**Item 8.01 *Other Events***

On June 11, 2008, Lancaster Colony Corporation (the Company) sold effectively all the operating assets of its automotive accessory operations located in Des Moines, Iowa to certain members of the local management group for approximately \$27.5 million in cash, subject to customary post-closing adjustments. This sale price was determined through arms-length negotiation. This transaction results from the Company's exploration of strategic alternatives among its nonfood operations. The Company anticipates a pretax loss on the transaction of approximately \$20 to \$22 million, pending customary post-closing adjustments.

An additional filing on Form 8-K to present proforma financial information and the asset purchase agreement will be filed within the requisite period under Items 2.01 and 9.01.

A copy of the press release issued by the Company announcing this event is attached as Exhibit 99.1.
