinary course of its investment banking business, Cochran is regularly engaged in the valuation of insurance companies and their securities in connection with mergers and acquisitions and other corporate transactions. Cochran was selected to act as investment banker to PIC Wisconsin, in part, because of Cochran's expertise and its reputation in investment banking and mergers and acquisitions with respect to insurance-related entities.

Cochran acted as financial advisor to PIC Wisconsin in connection with the proposed merger and participated in certain of the negotiations leading to the merger agreement. At the December 7, 2005 meeting of PIC Wisconsin's board, at which PIC Wisconsin's board considered and approved the final form of the merger agreement, Cochran delivered to the board, Cochran's oral opinion, that, as of such date, the consideration to be received by PIC Wisconsin's shareholders in the merger was fair from a financial point of view. Cochran confirmed its December 7, 2005 oral opinion by delivering to the board a written opinion dated December 8, 2005, which is referred to herein as Cochran's opinion.

The full text of Cochran's opinion is attached as *Appendix C* to this proxy statement-prospectus, and is incorporated by reference into this proxy statement-prospectus. The opinion outlines the procedures followed, assumptions made, matters considered and qualifications and limitations on the review undertaken by Cochran in rendering its opinion. The opinion was directed to the PIC Wisconsin board and is directed only to the fairness, from a financial point of view, of the merger consideration to holders of PIC Wisconsin common stock. It does not address the underlying business decision of PIC Wisconsin to engage in the merger or any other aspect of the merger, and is not a recommendation to any PIC Wisconsin shareholder as to how such shareholder should vote at the special meeting with respect to the merger or any other matter. Cochran expressed no opinion as to the price at which either PIC Wisconsin or ProAssurance shares may trade prior to or following consummation of the merger. Cochran's opinion was necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to Cochran as of, the date of the Cochran opinion. Cochran's opinion speaks only as of the date of the opinion, and Cochran assumed no responsibility for updating or revising the Cochran opinion based on circumstances or events occurring after the date of the Cochran opinion. The description of the opinion set forth below is qualified in its entirety by reference to the opinion. The following is only a summary of the Cochran opinion. You are urged to read the entire opinion carefully in connection with your consideration of the proposed merger.

In connection with rendering Cochran's opinion, Cochran reviewed and considered, among other things:

the merger agreement;

certain publicly available financial statements and other historical financial information of PIC Wisconsin that Cochran deemed relevant;

certain publicly available financial statements and other historical financial information of ProAssurance that Cochran deemed relevant;

earnings projections and earnings per share estimates for PIC Wisconsin for the year ending December 31, 2005, prepared by and reviewed in discussions with senior management of PIC Wisconsin and earnings projections for PIC Wisconsin for the years thereafter, reviewed in discussions with senior management of PIC Wisconsin;

publicly available earnings per share estimates for ProAssurance for the years ending December 31, 2005, 2006 and 2007 and long-term earnings per share growth rate estimates for periods thereafter published by Thomson First Call and reviewed with senior management of ProAssurance as to reasonableness for use by Cochran in its analysis;

Table of Contents

the pro forma financial impact of the merger on ProAssurance based on assumptions made by senior executives of ProAssurance relating to transaction expenses, purchase accounting adjustments, cost savings and expenses;

the publicly reported historical price and trading activity for ProAssurance's common stock, including a comparison of certain financial and stock market information of ProAssurance with similar publicly available information for certain other publicly traded companies;

the financial terms, to the extent publicly available, of certain recent business combinations in the medical malpractice insurance industry;

the current market environment generally and the medical malpractice insurance industry environment in particular; and

such other information, financial studies, analyses and investigations and financial, economic and market criteria as Cochran considered relevant.

Cochran also discussed with certain members of senior management of PIC Wisconsin the business, financial condition, results of operations and prospects of PIC Wisconsin and held similar discussions with certain members of senior management of ProAssurance regarding the business, financial condition, results of operations and prospects of ProAssurance. Cochran's financial statement analysis of PIC Wisconsin was done entirely from statutory accounting statements. PIC Wisconsin does not produce GAAP statements in its normal course of operation. Cochran, with the consent of PIC Wisconsin's management, estimated GAAP financial results based on PIC Wisconsin's statutory results and projections, which estimates were judged reasonable by PIC Wisconsin's management.

In performing its reviews and analyses and in rendering its opinion, Cochran relied upon the accuracy and completeness of all of the financial and other information that was available from public sources, that was provided by PIC Wisconsin or ProAssurance or their respective representatives or that was otherwise reviewed by Cochran and have assumed such accuracy and completeness for purposes of rendering this opinion. Cochran further relied on the assurances of management of PIC Wisconsin and ProAssurance that they were not aware of any facts or circumstances that would make any of such information materially inaccurate or misleading. With respect to financial forecasts, Cochran assumed that they were reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of PIC Wisconsin as to its future financial performance. Cochran assumed no responsibility for and expressed no view as to such forecasts or the assumptions on which they were based. Cochran has not been asked to and has not undertaken an independent verification of any of such information and Cochran does not assume any responsibility or liability for the accuracy or completeness thereof. Cochran did not make an independent evaluation or appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of PIC Wisconsin or ProAssurance or any of their subsidiaries, or the collectibility of any such assets, nor has Cochran been furnished with any such evaluations or appraisals. Cochran has not been furnished with any actuarial analysis or reports, except for certain analysis and reports prepared by PIC Wisconsin's actuarial advisors. Cochran is not an actuarial firm and its services did not include actuarial determinations or evaluations by it or an attempt to evaluate any actuarial assumptions. In that regard, Cochran has made no analysis of, and expresses no opinion as to, the adequacy of PIC Wisconsin's losses and loss adjustment expense reserves or of ProAssurance's under any state or federal laws relating to bankruptcy, insolvency or similar matters.

Cochran's opinion was necessarily based upon financial, economic, market and other conditions as they existed on, and could be evaluated as of, the date of the opinion. Cochran assumed, in all respects material to its analyses, that all of the representations and warranties contained in the merger agreement and all related agreements are true and correct, that each party to such agreements will perform all of the covenants required to be performed by such party under

such agreements and that the conditions precedent in the merger agreement are not waived. Cochran also assumed, with PIC Wisconsin's consent, that there has been no material change in PIC Wisconsin's or ProAssurance's assets, financial condition, results of operations, business or prospects since the date of the last financial statements made available to Cochran, that

Table of Contents

PIC Wisconsin and ProAssurance will remain as going concerns for all periods relevant to its analyses, and that the merger will qualify as a tax-free reorganization for federal income tax purposes. Finally, with PIC Wisconsin's consent, Cochran relied upon the advice PIC Wisconsin received from its legal, actuarial, accounting and tax advisors as to all legal, actuarial, accounting and tax matters relating to the merger agreement and the other transactions contemplated thereby. Cochran did not express any opinion as to any tax or other consequences that might result from the merger, nor did the Cochran opinion address any legal, tax, regulatory or accounting matters.

In rendering Cochran's opinion, Cochran performed a variety of financial analyses. The following is a summary of the material analyses performed by Cochran, but is not a complete description of all the analyses underlying Cochran's opinion. The summary includes information presented in tabular format. In order to fully understand the financial analyses, these tables must be read together with the accompanying text. The tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Cochran's financial analyses.

The preparation of a fairness opinion is a complex process involving subjective judgments as to the most appropriate and relevant methods of financial analyses and the application of those methods to the particular circumstances. The process, therefore, is not necessarily susceptible to a partial analysis or summary description. Cochran believes that its analyses must be considered as a whole and that selecting portions of the factors and analyses considered without considering all factors and analyses, or attempting to ascribe relative weights to some or all such factors and analyses, could create an incomplete view of the evaluation process underlying its opinion. Also, no company included in Cochran's comparative analyses described below is identical to PIC Wisconsin or ProAssurance and no transaction is identical to the merger. Accordingly, an analysis of comparable companies or transactions involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the public trading values or merger transaction values, as the case may be, of PIC Wisconsin or ProAssurance and the companies to which they are being compared. Accordingly, the estimates used in, and the results derived from, Cochran's analyses are inherently subject to substantial uncertainty.

The financial projections and earning estimates used and relied upon by Cochran in its analyses for PIC Wisconsin were reviewed with the senior management of PIC Wisconsin who confirmed to Cochran that those projections reflected the best currently available estimates and judgments of such management of the future financial performance of PIC Wisconsin. The earnings per share estimates used and relied upon by Cochran in its analyses for ProAssurance were reviewed by senior management of ProAssurance as to reasonableness for use in Cochran's analyses. The projections of transaction costs, estimates of purchase accounting adjustments and expected cost savings relating to the merger used and relied upon by Cochran in its analyses were reviewed with senior management of ProAssurance and such management confirmed that those projections reflected the best currently available estimates and judgments of such management. With respect to all projections and estimates used in its analyses, Cochran assumed that financial projections or estimates or the assumptions on which they were based were reasonable. These projections and estimates, as well as the other estimates used by Cochran in its analyses, were based on numerous variables and assumptions which are inherently uncertain and, accordingly, actual results could vary materially from those set forth in such projections and estimates.

In performing its analyses, Cochran also made numerous assumptions with respect to industry performance, business and economic conditions and various other matters, many of which cannot be predicted and are beyond the control of PIC Wisconsin, ProAssurance and Cochran. The analyses performed by Cochran are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by such analyses. Cochran prepared its analyses solely for purposes of rendering its opinion and provided such analyses to the PIC Wisconsin board at the board's December 7, 2005 meeting. Estimates of the values of companies do not purport to be appraisals or necessarily reflect the prices at which companies or their securities may actually be sold. Such estimates

are inherently subject to uncertainty and actual values may be materially different. Accordingly, Cochran's analyses do not necessarily reflect the value

Table of Contents

of PIC Wisconsin's stock or ProAssurance's common stock or the prices at which PIC Wisconsin's or ProAssurance's common stock may be sold at any time.

Summary of Merger Consideration. Cochran reviewed the financial terms of the proposed transaction. Within a range, the ratio of PIC Wisconsin shares exchanged for ProAssurance shares will float to ensure that each share of PIC Wisconsin will be exchanged in the merger for ProAssurance common stock having an implied value of \$5,000. This mechanism will remain in effect so long as the average price of a share of common stock of ProAssurance at the effective time of the merger is no less than \$39.80 and no more than \$59.71 per share, which is a range of 20% above or below the average price of a share of stock of ProAssurance on the ten trading days preceding the date of the execution of the merger agreement.

Based upon estimated per share financial information for PIC Wisconsin for the twelve-month period ending December 31, 2005, Cochran calculated multiples of the transaction value to estimated statutory book value per share of PIC Wisconsin as of December 31, 2005, adjusted as described below. Cochran also calculated multiples of the transaction value to estimated 2006 earnings per share of PIC Wisconsin as provided by PIC Wisconsin management, adjusted as described below.

Discounted Cash Flow Analysis. Cochran performed an analysis that estimated the future stream of cash flows of PIC Wisconsin through December 31, 2010 assuming that PIC Wisconsin performed in accordance with the earnings projections for 2005 and the years thereafter, furnished by and/or reviewed with senior management of PIC Wisconsin. To approximate the terminal value of PIC Wisconsin's common stock at December 31, 2010, Cochran applied a multiple of book value of 1.30, based on PIC Wisconsin's return on equity in 2010 and utilizing a regression analysis of the price to book value ratios and returns on equity of companies whose stock is publicly traded and which Cochran determined were comparables to PIC Wisconsin. Cochran then discounted the cash flow streams and terminal values to present values using different discount rates ranging from 10.5% to 14.5%, which were chosen to reflect different assumptions regarding required rates of return of holders or prospective buyers of PIC Wisconsin's

stock. As shown below, the analysis indicated a range of values per share of PIC Wisconsin stock of \$3,644 to \$4,653, which is below the implied value of \$5,000 per share of PIC Wisconsin common stock in the merger.

Selected Merger Transactions Analysis. Cochran also reviewed certain merger and acquisition transactions announced since 1997 involving medical malpractice insurers as acquired institutions for which public information was available. To the extent available, Cochran reviewed the transaction equity values as a multiple of (a) last twelve months earnings of the target companies, and (b) the target companies book values as of the transaction date. Cochran then applied the high and low multiples from the transaction to the financial information of PIC Wisconsin for the last twelve months ending December 31, 2005 and calculated an implied range of values for PIC Wisconsin stock of \$3,039 to \$4,812 per share. The implied value of \$5,000 per share of PIC Wisconsin stock in the merger is above the high point of this range.

Comparable Company Analysis. Cochran next used publicly available information to compare selected financial and market trading data for a group of publicly traded malpractice insurance groups which consisted of the following:

ProAssurance Corporation

FPIC Insurance Group, Inc.

American Physicians Capital, Inc.

SCPIE Holdings, Inc.

To the extent publicly available, Cochran reviewed the stock price of the comparable companies as of December 6, 2005 as a multiple of the following for each of the companies: (a) 2005 estimated earnings per share; (b) 2006 estimated earnings per share; and (c) estimated book value at December 31, 2005. Cochran calculated the multiples for the above comparable companies and then applied the 2005 and 2006 high and low estimated earnings per share and book value multiples for those companies to PIC Wisconsin's estimated earnings and to PIC Wisconsin's estimated GAAP book value as of December 31, 2005 to derive imputed ranges of values for PIC Wisconsin's stock. Cochran applied a control premium of 10% for the low range and 20% for the high range to the implied values to arrive at a range of \$3,293 to \$4,559 per share of

PIC Wisconsin stock. The implied value of \$5,000 per share of PIC Wisconsin stock is above the high point of this range.

Premiums Paid Analysis. In addition to applying the above multiples to recent precedent transactions, Cochran reviewed five publicly traded insurance groups that have been wholly acquired over the last year. The average premium paid to the closing stock price the day before the transaction was announced was 8.3%. ProAssurance's offer of \$5,000 per share is 31.6% higher than the \$3,800 price per share of APA's recent reported acquisition of PIC

Wisconsin shares.

Pro Forma Merger Analysis. Cochran also analyzed certain potential pro forma effects of the merger, assuming the following:

the merger closed on December 31, 2005;

earnings per share projections for PIC Wisconsin are consistent with per share estimates for 2006 and 2007 confirmed with PIC Wisconsin's senior management;

earnings per share projections for ProAssurance are consistent with per share estimates for 2006 and 2007 published by Thomson First Call and reviewed with senior management of ProAssurance as to reasonableness for use by Cochran in its analyses; and

purchase accounting adjustments, charges and transaction costs associated with the merger and cost savings determined by the senior management of ProAssurance.

The analyses indicated that for the years ending December 31, 2006 and 2007, the merger would be dilutive to ProAssurance's projected earnings per share and accretive to book value per share for the same time period. The actual results will vary depending on synergies achieved by the combination of the companies.

Cochran's opinion and financial analyses were not the only factors considered by PIC Wisconsin's board of directors in its evaluation of the merger and should not be viewed as determinative of the views of the PIC Wisconsin's board of directors or management. Cochran has consented to the inclusion of and references to Cochran's opinion in this proxy statement-prospectus.

Cochran acted as financial advisor to PIC Wisconsin in connection with the merger and has received and will receive fees for its services. PIC Wisconsin has agreed to pay Cochran a transaction fee in connection with the merger, of which \$350,000 has been paid and the balance of which is contingent, and payable, upon closing of the merger. The total transaction fee will be \$1,000,000. The \$350,000 represented a non-refundable fee for rendering its opinion, which will be credited against the transaction fee payable at closing. PIC Wisconsin has also agreed to reimburse certain of Cochran's reasonable out-of-pocket expenses incurred in connection with its engagement (including the fees and expenses of its legal counsel), and to indemnify Cochran and its affiliates and their respective partners, directors, officers, employees, agents, and controlling persons against certain expenses and liabilities, including liabilities under

securities laws, related to its engagement. In 2004, Cochran also acted as an advisor to PIC Wisconsin in connection with the placement of PIC Wisconsin's surplus notes, in the principal amount of \$12 million, and acted as an advisor to PIC Wisconsin on certain corporate restructuring matters, and received customary fees for such services.

Cochran also has acted as a financial advisor to ProAssurance in the past and has received customary compensation for such services. Among the services provided by Cochran to ProAssurance in the last two years, are the following:

Cochran provided advisory services in connection with ProAssurance's acquisition of renewal rights in selected OHIC Insurance Company states;

Table of Contents

Cochran acted as an advisor in connection with the placement of ProAssurance's trust preferred securities in the principal amount of \$45 million;

Cochran provided general transaction advisory services and issued a fairness opinion in connection with ProAssurance's acquisition of the outstanding minority interests in MEEMIC Insurance Company;

Cochran provided general transaction advisory services and issued a fairness opinion in connection with ProAssurance's acquisition of NCRIC Group, Inc.; and

Cochran provided general transaction advisory services in connection with ProAssurance's sale of MEEMIC Insurance Company and MEEMIC Insurance Services Corporation to Motors Insurance Corporation.

Cochran may also provide investment banking services for ProAssurance in the future and may receive compensation for such services, including payments following the date of its fairness opinion but prior to the consummation of the merger.

In the ordinary course of Cochran's business as a broker-dealer, Cochran may purchase securities from and sell securities to ProAssurance and its affiliates. Cochran may also actively trade the debt and/or equity securities of ProAssurance or its affiliates for Cochran's own account and for the accounts of Cochran customers and, accordingly, may at any time hold a long or short position in such securities.

ProAssurance board of directors' reasons for the merger.

After careful consideration, at its meeting on December 7, 2005, ProAssurance's board determined that the merger agreement and the merger are in the best interests of ProAssurance and its stockholders. Accordingly, ProAssurance's board, by a unanimous vote of the directors, adopted the merger agreement.

In concluding that the merger is in the best interests of ProAssurance and its stockholders, ProAssurance's board considered information and analyses regarding the business of PIC Wisconsin and the proposed merger provided by management and by outside financial, legal and actuarial advisors. ProAssurance's board considered, among other things, the following factors that supported the decision to approve the merger:

the merger with PIC Wisconsin is consistent with ProAssurance's goal of building a larger and stronger professional liability organization with similar classes of business in states within or adjacent to ProAssurance's geographic footprint;

the merger will continue the expansion of ProAssurance's medical professional liability insurance business through combinations with other professional liability insurers;

ProAssurance has had success integrating other companies like PIC Wisconsin that were originally formed by physicians and that are close with the local physician community;

PIC Wisconsin's claims and underwriting staff will enable ProAssurance to apply local knowledge to individual risk selection and claims management in Wisconsin and surrounding states; and

from a financial point of view, the board believes that the merger will benefit ProAssurance's stockholders.

ProAssurance's board also considered the following factors that potentially created risks if the board decided to approve the merger:

the inherent volatility of reserves for any medical malpractice company;

the negative impact that the recent loss of the Wisconsin cap on non-economic damages could have on existing claims reserves and on the liability climate in Wisconsin;

the percentage of business written by PIC Wisconsin outside of the State of Wisconsin where PIC Wisconsin has less experience and historical data; and

Table of Contents

the percentage of business written on the occurrence form which has historically produced more volatile results than the claims-made form.

ProAssurance's board concluded that the anticipated benefits of combining with PIC Wisconsin outweighed the preceding risks.

Although each member of ProAssurance's board individually considered these and other factors, the board did not collectively assign any specific or relative weights to the factors considered and did not make any determination with respect to any individual factor. The board collectively made its determination with respect to the merger based on the conclusion reached by its members that, in light of the factors that each of them considered appropriate, the merger is in the best interests of ProAssurance and its stockholders.

ProAssurance's board of directors realized there can be no assurance about future results, including results expected or considered in the factors listed above, such as assumptions regarding anticipated earnings accretion. However, the board concluded the potential positive factors outweighed the potential risks of consummating the merger.

It should be noted that this explanation of the ProAssurance board's reasoning and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under the heading "Forward-Looking Statements" on page 86.

PIC Wisconsin representative on ProAssurance's board of directors.

The merger agreement provides that PIC Wisconsin has the right to nominate one person for election as a director of ProAssurance promptly after the effective time of the merger. The person to be appointed as a director must meet the following conditions before the person will be elected as a director of ProAssurance:

the person must be a physician;

the person must consent to serving as a director and to being named as a nominee for director in the proxy statement used for the solicitation of proxies by the board of directors of ProAssurance for the election of directors; and

the board of directors of ProAssurance must find that the person is an independent director consistent with its policy for determining director independence.

PIC Wisconsin has nominated William J. Listwan, M.D. to serve on ProAssurance's board of directors upon completion of the merger. Dr. Listwan is a director and the Chair of the board of directors of PIC Wisconsin and has consented to serve as a director of ProAssurance. Based on information provided by Dr. Listwan, ProAssurance's board of directors, at a meeting on May 17, 2006, found that Dr. Listwan met ProAssurance's criteria for independent directors as of that date. If Dr. Listwan continues to meet the above requirements, the ProAssurance board of directors will elect Dr. Listwan at its first meeting after the effective time of the merger to serve in the class of directors whose terms will expire at the 2007 annual meeting of ProAssurance's stockholders, and the ProAssurance board will nominate Dr. Listwan or another nominee of PIC Wisconsin for election as a director at the 2007 annual meeting. If elected, Dr. Listwan or another nominee of PIC Wisconsin will serve for a three year term expiring at the 2010 annual meeting of stockholders.

Dr. Listwan, 63, has been a member of the board of directors of PIC Wisconsin since its inception and Chair since May 2004. He also serves as Chair of PIC Wisconsin's Claims and the Governance Committees and serves on the

Audit and Underwriting & Risk Management Committees. Dr. Listwan is a past President and Director of the Wisconsin Medical Society and currently chairs the Statewide Physician Health Committee for the Wisconsin Medical Society. Dr. Listwan has practiced Internal Medicine at the Aurora Health Center-West Bend (formerly the General Clinic) from 1974 to April 2006. He currently is employed by the Medical College of Wisconsin and serves on its board. He attended Marquette University in Milwaukee and received his medical degree from the Medical College of Wisconsin.

