Item 1.01. Entry into a Material Definitive Agreement

On March 15, 2007, we entered in an asset purchase agreement with CystoMedix, Inc., pursuant to which we will acquire solely the intellectual property assets related to our Urgent[®] PC neuromodulation system. In consideration, we will issue to CystoMedix (i) \$4,900,000 in shares of our common stock calculated at a per share price equal to the greater of \$3.00 or 15% in excess of the average closing price of our common stock during the 20 trading days immediately prior to the closing date, plus (ii) an additional 20,000 shares of our common stock.

The closing of the transaction, anticipated to be in March 2007, is subject to the satisfaction of certain customary closing conditions, including approval by the shareholders of CystoMedix.

Item 1.02. Termination of a Material Definitive Agreement

In April 2005, we entered into an exclusive manufacturing and distribution agreement, pursuant to which we manufacture and sell the Urgent PC system in the United States and certain European countries. Under the April 2005 agreement, we have an option to acquire CystoMedix's entire business and assets. Our March 2007 asset purchase agreement supersedes and replaces this acquisition option. The April 2005 agreement will automatically terminate coincident with the closing of the asset purchase agreement.

Item 3.02. Unregistered Sales of Equity Securities

We expect to issue unregistered common shares to CystoMedix upon the closing of our March 2007 asset purchase agreement. We cannot currently determine the number of common shares issuable to consummate the acquisition because the number of shares issuable is based on future share prices preceding the closing of the transaction. The consideration for the shares will be the intellectual property assets of CystoMedix. We believe the sale to CystoMedix will be exempt from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(2) thereunder. Among other representations, CystoMedix has agreed to acquire the shares for investment purposes. We will place a restrictive legend on the certificate representing the shares and a stop transfer order regarding the shares with our transfer agent.

Item 8.01. Other Events

In March 2007, we received approximately \$1.3 million in proceeds from exercise of 663,215 warrants to purchase our common shares.

All other obligations or liabilities of CystoMedix shall be the responsibility of CystoMedix specifically including that certain loan in excess of \$1,400,000 payable to Mr. J. 2.4 Right of Inspection. From the date hereof and until Closing, CystoMedix will make available at reasonable times CystoMedix's books, records and other information as are requested by Uroplasty for examination, and for the examination by its advisors and such other information relating to the IP Assets as Uroplasty may reasonably request.

SECTION 3. PURCHASE CONSIDERATION

3.1 Purchase Consideration; Manner of Payment

(a) As full payment for the transfer of the IP Assets under Section 2.1 by CystoMedix to Uroplasty, Uroplasty agrees to pay CystoMedix the sum \$4,900,000 plus 20,000 shares of Uroplasty Common Stock (all together, the Purchase Consideration).

(b) The \$4,900,000 of Purchase Consideration shall also be payable in shares of Uroplasty Common Stock. On the Closing Date, Uroplasty will issue to CystoMedix that number of shares of Uroplasty's Common Stock equal to \$4,900,000 divided by the Share Price. The term Share Price means the greater of (i) \$3.00 per share or (ii) 15% in excess of the average of the closing price of Uroplasty's Common Stock, as quoted on the American Stock Exchange during the 20 trading days prior to the Closing Date. For example, if the average 20 day trading closing price is \$3.50, the Share Price would be $\$3.50 \times 1.15$ or \$4.025; and, if the average 20 day trading closing price is \$2.50, the Share Price would be \$3.00 because $\$2.50 \times 1.15$ is \$2.875, which is less than the \$3.00 per share minimum. All share computations shall be rounded to the nearest whole share.

(c) Sales and Use Taxes. CystoMedix shall pay any sales, use or other similar taxes payable on account of the sale of the IP Assets to Uroplasty hereunder.

3.2 Allocation of Purchase Consideration. The Purchase Consideration (also referred to in this Agreement as the Shares) shall be allocated among the IP Assets in such manner as Uroplasty shall reasonably specify in writing at Closing.

4.1 Closing. The closing (the Closing) of the transactions contemplated by this Agreement shall take place at the offices of Messerli & Kramer P.A. at 10:00 a.m., local time, on March 27, 2007 or at such other time and place and on such other date as Uroplasty and CystoMedix shall agree (the Closing Date).

- (vii) a certificate of the President of CystoMedix certifying the truth and accuracy of CystoMedix's representations and warranties and compliance with all of its covenants and agreements on and as of the Closing Date; and
- (viii) resolutions of the Board of Directors and stockholders of CystoMedix authorizing the transactions contemplated hereby.

