2007 ANNUAL MEETING OF STOCKHOLDERS
SEPTEMBER 21, 2007

PROXY STATEMENT

GENERAL

This Proxy Statement and the accompanying proxy are furnished to stockholders of SigmaTron International, Inc. (the "Company") in connection with the solicitation of proxies by the Company's Board of Directors for use at the 2007 Annual Meeting of Stockholders (the "Meeting") to be held at the Holiday Inn located at 1000 Busse Road, Elk Grove Village, Illinois, 60007 at 10:00 a.m. local time, on Friday, September 21, 2007, for the purposes set forth in the accompanying Notice of Meeting. This Proxy Statement, the form of proxy included herewith and the Company's Annual Report to Stockholders for the fiscal year ended April 30, 2007 are being mailed to stockholders on or about August 15, 2007.

Stockholders of record at the close of business on July 27, 2007 are entitled to notice of and to vote at the Meeting. On such date there were outstanding 3,794,956 shares of common stock, par value \$.01 per share (the "Common Stock"). The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding and entitled to vote at the Meeting is necessary to constitute a quorum. In deciding all questions, each holder of Common Stock shall be entitled to one vote, in person or by proxy, for each share held on the record date.

If you are a stockholder of record (that is, if you hold your shares in certificate form registered in your name on the books of the Company's transfer agent, American Stock Transfer and Trust Company, as of the close of business on July 27, 2007), and attend the Meeting, you may deliver your completed proxy card in person. However, if you hold your shares in "street name" (not certificate form) (a) you must return your voting instructions to your broker or nominee so that the holder of record can be instructed how to vote those shares or (b) if you wish to attend the Meeting and vote in person, you must obtain and bring to the Meeting a proxy signed by the record holder giving you the right to vote the shares in order to be able to vote at the Meeting. (You may not use the voting instruction form provided by your broker or nominee to vote in person at the Meeting.)

Votes cast by proxy or in person at the Meeting will be tabulated by the election inspector appointed for the Meeting and will determine whether or not a quorum is present. The election inspector will treat abstentions as shares that

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

are present and entitled to vote but as not voted for purposes of determining the approval of any matter submitted to the stockholders for a vote. Abstentions will have the same effect as negative votes. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter ("Broker Non-Votes"), those shares will not be considered as present and entitled to vote with respect to that matter.

Properly executed proxies will be voted in the manner directed by the stockholders. If no direction is indicated, such proxies will be voted FOR the election of the nominees named under the caption "Election of Directors" as set forth therein as a director of the Company, and FOR the ratification of the selection of BDO Seidman, LLP as the Company's independent auditors. If a quorum is present at the Meeting, directors will be elected by a plurality of the votes cast. The ratification of the selection of auditors requires an affirmative vote by holders of a majority of the shares present at the Meeting in person or by proxy and entitled to vote. Any proxy may be revoked by the stockholder at any time prior to the voting thereof by notice in writing to the Secretary of the Company, either prior to the Meeting (at the above address) or at the Meeting if the stockholder attends in person. A later dated proxy will revoke a prior dated proxy.

As of the date of this Proxy Statement, the Board of Directors knows of no other business which will be presented for consideration at the Meeting. If other proper matters are presented at the Meeting, however, it is the intention of the proxy holders named in the enclosed form of proxy to take such actions as shall be in accordance with their best judgment.

The information contained in this Proxy Statement relating to the occupations and security holdings of directors and officers of the Company and their transactions with the Company is based upon information received from each individual as of July 13, 2007.

The Company is required to report to stockholders those directors, officers and beneficial owners of more than 10% of any class of the Company's equity securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), who fail to file timely reports of beneficial ownership and changes in beneficial ownership, as required by Section 16(a) of the Exchange Act. Based solely upon a review of copies of such reports furnished to the Company, the Company believes that all persons subject to the reporting requirements of Section 16(a) of the Exchange Act timely filed all necessary reports during the fiscal year ended April 30, 2007.

