PROXY STATEMENT

**For the Annual Meeting of Stockholders to be Held
Tuesday, June 15, 2004**

We are providing these proxy materials in connection with the solicitation by the Board of Directors of On Assignment, Inc. of proxies to be voted at On Assignment's 2004 Annual Meeting of Stockholders to be held on Tuesday, June 15, 2004 or at any adjournment thereof. This Proxy Statement, the proxy card and On Assignment, Inc.'s Annual Report to Stockholders will be mailed to each stockholder entitled to vote commencing on or about April 29, 2004.

General Information About the Annual Meeting and Voting

Who may vote at the Annual Meeting?

The Board has set April 23, 2004 as the record date for the Annual Meeting. If you were the owner of On Assignment, Inc. common stock at the close of business on April 23, 2004, you may vote at the Annual Meeting. You are entitled to one vote for each share of common stock you held on the record date, including shares:

held directly in your name with our transfer agent as a "holder of record"; and

held for you in an account with a broker, bank or other nominee (shares held in "street name").

A list of stockholders entitled to vote at the Annual Meeting will be open to the examination of any stockholder, for any purpose germane to the Annual Meeting, during normal business hours for a period of ten days before the Annual Meeting at our corporate offices at 26651 West Agoura Road, Calabasas, California 91302, and at the time and place of the Annual Meeting.

How many shares must be present to hold the meeting?

A majority of On Assignment's outstanding shares of common stock as of the record date must be present at the Annual Meeting in order to hold the meeting and conduct business. This is called a quorum. On the record date, there were 25,233,213 shares of On Assignment common stock outstanding. Your shares are counted as present at the Annual Meeting if you:

are present and vote in person at the Annual Meeting; or

have properly submitted a proxy card prior to the Annual Meeting.

What proposals will be voted on at the Annual Meeting?

The items scheduled to be voted on at the Annual Meeting are:

the election of two directors for three-year terms; and

the ratification of the appointment of Deloitte & Touche LLP as our independent auditors for the 2004 fiscal year.

Edgar Filing: ON ASSIGNMENT INC - Form DEF 14A

If any other matters are properly submitted for consideration at the Annual Meeting or any adjournment thereof, the persons named as proxies shall vote the shares represented thereby in their discretion.

How many votes are required to approve each item?

Directors are elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees who receive the largest number of "FOR" votes cast will be elected as directors.

The ratification of the appointment of the independent auditors requires the "FOR" vote of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to vote on that proposal.

How are votes counted?

You may either vote "FOR" or "WITHHOLD" authority to vote for the director nominees. You may vote "FOR," "AGAINST" or "ABSTAIN" on the ratification of the appointment of our independent auditors. If you withhold authority to vote with respect to any nominees, your shares will be counted for purposes of establishing a quorum, but will have no effect on the election of those nominees. If you abstain from voting on a proposal, your shares will be counted as present for purposes of establishing a quorum at the Annual Meeting, and the abstention will have the same effect as a vote against that proposal. If you sign and submit your proxy card without voting instructions, your shares will be voted "FOR" the director nominees put forth by the Board and "FOR" the appointment of Deloitte & Touche LLP as our independent auditors.

Broker non-votes are counted as present for purposes of determining the presence or absence of a quorum for the transaction of business but will not be counted for purposes of determining whether a proposal has been approved. Broker non-votes occur when brokers do not receive voting instructions from their customers and the broker does not have discretionary voting authority with respect to a proposal.

How does the Board recommend that I vote?

The Board of Directors recommends that you vote "FOR" the director nominees named in this Proxy Statement and "FOR" the ratification of the appointment of Deloitte & Touche LLP our as independent auditors.

How do I vote my shares without attending the Annual Meeting?

Whether you hold shares directly or in "street name," you may direct your vote without attending the Annual Meeting. If you are a stockholder of record, you may vote by signing and dating your proxy card and mailing it in the postage-paid envelope provided. You should sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity (for example, as guardian, executor, trustee, custodian, attorney or officer of a corporation), you should indicate your name and title or capacity.