(c) Additional Matters. Each party agrees to execute and deliver such additional instruments, documents and property, and to take such additional action, as may reasonably be requested by another party hereto, or his, her or its counsel, in order to effectuate the transactions contemplated by this Agreement. CystoMedix further agrees that it will cooperate with and assist Uroplasty in acquiring the signatures of Jeffrey Williams and Hans van den Biggelaar, prior to and after Closing, on any and all documents or instruments to effect the assignment of the IP Assets.

4.3 Conditions to Closing. The obligations of the parties to close hereunder are subject to the satisfaction of the following conditions on or before the Closing Date (each of which the applicable party agrees to timely perform and satisfy):

(a) CystoMedix's Obligation. The obligation of CystoMedix to consummate the transactions contemplated by this Agreement is subject to satisfaction of the following contingencies on or before the Closing Date:

- (i) Uroplasty shall have performed, satisfied and complied with all of its agreements, obligations and conditions required under this Agreement to be performed or complied with by it prior to the Closing including delivering of the instruction letter as specified in Section 4.2(a).
- (ii) The warranties and representations of Uroplasty made in this Agreement are true as of the Closing Date as though made at that time and Uroplasty shall deliver a certificate as described above to that effect.

- (b) Uroplasty's Obligation. The obligation of Uroplasty to consummate the transactions contemplated by this Agreement is subject to satisfaction of the following contingencies on or before the Closing Date:
- (i) CystoMedix and Schmidt shall have performed, satisfied and complied with all of their respective agreements, obligations and conditions required under this Agreement to be performed or complied with by them prior to or at the Closing including delivering all of the items specified in Section 4.2(b).
 - (ii) The warranties and representations of CystoMedix made in this Agreement are true and correct as of the Closing Date as though made at that time and CystoMedix shall deliver a certificate as described above to that effect.
 - (iii) Jeffrey Williams, Hans van den Biggelaar and any other inventors of any IP Assets shall have executed and delivered to CystoMedix all assignments and other appropriate documents and instruments, including any non-provisional patent applications and international patent applications, in the form necessary and reasonably accepted to Uroplasty, to transfer, assign and fully vest Uroplasty in the IP Assets.
 - (iv) Uroplasty is satisfied that the IP Assets will be validly transferred to and vested in Uroplasty upon delivery of the appropriate assignment and other documents by CystoMedix at Closing.
 - (v) The American Stock Exchange shall have approved Uroplasty's application for the listing of the Shares.
 - (vi) The number of Shares required to be issued to CystoMedix on the Closing Date shall not exceed twenty percent (20%) of Uroplasty's total issued and outstanding shares on the Business Day immediately prior to the Closing Date.
 - (vii) CystoMedix's stockholders shall have approved this Agreement and the transactions contemplated hereby.
 - (ix) Uroplasty (in its sole discretion) shall have determined that, since the Effective Date, there has been no material or adverse change in the IP Assets or any purchase, sale, license or other disposition, or any agreement or other arrangement for the purchase, sale, license or other disposition, of any part of the IP Assets (including any patents, trademarks and copyrights) except as provided in the Schedule of Changes (Schedule 5.8 hereto).

- (x) Uroplasty shall have received certification from a certified public accountant in a form satisfactory to it that the total amount due and owing J. Stephen Schmidt on the Bridge Loan as of the Closing Date is at least \$1,400,000.

Until Closing or termination of this Agreement as provided below, CystoMedix and Schmidt agree not to solicit, negotiate with or provide any information to any person, firm or entity other than Uroplasty and its employees, accountants, attorneys and representatives regarding any acquisition of the IP Assets whether by merger, stock sale or other business combination.

4.5 Termination Date. Notwithstanding any other provision of this Agreement, this Agreement shall terminate and be of no effect (and each party hereto shall bear its own expenses of any kind) if the Closing does not take place on or before April 20, 2007. Despite the foregoing, if the Closing does not take place because a party hereto (the Defaulting Party) has not delivered a required item under Section 4.2 to the other party (the Non-Defaulting Party) for the Closing or satisfied a contingency to Closing under Section 4.3 (which is not waived in writing by the Non-Defaulting Party), then, at the election in writing of the Non-Defaulting Party, the Closing shall be postponed (but not beyond July 20, 2007) so that the Defaulting Party may remedy its default. The Defaulting Party agrees that the Non-Defaulting Party may obtain an order directing the Defaulting Party to comply with its obligations and to proceed with a Closing as contemplated hereby.

SECTION 5. REPRESENTATIONS AND WARRANTIES OF SELLER

Except as obtained by CystoMedix prior to the Closing, no consent or waiver by, approval of, or designation, declaration or filing with, any Person is required in connection with the execution, delivery and performance by CystoMedix of this Agreement and each agreement, document and instrument to be executed and delivered by CystoMedix pursuant to this Agreement.