I. ELECTION OF DIRECTORS

Pursuant to the Company's Certificate of Incorporation, the Board of Directors is divided into three classes of directors, each serving overlapping three-year terms. The term of Class I director (Mr. Rieck) expires in 2009; the terms of Class II directors (Messrs. Chen and Zemenick) expire in 2007; and the terms of Class III directors (Messrs. Fairhead, Sove and Vyas) expire in 2008. All directors of each class will hold their positions until the annual meeting of stockholders in the year indicated above, at which time the terms of the directors in such class expire, or until their respective successors are elected and qualify, subject in all cases to any such director's earlier death, resignation or removal.

William L. McClelland did not stand for reelection when his term as a Class I director expired at the 2006 Annual Meeting of Stockholders. The Board of Directors did not fill the vacancy left by the departure of Mr. McClelland. The Board of Directors decided to reduce the number of directors from seven members to six members and to re-designate as of the 2008 Annual Meeting of Stockholders one of the Class III directors as a Class I director. Upon redesignation as a Class I director in 2008, that director will hold office until the expiration of the term of the current Class I director at the 2009 Annual Meeting of Stockholders.

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

If a quorum is present at the Meeting, two Class II directors will be elected by a plurality of the stockholder votes cast at the Meeting, each director to serve until the 2010 annual meeting of stockholders or until his successor shall be elected and qualified, subject to his earlier death, resignation or removal. Abstentions and Broker Non-Votes will have no effect on the vote. Shares represented by executed proxies will be voted, if the authority to do so is not withheld, for the election of the nominees named below. The stockholders do not have cumulative voting rights with respect to the election of directors. The following persons have been nominated:

II. PROPOSAL TO RATIFY SELECTION OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Board of Directors will recommend at the Annual Meeting that the stockholders ratify the appointment of the firm of BDO Seidman, LLP to audit the accounts of the Company for the current fiscal year. Representatives of that firm are expected to be present at the Annual Meeting, have the opportunity to make a statement if they desire to do so, and be available to respond to appropriate questions. BDO Seidman, LLP was recommended by the Audit Committee and the Board of Directors for the fiscal year 2007. In March 2006 the Board of Directors dismissed

4

Grant Thornton LLP and engaged BDO Seidman, LLP as the Company's auditors. The principal accountant's report on the financial statements was unqualified for fiscal year 2006 and 2007.

THE BOARD RECOMMENDS THAT STOCKHOLDERS VOTE IN FAVOR OF RATIFICATION OF THE SELECTION OF BDO SEIDMAN, LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING APRIL 30, 2008.

In connection with the audits for the years ended April 30, 2007 and 2006, the Company has had no disagreements with BDO Seidman, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of BDO Seidman, LLP would have caused it to make reference thereto in its report on the consolidated financial statements for 2007 and 2006.

The ratification of the selection of auditors requires an affirmative vote by holders of a majority of the shares present at the Meeting in person or by proxy and entitled to vote. Abstentions and Broker Non-Votes will have the same effect as negative votes.

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

Vyas and Zemenick are independent under the rules of the Nasdaq Stock Market, Inc. As a result, our Board currently has a majority

5

of independent directors under the rules of the Nasdaq Stock Market, Inc. Our Board of Directors has determined that our independent directors shall have regularly scheduled meetings at which only the independent directors are present. Generally, the independent directors meet quarterly.

DIRECTOR COMMITTEES; BOARD MEETINGS

The Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating Committee. The Audit Committee Charter, Compensation Committee Charter and the Nominating Committee Charter are available on the Company's website at www.sigmatronintl.com. The Company believes that the composition of these committees meets the criteria for independence under, and the functioning of these committees complies with, the applicable requirements of, the Sarbanes-Oxley Act of 2002, the current listing standards of the Nasdaq Stock Market, Inc. and the Securities and Exchange Commission's rules and regulations.

