**PROXY STATEMENT FOR 2003 ANNUAL MEETING**

\*\*\*\*\*

The Board of Directors of Pinnacle Financial Partners, Inc. (the Company) is furnishing this proxy statement in connection with its solicitation of proxies for use at the 2003 Annual Meeting of Shareholders (the Meeting) to be held on Tuesday, April 15, 2003, and at any adjournments of the meeting. The enclosed proxy is solicited by the Board of Directors of the Company.

The close of business on February 24, 2003, is the record date for the determination of shareholders entitled to notice of and to vote at the meeting. We first mailed this proxy statement and the accompanying proxy card to shareholders on March 17, 2003.

As of the close of business on the record date, the Company had 10,000,000 shares of common stock, \$1.00 par value authorized, of which 3,692,053 shares were issued and outstanding. Each issued and outstanding share is entitled to one vote on all matters presented at the meeting.

**OTHER MEETING AND VOTING INFORMATION**

*Proxy Voting Procedures*

If you properly sign, return and do not revoke your proxy, the persons appointed as proxies will vote your shares according to the instructions you have specified on the proxy card. If you sign and return your proxy card but do not specify how the persons appointed as proxies are to vote your shares, your proxy will be voted FOR the election of the director nominees and in the best judgment of the persons appointed as proxies as to all other matters properly brought before the meeting. If any nominee for election to the Board of Directors named in this proxy statement becomes unavailable for election for any reason, the proxy will be voted FOR a substitute nominee selected by the Board of Directors.

You can revoke your proxy at any time before it is voted by delivering to Mr. Hugh M. Queener, Corporate Secretary, Pinnacle Financial Partners, Inc., 211 Commerce Street Suite 300, Nashville, Tennessee 37201, either a written revocation of the proxy or a duly executed proxy bearing a later date. You may also revoke your proxy by attending the meeting and voting in person.

*Shareholder Approval Requirements*

A quorum will be present at the meeting if at least 1,846,027 shares are represented in person or by valid proxy at the Meeting, which is a majority of the Company's outstanding shares of common stock. According to Tennessee law and the Company's charter and by-laws, the aggregate number of votes entitled to be cast by all shareholders present in person or represented by proxy at

**Table of Contents**

the Meeting, whether those shareholders vote for , against or abstain from voting, and broker non-votes will be counted for purposes of determining whether a quorum is present.

Election of directors. The election of each director nominee requires the favorable vote of a plurality of all votes cast at the Meeting. To be elected, a director nominee must receive more votes than any other nominee for the same seat on the Board of Directors. Only those votes actually cast FOR the election of a director, however, will be counted for purposes of determining whether a particular director nominee received sufficient votes to be elected. Abstentions (withhold authority) and broker non-votes on returned proxies and ballots will not be counted as FOR a nominee. As a result, if you withhold your vote as to one or more nominees, it will have no effect on the outcome of the election unless you cast that vote for a competing nominee. At the present time we do not know of any competing nominees.

Other Matters. Any other matter that may properly come before the annual meeting requires the number of votes cast in favor of the matter to exceed the number of votes cast against the matter. A shareholder who is present in person or by proxy at the annual meeting and who abstains from voting on any or all of these proposals will not be counted as in favor or against the matter. As a result, such abstentions will have no effect on the outcome of the voting on the matter.

Proxies that brokers do not vote on one or more proposals but that they do vote on others are referred to as broker non-votes with respect to the proposal(s) not voted upon. Broker non-votes are included in determining the presence of a quorum. A broker non-vote, however, will have no effect on the vote on any matter before the meeting.

*Proxy Solicitation*

The Company will pay the cost of proxy solicitation. Our directors, officers and employees may, without additional compensation, solicit proxies by personal interview, telephone, fax, or otherwise. We will direct brokerage firms or other custodians, nominees or fiduciaries to forward our proxy solicitation material to the beneficial owners of common stock held of record by these institutions and will reimburse them for the reasonable out-of-pocket expenses they incur in connection with this process.

