Approval of the 2006 Equity and Performance Incentive Plan

On April 28, 2006, the shareholders of Lincoln Electric Holdings, Inc. (the Company) approved the Company's 2006 Equity and Performance Incentive Plan (the 2006 EPI Plan) at the Company's Annual Meeting of Shareholders.

The 2006 EPI Plan replaces the Company's 1998 Stock Plan and provides more flexibility to continue the Company's stock incentive compensation program. Under the 2006 EPI Plan, the Board of Directors (the Board) (or, pursuant to delegation of authority by the Board, the Compensation and Executive Development Committee of the Board) is authorized to make the following types of awards to officers (including officers who are members of the Board), other employees and consultants of the Company or any of its subsidiaries: option rights, free-standing and tandem appreciation rights, restricted shares, restricted stock units, performance shares and performance units. Subject to adjustment as provided by the 2006 EPI Plan, a total of 3,000,000 shares of the Company's common stock, without par value (Lincoln Common), are available for issuance under the 2006 EPI Plan.

The foregoing is a summary of the 2006 EPI Plan and not a complete discussion thereof. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the 2006 EPI Plan, which is attached as Appendix B to the Company's Proxy Statement filed with the Commission on March 28, 2006, and incorporated herein by reference.

Approval of the 2006 Stock Plan for Non-Employee Directors

On April 28, 2006, the shareholders of the Company approved the Company's 2006 Stock Plan for Non-Employee Directors (the 2006 Director Plan) at the Company's Annual Meeting of Shareholders. The 2006 Director Plan replaces the Stock Option Plan for Non-Employee Directors (the 2000 Director Plan). The 2006 Director Plan provides for greater flexibility of stock awards as compared to the 2000 Director Plan, which only provided for the award of stock options.

Under the 2006 Director Plan, the Nominating and Corporate Governance Committee of the Board (the Governance Committee) is authorized to make the following types of awards to non-employee directors: stock options, restricted shares and restricted stock units. Unless otherwise determined by the Governance Committee, the 2006 Director Plan provides for the following awards of stock options:

An initial option to purchase 6,000 shares of Lincoln Common will be granted to each newly eligible Director upon his or her election to the Board.

An annual grant of an option to purchase 3,500 shares of Lincoln Common will be granted after each annual meeting and before the end of the calendar year to each eligible Director in office on the date of the grant.

These awards are at the same level as those provided in 2005 under the 2000 Director Plan. However, under the 2006 Director Plan (as under the 2000 Director Plan), the Governance Committee has the authority to modify the type and level of awards without further shareholder approval. The Governance Committee currently has this topic under review and is considering

whether to issue restricted shares or restricted stock units in the future instead of the options described above, although it has not reached any conclusion on the type of award(s) or the number of shares or units that will be awarded. Subject to adjustment as provided by the 2006 Director Plan, a total of 300,000 shares of Lincoln Common are available for issuance under the 2006 Director Plan.

The foregoing is a summary of 2006 Director Plan and not a complete discussion thereof. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the 2006 Director Plan, which is attached as Appendix C to the Company's Proxy Statement filed with the Commission on March 28, 2006, and incorporated herein by reference.
