Filed pursuant to Rule 424(b) (3)  
File No. 333-82872

PROSPECTUS SUPPLEMENT NO. 3  
(To Prospectus dated May 17, 2002)

\$250,000,000  
RITE AID CORPORATION  
4.75% Convertible Notes due 2006 and  
38,461,539 Shares of Common Stock  
Issuable upon Conversion of the Notes

This prospectus supplement supplements the prospectus dated May 17, 2002 of Rite Aid Corporation, as supplemented June 5, 2002 and June 11, 2002, relating to the sale from time to time by certain of our security holders (including their transferors, donees, pledgees or successors) of up to \$250,000,000 aggregate principal amount at maturity of our 4.75% Convertible Notes due 2006 and the shares of common stock issuable upon conversion of the notes. You should read this prospectus supplement in conjunction with the prospectus, and this prospectus supplement is qualified by reference to the prospectus, except to the extent that the information in this prospectus supplement supersedes the information contained in the prospectus.

The table of selling security holders contained in the prospectus is hereby amended to amend the information for the following selling security holder:

Name	Aggregate principal amount at maturity of notes that may be sold -----	Percentage of notes outstanding -----	Number of shares of common stock that may be sold(1) -----	Percent of shares of common stock outstanding -----
Salomon Smith Barney.....	\$ 1,900,000	*	292,308	

-----  
\* Less than one percent

(1) Assumes conversion of all of the holder's notes at a conversion rate of 153.846 shares of common stock at maturity of the notes. This conversion rate is subject to adjustment, however, as described in "Notes--Conversion Rights." As a result, the number of shares of common stock issuable upon conversion of all that holder's notes, but we did not assume conversion of any other holder's notes, may increase or decrease in the future.

(2) Calculated based on Rule 13d-3(d) (1) (i) of the Exchange Act, using 515,113,894 shares of common stock outstanding as of June 11, 2002. In calculating this amount for each holder, we treated as outstanding the number of shares of common stock held by each holder as of June 11, 2002, plus the number of shares of common stock issuable upon conversion of all that holder's notes, but we did not assume conversion of any other holder's notes.

Investing in the notes or shares of Rite Aid common stock involves risks that are described in the "Risk Factors" section beginning on page 10 of the prospectus.
