**ANNUAL MEETING OF STOCKHOLDERS**

April 15, 2004

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Brookline Bancorp, Inc. (the "Company") to be used at the Annual Meeting of Stockholders of the Company (the "Annual Meeting"), which will be held at the Brookline Holiday Inn, 1200 Beacon Street, Brookline, Massachusetts 02446, on April 15, 2004, at 10:00 a.m., and all adjournments of the Annual Meeting. The accompanying Notice of Annual Meeting of Stockholders and this Proxy Statement are first being mailed to stockholders on or about March 15, 2004.

### REVOCATION OF PROXIES

Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of the Company will be voted in accordance with the directions given thereon. **Where no instructions are indicated, validly executed proxies will be voted "FOR" the proposals set forth in this Proxy Statement for consideration at the Annual Meeting.**

The Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxy holders discretionary authority to vote the shares in accordance with their best judgment on such other business, if any, that may properly come before the Annual Meeting or any adjournments thereof.

Proxies may be revoked by sending written notice of revocation to the Secretary of the Company at the address shown above, delivering to the Company a duly executed proxy bearing a later date, or attending the Annual Meeting and voting in person. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to vote personally at the Annual Meeting. The presence at the Annual Meeting of any stockholder who had returned a proxy shall not revoke such proxy unless the stockholder delivers his or her ballot in person at the Annual Meeting or delivers a written revocation to the Secretary of the Company prior to the voting of such proxy.

### VOTING SECURITIES AND VOTING PROCEDURES

Holders of record of the Company's common stock, par value \$0.01 per share (the "Common Stock"), as of the close of business on March 1, 2004 (the "Record Date") are entitled to one vote for each share then held, except as described below. As of the Record Date, the Company had 60,260,784 shares issued and 58,925,485 shares outstanding. The presence in person or by proxy of a majority of the outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Broker non-votes and proxies marked ABSTAIN will be counted for purposes of determining that a quorum is present. In the event there are not sufficient votes for a quorum, or to approve or ratify any matter being presented at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

In accordance with the provisions of the Company's Certificate of Incorporation, recordholders of Common Stock who beneficially own in excess of 10% of the outstanding shares of Common Stock (the "Limit") are not entitled to any vote with respect to the shares held in excess of the Limit. The Company's Certificate of Incorporation authorizes the Board of Directors (i) to make all determinations necessary to implement and apply the Limit, including determining whether persons or

---

entities are acting in concert, and (ii) to demand that any person who is reasonably believed to beneficially own stock in excess of the Limit supply information to the Company to enable the Board of Directors to implement and apply the Limit.

As to the election of directors, the proxy card being provided by the Board of Directors enables a stockholder to vote FOR the election of the five nominees proposed by the Board of Directors or to WITHHOLD AUTHORITY to vote for the nominees being proposed. Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which the authority to vote for the nominees being proposed is withheld.

As to the ratification of auditors, the proxy card being provided by the Board of Directors enables a stockholder to: (i) vote FOR the proposal; (ii) vote AGAINST the proposal; or (iii) ABSTAIN from voting on the proposal. The ratification of auditors must be approved by the affirmative vote of a majority of the votes cast without regard to broker non-votes or proxies marked ABSTAIN.

Proxies solicited hereby will be returned to the Company and will be tabulated by an Inspector of Election designated by the Company's Board of Directors.

### SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

Persons and groups who beneficially own in excess of five percent of the Common Stock are required to file certain reports with the Securities and Exchange Commission (the "SEC") regarding such ownership. The following table sets forth, as of the Record Date, the shares of Common Stock beneficially owned by each person who was the beneficial owner of more than five percent of the Company's outstanding shares

During the year ended December 31, 2003, no director attended fewer than 75% of the total meetings of the Boards of Directors and committees on which such director served.

## Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

The Committee met three times during the year ended December 31, 2003.

The functions of the Nominating Committee include the following:

to lead the search for individuals qualified to become members of the Board and to select director nominees to be presented for stockholder approval;

7

---

to review and monitor compliance with the requirements for board independence; and

to review the committee structure and make recommendations to the Board regarding committee membership.

The Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, or if the Committee or the Board decides not to re-nominate a member for re-election, or if the size of the Board is increased, the Committee would solicit suggestions for director candidates from all Board members. In addition, the Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. The Nominating Committee would seek to identify a candidate who at a minimum satisfies the following criteria:

has personal and professional ethics and integrity and whose values are compatible with the Company's;

The Nominating Committee will also take into account whether a candidate satisfies the criteria for "independence" under the Nasdaq corporate governance listing standards and, if a nominee is sought for service on the Audit Committee, the financial and accounting expertise of a candidate, including whether an individual qualifies as an audit committee financial expert.