For shares held in "street name," you should follow the voting directions provided by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions by telephone or the Internet. If you provide specific voting instructions by mail, telephone or the Internet, your shares will be voted by your broker or nominee as you have directed.

How do I vote my shares in person at the Annual Meeting?

Even if you plan to attend the Annual Meeting, we encourage you to vote by signing, dating and returning the enclosed proxy card so your vote will be counted if you later decide not to attend the Annual Meeting.

Edgar Filing: ON ASSIGNMENT INC - Form DEF 14A

If you choose to vote in person at the Annual Meeting:

If you are a stockholder of record, you may vote by the ballot to be provided at the Annual Meeting; or

If you hold your shares in "street name," you must obtain a proxy in your name from your bank, broker or other holder of record in order to vote by ballot at the Annual Meeting.

What happens if my shares are held in more than one account?

If your shares are held in more than one account, you will receive a proxy card for each account. To ensure that all of your shares in each account are voted, you must sign, date and return each proxy card you receive.

May I revoke my proxy and change my vote?

You may revoke your proxy at any time before it is voted by:

submitting a properly signed proxy card with a later date;

delivering to the Corporate Secretary of On Assignment a written notice of revocation bearing a later date than the proxy card; or

voting in person at the Annual Meeting.

Proposal One Election of Directors

The Bylaws of On Assignment provide that our Board of Directors shall be comprised of not less than four nor more than seven directors, with the exact number to be fixed by the Board. The Board has fixed the authorized number of directors at six. The Board is divided into three classes, as equal in number as possible. At each Annual Meeting, one class of directors is elected for a three-year term.

At this year's Annual Meeting, two directors will be elected to serve until our 2007 Annual Meeting or until their successors are elected and qualified. The Honorable William E. Brock and Elliott Ettenberg, each of whom currently serves as a director, have been nominated to stand for election. Unless otherwise instructed by stockholders, the persons named as proxies will vote the proxies received by them "FOR" the election of Senator Brock and Mr. Ettenberg. Senator Brock and Mr. Ettenberg have consented to serve if elected, but if they are unable or unwilling to serve, the persons named as proxies may exercise their discretion to vote for substitute nominees.

Approval of Proposal One

The nominees receiving the highest number of "FOR" votes cast will be elected as directors. The Board of Directors unanimously recommends that the stockholders vote "FOR" the election of their nominees.

From 1981 through 1998 Ms. Hopp was employed by Ernst & Young LLP, where she served as an audit partner.

Independent Directors

The Board of Directors consists of six members, a majority of which are deemed by the Board of Directors to be "independent directors" under the current listing standards of the Nasdaq Stock Market. Our independent directors are Ms. Hopp, Senator Brock and Messrs. Ettenberg, Holman and Jones. The Board of Directors has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board discussed information provided by the directors and On Assignment with regard to the business and personal activities of each director as they may relate to On Assignment. There are no family relationships among On Assignment's executive officers or directors.

Board Committees and Meetings

The Board of Directors held nine meetings and acted by unanimous consent on four occasions during the fiscal year ended December 31, 2003. The Board of Directors has a Compensation Committee, an Audit Committee, a Nominating and Corporate Governance Committee and a Stock Option Committee.

Compensation Committee. The Compensation Committee consists of three directors, Senator Brock, Mr. Jones and Mr. Holman, who serves as chairman of the committee. The Compensation Committee held seven meetings during 2003 and acted by written consent on five occasions. The Compensation Committee reviews On Assignment's general compensation policies, sets the compensation levels for On Assignment's executive officers and administers On Assignment's Restated 1987 Stock Option Plan and Employee Stock Purchase Plan.

Audit Committee. The Audit Committee consists of three directors, Mr. Holman, Mr. Jones and Ms. Hopp, who serves as chairperson of the committee. The Audit Committee held nine meetings during 2003. The Audit Committee reviews, acts on, and reports to the Board of Directors with respect to various auditing and accounting matters. The Audit Committee is directly responsible for the appointment, compensation, evaluation, retention and oversight of On Assignment's independent auditors. The primary functions of the Audit Committee are to assist the Board of Directors in its responsibility for oversight of (a) the quality and integrity of our financial statements and our financial reporting and disclosure practices, (b) our systems of internal controls regarding finance and accounting compliance, (c) the independence and performance of our outside auditors, and (d) our ethical compliance programs. The Audit Committee also performs the other functions required of audit committees of public companies under applicable laws, rules and regulations and the requirements of the Nasdaq Stock Market.