5.4 Intellectual Property.

(a) All Patent Rights, Trademarks and Copyrights (collectively, the Intellectual Property) are listed in the Schedule of Intellectual Property (Schedule 5.4) attached hereto, which Schedule indicates, with respect to each, the nature of CystoMedix's interest therein and the expiration date thereof or the date on which CystoMedix's interest therein terminates. Except as set forth on the Schedule of Intellectual Property, the Intellectual Property have been duly registered in, filed in or issued by, as the case may be, the United States Patent and Trademark Office, the United States Register of Copyrights or the corresponding offices of other countries identified on said Schedule, and have been properly maintained and renewed in accordance with all applicable provisions of law and administrative regulations in the United States and each such country.

(b) Except as set forth on the Schedule of Intellectual Property, the Intellectual Property is owned exclusively by CystoMedix, free and clear of any attachments, liens, encumbrances or adverse claims.

(c) Except as set forth on the Schedule of Intellectual Property, there are no claims or demands of any other person pertaining to the Intellectual Property and no proceedings have been instituted, are pending or, to the Knowledge of CystoMedix, are threatened which challenge the rights of CystoMedix in respect thereof and CystoMedix has no Knowledge of any facts which could be the basis of any such claims. To the Knowledge of CystoMedix, there is no infringement of any of the Intellectual Property by others nor is any of the Intellectual Property subject to any outstanding order, decree, judgment, stipulation, settlement, lien, charge, encumbrance or attachment. 5.11 Product Liability. No proceeding is pending or, to the Knowledge of CystoMedix, is threatened in which any Person or governmental authority is seeking to revoke or deny the renewal of any Authorization.

5.14 Hazardous Materials; Environmental Compliance; Disclosure of Environmental Information. 5.16 Certain Securities Law Matters. Through its officers and directors, CystoMedix has such knowledge and experience in financial business matters that its is capable of evaluating the merits and risks of an investment in Uroplasty Common Stock to be received pursuant to this Agreement. CystoMedix acknowledges its access to Uroplasty's annual, quarterly and periodic reports filed with the U.S. Securities and Exchange Commission (the "SEC Reports"), and being offered the opportunity to ask questions of, and receive answers from, Uroplasty's officers with respect to Uroplasty's business and financial affairs. To the extent that CystoMedix has, in the course of its investment or other discussions with Uroplasty, learned any confidential, proprietary or trade secret information of Uroplasty, CystoMedix agrees to keep such information confidential and to not use, or disclose to third parties (except to CystoMedix's counsel and other advisors, who are bound by this promise of confidentiality), any such information unless and until Uroplasty publicly discloses such information. CystoMedix hereby acknowledges and agrees that the Uroplasty Common Stock to be acquired pursuant to this Agreement is being acquired for its own account and not for any other person, or with a view to distribution or sale thereof, and that such securities have not been registered under the Act or applicable state securities or "Blue Sky" laws, and therefore cannot be resold unless so registered or exempted therefrom. CystoMedix understands that certificates representing the Uroplasty Common Stock will bear the following legend reflecting the foregoing restrictions on transfer and the resale restriction described in Section 8.5 below:

The shares of stock represented by this certificate have not been registered under the Securities Act of 1933, as amended (the "Act") or under any applicable state securities laws (the "Laws"). The shares may not be sold, transferred, assigned, pledged or otherwise disposed of at any time unless they are registered under such Act and laws or unless in the opinion of legal counsel for the Company such disposition will not result in a violation of such Act or any such Laws. In addition, the resale of the shares is restricted by the terms of an Asset Purchase Agreement dated March 15, 2007, by and between Uroplasty, Inc. and CystoMedix, Inc.

SECTION 6. REPRESENTATIONS AND WARRANTIES OF UROPLASTY

Uroplasty hereby makes to CystoMedix each of the representations and warranties set forth in this Section 6 as follows:

6.1 Organization and Good Standing. Uroplasty is a corporation duly organized, validly existing and in good standing under the laws of the State of Minnesota with full corporate power to conduct its business as now being conducted.