Table of Contents

Dr. Listwan received a total of \$53,829 in director fees in 2005. The fees consisted of a \$20,000 retainer as Chair of the board of directors, \$1,200 per regular and special board meeting, \$1,000 per Audit Committee and Underwriting & Risk Management Committee meeting, \$1,200 per Claims Committee and Governance Committee meeting and a \$429 holiday gift. The payment of director's annual fees and meeting fees may be deferred by any director of PIC Wisconsin at the director's election. Dr. Listwan's stock ownership information is included in Security Ownership of Certain Beneficial Owners and Management of PIC Wisconsin on page 83. He did not receive in 2005 any shares under PIC Wisconsin's long term stock plan. After he is elected as a director of ProAssurance, Dr. Listwan will receive director compensation in the amount of \$2,000 per month plus \$1,000 for each day that he attends a board or committee meeting. He will also be eligible to participate as a director in the ProAssurance Corporation Stock Ownership Plan and the ProAssurance Corporation Director Deferred Compensation Plan.

Interests of certain persons in the merger.

Some of PIC Wisconsin's executive officers and directors have interests in the merger that are in addition to and may be different from their interests as PIC Wisconsin shareholders they may share with you. The PIC Wisconsin board of directors was aware of these different interests and considered them, among other matters, in approving and adopting the merger agreement and the merger.

Change of control benefits policy. The board of directors of PIC Wisconsin adopted a change of control benefits policy effective January 31, 2005, which provides for severance benefits for certain officers of PIC Wisconsin if, within eighteen months after a change of control, employment of an eligible officer is terminated either by PIC Wisconsin without cause or by the officer after certain specified changes in employment conditions.

The change of control benefits policy provides severance benefits upon any such termination of employment for William T. Montei as chief executive officer, David L. Maurer as chief financial officer, Christopher J. Brady as senior vice president, and Penelope R. O'Hara as vice president, who comprise all of PIC Wisconsin's executive officers. The severance benefits include:

salary continuation for two years;

reimbursement of COBRA expenses for two years unless COBRA eligibility is terminated sooner;

continued use of an automobile or an allowance for automobile use for two years in accordance with the then current automobile policy of PIC Wisconsin;

outplacement services having a value of not more than \$15,000;

payment of pro rata bonus compensation for the then current year based on assumed 100% achievement of performance objectives (Mr. Montei is entitled to two times his bonus compensation); and

reimbursement for premiums paid on any life insurance policies maintained for the executives during the reimbursement period.

The change of control benefits policy also provides similar severance benefits for other vice presidents and assistant vice presidents of PIC Wisconsin after a change of control. The principal difference from severance benefits described above is that the maximum period for severance benefits for the other vice presidents and assistant vice presidents is one year rather than two years and certain of the severance benefits (other than salary continuation) are limited or eliminated for those individuals.

ProAssurance has agreed to assume the obligations to pay severance benefits to eligible officers under the change of control benefits policy. In addition to conditioning the payment of severance benefits on termination of employment under the circumstances specified in the change of control benefits policy, an officer whose employment has been terminated will be required to execute a release with respect to claims relating to his or her employment with PIC Wisconsin or ProAssurance. The change of control benefits policy may be amended or terminated by PIC Wisconsin's board of directors at any time after January 31, 2006, but the PIC Wisconsin board has resolved to keep the policy in effect through the effective time of the merger.

The following table sets forth the current salary and the estimated pro rata target bonus for each PIC Wisconsin executive officer, and sets forth an estimate of the total severance benefits that the executive officers would receive if (1) the merger were to be completed on June 30, 2006, (2) the executive officer were to terminate employment on that date, and (3) the entire target bonus is met for each individual. Actual pro rata bonus amounts and severance payments may be greater or less than the amount estimated.

- (2) Mr. Montei is entitled to receive an amount equal to two times his pro rata target bonus and the other executive officers are entitled to receive an amount equal to their pro rata target bonus.

Employment agreements. In the merger agreement, ProAssurance agreed to assume (subject to the changes discussed below) the employment agreements of Messrs. Montei and Maurer. The employment agreements for each of Messrs. Montei and Maurer currently have one-year terms that may be renewed for additional one-year terms with the agreement of PIC Wisconsin and the executive and provide for a base salary, discretionary bonus compensation, and various fringe benefits, including use of an automobile, payment of life insurance premiums and participation in group health and retirement plans.

ProAssurance has further agreed to offer to continue the employment of Messrs. Montei and Maurer after the merger subject to the following changes in the terms of their employment:

the annual base salaries, incentive compensation opportunities and benefits of each executive will be evaluated and adjusted so that they are generally commensurate with the salaries of comparable executives currently employed by ProAssurance;

during the first year after the effective time of the merger, ProAssurance and each executive will agree on their continuing role in the ProAssurance organization and will have the ability to voluntarily terminate the employment of the executive, and if either ProAssurance or the executive does so, the executive will receive the two year severance benefits as called for in the change of control benefits policy from the date of termination in exchange for an agreement by the executive to not compete in the medical malpractice insurance business in the States of Wisconsin and Iowa for the two year period immediately following the termination of employment;

within the first year after the merger, ProAssurance may offer a continuing severance agreement on terms generally comparable to agreements with other ProAssurance executives that would provide severance benefits for termination of the executive's employment by ProAssurance without cause or by the executive for good

reason if the termination occurs within two years after the commencement of the agreement and for one year if such termination occurs after the initial two year period; and

if a continuing severance agreement is not offered, the executive will then be entitled to receive the benefits under the change of control benefits policy.

ProAssurance consulting agreements. The directors of PIC Wisconsin will be replaced as directors as of the effective time of the merger by the directors of Physicians Merger Company, all of whom are executive officers of ProAssurance. Those directors who are not employees of PIC Wisconsin will be retained by ProAssurance as consultants under separate consulting agreements, except that a director will not be eligible for a consulting agreement if he is elected as a director of ProAssurance. The merger agreement provides that PIC Wisconsin has the right to nominate one person for election as a director of ProAssurance promptly after the effective time of the merger. PIC Wisconsin has nominated William J. Listwan, M.D. to serve on

Table of Contents

ProAssurance's board of directors. The consulting agreement will provide for compensation through June 30, 2007 at the rate of \$2,000 per month for the vice chairman and \$1,500 for all other non-employee directors. The consulting agreement requires the directors to serve on an advisory committee to be established to facilitate the transition of PIC Wisconsin's business and prohibits them from competing with the business of ProAssurance during the terms of their agreements.

Stock awards. PIC Wisconsin has granted stock awards to directors and executive officers under its long term stock plan. As a result of the merger, all outstanding and unvested PIC Wisconsin stock awards will become vested and shares of PIC Wisconsin common stock will be issued to the holders of these awards in accordance with the terms of the PIC Wisconsin long term stock plan at the effective time of the merger. In accordance with the merger agreement, each participant may request that ProAssurance purchase for cash (in the amount equal to \$5,000 per each repurchased share) some or all of the PIC Wisconsin shares issued to the participant under the long term stock plan, including those to be issued pursuant to unvested awards at the effective time of the merger, as further described in The Merger Agreement Treatment of stock awards on page 44.

The following table sets forth, as of June 6, 2006, the number of vested and unvested shares held by individuals who served as executive officers of PIC Wisconsin since the beginning of 2005 that were awarded under the PIC Wisconsin long term stock plan.

Indemnification; directors' and officers' insurance. The merger agreement provides that, upon completion of the merger, ProAssurance will, to the fullest extent permitted by law, indemnify, defend and hold harmless all present and

former directors, officers and employees of PIC Wisconsin against all costs and liabilities arising out of actions or omissions occurring at or before the completion of the merger to the same extent as directors, officers and employees of PIC Wisconsin are indemnified or have the right to advancement of expenses under PIC Wisconsin's articles of incorporation and bylaws.

The merger agreement also requires PIC Wisconsin to use its reasonable best efforts to acquire directors' and officers' liability insurance for the present and former officers and directors of PIC Wisconsin with respect to claims arising from facts or events occurring before the merger and to keep this insurance in effect for a period of six years after the merger. If PIC Wisconsin is unable to acquire such insurance, ProAssurance is

Table of Contents

required to use its best efforts to acquire directors' and officers' liability insurance that contains at least the same coverage and amounts, and terms and conditions no less advantageous, as PIC Wisconsin's existing coverage. However, if neither PIC Wisconsin nor ProAssurance is able to maintain or obtain such levels of insurance at a cost of less than 300% of the premium paid by PIC Wisconsin for such insurance or is otherwise unable to obtain such insurance, ProAssurance is required to use its best efforts to obtain as much comparable insurance as is reasonably available.

Restrictions on sales of shares of ProAssurance common stock received in the merger.

ProAssurance common stock issued in the merger will not be subject to any restrictions on transfer arising under the Securities Act, except for shares issued to any PIC Wisconsin shareholder who may be deemed to be an affiliate of ProAssurance or PIC Wisconsin for purposes of Rule 145 under the Securities Act.

Under Rule 145, former PIC Wisconsin shareholders who were affiliates of PIC Wisconsin at the time of the PIC Wisconsin special meeting and who are not affiliates of ProAssurance after the completion of the merger, may sell their ProAssurance common stock received in the merger at any time subject to the volume and sale limitations of Rule 144 under the Securities Act. Further, so long as such former PIC Wisconsin affiliates are not considered affiliates of ProAssurance following the completion of the merger, and a period of at least one year has elapsed from the completion of the merger, such former affiliates may sell their ProAssurance common stock received in the merger without regard to the volume and sale limitations of Rule 144 under the Securities Act so long as there is adequate current public information available about ProAssurance in accordance with Rule 144. After a period of two years has elapsed from the completion of the merger, and so long as such former affiliates are not affiliates of ProAssurance and have not been for at least three months prior to such sale, such former affiliates may freely sell their ProAssurance common stock. Former PIC Wisconsin shareholders who become affiliates of ProAssurance after completion of the merger will still be subject to the volume and sale limitations of Rule 144 under the Securities Act, until each such stockholder is no longer an affiliate of ProAssurance.

This proxy statement-prospectus does not cover resales of ProAssurance common stock received by any person upon completion of the merger, and no person is authorized to make any use of this proxy statement-prospectus in connection with any resale.

Dissenters' rights.

Under applicable Wisconsin law, holders of PIC Wisconsin common stock have dissenters' rights in connection with the merger. See "Shareholder Dissenters' Rights" on page 81.

Shareholder rights agreement.

PIC Wisconsin entered into the rights agreement to protect its shareholders from takeover attempts on terms that are not acceptable to the board of directors of PIC Wisconsin. In general, the rights agreement allows PIC Wisconsin shareholders to acquire additional shares of PIC Wisconsin common stock after a person, group or company, unless exempted, acquires or agrees to acquire 15% or more of the outstanding PIC Wisconsin common stock. The rights agreement is intended to prevent an acquisition of PIC Wisconsin stock on terms that PIC Wisconsin's board of directors determines are unfair or coercive to PIC Wisconsin and its shareholders. PIC Wisconsin amended the rights agreement to exempt ProAssurance, the merger agreement and the merger from application of the rights agreement, and to provide that the rights agreement will terminate in all respects immediately prior to the effective time of the merger. Until the effective time of the merger, however, the rights agreement remains in effect and may discourage acquisition proposals from parties other than ProAssurance.

Regulatory approvals required for the merger.

ProAssurance and PIC Wisconsin have agreed to use their best efforts to obtain the regulatory approvals required for the merger. These approvals, along with the expiration of any statutory waiting periods related to

Table of Contents

these approvals, are referred to as the requisite regulatory approvals. These include approval from insurance regulators and various other state regulatory authorities. ProAssurance and PIC Wisconsin have either filed or intend to complete the filing promptly after the date of this proxy statement-prospectus of applications and notifications to obtain the requisite regulatory approvals. The merger cannot proceed in the absence of the requisite regulatory approvals.

ProAssurance and PIC Wisconsin cannot assure you as to whether or when the requisite regulatory approvals will be obtained, and, if obtained, the parties cannot assure you as to the date of receipt of any of these approvals, the terms thereof or the absence of any litigation challenging them. Likewise, ProAssurance and PIC Wisconsin cannot assure you that the DOJ or a state attorney general will not attempt to challenge the merger on antitrust grounds, or, if such a challenge is made, as to the result of that challenge.

ProAssurance and PIC Wisconsin are not aware of any other material governmental approvals or actions that are required prior to the parties' completion of the merger other than those described below. The parties presently contemplate that if any additional governmental approvals or actions are required, these approvals or actions will be sought. However, the parties cannot assure you that any of these additional approvals or actions will be obtained.

Wisconsin insurance laws. ProAssurance and PIC Wisconsin cannot complete the merger unless a statement regarding the acquisition of or a merger with a domestic insurer (Form A) containing information as prescribed by insurance holding company laws and regulations of the State of Wisconsin has been filed with and approved by the OCI of Wisconsin, after a public hearing on the Form A has been held. ProAssurance initially filed its Form A with the OCI of Wisconsin on December 21, 2005. A public hearing before the OCI of Wisconsin was held on May 12, 2006 and the Commissioner approved the merger by order dated May 17, 2006.

Other regulatory authorities. Applications or notifications may be required to be filed with various state regulatory authorities and self-regulatory organizations in connection with the merger (including any necessary state blue sky registrations or exemption filings) or changes in control of subsidiaries of PIC Wisconsin that may be deemed to result from the merger.

Effective May 31, 2006, PIC Wisconsin sold all of the outstanding stock of Century American Insurance Company, a Tennessee stock insurer, to an unrelated third party. The sale was approved by the Tennessee Commissioner of Insurance by order dated May 11, 2006.

ProAssurance might also be subject to additional pre-acquisition notification filing requirements and approval, in addition to the Form A filing requirement, in states where PIC Wisconsin is authorized to do business. These authorities may be empowered under the applicable state laws and regulations to investigate or disapprove the merger under the circumstances and based upon the review provided for in applicable state laws and regulations.

Antitrust. The merger is subject to the HSR Act. The HSR Act prohibits the completion of transactions such as the merger unless the parties notify the FTC and the DOJ in advance and a specified waiting period expires. ProAssurance and PIC Wisconsin each filed pre-merger notification and report forms with the FTC and the Antitrust Division of the DOJ on January 12, 2006. A transaction or portion of a transaction that is notifiable under the HSR Act may not be consummated until the expiration of a 30 calendar-day waiting period, or the early termination of that waiting period, following the filing of pre-merger notification and report forms by the parties with the FTC and DOJ. The parties received notice of early termination of the waiting period on January 27, 2006. However, at any time before or after the merger and the exchange of shares, the FTC or the DOJ could take whatever action under the antitrust laws it deems necessary or desirable in the public interest, including seeking to enjoin the merger or the exchange of shares, or seeking a divestiture of shares or assets.

Accounting treatment.

ProAssurance will treat the merger as a purchase of PIC Wisconsin by ProAssurance under GAAP. Under the purchase method of accounting, the aggregate consideration paid by ProAssurance as merger consideration,

Table of Contents

together with direct costs of the acquisition, will be allocated to the consolidated assets and liabilities of PIC Wisconsin based on their respective fair values as of the effective time of the merger. The assets and liabilities and results of operations of PIC Wisconsin will be consolidated into the assets and liabilities of ProAssurance after the merger is completed.

The final allocation of the purchase price will be determined after the merger is completed and after completion of a thorough analysis to determine the fair values of PIC Wisconsin's tangible and identifiable intangible assets and liabilities. In addition, estimates related to restructuring and merger-related charges are subject to final decisions related to combining the companies.

Stock exchange listing.

ProAssurance has agreed to list the shares of ProAssurance common stock to be issued in the merger on the NYSE. It is a condition to the completion of the merger that those shares be authorized for listing on the NYSE, subject to official notice of issuance. Following the merger, ProAssurance's common stock will continue to trade on the NYSE under the symbol **PRA**.

THE MERGER AGREEMENT

The following is a summary of the material terms and provisions of the merger agreement, a copy of which is attached as *Appendix A* and incorporated herein by reference. You are urged to read the entire merger agreement carefully and in its entirety.

The merger agreement has been included for your convenience to provide you with information regarding its terms. Except for its status as the contractual document that establishes and governs the legal relations between ProAssurance and PIC Wisconsin with respect to the merger, it is not intended to be a source of factual, business or operational information about ProAssurance or PIC Wisconsin. That kind of information can be found elsewhere in this proxy statement-prospectus and in filings that ProAssurance has made with the SEC. See **Where You Can Find More Information** beginning on page 85.

The merger agreement contains representations and warranties. The representations and warranties are qualified in their entirety by all of the information in the confidential disclosure schedules of each of ProAssurance and PIC Wisconsin prepared and delivered to the other immediately prior to signing the merger agreement. Accordingly, you should not rely on the representations and warranties as characterizations of the actual state of facts.

Moreover, information concerning the subject matter of the representations and warranties may have changed since the date of the merger agreement, and subsequently developed or new information qualifying a representation or warranty may or may not have been included in a filing with the SEC made, or in a confidential disclosure schedule delivered by one of the parties, since the date of the merger agreement (including in this proxy statement-prospectus).

Structure.

ProAssurance formed Physicians Merger Company on February 10, 2006, as a Wisconsin corporation solely for the purpose of merging with PIC Wisconsin under the merger agreement. Under the terms of the merger agreement and in accordance with Wisconsin law, Physicians Merger Company will be merged into PIC Wisconsin with PIC Wisconsin surviving the merger as a wholly-owned subsidiary of ProAssurance. After completion of the merger:

each share of PIC Wisconsin common stock will be converted into the right to receive shares of ProAssurance common stock having an implied value of \$5,000, subject to the adjustments, as described under **Merger**

Consideration within this caption;

each share of ProAssurance common stock outstanding at the effective time of the merger will remain outstanding and not be affected by the merger;

Table of Contents

each share of Physicians Merger Company common stock outstanding at the effective time of the merger, all of which are owned by ProAssurance, will convert into shares of PIC Wisconsin as the corporation surviving the merger; and

the corporate existence of Physicians Merger Company will terminate and PIC Wisconsin will continue its corporate existence as a Wisconsin domiciled stock insurer under the articles of incorporation in effect for PIC Wisconsin immediately preceding the merger and the bylaws in effect for Physicians Merger Company immediately preceding the merger.

Merger consideration.

Under the terms of the merger agreement, each share of PIC Wisconsin common stock that is issued and outstanding immediately prior to the effective time of the merger (other than shares held by a person validly exercising dissenters rights) will be converted into shares of ProAssurance common stock based on the following exchange ratio:

if the average price of a share of ProAssurance common stock at the effective time of the merger is no more than 120% and no less than 80% of the average price of a share of ProAssurance common stock on the date of the merger agreement, a share of PIC Wisconsin common stock will be converted into a number of ProAssurance shares determined by dividing \$5,000 by the average price of a share of ProAssurance common stock at the effective time of the merger; or

if the average price of a share of ProAssurance common stock at the effective time of the merger is more than 120% of the average price of a share of ProAssurance common stock on the date of the merger agreement, a share of PIC Wisconsin common stock will be converted into a number of ProAssurance shares determined by dividing \$5,000 by 120% of the average price of a share of ProAssurance common stock on the date of the merger agreement; or

if the average price of a share of ProAssurance common stock at the effective time of the merger is less than 80% of the average price of a share of ProAssurance common stock on the date of the merger agreement, a share of PIC Wisconsin common stock will be converted into a number of ProAssurance shares determined by dividing \$5,000 by 80% of the average price of a share of ProAssurance common stock on the date of the merger agreement.

The average price of a share of ProAssurance common stock at the effective time of the merger will be equal to the arithmetic average of the last reported sale price of a share of ProAssurance common stock as reported by the NYSE on the 10 trading days preceding the effective time of the merger. The average price of a share of ProAssurance common stock on the date of the merger agreement was \$49.76 based on the arithmetic average of the last reported sale price of a share of ProAssurance common stock as reported by the NYSE on the 10 trading days preceding December 8, 2005 (the date of the merger agreement).

The exchange ratio has the effect of fixing the implied dollar value to be received for a share of PIC Wisconsin common stock at \$5,000 so long as the average price of a share of ProAssurance common stock at the effective time of the merger is no more than \$59.71 ($120\% \times \49.76) and no less than \$39.80 ($80\% \times \49.76). The exchange ratio also has the effect of establishing a maximum and minimum number of shares of ProAssurance common stock to be issued in the merger. If at the effective time of the merger the average price of a share of ProAssurance common stock is no more than \$59.71 and no less than \$39.80, the number of shares of ProAssurance common stock to be received for a share of PIC Wisconsin common stock will be determined by dividing \$5,000 by the average price of a share of ProAssurance common stock at the effective time of the merger. If at the effective time of the merger the average

price of a share of ProAssurance common stock is greater than \$59.71, the number of shares of ProAssurance common stock to be received in exchange for a share of PIC Wisconsin common stock will be fixed at 83.738 shares, but the implied value of shares of PIC Wisconsin common stock will be more than \$5,000 based on the average price of a share of ProAssurance common stock at the effective time of the merger. On the other hand, if at the effective time of the merger the average price of a share of ProAssurance common stock is less than \$39.80, the number of shares of ProAssurance common stock to be received for a share of PIC Wisconsin common stock will be fixed at

Table of Contents

125.628 shares, and the implied value of a share of PIC Wisconsin common stock will be less than \$5,000 based on the average price of a share of ProAssurance common stock at the effective time of the merger.

