## **Section 2 Financial Information**

### **Item 2.02 Results of Operations and Financial Condition.**

On November 8, 2005, Cumulus Media Inc. (the Company) issued a press release announcing financial results for the quarter ended September 30, 2005. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

This information is furnished pursuant to Item 2.02 of Form 8-K and shall not be deemed to be filed for purposes of Section 18 of the Securities and Exchange Act of 1934 or otherwise subject to the liabilities of that section, unless we specifically incorporate it by reference in a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

## **Section 4 Matters Related to Accountants and Financial Statements**

### **Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

On November 7, 2005, the audit committee of the board of directors of the Company determined that the interim financial statements included in the Company's quarterly report on Form 10-Q for the period ended June 30, 2005 should no longer be relied upon and should be restated. The audit committee has discussed the matters surrounding the restatement (which are described below) with the Company's independent registered public accounting firm.

As previously disclosed, in May 2005, the Company was released from its pre-existing national advertising sales agency contract with Interep National Radio Sales, Inc (Interep) and engaged Katz Media Group, Inc. (Katz) as its new national advertising sales agent. In connection with the Company's release from the Interep contract, Katz negotiated and agreed to pay Interep \$14.4 million (the Katz Payment), payable in 25 equal monthly payments commencing in May 2005. No payments were or will be made by the Company to Interep or Katz in connection with the termination of the Interep contract. Additionally, through the new contract with Katz, the Company secured a lower commission rate as compared with the rates under the pre-existing Interep contract.

As the Katz Payment appeared to create no obligation and no cash outlay for the Company, management did not originally believe that it triggered an accounting event for the Company. However, subsequent to the end of the third quarter, circumstances arose that caused the Company to reconsider its accounting for the termination of the Interep contract. As a result of that review, management now believes that, while there is no definitive accounting guidance that addresses the Company's circumstances, the Company should have recognized a non-cash contract termination charge during the second quarter to account for the \$14.4 million payment made by Katz to Interep. Accordingly, the Company will amend and restate its financial statements for the three- and six-month periods ended June 30, 2005 to reflect the non-cash charge and related liabilities. The Company expects to file an amended and restated Form 10-Q/A for the second quarter together with its Form 10-Q for the third quarter.

As a result of the restatement, Station Operating Expenses increased by \$13.8 million for the three and six months ended June 30, 2005. Of the increase, \$13.6 million was recorded as a

non cash contract termination cost and represents the fair value of the Katz Payment as of the contract termination date.
