POPULAR, INC. RETIREMENT SAVINGS PLAN FOR PUERTO RICO SUBSIDIARIES
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2002 AND 2001

1. DESCRIPTION OF PLAN

The following description of the Popular, Inc. Retirement Savings Plan for Puerto Rico Subsidiaries (the "Plan"), provides only general information. Participants should refer to the Plan agreement for a more complete description of its provisions.

General

The Plan is a defined contribution plan excluding Banco Popular de Puerto Rico employees plan covering substantially all employees of the Puerto Rico subsidiaries of Popular Inc. (the "Companies") who have three months of service, are at least eighteen years old and are residents of the Commonwealth of Puerto Rico. The Plan was created for the purpose of providing retirement benefits to employees and to encourage and assist them in adopting a regular savings plan that qualifies under the applicable laws of the Commonwealth of Puerto Rico. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Plan participants may authorize the Company to make pre-tax and after tax payroll deductions ranging from 1% to 10% of their monthly compensation, as defined. At no time may participant pre-tax contributions exceed the lesser of 10% of the participant's annual compensation, as defined, or \$8,000.

The Companies match participant's pre-tax contributions at the rate of 50 cents for each dollar saved as follows:

SUBSIDIARY	ON THE FIRST PERCENTAGE OF PARTICIPANT'S COMPENSATION
Popular Insurance, Inc.	6%
Popular Mortgage, Inc.	6%
Levitt Mortgage, Inc.	6%
GM Group, Inc.	6%
Popular Finance, Inc.	5%
Popular Auto, Inc.	8%
Popular Securities, Inc.	10%

In addition, each Company may make other discretionary contributions to its own employees out of its net profits in such amounts as each Company may determine.

Participant Accounts

Edgar Filing: POPULAR INC - Form 11-K

Each participant account is credited with its contribution and allocation of (a) its own Company matching and profit sharing contribution, (b) plan earnings, and (c) forfeitures of terminated participants' nonvested accounts with at least five periods of consecutive break in service. For purposes of the above, a break in service with respect to an employee, means an eligibility computation period (one year) during which such employee does not complete more than 183 days of service. During the break in service, if the terminated participant is reemployed by one of the companies, the current dollar value of such forfeited amount should be restored to the participant's

account. If the participant reemployed has received a distribution, such restoration will be subject to the repayment to the Plan of an amount equal to the dollar value of the distribution by the participant. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Companies matching and discretionary contributions plus actual earnings thereon is based on years of service. The Companies contributions vest in accordance with the following schedule:

YEARS OF SERVICE -----	VESTING % -----
Less than 1	0
At least 1	20
At least 2	40
At least 3	60
At least 4	80
At least 5	100

Payment of Benefits

Plan participants are permitted to make withdrawals from the Plan, subject to provisions in the Plan agreement and only from after-tax contributions. If a participant suffers financial hardship, as defined in the Plan agreement, the participant may request a withdrawal from his or her contributions. On termination of service due to disability, retirement or other reasons, a participant may elect to receive either

Edgar Filing: POPULAR INC - Form 11-K

a lump sum amount equal to the value of the vested interest in his or her account or installment payments. In the case of participant termination because of death, the entire vested amount is paid to the person or persons legally entitled thereto.

The Puerto Rico Internal Revenue Code Section 1165(b) requires that a 20% tax be withheld from termination payments in excess of after-tax participant contributions.

Plan Expenses and Administration

The Company is responsible for the general administration of the Plan and for carrying out the provisions thereof.

Contributions are held and managed by a trustee appointed by the Boards of Directors of the Companies, which invests cash received, interest and dividend income and makes distributions to participants. Banco Popular de Puerto Rico is the trustee and recordkeeper of the Plan. Banco Santander de Puerto Rico is the trustee for the investment in Popular, Inc. common stock. All expenses of the Plan are borne by the Companies.