The following table illustrates the number of shares of ProAssurance common stock that a holder of a share of PIC Wisconsin common stock will receive in the merger and the implied value of such ProAssurance shares assuming varying average prices for ProAssurance common stock at the effective time of the merger. The table assumes that a share of ProAssurance common stock has a value equal to the stated average prices and that a fractional share will be paid based on the stated average prices. You should bear in mind that the value of ProAssurance common stock is subject to market fluctuations, and therefore, the value of a share of ProAssurance common stock as of the effective date of the merger and after the merger may differ from the average price used to establish the exchange ratio. This table uses hypothetical ProAssurance common stock prices:

| | Average Price of a Share of ProAssurance Common Stock at the Effective Time of the Merger: | | | | | | |
|--------------------------|---|----------------|----------------|----------------|----------------|----------------|----------------|
| | \$65.00 | \$60.00 | \$55.00 | \$50.00 | \$45.00 | \$40.00 | \$35.00 |
| Number of Shares: | 83.738 | 83.738 | 90.909 | 100.000 | 111.111 | 125.000 | 125.628 |
| Value: | \$5,443 | \$5,024 | \$5,000 | \$5,000 | \$5,000 | \$5,000 | \$4,397 |

You should obtain current market prices for ProAssurance common stock. This information is available from your stock broker, in major newspapers and on the Internet.

Treatment of stock awards.

The merger will result in a change of control under PIC Wisconsin's long term stock plan. All outstanding and unvested PIC Wisconsin stock awards will become vested and shares of PIC Wisconsin common stock will be issued to the holders of these awards in accordance with the terms of the PIC Wisconsin long term stock plan at the effective time of the merger. Each of the shares so issued will be converted into shares of ProAssurance common stock using the exchange ratio.

Under the terms of the long term stock plan, all shares of PIC Wisconsin common stock that have been issued to participants under the long term stock plan will be subject to repurchase upon a change of control. The long term stock plan provides that after a change of control a participant can elect to require PIC Wisconsin to repurchase for cash all or part of the shares issued or to be issued to the participant under the plan; similarly, PIC Wisconsin can elect to repurchase for cash any or all of the shares issued or to be issued under the plan upon a change of control. The price for the shares must be equal to the price paid for a share of PIC Wisconsin common stock in the change of control transaction. PIC Wisconsin does not intend to repurchase any shares issued or to be issued pursuant to awards under the long term stock plan.

The merger agreement allows each participant to request by written notice to ProAssurance that ProAssurance purchase for cash some or all of the PIC Wisconsin shares issued or to be issued to the participant under the long term stock plan, including those to be issued pursuant to unvested awards at the effective time of the merger. The notice must be delivered by the participant to ProAssurance prior to the effective time of the merger in a form to be provided by ProAssurance, executed by the participant and specifying the number of shares to be repurchased for cash. Each of the shares of PIC Wisconsin common stock subject to a properly completed and executed notice will be converted into the right to receive cash in the amount of \$5,000 per share and such shares shall not be converted into the right to receive ProAssurance common stock in the merger. If, however, no notice has been delivered by the participant to ProAssurance prior to the effective time of the merger, such participant's shares will be converted into shares of ProAssurance common stock using the exchange ratio.

The merger agreement further provides that ProAssurance may request PIC Wisconsin to repurchase the shares of PIC Wisconsin common stock subject to the awards issued or to be issued to participants under the long term stock plan. Under the terms of the merger agreement, ProAssurance may make such request by written notice to PIC Wisconsin at any time prior to the effective time of the merger with respect to all of the shares issued or to be issued pursuant to awards under the long term stock plan, including shares to be issued pursuant to unvested awards at the time of the merger. Each of the shares of PIC Wisconsin common stock

Table of Contents

subject to the notice will be converted into the right to receive cash in the amount of \$5,000 per share, and such shares shall not be converted into the right to receive ProAssurance common stock in the merger. If ProAssurance does not repurchase the shares issued or to be issued pursuant to awards under the long term stock plan (and if participants have not requested that such repurchase be made), such shares will be converted into shares of ProAssurance common stock using the exchange ratio. ProAssurance does not intend to request that PIC Wisconsin repurchase any shares issued or to be issued pursuant to awards under the long term stock plan.

Exchange of certificates; fractional shares.

Exchange procedures. Prior to the effective time of the merger, ProAssurance will deposit with an exchange agent, which will be Mellon, or another bank or trust company reasonably acceptable to PIC Wisconsin, (1) certificates representing the shares of ProAssurance common stock to be issued under the merger agreement (together with any dividends and distributions with respect to such shares with a record date after the merger) and (2) sufficient cash to be paid instead of any fractional shares of ProAssurance common stock to be issued under the merger agreement.

Promptly after the effective time, but no later than ten business days thereafter, ProAssurance will cause the exchange agent to mail transmittal materials to PIC Wisconsin shareholders. The transmittal materials will contain instructions about the surrender of PIC Wisconsin common stock certificates for ProAssurance common stock certificates and any cash to be paid instead of fractional shares of common stock.

PIC Wisconsin common stock certificates should not be returned with the enclosed proxy card. They should not be forwarded to the exchange agent unless and until you receive a transmittal letter following completion of the merger. The transmittal materials will contain instructions as to how and where to forward such certificates.

PIC Wisconsin common stock certificates presented for transfer after completion of the merger will be canceled and exchanged for certificates, or evidence of shares in book entry form, representing the applicable number of shares of ProAssurance common stock.

After the merger, the stock transfer books of PIC Wisconsin will be closed and there will be no transfers of shares of PIC Wisconsin common stock on the stock transfer books of PIC Wisconsin.

All shares of ProAssurance common stock into which shares of PIC Wisconsin common stock are converted pursuant to the merger will be deemed issued as of the effective time of the merger. After that date, former PIC Wisconsin shareholders of record will be entitled to vote, at any meeting of ProAssurance stockholders having a record date on or after the effective time of the merger, the number of whole shares of ProAssurance common stock into which their shares of PIC Wisconsin common stock have been converted, regardless of whether they have surrendered their PIC Wisconsin stock certificates. ProAssurance dividends having a record date on or after the effective time of the merger will include dividends on ProAssurance common stock issued to PIC Wisconsin shareholders in the merger. However, no dividend or other distribution payable to the holders of record of ProAssurance common stock after the effective time of the merger will be distributed to the holder of any PIC Wisconsin common stock certificates until that holder physically surrenders all of his or her PIC Wisconsin common stock certificates as described above. Promptly after surrender, ProAssurance's common stock certificates to which that holder is entitled (or evidence of shares in book entry form), all undelivered dividends and other distributions, and payment for any fractional share interests, if applicable, will be delivered to that holder, in each case without interest.

No fractional shares will be issued. ProAssurance will not issue fractional shares of ProAssurance common stock in the merger. There will be no dividends or voting rights with respect to any fractional common shares. For each fractional share of common stock that would otherwise be issued, ProAssurance will pay cash in an amount determined by multiplying the fractional share of PRA common stock to which such holder would otherwise be

entitled by the average price of a share of ProAssurance common stock at the effective time of the merger, without giving effect to the exchange ratio.

Table of Contents

None of ProAssurance, PIC Wisconsin or any other person will be liable to any former holder of PIC Wisconsin common stock for any amount properly delivered in good faith to a public official pursuant to any applicable abandoned property laws.

Lost, stolen or destroyed PIC Wisconsin common stock certificates. If a holder has lost a certificate representing PIC Wisconsin common stock, or it has been stolen or destroyed, ProAssurance will issue to such holder the common stock payable under the merger agreement if:

the holder presents evidence to the reasonable satisfaction of the exchange agent and ProAssurance that the certificate has been lost, wrongfully taken or destroyed;

the holder provides indemnity or security as may be reasonably requested by the exchange agent or ProAssurance to protect against any claim that may be made against ProAssurance or the exchange agent about ownership of the lost, wrongfully taken or destroyed certificate; and

the holder provides evidence satisfactory to the exchange agent and ProAssurance that such person is the owner of the shares represented by each certificate claimed to be lost, wrongfully taken or destroyed.

Dissenters' rights. ProAssurance will not issue shares of ProAssurance common stock with respect to any shares of PIC Wisconsin common stock whose holder has exercised the right to dissent from the merger and complied with the Wisconsin dissenters' rights statutes. Under the terms of the merger agreement, a person exercising dissenters' rights may after the merger withdraw the demand for the fair value of his or her shares of PIC Wisconsin common stock. The shares of PIC Wisconsin common stock subject to the withdrawn demand will be converted into the right to receive shares of ProAssurance common stock in accordance with the exchange ratio, and the demand for the value of such shares will be forfeited.

For a description of ProAssurance common stock, a description of the differences between the rights of PIC Wisconsin shareholders and ProAssurance stockholders and a description of dissenters' rights, see *Description of ProAssurance Capital Stock* beginning on page 58, *Comparison of Stockholder Rights* beginning on page 60, and *Shareholder Dissenters' Rights* beginning on page 81.

Effective time.

The effective time of the merger will be the time set forth in the legal documents that are filed with the OCI of Wisconsin and the Department of Financial Institutions of Wisconsin on the date the merger is completed. ProAssurance and PIC Wisconsin anticipate that the merger will be completed in the third quarter of 2006. However, completion could be delayed if there is a delay in obtaining the requisite regulatory approvals or for other reasons. There can be no assurances as to if or when these approvals will be obtained or as to if or when the merger will be completed. If ProAssurance and PIC Wisconsin do not complete the merger by December 31, 2006, either party may terminate the merger agreement without penalty unless the failure to complete the merger by that date is due to the failure of the party seeking to terminate the merger agreement to perform or observe its obligations under the merger agreement. See *The Merger Agreement - Conditions to completion of the merger* beginning on page 52 and *Proposal 1: The Merger - Regulatory approvals required for the merger* beginning on page 40.

They include, among other things:

fail to use reasonable best efforts to preserve intact its business organizations, assets and other rights, its existing relations with customers and other parties and retain services of key employees and agents;

take any action which would adversely affect or delay the ability of any party to the merger agreement to obtain any required regulatory approval or to perform its covenants and agreements under the merger agreement;

In addition, PIC Wisconsin has agreed to inform and have discussions with ProAssurance with respect to reserve policies and practices relating to losses and loss adjustment expenses of PIC Wisconsin and PIC Wisconsin's subsidiaries, any litigation against PIC Wisconsin and its subsidiaries and amount and timing of restructuring charges. PIC Wisconsin has also agreed to make its financial officers available to discuss with ProAssurance PIC Wisconsin's disclosure controls, internal controls and financial statements in anticipation of ProAssurance's need to comply with the requirements of the Sarbanes-Oxley Act of 2002 after the merger with respect to PIC Wisconsin.

In addition, federal law generally prohibits ProAssurance and PIC Wisconsin from purchasing shares of ProAssurance's common stock from the date this proxy statement-prospectus is first mailed to shareholders until completion of PIC Wisconsin's special meeting of shareholders. ProAssurance does not own any shares

of PIC Wisconsin common stock. Neither PIC Wisconsin nor ProAssurance has purchased any shares of ProAssurance common stock since December 8, 2005.

Employee benefit plans.

ProAssurance has agreed to continue PIC Wisconsin's employee benefit plans until it determines whether to continue, amend or terminate the plans. ProAssurance agreed that it will provide employees of PIC Wisconsin and its subsidiaries who continue in employment with ProAssurance:

compensation and benefits that are, in the aggregate, substantially similar to compensation and benefits provided to similarly situated employees of ProAssurance or one of its subsidiaries (as of the date the benefit was provided); and

credit for their service as employees of PIC Wisconsin and its subsidiaries for purposes of determining eligibility and vesting under ProAssurance's employee benefit plans.

In addition, stock awards that have been granted to directors and officers that have not yet vested under PIC Wisconsin's long term stock plan will immediately vest upon the effectiveness of the merger and be converted into the right to receive shares of ProAssurance common stock or purchased at a cash price of \$5,000 at the option of the holder of the award as described under "The Merger Agreement - Treatment of stock awards" on page 44. In the event they are not repurchased, such shares will be converted into the right to receive shares of ProAssurance common stock pursuant to the merger agreement at the effective time of the merger.

ProAssurance has agreed to honor PIC Wisconsin's change of control benefits policy and employment agreements with certain officers or employees of PIC Wisconsin, including the obligation to pay cash severance on termination of employment after a change of control as described under "Proposal 1: The Merger - Interests of certain persons in the merger" on page 37.

Tax opinion letters.

Each of ProAssurance and PIC Wisconsin agreed to obtain a separate opinion as to the material tax consequences to ProAssurance, PIC Wisconsin and their respective shareholders in connection with the merger. Each opinion has been delivered and is required to be updated at closing. The opinions are discussed under "Material Federal Income Tax Consequences" beginning on page 55.

Acquisition proposals by third parties.

PIC Wisconsin has agreed that it will not, as long as the merger agreement is in effect, initiate, entertain, solicit, encourage, engage in or participate in any negotiations with any person (other than ProAssurance) relating to any acquisition proposal. However, if PIC Wisconsin receives an unsolicited acquisition proposal and PIC Wisconsin's board determines in good faith that such action is appropriate in furtherance of the best interests of its shareholders, PIC Wisconsin can participate in negotiations with and provide confidential information to the third party and approve and recommend the proposal to its shareholders. Before providing any nonpublic information, PIC Wisconsin must enter into a written agreement which provides for (i) the furnishing to PIC Wisconsin of information regarding such third party that is relevant to its ability to finance its acquisition proposal, (ii) the confidentiality of all non-public information furnished to the third party by PIC Wisconsin, and (iii) procedures designed to restrict or limit the provision of information regarding PIC Wisconsin that could be used to the competitive disadvantage of PIC Wisconsin or in a manner that would be detrimental to its shareholders. PIC Wisconsin must disclose to ProAssurance that it is furnishing information to and entering into negotiations with such third party, as well as disclose the terms of

such negotiations (but not the identity of the third party), must keep ProAssurance informed of the status of such negotiations (except to the extent it would require PIC Wisconsin to disclose confidential information about the third party) and may not furnish any non-public information regarding ProAssurance or the transactions contemplated by the merger agreement.

Table of Contents

If PIC Wisconsin's board of directors has authorized, recommended, approved or entered into an agreement with any third party to effect an acquisition proposal, then PIC Wisconsin must pay to ProAssurance \$2 million in liquidated damages and PIC Wisconsin can terminate the merger agreement.

For purposes of the merger agreement, the term "acquisition proposal" means:

any proposal pursuant to which any third party would acquire or participate in a merger or other business combination involving PIC Wisconsin or any of PIC Wisconsin's subsidiaries, directly or indirectly;

any proposal by which any third party would acquire the right to vote 10% or more of the capital stock of PIC Wisconsin or any of PIC Wisconsin's subsidiaries;

any acquisition of 10% or more of the assets of PIC Wisconsin or any of PIC Wisconsin's subsidiaries, other than in the ordinary course of business;

any acquisition in excess of 10% of the outstanding capital stock of PIC Wisconsin or any of PIC Wisconsin's subsidiaries, other than as contemplated by the merger agreement; or

any transaction similar to the foregoing.

In addition, PIC Wisconsin has agreed to use all reasonable best efforts to obtain from its shareholders approval and adoption of the merger agreement and the merger, subject to the fiduciary duties of PIC Wisconsin's board of directors. However, if PIC Wisconsin's board notifies ProAssurance in writing that it is unable or unwilling to recommend the merger agreement to its shareholders, then ProAssurance may terminate the merger agreement. Such termination by ProAssurance will result in PIC Wisconsin's obligation to pay liquidated damages under the merger agreement in the amount of \$2 million.

Other agreements.

In addition to the agreements described above, ProAssurance and PIC Wisconsin have also agreed in the merger agreement to take several other actions, such as:

subject to applicable law, to cooperate with each other and to prepare promptly and file all necessary documentation to obtain, and to cause their respective subsidiaries to obtain, all required permits, consents, approvals, authorizations (or exemptions thereof) of third parties and governmental entities, including this proxy statement-prospectus and the registration statement for the ProAssurance common stock to be issued in the merger;

to use all reasonable commercial efforts to cause their respective auditors to render any consent required by the SEC with respect to any reports on financial statements included in the registration statement;

to advise each other of any communication from a governmental authority whose consent or approval is required for the completion of the merger which either party believes indicates that any requisite regulatory approval will not be obtained or will be materially delayed;

to keep any nonpublic information confidential;

to cooperate on all press releases and other public statements and communications;

that PIC Wisconsin would convene a meeting of its shareholders as soon as practicable after the registration statement on Form S-4 is declared effective to consider and vote on the merger agreement;

not to take any actions that would cause the transactions contemplated by the merger agreement to be subject to any anti-takeover laws or anti-takeover provisions of either company's certificate or articles of incorporation or bylaws;

that ProAssurance would cause its shares of common stock to be issued in the merger to be authorized for listing on the NYSE prior to the completion of the merger, subject to official notice of issuance; and

Table of Contents

to give notice to the other party of any event that would or would be likely to cause any representations or warranties to be untrue or incorrect in any material respect, or of any failure to comply with or satisfy in any material respect any covenant, condition or agreement in the merger agreement.

Conditions to completion of the merger.

ProAssurance's and PIC Wisconsin's obligations to complete the merger are subject to the satisfaction or waiver, where permissible, of a number of conditions, including the following:

the merger agreement must be approved by the holders of a majority of the outstanding shares of common stock of PIC Wisconsin;

the ProAssurance common stock that is to be issued in the merger must be authorized for listing on the NYSE, subject to official notice of issuance;

the registration statement filed with the SEC with this proxy statement-prospectus must be effective;

the articles of merger must be filed with the appropriate governmental authorities;

the requisite regulatory approvals must be obtained and any waiting periods required by law must expire;

there must be no government action or other legal restraint or prohibition preventing completion of, making illegal the consummation of, or materially restricting the merger;

each of ProAssurance and PIC Wisconsin must receive an opinion dated as of the effective date of the merger to the effect that the merger will be treated as a tax-free reorganization under federal tax laws, no gain or loss will be recognized by PIC Wisconsin shareholders who receive shares of ProAssurance stock in exchange for their PIC Wisconsin common stock (except with respect to any cash received instead of fractional shares), and no gain or loss will be recognized by ProAssurance, PIC Wisconsin or their subsidiaries; and

the number of shares of PIC Wisconsin common stock whose holders exercise their right to dissent and obtain payment for their shares pursuant to their dissenters' rights when added to the number of shares of PIC Wisconsin common stock repurchased from participants of the long term stock plan does not exceed 19.9% of the outstanding shares of PIC Wisconsin common stock.

The merger agreement also provides that the obligation of ProAssurance and PIC Wisconsin to consummate the merger is further subject to the following conditions:

the representations and warranties of the other party in the merger agreement must be true and correct, except as would not or would not reasonably be expected to have a material adverse effect as defined in the merger agreement, and the other party must have performed in all material respects all obligations that the other party is required to perform under the merger agreement;

the other party and its subsidiaries cannot suffer a material adverse effect as defined in the merger agreement, and no event or circumstance can occur which has or will be likely to have a material adverse effect on its ability to conduct its respective businesses;

the other party must not have any inquiries or actions initiated by any governmental or regulatory authority alleging that it, its subsidiaries or its directors and officers have violated federal or state securities laws; and

the other party must provide all certificates and instruments as the other party reasonably requests.

ProAssurance's obligation to consummate the merger is further subject to there having been no distribution date under the rights agreement and no holder of rights thereunder being entitled to exercise such rights as a result of the execution of the merger agreement, the public announcement thereof, or the consummation of the merger.

Table of Contents

No assurance can be provided as to whether or not, or when, the required regulatory approvals necessary to consummate the merger will be obtained, or whether all of the other conditions to the merger will be satisfied or waived by the party permitted to do so. As discussed below, if the merger is not completed on or before December 31, 2006, either ProAssurance or PIC Wisconsin may terminate the merger agreement, unless the failure to complete the merger by that date is due to the failure of the party seeking to terminate the merger agreement to perform or observe its covenants and agreements set forth in the merger agreement.

Termination of the merger agreement.

The merger agreement may be terminated at any time before or after the merger agreement is approved and adopted by the PIC Wisconsin shareholders:

by mutual written consent;

by either ProAssurance or PIC Wisconsin if any governmental entity that must grant a regulatory approval has denied approval of the merger by final and nonappealable action, but not by a party whose action or inaction caused such denial;

by either ProAssurance or PIC Wisconsin if the merger is not completed on or before December 31, 2006, but not by a party whose action or inaction caused such delay;

if there is a continuing breach of any representation or warranty in the merger agreement by the other party that has had or is reasonably expected to have a material adverse effect and such breach continues after 45 days written notice to the breaching party, as long as such breach would allow the non-breaching party not to complete the merger;

by ProAssurance if the board of directors of PIC Wisconsin is unwilling or unable to publicly recommend in the proxy statement-prospectus that PIC Wisconsin's shareholders approve and adopt the merger agreement and the merger, or if after recommending the approval and adoption of the merger agreement and the merger, PIC Wisconsin's board otherwise withdraws, amends or modifies its recommendation in any respect materially adverse to ProAssurance or discloses an intention to do so;

by ProAssurance if the board of directors of PIC Wisconsin authorizes, recommends, approves or proposes an acquisition proposal other than the merger, or enters into an agreement with a third party regarding an acquisition proposal other than the merger;

by PIC Wisconsin if its board of directors (i) fails to recommend approval and adoption of the merger agreement and the merger to its shareholders or, after recommending the approval and adoption of the merger agreement and the merger, withdraws, amends or modifies its recommendation in any respect materially adverse to ProAssurance, (ii) authorizes, recommends or approves an acquisition proposal other than the merger, or (iii) enters into an agreement with a third party regarding an acquisition proposal other than the merger;

by either ProAssurance or PIC Wisconsin if approval of PIC Wisconsin's shareholders has not been obtained by reason of failure to obtain required votes;

by either ProAssurance or PIC Wisconsin if the other party discloses a material adverse effect or any change to the disclosure schedule to the merger agreement which has, or is likely to have, a material adverse effect; and

by either ProAssurance or PIC Wisconsin if the Form S-4 registration statement has not been filed with the SEC on or before June 30, 2006, unless the failure to do so is due to the failure of the party seeking to terminate the merger agreement.