The functions of the Audit Committee include: (1) selection, evaluation and, where appropriate, replacement of the Company's independent accountants; (2) pre-approval of audit and permitted non-audit services to be performed by the independent accountants; (3) review of the scope of the audit; (4) reviewing, with the independent accountants, the corporate accounting practices and policies and recommending to whom reports should be submitted within the Company; (5) reviewing the final report of the independent accountants; (6) reviewing accounting controls; and (7) being available to the independent accountants and management for consultation purposes. The Audit Committee is comprised of three members: Messrs. Rieck, Sove (Chairman) and Vyas. The Board of Directors has determined that each of the members of the Audit Committee is independent as defined by the Nasdaq Stock Market, Inc. listing standards and the rules of the Securities and Exchange Commission. Mr. Rieck has been determined to be an Audit Committee financial expert as defined in Item 401 of Regulation S-K promulgated under the Exchange Act. The Board of Directors has adopted a written charter for the Audit Committee. The report of the Audit Committee to the Stockholders is included in this Proxy Statement under the heading "Report of the Audit Committee."

The functions of the Compensation Committee are to review and recommend to the Board of Directors annual salaries and bonuses for all executive officers of the Company, to review and recommend to the Board of Directors compensation for the Directors, to review and recommend to the Board of Directors the terms and conditions of all employee benefit plans or changes thereto and to administer the Company's stock option plans. Messrs. Chen, Rieck (Chairman), and Zemenick are members of the Compensation Committee. The Board of Directors has determined that each of the members of the Compensation Committee is independent under the listing standards of the Nasdaq Stock Market, Inc.

The functions of the Nominating Committee are to (1) review and recommend to the Board of Directors the size and composition of the Board and a slate of nominees for each election of members to the Board of Directors; (2) review and recommend changes to the number, classification, and term of directors; (3) identify and recommend to the Board candidates to fill appointments to Board committees; (4) develop, assess and make recommendations to the Board concerning appropriate corporate governance policies; (5) to identify and recommend to the Board candidates to fill a vacancy in the offices of President and Chief Executive; and (6) to review nominations by stockholders with regard to the

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

nomination process and to establish the procedures by which stockholder candidates will be considered. The members of the Nominating Committee are Messrs. Chen (Chairman), Vyas and Zemenick. The current Board of Directors has determined that each of the members of the Nominating Committee is independent under the Nasdaq Stock Market, Inc. listing standards.

In evaluating and determining whether to recommend a person as a candidate for election as a director, the Nominating Committee's criteria reflects the requirements of the recently adopted Nasdaq rules with respect to independence as well as the following factors: the needs of the Company with respect to the particular talents and experience of its directors; personal and professional integrity of the candidate; the level of education and/or business experience of the candidate; broad-based business acumen of the candidate; the candidate's level of understanding of the Company's business and the electronic manufacturing services industry; the candidate's abilities for strategic thinking and willingness to share ideas; and the Board of Directors' need for diversity of experiences, expertise and background. The Committee will use these criteria to evaluate all potential nominees.

The Nominating Committee will consider proposed nominees whose names are submitted to it by stockholders. The Nominating Committee has not adopted a formal process for that purpose because it believes that the

6

Committee's process for considering information has been and remains adequate. Historically, stockholders have not proposed any nominees. The Nominating Committee intends to review periodically whether a formal process should be adopted. To be considered, all stockholder nominations must comply with the notice provisions of the Company's by-laws, which generally require that such notice be received by the Secretary of the Company not less than 60 days and not more than 90 days prior to a regularly scheduled annual meeting of stockholders, or within 10 days after receipt of notice of an annual meeting of stockholders if the date of such meeting has not been publicly disclosed within 70 days prior to the meeting date.

The Board of Directors held eight meetings either in person or by telephone conference during the fiscal year ended April 30, 2007. The Compensation Committee held five meetings in person or by telephone conference and the Audit Committee held eight meetings in person or by telephone conference during fiscal 2007. The Nominating Committee held one meeting during fiscal 2007. All directors attended at least 75% of the meetings of the board and each of the committees of which they were members. The Company has a policy of encouraging all directors to attend the annual meeting of stockholders. All directors attended the Company's 2006 annual meeting of stockholders.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE OF CONTROL AGREEMENTS

The Company adopted an Amended and Restated Change-in-Control Severance Payment Plan on May 30, 2002 (the "CIC Plan"), which covers Named Executive Officers and certain other officers of the Company (each a "CIC Participant"). Under the terms of the CIC Plan, each CIC Participant is entitled to the payment of severance pay in the event such CIC Participant's employment with the Company is involuntarily terminated within twenty-four months of a change of control of the Company.