6.2 Authority. Uroplasty has full right, power and authority to enter into this Agreement and each agreement, document and instrument to be executed and delivered by it pursuant to this Agreement and to carry out the transactions contemplated hereby and thereby. The execution, delivery and performance of this Agreement and each such other agreement, document and instrument by it has been duly and validly

authorized and approved by all necessary action on its part and no other action on its part is required in connection therewith. This Agreement and each agreement, document and instrument to be executed and delivered by Uroplasty pursuant to this Agreement constitutes, or when executed and delivered will constitute, the legal, valid and binding obligation of Uroplasty, enforceable in accordance with its respective terms, except to the extent that enforcement is limited by bankruptcy, insolvency, moratorium, conservatorship, receivership or similar laws of general application affecting creditors' rights or by the application by a court of equity principles. The execution, delivery and performance by Uroplasty of this Agreement and each such agreement, document and instrument:

(a) does not and will not violate any foreign, federal, state, local or other laws, regulations or ordinances applicable to Uroplasty;

(b) does not or will not violate any term or provision of the Articles of Incorporation or Bylaws of Uroplasty; or

(c) does not and will not result in a breach of, constitute or result in a default under, accelerate any obligation under or give rise to a right of termination of, any indenture or loan or credit agreement or any other agreement, contract, instrument, mortgage, lien, lease, permit, authorization, order, writ, judgment, injunction, decree, determination or arbitration award to which Uroplasty is a party or by which the property of Uroplasty is bound or affected, or result in the creation or imposition of any mortgage, pledge, lien, security interest or other charge or encumbrance on any of Uroplasty's assets.

No consent or waiver by, approval of, or designation, declaration or filing with, any Person or authority (governmental or otherwise) is required in connection with the execution, delivery and performance by Uroplasty of this Agreement and each agreement, document and instrument to be executed and delivered by Uroplasty pursuant to this Agreement.

6.3 Uroplasty Common Stock. The Uroplasty Common Stock being issued hereunder will be (i) duly authorized, validly issued and outstanding, (ii) fully paid, non-assessable and free of preemptive rights and (iii) except as otherwise provided by this Agreement, free and clear of any and all pledges, claims, restrictions, charges, liens, security interests, encumbrances or other interests of third parties of any nature whatsoever.

6.3 SEC Reports: Financial Statements. Except as described on Schedule 6.3, the Company has filed all SEC Reports required to be filed by it under the Act and the Exchange Act, including pursuant to Section 13(a) or 15(d) thereof, for the twelve months preceding the date hereof (or such shorter period as the Company was required by law to file such reports, forms or other information). Unless corrected prior to the date of this Agreement in a subsequent SEC Report, as of their respective dates, the SEC Reports complied in all material respects with the requirements of the Act and the Exchange Act and the rules and regulations of the Commission promulgated thereunder, and none of the SEC

Reports, when filed (if applicable, as corrected prior to the date of this Agreement), contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

6.4 Completeness. The representations, warranties and statements contained in this Agreement and in the certificates, exhibits and schedules delivered by Uroplasty to CystoMedix pursuant to this Agreement, when taken together, do not and shall not contain any untrue statement of a material fact, and do not and shall not omit to state a material fact required to be stated therein or necessary in order to make such representations, warranties or statements not misleading in light of the circumstances in which they were made.

SECTION 7. INDEMNIFICATION

7.1 Materiality; Survival. All representations, warranties, agreements, covenants and obligations herein or in any schedule, certificate or financial statement delivered by any party incident to the transactions contemplated hereby are material, shall be deemed to have been relied upon by the parties and shall survive the Closing hereof.

7.2 Indemnification.

(a) CystoMedix agrees to defend, indemnify and hold Uroplasty and its respective subsidiaries and affiliates and the persons serving as officers, directors, partners, employees or agents thereof harmless from and against any claims, damages, liabilities, losses, fines, penalties, costs, and expenses (including, without limitation, reasonable counsel fees and expenses as the same are incurred; together referred to as Losses) of any kind or nature whatsoever which may be sustained or suffered by any of them arising out of, based upon or in connection with any of the following matters:

- (i) a breach of any representation, warranty, agreement, covenant or obligation made by CystoMedix in this Agreement or in any Schedule, Exhibit, or certificate delivered hereunder or in connection herewith or by reason of any claim, action or proceeding asserted or instituted growing out of any matter or thing constituting a breach of such representations, warranties or covenants;
- (ii) Fraud in connection with the making by CystoMedix of any representation, warranty, covenant or obligation or an intentional misrepresentation by CystoMedix of any representation, warranty, covenant or obligation; and
- (iii) any return, rebate or other expense (including warranty, installation, configuration or other service work) associated with products shipped and/or installed, or services rendered, by CystoMedix prior to Closing.

(b) Uroplasty shall give prompt written notice to CystoMedix of any claim, liability or expense to which the indemnification obligations hereunder would apply. Such notice shall state the information then available regarding the amount of such claim, liability or expense and shall specify the provision or provisions of this Agreement under which the claim, liability or expense is asserted. The failure to promptly notify CystoMedix as provided above shall not relieve CystoMedix of any liability hereunder except to the extent that the rights of CystoMedix have been materially and adversely prejudiced as a result of the failure to give, or the delay in giving, such notice.