Any decision by the PIC Wisconsin board of directors to authorize, recommend, approve or propose an acquisition proposal other than the merger, or enter into an agreement with a third party regarding an acquisition proposal other than the merger will result in PIC Wisconsin's obligation to pay to ProAssurance liquidated damages in the amount of \$2 million. Furthermore, if ProAssurance terminates the merger agreement as a result of the board of directors of PIC Wisconsin failing to recommend approval and adoption

Table of Contents

of the merger agreement and the merger or withdrawing, amending or modifying its recommendation of the merger in any respect materially adverse to ProAssurance, PIC Wisconsin shall be obligated to pay such liquidated damages in the amount of \$2 million.

The boards of directors of both companies considered, and believed it was appropriate to make, the foregoing commitments for the period of time involved, especially in light of the term of the commitments and the regulatory process involved in such transactions.

Waiver and amendment of the merger agreement.

The merger agreement may be amended by mutual agreement of ProAssurance and PIC Wisconsin, and either of them may waive the right to require the other party to follow particular provisions of the merger agreement. However, the merger agreement may not be amended after PIC Wisconsin's shareholders approve and adopt the merger agreement if the amendment would change the amount or the form of consideration to be delivered to PIC Wisconsin shareholders. If any amendment or waiver changes the amount or form of the consideration to be delivered to PIC Wisconsin shareholders after approval for the merger has already been obtained, then such amendment or waiver would require further approval by PIC Wisconsin shareholders.

Expenses.

The merger agreement provides that each of ProAssurance and PIC Wisconsin will pay its own expenses in connection with the merger and the transactions contemplated by the merger agreement. However, (i) ProAssurance and PIC Wisconsin will share the cost of the HSR Act filing fees in proportion to their relative assets as of December 31, 2004, (ii) ProAssurance will pay all expenses and filing fees in connection with the Form A filing with the OCI of Wisconsin and any other required filings with insurance regulators, (iii) PIC Wisconsin will pay all costs and expenses relating to printing and mailing this proxy statement-prospectus to PIC Wisconsin shareholders, and (iv) ProAssurance will pay all registration, filing and other fees paid to the SEC or NYSE in connection with the merger.

Indemnification of directors and officers.

The merger agreement provides that, upon completion of the merger, ProAssurance will, to the fullest extent permitted by law, indemnify, defend and hold harmless all present and former directors, officers and employees of PIC Wisconsin against all costs and liabilities arising out of actions or omissions occurring at or before the completion of the merger to the same extent as directors, officers and employees of PIC Wisconsin are indemnified or have the right to advancement of expenses under PIC Wisconsin's articles of incorporation and bylaws.

The merger agreement also requires PIC Wisconsin to use its reasonable best efforts to acquire directors' and officers' liability insurance for the present and former officers and directors of PIC Wisconsin with respect to claims arising from facts or events occurring before the merger and to keep this insurance in effect for a period of six years after the merger. If PIC Wisconsin is unable to acquire such insurance, ProAssurance is required to use its best efforts to acquire directors' and officers' liability insurance that contains at least the same coverage and amounts, and terms and conditions no less advantageous, as PIC Wisconsin's existing coverage. However, if neither PIC Wisconsin nor ProAssurance is able to maintain or obtain such levels of insurance at a cost of less than 300% of the premium paid by PIC Wisconsin for such insurance or is otherwise unable to obtain such insurance, ProAssurance is required to use its best efforts to obtain as much comparable insurance as is reasonably available.

PROPOSAL 2: POSSIBLE ADJOURNMENT OF THE SPECIAL MEETING

The PIC Wisconsin special meeting may be adjourned to permit further solicitation of proxies, if necessary, in the event that there is an insufficient number of votes to approve and adopt the merger agreement and the merger (Proposal 1 above).

Table of Contents

The PIC Wisconsin board of directors unanimously recommends that PIC Wisconsin shareholders vote FOR the approval of the proposal to adjourn the special meeting, if necessary, to solicit additional proxies if there are not sufficient votes for the merger proposal.

MATERIAL FEDERAL INCOME TAX CONSEQUENCES

In the opinion of Burr & Forman LLP, counsel to ProAssurance, and Quarles & Brady LLP, counsel to PIC Wisconsin, the following section describes the anticipated material United States federal income tax consequences of the merger to holders of PIC Wisconsin common stock. This discussion addresses only those PIC Wisconsin shareholders who hold their PIC Wisconsin common stock as a capital asset within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended, and does not address all the United States federal income tax consequences that may be relevant to particular PIC Wisconsin shareholders in light of their individual circumstances or to PIC Wisconsin shareholders who are subject to special rules, such as:

financial institutions,

investors in pass-through entities,

insurance companies,

tax-exempt organizations,

dealers in securities or currencies,

traders in securities that elect to use a mark to market method of accounting,

persons that hold PIC Wisconsin common stock as part of a straddle, hedge, constructive sale or conversion transaction,

persons who are not citizens or residents of the United States, and

shareholders who acquired their shares of PIC Wisconsin common stock through the exercise of an employee stock option or otherwise as compensation.

The following discussion is based upon the Internal Revenue Code, its legislative history, existing and proposed regulations thereunder and published rulings and decisions, all as currently in effect as of the date hereof, and all of which are subject to change, possibly with retroactive effect. Tax considerations under state, local and foreign laws, or federal laws other than those pertaining to the income tax, are not addressed in this proxy statement-prospectus. Determining the actual tax consequences of the merger to you may be complex. They will depend on your specific situation and on factors that are not within either ProAssurance's or PIC Wisconsin's control. You should consult with your own tax advisor as to the tax consequences of the merger in your particular circumstances, including the applicability and effect of the alternative minimum tax and any state, local or foreign and other tax laws and of changes in those laws.

In rendering their opinions, Burr & Forman LLP and Quarles & Brady LLP have relied upon representations of ProAssurance and PIC Wisconsin and upon customary assumptions, including the assumption that the merger will be consummated in accordance with the terms of the merger agreement. Neither of these tax opinions will be binding on the Internal Revenue Service. Neither ProAssurance nor PIC Wisconsin intends to request any ruling from the Internal Revenue Service as to the United States federal income tax consequences of the merger.

Tax consequences of the merger generally. The merger will qualify as a plan of reorganization within the meaning of Section 368(a) of the Internal Revenue Code. As a consequence:

no gain or loss will be recognized by shareholders of PIC Wisconsin who receive shares of ProAssurance common stock in exchange for shares of PIC Wisconsin common stock, except with respect to any cash received instead of fractional shares of ProAssurance common stock;

Table of Contents

the aggregate basis of the ProAssurance common stock received in the merger will be the same as the aggregate basis of the PIC Wisconsin common stock for which it is exchanged, less any basis attributable to fractional shares of ProAssurance common stock for which cash is received; and

the holding period of ProAssurance common stock received in exchange for shares of PIC Wisconsin common stock will include the holding period of the PIC Wisconsin common stock for which it is exchanged.

Cash received instead of a fractional share of ProAssurance common stock. A shareholder of PIC Wisconsin who receives cash instead of a fractional share of ProAssurance common stock will be treated as having received the fractional share pursuant to the merger and then as having exchanged the fractional share for cash in a redemption by ProAssurance. As a result, a PIC Wisconsin shareholder will generally recognize gain or loss equal to the difference between the amount of cash received and the basis in his or her fractional share interest as set forth above. This gain or loss will generally be capital gain or loss, and will be long-term capital gain or loss if, as of the effective date of the merger, the holding period for such shares is greater than one year. The deductibility of capital losses is subject to limitations.

Cash received by holders exercising dissenters' rights. Shareholders of PIC Wisconsin who dissent from the merger pursuant to the dissenters' rights statutes and who receive cash for their shares of PIC Wisconsin common stock will be treated as having exchanged their shares of PIC Wisconsin common stock for cash in the merger. As a result, those dissenting shareholders will generally recognize gain or loss equal to the difference between the amount of cash received and their basis in the shares of PIC Wisconsin common stock exchanged for such cash. This gain or loss will generally be capital gain or loss, and will be long term capital gain or loss if, as of the effective time of the merger, the holding period for such shares is greater than one year. The deductibility of capital losses is subject to limitations.

You should consult with your own tax advisors about the particular tax consequences of the merger to you, including the effects of United States federal, state or local, or foreign and other tax laws.

Tax opinions as condition to merger. Neither party will be obligated to complete the merger unless ProAssurance receives a further opinion of Burr & Forman LLP and PIC Wisconsin receives a further opinion of Quarles & Brady LLP, dated as of the effective date of the merger, substantially to the effect that (i) the merger will be treated as a plan of reorganization within the meaning of Section 368(a) of the Code, (ii) no gain or loss will be recognized by shareholders of PIC Wisconsin who receive shares of ProAssurance common stock in exchange for all their PIC Wisconsin common stock, except with respect to any cash received in lieu of fractional shares, and (iii) no gain or loss will be recognized by ProAssurance, PIC Wisconsin or their subsidiaries. In rendering their opinions, counsel will require and rely upon factual representations contained in certificates of officers of ProAssurance and PIC Wisconsin. Like other conditions to the merger, the merger agreement allows either party to waive this condition. However, if the receipt of either of the legal opinions is waived, PIC Wisconsin will recirculate revised proxy materials and resolicit the vote of its shareholders.

Backup withholding and information reporting. Payments of cash to a holder of PIC Wisconsin common stock for a fractional share of ProAssurance common stock and for shares of PIC Wisconsin held by persons exercising dissenters' rights may, under certain circumstances, be subject to information reporting and backup withholding unless the holder provides proof of an applicable exemption or furnishes its taxpayer identification number, and otherwise complies with all applicable requirements of the backup withholding rules. Any amounts withheld from payments to a holder under the backup withholding rules are not additional tax and will be allowed as a refund or credit against the holder's United States federal income tax liability, provided the required information is furnished to the Internal Revenue Service by the holder.

PIC Wisconsin.

PIC Wisconsin common stock is not publicly traded and is not listed on any national exchange. Very few transfers of PIC Wisconsin common stock have occurred in the last two years. In most cases, PIC Wisconsin was not informed of the sales prices or the gift value assigned to the shares in such transfers.

PIC Wisconsin has granted stock awards to directors and certain executive officers under its long term stock plan. The long term stock plan requires PIC Wisconsin to repurchase the shares that have been awarded in certain circumstances at the request of the shareholder at fair market value as determined by the compensation committee of PIC Wisconsin's board. Since January 1, 2004, a total of 93.6 shares awarded under the long term stock plan were redeemed by PIC Wisconsin at prices ranging from approximately \$3,567 per share to \$3,889 per share.

By letter dated August 31, 2005, American Physicians Capital, Inc. advised the OCI of Wisconsin that it had purchased approximately 9.9% of PIC Wisconsin's common stock for \$7.38 million (approximately \$3,800 per share) from five PIC Wisconsin shareholders. These shares have not been submitted for transfer on the shareholder records of PIC Wisconsin.

Dividends.

ProAssurance does not currently pay dividends on its common stock and does not intend to pay any dividends in the foreseeable future. As a holding company with no direct operations, ProAssurance relies on cash dividends and other permitted payments from its subsidiaries to pay dividends to its stockholders. ProAssurance's insurance subsidiaries are subject to state and statutory restrictions, including regulatory restrictions that are imposed as a matter of administrative policy, applicable generally to any insurance company in its state of domicile. The restrictions limit the amount of dividends or distributions an insurance company may pay to its stockholders without prior regulatory approval. Generally dividends may be paid only out of earned surplus. In every case, surplus subsequent to the payment of a dividend must be reasonable in

Table of Contents

relation to the insurance company's outstanding liabilities and must be adequate to meet its financial needs. In addition, state insurance holding company acts require insurance companies to obtain prior approval before the payment of extraordinary dividends. Generally a dividend is extraordinary if the combined dividends and distributions from the insurance company to its parent holding company in any twelve-month period exceed the greater of either 10% of the insurance company's surplus at the end of the preceding fiscal year or the statutory income of the insurance company in the preceding fiscal year. If insurance regulators determine that payment of a dividend or other payments to the holding company would be detrimental to the policyholders because of its effect on the insurance company's financial condition, the regulators may prohibit such payments even if they would otherwise be permitted without prior approval.

Since PIC Wisconsin's inception, PIC Wisconsin has not paid any dividends on its common stock and has no current intention to pay cash dividends on its common stock. Wisconsin insurance laws require that any distribution to shareholders other than a stock dividend be reported to the OCI of Wisconsin in writing, and payments cannot be made until at least 30 days after submitting such report; however, no report need be made if the distribution is no more than 15% larger than for the corresponding period in the previous year. In addition, no extraordinary dividend can be paid to PIC Wisconsin's shareholders unless the extraordinary dividend is reported to the OCI of Wisconsin at least 30 days before payment and the OCI of Wisconsin does not disapprove the payment. PIC Wisconsin's surplus note indenture also contains limitations and restrictions on the payment of dividends. Furthermore, the merger agreement restricts the dividends that may be paid on PIC Wisconsin's common stock pending completion of the merger. See The Merger Agreement Conduct of business pending the merger beginning on page 48.

DESCRIPTION OF PROASSURANCE CAPITAL STOCK

As a result of the merger, PIC Wisconsin shareholders will become stockholders of ProAssurance. ProAssurance is incorporated under Delaware law, and therefore, your rights as stockholders of ProAssurance will be governed by Delaware law after the merger. Your rights will also be governed by the certificate of incorporation and bylaws of ProAssurance. This description of ProAssurance's capital stock, including the common stock to be issued in the merger, reflects the anticipated state of affairs upon completion of the merger. The following summarizes the material terms of ProAssurance's capital stock but does not purport to be complete, and is qualified in its entirety by reference to the applicable provisions of state laws governing insurance holding companies, Delaware law and ProAssurance's certificate of incorporation and bylaws.

Common stock.

ProAssurance is authorized to issue up to 100,000,000 shares of common stock, par value \$0.01 per share.

Holders of record of common stock are entitled to one vote per share on all matters upon which stockholders have the right to vote. The rights attached to the shares of common stock do not provide for cumulative voting rights or preemptive rights. Therefore, holders of more than 50% of the shares of common stock are able to elect all of ProAssurance's directors eligible for election each year. All issued and outstanding shares of ProAssurance's common stock are validly issued, fully paid and non-assessable. Holders of ProAssurance's common stock are entitled to such dividends as may be declared from time to time by ProAssurance's board of directors out of funds legally available for that purpose. Upon dissolution, holders of ProAssurance's common stock are entitled to share pro rata in the assets of the company remaining after payment in full of all of ProAssurance's liabilities and obligations, including payment of the liquidation preference, if any, of any preferred stock then outstanding. There are no redemption or sinking fund provisions applicable to the common stock.

Preferred stock.

ProAssurance's board may, from time to time, issue up to an aggregate 50,000,000 shares of preferred stock in one or more series without stockholder approval. The board of directors can fix the designation powers, rights, preferences and privileges of the shares of each series and any qualifications, limitations or restrictions. Issuance of preferred stock, while providing desirable flexibility in connection with possible acquisitions and other corporate purposes, could have the effect of making it more difficult for a third party to

Table of Contents

acquire, or of discouraging a third party from attempting to acquire, a majority of the outstanding voting stock of ProAssurance. No shares of preferred stock are currently outstanding. ProAssurance has no present plans to issue any shares of preferred stock.

Delaware anti-takeover statute and charter provisions.

Under Delaware law, ProAssurance may not engage in a business combination, which includes a merger or sale of more than 10% of ProAssurance's assets, with any interested stockholder, namely, a stockholder who owns 15% or more of its outstanding voting stock, as well as affiliates and associates of any of these persons, for three years following the time that stockholder became an interested stockholder unless:

the transaction in which the stockholder became an interested stockholder is approved by ProAssurance's board of directors prior to the time the interested stockholder attained that status;

upon completion of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of ProAssurance's voting stock outstanding at the time the transaction commenced, excluding those shares owned by persons who are directors and also officers; or

at or after the time the stockholder became an interested stockholder the business combination is approved by the board of directors and authorized at an annual or special meeting of stockholders by the affirmative vote of at least two-thirds of the outstanding voting stock which is not owned by the interested stockholder.

The authorization of undesignated preferred stock in ProAssurance's charter makes it possible for its board of directors to issue preferred stock with voting or other rights or preferences that could impede the success of any attempt to change control of ProAssurance. Further, the classification of the board of directors makes it more difficult to effect a change of control. These and other provisions may have the effect of deterring hostile takeovers or delaying changes in control or management of ProAssurance.

Authorized but unissued shares.

ProAssurance believes that the availability of shares of its common stock is advisable to provide ProAssurance with the flexibility to take advantage of opportunities to issue such stock in order to obtain capital, as consideration for possible acquisitions or for other purposes (including, without limitation, the issuance of additional shares of ProAssurance common stock through stock splits and stock dividends in appropriate circumstances). There are, at present, no plans, understandings, agreements or arrangements concerning the issuance of additional shares of ProAssurance common stock, except for:

the shares of ProAssurance common stock to be issued in the merger,

shares of ProAssurance common stock presently reserved for issuance with respect to options and awards granted or to be granted under ProAssurance's stock option and award plans, and

the shares of common stock reserved for issuance upon conversion of ProAssurance's convertible debentures.

Uncommitted authorized but unissued shares of ProAssurance common stock may be issued from time to time to such persons and for such consideration as the board of directors may determine and holders of ProAssurance's then outstanding shares of common stock may or may not be given the opportunity to vote thereon, depending upon the nature of any such transactions, applicable law, the rules and policies of the NYSE and the judgment of the ProAssurance's board of directors regarding the submission of such issuance to ProAssurance's stockholders.

ProAssurance's stockholders have no preemptive rights to subscribe to newly issued shares.

Moreover, it is possible that additional shares of ProAssurance's common stock could be issued for the purpose of making an acquisition by an unwanted suitor of a controlling interest in ProAssurance more difficult, time-consuming or costly or to otherwise discourage an attempt to acquire control of ProAssurance. Under these circumstances the availability of authorized but unissued shares of ProAssurance common stock may make it more difficult for stockholders to obtain a premium for their shares. These authorized but unissued shares could be used to create voting or other impediments or to frustrate a person seeking to obtain

Table of Contents

control of ProAssurance by means of a consolidation, tender offer, proxy contest or other means. They could also be privately placed with purchasers who might cooperate with ProAssurance's board of directors in opposing such an attempt by a third party to gain control of ProAssurance. The issuance of new shares of ProAssurance common stock could also be used to dilute ownership of a person or entity seeking to obtain control of ProAssurance. Although ProAssurance does not currently contemplate taking such action, shares of ProAssurance's common stock could be issued for the purposes and effects described above and ProAssurance's board of directors reserves its rights to issue such stock for such purposes, consistent with its fiduciary responsibilities.

Transfer agent and registrar.

The transfer agent and registrar for ProAssurance's common stock is Mellon Investor Services LLC, whose offices are at 44 Wall Street, New York, New York 10005.

COMPARISON OF STOCKHOLDER RIGHTS

ProAssurance is a Delaware corporation subject to the provisions of the Delaware General Corporation Law, which is referred to as the DGCL. PIC Wisconsin is a Wisconsin stock insurance company subject to the provisions of the Wisconsin Domestic Stock and Mutual Insurance Corporations Law and other Wisconsin insurance laws, which are referred to as the Wisconsin Insurance Code, as well as specified portions of the Wisconsin Business Corporation Law, which is referred to as the WBCL. Upon completion of the merger, PIC Wisconsin shareholders, whose rights are currently governed by the Wisconsin Insurance Code, WBCL and PIC Wisconsin's articles of incorporation and bylaws, will become stockholders of ProAssurance, and their rights will be governed by the DGCL and ProAssurance's certificate of incorporation and bylaws.

The following is a summary of material differences between the current rights of ProAssurance stockholders and the current rights of PIC Wisconsin shareholders. This summary is not intended to be a complete discussion of the respective rights of ProAssurance stockholders and PIC Wisconsin shareholders or a complete description of the specific provisions referred to in this summary, and it is qualified in its entirety by reference to the DGCL, the Wisconsin Insurance Code, the WBCL, the certificate of incorporation and bylaws of ProAssurance and the articles of incorporation and bylaws of PIC Wisconsin. For a more complete understanding of the differences between being a stockholder of ProAssurance and being a shareholder of PIC Wisconsin, you should carefully read this entire proxy statement-prospectus and the relevant provisions of the Wisconsin Insurance Code, the WBCL and the DGCL, the certificate of incorporation and bylaws of ProAssurance and the articles of incorporation and bylaws of PIC Wisconsin.

On May 30, 2006, the Governor of Wisconsin approved two bills that contain several technical changes to the WBCL. These changes will be effective the day after publication, which is expected to occur on June 13, 2006. PIC Wisconsin does not believe that the changes are material to PIC Wisconsin shareholders.

In addition, any shareholder may, upon written demand, inspect, and subject to the proper purpose requirement, copy the list of shareholders who are entitled to notice of a shareholders' meeting during the period beginning two business days after notice of a shareholder meeting is given and continuing to the date of the meeting. The shareholders' list must be available at the meeting, and any shareholder may inspect the list at any time during the meeting.

Assessability

The DGCL does not impose personal liability on holders of a Delaware corporation's common stock for debts owing to employees or otherwise.

The WBCL provides that shareholders of a Wisconsin corporation are personally liable up to an amount equal to the par value of shares owned by them, and up to the consideration for which their shares without par value were issued, for debts owing to employees of the corporation for services performed for the corporation, but not exceeding six months' service in any one case. A Wisconsin trial court has interpreted par value to mean the subscription price paid for the shares rather than the lower stated par value. While the Wisconsin Supreme Court by an evenly divided vote without a written opinion affirmed the trial court's decision, that affirmation technically provided no precedential effect because of the court's split decision and because the decision was subsequently overruled in another case on procedural grounds.

Number and Qualification of Directors

The DGCL provides that the board of directors of a Delaware corporation must consist of one or more directors as fixed by the corporation's certificate of incorporation or bylaws.