*Shareholder Proposals for Next Year's Meeting*

In order for shareholder proposals for the 2004 Annual Meeting of Shareholders to be eligible for inclusion in the Company's 2004 Proxy Statement, all such proposals must be mailed to Hugh M. Queener, executive vice president, Corporate Secretary, Pinnacle Financial Partners, Inc., 211 Commerce Street, Suite 300, Nashville, Tennessee 37201, and must be received no later than the close of business December 16, 2003. After this date, a shareholder who intends to raise a proposal to be acted upon at the 2004 Annual Meeting of Shareholders, but who does not desire to include the proposal in the Company's 2004 Proxy Statement, must inform the Company in writing no later than February 11, 2004. If notice is not provided by that date, the Board may exclude such proposals from being acted upon at the 2004 Annual Meeting of Shareholders. Further, if the Board elects not to exclude the proposal from consideration at the meeting (although not included in the Proxy Statement), the persons named as proxies in the Company's proxy for the 2004 Annual Meeting of Shareholders may exercise their discretionary authority to act upon any such proposal.

**Table of Contents**

**PROPOSAL #1: ELECTION OF DIRECTORS**

The Company's Bylaws provide that the Board shall consist of not less than five (5) nor more than twenty-five (25) directors, and shall be divided into three classes, each class to be as nearly equal in number as practicable. Currently, the Company's Board has 12 members.

The terms for four (4) directors expire at the 2003 Meeting. These directors are Messrs. Polley, Shaub, Smith and Turner. The nomination of these directors for their re-election to another three-year term has been approved by the Board. There are four (4) other directors whose terms expire at the 2004 annual meeting and four (4) directors whose terms expire at the 2005 annual meeting. In each case, directors are elected until their respective successors are duly elected and qualified. At each annual meeting, one class of directors is elected for a three-year term.

Unless a proxy specifies otherwise, the persons named in the proxy will vote the shares covered thereby **FOR** the nominees as listed. Each nominee has consented to be a candidate and to serve, if elected. While the Board has no reason to believe that any nominee will be unavailable, if such an event should occur, it is intended that such shares will be voted for substitute nominee(s) as selected by the Board.

Pursuant to the Bylaws of the Company, any shareholder may nominate for election to the Company's Board a shareholder(s), including themselves, provided that the nomination is received by the Secretary of the Company no later than March 27, 2003. Each nomination submitted in this manner shall include the name and address of the nominee(s) and all other information with respect to the nominee as required to be disclosed in the proxy statement for the election of directors under applicable rules of the Securities and Exchange Commission, including the nominee's consent to being named as a nominee and to serving as a director, if elected. Additionally, the nominating shareholder must provide his or her name and address as it appears in the stock records of the Company and the number of shares of common stock beneficially owned.

All of the Company's Directors also currently serve as directors of the Company's wholly-owned subsidiary, Pinnacle National Bank (the Bank), Nashville, Tennessee.

We believe that bonuses are a valuable tool in motivating an employee base that is focused on providing our customers effective financial advice and increasing shareholder value. As a result, and in what we believe differentiates us from many other financial institutions, substantially all of our employees are eligible for variable pay (bonus) incentives. These incentives are awarded pursuant to an annual plan approved by the Human Resources and Nominating Committee of the Board of Directors. This plan requires the Company to achieve certain financial goals for the calendar year in order for a payment of any annual award to any employee. These financial goals include a limitation as to the maximum level of criticized assets and the achievement of a certain

**Table of Contents**

level of pre-tax earnings. Each employee who is eligible for an award is given a target of 10% to 50% of their base pay at the beginning of the year. This percentage decreases or increases should the financial goals not be met or exceeded. The Human Resources and Nominating Committee may, at their discretion, award an additional 5% to an employee based on individual accomplishment. Included in the year ended December 31, 2002 are \$720,000 in costs related to these variable pay awards, of which \$267,000 was awarded to the above-Named Executive Officers. The variable pay pool for 2002 provided an incentive award of target plus an additional 20% to all employees, except for the Named Executive Officers. Thus, a 10% target award received 12% and a 20% target received 24%. The Named Executive Officers' awards were essentially equal to 67% of their established target award. The awards for 2001 and 2000, which were all less than target, amounted to \$50,000 and \$84,000, respectively. The incentive plan for 2003 is structured similarly to that of 2002 with there being a limitation as to the Company's maximum amount of criticized assets and the achievement of a certain earnings per share for the year.