Rules recently adopted by the Nasdaq Stock Market and the Securities and Exchange Commission (the "SEC") impose strict independence requirements for all members of the Audit Committee. In addition to meeting the Nasdaq Stock Market's tests for director independence generally, directors on audit committees must meet two basic criteria set forth in the SEC's rules. First, audit committee members are barred from accepting, directly or indirectly, any consulting, advisory or other compensatory fee from the issuer or an affiliate of the issuer, other than in the member's capacity as a member of the board of directors and any board committee. The second basic criterion for determining independence provides that a member of an audit committee may not be an affiliated person of the issuer or any subsidiary of the issuer apart from his or her capacity as a member of the board and any

board committee. The Board has determined that each member of the Audit Committee meets these independence requirements, in addition to the independence criteria established by the Nasdaq Stock Market. The Board of Directors has determined that Ms. Hopp is an audit committee financial expert, as that term is defined under the SEC rules. A copy of the Audit Committee charter is attached to this Proxy Statement as Annex A.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of three directors, Ms. Hopp, Mr. Ettenberg and Mr. Jones, who serves as chairman of the committee. The Nominating and Corporate Governance Committee evaluates director nominee candidates and makes recommendations to the Board of Directors with respect to the nomination of individuals for election to the Board of Directors and to serve as committee members. The Board has determined that each member of the Nominating and Corporate Governance Committee is independent within the meaning of the Nasdaq Stock Market rules requiring members of nominating committees to be independent. The Nominating and Corporate Governance Committee was formed by the Board in February 2004. The Nominating and Corporate Governance Committee recommended the nominations of each of the nominees for election at this year's Annual Meeting.

The Nominating and Corporate Governance Committee charter, and the corporate governance guidelines established by the Nominating and Corporate Governance Committee, set forth certain criteria for the committee to consider in evaluating potential director nominees. In considering potential candidates for director, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials. Qualifications considered by the Nominating and Corporate Governance Committee vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board. Qualifications used to evaluate a candidate include personal and professional ethics and integrity, sound judgment, the ability to make independent analytical inquiries, a willingness and ability to devote adequate time and resources to diligently perform the duties of a director, and relevant business experience and acumen. Additional factors such as whether the person possesses specific industry expertise, whether the candidate is familiar with general issues affecting our business, and whether the person would qualify as an audit committee financial expert or an our independent director are also taken into consideration by the Nominating and Corporate Governance Committee when selecting a candidate.

The Nominating and Corporate Governance Committee relies primarily on recommendations from its members, other directors, the Chief Executive Officer or Chairman of the Company, and third parties, including professional recruiting firms. Existing directors being considered for re-nomination will be evaluated based on their performance as directors to ensure that they continue to meet the qualifications above.

The Nominating and Corporate Governance Committee will also consider timely written suggestions from our stockholders. Stockholders wishing to suggest a candidate for director nomination for the 2005 Annual Meeting should mail their suggestions to On Assignment, Inc., 26651 West Agoura Road, Calabasas, California 91302, Attn: Secretary. Suggestions must be received by the Secretary of On Assignment no later than December 31, 2004. The manner in which director nominee candidates suggested in accordance with this policy are evaluated shall not differ from the manner in which candidates recommended by other sources are evaluated.

The written charters governing the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee are posted on the Investor Relations Corporate Governance page of our website at <http://www.onassignment.com>. You may also obtain a copy of any of these documents without charge by writing to: On Assignment, Inc., 26651 West Agoura Road, Calabasas, California 91302, Attn: Secretary.

Stock Option Committee. The Stock Option Committee consists of one director, Dr. Peterson. The Stock Option Committee acted by written consent on 12 occasions during 2003. The Stock Option

Committee has been delegated limited authority to grant stock options to eligible individuals who are not executive officers or directors.