The Wisconsin Insurance Code provides that the board of directors shall consist of at least five directors if no more than one director is an employee or representative of the corporation, and shall have at least nine

ProAssurance's certificate of incorporation provides that the board of directors may not consist of less than three nor more than 24 directors, as determined by the board of directors. In accordance with NYSE corporate governance requirements, the ProAssurance bylaws require that a majority of the directors be independent

directors in other cases. Employees and representatives of a corporation may not constitute a majority of the board. If directors are divided into classes, no class may contain fewer than three members.

In addition, members of the Audit Committee are required to be financially literate, and at least one member must be determined to be a financial expert within the meaning of Section 407 of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated thereunder.

Removal of Directors

Under the DGCL, stockholders holding a majority of shares entitled to vote at an election of directors may remove any director or the entire board of directors, except that, unless the certificate of incorporation provides otherwise, in the case of a corporation whose board of directors is classified, stockholders may only remove a director for cause.

ProAssurance's certificate of incorporation provides that directors can be removed only for cause and by an affirmative vote of the majority of the holders of voting power of the outstanding common stock at a meeting called for that purpose.

Under the WBCL, except as otherwise provided in the articles of incorporation or bylaws, shareholders generally may remove a director with or without cause if the number of votes cast to remove the director exceeds the number of votes cast not to remove the director.

PIC Wisconsin's bylaws provide that directors may be removed, with or without cause, by an affirmative vote of a majority of the outstanding shares entitled to vote for the election of such director, taken at a meeting of shareholders called for such purpose and in accordance with the bylaws, after the shareholder or shareholders seeking such removal has (a) made all necessary governmental filings and applications and furnishing copies thereof to PIC Wisconsin, (b) obtained the prior written approval of the OCI of Wisconsin to the extent required by law and any other necessary governmental approvals, and (c) complied with any applicable federal, state or other laws. PIC Wisconsin's bylaws provide that vacancies, including vacancies created by an increase in the number of directors, may be filled, until the next succeeding annual meeting of the shareholders by the affirmative vote of a majority of the directors then in office, though less than a quorum of the board of directors. The successor elected at such annual meeting to fill the vacancy shall hold office for the unexpired term, if any, of the class of director for the vacant position until the third following annual meeting of shareholders and until a successor shall have been elected, or until the director's death, resignation or removal. In the case of a vacancy created by the removal of a director by the vote of shareholders, the shareholders shall have the right to fill such vacancy at the same meeting or any adjournment thereof. Discretion of Officers and Directors to Consider Interests in Addition to Stockholders' Interests

Indemnification

Under the DGCL, a Delaware corporation must indemnify its present or former directors or officers against expenses (including attorney's fees) actually and reasonably incurred by the director or officer to the extent that he or she has been successful on the merits or otherwise in defense of any action, suit or proceeding brought against the director or officer by reason of the fact that he or she is or was a director or officer of the corporation.

The DGCL generally permits a Delaware corporation to indemnify directors and officers against expenses, judgments, fines and amounts paid in settlement of any action or suit for actions taken in good faith and in a manner they reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action, which they had no reasonable cause to believe was unlawful.

ProAssurance's bylaws provide that ProAssurance will indemnify any person involved in litigation brought by a third party or by or in the right of the corporation by reason of the fact that he or she is or was a director, officer, employee or agent of

Under the WBCL, a Wisconsin corporation must indemnify its directors and officers against liability and reasonable expenses incurred by the director or officer in a proceeding to which the indemnified person was a party because he or she is or was a director or officer (a) to the extent the director or officer has been successful on the merits or otherwise in the defense of the proceeding and (b) in proceedings in which the director or officer is not successful in the defense thereof, unless liability was incurred because the director or officer breached or failed to perform a duty that he or she owes to the corporation and the breach or failure constitutes:

willful failure to deal fairly with the corporation or its shareholders in connection with a matter in which the director or officer has a material conflict of interest;

a violation of criminal law, unless the director or officer had reasonable cause to believe that his or her conduct was lawful or no reasonable cause to believe it was unlawful;

a transaction from which the director or

ProAssurance or is or was serving at the request of ProAssurance as a director, officer, employee or agent of another entity. ProAssurance will only indemnify such a person if that person acted in good faith and in a manner he or she reasonably believed to be lawful and in the best interests of the corporation, except that the person will not be entitled to indemnification in an action in which he or she is found to be liable to the corporation

officer derived an improper personal profit; or

willful misconduct.

The termination of a proceeding by judgment, order, settlement or conviction, or upon a plea of no contest or an equivalent plea, does not, by itself, create a presumption that indemnification of a director or officer is not required.

unless the Delaware Court of Chancery deems indemnification under these circumstances proper.

ProAssurance's bylaws also provide that it will indemnify any director, officer, employee or agent of the corporation who has been successful on the merits or otherwise, to the extent that the director, officer, employee or agent has been successful, against any expenses reasonably incurred by him or her with respect to the action.

The DGCL and ProAssurance's certificate of incorporation permit ProAssurance to purchase and maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of ProAssurance or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not ProAssurance would have the power to indemnify such person against such expense, liability or loss under the DGCL.

As permitted by the DGCL, ProAssurance has executed indemnification agreements with its directors and some of its officers which provide that the indemnification provisions in the DGCL and ProAssurance's bylaws apply to the fullest extent permitted under Delaware law.

Rights of PIC Wisconsin Shareholders

The WBCL provides that a corporation's articles of incorporation may limit its obligation to indemnify directors and officers under the WBCL. PIC Wisconsin's articles of incorporation do not contain any such limitation.

The WBCL permits a corporation, upon request, to pay or reimburse the reasonable expenses as incurred of a director or officer who is a party to a proceeding, if the director or officer provides the corporation with a written affirmation of his or her good faith belief that he or she has not breached or failed to perform his or her duties to the corporation and a written undertaking to repay the amount advanced, with reasonable interest if so required by the corporation, if it is ultimately determined that the director or officer is not entitled to indemnification.

Under the WBCL, a Wisconsin corporation must indemnify an employee who is not a director or officer of the corporation, to the extent that he or she has been successful on the merits or otherwise in defense of a proceeding, for all reasonable expenses incurred in the proceeding if the employee was a party because of his or her employment with the corporation. In addition, a corporation may indemnify and allow reasonable expenses of an employee or agent who is not a director or officer of the corporation to the extent provided by the articles of incorporation or bylaws, by action of the board or by contract.

The WBCL and PIC Wisconsin's bylaws permit PIC Wisconsin to purchase and maintain insurance on behalf of an individual who is an employee, agent, director or officer of the corporation against liability asserted against and incurred by the individual in or arising

from his or her capacity with the corporation, regardless of whether the corporation is required or authorized to indemnify or allow expenses to the individual against the same liability under the WBCL. The Wisconsin Insurance Code and PIC Wisconsin's bylaws require that no indemnification be made until at least 30 days after notice, containing full details, of the proposed indemnification has been sent to the OCI of Wisconsin.

Amendments to Certificate or Articles of Incorporation

Under the DGCL, ProAssurance's certificate of incorporation may be amended only if the proposed amendment is approved by the board of directors and the holders of a majority of the outstanding stock entitled to vote.

ProAssurance's certificate of incorporation requires the affirmative vote of the holders of not less than 80% of the votes to be cast in order to amend or adopt any provision inconsistent with the following provisions of the certificate of incorporation:

Article Sixth, which describes the size of the board, the manner by which directors are elected and the powers of the board of directors;

Article Eighth, which describes ProAssurance's director indemnification policy;

Article Ninth, which provides that ProAssurance will be governed by the provisions of Section 203 of the DGCL;

Article Tenth, which provides that the board of directors, when considering a merger, consolidation, business

The WBCL states that it is the public policy of Wisconsin to require or permit indemnification, allowance of expenses and insurance for any liability incurred in connection with a proceeding involving securities regulation to the extent otherwise required or permitted under the WBCL.

PIC Wisconsin's bylaws contain provisions indicating that it shall not limit the rights of persons to indemnification as provided or permitted as a matter of law under the Wisconsin Statutes or otherwise.

The WBCL permits the board of directors of a corporation to adopt some types of routine and non-controversial amendments to the articles of incorporation without approval by the shareholders, but the general procedure for amending the articles of incorporation requires the board to propose the amendment and the shareholders to approve it. The board may condition its submission of the proposed amendment to shareholders on any basis, such as requiring a greater shareholder vote for approval than would otherwise be required. Unless the WBCL, the articles of incorporation, bylaws adopted under authority granted in the articles of incorporation or the board of directors in conditioning its submission, requires a greater vote or a vote by voting groups, an amendment is adopted if approved as follows:

if a voting group would have dissenters rights with respect to the amendment, then a majority of the votes entitled to be cast by that voting group is required for adoption of the amendment;

otherwise, if a quorum exists, the amendment will be adopted if the votes cast

The Wisconsin Insurance Code requires that the amendment be filed with the OCI of Wisconsin instead of the Department of Financial Institutions.

Article Eleventh, which describes the means for amending ProAssurance's bylaws.

Amendments to Bylaws

ProAssurance's certificate of incorporation provides that the board of directors have concurrent power with the stockholders to amend, change, add to or to repeal the bylaws. The board of directors may amend, change, add to or to repeal the bylaws upon the affirmative vote of the number of directors which constitutes a majority of the members then in office. The stockholders may amend, change, add to or to repeal the bylaws only upon the affirmative vote of the holders of at least 80% of the votes entitled to be cast by the holders of all outstanding shares of ProAssurance common stock. Notwithstanding the foregoing or any other provisions of the bylaws, the affirmative vote of the holders of not less than 80% of the votes entitled to be cast by the holders of all outstanding shares of ProAssurance common stock shall be required to amend, change, add to or repeal any provision of the bylaws inconsistent with Articles Sixth, Eighth, Ninth, Tenth and Eleventh of ProAssurance's certificate of incorporation.

PIC Wisconsin's bylaws provide that PIC Wisconsin's bylaws may be altered, amended or repealed, and new bylaws may be adopted, by the board of directors. Shareholders may alter, amend and repeal bylaws, or make new bylaws, by the affirmative vote of not less than a majority of the shares present or represented at an annual or special meeting of the shareholders at which a quorum is in attendance.

No bylaw adopted by PIC Wisconsin shareholders may be amended, repealed or readopted by the board of directors if:

the bylaw adopted by PIC Wisconsin shareholders so provides; or

the bylaw adopted by the shareholders fixes a greater or lower quorum requirement, or a greater voting requirement, for the board of directors than otherwise is provided in the WBCL, unless the bylaw expressly provides that it may be amended or repealed by a specified vote of the board of directors.

The Wisconsin Insurance Code requires that any amendment be filed with the OCI of Wisconsin.

Business Combination Statute

Section 203 of the DGCL prohibits a Delaware corporation from engaging in a business combination with a person owning 15% or more of the corporation's voting stock for three years following the time that person becomes a 15% stockholder, with certain exceptions.

Chapter 552 of the Wisconsin Statutes makes it unlawful for any person to make a take-over offer involving a target company in Wisconsin, or to acquire any equity securities of the target company pursuant to the offer, unless the offer is made under an effective registration statement filed under Chapter 552 or is exempted by rule or

order of the Wisconsin Department of Financial Institutions. A take-over offer means the offer to acquire any equity security of a target company pursuant to a tender offer or a request for invitation for tenders if after the acquisition the offeror would be directly or indirectly the beneficial owner of more than 5% of any class of the outstanding equity securities. Chapter 552 does not define

tender offer . It does, however, define what is not a take-over offer, and exclusions seem to imply that offers to purchase less than all of the stock of a Wisconsin issuer would be a take-over offer unless exempt under one of the applicable exclusions. Among the exclusions under Chapter 552 are the following:

brokers transactions effected by or through a broker-dealer in the ordinary course of business;

an offer made to not more than ten persons in Wisconsin during any period of 12 consecutive months; and

an offer if the acquisition of any equity security pursuant thereto, together with all other acquisitions by the offeror of securities of the same class during the preceding 12 months, would not exceed 2% of the class of outstanding equity securities.

The term target company means a corporation or other issuer of securities:

which is organized under the laws of the State of Wisconsin;

which has substantial assets located in the State of Wisconsin;

whose equity securities in any class are or have been registered under the Wisconsin Securities Laws; and

which has at least 100 record holders of securities who are residents of the State of Wisconsin or has at least 5% of the securities held by residents of the State of Wisconsin.

Shareholder Rights Plan

ProAssurance does not have a stockholder rights plan.

Each share of PIC Wisconsin common stock has attached to it a right to purchase

common stock that becomes exercisable subject to the terms set forth in a rights agreement between PIC Wisconsin and the rights agent. PIC Wisconsin amended the rights agreement to exempt ProAssurance, the merger agreement and the merger from the application of the rights agreement and to provide that the rights agreement will

Participating shares means shares that entitle their holders to participate, without limitation, in distributions. Voting shares means shares that entitle their holders to vote unconditionally in elections of directors.

Under the WBCL, a corporation may sell, lease, exchange or otherwise dispose of all or substantially all of its property if the proposed transaction is approved by the board of directors, and by the shareholders by a majority of all the votes entitled to be cast on the transaction, unless the WBCL, the articles of incorporation or bylaws adopted under authority granted in the articles of incorporation require a greater vote or a vote by voting groups.

PIC Wisconsin's articles of incorporation and bylaws do not change the voting requirements provided for by the WBCL for a merger, share exchange or sale of property.

Regulatory Approval of a Change of Control

ProAssurance is an insurance holding company and subject to insurance holding company regulatory acts in Alabama, Michigan, the District of Columbia and Indiana, by reason of its ownership of insurance subsidiaries domiciled in those states. Under these holding company acts, any change of control of ProAssurance is subject to approval of the state insurance regulatory authority. A change of control is

The Wisconsin Insurance Code requires approval by the OCI of Wisconsin of a proposed plan of merger or other plan for acquisition of control before it can be submitted to the shareholders for approval.

The OCI of Wisconsin shall approve the plan if it finds, after a hearing, unless a hearing is not required, that it would not violate the law or be contrary to the

In addition, appraisal rights are not available to holders of shares of any class of stock which is either listed on a national securities exchange or an interdealer quotation system operated by the NASD or held of record by more than 2,000 stockholders, unless those stockholders are required by the terms of the merger to accept anything other than:</p> <p>shares of stock of the surviving or resulting corporation;</p> <p>shares of stock of another corporation which, on the effective date of the merger or consolidation, are of the kind described above;</p> <p>cash instead of fractional shares of stock; or</p> <p>any combination of the three types of consideration above.</p> | <p>Under the WBCL, shareholders may dissent from and obtain payment of the fair value of their shares in the event of specified corporate actions, including certain mergers, share exchanges and sales of all or substantially all of the property of the corporation. SHAREHOLDER DISSENTERS' RIGHTS

Under Section 611.785 of the Wisconsin Insurance Code and Sections 180.1301 through 180.1331 of the WBCL, dissenters' rights may be available to holders and beneficial owners of shares of PIC Wisconsin common stock subject to the procedures described therein. On May 30, 2006, the Governor of Wisconsin approved two bills that contain several technical changes to the WBCL. These changes will be effective the day after publication, which is expected to occur on June 13, 2006. *Appendix B* contains a copy of the existing Wisconsin dissenters' rights statutes and indicates the changes thereto which will be effective with such new bills. Dissenters' rights permit a shareholder to object to the merger and demand payment of the fair value of his or her shares in cash in connection with the completion of the merger.

Under the WBCL, dissenters' rights are available to shareholders of a company in a merger if (i) a Wisconsin corporation is a party to the merger, (ii) shareholder approval of the merger is required under the WBCL or the company's articles of incorporation and (iii) either the merger is a business combination (as defined in Section 180.1130(3) of the WBCL) or the shares are not registered on a national securities exchange or quoted on the National Association of Securities Dealers, Inc. automated quotations system on the record date for notice to the shareholders of a special meeting to vote on the merger.

Fair value means the value of the shares immediately before the completion of the merger to which the dissenter objects, excluding any appreciation or depreciation in anticipation of the merger unless exclusion would be inequitable. The fair value, as so determined, could be more or less than the value per share to be paid pursuant to the merger.

Holders of PIC Wisconsin common stock have the right to dissent from the proposed merger. To receive in cash the fair value of their shares instead of shares of ProAssurance, the dissenting shareholders are required to follow certain procedures set forth in the WBCL. The following is a brief summary of such procedures, which does not purport to be complete and is qualified in its entirety by reference to the statutory provisions of the WBCL governing dissenters' rights. Holders of shares of PIC Wisconsin should read *Appendix B* to this proxy statement-prospectus for a description of all statutory provisions related to dissenters' rights.

Pursuant to Section 180.1321 of the WBCL, any owner or beneficial owner of shares of PIC Wisconsin common stock desiring to assert dissenters' rights must do all of the following:

deliver to PIC Wisconsin by mail or by delivery in person to the principal office of Physicians Insurance Company of Wisconsin, Inc. at 1002 Deming Way, Madison, Wisconsin 53744, before the vote to approve and adopt the merger agreement and the merger is taken at the special meeting, written objection to the merger agreement and the merger which includes the dissenting shareholder's intent to demand payment for his or her shares if the proposed merger is completed, and

not vote in favor of the proposal to approve and adopt the merger agreement and the merger.

Dissenting shareholders who fail to satisfy both of the above conditions will waive their rights under Sections 180.1301 through 180.1331 of the WBCL and will not be entitled to payment of the fair value of such shares by PIC Wisconsin under such sections. Within ten days after the merger agreement and the merger is approved and adopted at the special meeting, PIC Wisconsin will deliver a written dissenters' notice to each of its shareholders who has dissented to the merger agreement in accordance with Section 180.1321 of the WBCL. Upon receipt of such notice, each dissenting shareholder has 30 days to demand payment in writing and surrender the certificate or certificates formerly representing the shares with respect to which he or she has dissented. Dissenting shareholders

who do not demand payment within the designated time period will waive their rights under Sections 180.1301 through 180.1331 of the WBCL, will not be entitled to payment for their shares under such sections and will be bound by the terms of the merger agreement.

Upon receipt of a payment demand or on the day of the completion of the merger, whichever is later, the surviving corporation in the merger, or its successors or assigns will pay each dissenting shareholder who has demanded payment the amount that the surviving corporation estimates to be the fair value of such shares, plus accrued interest. ProAssurance will be in control of PIC Wisconsin after the completion of the merger, and will determine the fair value of the shares subject to demand for payment under the dissenters' rights.

Table of Contents

statutes. ProAssurance believes that the fair value of a share of PIC Wisconsin common stock is less than the implied per share value of the merger consideration because the merger consideration is payable in shares of ProAssurance common stock instead of cash. ProAssurance believes that the estimated fair value of the shares of PIC Wisconsin common stock that are subject to a demand for payment will approximate the statutory book value of such shares.

A dissenting shareholder who does not agree with the estimation of the fair value of his or her shares or the amount of interest due, must notify the surviving corporation in the merger, or its successors or assigns of his or her estimate within 30 days after the surviving corporation in the merger or its successors or assigns made or offered payment for such shares. If the dissenting shareholder and the surviving corporation in the merger or its successors or assigns cannot agree upon the fair value of the shares or amount of interest due, the surviving corporation in the merger or its successors or assigns must file a petition in any court of competent jurisdiction in the county in which its principal office is located, requesting a finding and determination of the fair value of such shares and the accrued interest thereon. If the surviving corporation in the merger, or its successors or assigns fails to institute such a proceeding within 60 days after the dissenting shareholder notifies the surviving corporation in the merger, or its successors or assigns of his or her disagreement, the surviving corporation in the merger, or its successors or assigns shall pay each of its dissenters whose demand remains unsettled, the amount demanded by such shareholder.

If you fail to comply strictly with the procedures described in the WBCL relating to dissenters' rights, you will lose your dissenters' rights. Consequently, if you wish to exercise your dissenters' rights, you are strongly urged to consult a legal advisor before attempting to exercise your dissenters' rights.

THIS AGREEMENT AND PLAN OF MERGER (the **Agreement**), dated as of December 8, 2005, by and between PROASSURANCE CORPORATION, a Delaware corporation (**PRA**) and PHYSICIANS INSURANCE COMPANY OF WISCONSIN, INC., a Wisconsin stock insurance corporation (**PIC WISCONSIN**).

NOW, THEREFORE, in consideration of the mutual covenants, representations, warranties and agreements contained in this Agreement, and intending to be legally bound by this Agreement, the parties to this Agreement agree as follows:

ARTICLE 1

Formation of NEWCO

1.1 *Formation.* Between the date hereof and the Closing Date (as defined in Section 9.1 of this Agreement), PRA shall cause to be formed as a wholly owned subsidiary of PRA a newly organized stock corporation under the name of Physicians Merger Company pursuant to Wisconsin Statutes, Chapter 180 or, if required to effect the Merger (defined in Section 2.1 of this Agreement), a newly organized stock insurance corporation pursuant to Wisconsin Statutes Chapter 611 (**NEWCO**). 1.3 *Board of Directors and Officers of NEWCO.* PRA shall be entitled to elect the initial members of the Board of Directors and the initial officers of NEWCO.

ARTICLE 2

The Merger

2.1 *Merger.* Subject to the terms and conditions of this Agreement and in accordance with the Wisconsin Statutes Sections 611.72, 180.1101, 180.1103, 180.1105 and 180.1106 (collectively, the **Merger Statutes**), at the Effective Time (as defined in Section 2.2 of this Agreement), NEWCO shall merge with and into PIC WISCONSIN (the **Merger**). Upon consummation of the Merger, the separate corporate existence of NEWCO shall terminate.

the Office of the Commissioner (**OCI**) of Wisconsin as required by the Merger Statutes. The parties will make all other filings or recordings as may be required under any other applicable laws of the State of Wisconsin, and the Merger will become effective when the Articles of Merger are filed with the OCI of Wisconsin, or at such later date or time as PRA and PIC WISCONSIN agree and specify in the Articles of Merger (the time the Merger comes effective being the **Effective Time**).

