EXPLANATORY NOTE

This Amendment No. 2 on Form 10-K/A amends our Annual Report on Form 10-K/A for the fiscal year ended December 31, 2008, which was filed with the SEC on April 22, 2009 (the "Original Filing"). We are filing this Amendment solely for the limited purpose of amending Part III, Items 10 - 14 to reflect the inclusion of the information required by Form 10-K. The Original Filing contemplated the incorporation by reference of such information from the Corporation's definitive proxy statement relating to the Corporation's 2009 Annual Meeting of Shareholders. The Corporation's definitive proxy statement will not be filed within the requisite 120 days after the Corporation's 2008 fiscal year end, and accordingly, the Corporation is including the information required by Part III, Items 10 - 14 of Form 10-K through this Amendment as contemplated by instruction G (3) to Form 10-K. The listing of the definitive proxy statement on the cover page of the Original Filing as a document incorporated by reference has been deleted in this Amendment.

Except as contained herein, this Amendment speaks as of the filing date of the Original Filing and does not modify or update disclosures contained in the Original Filing. Accordingly, this Amendment should be read in conjunction with the Original Filing.

Committees of the Board of Directors:

The Board of Directors has appointed an Executive Committee, a Compensation Committee and an Audit Committee.

## Edgar Filing: TRANS LUX CORP - Form 10-K/A

**Executive Committee:** The members of the Executive Committee of the Board of Directors are Messrs. R. Brandt, Jankowski, Liss, Modlin and Mulcahy. The Executive Committee is authorized to exercise the powers of the Board of Directors during the intervals between the meetings of the Board and is, from time to time, delegated certain authorizations by the Board in matters pertaining to the Corporation. The Executive Committee held zero meetings in 2008. Members of said Committee receive a fee of \$320 for each meeting of the Committee they attend.

**Compensation Committee:** The members of the Compensation Committee of the Board of Directors are Messrs. Modlin, Brenner and Jankowski and Ms. Firstenberg. The Compensation Committee reviews compensation and other benefits. The Compensation Committee held three meetings in 2008. None of the members of the Compensation Committee during 2008 and continuing through 2009 is or has been an officer or employee of the Corporation. The Compensation Committee does not have a charter. There are no compensation committee interlock relationships with respect to the Corporation. Members of said Committee receive a fee of \$320 for each meeting of the Committee they attend and the Chairman, Mr. Modlin, receives an annual fee of \$1,600.

**Audit Committee:** The members of the Audit Committee of the Board of Directors are Ms. Firstenberg and Messrs. Brenner and Jankowski, and Mr. Modlin, ex officio. Each of the directors is considered "independent" as defined by the NYSE Amex Listing Standards. The Committee operates under a formal written charter approved by the Committee and adopted by the Board of Directors. The Board of Directors has determined that director Gene Jankowski meets the definition of "audit committee financial expert" set forth in Item 407 of Regulation S-K, as promulgated by the SEC. The Audit Committee held four meetings in 2008. The responsibilities of the Audit Committee include the appointment of the auditors, review of the audit function and material aspects thereof with the Corporation's independent auditors, and compliance with Corporation policies and applicable laws and regulations. Members of said Committee receive a fee of \$400 for each meeting of the Committee they attend and the Chairperson, Ms. Firstenberg, receives an annual fee of \$2,400 and \$100 for each quarterly telephonic meeting with the independent auditors.

**Nominating or Similar Committee:** The Board of Directors has not established a nominating or similar committee. In accordance with the NYSE Amex Listing Standards, as discussed in the section entitled "Corporate Governance," the Corporation is considered a controlled company, and therefore, not required by such NYSE Amex Listing Standards to have a nominating committee recommend or cast votes for the nomination or election of directors. The Board of Directors does not have any specific, minimum qualifications that the Board believes must be met by a nominee for a position on the Board, or any specific qualities or skills that the Board believes are necessary for one or more of the directors to possess. The Board has consistently sought to nominate to the Board of Directors eminently qualified individuals whom the Board believes would provide substantial benefit and guidance to the

2

Corporation. The Board believes that substantial judgment, diligence and care are required to identify and select qualified persons as directors and does not believe that it would be appropriate to place limitations on its own discretion. Currently, all directors participate in the consideration of director nominees.