(c) If such indemnification claim, liability or expense is the subject of litigation, CystoMedix shall have the right to participate at its own expense in the defense of any such litigation, or Uroplasty may authorize CystoMedix, if it so desires, to take over the defense of such litigation so long as such defense is expeditious and is undertaken by counsel reasonably acceptable to Uroplasty. Otherwise, Uroplasty will control the defense of such claim.

(d) Upon resolution of the indemnification claim, whether by final judicial decision after all periods for appeal have lapsed, settlement, arbitration decision or otherwise, Uroplasty shall give CystoMedix written notice of the Losses incurred by Uroplasty with respect to the claim (the Uroplasty Final Notice). Thereafter, CystoMedix shall have 30 days to give Uroplasty written notice that it intends to dispute the amount of Uroplasty's claimed Losses. Within 30 days after receipt of said written notice, Uroplasty shall attempt to settle the dispute with CystoMedix. If CystoMedix and Uroplasty do not reach settlement of Uroplasty's claim within such 30 days, the dispute may at any time thereafter be submitted by either party to arbitration in Minneapolis, Minnesota, before three arbitrators, one of which is selected by CystoMedix, one of which is selected by Uroplasty and the third of which is selected by the first two arbitrators. The arbitration shall be conducted by the American Arbitration Association in accordance with the rules and procedures of the American Arbitration Association then in effect. CystoMedix and Uroplasty agree that the arbitrators' award (which shall be agreed to unanimously by the arbitrators) shall be final and binding upon them with respect to the dispute and may be entered in any court having jurisdiction thereof. All costs of the arbitration (including the reasonable legal expenses of all parties thereto) shall be borne by CystoMedix and/or Uroplasty in the amounts determined by the arbitrators, which shall base such determination upon the relative merits of the respective positions of the parties in the dispute. The judgment upon the award may be entered in any court having jurisdiction thereof. There shall be added to the amount of any arbitration award interest at the rate of 10% per annum on the amount required to be paid pursuant to such award. This interest will be computed from the date payment would have been paid if not disputed by CystoMedix to the date paid and the arbitrators shall include provisions therefor in any award rendered.

Any claims as determined above in favor of Uroplasty first shall be resolved by cancellation of Shares then held by CystoMedix. If the Uroplasty Final Notice is given and is not disputed by CystoMedix, or if an arbitrators' award on Uroplasty's claim is granted, then the

shares to be canceled shall be valued at the average of the closing price per share for the Uroplasty Common Stock as reported by the American Stock Exchange for the ten (10) trading days ending on the trading day immediately prior to the date of the Uroplasty Final Notice (if not disputed by CystoMedix) or arbitrators' award (if disputed by CystoMedix), as the case may be. If Uroplasty's claim cannot be resolved with the number of shares of Uroplasty Common Stock then held by CystoMedix, then CystoMedix shall within ten (10) business days after written demand, pay the remaining claim amount to Uroplasty in cash.

Despite the above provisions of this subsection (d), CystoMedix may resolve any claim by paying cash to Uroplasty.

(e) Notwithstanding anything else in this Section 7 to the contrary, no claim by Uroplasty under Section 7 may be enforced against CystoMedix unless Uroplasty gives CystoMedix written notice of such claim under Section 7.2(b) above within one (1) year from the Closing Date.

(f) Notwithstanding anything to contrary in this Agreement, and except for the Shares referred to in Section 8.5 below, CystoMedix shall not sell, distribute or otherwise dispose of or transfer any Shares held by it until the later of (i) one (1) year after the Closing Date or (ii) resolution of all Indemnifiable claims for which CystoMedix has received timely notice pursuant to this Section 7.2.

SECTION 8. POST-CLOSING OBLIGATIONS.