**Option Grants in 2002.** The following table sets forth information concerning stock options granted in 2002 to the Named Executive Officers listed above under the Company's 2000 Stock Incentive Plan. In April of 2002, the Company engaged the accounting firm of KPMG LLP ( KPMG ) as the auditors of the Company s December 31, 2002 financial statements. This engagement also included reviews of the Company s Quarterly Reports on Form 10-QSB for the year ended December 31, 2002. The Audit Committee of the Board of Directors of the Company have approved the appointment of KPMG LLP to serve as the Company s independent auditors for the Company for the year ending December 31, 2003. The Audit Committee considered the background, expertise and experience of the audit team assigned to the Company and various other relevant matters, including the proposed fees for audit services. A representative of KPMG LLP will be present at the Meeting and will be given the opportunity to make a statement if he desires and will be available to respond to appropriate questions from shareholders.

Arthur Andersen LLP served as the Company s auditors prior to April 2002. On April 8, 2002 the Board of Directors of the Company determined to dismiss its independent accountants, Arthur Andersen LLP ( Andersen ) and appointed KPMG as its new independent accountants, effective immediately. This determination followed the Company s decision to seek a proposal from KPMG to audit the Company s financial statements for the fiscal year ending December 31, 2002. The decision to change accountants was approved by the Company s Board of Directors upon the recommendation of its Audit Committee.

During the period from February 28, 2000 (inception) through December 31, 2000, the most recent fiscal year ended December 31, 2001 and for the subsequent period through April 8, 2002, there were no disagreements between the Company and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Andersen s satisfaction would have caused them to make reference to the subject matter of the disagreement in connection with their reports.

None of the reportable events described under Item 304(a)(1)(iv)(B) of Regulation S-B occurred within the period from February 28, 2000 (inception) through December 31, 2000, the most recent fiscal year ended December 31, 2001 and for the subsequent period through April 8, 2002.

The audit reports of Andersen on the consolidated financial statements of the Company as of and for the periods ended December 31, 2001 and 2000 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During Pinnacle s two fiscal years ended December 31, 2001, and the subsequent period through April 8, 2002, the Company did not consult with KPMG regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-B.

Subsequently, in May of 2002, and in contemplation of the Company s follow-on public stock offering, the Company engaged KPMG to re-audit the consolidated financial statements of the Company as of and for the periods ended December 31, 2001 and 2000.

Arthur Andersen LLP billed the

Company \$4,000 during the year ended December 31, 2002 in order to provide KPMG access and copies of certain relevant prior year audit working papers.

**Financial Information Systems Design and Implementation Fees.** No fees were billed by KPMG or Andersen for professional services rendered for information technology services relating to financial information systems design and implementation for the year ended December 31, 2002.

**All Other Fees.** The aggregate fees billed by KPMG for services rendered to the Company, other than the services described above for the year ended December 31, 2002, were \$99,000. This includes fees which were incurred for services rendered in connection with the filing of the Company's Federal and state tax returns (\$9,000). The remaining \$90,000 was audit-related fees which were incurred in connection with the Company's follow-on stock offering and included the re-audit of the Company's consolidated financial statements for the fiscal years ended December 31, 2001 and 2000. The Audit Committee considered these fees and concluded that the performance of these services was consistent with KPMG's independence.

**OTHER MATTERS**

The Board of Directors of the Company knows of no other matters that may be brought before the Meeting. **PINNACLE FINANCIAL PARTNERS, INC.  
Audit Committee Charter**

**General**

The Audit Committee (the "Committee") of the Board of Directors of Pinnacle Financial Partners, Inc. (the "Company") shall consist of at least three directors, all of whom shall be independent. Members of the Committee shall not receive any compensation from the Company except for their board or committee service, and shall also satisfy the requirements for independence established by the Nasdaq Stock Market. As determined by the Board of Directors, the members of the Committee will be financially literate with at least one having experience or background sufficient to be an audit committee financial expert as defined by the Securities and Exchange Commission. Company management and internal and external independent auditors may attend each meeting or portions thereof as required by the Committee. Outside counsel and other consultants and/or advisors may attend meetings at the invitation of the Committee. The Committee shall be authorized, if it determines such action to be appropriate, to retain at the Company's expense, independent counsel or other consultants and/or advisors. The Committee will have a minimum of four meetings each year (typically once a quarter) and will have special meetings if and when required.