**Corporate Governance Committee:** The Board of Directors has not established a corporate governance committee. The Board of Directors acts as the corporate governance committee.

**Meeting of the Board of Directors:** During 2008, the Board of Directors held six

## Edgar Filing: TRANS LUX CORP - Form 10-K/A

meetings. All directors attended 75% or more of such meetings and of committees of which they were members. The Corporation does not have a formal policy regarding directors' attendance at annual stockholders meetings. Nevertheless, the Corporation strongly encourages and prefers that directors attend regular and special Board meetings as well as the annual meeting of stockholders in person, although attendance by teleconference is considered adequate. The Corporation recognizes that attendance of the Board members at all meetings may not be possible, and excuses absences for good cause.

Compliance with Section 16(a) of the Securities Exchange Act of 1934: The Corporation's executive officers and directors are required under Section 16(a) of the Securities Exchange Act of 1934 to file reports of ownership and changes in ownership with the SEC and the NYSE Amex. Copies of those reports must also be furnished to the Corporation. Based solely on a review of the copies of reports furnished to the Corporation for the year ended December 31, 2008, the Corporation's executive officers and directors have complied with the Section 16(a) filing requirements.

Corporate Governance: The Board of Directors has adopted a Code of Business Conduct and Ethics Guidelines that applies specifically to Board Members and Executive Officers. The Code is designed to promote compliance with applicable laws and regulations, to promote honest and ethical conduct, including full, fair, accurate and timely disclosure in reports and communications with the public. The Code is available for viewing on the Corporation's website at [www.trans-lux.com](http://www.trans-lux.com). Any amendments to, or waivers from, the Code of Business Conduct and Ethics Guidelines will be posted on the website. In addition, the Board of Directors adopted a Whistle Blowing policy, which provides procedures for the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls and auditing matters, as well as the confidential, anonymous submission of concerns regarding questionable accounting or auditing practices.

The NYSE Amex Listing Standards require that a listed company's Board of Directors must consist of a majority of independent directors as defined in Section 303A.01 of such NYSE Amex Listing Standards, unless the company is considered a controlled company. Section 303A of the NYSE Amex Listing Standards defines a controlled company as a company in which over 50% of the voting power is held by an individual or group. In accordance with the NYSE Amex Listing Standards, the Corporation is considered a controlled company, and therefore, exempt from the requirements of Section 303A.

### ITEM 11. EXECUTIVE COMPENSATION

#### Compensation of Executive Officers

Compensation Discussion and Analysis: All matters concerning executive compensation for Mr. Mulcahy, Chief Executive Officer, and other executive officers are considered by the Corporation's Compensation Committee. The following paragraphs discuss the principles underlying our executive compensation decisions and the most important factors relevant to an analysis of these decisions. It provides qualitative information regarding the manner and context in which compensation is awarded to and earned by our executive officers and places in perspective the data presented in the tables and other quantitative information that follows this section.

Our compensation of executives is designed to attract, as needed, individuals with the skills necessary for us to achieve our business plan, to reward those individuals fairly over time, and to retain those individuals who continue to perform at or above our expectations. Our executives' compensation has three

## Edgar Filing: TRANS LUX CORP - Form 10-K/A

primary components - base salary, a yearly cash incentive bonus and stock option awards.

**Base Salary.** We fix the base salary of each of our executives at a level we believe enables us to hire and retain individuals in a competitive environment and rewards satisfactory individual performance and a satisfactory level of contribution to our overall business goals. We also take into account the base salaries paid by similarly sized companies and the base salaries of other companies with which we believe we compete for talent. To this end, we subscribe to certain executive compensation surveys and other databases and review them when making a crucial executive hiring decision and annually or at the end of the term of the employment agreement when we review executive compensation.

**Cash Incentive Bonus.** We designed the cash incentive bonuses for each of our executives to focus the executive on achieving key financial and/or operational objectives within a yearly time horizon, as described in more detail below.

