Under the plan, 5% of the cash collected for development fees and construction management fees during the year for student housing projects that qualify under the plan are allocated to those employees who work on each individual project. Bonuses are earned as the development fees are received by the Company and are paid to participants following the end of the calendar quarter in which the fees are received.

The foregoing description of the plan is not complete and is qualified in its entirety by reference to the full and complete terms of the Student Housing Development Bonus Program which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