### **Procedures for the Nomination of Directors by Shareholders**

The Nominating Committee has adopted procedures for the submission of director nominees by stockholders. If a determination is made that an additional candidate is needed for the Board of Directors, the Nominating Committee will consider candidates submitted by the Company's stockholders. Stockholders can submit the names of qualified candidates for Director by writing to our Corporate Secretary, at 160 Washington Street, Brookline, Massachusetts 02445. The Corporate Secretary must receive a submission not less than ninety (90) days prior to the date of the Company's proxy materials for the preceding year's annual meeting. The submission must include the following information:

### **Stockholder Communications with the Board**

A stockholder of the Company who wants to communicate with the Board of Directors or with any individual Director can write to the Corporate Secretary of the Company, at 160 Washington Street, Brookline, Massachusetts 02445, Attention: Board Administration. The letter should indicate that the author is a stockholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, management will:

forward the communication to the Director or Directors to whom it is addressed;

attempt to handle the inquiry directly, for example where it is a request for information about the Company or it is a stock-related matter; or

not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board meeting, management shall present a summary of all communications received since the last meeting that were not forwarded and makes those communications available to the Directors.

### **Code of Ethics**

The Company has adopted a Code of Ethics that is applicable to the officers, directors and employees of the Company, including the Company's principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. ### **The Audit Committee**

The Audit Committee of the Company consists of directors Chapin, Tripp and Wilde. Each member of the Audit Committee is considered "independent" as defined in the Nasdaq corporate governance listing standards and under SEC Rule 10A-3. The Board of Directors has determined that

---

Mr. Wilde qualifies as an "audit committee financial expert" as that term is used in the rules and regulations of the SEC, primarily through:

his experience serving on the Company's Audit Committee for ten years, including the six years that the Company has been a publicly-owned stock company;

his educational background which includes an MBA from the Harvard University Graduate School of Business Administration; and

his experience in serving in managerial positions, including chief financial officer, at non-public companies.

The Committee reviews the contents of and conclusions in audit reports prepared by the internal auditor and the Company's independent auditors, reviews and approves the annual engagement of the Company's independent auditors, the Company's audit policy, the internal audit function and the plan of audit coverage, and reviews with management and the Company's independent auditor, the Company's financial statements and internal controls. The Audit Committee of the Company met seven times during the year ended December 31, 2003. The Company's Board of Directors has adopted a written charter for the Audit Committee of the Company, the current version of which is appended to this proxy statement as Exhibit A. The charter also is available at the Company's website at [www.brooklinebank.com](http://www.brooklinebank.com).

### Performance Graph

Set forth hereunder is a performance graph comparing (a) the total return on the Common Stock for the period beginning on December 31, 1998 through December 31, 2003, (b) the cumulative total return on stocks included in the S&P 500 Index and the Russell 2000 Index over such period, (c) the cumulative total return on stocks included in the SNL New England Thrift Index and the SNL MHC Thrift Index over such period, and (d) the cumulative total return on stocks included in the SNL \$1 billion to \$5 billion Thrift Index over such period. The Company believes the Russell 2000 Index, as a broad equity market index, and the SNL \$1 billion to \$5 billion Thrift Index, as an industry index, are more appropriate indices for the measurement of the performance of the total return on the Company's Common Stock than the S&P 500 Index and the SNL MHC Thrift Index, respectively, which will be discontinued.

The cumulative total return on the Common Stock was computed assuming the reinvestment of cash dividends during the period.

### Compensation Committee Interlocks and Insider Participation

The full Board of Directors of the Company approves the salaries to be paid each year to the three highest paid officers of the Company, based on the recommendations of the Compensation Committee. Richard P. Chapman, Jr. and Charles H. Peck are directors of the Company in addition to being executive officers of the Company and of the Bank. Messrs. Chapman and Peck do not participate in the Board of Directors' determination of compensation for their respective offices.

### Report of the Compensation Committee of the Board of Directors on Executive Compensation

Under rules established by the SEC, the Company is required to provide certain data and information regarding compensation and benefits provided to its Chief Executive Officer and other executive officers. The disclosure requirements for the Chief Executive Officer and other executive officers include a report explaining the rationale and considerations that led to fundamental executive compensation decisions affecting those individuals. In fulfillment of this requirement, the Compensation Committee of the Board of Directors has prepared the following report for inclusion in this proxy statement.

The Committee annually reviews the performance of the Chief Executive Officer and other executive officers and approves changes to base compensation as well as the level of bonus, if any, to be awarded. In determining whether the employment agreements of the Chief Executive

## Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

Officer and other executive officers should be extended, the Committee took into account the individual performance of each executive officer and the performance of the Company under the direction of the executive officers. Other factors considered by the Committee in 2003 included each executive officer's general managerial oversight of the Company, the quality of communications with the Board of Directors, and the Company's record of compliance with regulatory requirements.