2.3 Effects of Merger. At and after the Effective Time, the Merger shall have the effects set forth in this Agreement, the Articles of Merger and the Merger Statutes. At the Effective Time, (i) all rights, franchises, licenses and interests of PIC WISCONSIN in and to every type of property, real, personal and mixed, and all choses in action of PIC WISCONSIN shall continue unaffected and uninterrupted by the Merger and shall accrue to the Surviving Corporation; (ii) all rights, franchises, licenses and interests of NEWCO in and to every type of property, real, personal and mixed, and all choses in action of NEWCO shall continue unaffected and uninterrupted by the Merger and shall accrue to the Surviving Corporation; (iii) all obligations and liabilities of NEWCO then outstanding shall become and be obligations of the Surviving Corporation; (iv) all obligations and liabilities of PIC WISCONSIN then outstanding shall become and be obligations of the Surviving Corporation; and (v) no action or proceeding then pending and to which PIC WISCONSIN or NEWCO is a party shall be abated or discontinued but may be prosecuted to final judgment by the Surviving Corporation.

2.4 NEWCO Shares. At the Effective Time, the shares of NEWCO common stock issued and outstanding prior to the Effective Time shall convert into such number of shares of common stock of the Surviving Corporation as will enable the Surviving Corporation to meet the minimum capital requirements under applicable state insurance laws and regulations. It is the intention of the parties that, immediately after the Effective Time, PRA shall own all of the issued and outstanding shares of common stock of the Surviving Corporation.

2.5 Conversion of PIC WISCONSIN Common Stock.

(a) At the Effective Time, each share of PIC WISCONSIN common stock issued and outstanding immediately prior to Merger (the **PIC WISCONSIN Common Stock**) shall be converted into the right to receive such number of shares of PRA Common Stock (as defined in Section 5.3 of this Agreement) determined based on an exchange ratio (the **Exchange Ratio**). The Exchange Ratio shall be determined as follows:

(i) If the PRA Closing Stock Price (as defined below) is greater than 120% of the PRA Agreement Stock Price (as defined below), then the Exchange Ratio will equal the number obtained by dividing (A) \$5,000 by (B) the product of (x) 1.20 and (y) the PRA Agreement Stock Price;

(ii) If the PRA Closing Stock Price is less than or equal to 120%, but more than 80%, of the PRA Agreement Stock Price, then the Exchange Ratio will equal the number obtained by dividing (A) \$5,000 by (B) the PRA Closing Stock Price; or

(iii) If the PRA Closing Stock Price is less than or equal to 80% of the PRA Agreement Stock Price, then the Exchange Ratio will equal the number obtained by dividing (A) \$5,000 by (B) the product of (x) .80 and (y) the PRA Agreement Stock Price.

By way of example, (i) if the PRA Agreement Stock Price is \$50 per share and the PRA Closing Stock Price is \$60 per share, the Exchange Ratio will equal 83.33 (i.e. \$5,000 divided by \$60 per share) and each issued and outstanding share of PIC WISCONSIN Common Stock will be converted at the Effective Time into the right to receive 83.33 shares of PRA Common Stock, and (ii) if the PRA Agreement Stock Price is \$50 per share, but the PRA Closing Stock Price is \$40 per share, the Exchange Ratio will equal 125 (i.e. \$5,000 divided by \$40 per share) and each issued and outstanding share of PIC WISCONSIN Common Stock will be converted at the Effective Time into

the right to receive 125 shares of PRA Common Stock.

(b) For purposes hereof, **PRA Agreement Stock Price** shall mean the arithmetic average of the last reported sales price of one share of PRA Common Stock as reported on the NYSE (as defined in Section 4.5(c) of this Agreement) for the ten (10) trading days preceding the date of this Agreement, and

A-2

Table of Contents

PRA Closing Stock Price shall mean the arithmetic average of the last reported sales price of one share of PRA Common Stock as reported on the NYSE for the ten (10) trading days preceding the Effective Time. For purposes hereof, the number of shares of PRA Common Stock into which each issued and outstanding share of PIC WISCONSIN Common Stock is converted based on the Exchange Ratio is defined as the **Merger Consideration** .

(c) Each share of PIC WISCONSIN Common Stock that is owned by PIC WISCONSIN or any PIC WISCONSIN Subsidiary shall automatically be cancelled and retired and shall cease to exist, and no Merger Consideration shall be delivered in exchange therefor.

2.6 No Fractional Shares. No certificates or scrip representing a fractional share of PRA Common Stock (as defined in Section 5.3 of this Agreement) shall be issued upon the surrender of PIC WISCONSIN Common Stock certificates for exchange; no dividend or distribution with respect to PRA Common Stock shall be payable on or with respect to any fractional share; and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a stockholder of PRA. In lieu of any such fractional share, PRA shall pay to each former holder of PIC WISCONSIN Common Stock who otherwise would be entitled to receive a fractional share of PRA Common Stock an amount in cash determined by multiplying the fractional share of PRA Common Stock to which such holder would otherwise be entitled by the Exchange Ratio.

2.7 PIC WISCONSIN Long-Term Stock Plan. All outstanding awards (**Awards**) under the PIC WISCONSIN Long-Term Stock Plan, updated December 15, 2004 (the **Stock Plan**) at the Effective Time shall be vested and the shares of PIC WISCONSIN Common Stock subject to the Awards shall be issued to the holders of the Awards in accordance with the terms of the Stock Plan. The shares of PIC WISCONSIN Common Stock so issued pursuant to the Awards shall be converted into and exchanged for shares of PRA Common Stock in accordance with the provisions of Section 2.5(a) of this Agreement as if such shares had been outstanding at the Effective Time. Notwithstanding the foregoing, the holder of an Award may at any time prior to the Effective Time deliver written notice to PRA of his or her intention to require PIC WISCONSIN to repurchase the shares of PIC WISCONSIN Common Stock subject to any or all of the Awards issued to such holder or in the alternative, PRA may by delivery of written notice request PIC WISCONSIN to repurchase the shares of PIC WISCONSIN Common Stock subject to the Awards issued under the Stock Plan (shares to be so repurchased in either event being referred to as the **Repurchased Shares**), in which event such Repurchased Shares shall be converted into the right to receive cash in an amount equal to \$5,000 for each Repurchased Share at the Effective Time and the Repurchased Shares shall not be converted into and exchanged for shares of PRA Common Stock in accordance with the provisions of Section 2.5(a) of this Agreement. PRA shall assume the obligation to repurchase the Repurchased Shares from holders of Awards under the Stock Plan and shall pay the cash price to such holders promptly after the Effective Time.

2.8 Merger Tax Consequences. It is intended (i) that the Merger shall constitute a reorganization within the meaning of Section 368(a)(1)(A) of the Internal Revenue Code of 1986, as amended (the **Code**), and (ii) that this Agreement shall constitute a plan of reorganization for the purposes of Section 368 of the Code.

2.9 Surviving Corporation Articles of Incorporation. Subject to the terms and conditions of this Agreement, at the Effective Time, the Articles of Incorporation of PIC WISCONSIN then in effect shall be, and shall continue in effect as, the Articles of Incorporation of the Surviving Corporation, until amended in accordance with applicable law.

2.11 Surviving Corporation Management and Officers. At the Effective Time, the directors of NEWCO shall be the Board of Directors of the Surviving Corporation until their successors are elected and qualified. At the Effective Time,

Upon surrender of the Old Certificate for cancellation to the Exchange Agent, together with the duly executed transmittal materials, and such other documents as the Exchange Agent may reasonably require, the holder of such Old Certificate shall be entitled to receive in exchange therefor a certificate representing that number of New Certificates which such holder has the right to receive in respect of the Old Certificates surrendered pursuant to the provisions of this Section 3.2 (after taking into account all shares of PIC WISCONSIN Common Stock then held by such holder) and any check in respect of dividends or distributions or for fractional shares that the holder will be entitled to receive (without interest), and the Old Certificates so surrendered shall forthwith be canceled. Neither PRA nor the Surviving Corporation shall be obligated to deliver the Merger Consideration to which any former record holder of PIC WISCONSIN Common Stock is entitled as a result of the Merger until such record holder surrenders his or her certificate or certificates representing the shares of PIC WISCONSIN Common Stock for exchange as provided in this Section 3.2.

(c) At the Effective Time, the stock transfer books of PIC WISCONSIN shall be closed as to holders of PIC WISCONSIN Common Stock immediately prior to the Effective Time, and no transfer of PIC WISCONSIN Common Stock by any such record holder shall thereafter be made or recognized. Until surrendered for exchange in accordance with the provisions of this Section 3.2, each certificate theretofore representing shares of PIC WISCONSIN Common Stock shall from and after the Effective Time represent for all purposes only the right to receive the Merger Consideration provided in this Agreement in exchange therefor. To the extent permitted by law, former shareholders of record of PIC WISCONSIN Common Stock shall be entitled to vote after the Effective Time at any meeting of the PRA stockholders the number of shares of PRA Common Stock into which their respective shares of PIC WISCONSIN Common Stock are converted, regardless of whether such holders have exchanged their certificates for PIC WISCONSIN Common Stock for certificates representing the PRA Common Stock.

(d) Any other provision of this Agreement notwithstanding, none of PRA, NEWCO, the Surviving Corporation, or the Exchange Agent shall be liable to a holder of PIC WISCONSIN Common Stock for any amounts paid or property delivered in good faith to a public official pursuant to any applicable abandoned property law.

3.3 *Lost or Stolen Certificates.* If any holder of PIC WISCONSIN Common Stock convertible into the right to receive shares of the PRA Common Stock is unable to deliver the certificate which represents such shares, the Exchange Agent, in the absence of actual notice that any such shares have been acquired by a bona fide purchaser, shall deliver to such holder the Merger Consideration to which the holder is entitled for such shares upon presentation of the following: (i) evidence to the reasonable satisfaction of the Exchange Agent and PRA that any such certificate has been lost, wrongfully taken or destroyed; (ii) such security or indemnity as may be reasonably requested by the Exchange Agent or PRA to indemnify and hold PRA and the Exchange Agent harmless; and (iii) evidence satisfactory to the Exchange Agent and PRA that such person is the owner of the shares theretofore represented by each certificate claimed by the holder to be lost, wrongfully taken or destroyed and that the holder is the person who would be entitled to present such certificate for exchange pursuant to this Agreement.

3.4 *Dividends and other Distributions.* Whenever a dividend or other distribution is declared on the PRA Common Stock, the record date for which is at or after the Effective Time, the declaration shall include dividends or other distributions on all shares of the PRA Common Stock issuable to holders of PIC WISCONSIN Common Stock under this Agreement. Notwithstanding the preceding sentence, any person holding any certificate for PIC WISCONSIN Common Stock after the Effective Time shall not be entitled to receive any dividend or other distribution payable after the Effective Time to holders of the PRA Common Stock, which dividend or other distribution is attributable to such person's PIC WISCONSIN Common Stock until such person surrenders said certificate for PIC WISCONSIN

Common Stock for exchange as provided in Section 3.2 of this Agreement. However, upon surrender of such certificate, the PRA Common Stock

certificate (together with all such undelivered dividends or other distributions, without interest) shall be delivered and paid (without interest) with respect to each share represented by such certificate for PIC WISCONSIN Common Stock.

3.5 Exchange Fund. Any portion of the Exchange Fund that remains undistributed to the holders of PIC WISCONSIN Common Stock for six (6) months after the Effective Time shall be delivered to PRA, upon demand, and any holders of PIC WISCONSIN Common Stock who have not theretofore complied with this Agreement shall thereafter look only to PRA for payment of their claim for any shares of PRA Common Stock, any cash in lieu of fractional shares and any dividends or distributions with respect to PRA Common Stock.

3.6 Withholding. PRA or the Exchange Agent will be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement or the transactions contemplated thereby to any holder of PIC WISCONSIN Common Stock such amounts as PRA (or any Affiliate (as defined in Section 10.17 of this Agreement) thereof) or the Exchange Agent are required to deduct and withhold with respect to the making of such payment under the Code, or any applicable provision of U.S. federal, state, local or non-U.S. tax law. To the extent that such amounts are properly withheld by PRA or the Exchange Agent, such withheld amounts will be treated for all purposes of this Agreement as having been paid to the holder of the PIC WISCONSIN Common Stock in respect of whom such deduction and withholding were made by PRA or the Exchange Agent.

3.7 Dissenting Shareholders. Notwithstanding anything in this Agreement to the contrary, each share of PIC WISCONSIN Common Stock that is held by persons who dissent from the Merger and fully comply with the provisions of Section 611.785 and Sections 180.1301-180.1331 of the Wisconsin Statutes (the **Dissenter Provisions**) shall not be converted into or be exchanged for shares of PRA Common Stock. Instead, (i) the holders of such shares (the **Dissenting Shares**), upon compliance with the requirements of the Dissenter Provisions, shall be entitled to payment of the fair value of such shares in accordance with the Dissenter Provisions, accompanied with the items as set forth in Section 180.1325 of the Wisconsin Statutes; (ii) each of the Dissenting Shares shall be canceled and extinguished; and (iii) if any holder of Dissenting Shares shall subsequently withdraw his demand for payment of the fair value of such shares in accordance with the Dissenter Provisions or shall deliver the certificates representing such shares for exchange into PRA Common Stock, such holder shall forfeit the right to payment of the fair value of such shares and such shares shall thereupon be deemed to have been converted into the right to receive PRA Common Stock.

5.1 Corporate Organization.

(a) PRA is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. PRA has the corporate power and authority to own or lease all of its properties and assets and to carry on its business as it is now being conducted, and is duly licensed or qualified to do business in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed or qualified can be cured without a Material Adverse Effect (as defined in Section 10.17(a)) on PRA.

(b) PRA has made available to PIC WISCONSIN correct and complete copies of the Certificate of Incorporation and Bylaws of PRA and each of the PRA Subsidiaries (as amended to date). PRA has made available to PIC WISCONSIN all of the minute books containing the records of the meetings of the stockholders, the board of directors and any committee of the board of directors of PRA, except for information subject to confidentiality agreements with third parties in which case, such information has been redacted. The minute books of PRA reflect all of the material actions taken by its Boards of Directors (including each committee thereof) and stockholders.

(c) The books and records of PRA and each of the PRA Subsidiaries (i) are and have been properly prepared and maintained in form and substance adequate for preparing audited consolidated financial statements, in accordance with GAAP and any other applicable legal and accounting requirements, (ii) reflect only actual transactions, and (iii) fairly and accurately reflect all assets and liabilities of PRA and each of the PRA Subsidiaries and all contracts and other transactions to which PRA or any of the PRA Subsidiaries is or was a party or by which PRA or any of the PRA Subsidiaries or any of their respective businesses or assets is or was affected.

(b) Section 5.2(b) of the PRA Disclosure Schedule identifies the PRA Subsidiaries that offer insurance and the states in which they are authorized or licensed to conduct business, and the type of insurance products that they are authorized or licensed to offer in each such state (the **PRA Insurance Subsidiaries**). No PRA Insurance Subsidiary offers any insurance products in any jurisdiction where it is neither authorized nor licensed to offer such insurance products. The business of each of the PRA Insurance Subsidiaries has been and is being conducted in compliance with all of its licenses in all material respects. All of such licenses are in full force and effect and there is no proceeding or

investigation pending or, to the Knowledge of PRA, threatened which would reasonably be expected to lead to the revocation, amendment, failure to renew, limitation, suspension or restriction of such license.

(c) PRA is, directly or indirectly, the record and beneficial owner of all of the outstanding shares of capital stock of each of the PRA Subsidiaries. There are no irrevocable proxies granted by PRA or any PRA Subsidiary with respect to such shares. There are no equity securities of any of the PRA Subsidiaries that are or may become required to be issued by reason of any option, warrants, scrip, rights, to subscribe to, calls or commitments of any character whatsoever relating to, or securities or rights convertible into or exchangeable for, shares of any capital stock of any of the PRA Subsidiaries except shares of the PRA Subsidiaries issued to other wholly owned PRA Subsidiaries. There are no contracts, commitments, understandings or arrangements by which any of the PRA Subsidiaries is bound to issue additional shares of its capital stock or options, warrants or rights to purchase or acquire any additional shares of its capital stock or securities convertible into or exchangeable for such shares. All of the shares of the PRA Subsidiaries described in the first sentence of this Section 5.2(c) are validly issued, fully paid and nonassessable and free of preemptive rights, and are owned by PRA or a PRA Subsidiary free and clear of any and all Liens and free and clear of any claim, right or option to acquire any such shares. PRA does not directly or indirectly own any interest in any other corporation, partnership, joint venture or other business association or entity which is material to PRA and the PRA Subsidiaries taken as a whole.

(d) No PRA Subsidiary has or is bound by any outstanding subscriptions, options, warrants, calls, commitments or agreements of any character calling for the purchase or issuance of any shares of capital stock or any other equity security of such Subsidiary or any securities representing the right to purchase or otherwise receive any shares of capital stock or any other equity security of such Subsidiary.

5.3 Capitalization. The authorized capital stock of PRA consists of 150,000,000 shares, with said shares divided into two classes. One class of said shares consists of 50,000,000 shares of preferred stock and the other class of said shares consists of 100,000,000 shares of common stock, \$0.01 par value per share, of PRA (**PRA Common Stock**). As of November 30, 2005, no shares of such preferred stock and 31,095,473 shares of PRA Common Stock were issued and outstanding and no shares of either such preferred stock or PRA Common Stock were held in treasury. All of the issued and outstanding shares of PRA Common Stock have been duly authorized and validly issued and are fully paid, nonassessable and free of preemptive rights with no personal liability attaching to the ownership thereof. As of the date of this Agreement, and except pursuant to the terms of this Agreement, the outstanding stock options (the **PRA Stock Options**) described on Section 5.3 of the PRA Disclosure Schedule, and the PRA 3.9% Convertible Senior Debentures due 2023 (the **PRA Debentures**), PRA does not have and is not bound by any outstanding subscriptions, options, warrants, calls, commitments or agreements of any character calling for the purchase or issuance of any shares of PRA Common Stock or any other equity securities of PRA or any securities representing the right to purchase or otherwise receive any shares of PRA Common Stock or any other equity securities of PRA. Section 5.3 of the PRA Disclosure Schedule sets forth the number of shares of PRA Common Stock reserved for issuance as of November 30, 2005. Since November 30, 2005, PRA has not issued any shares of PRA Common Stock or other equity securities of PRA, or any securities convertible into or exercisable for any shares of PRA Common Stock or other equity securities of PRA, other than pursuant to the exercise of stock options issued under the PRA Stock Option Plans granted prior to such date.

No Subsidiary of PRA is or has been required to file any form, report, registration statement or other document with the SEC. As used in this Section 5.6, the term "file" shall be broadly construed to include any manner in which a document or information is furnished, supplied or otherwise made available to the SEC.

(c) PRA has established and maintains disclosure controls and procedures (as such term is defined in Section 13(b)(2)(B) and Rules 13a-15(e) and 15d-15(e) under the Exchange Act). Such disclosure controls and procedures: (i) are designed to ensure that material information relating to PRA and its Subsidiaries is made known to PRA's chief executive officer and its chief financial officer by others within those entities, particularly during the periods in which PRA's reports and filings under the Exchange Act are being prepared, (ii) have been evaluated for effectiveness as of the end of year ended December 31, 2004 and each quarterly period thereafter reported to the SEC, and (iii) are effective to perform the functions for which they were established. Neither the auditors of PRA nor the Audit Committee of the Board of Directors of PRA have been advised of: (x) any significant deficiencies or material weaknesses in the design or operation of the internal controls over financial reporting (as such term is defined in Section 13(b)(2)(B) and Rules 13a-15(f) and 15d-15(d) of the Exchange Act) of PRA and its Subsidiaries which could adversely affect PRA's ability to record, process, summarize and report financial data, or (y) any fraud, whether or not material, that involves management or other employees who have a role in the internal controls over financial reporting of PRA and its Subsidiaries. Since the date of the most recent evaluation of such internal controls over financial reporting and procedures, there have been no significant changes in internal controls over financial reporting or in other factors that could significantly affect internal controls subsequent to the date of the evaluation, including any corrective actions with regard to significant deficiencies and material weaknesses.

operations and cash flows for the periods then ended. Except as reflected in PRA's unaudited balance sheet at

Section 5.6(h) of the PRA Disclosure Schedule lists all non-audit services performed by Ernst & Young LLP for PRA and each PRA Subsidiary for each year commencing after December 31, 2002.

5.7 Broker's Fees. Except as set forth in Section 5.7 of the PRA Disclosure Schedule (which sets forth amounts paid or to be paid and names of parties to which such amounts were or will be paid), none of PRA, the PRA Subsidiaries and their respective officers and directors has employed any broker or finder or incurred any liability for any broker's fees or commissions, or investment banker fees or commissions, or finder's fees in connection with the transactions contemplated by this Agreement.

5.8 Absence of Certain Changes or Events.

(a) Except for (i) those liabilities and obligations that are fully reflected or reserved against on the PRA Balance Sheet, (ii) those liabilities and obligations incurred in the ordinary course of business consistent with past practice since September 30, 2005, and (iii) coverage and other claims (other than bad faith claims) made with respect to insurance policies issued by any PRA Insurance Subsidiary for which adequate claims reserves have been established, neither PRA nor any of its Subsidiaries has incurred any liability or obligation of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether due or to become due) that, either individually or in the aggregate, would have a Material Adverse Effect on PRA, and, there is no existing condition, situation or set of circumstances that would be reasonably expected to result in such a liability or obligation. Except as disclosed in the PRA SEC Reports filed prior to the date of this Agreement, since September 30, 2005, PRA and its Subsidiaries have carried on their respective businesses in all material respects in the ordinary and usual course theretofore conducted.

