The information contained or incorporated by reference in this Current Report on Form 8-K contains certain forward-looking statements, including certain plans, expectations, goals, projections, and statements, which are subject to numerous assumptions, risks, and uncertainties. Actual results could differ materially from those contained or implied by such statements for a variety of factors including: (1) deterioration in the loan portfolio could be worse than expected due to a number of factors such as the underlying value of the collateral could prove less valuable than otherwise assumed and assumed cash flows may be worse than expected; (2) merger benefits including expense efficiencies and revenue synergies may not be fully realized and / or within expected timeframes; (3) merger disruptions may make it more difficult to maintain relationships with clients, associates, or suppliers; (4) changes in economic conditions; (5) movements in interest rates; (6) competitive pressures on product pricing and services; (7) success and timing of other business strategies; (8) the nature, extent, and timing of governmental actions and reforms; and (9) extended disruption of vital infrastructure. Additional factors that could cause results to differ materially from those described above can be found in Huntington's 2006 Annual Report on Form 10-K, and documents subsequently filed by Huntington with the Securities and Exchange Commission. All forward-looking statements contained or incorporated by reference in this Current Report on Form 8-K are based on information available at the time of the release. Huntington assumes no obligation to update any forward-looking statement.