8.1 Registration Rights.

(a) Request for Registration. If after the later of (i) one year following the Closing or (ii) the date of final resolution of any Losses, CystoMedix gives Uroplasty written notice that its board and stockholders have authorized a dissolution of CystoMedix, and if Uroplasty is then eligible to use Form S-3 (or its then equivalent) as a registration statement with the SEC, Uroplasty will use its commercially reasonable efforts to promptly file and obtain effectiveness of a registration statement on Form S-3 (or its then equivalent) under the Act covering the resale of the Shares to be distributed upon dissolution to CystoMedix's stockholders. If Uroplasty is not then eligible to use Form S-3 (or its then equivalent), and if within six (6) months thereafter, Uroplasty determines to file a registration statement for its own account on Form S-1 or SB-2 (or their then equivalents), Uroplasty will use its commercially reasonable efforts to include the Shares for resale in such registration statement (the "Company Registration Statement"). To the extent that the managing underwriter for the offering covered by the Company Registration Statement determines in its judgment that it is impractical for marketing purposes to include some or all of the Shares on the Company Registration Statement, Uroplasty will so reduce the number of Shares included on the Company Registration Statement. In no event will Uroplasty have any liability to CystoMedix or any of its stockholders if Uroplasty is unable to obtain or maintain the effectiveness of any registration statement.

(b) Expenses of Registration. With respect to each inclusion of Shares in a registration statement pursuant to this Section 8.1, Uroplasty shall bear the following fees, costs and expenses: all registration, filing and NASD fees, printing expenses, fees and disbursements of counsel and accountants for Uroplasty and all legal fees and disbursements and other expenses of complying with state securities or blue sky laws of any jurisdictions in which the securities to be offered are to be registered or qualified. Fees and disbursements of counsel and accountants for CystoMedix and its stockholders, underwriting discounts and commissions and transfer taxes for CystoMedix and its stockholders and any other expenses incurred by CystoMedix or its stockholders not expressly included above shall be borne by CystoMedix and its stockholders.

(c) Registration Procedures. In the case of each registration effected by Uroplasty pursuant to this Agreement, Uroplasty will keep CystoMedix advised in writing as to the initiation of such registration and as to the completion thereof. Uroplasty will:

(i) Prepare and file with the Commission a registration statement and such amendments and supplements as may be necessary and use commercially reasonable efforts to cause such registration statement to become and remain effective until the distribution described in the registration statement has been completed or for two years, whichever first occurs; and

(ii) Furnish to CystoMedix such reasonable number of copies of the registration statement, preliminary prospectus, final prospectus and such other documents as such underwriters may reasonably request in order to facilitate the public offering of such securities.

8.2 Registration Indemnification.

(a) By Uroplasty. Uroplasty will indemnify CystoMedix, and CystoMedix's officers and directors, and each person controlling such CystoMedix within the meaning of Section 15 of the Act, and each selling stockholder with respect to which registration has been effected pursuant to this Agreement, against all expenses, claims, losses, damages or liabilities (or actions in respect thereof), including any of the foregoing incurred in settlement of any litigation, commenced or threatened, arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, offering circular or other document, or any amendment or supplement thereto, incident to any such registration, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or any violation by Uroplasty of the Act, the Exchange Act, state securities laws or any rule or regulation promulgated under such laws applicable to Uroplasty in connection with any such registration, and Uroplasty will reimburse each said persons for any legal and any other expenses reasonably incurred in connection with investigating, preparing or defending any such claim, loss, damage, liability or action, provided that Uroplasty will not be liable in any such case (i) to the extent that any such claim, loss, damage, liability or expense arises out of or is based on

any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to Uroplasty by or on behalf of any such persons and stated to be specifically for use therein or (ii) insofar as the claim, loss, damage, liability or expense relates to any untrue statement or omission or alleged untrue statement or omission made in any preliminary prospectus but eliminated or remedied in the prospectus.

(b) By CystoMedix and the Selling Stockholders. CystoMedix and the selling stockholders will indemnify Uroplasty, each of its directors and officers, other holders of Uroplasty's securities covered by such registration statement, their officers and directors and each person controlling such other holder within the meaning of Section 15 of the Act, each person who controls Uroplasty within the meaning of Section 15 of the Act, against all claims, losses, damages and liabilities (or actions in respect thereof) arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any such registration statement, prospectus, offering circular or other document, or any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or any violation by CystoMedix or a selling stockholder, and each person controlling it or them within the meaning of Section 15 of the Act, the Exchange Act, state securities laws or any rule or regulation promulgated under such laws applicable to it, and will reimburse Uroplasty, such other holders, such directors, officers, persons, underwriters or control persons for any legal or any other expenses reasonably incurred, as such expenses are incurred, in connection with investigating or defending any such claim, loss, damage, liability or action, but in the case of Uroplasty or the other holders or their officers, directors or controlling persons, only to the extent that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is made in such registration statement, prospectus, offering circular or other document in reliance upon and in conformity with information furnished to Uroplasty by or on behalf of CystoMedix or a selling stockholder.