**Stock Options.** We use stock options when employment agreements are entered into and/or to reward long-term performance; these options are intended to produce value for each executive if the Corporation's performance is outstanding and if the executive has an extended tenure and are also based on availability of options.

We view the three primary components of our executive compensation as related but distinct. Although we review total compensation, we do not believe that significant compensation derived from one component of compensation should negate or reduce compensation from other components. We determine the appropriate level for each compensation component based in part, but not exclusively, on our view of internal equity and consistency, individual performance and other information we deem relevant, such as the survey data referred to above. We believe that salary and cash incentive bonuses are primary considerations and that stock options are secondary considerations. Except as described below, we have not adopted any formal or informal policies or guidelines for allocating compensation between long-term and currently paid out compensation, between cash and non-cash compensation, or among different forms of compensation. This is due to the small size of our executive team and the need to tailor each executive's award to attract and retain that executive.

In addition to the three primary components of compensation described above, we provide our executives with benefits that are generally available to our salaried employees. These benefits include health and medical benefits, flexible spending plans and life insurance. We also provide our executives with severance and certain additional benefits in the event of a change of control of the Corporation, as described in more detail below.

We account for the equity compensation expense for our employees under the rules of SFAS 123R, which requires us to estimate and record an expense for each award of equity compensation over the service period of the award. Accounting rules also require us to record cash compensation as an expense at the time the obligation is accrued. No stock options were awarded during 2008 to any employees, and therefore, the Corporation did not record any related compensation expense. There are no stock option plans currently in effect providing for the grant of new options to employees.

**Cash Incentive Bonuses.** Yearly cash incentive bonuses for our executives are established as part of their respective individual employment agreements. Each of these employment agreements provides that the executive will receive a cash incentive bonus determined in the discretion of our Board of Directors, based

## Edgar Filing: TRANS LUX CORP - Form 10-K/A

upon the financial performance of the Corporation. These criteria are established by the Compensation Committee and approved by the full Board of Directors at the time the individual employment agreement is entered into and includes specific objectives relating to the achievement of operational and/or financial results. Based on the results of the Corporation, no cash incentive bonuses were paid for the year ended December 31, 2008.

Severance and Change in Control Benefits. Each of our executives has a provision in his/her employment agreement providing for certain severance benefits in the event of termination without cause. The severance provisions are described below in the section entitled "Employment Agreements."

In addition to the severance benefits, Mr. Mulcahy and Ms. Toppi's employment agreements provide for a "Change in Control of Employer" provision, entitling them to terminate the agreement on 75 days prior written notice and receive a lump sum payment, grossed up for taxes if subject to Section 4999 of the Internal Revenue Code of 1986 if such payment is deemed to be an "excess parachute payment" under Section 280G of the Internal Revenue Code of 1986, and the option of extending his/her agreement for three (3) years at his/her then current salary subject to the cost-of-living adjustment if such Change in Control is approved by Mr. R. Brandt.

Other Benefits. Our executives are eligible to participate in all of our employee benefit plans, such as medical, group life and disability insurance, pension plan and our 401(k) plan, in each case on the same basis as our other employees. There were no special benefits or perquisites provided to any executive officer in 2008.

Certain Transactions

During the year 2008, \$300,000 in consulting fees for consulting services rendered by Mr. R. Brandt was paid by the Corporation to Moving Images, LLC, which is owned by members of his family, which includes Mr. M. Brandt and Mr. T. Brandt, directors and former executive officers of the Corporation. During the year 2008, \$146,333 in fees for legal services rendered was paid by the Corporation to the law firm of which Mr. Modlin, a director of the Corporation, is the president.

Independence of Non-Employee Directors

A director is considered independent under NYSE Amex rules if the Board of Directors determines that the director does not have any direct or indirect material relationship with the Corporation. Mr. Mulcahy is an employee of the Corporation, Messrs. M. Brandt and Mr. T. Brandt are recent employees of the Corporation and Mr. R. Brandt is a consultant to the Corporation and, therefore, have been determined by the Board to fall outside the definition of "independent director." Messrs. Brenner, Jankowski, Liss and Modlin and Ms. Firstenberg are non-employee Directors of the Corporation. Mr. Modlin is not considered independent due to the legal services rendered by the law firm of which Mr. Modlin is the president. The Board of Directors has determined that Messrs. Brenner, Jankowski and Liss and Ms. Firstenberg are "independent directors" within the meaning of the rules of the NYSE Amex, since they had no relationship with the Corporation other than their status and payment as non-employee Directors, and as stockholders. The Board of Directors has determined that Messrs. Brenner and Jankowski and Ms. Firstenberg are independent under the SEC's audit committee independence standards.