**Responsibilities**

The Committee's role is one of oversight; whereas the Company's management is responsible for the adequacy of the Company's systems of internal accounting controls and procedures and for preparing the Company's financial statements. The external independent auditors are responsible for auditing those financial statements. The Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work. The following functions shall be the key responsibilities of the Committee in carrying out its oversight function.

1. Ensure that the affairs and practices of the Company, Pinnacle National Bank and all other subsidiaries, if any, are subject to proper, effective and continuing internal and external independent audits and control procedures.
2. Annually approve the selection, evaluation and compensation of the external independent auditors. The Committee will also:
  - Periodically evaluate the qualifications and experience of the independent auditor team, evaluating the audit scope, staffing levels and quality control procedures of the external independent auditors.
  - Ensure that the annual, external audit will be prepared in accordance with generally accepted auditing standards and that the Company's financial statements are prepared in accordance with generally accepted accounting principles. The audit will include an appropriate evaluation of internal accounting controls and procedures, and the issuance of a report to the Committee regarding such internal controls and procedures.
  - Review and discuss with management and the external independent auditors the annual audited and quarterly unaudited financial statements including the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations
  - Receive timely reports from the external independent auditor concerning the Company's critical accounting policies and practices, all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, the ramifications of alternative disclosures and treatments and the treatment preferred by the external independent auditor, and all other material written communications between the external independent auditor and the Company's management and resolve any disagreements between management and the external independent auditors.
  - Review and discuss annually with the external independent auditors the matters required to be discussed by SAS No. 61 and No. 90, as amended or supplemented, and following such review, reach a determination to recommend to the full Board that such audited financial statements be included in the annual report filed with the Securities and Exchange Commission.

- Approve in advance the retention of the independent auditor for any non-audit service and the fee for such service.
  - Confirm the independence of the independent auditors and obtain a written statement delineating all relationships between the independent auditors and the Company, including all non-audit services and fees. The Committee will also discuss with the independent auditors any relationship or service that would impact the auditors objectivity and independence and will recommend that the Board take appropriate action in response to the auditor's statement to ensure the independence of the independent auditors.
3. Determine whether to retain a third party accounting firm (which shall not be the independent auditor) to provide all or a portion of the internal audit function and the terms and conditions, including fees, for any such engagement. Annually approve the selection, evaluation, compensation and audit plan of the internal audit staff. This selection will be ratified by the full Board of Directors annually. The Committee will determine that the internal audit staff has:
- Examined and evaluated the effectiveness of the system of internal accounting controls and procedures and the quality of performance in carrying out assigned responsibilities in the organization.
  - Reviewed the reliability and integrity of financial and operating information used and reported.
  - Examined compliance with regulations, laws, policies and sound banking practices and the internal systems in place to assure ongoing compliance and report violations or internal system deficiencies and recommended improvements.
  - Employed bank protection security services to protect clients and associates, assets of the clients, and assets of the Bank.
4. Ensure that the internal and external audit staffs, as well as the internal loan review staff, have appropriate and direct access to the Committee and periodically meet with the Committee in private session as appropriate.
5. Establish policies for the Company's hiring of employees or former employees of the external independent auditor who were engaged on the Company's account.
6. Inquire of Company management and independent auditors regarding the appropriateness and quality of accounting principles followed by the Company, changes in accounting principles and their impact on the financial statements and the effect of regulatory and accounting initiatives, as well as any off-balance sheet items on the Company's financial statements.
7. The Committee shall receive reports from the principal executive and financial officers of the Company regarding all significant deficiencies in the design or operation of internal controls which could adversely affect the Company's ability to record, process, summarize and report financial data and whether they have identified for the outside auditors any material weaknesses in internal controls; regarding any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal controls; and regarding whether there were significant changes in internal controls or in other factors that could significantly affect internal controls subsequent to the date of their evaluation, including any corrective actions with regard to significant deficiencies and material weaknesses.
8. The Committee shall establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls, or auditing matters and for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.
9. The Committee shall review quarterly, prior to their filing with the Securities and Exchange Commission, the Company's Quarterly Report on Form 10-QSB and Annual Report on Form 10-KSB. Additionally, the Committee shall review a report from the Company's Chief Executive Officer and Chief Financial Officer concerning their certifications filed with such reports.