In general, for purposes of the CIC Plan, a change of control will be deemed to have occurred when (a) any entity, person or group other than Cyrus Tang or his affiliates, acquires more than thirty percent of the outstanding stock entitled to vote for directors of the Company, (b) as a result of or in connection with certain corporate transactions identified in the CIC Plan, the identity of a majority of the members of the Board of Directors immediately before such transaction changes immediately after the transaction, (c) the merger, consolidation, or share exchange of the Company, or (d) a sale of all or substantially all of the Company's assets. In general, a CIC Participant's employment will be deemed to have been involuntarily terminated under the CIC Plan, in the event of such employee's termination by the Company for a reason other than (w) for cause (as defined in the Plan), (x) death, (y) disability, or (z) that employee's voluntary retirement or resignation except on account of the reasons set forth in the agreement (which in general would result in a constructive discharge).

Disputes concerning the CIC Plan and benefits under the CIC Plan are subject to arbitration.

The CIC Plan provides for automatic reduction of the amounts to be paid out under the plan in the event such amounts would constitute "parachute payments" under the Internal Revenue Code. Payments under the CIC Plan are also subject to an aggregate cap equal to 15% of the market value of the Company's outstanding capital stock on such date in the event the employment of one or more of the CIC Participants is terminated voluntarily or involuntarily within seven days after the change-in-control.

10

POTENTIAL SEVERANCE PAYMENTS UPON CHANGE-IN-CONTROL

The following table describes approximate potential severance payments under the CIC Plan to which the Named Executive Officers would be entitled upon change-in-control of the Company, assuming that the change in control of the Company occurred on April 30, 2007 and that our common stock is valued at \$9.44, which was the closing market price for our common stock on April 30, 2007. The actual amount of payments can only be determined at the time of a change-in-control and will vary from the estimated amounts in the table below.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Following is the 2007 Compensation Discussion and Analysis, which is a discussion of the Company's executive compensation programs and policies written from the perspective of how the Compensation Committee and management view and use such policies and programs. Given the Compensation Committee's role in providing oversight to the design of those programs and policies, and in making specific compensation decisions for Named Executive Officers (those individuals identified in the Summary Compensation Table on page 8) and other key employees using those policies and programs, the Compensation Committee initiated preparation of the Compensation Discussion and Analysis, reviewing successive drafts of the document, and then participated with management in finalizing the document. After the Committee discussed the Compensation Discussion and Analysis with management, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement.

 Carl Zemenick

2007 COMPENSATION DISCUSSION AND ANALYSIS

General Philosophy. We compensate our Named Executive Officers primarily through a combination of base salary and bonus and, secondarily, depending upon availability, equity compensation, in an effort to be competitive with comparable employers and, at the same time, to align management's incentives with the long-term interests of our stockholders. At the senior-most levels,

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

incentive compensation is heavily-weighted on Company-wide performance based primarily upon a return on invested assets. At lower levels, incentive compensation is to reward the achievement of specific operational goals within areas under the control of the relevant employees, although Company-wide performance is also a factor.

Base Salaries. We attempt to set salaries competitive with salaries paid to executives with similar responsibilities at comparable electronic manufacturing service companies. We make some industry-related comparisons including companies referenced on the Stock Price Performance Graph on page 13; we do not presently use any other market data, nor do we presently engage any compensation specialists. We are mindful of the differing levels of competition for employees in our various geographic locations. Company-wide cost-of-living increases are generally made annually.

Bonuses. We award performance bonuses based primarily upon overall Company performance, on specific location performance, and on individual performance. The performance bonus is entirely discretionary. There are no specific performance objectives other than to continuously increase Company profitability. Our wide geographic footprint, the relatively new start-up operations in China, Tijuana and Hayward, and fluctuating profitability (for various reasons) make it difficult to establish Company-wide specific performance objectives at this time. The Company informally refers to a return on invested assets benchmark when considering performance bonuses, the general concept being that performance bonuses should only be awarded after stockholder value has been enhanced. When in our opinion performance bonuses haven't been earned we sometimes award a retention payment to retain and incentivize key employees who we believe are integral to the Company's success. We usually require that such a retention payment be repaid in the event the key employee voluntarily terminates employment within a period of time after receipt of the award.

