Table of Contents

This report contains statements as to the Company's beliefs and expectations of the outcome of future events that are forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995. These forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from the statements made. Such factors include, but are not limited to: (i) the Company's ability to obtain management contracts for which it has submitted proposals, to retain existing contracts and to renew such contracts at increased rates; (ii) the timing and costs of expansions of existing facilities; (iii) changes in governmental policy to eliminate or discourage the privatization of corrections and detention services in the United States; (iv) the availability of debt and equity financing on terms that are favorable to the Company, including a successful refinancing of the Company's senior bank credit facility; and (v) fluctuations in operating results because of changes in occupancy levels, competition, increases in cost of operations, fluctuations in interest rates and risks of operations. Other factors that could cause operating and financial results to differ are described in the filings made from time to time by the Company with the SEC. The Company does not undertake any obligation to release publicly any revisions to forward-looking statements made by it to reflect events or circumstances occurring after the date hereof or the occurrence of unanticipated events.