No currently serving Director attended fewer than 75% of the aggregate number of meetings of the Board of Directors and meetings of the Committees of the Board of Directors on which he or she served during 2003. Our independent directors regularly meet as a group in executive session outside of the presence of management. As is the case with all regularly scheduled meetings of the Board of Directors and its Committees, all of On Assignment's directors are expected to attend our Annual Meetings of Stockholders in person. Dr. Peterson, Mr. Ettenberg and Mr. Jones, then serving on On Assignment's Board of Directors as of June 17, 2003 attended our 2003 Annual Meeting of Stockholders.

Communicating with the Board

We invite stockholders and other interested parties to communicate any concerns they may have about On Assignment directly and confidentially with either the Chairman of the Board of Directors or the non-management directors as a group by writing to the attention of either the Chairman of the Board of Directors or the Non-Management Directors at On Assignment, Inc., 26651 West Agoura Road, Calabasas, California 91302.

Ethics

On Assignment has adopted a Code of Business Conduct and Ethics that is applicable to all directors, officers and employees of On Assignment. It complies with the requirements of Section 406(c) of the Sarbanes-Oxley Act. More importantly, it reflects On Assignment's policy of dealing with all persons, including its customers, employees, investors, regulators and vendors, with honesty and integrity. A copy of On Assignment's Code of Business Conduct and Ethics can be found on the Investor Relations Corporate Governance page of our website at <http://www.onassignment.com>. You may also obtain a copy of this document without charge by writing to: On Assignment, Inc., 26651 West Agoura Road, Calabasas, California 91302, Attn: Secretary.

Director Compensation

Each non-officer director receives the following fees for services as a director: an annual cash retainer of \$15,000 payable quarterly in arrears; \$2,000 per regularly scheduled Board meeting attended in person or by telephone; \$500 per special telephonic Board meeting; \$1,000 per committee meeting, or \$500 if attended by telephone. Beginning in the second quarter of 2004, directors will not be paid for committee meetings held at the same time and location as a planned Board meeting or any telephonic committee meetings held in connection with telephonic Board meetings. In addition, we reimburse all non-officer directors for their reasonable expenses incurred in attending Board or committee meetings. Mr. Jones receives a \$45,000 retainer, payable quarterly in arrears, in connection with his services as Chairman of the Board. We paid Senator Brock \$27,000, Mr. Ettenberg \$26,000, Mr. Holman \$36,500, Mr. Jones \$52,750, and Ms. Hopp \$11,750 for services as directors during 2003. Beginning in the second quarter of 2004, Ms. Hopp shall receive \$5,000 per year payable quarterly in arrears for her services as chairperson of the Audit Committee. In addition, Karen Brenner, who resigned from the Board in March 2003, received \$12,500 as compensation for services as a director in 2003.

Each new, non-employee director receives a grant to purchase 18,000 shares of our common stock. Ms. Hopp received such grant on June 26, 2003. Each non-employee director also receives an annual grant of a fully vested stock option to purchase 9,000 shares of our common stock. In 2003, the four non-employee directors serving on the Board as of the date of our 2003 Annual Meeting of Stockholders received a fully vested stock option to purchase 9,000 shares of common stock at an

exercise price of \$4.35 per share, the closing price of such shares on the Nasdaq Stock Market on the date of the grant.

In addition, Mr. Ettenberg received compensation associated with consulting services provided to On Assignment during 2003. Information regarding this arrangement is contained under "Certain Relationships and Related Transactions" below.

Report of the Audit Committee

The Audit Committee of the Board of Directors consists of Ms. Hopp, who serves as chairperson, Mr. Holman and Mr. Jones. The Audit Committee members are not professional accountants or auditors, and their role is not intended to duplicate or certify the activities of management and the independent auditors, nor can the Audit Committee certify that the independent auditors are "independent" under applicable rules. The Audit Committee serves a board level oversight role, in which it provides advice, counsel and direction to management and the independent auditors on the basis of the information it receives, discussions with management and the independent auditors, and the experience of the Audit Committee's members in business, financial and accounting matters.

