ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

Except as otherwise indicated in this Statement on Schedule 13D, 5,065,517 of the shares of MHC Common Stock reported as beneficially owned by ProAssurance, Professionals Group and ProNational were acquired as of July 1, 1999 in connection with the conversion of Michigan Educational Employees Mutual Insurance Company, a Michigan domiciled specialty writer of personal automobile and homeowners coverages for teachers and other members of the educational community in Michigan ("MEEMIC"). Of these shares of MHC Common Stock, 2,302,209 were acquired upon the conversion of a promissory note issued by MEEMIC to ProNational on April 7, 1997. As of the date of conversion, the promissory note had a principal balance of \$21,500,000 and accrued and unpaid interest of \$1,522,090. Another 2,763,308 of these shares of MHC Common Stock were purchased for cash at a price of \$10 per share.

The sources of the funds used to acquire all shares of MHC Common Stock reported as beneficially owned by ProAssurance, Professionals Group and ProNational in this Schedule 13D were working capital and other funds of ProNational.

Edgar Filing: MEEMIC HOLDINGS INC - Form SC 13D

ProAssurance on June 27, 2001. The consolidation was consummated through the mergers of two wholly owned subsidiaries of ProAssurance with and into Medical Assurance and Professionals Group, with Medical Assurance and Professionals Group being the surviving corporations of the mergers as wholly-owned subsidiaries of ProAssurance. Upon consummation of the consolidation, each outstanding share of common stock, no par value per share, of Professionals Group was converted into the right to receive, at the holder's election, (i) .897 of a share of ProAssurance common stock, par value \$0.01, plus \$13.47 in cash, or (ii) \$27.47 in cash. On June 28, 2001, ProAssurance common stock began trading on the New York Stock Exchange under the symbol "PRA" and the common stock of Professionals Group and Medical Assurance was delisted from the Nasdaq National Market and New York Stock Exchange, respectively.

On June 8, 2001, the Board of Directors of ProAssurance elected to terminate the Change of Control Agreements with certain executives of Professionals Group and MHC and to offer the covered executives new severance compensation agreements on terms that the board believed would be more favorable to ProAssurance. The Change of Control Agreements provided for the payment of severance benefits in the event of the involuntary or constructive termination of employment of a covered executive after a transaction involving a change of control of Professionals Group or MHC. The Change of Control Agreements further provided that the severance benefits would vest and be payable to a covered executive upon termination of the Change of Control Agreements. In order to effect the termination of the old Change of Control Agreements and the substitution of new severance compensation agreements, the Board of Directors of ProAssurance directed MHC and Professionals Group to require each covered executive to make his or her choice prior to completion of the consolidation of either (i) receiving his or her severance benefits under the old Change of Control Agreement, in which event the employment of the covered executive would be terminated upon the effective date of the Consolidation, or (ii) continuing in the employment of Professionals Group or MHC under a new severance compensation agreement on the condition that the executive agree to terminate his old Change of Control Agreement and release any claims that he or she may have for severance benefits thereunder.

On July 2, 2001, MHC announced that R. Kevin Clinton, chief executive officer of MHC, and Annette Flood, chief operating officer of MHC, elected to terminate their employment with MHC and receive benefit payments under their change of control agreements with MHC. MHC also announced that Victor T. Adamo, vice-chairman and president of ProAssurance, will serve as interim chief executive officer until a replacement is found. ProAssurance will work together with the board of directors of MHC to find suitable replacements to fill these vacancies.

The shares of MHC Common Stock reported as beneficially owned by the directors and executive officers of ProAssurance, Professionals Group, and ProNational were acquired in connection with the conversion of MEEMIC and through stock option grants from MHC.

Edgar Filing: MEEMIC HOLDINGS INC - Form SC 13D

ProAssurance and its subsidiaries and their respective directors and executive officers may purchase additional shares of MHC common stock from time to time in the open market or in privately negotiated transactions subject to certain limitations set forth in Section 2 of Article VIII of MHC's Articles of Incorporation. See Item 6.

Except as otherwise described in this Statement on Schedule 13D, ProAssurance, Professionals Group, ProNational, and their directors and executive officers do not presently have any plans or proposals which relate to or would result in, (a) the acquisition by any person of additional securities of MCH or the disposition of securities of MCH; (b) an extraordinary corporate transaction (such as a merger, reorganization or liquidation) involving MCH or any of its subsidiaries; (c) a sale or transfer of a material amount of the assets of MCH or any of its subsidiaries; (d) any change in the present board of directors or management of MCH (including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board of MCH); (e) any material change in the present capitalization or dividend policy of MCH; (f) any material change in the business or corporate structure of MCH; (g) any changes in the charter or bylaws (or instruments corresponding thereto) of MCH or other actions which may impede the acquisition of control of MCH by any person; (h) causing a class of securities of MCH to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of MCH becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to any of those enumerated in this paragraph.