(c) Notice and Defense. Each party entitled to indemnification under this Section 8.2 (the Indemnified Party) shall give notice to the party required to provide indemnification (the Indemnifying Party) promptly after such Indemnified Party has actual knowledge of any claim as to which indemnity may be sought, and shall permit the Indemnifying Party to assume the defense of any such claim or any litigation resulting therefrom, provided that counsel for the Indemnifying Party, who shall conduct the defense of such claim or litigation, shall be approved by the Indemnified Party (whose approval shall not unreasonably be withheld), and the Indemnified Party may participate in such defense at such party's expense, and provided further that the failure of any Indemnified Party to give notice as provided herein shall not relieve the Indemnifying Party of its obligations under this Agreement unless the failure to give such notice is materially prejudicial to an Indemnifying Party's ability to defend such action and provided further, that the Indemnifying Party shall not assume the defense for matters as to which there is a conflict of interest or there are separate and different defenses. No Indemnifying Party, in the defense of any such claim or litigation, shall, except with the consent of each Indemnified Party (whose consent shall not be unreasonably withheld), consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified

Party of a release from all liability in respect to such claim or litigation. Notwithstanding the foregoing, to the extent that the provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with the underwritten public offering are in conflict with the foregoing provisions, the provisions in the underwriting agreement shall control.

8.3 Information by CystoMedix and Selling Stockholders. CystoMedix and each selling stockholder shall furnish to Uroplasty such information regarding CystoMedix, the Shares held by it or them and the distribution proposed by CystoMedix as Uroplasty may request in writing and as shall be required in connection with any registration referred to in this Agreement.

8.4 Termination of Registration Rights. Despite anything else to the contrary, the rights granted pursuant to Section 8 shall terminate upon the date CystoMedix or its stockholders are able to immediately sell all Shares held by it or them under Rule 144 during any 90-day period.

8.5 Private Resale Restriction. During the one year period commencing on the Closing Date, CystoMedix (and its collective stockholders, to the extent that any Shares are distributed to them) may privately resell no more than 150,000 Shares (limited to 15,000 Shares in the aggregate for any particular calendar month); provided, that any resale of Shares must comply with the Act. The balance of the Shares is subject to the restriction on resale or other transfer pursuant to Section 7.2(f) above.

8.6 Regulatory Bodies. Promptly after Closing, CystoMedix will notify the FDA and any other worldwide regulatory bodies of its discontinuance of holding regulatory submissions or establishment registrations.

SECTION 9. MISCELLANEOUS

9.1 Fees and Expenses. Except as otherwise provided herein, each of the parties to this Agreement will bear its own expenses in connection with the negotiation and consummation of the transactions contemplated by this Agreement (it being understood that CystoMedix's expenses associated herewith will not be assumed by Uroplasty). All sales and transfer taxes, fees and duties under applicable law (including all stock transfer taxes, fees and duties, if any) incurred in connection with this Agreement or the transactions contemplated thereby will be borne and paid by CystoMedix.

9.2 Confidentiality. CystoMedix acknowledges that Uroplasty is a publicly traded company and agree that it will treat the existence and terms of this Agreement and the transactions contemplated hereby as strictly confidential and will not disclose them to any Person without the prior written consent of Uroplasty or unless Uroplasty publicly discloses such information.

9.3 Law Governing. This Agreement shall be governed by and construed in accordance with the laws of the State of Minnesota without reference to the choice of law provisions thereof. The parties hereby irrevocably and unconditionally consent to the exclusive jurisdiction of the courts of the State of Minnesota and of the United States of America located in the State of Minnesota in connection with any suit, action or proceeding relating to this Agreement and the transactions contemplated hereby (without, however, derogating from the exclusivity of the arbitration procedures set forth in subparagraph 7.2(d) hereof) and agree not to commence any action, suit or proceeding relating thereto except in such courts.

9.4 Notices. All notices, requests, demands and other communications hereunder shall be deemed to have been duly given on the date delivered if delivered by hand, three days after being sent by certified or registered mail (postage prepaid and with return receipt requested), on the date delivered if by overnight courier service, on the date delivered if by telecopy or other written form of electronic confirmation:

9.6 Assignability. This Agreement shall be binding upon, and shall be enforceable by and inure to the benefit of, the parties named herein and their respective successors and assigns.

9.7 Waivers; Severability. The failure of any of the parties to this Agreement to require the performance of a term or obligation under this Agreement or the waiver by any of the parties to this Agreement of any breach hereunder shall not prevent subsequent enforcement of such term or obligation or be deemed a waiver of any subsequent breach hereunder. If any one or more of the provisions of this Agreement are held to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Agreement will not be affected thereby, and the parties will use all reasonable efforts to substitute for such invalid, illegal or unenforceable provisions one or more valid, legal and enforceable provisions which, insofar as practicable, implement the purposes and intents hereof. To the extent permitted by applicable law, each party waives any provision of law which renders any provision of this Agreement invalid, illegal or unenforceable in any respect.