(b) Since September 30, 2005, there has not been: (i) any change in the financial condition, assets, liabilities, prospects (financial and otherwise) or business of PRA or any PRA Subsidiary which, either individually or in the aggregate,

(b) There is no pending or, to the Knowledge of PRA, threatened charge by any Governmental Authority that PRA or any PRA Insurance Subsidiary has violated any Insurance Laws, nor any pending or, to the Knowledge of PRA threatened investigation by any Governmental Authority with respect to possible violations of any Insurance Laws, that would, individually or in the aggregate, be expected to have a Material Adverse Effect on PRA.

(f) There are no contracts (other than contracts relating to employment), real estate leases, loans, guarantees or other arrangements or transactions of any nature between PRA or any PRA Subsidiary, on the one hand, and any of their respective officers, directors, or affiliates (as such term is defined in Rule 405 of the SEC), on the other hand. PRA has not, since July 30, 2002, extended or maintained credit, arranged for the extension of credit, or renewed an extension of credit, in the form of a personal loan to or for any director or executive officer (or equivalent thereof) of PRA or any PRA Subsidiary. Section 5.9(f) of the PRA Disclosure Schedule identifies any loan or extension of credit maintained by PRA or any PRA Subsidiary to which the second sentence of Section 13(k)(1) of the Exchange Act applies.

(g) Each of PRA, its directors and its senior financial officers has consulted with PRA's independent auditors and outside counsel with respect to, and (to the extent applicable to PRA) is familiar in all material respects with all of the requirements of SOX. PRA is in compliance with the provisions of SOX applicable to it as of the date hereof and has implemented such programs and has taken reasonable steps, upon the advice of PRA's independent auditors and outside counsel, respectively, to ensure PRA's future compliance (not later than the relevant statutory and regulatory deadlines therefor) with all provisions of SOX.

5.10 State Takeover Laws. The Board of Directors of PRA has approved the transactions contemplated by this Agreement and taken such other actions as are necessary and appropriate to cause the provisions of Section 203 of the Delaware General Corporation Law not to apply to this Agreement or any of the transactions contemplated by this Agreement.

5.11 No Investment Company. Neither PRA nor any Subsidiary of PRA is an investment company, or a company controlled by an investment company, within the meaning of the Investment Company Act of 1940, as amended.

5.12 Insurance Matters.

(a) The PRA Reserves (as defined below in Section 5.12(b)) at each of December 31, 2004 and December 31, 2003, and December 31, 2002, as reflected in the PRA SAP Statements, are stated net of reinsurance ceded amounts. The PRA SAP Statements accurately reflect the extent to which, pursuant to Insurance Laws, PRA and/or the PRA Insurance Subsidiaries are entitled to take credit for reinsurance under reinsurance treaties of the PRA Insurance Subsidiaries (**PRA Reinsurance Treaties**). PRA is unaware of any material adverse change in the financial condition of its reinsurers that might raise concern regarding their ability to honor their reinsurance commitments. No party to any of the PRA Reinsurance Treaties has given notice to PRA or any PRA Insurance Subsidiary that such party intends to terminate or cancel any of the PRA Reinsurance Treaties as a result of or following consummation of the Merger. Each PRA Reinsurance Treaty is valid and binding on each party thereto, and none of PRA, any PRA Insurance Subsidiary, and, to the knowledge of PRA, any other party thereto, is in default in any material respect with respect to any such reinsurance agreement or treaty. No PRA Reinsurance Treaty contains any provision providing that the other party thereto may terminate the same by reason of the transactions contemplated by this Agreement, or contains any other provision which would be altered or otherwise become applicable by reason of such transactions. Since January 1, 2004 no PRA Reinsurance Treaty has been canceled and there has not been any change in the retention level under any of such reinsurance agreements or treaties.

(b) Each of the PRA SAP Statements, as of the date thereof, sets forth all of the reserves of the PRA Insurance Subsidiaries as of such date (collectively, the **PRA Reserves**). The PRA Reserves, gross and net of the reinsurance thereof, were prepared in accordance with the requirements for reserves established by the Insurance Regulators, were determined in accordance with SAP and generally accepted actuarial principles consistently applied, were computed on the basis of methodologies consistent in all material respects with those used in prior periods, were fairly stated in all material respects in accordance with sound actuarial and statutory accounting principles, and were established in accordance with prudent insurance practices generally followed in the insurance industry, and PRA's management

believes that the PRA Reserves make good and sufficient provisions for all insurance obligations of the PRA Insurance

Subsidiaries. PRA has provided or made available to PIC WISCONSIN copies of all work papers used as the basis for establishing the PRA Reserves. Except for regular periodic assessments based on developments that are publicly known within the insurance industry, to the Knowledge of PRA, no claim or assessment is pending or threatened against PRA or any PRA Insurance Subsidiary which is peculiar or unique to PRA or such PRA Insurance Subsidiary by any state insurance guaranty association in connection with such association's fund relating to insolvent insurers.

5.13 Taxes and Tax Returns. PRA and the PRA Subsidiaries have duly filed all Tax Returns required to be filed by them on or prior to the date of this Agreement (all such Tax Returns being accurate and complete in all material respects) and has duly paid or made sufficient provisions for the payment of all Taxes shown thereon as owing on or prior to the date of this Agreement (including, if and to the extent applicable, those due in respect of their properties, income, business, capital stock, premiums, franchises, licenses, sales and payrolls) other than Taxes which are not yet delinquent or are being contested in good faith and have not been finally determined for which adequate reserves have been made on the financial statements described in Section 4.5 of this Agreement. The unpaid Taxes of PRA and the PRA Subsidiaries do not exceed the reserve for tax liability set forth on the PRA Balance Sheet as adjusted for the passage of time through the Closing Date in accordance with past custom and practice of PRA in filing its returns. There is no claim, audit, action, suit, proceeding or investigation now pending or, to the Knowledge of PRA, threatened against or with respect to PRA or any PRA Subsidiary in respect of any material Tax.

5.14 Environmental Liability. PRA and its Subsidiaries are and have been in compliance with all Environmental Laws (as defined in Section 10.17(a) of this Agreement) and all Environmental Permits (as defined in Section 10.17(a) of this Agreement). There are no legal, administrative, arbitral or other proceedings, claims, actions, causes of action, private environmental investigations or remediation activities or governmental investigations of any nature seeking to impose on PRA or any PRA Subsidiary, or that could reasonably be expected to result in the imposition on PRA or any PRA Subsidiary of, any liability or obligation arising under any Environmental Law which would have a Material Adverse Effect on PRA. To the Knowledge of PRA, there is no reasonable basis for any such proceeding, claim, action, investigation or remediation activity. Neither PRA nor any PRA Subsidiary is subject to any agreement, order, judgment, decree, letter or memorandum by or with any Governmental Authority or private Person imposing any liability or obligation under any Environmental Law that would have a Material Adverse Effect on PRA. For purposes of this Section 5.14, the terms PRA and Subsidiaries include any Person that is, in whole or in part, a predecessor of PRA or any of its Subsidiaries.

5.15 Employee Matters. Each employee benefit plan, program, policy or arrangement (including, but not limited to each employee benefit plan (as defined in Section 3(3) of ERISA) which PRA or any PRA Subsidiary maintains or contributes to for the benefit of its current or former employees complies, and has been administered in form and in operation, in all material respects with all applicable requirements of law and no notice has been issued by any Governmental Authority questioning or challenging such compliance.

5.16 Legal Proceedings. Without limiting the foregoing, PRA will form NEWCO as a valid corporation under the laws of the State of Wisconsin as provided in Article 1, take all actions as the sole shareholder of NEWCO to approve the Merger and to consummate the Merger in accordance with the terms hereof and further cause NEWCO to take any and all actions, including the execution and delivery of any and all agreements, documents, certificates and instruments (including the Articles of Merger) and to obtain any and all corporate and other approvals, in order to cause NEWCO to effect the Merger and to consummate any and all transactions contemplated by this Agreement.

(b) Employees of PIC WISCONSIN or any PIC WISCONSIN Subsidiary who become participants in a PRA Employee Plan shall, for purposes of determining eligibility for and for any applicable vesting periods of such employee benefits only (and not for benefit accrual purposes unless specifically set forth herein) be given credit for meeting eligibility and vesting requirements in such plans for service as an employee of PIC WISCONSIN or any PIC WISCONSIN Subsidiary or any predecessor thereto prior to the Effective Time, provided, however, that credit for benefit accrual purposes will be given only for purposes of PRA vacation policies or programs. In the event of any termination or consolidation of any PIC WISCONSIN health plan with any PRA health plan, PRA shall make available to Continuing Employees and their dependents employer-provided health coverage on substantially the same basis as it provides such coverage to PRA employees. Unless a Continuing Employee affirmatively terminates coverage under a PIC WISCONSIN health plan prior to the time that such Continuing Employee becomes eligible to participate in the PRA health plan, or unless a Continuing Employee and/or a dependent of a Continuing Employee has an event which, under the terms of the PIC WISCONSIN health plan, results in a loss of coverage (which may include a sale or other disposition of a PIC WISCONSIN Subsidiary or substantially all of the business operations thereof), no coverage of any of the Continuing Employees or their dependents shall terminate under any of the PIC WISCONSIN health plans prior to the time such Continuing Employees and their dependents become eligible to participate in the health plans, programs and benefits common to all employees of PRA and their dependents. In the event of a termination or consolidation of any PIC WISCONSIN health plan, terminated PIC WISCONSIN employees and qualified beneficiaries will have the right to continued coverage under group health plans of PRA in accordance with Code Section 4980B(f). In the event of any termination of any PIC WISCONSIN health plan, or consolidation of any health plan with any PRA health plan, any coverage limitation under the PRA health plan due to any pre-existing condition shall be waived by the PRA health plan to the degree that such condition was covered by the PIC WISCONSIN health plan and such condition would otherwise have been covered by the PRA health plan in the absence of such coverage limitation. All PIC WISCONSIN employees who cease participating in a PIC WISCONSIN health plan and become participants in a comparable PRA health plan during any plan year shall receive credit toward the applicable deductible under the PRA health plan for any amounts paid by the employee under PIC WISCONSIN's health plan during the applicable plan year, upon substantiation, in a form satisfactory to PRA, that such payments have been made.

(c) It is understood that PRA and its Subsidiaries are at-will employers. Nothing in this Section 7.7 shall be interpreted as preventing PRA from terminating the employment of any individual or from amending, modifying or terminating any PRA Employee Plans, or any PIC WISCONSIN Employee Plans, or any benefits under any PRA Employee Plans or any PIC WISCONSIN Employee Plans, or any other contracts, arrangements, commitments or understandings, in accordance with their terms and applicable law.

(d) PRA shall assume and honor in accordance with their terms the employment agreements between PIC WISCONSIN and any officer or employee thereof that are listed in Section 7.7(d) of the PIC WISCONSIN Disclosure Schedule, including without limitation, the obligation to pay cash severance on termination of employment after a change of control as may be applicable; provided that PRA shall require in accordance with the terms of said employment agreements that each officer or employee receiving a payment shall enter into an acknowledgment and release acknowledging that no further cash severance payments are due under the employment agreement and releasing PIC WISCONSIN and PRA and their respective officers, directors and employees from any and all claims arising thereunder.

(e) Notwithstanding anything herein to the contrary, all payments made to PIC WISCONSIN Employees under this Section 7.7 shall be subject to withholding required by applicable federal, state and local taxing authorities.

covering current and former officers and directors of PIC WISCONSIN and the PIC WISCONSIN Subsidiaries on terms and conditions, including limits, as favorable as their respective directors and officers liability insurance policy in effect on the date of this Agreement, such policy or policies to become effective at the Effective Time and remain in effect for a period of six (6) years after the Effective Time (the **Tail Policy**). If PIC WISCONSIN is unable to obtain the Tail Policy prior to Closing, PRA shall use its best efforts to cause the individuals serving as officers and directors of PIC WISCONSIN and the PIC WISCONSIN Subsidiaries, immediately prior to the Effective Time to be covered for a period of six (6) years from the Effective Time (or the period of the applicable statute of limitations, if longer) by the directors' and officers' liability insurance policy maintained by PIC WISCONSIN or the PIC WISCONSIN Subsidiary (provided that PRA may substitute therefor policies of the same or substantially similar coverage and amounts containing terms and conditions which are not less advantageous in any material respect than such policy) with respect to acts or omissions occurring prior to the Effective Time which were committed by such officers and directors in their capacity as such; provided, however, that in no event shall the premium for any such insurance be more than 300% of the current amount expended by PIC WISCONSIN or the PIC WISCONSIN Subsidiary (the **Insurance Premium Amount**); and provided further, that if PRA is unable to maintain or obtain the insurance called for by this Section 7.8, PRA shall use its best efforts to obtain as much comparable insurance as available for the Insurance Premium Amount.

(b) In addition to the obligations set forth in Section 7.8(a), PRA shall indemnify, defend and hold harmless each person who is now, or who has been at any time before the date hereof or who becomes before the Effective Time, an officer, director or employee of PIC WISCONSIN or a PIC WISCONSIN Subsidiary (the **Indemnified Parties**) against all losses, claims, damages, costs, expenses (including attorney's fees), liabilities or judgments or amounts that are paid in settlement of or in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, or administrative (each a **Claim**), in which an Indemnified Party is, or is threatened to be made, a party or witness in whole or in part on or arising in whole or in part out of the fact that such person is or was a director, officer or employee of PIC WISCONSIN or a PIC WISCONSIN Subsidiary if such Claim pertains to any matter of fact arising, existing or occurring at or before the Effective Time (including, without limitation, the Merger and the other transactions contemplated hereby), regardless of whether such Claim is asserted or claimed before, or after, the Effective Time (the **Indemnified Liabilities**), to the fullest extent PIC WISCONSIN is permitted under, and in accordance with the terms of indemnification provisions under, PIC WISCONSIN's Articles of Incorporation and Bylaws as of the date of this Agreement. PRA shall pay expenses in advance of the final disposition of any such action or proceeding to each Indemnified Party to the full extent provided in PIC WISCONSIN's Articles of Incorporation as of the date of this Agreement. The Indemnified Parties may retain counsel reasonably satisfactory to them after consultation with PRA; provided, however, that (A) PRA shall have the right to assume the defense thereof and upon such assumption PRA shall not be liable to any Indemnified Party for any legal expenses of other counsel or any other expenses subsequently incurred by any Indemnified Party in connection with the defense thereof, except that if PRA elects not to assume such defense the Indemnified Party may retain counsel reasonably satisfactory to him after consultation with PRA, and PRA shall pay the reasonable fees and expenses of such counsel for the Indemnified Party, (B) PRA shall be obligated pursuant to this paragraph to pay for only one firm of counsel for all Indemnified Parties except to the extent representation by a single firm or attorney is, in the absence of an informed consent by the Indemnified Party, prohibited by ethical rules relating to lawyers' conflicts of interest, (C) PRA shall not be liable for any settlement effected without its prior written consent (which consent shall not be unreasonably withheld), (D) PRA shall have no obligation hereunder to any Indemnified Party when and if a court of competent jurisdiction shall ultimately determine, and such determination shall have become final and nonappealable, that indemnification of such Indemnified Party in the manner contemplated by this Agreement is prohibited by applicable law and (E) PRA shall have no obligation hereunder to any Indemnified Party for which and to the extent payment is actually and unqualifiedly made to such Indemnified Party under any insurance policy, any other agreement for indemnification or otherwise. Any Indemnified Party wishing to claim Indemnification under this Section 7.8, upon learning of any such Claim, shall notify PRA thereof,

Table of Contents

provided that the failure to so notify shall not affect the obligations of PRA under this Section 7.8 except to the extent such failure to notify materially prejudices PRA. PRA's obligations under this Section 7.8 continue in full force and effect for a period of six (6) years from the Effective Time (or the period of the applicable statute of limitations, if longer); provided, however, that all rights to indemnification in respect of any Claim asserted or made within such period shall continue until the final disposition of such Claim.

7.9 Advice of Changes.

(a) PRA and PIC WISCONSIN shall give prompt notice to the other party as soon as practicable after it has actual knowledge of (i) the occurrence, or failure to occur, of any event which would or would be likely to cause any party's representations or warranties contained in this Agreement to be untrue or incorrect in any material respect at any time from the date of this Agreement to the Closing Date, or (ii) any failure on its part or on the part of any of its or its Subsidiaries' officers, directors, employees, representatives or agents (other than persons or entities who are such employees, representatives or agents only because they are appointed insurance agents of such parties) to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by such party under this Agreement. Each party shall have the right to deliver to the other party a written disclosure schedule as to any matter of which it becomes aware following execution of this Agreement which would constitute a breach of any representation, warranty or covenant of this Agreement by such party, identifying on such disclosure schedule the representation, warranty or covenant which would be so breached, provided that each such disclosure schedule shall be delivered as soon as practicable after such party becomes aware of the matter disclosed therein. If disclosure of a matter which would constitute a breach of any representation, warranty or covenant of this Agreement is made by either party, the nondisclosing party shall have the right, in its discretion, to terminate this Agreement to the extent such termination is permitted under Section 9.1 of this Agreement.

(b) PRA shall update the PRA Disclosure Schedule (the **Closing Date PRA Disclosure Schedule**) to a date that is no earlier than ten (10) business days prior to the Closing Date and no later than seven (7) business days prior to the Closing Date and shall deliver the Closing Date PRA Disclosure Schedule to PIC WISCONSIN not less than three (3) business days prior to the Closing Date. PIC WISCONSIN shall update the PIC WISCONSIN Disclosure Schedule (the **Closing Date PIC WISCONSIN Disclosure Schedule**) to a date that is no earlier than ten (10) business days prior to the Closing Date and no later than seven (7) business days prior to the Closing Date and shall deliver the Closing Date PIC WISCONSIN Disclosure Schedule to PRA not less than three (3) business days prior to the Closing Date. The obligation of PRA to deliver to PIC WISCONSIN the Closing Date PRA Disclosure Schedule as provided above shall be a material obligation for purposes of Section 8.3(a) hereof, and the obligation of PIC WISCONSIN to deliver to PRA the Closing Date PIC WISCONSIN Disclosure Schedule shall be a material obligation for purposes of Section 8.2(a) hereof.

(c) The provisions of this Section 7.9 and any notices by PRA on the one hand, and PIC WISCONSIN on the other, shall not be deemed in any way to constitute a waiver by the counterparty of the conditions set forth in Article 8 hereof or any of its remedies under Article 9 hereof, nor shall any such notices cure any breach of any representation or warranty which is inaccurate.

7.10 Additional Agreements.

(a) In case at any time prior to the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement or the Merger, the proper officers and directors of each party to this Agreement and their respective Subsidiaries shall take all such necessary action as may be reasonably requested by, and at the sole expense of, PRA.

(b) In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement (including any merger between a Subsidiary of PRA and a Subsidiary of PIC WISCONSIN) or to vest

PRA or any of its Subsidiaries with full title to all properties, assets, rights, approvals, immunities and franchises of any of the parties to this Agreement or the Merger, the

proper officers and directors of each party to this Agreement and their respective Subsidiaries shall take all such necessary action as may be reasonably requested by, and at the sole expense of, PRA.

(c) Prior to the Effective Time, neither PIC WISCONSIN nor the PIC WISCONSIN Subsidiary shall acquire, directly or indirectly, beneficial or record ownership of any shares of PRA Common Stock or other equity securities of PRA, or any securities convertible into or exercisable for any shares of PRA Common Stock or other equity securities of PRA.

7.11 Negotiations with Other Parties.

(a) So long as this Agreement remains in effect and no notice of termination has been given under this Agreement, PIC WISCONSIN shall not authorize or knowingly permit any of its representatives, directly or indirectly, to initiate, entertain, solicit, encourage, engage in, or participate in, negotiations with any Person or any group of Persons other than the other party to this Agreement or any of its affiliates (a **Potential Acquiror**) concerning any Acquisition Proposal (as defined in this Section 7.11) other than as expressly provided in this Agreement. PIC WISCONSIN will promptly inform PRA of any serious, bona fide inquiry it may receive with respect to any Acquisition Proposal and shall furnish to PRA a copy thereof.

(b) Nothing contained in this Agreement shall prohibit the Board of Directors of PIC WISCONSIN from either furnishing information to, or entering into discussions or negotiations with, any Person or group of Persons regarding any Acquisition Proposal, or approving and recommending to the shareholders of PIC WISCONSIN an Acquisition Proposal from any Person or group of Persons, if the Board of Directors of PIC WISCONSIN determines in good faith that such action is appropriate in furtherance of the best interests of shareholders. In connection with any such determination, (i) PIC WISCONSIN shall direct its officers and other appropriate personnel to cooperate with and be reasonably available to consult with any such person, entity or group, (ii) PIC WISCONSIN will disclose to PRA that it is furnishing information to, or entering into discussions or negotiations with, such Person or group of Persons, which disclosure shall describe the terms thereof (but need not identify the person, entity or group making the offer), (iii) prior to furnishing such information to such Person or group of Persons, PIC WISCONSIN shall enter into a written agreement with such Person or group of Persons which provides for, among other things, (A) the furnishing to PIC WISCONSIN of information regarding such Person or group of Persons that is relevant to its ability to finance and otherwise perform its obligations under its Acquisition Proposal; (B) the confidentiality of all non-public information furnished to such Person or group of Persons by PIC WISCONSIN; and (C) procedures reasonably satisfactory to PIC WISCONSIN that are designed to restrict or limit the provision of information regarding PIC WISCONSIN that could be used to the competitive disadvantage of PIC WISCONSIN, or in a manner that would be detrimental to the interests of its shareholders; (iv) PIC WISCONSIN will not furnish any non-public information regarding PRA or the transactions contemplated hereby; and (v) PIC WISCONSIN will keep PRA informed of the status of any such discussions or negotiations (provided that PIC WISCONSIN shall not be required to disclose to PRA confidential information concerning the business or operations of such Person or group of Persons).