While the Committee does not use strict numerical formulas to determine changes in compensation for the Chief Executive Officer and other executive officers, and while it weighs a variety of different factors in its deliberations, it has emphasized and expects to continue to emphasize the profitability and scope of the Company's operations, the experience, expertise and management skills of the executive officers and their roles in the future success of the Company, as well as compensation surveys prepared by banking associations and professional firms to determine compensation paid to executives performing similar duties for similarly-sized financial institutions in the New England and Mid-Atlantic Regions. While each of the quantitative and non-quantitative factors described above was considered by the Committee, such factors were not assigned a specific weight in evaluating the performance of the Chief Executive Officer and other executive officers. Rather, all factors were considered.

The amount of bonus payments to an executive officer is based on the performance of the Company as measured against certain quantitative thresholds. Specifically, bonus payments are based on the Company's level of net operating income and non-performing assets. In 2003, the Committee, after taking into account the foregoing quantitative criteria and other factors, established the bonus payments for the executive officers.

With respect to Richard P. Chapman, Jr., the Chief Executive Officer, the Committee recommended to the full Board of Directors a \$20,000 increase in base salary to \$460,000 in 2003. Mr. Chapman's annual bonus was increased by \$2,412 to \$134,412 for 2003.

## Employment and Severance Agreements

**Employment Agreements.** The Bank has entered into substantially identical employment agreements with Messrs. Chapman and Peck. Each of the agreements has a term of 36 months. On each anniversary date, the agreement may be extended for an additional twelve months so that the remaining term shall be 36 months. If the agreement is not renewed, the agreement will expire 36 months following the anniversary date. Under the agreements, the current Base Salaries for Messrs. Chapman and Peck are \$480,000 and \$220,000, respectively. The Base Salary may be increased but not decreased. In addition to the Base Salary, the agreement provides for, among other things, participation in retirement plans and other employee and fringe benefits applicable to executive personnel. The agreement provides for termination by the Bank for cause at any time. In the event the Bank terminates the executive's employment for reasons other than for cause, or in the event of the executive's resignation from the Bank (such resignation to occur within the period or periods set forth in the employment agreement) upon (i) failure to re-elect the executive to his current offices, (ii) a material change in the executive's functions, duties or responsibilities, or relocation of his principal place of employment by more than 30 miles, (iii) liquidation or dissolution of the Bank, (iv) a breach of the agreement by the Bank, or (v) following a change in control of the Bank or the Company, the executive, or in the event of death, his beneficiary, would be entitled to severance pay in an amount equal to three times the Base Salary and the highest bonus paid during any of the last three years. Messrs. Chapman and Peck would receive an aggregate of \$2,660,295 pursuant to their employment agreements upon a change in control of the Bank or the Company, based upon current levels of compensation. The Bank also would continue the executive's life, health, dental and disability coverage for 36 months from the date of termination. In the event the payments to the executive include an "excess parachute payment" as defined by Code Section 280G (relating to payments made in connection with a change in control), the payments would be reduced in order to avoid having an excess parachute payment.

Under the agreement, the executive's employment may be terminated upon his retirement in accordance with any retirement policy established on behalf of the executive and with his consent. Upon the executive's retirement, he will be entitled to all benefits available to him under any retirement or other benefit plan maintained by the Bank. In the event of the executive's disability for a period of six months, the Bank may terminate the agreement provided that the Bank will be obligated to pay him his Base Salary for the remaining term of the agreement or one year, whichever is longer, reduced by any benefits paid to the executive pursuant to any disability insurance policy or similar arrangement maintained by the Bank. In the event of the executive's death, the Bank will pay his Base Salary to his named beneficiaries for one year following his death, and will also continue medical, dental and other benefits to his family for one year. The employment agreement provides

that, following his termination of employment, the executive will not compete with the Bank for a period of one year.

**Severance Agreements.** The Bank has entered into severance agreements (the "Severance Agreements") with nine other officers of the Bank, including Mr. Bechet, Ms. Gorman and Mr. Pallin, which provide certain benefits in the event of a change in control of the Bank or the Company. Each of the Severance Agreements is for a term of one year. Commencing on each anniversary date, the Board of Directors may extend any Severance Agreement for an additional year. The Severance Agreements enable the Bank to offer to designated officers certain protections against termination without cause in the event of a "change in control." For these purposes, a "change in control" is defined generally to mean: (i) consummation of a plan of reorganization, merger or sale of substantially all of the assets of the Bank or the Company where the Bank or the Company is not the surviving entity; (ii) changes to the Board of Directors of the Bank or the Company whereby individuals who constitute the current Board cease to constitute a majority of the Board, subject to certain exceptions; (iii) a change in "control" as defined by the BHCA, in effect on the date of the Severance Agreement;

