FOR IMMEDIATE RELEASE

Pinnacor Inc. Reports Growing Net Income Before Merger-related Expenses

New York, N.Y., October 23, 2003 - Pinnacor Inc. (Nasdaq: PCOR), a provider of business and financial information and analytical applications, today announced financial results for the third quarter ending September 30, 2003.

Financial Highlights for the Third Quarter 2003:

- |X| Revenues of \$8.35 million
- |X| Adjusted EBITDA (A) of \$704,000
- |X| Net income, excluding stock-based compensation, the amortization of identifiable intangible assets, and deal-related expenses of \$331,000 or \$0.01 per share
- |X| Cash flow from operating activities of \$342,000
- |X| Cash, cash equivalents and marketable securities of \$47.7 million or \$1.17 per share

"We are pleased to report another quarter of solid financial performance," said Kirk Loevner, chairman and CEO, Pinnacor. "We are working towards completing the merger with MarketWatch, and are well underway in planning for the integration of our two companies. In the meantime we are maintaining our focus on customer satisfaction and on positioning ourselves to take advantage of the recovery in the financial services market."

Acquisition Update

Edgar Filing: NMP INC - Form 425

On July 23, 2003, Pinnacor and MarketWatch.com, Inc. announced a definitive agreement under which MarketWatch will acquire Pinnacor. The transaction is expected to close during the fourth quarter 2003, subject to the approval of regulators and shareholders. The merger will create a combined company that is a market-leading provider of online business news and financial applications to organizations in numerous sectors, including banking, brokerage and media. MarketWatch's strength in news, tools and charting capabilities combined with Pinnacor's broad set of financial applications and extensive customization offerings will create opportunities to sell additional products and services into a significantly larger customer base.

Financial Highlights

Revenues were \$8.35 million in the third quarter of 2003, down from \$8.44 million in the second quarter 2003 and up from \$8.05 million in the comparable period of the prior year.

Gross profit was \$5.5 million or 66% of sales, compared with 65% of sales in the prior quarter and 66% of sales a year ago. Total operating expenses, excluding cost of sales, depreciation and amortization, stock-based compensation, restructuring charges and \$1.023 million of merger-related expenses, were \$4.8 million, flat with the prior quarter and down from \$5.2 million in the comparable period of 2002. The \$1.023 million in merger-related expenses represents charges for legal, investment banking, accounting and merger-related travel costs.

Adjusted EBITDA(A) was \$704,000 in the third quarter, a significant improvement from the \$86,000 reported in the same period a year ago. Adjusted EBITDA(A), is defined by the Company as earnings before interest, income taxes, depreciation, amortization, stock-based compensation, restructuring and asset abandonment charges and merger-related expenses.

Net income, excluding stock based compensation, restructuring and asset abandonment charges, the amortization of identifiable intangible assets and merger-related expenses was \$331,000, and \$0.01 per share. This compares to \$250,000 and \$0.01 per share last quarter and a \$(401,000) and \$(0.01) per share loss in Q3 2002. GAAP net loss in the third quarter was \$(818,000) or \$(0.02) per share.

Pinnacor generated \$342,000 in cash from operating activities during the third quarter. Total cash utilization for the third quarter was \$203,000, down from \$649,000 in the second quarter. At the end of the third quarter, Pinnacor had approximately \$47.7 million, or \$1.17 per share, in cash, cash equivalents and marketable securities.
