projections of financial and operational results and goals, including revenue, EBITDA, profitability, savings and cash. These forward-looking statements are subject to known as well as unknown risks and uncertainties that may cause actual results to differ materially from our expectations. Our expectations are based on various factors and assumptions and reflect only our predictions. Factors that could cause actual results to differ materially from the forward-looking statement include technological, regulatory, public policy or other developments in our industry, availability and adequacy of capital resources, current and future economic conditions, the existence of strategic alliances, our ability to generate cash, our ability to implement process and network improvements, our ability to attract and retain customers, our ability to migrate traffic to appropriate platforms and changes in the competitive climate in which we operate. These and other risks are described in more detail in our most recent Annual Report on Form 10-K and Form 10-K/A both filed with the SEC. The Company undertakes no obligation to update publicly any forward-looking statements, whether as a result of future events, new information or otherwise.