15

---

(iv) a transaction or occurrence whereby any person becomes the beneficial owner of 25% or more of the voting securities of the Company; and (v) a tender offer is made for 25% or more of the voting securities of the Company and 25% or more of the stockholders have tendered their shares. These protections against termination without cause in the event of a change in control are frequently offered by other financial institutions, and the Bank may be at a competitive disadvantage in attracting and retaining key employees if it does not offer similar protections. Although the Severance Agreements may have the effect of making a takeover more expensive to an acquiror, the Bank believes that the benefits of enhancing the Bank's ability to attract and retain qualified management persons by offering the Severance Agreements outweighs any disadvantage of such agreements.

Following a change in control of the Company or the Bank, an officer is entitled to a payment under the Severance Agreement if the officer's employment is involuntarily terminated during the term of such agreement, other than for cause, as defined, or if the officer voluntarily terminates employment during the term of such agreement as the result of a demotion, loss of title, office or significant authority, reduction in his annual compensation or benefits, or relocation of the officer's principal place of employment by more than 50 miles from its location immediately prior to the change in control. In the event that an officer who is a party to a Severance Agreement is entitled to receive payments pursuant to the Severance Agreement, the officer will receive a cash payment up to a maximum of one times the average of the three preceding years' annual base salary and bonuses. Mr. Bechet, Ms. Gorman and Mr. Pallin would receive an aggregate of \$551,352 and the remaining officers would receive an aggregate of \$542,155, pursuant to their severance agreements upon a change in control of the Bank or the Company. In addition to the severance payment, each covered officer is entitled to receive life, health, dental and disability coverage for a period of up to 12 months from the date of termination. Notwithstanding any provision to the contrary in the Severance Agreement, payments under the Severance Agreements are limited so that they will not constitute an excess parachute payment under Section 280G of the Internal Revenue Code.

#### **Compensation of Officers and Directors through Benefit Plans**

**Medical, Dental, Life and Other Similar Employee Benefit Plans.** The Bank provides eligible employees (i.e., generally full-time employees and employees who work more than 20 hours per week) with group life (after three months of employment), accidental death and dismemberment, and long-term disability coverage. For its eligible employees, the Bank pays 80% of the monthly premiums for group health coverage and 50% of the monthly premiums for individual and family dental coverage. For Messrs. Chapman and Peck, the Bank pays 100% of such premiums. The Bank pays 100% of the monthly premiums for group life insurance coverage after the employee has completed one year of service. The Bank also sponsors a flexible benefits plan under which employees can pay their ratable share of health insurance premiums on a pre-tax basis, a medical expense reimbursement plan under which employees can defer their salary on a pre-tax basis to cover the costs of certain medical expenses not reimbursed through insurance or otherwise, and a dependent care plan under which employees can defer their salary on a pre-tax basis to cover qualified dependent care expenses.

**Supplemental Retirement Income Agreement.** The Bank has entered into non-qualified supplemental retirement income agreements ("SRIA") for the benefit of Messrs. Chapman and Peck that provide them with benefits generally equal to 70% of their average compensation for the three calendar years with the highest rate of compensation in the ten calendar year period prior to retirement, reduced by any distribution they are entitled to receive from the Bank's pension plan and one-half of any Social Security benefits.

Retirement benefits under the SRIA are generally payable as a monthly benefit or, at the election of the Bank, as a lump sum benefit. The monthly benefits are payable on early or normal retirement or disability and continue until the later of the executive's death or 15 years from Mr. Peck's retirement (20 years in the case of Mr. Chapman). Monthly benefits are provided for designated beneficiaries of

16

participants who do not survive until retirement commencing on the date of death and ending on the earlier of (1) the date the executive would have attained his standard life expectancy or (2) 15 years from the date of death in the case of Mr. Peck (20 years in the case of the death of Mr. Chapman). Under the SRIAs, in the case of a change in control, the executive (or in the event of the executive's death, his beneficiary) is irrevocably entitled to elect a lump sum benefit equal to the actuarial equivalent of the monthly benefit to which the executive is entitled at such time. The SRIA is considered an unfunded plan for tax and ERISA purposes. For the year ended December 31, 2003, the Bank charged to expense under the SRIA \$187,288 and \$130,868 to Mr. Chapman and Mr. Peck, respectively. All obligations under the SRIA are payable from the general assets of the Bank.

**401(k) Plan.** The Bank maintains the Savings Banks Employees Retirement Association 401(k) Plan which is a qualified, tax-exempt profit sharing plan with a salary deferral feature under Section 401(k) of the Code (the "401(k) Plan"). All employees who have attained age 21 are eligible to participate.

