Item 1.01 Entry into a Material Definitive Agreement.

On October 29, 2018, EnerSys, a Delaware corporation (the "Company"), entered into a Share Purchase Agreement (the "Agreement") with AlphaTec Ltd. (the "ATS Seller"), the sole shareholder of Alpha Technologies Services, Inc. ("ATS"); Alpha Innovations Ltd., Radiant Energy Systems Ltd. and AlphaTec Ltd. (collectively, the "ATL Sellers" and together with the ATS Seller, the "Sellers"), the shareholders of Alpha Technologies Ltd. ("ATL"); and Fortis Advisors LLC, as seller representative. Pursuant to the terms of the Agreement, the Company (through one or more wholly owned subsidiaries) will acquire all issued and outstanding shares of ATS and ATL, and will acquire substantially all of the assets of Alpha Technologies Inc. and certain assets of Altair Advanced Industries, Inc. and other affiliates of ATS and ATL, in each case in accordance with the terms and conditions of the Restructuring Agreements (such stock and asset acquisitions being collectively, the "Transaction"). Capitalized terms used, but undefined herein, have the meanings ascribed to them in the Agreement.

Under the terms of the Agreement, the total consideration for the Transaction is \$750 million, which consists of \$650 million in cash, to be funded using existing cash and credit facilities, and \$100 million in shares of the Company's common stock, at a per share price based on the thirty-day volume weighted average stock price of the Company's common stock at Closing (the "Closing VWAP"). The equity component of total consideration may be decreased (and the cash component correspondingly increased) (i) at the election of the Sellers if the Closing VWAP is greater than \$95.00, or (ii) at the election of the Company if the Closing VWAP is less than \$65.00. Assuming no adjustment in the mix of total consideration based on the Closing VWAP, the Company's common stock issued at Closing is expected to represent approximately 3% of the Company's issued and outstanding shares.

Upon the closing of the Transaction, the Company will enter into five-year Non-Compete and Restrictive Covenant Agreements with Fred Kaiser, the owner of ATS and ATL, and Grace Borsari, the owner of Altair Advanced Industries, Inc. The Transaction is subject to certain closing conditions, including the receipt of governmental regulatory approvals and the proper conveyance of all required closing deliverables. The Transaction is expected to close in the next thirty (30) to sixty (60) days, subject to the satisfaction of customary closing conditions.

The Agreement has been filed to provide shareholders with information regarding its terms. It is not intended to provide any other factual information about the Company, the Sellers, the Acquired Companies or their respective subsidiaries and affiliates. The Agreement contains representations and warranties by each of the parties to the Agreement. These representations and warranties were made solely for the benefit of the other party to the Agreement and (a) are not intended to be treated as categorical statements of fact, but rather as a way of allocating risk to one of the parties if those statements prove to be inaccurate, (b) may have been qualified in the Agreement by confidential disclosure schedules that were delivered to the other party in connection with the signing of the Agreement, which disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations, warranties and covenants set forth in the Agreement, (c) may be subject to standards of materiality applicable to the parties that differ from what might be viewed as material to shareholders and (d) were made only as of the date of the Agreement or such other date or dates as may be specified in the Agreement. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company. Accordingly, you should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or the Acquired Companies.

The foregoing summary of the Agreement is not complete and is qualified in its entirety by reference to the complete text of the Agreement, which is filed as Exhibit 2.1 to this Form 8-K and which is incorporated herein by reference in its entirety.

Additionally, the Company's management affirmed its second quarter guidance for non-GAAP adjusted net earnings per diluted share, previously reported on August 8, 2018, of between \$1.14 to \$1.18, which excludes (as previously communicated) an expected charge of \$0.06 from restructuring programs, ERP system implementation and acquisition expenses. A further discussion of second quarter results and outlook will take place on November 8, 2018, in connection with the Company's previously announced earnings call.

The information under Item 7.01 and in Exhibit 99.1 and Exhibit 99.2 to this Current Report on Form 8-K shall not be deemed to be "filed" for purposes of Section 18 of the Securities and Exchange Act of 1934, or otherwise subject to the liabilities thereof, nor shall it be deemed to be incorporated by reference in any filing under the Securities and Exchange Act of 1934 or under the Securities Act except to the extent specifically provided in any such filing.