(c) As used in this Agreement, **Acquisition Proposal** means (i) any proposal pursuant to which any Person or group of Persons, other than PRA or PIC WISCONSIN, would acquire or participate in a merger or other business combination involving PIC WISCONSIN or any of the PIC WISCONSIN Subsidiaries, directly or indirectly; (ii) any proposal by which any Person or group of Persons, other than PRA or PIC WISCONSIN, would acquire the right to vote 10% or more of the capital stock of PIC WISCONSIN or any of the PIC WISCONSIN Subsidiaries entitled to vote thereon for the election of directors; (iii) any acquisition of 10% or more of the assets of PIC WISCONSIN or any of the PIC WISCONSIN Subsidiaries, other than in the ordinary course of business; (iv) any acquisition in excess of 10% of the outstanding capital stock of PIC WISCONSIN or any of the PIC WISCONSIN Subsidiaries, other than as contemplated by this Agreement; or (v) any transaction similar to the foregoing.

7.12 *Reservation of Shares.* PRA agrees at all times from the date of this Agreement until the Merger Consideration has been paid in full to reserve a sufficient number of shares of PRA Common Stock to fulfill its obligations under this Agreement.

ARTICLE 8

Conditions Precedent

8.1 *Conditions to Each Party's Obligation To Effect the Merger.* The respective obligation of each party to effect the Merger shall be subject to the satisfaction at or prior to the Effective Time of the following conditions:

(a) This Agreement and the transactions contemplated by this Agreement shall have been approved and adopted by the requisite affirmative vote of the shareholders of PIC WISCONSIN entitled to vote thereon.

(b) The shares of PRA Common Stock which shall be issued pursuant to the Merger shall have been authorized for listing on the NYSE, subject to official notice of issuance.

(c) The Articles of Merger shall have been filed with the OCI of Wisconsin and the Department of Financial Institutions of Wisconsin immediately prior to or on the Closing Date.

(d) All approvals of Governmental Authorities required to consummate the transactions contemplated by this Agreement shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof [(not including periods to file an appeal)] shall have expired, without the imposition of any condition which in the reasonable judgment of PRA is materially burdensome upon PRA or its Subsidiaries (all such approvals and the expiration of all such waiting periods being referred to in this Agreement as the **Requisite Regulatory Approvals**). Without limiting the generality of the foregoing: (i) the S-4 shall have become effective under the Securities Act, and no stop order suspending the effectiveness of the S-4 shall have been issued and shall remain in effect and no proceedings for that purpose shall have been initiated or threatened by the SEC; (ii) all Blue Sky Filings, if any, shall have been made, and the sale of PRA Common Stock resulting from the Merger shall have been qualified or registered with the appropriate state securities law regulatory authorities of all states in which qualification or registration is required under applicable state securities laws, and such qualifications or registrations shall not have been suspended or revoked, or shall be exempt from such qualification or registration; (iii) the HSR Act Report shall have been submitted to the Pre-Merger Notification Agencies, and the waiting period under the HSR Act shall have expired or notice of early termination of the waiting period shall have been received; and (iv) the Merger and the transfer of ownership of PIC WISCONSIN and the PIC WISCONSIN Subsidiaries shall have been approved by the Insurance Regulators, to the extent such approvals are required.

(e) No order, injunction or decree issued by any Governmental Authority of competent jurisdiction or other legal restraint or prohibition preventing the consummation of the Merger or any of the other transactions contemplated by this Agreement shall be in effect. No statute, rule, regulation, order, injunction or decree shall have been enacted, entered, promulgated or enforced by any Governmental Authority which prohibits, materially restricts or makes illegal consummation of the Merger.

(f) PRA and PIC WISCONSIN each shall have received a copy of the tax opinions contemplated by Section 7.2 of this Agreement, updated as of the Closing Date, substantially to the effect that, among other things, on the basis of the facts, assumptions and representations set forth in the opinion which are consistent with the state of facts existing at the Closing Date:

(i) The former shareholders of PIC WISCONSIN who receive the PRA Common Stock in the Merger will not recognize gain or loss for federal income tax purposes.

(ii) Neither PIC WISCONSIN nor PRA, nor any of their respective Subsidiaries, shall recognize any gain or loss for federal income tax purposes as a result of the Merger.

8.2 *Conditions to Obligation of PRA.* The obligation of PRA to effect the Merger is also subject to the satisfaction or waiver by PRA at or prior to the Effective Time of the following conditions:

(a) PIC WISCONSIN shall have performed in all material respects all material obligations required to be performed by it under this Agreement at or prior to the Closing Date, and PRA shall have received a certificate signed on behalf of PIC WISCONSIN by the Chief Executive Officer and the Chief Financial Officer of PIC WISCONSIN to such effect.

(b) The representations and warranties of PIC WISCONSIN contained in this Agreement shall be true and correct on and as of the Closing Date as if made on and as of such date (except to the extent that any such representation or warranty has by its terms been made as of a specific date in which case such representation and warranty shall have been true and correct as of such specific date); provided, however, that if the failure of any such representations and warranties to be true and correct on and as of the Closing Date, individually or in the aggregate, has not resulted or reasonably could not be expected to result in a Material Adverse Effect on PIC WISCONSIN and the PIC WISCONSIN Subsidiaries, taken as a whole, the foregoing condition shall be deemed to have been fulfilled.

(c) The condition (financial or otherwise), business, net worth, operations, assets, properties, liabilities, results of operations or future prospects of PIC WISCONSIN or the PIC WISCONSIN Subsidiaries, taken as a whole, shall not have suffered a Material Adverse Effect and there shall have been no occurrence, circumstance or combination thereof (whether arising heretofore or hereafter), including litigation pending or threatened, which is reasonably likely to result in a Material Adverse Effect on PIC WISCONSIN and the PIC WISCONSIN Subsidiaries, taken as a whole, before or after the Closing Date.

(d) No legal, administrative, arbitral or other inquiry, proceeding, claim or action shall have been initiated by any governmental or regulatory authority or SRO alleging violations of Federal or state securities laws (including the Securities Act and the Exchange Act) by PIC WISCONSIN, any PIC WISCONSIN Subsidiary or any director or officer of PIC WISCONSIN or any PIC WISCONSIN Subsidiary, which action has not been dismissed with prejudice.

(e) The holders of not more than twenty-five percent (25%) of all the outstanding shares of PIC WISCONSIN shall have exercised their right to dissent and obtain payment for their shares under applicable law with respect to, or as a result of, the Merger.

(f) PIC WISCONSIN shall have delivered to PRA such other certificates and instruments as PRA and its counsel may reasonably request. The form and substance of all certificates, instruments, opinions and other documentation delivered to PRA under this Agreement shall be reasonably satisfactory to PRA and its counsel.

(g) No Distribution Date (as defined in the Rights Agreement) shall have occurred and no holder of any Rights (as defined in the Rights Agreement) shall be entitled to exercise such Rights as a result of the execution of this Agreement, public announcement of this Agreement or the consummation of the Merger and any other transactions contemplated by this Agreement.

8.3 *Conditions to Obligation of PIC WISCONSIN.* The obligation of PIC WISCONSIN to effect the Merger is also subject to the satisfaction or waiver by PIC WISCONSIN at or prior to the Effective Time of the following conditions:

(a) PRA shall have performed in all material respects all material obligations required to be performed by it under this Agreement at or prior to the Closing Date, and PIC WISCONSIN shall have received a certificate signed on behalf of PRA by the Chief Executive Officer and the Chief Financial Officer of PRA to such effect.

(b) The representations and warranties of PRA contained in this Agreement shall be true and correct on and as of the Closing Date as if made on and as of such date (except to the extent that any such representation or warranty has by its terms been made as of a specific date in which case such representation and warranty shall have been true and correct as of such specific date); provided, however,

A-51

that if the failure of any such representations and warranties to be true and correct on and as of the Closing Date, individually or in the aggregate, has not resulted or reasonably could not be expected to result in a Material Adverse Effect on PRA or its Subsidiaries, taken as a whole, the foregoing condition shall be deemed to have been fulfilled.

(c) The condition (financial or otherwise), business, net worth, operations, assets, properties, liabilities, results of operations or future prospects of PRA or its Subsidiaries, taken as a whole, shall not have suffered a Material Adverse Effect and there shall have been no occurrence, circumstance or combination thereof (whether arising heretofore or hereafter), including litigation pending or threatened, which is reasonably likely to result in a Material Adverse Effect on PRA and the PRA Subsidiaries, taken as a whole, before or after the Closing Date.

(d) No legal, administrative, arbitral or other inquiry, proceeding, claim, or action shall have been initiated by any governmental or regulatory authority or SRO alleging violations of Federal or state securities laws (including the Securities Act and the Exchange Act) by PRA, any PRA Subsidiary (including NEWCO) or any director or officer of PRA or any PRA Subsidiary, which action has not been dismissed with prejudice.

(e) PRA shall have delivered to PIC WISCONSIN such other certificates and instruments as PIC WISCONSIN and its counsel may reasonably request. The form and substance of all certificates, instruments and other documentation delivered to PIC WISCONSIN under this Agreement shall be reasonably satisfactory to PIC WISCONSIN and its counsel.

ARTICLE 9

Termination and Amendment

9.1 *Termination.* This Agreement may be terminated at any time prior to the Effective Time, whether before or after approval of the matters presented in connection with the Merger by the shareholders of PIC WISCONSIN:

(a) by mutual consent of PRA and PIC WISCONSIN in a written instrument, if the Board of Directors of PRA and the Board of Directors of PIC WISCONSIN so determine to terminate this Agreement by an affirmative vote of a majority of the members of its entire Board;

(b) by either PRA or PIC WISCONSIN if (i) any Governmental Authority which must grant a Requisite Regulatory Approval has denied approval of the Merger and such denial has become final and nonappealable or any Governmental Authority of competent jurisdiction shall have issued a final nonappealable order permanently enjoining or otherwise prohibiting the consummation of the transactions contemplated by this Agreement, and (ii) the Board of Directors of PRA or the Board of Directors of PIC WISCONSIN, as the case may be, determines to terminate this Agreement by an affirmative vote of a majority of the members of its entire Board;

(c) by either PRA or PIC WISCONSIN (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained in this Agreement) if (i) there shall have been a breach of any of the representations and warranties set forth in this Agreement on the part of the other party, which breach is not cured within forty-five (45) days following written notice to the party committing such breach, or which breach, by its nature or timing, cannot be cured prior to the Closing Date, and (ii) the Board of Directors of the party receiving the notice determines to terminate this Agreement by an affirmative vote of a majority of the members of its entire Board; provided, however, that no representation or warranty of either party contained in this Agreement shall be deemed untrue or incorrect, and neither party shall be deemed to have breached a representation or warranty, as a consequence of the existence of any fact, circumstance or event unless such fact, circumstance or event, individually or taken together with all other facts, circumstances or events inconsistent with any representation or warranty, has had or is reasonably expected to have a Material Adverse Effect on such party.

Table of Contents

(d) by PRA upon written notice to PIC WISCONSIN if the Board of Directors of PIC WISCONSIN does not, or shall indicate in writing to PRA that the Board of Directors of PIC WISCONSIN is unwilling or unable to, publicly recommend in the S-4 that its shareholders approve and adopt this Agreement, or if after recommending in the S-4 that its shareholders approve and adopt this Agreement, the Board of Directors of PIC WISCONSIN shall have withdrawn, modified or amended such recommendation in any respect materially adverse to PRA (each a **PIC WISCONSIN Recommendation Event**), provided that any such notice of termination must be given not later than fifteen (15) business days after the later of the date PRA shall have been advised by PIC WISCONSIN in writing that PIC WISCONSIN is unable or unwilling to so recommend in the S-4 or that it has withdrawn, modified or amended such recommendation, or such later date as may be agreed upon by PRA and PIC WISCONSIN;

(e) by PRA upon written notice to PIC WISCONSIN if PIC WISCONSIN shall have authorized, recommended, or approved or proposed, or if PIC WISCONSIN shall have entered into an agreement with any Person other than PRA or NEWCO to effect an Acquisition Proposal;

(f) by either PRA or PIC WISCONSIN if approval of the shareholders of PIC WISCONSIN required for the consummation of the Merger shall not have been obtained by reason of the failure to obtain the required vote at a duly held meeting of shareholders or at any adjournment or postponement thereof;

(g) by PRA if the Closing Date PIC WISCONSIN Disclosure Schedule discloses any Material Adverse Effect on PIC WISCONSIN or any change from the PIC WISCONSIN Disclosure Schedule which has, or is likely to have, a Material Adverse Effect on PIC WISCONSIN; or by PIC WISCONSIN if the Closing Date PRA Disclosure Schedule discloses any Material Adverse Effect on PRA or any change from the PRA Disclosure Schedule which has, or is likely to have, a Material Adverse Effect on PRA;

(h) by either PRA or PIC WISCONSIN if the S-4 has not been filed with the SEC on or before June 30, 2006, unless the failure to so file the S-4 by such date shall be due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants and agreements of such party set forth in this Agreement, and the Board of Directors of PRA or the Board of Directors of PIC WISCONSIN (and including specifically with respect to PIC WISCONSIN the covenant to prepare GAAP Financial Statements set forth in Section 7.1(b) hereof), as the case may be, determines to terminate this Agreement by an affirmative vote of a majority of the members of its entire Board;

(i) by written notice from PIC WISCONSIN to PRA, or from PRA to PIC WISCONSIN, if the Closing does not occur on or before December 31, 2006, for any reason other than breach of this Agreement by the party giving such notice; or

(j) By PIC WISCONSIN upon the occurrence of a PIC WISCONSIN Acquisition Event (as defined in Section 9.5 hereof) or PIC WISCONSIN Recommendation Event.

9.2 Effect of Termination. In the event of termination of this Agreement by either PRA or PIC WISCONSIN as provided in Section 9.1 of this Agreement, (i) this Agreement shall forthwith become void and have no effect, except that Sections 7.3(b), 9.2, 9.5, 10.2, 10.3, 10.4, 10.5, 10.13, 10.16 and 10.17 of this Agreement shall survive any termination of this Agreement, and (ii) none of PRA, NEWCO, and PIC WISCONSIN, any of their respective Subsidiaries or any of the officers or directors of any of them shall have any liability of any nature whatsoever under this Agreement, or in connection with the transactions contemplated by this Agreement, except as otherwise provided in Section 9.5 of this Agreement; provided, however, that notwithstanding anything to the contrary contained in this Agreement, neither PRA nor PIC WISCONSIN shall be relieved or released from any liabilities or damages arising out of its willful breach of any provision of this Agreement.

9.3 *Amendment.* Subject to compliance with applicable law, this Agreement may be amended by the parties hereto, by action taken or authorized by the Board of Directors of PRA and the Board of Directors of PIC WISCONSIN, at any time before or after approval of the matters presented in connection with the Merger by the shareholders of PIC WISCONSIN; provided, however, that after any approval of the transactions contemplated by this Agreement by the shareholders of PIC WISCONSIN, there may not be, without further

A-53

approval of such shareholders, any amendment of this Agreement which changes the amount or the form of the consideration to be delivered to the shareholders of PIC WISCONSIN under this Agreement other than as contemplated by this Agreement. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

9.4 Extension; Waiver. At any time prior to the Effective Time, the parties to this Agreement may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other parties to this Agreement, (b) waive any inaccuracies in the representations and warranties contained in this Agreement or in any document delivered pursuant hereto, or (c) waive compliance with any of the agreements or conditions contained in this Agreement; provided, however, that after any approval of the transactions contemplated by this Agreement by the shareholders of PIC WISCONSIN, there may not be, without further approval of such shareholders, any extension or waiver of this Agreement or any portion thereof which reduces the amount or changes the form of the consideration to be delivered to the shareholders of PIC WISCONSIN under this Agreement other than as contemplated by this Agreement. Any agreement on the part of a party to this Agreement to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

9.5 Liquidated Damages; Termination Fee. Notwithstanding anything to the contrary contained in this Agreement, in the event that any of the following events or circumstances shall occur, PIC WISCONSIN shall, within ten (10) days after notice of the occurrence thereof by PRA, pay to PRA the sum equal to \$2,000,000 (which the parties agree and stipulate as reasonable and full liquidated damages and reasonable compensation for the involvement of PRA in the transactions contemplated in this Agreement, is not a penalty or forfeiture, and will not affect the provisions of this Section 9.5): (i) at any time prior to termination of this Agreement a PIC WISCONSIN Acquisition Event shall occur; (ii) PRA shall terminate this Agreement pursuant to Section 9.1(d) or (e); (iii) PIC WISCONSIN shall terminate this Agreement pursuant to Section 9.1(j); or (iv) if PIC WISCONSIN fails to call and the shareholders of PIC WISCONSIN fail to hold the meeting of the shareholders of PIC WISCONSIN as required by Section 7.4 of this Agreement. For purposes of this Agreement a **PIC WISCONSIN Acquisition Event** shall mean that PIC WISCONSIN shall have authorized, recommended, approved, or entered into an agreement with any Person (other than any of the parties to this Agreement) to effect an Acquisition Proposal or shall fail to publicly oppose a tender offer or exchange offer by another person based on an Acquisition Proposal. Upon the making and receipt of such payment under this Section 9.5, PIC WISCONSIN shall have no further obligation of any kind under this Agreement and neither PRA nor NEWCO shall have any further obligation of any kind under this Agreement, except in each case under Section 9.2 of this Agreement, and no party shall have any liability for any breach or alleged breach by such party of any provision of this Agreement.

Following the Closing, the parties will cooperate with each other in connection with tax audits and in the defense of any legal proceedings.

THIS FIRST AMENDMENT TO THE AGREEMENT AND PLAN OF MERGER (the Amendment), dated as of February 14, 2006, by and between ProAssurance Corporation, a Delaware corporation (PRA), Physicians Insurance Company of Wisconsin, a Wisconsin stock insurance corporation (PIC WISCONSIN), and Physicians Merger Company, a Wisconsin corporation.

WITNESSETH:

WHEREAS, PRA and PIC WISCONSIN executed an Agreement and Plan of Merger dated December 8, 2005 (the Merger Agreement), which provides for, among other things, the merger of Physicians Merger Company with and into PIC WISCONSIN with PIC WISCONSIN surviving the merger as a wholly owned subsidiary of PRA; and

WHEREAS, PRA and PIC WISCONSIN have agreed to certain modifications and amendments to the Merger Agreement and desire to amend the Merger Agreement so as to reflect such modifications and amendments; and

WHEREAS, Physicians Merger Company has been organized pursuant to and in accordance with the terms of the Merger Agreement and desires to evidence its agreement to the terms and provisions of the Merger Agreement as amended hereby by joining in the execution of this Amendment.

NOW, THEREFORE, in consideration of the mutual covenants, representations, warranties and agreements contained in this Amendment, and intending to be legally bound by this Amendment and the Merger Agreement, the parties to this Amendment and the Merger Agreement agree as follows:

1. Notwithstanding anything to the contrary express or implied in this Amendment or the Merger Agreement: (i) all capitalized terms in this Amendment that are not otherwise defined in this Amendment shall be defined in this Amendment as in the Merger Agreement; and (ii) in the event of any conflict between the provisions of this Amendment and the provisions of the Merger Agreement, the provisions of this Amendment shall control.

2. The Merger Agreement is hereby amended to delete Section 2.4 in its entirety therefrom and to substitute in lieu thereof the following:

2.4 NEWCO Shares. At the Effective Time, each share of NEWCO common stock that is issued and outstanding immediately prior to the Effective Time shall be converted into twenty (20) shares of common stock of the Surviving Corporation. It is the intention of the parties that, at the Effective Time, PRA shall own all of the issued and outstanding shares of common stock of the Surviving Corporation.

3. The Merger Agreement is hereby amended to delete Section 2.6 in its entirety therefrom and insert in lieu thereof the following:

2.6 No Fractional Shares. No certificates or scrip representing a fractional share of PRA Common Stock (as defined in Section 5.3 of this Agreement) shall be issued upon the surrender of PIC WISCONSIN Common Stock certificates for exchange; no dividend or distribution with respect to PRA Common Stock shall be payable on or with respect to any fractional share; and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a stockholder of PRA. In lieu of any such fractional share, PRA shall pay to each former holder of PIC WISCONSIN Common Stock who otherwise would be entitled to receive a fractional share of PRA Common Stock

an amount in cash determined by multiplying the fractional share of PRA Common Stock to which such holder would otherwise be entitled by the PRA Closing Stock Price.

Ladies and Gentlemen:

You have requested our opinion as to the fairness, from a financial point of view, to the holders of common stock (collectively the "Stockholders") of Physicians Insurance Company of Wisconsin, Inc. ("PIC Wisconsin" or the "Company") of the sale of all issued and outstanding shares of the Company's capital stock to ProAssurance Corporation ("ProAssurance" or the "Buyer") pursuant to the terms and subject to the conditions set forth in the draft Agreement and Plan of Merger (the "Agreement") dated December 8, 2005 to be entered into by and among PIC Wisconsin and the Buyer (the "Transaction").

Pursuant to the terms of and subject to the conditions set forth in the Agreement, the Stockholders will sell and deliver to the Buyer all of the stock of the Company, and the Buyer will purchase and pay for all of the stock of PIC Wisconsin. Each of the Stockholders will have the right to receive Buyer common stock worth \$5,000 for each share of PIC Wisconsin common stock (19,741 shares in total) as the initial exchange ratio, which is subject to a collar of 20%. Based on Buyer's average closing stock price for the ten (10) trading days (the "Buyer's Stock Price") ending December 7, 2005 of \$49.76, the exchange ratio would be 100.48 shares of Buyer's common stock per share of PIC Wisconsin common stock. Our investment banking services and our opinion were provided solely for the use and benefit of the Board of Directors of PIC Wisconsin in connection with its consideration of the Transaction contemplated by the Agreement. Our opinion is limited to the fairness, from a financial point of view, of the Transaction consideration to be paid to the

Stockholders in connection with the Transaction, and we do not address the merits of the underlying decision by PIC Wisconsin to engage in the Transaction.