Under the 401(k) Plan, participants are permitted to make salary reduction contributions equal to the lesser of 75% of compensation or \$12,000 in 2003 (as indexed annually). Those plan participants who are age 50 or older are permitted to make salary reduction contributions equal to the lesser of 75% of compensation or \$14,000 in 2003 (as indexed annually). For these purposes, "compensation" includes wages reported on federal income tax form W-2, but does not include compensation in excess of the Code Section 401(a)(17) limits (i.e., \$200,000). All employee contributions and earnings thereon are fully and immediately vested.

**Defined Contribution Plan.** The Bank has a defined contribution plan under which it provides annual contributions equal to 5% of each participant's compensation up to \$200,000. In order to be fully vested in the Bank's annual contribution, a participant must complete three years of service with the Bank or the Company in which he works 1,000 hours or more. A participant may withdraw salary reduction contributions in the event the participant suffers a financial hardship. The plan permits employees to direct the investment of their own accounts into various investment options.

Plan benefits will be paid to each participant in the form of a life annuity (or joint and survivor annuity if married) upon retirement or death unless an alternate form of distribution (lump sum or equal payments over a fixed period) is selected. If a participant terminates employment prior to retirement, his vested benefit will be held by the plan until the participant elects to receive his benefit from the plan. If a participant (and the participant's spouse, if married) elects to receive benefits after termination of employment prior to normal or early retirement age, benefits will be paid in a lump sum. Normal retirement age under the plan is age 65. Early retirement age under the Plan is 59<sup>1/2</sup>.

**Employee Stock Ownership Plan and Trust.** The Bank has implemented an Employee Stock Ownership Plan (the "ESOP"). Employees with at least one year of employment in which they work 1,000 hours or more with the Bank and who have attained age 21 are eligible to participate. The ESOP has borrowed funds from the Company and used those funds to purchase shares of the Common Stock of the Company. Collateral for the loan is the Common Stock purchased by the ESOP. The loan will be repaid principally from the Bank's contributions to the ESOP over a maximum of 30 years. The interest rate for the loan is fixed at 8.50%. Shares purchased by the ESOP are held in a suspense account for allocation among participants as the loan is repaid.

Contributions to the ESOP and shares released from the suspense account in an amount proportional to the repayment of the ESOP loan are allocated among ESOP participants on the basis of compensation in the year of allocation. For the plan year ended December 31, 2003, 62,008 shares were released from the suspense account and allocated to employees. Benefits generally vest over a seven-year period. Benefits generally vest at the rate of 20% per year beginning in the third year of service until a participant is 100% vested after seven years or upon normal retirement (as defined in

the ESOP), disability or death of the participant or a change in control (as defined in the ESOP). A participant who terminates employment for reasons other than death, retirement or disability prior to seven years of credited service will forfeit the nonvested portion of his benefits under the ESOP. Benefits will be payable in the form of Common Stock and cash upon death, retirement, early retirement, disability or separation from service. The Bank's contributions to the ESOP are discretionary, subject to the loan terms and tax law limits and, therefore, benefits payable under the ESOP cannot be estimated. The Bank is required to record compensation expense in an amount equal to the fair market value of the shares released from the suspense account.

The Bank's Board of Directors administers the ESOP. The Bank has appointed an independent financial institution to serve as trustee of the ESOP. The ESOP committee may instruct the trustee regarding investment of funds contributed to the ESOP. The ESOP trustee, subject to its

## Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

fiduciary duty, must vote all allocated shares held in the ESOP in accordance with the instructions of participating employees. Under the ESOP, nondirected shares and shares held in the suspense account will be voted in a manner calculated to most accurately reflect the instructions it has received from participants regarding the allocated stock so long as such vote is in accordance with the provisions of ERISA.

### Stock Benefit Plans

The Board of Directors of the Company has adopted the 1999 Stock Option Plan, the 2003 Stock Option Plan, the 1999 Recognition and Retention Plan and the 2003 Recognition and Retention Plan, all of which plans have been approved by stockholders. Pursuant to the Recognition and Retention Plans, awards were made to directors and certain executive officers and employees of the Company and affiliates of the Company as determined by the Compensation Committee, which administers the plans. Awards vest for such participants in accordance with schedules determined by the committee. If a recipient ceases continuous service with the Company or the Bank due to normal retirement, death or disability, or following a change in control, shares subject to restrictions will immediately vest; in the event of cessation of continuous service for any other reason, unvested shares are forfeited and returned to the Company. Recipients have the right to vote nonvested shares that have been awarded and will receive dividends declared on such shares.

