**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

The Board of Directors of Diebold, Incorporated (the Company) has approved an amendment to the Company's Amended and Restated 1991 Equity and Performance Incentive Plan (the Plan) that will, with respect to future grants under the Plan, revise the definition of the term Change in Control in Section 12(i) of the Plan to provide that a Change in Control shall occur upon the acquisition by any individual, entity or group of beneficial ownership of 30% or more of the Company's Common Stock or Voting Stock (as defined in the Plan). The prior definition in Section 12(i) of the Plan provided that a Change in Control shall occur upon the acquisition of 15% or more of the Company's Common Stock or Voting Stock.

Additionally, the Compensation Committee of the Board of Directors intends to make further revisions to the underlying grant agreements evidencing awards made pursuant to the Plan (Grant Agreements) with respect to the acceleration of the vesting of awards upon a Change in Control. The revised Grant Agreements will generally provide, among other things, that the accelerated vesting of awards upon a Change in Control will only be triggered if, within three years following the Change in Control, a participant's employment with the Company or any Subsidiary thereof is terminated without cause or the participant resigns for good cause (to be defined in the Grant Agreements). The Board of Directors anticipates finalizing the amendments to the Plan and the Grant Agreements within approximately six months.

The Plan, as amended and restated to date, is subject to approval of the Company's shareholders at its Annual Meeting of Shareholders to be held on April 23, 2009.