Equity Compensation. Historically, we have awarded qualified stock options across-the-board to Company employees after fiscal year end. As of April 30, 2007, there are only 53,464 options available to grant. At the present time the Company is not planning to increase the number of options available to grant. These options are generally used for two purposes: first, they are informally reserved for award to new higher-level employees in an effort to induce them to join the Company and to immediately align their interests with those of the stockholders; and second, when available, options are granted to key employees as incentive compensation based upon their salary level, performance, potential and impact on Company performance. The exercise price of all options granted by the Company in the 2007 fiscal year has been the closing price of the Company's stock on the date of grant, and fair market value is based upon that price. The timing of the grants is not coordinated with the release of material non-public information. Those option grants customarily vest incrementally over a three to five year period. The

14

Company adopted SFAS 123(R) on May 1, 2006 and implemented the new accounting standard for stock options utilizing the modified prospective application transition method. As of April 30, 2007, there was approximately \$68,500 of unrecognized compensation cost related to the Company's stock option plans. This compensation cost is being amortized over a three year period on a straight line basis.

Other Benefits. Named Executive Officers participates in the Company's other benefit plans on the same terms as other employees. These plans include group medical and dental insurance, voluntary life and disability insurance, and

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

a 401(k) plan, to which the Company annually matches employee contributions to \$300 per employee. Relocation and other benefits are individually negotiated when they occur.

Change in Control Severance Payment Plan. The Company adopted an Amended and Restated Change-in-Control Severance Payment Plan on May 30, 2002 (the "CIC Plan"), which covers Named Executive Officers and certain other officers of the Company. The CIC Plan is described in detail elsewhere in this Proxy Statement. Relative to the overall value of the Company, these potential change in control benefits are relatively minor and are capped as a group. We believe that the benefits under the CIC Plan are consistent with the general practice among comparable employers, although we have not conducted a study to confirm this.

Board Process. The President and Chief Executive Officer meets periodically with the Compensation Committee throughout the year on various compensation issues. The President and Chief Executive Officer, keeping in mind the Company's compensation philosophy and practice, makes the initial bonus and stock option, if any, and other benefit change recommendations to the Compensation Committee. Thereafter the Compensation Committee meets to review the recommendations, separately and with the President and Chief Executive Officer. The Compensation Committee makes the recommendation for the President and Chief Executive Officer based upon the philosophy described above. After further deliberation, the Compensation Committee thereafter submits its recommendations of the proposed compensation and other awards to officers and other key employees to the entire Board of Directors which makes the final decision on all compensation issues except for stock options, which, until May 1, 2007, was the exclusive decision of the Committee. On May 1, 2007, the Board adopted the Compensation Committee Charter (accessible on the Company's website www.sigmatronintl.com) which provides that the Compensation Committee will recommend stock option awards to the entire Board, which will make the final decision on all compensation issues.

COMPENSATION OF NAMED EXECUTIVES.

President and Chief Executive Officer -- Mr. Fairhead has been President and Chief Executive Officer of the Company since its inception in 1990. His total 2007 fiscal year compensation of \$188,213 increased by 3.7% from the 2006 fiscal year solely for a cost-of-living increase similar to the increase granted to most Company employees. The Committee has recommended that Mr. Fairhead not be awarded a performance or retention bonus for fiscal years 2006 and 2007, based on the performance of the Company consistent with Mr. Fairhead's and the Company's pay for performance policy. Notwithstanding the non-payment of a bonus, Mr. Fairhead remains committed to the Company's long-term prospects and success.

Chief Financial Officer -- Ms. Blake has been Chief Financial Officer of the Company since 1994. Her total 2007 fiscal year compensation of \$162,710 increased by 27.5% from the 2006 fiscal year. Her base salary in fiscal 2007 increased 4.1% solely for a cost-of-living increase similar to the increase granted to most Company employees. The Committee has recommended that Ms. Blake be awarded a discretionary retention payment of \$30,000 in fiscal 2007, primarily as a result of additional responsibilities as a result of Sarbanes-Oxley compliance and the acquisition of Able Electronics Corp. ("Able").