Pursuant to the Stock Option Plans, options to purchase common stock of the Company were granted to directors and certain executive officers and employees of the Company and affiliates of the Company, as determined by the Compensation Committee which administers the plans. The committee also determines the period over which such awards will vest and become exercisable. The plans provide for awards in the form of stock options, reload options, limited stock appreciation rights and dividend equivalent rights.

Set forth below is certain information regarding options granted to the Named Executive Officers during 2003.

#### Transactions with Certain Related Persons

All transactions between the Company and its executive officers, directors, holders of 10% or more of the shares of its Common Stock and affiliates thereof, are on terms no less favorable to the Company than could have been obtained by it in arm's-length negotiations with unaffiliated persons. The balance of loans outstanding to directors, executive officers and their related interests amounted to \$4,047,000 at December 31, 2003. The Sarbanes-Oxley Act of 2002 generally prohibits an issuer from:

(i) extending or maintaining credit; (ii) arranging for the extension of credit; or (iii) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, however, one of which is applicable to the Company. Namely, this prohibition does not apply to loans made by a depository institution that is insured by the FDIC and is subject to the insider lending restrictions of the Federal Reserve Act. All loans to the Company's directors and officers by the Bank are made in conformity with the Federal Reserve Act and regulations promulgated thereunder.

**PROPOSAL 2 RATIFICATION OF APPOINTMENT OF AUDITORS**

The Board of Directors of the Company has approved the engagement of KPMG LLP to be the Company's auditors for the 2004 fiscal year, subject to the ratification of the engagement by the Company's stockholders. At the Annual Meeting, stockholders will consider and vote on the ratification of the engagement of KPMG LLP for the Company's fiscal year ending December 31, 2004. A representative of KPMG LLP is expected to attend the Annual Meeting to respond to appropriate questions and to make a statement if he so desires.

On January 17, 2003, the Company elected to change its independent auditors to KPMG LLP from Grant Thornton LLP. The decision to change independent auditors was recommended by the Audit Committee of the Board of Directors and approved by the Board of Directors. Grant Thornton LLP's report on the consolidated financial statements of the Company for the period ended December 31, 2002 did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, auditing scope or accounting principles. Grant Thornton LLP was engaged to audit the consolidated financial statements of the Company as of and for the year ended December 31, 2002. During the two years ended December 31, 2002 and the interim period through March 18, 2003, the Company had no disagreements with Grant Thornton LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which disagreements, if not resolved to the satisfaction of Grant Thornton LLP, would have caused it to make reference to the subject matter of the disagreements in connection with its report.

Set forth below is certain information concerning aggregate fees billed for professional services rendered during fiscal year 2003 and 2002 by KPMG LLP and Grant Thornton LLP, respectively, the Company's auditors for those respective years. The aggregate fees included in the Audit category were fees billed for the fiscal years for the audit of the Company's annual financial statements and the review of the Company's quarterly financial statements. The aggregate fees included in each of the other categories were fees billed in the fiscal years.

	2003	2002
Audit Fees	\$ 170,000	\$ 124,509
Audit-Related Fees		
Tax Fees	49,680	57,630
All Other Fees		87,144

**Audit Fees.** Audit fees were for professional services rendered for the audits of the consolidated financial statements of the Company and review of the financial statements included in the Company's quarterly reports on Form 10-Q.

**Tax Fees.** Tax fees were for services related to tax compliance, tax planning and assistance in addressing a dispute relating to the Company's real estate investment trust subsidiary. All of the tax fees in 2003 and 2002 were paid to KPMG LLP.

20

**All Other Fees.** All other fees consisted of the rendering of a state tax opinion in connection with the Company's reorganization and stock offering and the review of the prospectus relating to the stock offering, which was completed in July 2002. These fees were paid to Grant Thornton LLP.

The Audit Committee considered whether the provision of non-audit services was compatible with maintaining the independence of its auditors. The Audit Committee concluded that performing such services in 2002 did not affect the auditors' independence in performing their function as auditors of the Company.

**Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor**

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chairman when expedition of services is necessary. The independent auditors and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. None of the tax fees and other fees paid in 2003 and 2002 were approved per the Audit Committee's pre-approval policies (which had not been implemented at the time such fees were paid).

## Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

In order to ratify the selection of KPMG LLP as the auditors for the 2004 fiscal year, the proposal must receive the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF KPMG LLP AS AUDITORS FOR THE 2004 FISCAL YEAR.**

### STOCKHOLDER PROPOSALS

In order to be eligible for inclusion in the proxy materials for next year's Annual Meeting of Stockholders, any stockholder proposal to take action at such meeting must be received at the Company's executive office, 160 Washington Street, Brookline, Massachusetts 02445, no later than November 15, 2004. Any such proposals shall be subject to the requirements of the proxy rules adopted under the Securities Exchange Act of 1934.

