Corporate Governance Policies and Procedures

The Board of Directors has adopted: (1) a Code of Business Conduct and Ethics that applies specifically to Board Members and Executive Officers; and (2) a Code of Conduct that applies to all other employees. These Codes are designed to promote compliance with applicable laws and regulations, to promote honest and ethical conduct, including full, fair, accurate and timely disclosure in reports and communications with the public. Both of these Codes are available for viewing on the Corporation's website at www.trans-lux.com. Any amendments to, or waivers from, the Code of Business Conduct and Ethics will be posted on the website. In addition, the Board of Directors adopted a Whistle Blowing policy, which provides procedures for the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls and auditing matters, as well as the confidential, anonymous submission of concerns regarding questionable accounting or auditing practices.

In accordance with the American Stock Exchange Listing Standards (the "Standards"), the Corporation's Board of Directors must consist of a majority of independent directors as defined in Section 121A of such Standards, unless the company is considered a controlled company. Section 801 of the Standards, defines a controlled company as a company in which over 50% of the voting power is held by an individual or group. Compensation Committee Report

Edgar Filing: TRANS LUX CORP - Form DEF 14A

All matters concerning executive compensation for Messrs. Mulcahy and T. Brandt, Co-Chief Executive Officers, and other executive officers are considered by the Corporation's Compensation Committee. The principal components of compensation for the Corporation's executive officers are base salaries, cash bonus and incentive compensation. All but one of the executive officers' base salary, cash bonus and incentive compensation is fixed by contract. The base salary of the executive officers is reviewed at contract expiration or annually and adjustments made generally on the basis of the Corporation's performance as measured by certain financial and non-financial criteria, various survey information respecting compensation of executive officers, compensation levels for executive officers in a broad range of companies, cost of living information and individual performance of the particular executive officer. The Compensation Committee has not assigned relative weights or values to any of such criteria. In such review, the Compensation Committee takes into consideration a review of individual performance of the executive officer. With respect to the financial performance of the Corporation, the Compensation Committee generally takes into consideration the Corporation's earnings from continuing operations, earnings per share and divisional revenue and operating profits. The salary levels are intended to be consistent with competitive practice and level of performance. The Co-Chief Executive Officers' compensation is based upon the above factors and includes bonuses as described in the section on Employment Agreements.

This Compensation Committee Report has been respectively submitted by Compensation Committee members Howard S. Modlin, Howard M. Brenner, Jean Firstenberg, Robert B. Greenes and Gene Jankowski.

Audit Committee Report

The Audit Committee of the Board of Directors (the "Committee") is comprised of three directors who are not officers or employees of the Corporation (Ms. Firstenberg and Messrs. Greenes and Jankowski) and who are independent as defined in Section 121 of the Standards, plus Mr. Modlin, ex officio. The board has made a determination that Mr. Gene Jankowski is an "audit committee financial expert" as such term is defined by the Securities and Exchange Commission (the "SEC"). In accordance with the SEC's safe harbor rule for "audit committee financial experts," no member designated as an audit committee financial expert shall (i) be deemed an "expert" for any purpose or (ii) have any duty,

-8-

obligation or liability that is greater than the duties, obligations and liability imposed beyond those imposed on a member of the board or the audit committee not so designated. Additionally the designation of a member or members as an "audit committee financial expert" shall in no way affect the duties, obligations or liability of any member of the audit committee, or the board, not so designated.

In accordance with its written charter adopted by the Committee of the Board of Directors, the Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Corporation. All of the members of the Committee qualify as "independent" under the provisions of Section 10A of the Securities Exchange Act of 1934 and the rules of the SEC thereunder.

In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent auditors a formal written statement

Edgar Filing: TRANS LUX CORP - Form DEF 14A

confirming the absence of any relationships between the auditors and the Corporation that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Committee discussed with the auditors any activities that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Committee received a report on the quality control procedures of the independent auditors as well as the most recent peer review conducted under guidelines of the American Institute of Certified Public Accountants.

The Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and, both with and without members of management present, discussed and reviewed the independent auditors' audit of the financial statements.

The Committee reviewed and discussed the audited financial statements of the Corporation as of and for the year ended December 31, 2005, with management and the independent auditors. Management is responsible for the preparation, presentation and integrity of the Corporation's financial statements, the Corporation's internal controls and financial reporting process and the procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Corporation's independent auditors' are responsible for performing an independent audit of the Corporation's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

Based on the above-mentioned review and discussions with the independent auditors, the Committee recommended to the Board of Directors that the Corporation's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the SEC. This Audit Committee Report is provided by the following independent directors, who constitute the Committee: Jean Firstenberg, Robert B. Greenes and Gene Jankowski.

INDEPENDENT AUDITORS

Ratification of Selection of Independent Registered Accounting Firm

Subject to stockholder ratification, the Audit Committee has appointed the firm of Eisner LLP as independent accountants to audit the financial statements of the Corporation's 2006 fiscal year. Representatives of such auditors are expected to be at the Meeting of the stockholders and will be permitted to make a statement to stockholders if they desire and to respond to any appropriate questions addressed by stockholders to such representatives. Eisner LLP, have advised the Corporation that they have no direct financial interest or any material indirect financial interest in the Corporation, nor did they have any connection during the past three years with the Corporation in the capacity of promoter, underwriter, voting trustee, director, officer or employee. If the stockholders do not ratify the appointment of Eisner LLP, the selection of independent accountants will be reconsidered by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMEND A VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF EISNER LLP AS INDEPENDENT ACCOUNTANTS TO AUDIT THE FINANCIAL STATEMENTS OF THE CORPORATION FOR THE 2006 FISCAL YEAR.