### ITEM 14. PRINCIPAL ACCOUNTING FIRM FEES AND SERVICES

UHY LLP ("UHY") has served as our independent registered public accounting firm since July 8, 2008, when the Audit Committee of the Corporation's Board of Directors approved their engagement to audit the Corporation's financial statements for the fiscal year ended December 31, 2008. The Audit Committee of the Board of Directors has appointed UHY as our independent registered public accounting firm for the year ending December 31, 2009.

The Audit Committee is not aware of any disagreements between management and our current auditors, UHY, regarding accounting principles and their application or otherwise.

Change in Auditors: On July 9, 2008, the Corporation, based on the Audit Committee's recommendation and approval, dismissed Eisner LLP ("Eisner") as the Corporation's independent registered public accounting firm. The Audit Committee took this action after consultation with management to enable the Corporation to obtain audit and related services at a lower annual cost.

Eisner reported on the Corporation's financial statements for the years ended December 31, 2007 and 2006 and through the date of dismissal of Eisner. There were no disagreements with Eisner on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Eisner's satisfaction, would have caused them to make a reference to the subject matter in conjunction with their report on the Corporation's consolidated financial statements or such years; and there were no reportable events, as listed in Item 304(a)(1)(v) of Regulation S-K.

On July 8, 2008, the Audit Committee of the Corporation's Board of Directors approved the engagement of UHY as its independent registered public accounting firm to audit the Corporation's financial statements for the fiscal year ending December 31, 2008.

During the years ended December 31, 2007 and 2006 and through the date of the Audit Committee's decision, the Corporation did not consult UHY with respect to the application of accounting principles to a specified transaction, either completed or proposed, or type of audit opinion that might be rendered on the Corporation's consolidated financial statements, or any other matter or reportable events listed in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Through and as of April 29, 2009, UHY and UHY Advisors, Inc. ("Advisors"), as separate legal entities, collectively provide attest, accounting, tax and business consulting services through an alternative practice structure which is necessitated by most State statutes that prohibit corporate ownership of firms that provide attest services. UHY is a licensed CPA firm and provides attest services only, whereas Advisors provides the other services. UHY leases auditing staff who are full time, permanent employees of Advisors. UHY has only a few full time employees; however, the Partners of UHY are also Managing Directors of Advisors. While few of the audit services performed were provided by permanent, full time employees of UHY, for the most part, the leased staff are CPA qualified and satisfy the continuing education and other professional requirements. UHY trains, manages and supervises the audit services and audit staff, and is exclusively responsible for the opinion rendered in connection with its examination. During 2008, Advisors did not provide any services to the Corporation.

Audit Committee Pre-Approval of Independent Auditor Services: All audit services provided by UHY for 2008 were approved by the Audit Committee in advance of the work being performed.

Audit Fees: UHY audit fees were \$246,000 in 2008. UHY audit fees include fees associated with the annual audit of the Corporation's financial statements and the reviews of the Corporation's second and third quarterly reports on Form 10-Q. Eisner audit fees were \$52,000 in 2008 and \$297,000 in 2007. Eisner audit fees in 2008 include fees associated with the reviews of the Corporation's annual report and the first quarterly report on Form 10-Q. Eisner audit fees in 2007 included fees associated with the annual audit of the Corporation's 2007 financial statements and the reviews of the Corporation's quarterly reports on Form 10-Q.

Audit-Related Fees: UHY did not provide any audit-related services. \$6,000 and \$5,000 was paid or accrued to Eisner in 2008 and 2007, respectively, for assistance related to various financial reporting matters.

Tax Fees: Neither UHY or Eisner provided any tax services.

10

All Other Fees: Neither UHY or Eisner provided any non-audit services.