9.8 Specific Performance. Each of the parties acknowledges and agrees that the other parties would be damaged irreparably in the event any of the provisions of this Agreement are not performed in accordance with their specific terms or otherwise are breached. 9.9 Counterparts. This Agreement may be executed by facsimile and in any number of counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

9.10 Amendments. This Agreement may not be amended or modified, nor may compliance with any condition or covenant set forth herein be waived, except by a writing duly and validly executed by each party hereto, or in the case of a waiver, the party waiving compliance.

March ____, 2006

Dear _____:

As you are aware, in April 2005, we entered into a five-year Exclusive Manufacturing and Distribution Agreement with Uroplasty, Inc. At the time, we also granted Uroplasty an option and a right of first refusal to acquire our assets.

Based upon our recent negotiations, Uroplasty has agreed to purchase our intellectual property assets now, but not our business or goodwill, solely in exchange for Uroplasty Common Stock. As a condition of this revised purchase agreement (a copy of which we are providing to you subject to your obligation of confidentiality below), Uroplasty requires that the holders of a majority of our outstanding Common Stock consent to the agreement. By your signature below, you hereby grant this consent. You also hereby appoint J. Stephen Schmidt as your attorney-in-fact (with full power of substitution) to vote all of your shares at any meeting of CystoMedix stockholders held at any time in favor of approving the purchase agreement and the transactions contemplated by it, or to execute written consents on your behalf in lieu of any such meeting. Because of the benefit that CystoMedix, and therefore you as a stockholder, will receive in connection with the Uroplasty purchase agreement, this proxy and power of attorney is coupled with an interest and is irrevocable. If for any reason your proxy and power of attorney is not effective, your signature constitutes your separate agreement with Mr. Schmidt to vote all of your shares at any meeting of CystoMedix stockholders held at any time in favor of approving the purchase agreement and the transactions contemplated by it.

Until Uroplasty makes a publicly discloses the purchase agreement, you also agree to keep confidential its existence and terms. You further agree that you will not, directly or indirectly, purchase or sell (whether in a short sale transaction or otherwise) any of Uroplasty's Common Stock (or options, warrants or other rights to purchase or acquire Uroplasty Common Stock) until the day following the date Uroplasty issues a press release announcing the terms and conditions of the purchase agreement.

If this letter is acceptable, please so indicate by your signature below.

Very truly yours,

Agreed to and accepted:

**UROPLASTY ANNOUNCES AGREEMENT TO PURCHASE
URGENT® PC INTELLECTUAL PROPERTY ASSETS**

MINNEAPOLIS, MN, March 16, 2007 Uroplasty, Inc. (AMEX:UPI) announced it has entered into an agreement to purchase from CystoMedix, Inc. certain intellectual property assets related to its Urgent® PC neuromodulation system. The agreement also provides for the termination, upon closing of the transaction, of the April 2005 exclusive manufacturing and distribution agreement with CystoMedix. In consideration, Uroplasty will issue CystoMedix \$4.9 million of Uroplasty common stock calculated at a per share price equal to the greater of \$3.00 or 15% in excess of the average closing price during the 20 trading days immediately prior to the closing date, plus an additional 20,000 common shares.

The closing of the transaction is subject to satisfaction of certain customary closing conditions, including approval by the shareholders of CystoMedix. The parties are targeting to close the transaction during March 2007.

On February 28, 2007, Uroplasty had 11,065,716 common shares issued and outstanding.

David B. Kaysen, Uroplasty's President and Chief Executive Officer, commented, "We believe this all-stock purchase transaction, at a per share price in excess of the recent average closing share price, is beneficial for our shareholders.

Under the April 2005 agreement, we had the option to acquire CystoMedix's entire business and assets for \$4.9 million. However, we would have had to pay \$1.1 million in cash and the balance in our common shares valued at the then average of the 20 trading days' closing price. Further, had we delayed the acquisition, the purchase price payable in our common shares would have increased at the rate of approximately \$350,000 per year effective April 18, 2007 through June 2008, at which time our purchase option would expire. We also avoid the potential payment of royalties to CystoMedix in the future.

Kaysen added, "Over 30 million people suffer from overactive bladder in the U.S. We believe the Urgent PC, a minimally invasive device designed for office-based treatment, is a cost-effective treatment alternative for overactive bladder symptoms of urge incontinence, urinary urgency and urinary frequency. We expect this product to be a significant revenue contributor for our next fiscal year.