### OTHER MATTERS AND ADVANCE NOTICE PROCEDURES

The Board of Directors is not aware of any business to come before the Annual Meeting other than the matters described above in this proxy statement. However, if any matters should properly come before the Annual Meeting, it is intended that holders of the proxies will act as directed by a majority of the Board of Directors, except for matters related to the conduct of the Annual Meeting, as to which they shall act in accordance with their best judgment. The Board of Directors intends to exercise its discretionary authority to the fullest extent permitted under the Securities Exchange Act of 1934.

The Bylaws of the Company provide an advance notice procedure for certain business, or nominations to the Board of Directors, to be brought before an annual meeting. In order for a stockholder to properly bring business before an annual meeting, or to propose a nominee to the Board, the stockholder must give written notice to the Secretary of the Company not less than 90 days before the date fixed for such meeting; provided, however, that in the event that less than 100 days' notice or prior public disclosure of the date of the meeting is given or made, notice by the stockholder to be timely must be received not later than the close of business on the tenth day following the day on which such notice of the date of the Annual Meeting was mailed or such public disclosure was made. The notice must include the stockholder's name, record address and number of shares owned by the

stockholder, describe briefly the proposed business, the reasons for bringing the business before the annual meeting and any material interest of the stockholder in the proposed business. In the case of nominations to the Board, certain information regarding the nominee must be provided. Nothing in this paragraph shall be deemed to require the Company to include in its proxy statement and proxy relating to an annual meeting any stockholder proposal which does not meet all of the requirements for inclusion established by the SEC in effect at the time such proposal is received.

The date on which the 2005 Annual Meeting of Stockholders is expected to be held is April 20, 2005. Accordingly, advance written notice of business or nominations to the Board of Directors to be brought before the 2005 Annual Meeting of Stockholders must be given to the Company no later than January 21, 2005. If notice is received after January 21, 2005, it will be considered untimely, and the Company will not be required to present the matter at the 2005 Annual Meeting of Stockholders.

### MISCELLANEOUS

The cost of solicitation of proxies in the form enclosed herewith will be borne by the Company. Proxies also may be solicited personally or by mail, telephone or telegraph by the Company's directors, officers and employees, without additional compensation therefor. The Company also will request persons, firms and corporations holding shares in their names, or in the names of their nominees which are beneficially owned by others, to send proxy materials to and to obtain proxies from such beneficial owners, and will reimburse such holders for their reasonable expenses in doing so.

**EXHIBIT A**

**BROOKLINE BANCORP, INC.**

**Audit Committee Charter**

**I. Purpose**

The Audit Committee (the "Committee") is a committee of the Board of Directors (the "Board"). Its primary function is to assist the Board in monitoring:

the integrity of the Company's financial statements

the qualifications and independence of the Company's independent auditor

the performance of the Company's internal audit function and independent auditor

the Company's disclosure controls and system of internal controls over financial reporting

The Committee should foster adherence to, and encourage continuous improvement of, the Company's policies, procedures and practices. The Committee should also provide an open avenue of communication among financial and senior management, the internal audit function, the independent auditor and the Board.

The Committee has the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

The Committee will report regularly to the Board. The Committee shall review and assess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval.

**II. Composition and Meetings**

The Committee shall be comprised of at least three directors, as determined by the Board. Each Committee member shall be an independent director, as defined by all applicable rules and regulations, including the listing standards of Nasdaq, and free from any relationship (including disallowed compensatory arrangements) that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee.

All members of the Committee shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience. The Board shall determine whether at least one member of the Committee qualifies as an "audit committee financial expert" in compliance with criteria established by the SEC and other relevant regulations. The existence of such member, including his or her name and whether he or she is independent, shall be disclosed in periodic filings as required by the SEC.

The members of the Committee shall be elected by the Board and shall serve until their successors are duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

The Committee shall meet at least quarterly or more frequently as circumstances dictate. Each regularly scheduled meeting shall conclude with an executive session of the Committee absent members of management and on such terms and conditions as the Committee may choose. As part of its

A-1

responsibility to foster open communication, the Committee will meet periodically with management, the internal auditor and the independent auditor in separate executive sessions to discuss any matters that the Committee or each of those parties believe should be discussed privately. The Committee will meet quarterly with the independent auditor and management to discuss the Company's financial statements.

### III. Duties and Responsibilities

The Committee, to the extent it deems necessary or appropriate, shall:

#### *Financial Statement and Disclosure Matters*

Review and discuss with management and the independent auditor the Company's annual audited financial statements, including disclosures made in management's discussion and analysis, and recommend to the Board whether the audited financial statements should be included in the Company's Form 10-K.

Discuss with management and the independent auditor significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including any significant changes in the Company's selection or application of accounting principles, any major issues as to the adequacy of the Company's internal controls and any special steps adopted in light of material control deficiencies.

## Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

Discuss with management the Company's earnings press releases, including the use of "pro forma" or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and ratings agencies. Such discussions may be on general terms (i.e., discussion of the types of information to be disclosed and the type of presentation to be made).

Discuss with management and the independent auditor the effect of regulatory and accounting initiatives as well as off-balance sheet structures on the Company's financial statements.

Discuss with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies.

### *Independent Auditor*

Appoint, compensate and oversee the work performed by the independent auditor for the purpose of preparing an audit report on the Company's financial statements or related work. Review the performance of the independent auditor and remove the independent auditor if circumstances warrant. The independent auditor shall report directly to the Committee and the Committee shall oversee the resolution of disagreements between management and the independent auditor in the event they arise. Consider whether the auditor's performance of permissible non-audit services is compatible with the auditor's independence.

Review and evaluate the lead partner of the independent auditor team. Ensure the rotation of the lead audit partner and the audit partner responsible for reviewing the audit as required by law.

Obtain and review a report from the independent auditor at least annually regarding:

- (a) the internal quality control procedures of the independent auditor's firm
- (b) any material issues raised by the most recent internal quality control review, peer review or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues
- (c) all relationships between the independent auditor and the Company

Review and pre-approve both audit and non-audit services to be provided by the independent auditor (other than with respect to non-significant exceptions permitted by the Sarbanes-Oxley Act of 2002) in accordance with the Company's pre-approval

policy presented on Attachment A hereto.

Meet with the independent auditor prior to the audit to discuss the planning and staffing of the audit.

Employees or former employees of the independent auditor who participated in any capacity in the audit of the Company will not be hired by the Company unless (a) it is determined that such a hiring would not violate any rules and regulations and (b) the hiring is pre-approved by the Board.

Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

#### **IV. Limitation of Audit Committee's Role**

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the independent auditor.

A-4

*Audit Committee Pre-Approval Policy***I. Statement of Principles**

The Audit Committee (the "Committee") is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such services does not impair the auditor's independence. Unless a type of service to be provided by the independent auditor has received general pre-approval, it will require specific pre-approval by the Committee. Any proposed services exceeding pre-approved cost levels will require specific pre-approval by the Committee.

The appendices to this policy describe the audit, audit-related and tax services that have the pre-approval of the Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Committee specifically provides for a different period. The Committee will revise the list of pre-approved services periodically based on subsequent determinations.

**II. Delegation**

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Committee at its next scheduled meeting. The Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

**III. Audit Services**

The annual audit services engagement terms and fees will be subject to the specific pre-approval of the Committee. The Committee will approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other matters.

In addition to the annual audit services engagement approved by the Committee, the Committee may grant pre-approval for other audit services, which are those services that only the independent auditor reasonably can provide. The Committee has pre-approved the audit services listed in Appendix A. All other audit services not listed in Appendix A must be pre-approved by the Committee.

**IV. Audit-Related Services**

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and that are traditionally performed by the independent auditor. The Committee believes that the provision of audit-related services does not impair the independence of the auditor and has pre-approved the audit-related services listed in Appendix B. All other audit-related services not listed in Appendix B must be pre-approved by the Committee.

**V. Tax Services**

The Committee believes that the independent auditor can provide tax services to the Company such as preparation of tax returns, tax compliance, tax planning and tax advice without impairing the auditor's independence. However, the Committee will not permit the retention of the independent auditor in connection with a transaction initially recommended by the independent auditor, the purpose of which may be tax avoidance and the tax treatment of which may not be supported by the Internal Revenue Code and related regulations. The Committee has pre-approved the tax services listed in

A-5

---

Appendix C. All tax services involving large and complex transactions not listed in Appendix C must be pre-approved by the Committee.

**VI. All Other Services**

All other services not addressed in the above sections may be provided by the independent auditor only if such services do not impair the auditor's independence. The Committee has not pre-approved a list of other services. All other services require specific pre-approval by the Committee.

## Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

A list of the SEC's prohibited non-audit services is attached to this policy as Exhibit 1. The SEC's rules and relevant guidance should be consulted to determine the precise definitions of these services and the applicability of exceptions to certain of the prohibitions.

### VII. Pre-Approval Fee Levels

Pre-approval fee levels for all services to be provided by the independent auditor will be established periodically by the Committee. Any proposed services exceeding these levels will require specific pre-approval by the Committee.

### VIII. Supporting Documentation

With respect to each proposed pre-approved service, the independent auditor will provide detailed back-up documentation to the Committee regarding the specific services to be provided.

### IX. Procedures

Requests or applications to provide services that require approval by the Committee will be submitted to the Committee by both the independent auditor and the chief financial officer of the Company, and must include a statement by each of them as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.