Executive Vice President -- Operations -- Mr. Gregory A. Fairhead joined the Company in 1991 in charge of manufacturing, and is now Executive Vice President -- Operations, with primary responsibility for operations in Acuna, Mexico and Elk Grove Village, Illinois. His total 2007 fiscal year compensation of \$219,934 increased by 3% from the 2006 fiscal year. His base salary in fiscal 2007 increased approximately 3.7% solely for a cost-of-living increase similar to the increase granted to most Company employees. The Committee has recommended that Mr. Fairhead be awarded a discretionary retention payment of \$40,000 in

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

fiscal 2007 because of the success of the operating units for which Mr. Gregory Fairhead is primarily responsible.

Executive Vice President -- Hayward Operations -- Mr. Upadhyaya was an officer of the Company's former affiliate, SMTU, located in Fremont, California. After the remaining minority interest in SMTU was acquired by the

15

Company and SMTU was liquidated in late 2004, Mr. Upadhyaya became Executive Vice President of Fremont Operations. After the Able acquisition and consolidation of the Fremont and Hayward operations into a single location in Hayward, California, Mr. Upadhyaya became Executive Vice President of Hayward and Tijuana Operations. His total 2007 fiscal year compensation of \$259,530 decreased by 18.7% from the 2006 fiscal year. Mr. Upadhyaya's total compensation in fiscal years 2005, 2006 and 2007 included a bonus in conjunction with SMTU. The SMTU bonus was greater in 2006 compared to 2007, resulting in a decrease in total compensation for 2007. Mr. Upadhyaya's base salary in fiscal 2007 increased 14.7% in an effort to bring his salary consistent with salary levels for executives with similar responsibilities in the Silicon Valley and for cost-of-living increase similar to the increase granted to most Company employees. The Committee has recommended that Mr. Upadhyaya be awarded a discretionary retention payment of \$30,000 in fiscal 2007 because of the increased responsibilities for both the Hayward and Tijuana locations.

Vice President -- China Operations -- Daniel P. Camp. Mr. Camp joined the Company as Director of Operations, Mexico, in 1994, and is now Vice President - China Operations. His total 2007 fiscal year compensation of \$183,406 increased by 9.1% from the 2006 fiscal year. His base salary in fiscal 2007 increased 3.6% for a cost-of-living increase similar to the increase granted to most Company employees. The Committee has recommended Mr. Camp be awarded a discretionary retention payment of \$30,000 in fiscal 2007 because of the success of the operating unit for which he is responsible.

CERTAIN TRANSACTIONS

There are no reportable related party transactions.

RELATED PERSON TRANSACTION POLICY

The Board has adopted a written policy addressing the Company's procedures with respect to the review, approval and ratification of "Related Person Transactions" that are required to be disclosed pursuant to Item 404(a) of Regulation S-K. Related Person Transaction means any transaction involving an amount in excess of \$120,000 in which the Company is a participant and in which a Related Person has or will have a direct or indirect material interest.

To identify Related Person Transactions, each year the Company requires its Executive Officers, directors and nominees to complete an annual questionnaire which seeks information relating to any potential Related Person Transaction involving themselves and their immediate family members that are known to them. The Audit Committee will evaluate identified Related Person Transactions, which will be approved or ratified (i) by the Audit Committee or (ii) if the Audit Committee determines that the approval or ratification should be considered by all of the disinterested directors, by a majority vote of the disinterested directors. In its review of Related Person Transactions, the Audit Committee or

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

the disinterested directors will consider all factors that they believe are relevant to the Related Person Transaction, including the following: (i) the nature and extent of the Company's participation in the transaction; (ii) the size of the transaction and the amount payable to the Related Person; (iii) the nature of the interest of the Related Person in the transaction; (iv) whether the transaction involves a conflict of interest or the appearance of a conflict of interest; and (v) whether the transaction involves the provision of goods or services to the Company that are available from unaffiliated third parties and, if so, whether the transaction is on terms and made under circumstances that are at least as favorable to the Company as would be available in comparable transactions with or involving unaffiliated third parties.