Fees Paid To Independent Accountants

The following table sets forth fees for professional services provided by Deloitte & Touche LLP for the audit of On Assignment's financial statements for fiscal years 2003 and 2002 and fees billed for audit-related services, tax services, and all other services rendered by Deloitte & Touche LLP for fiscal years 2003 and 2002:

Tax Fees(3)	\$ 3,800	N/A
All other fees(4)	N/A	\$ 185,000

- (4) Represents fees for services provided to On Assignment not otherwise included in the categories seen above. None of these fees were for services related to the design or implementation of financial information systems. For 2002, these amounts were incurred for services in connection with the acquisition of Health Personnel Options Corporation in April 2002 and post-acquisition strategic assessment.

Pre-approval of Non-Audit Services

All audit related services, tax services and other services were pre-approved by the Audit Committee, which concluded that the provision of such services by Deloitte & Touche LLP was

Edgar Filing: ON ASSIGNMENT INC - Form DEF 14A

compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee's Audit and Non-Audit Services Pre-Approval Policy provides for pre-approval of audit-related, tax and other services specifically described by the Audit Committee on an annual basis. The Audit Committee may pre-approve engagements for permitted services by resolution, provided such pre-approval resolution specifies the type of service permitted, the maximum fees payable and such other limitations and requirements as the Audit Committee may deem appropriate.

The Audit and Non-Audit Services Pre-Approval Policy authorizes the Audit Committee to delegate to one or more of its members pre-approval authority with respect to permitted services. Authority delegated to such person or persons shall specify (i) the types of services permitted that may be pre-approved; (ii) any limitations on such authority; and (iii) the term of such authority, which shall in no event exceed one year. Such person or persons acting upon delegation of authority shall report to the full Committee the nature and cost of such services at the next Audit Committee meeting following such approval.

Filing of Audited Financial Statements with Annual Report for 2003

The Audit Committee reviewed and discussed On Assignment's audited Consolidated Financial Statements for the fiscal year ended December 31, 2003 with management. The Audit Committee also discussed with Deloitte & Touche LLP, On Assignment's independent auditor, the auditor's responsibilities, any significant issues arising during the audit and other matters required to be discussed by SAS 61. The Audit Committee received the written disclosures and letter from On Assignment's independent auditor required by Independence Standards Board Standard No. 1 and has discussed with On Assignment's auditor its independence. Based on its review and the discussions noted above, the Audit Committee recommended to the Board of Directors that On Assignment's Consolidated Financial Statements for the fiscal year ended December 31, 2003 be included in its Annual Report on Form 10-K for that fiscal year for filing with the Securities and Exchange Commission.

Proposal Two Ratification of Appointment of Independent Auditors

The Audit Committee of the Board of Directors has appointed the firm of Deloitte & Touche LLP as independent accountants to audit On Assignment's consolidated financial statements for the fiscal year ending December 31, 2004, and is asking stockholders to ratify this appointment at the Annual Meeting.

Deloitte & Touche LLP has audited our consolidated financial statements annually since 1986. A representative of Deloitte & Touche LLP is expected to be present at the Annual Meeting, will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions. Information regarding fees billed by Deloitte & Touche LLP for the years ended December 31, 2002 and 2003 is set forth in the Report of the Audit Committee above.

Our bylaws do not require that stockholders ratify the appointment of our independent auditors. We are seeking ratification because we believe it is a matter of good corporate governance practice. In the event that stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain Deloitte & Touche LLP, but may ultimately determine to retain Deloitte & Touche LLP as our independent auditors. Even if the appointment is ratified, the Audit Committee, in its sole discretion, may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of On Assignment and its stockholders.

Approval of Proposal 2

The Board of Directors unanimously recommends that stockholders vote "FOR" the ratification of the appointment of Deloitte & Touche LLP as independent auditors for the current year. Unless a contrary choice is specified, shares represented by proxies will be voted "FOR" ratification of the appointment.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth, as of April 1, 2004, the beneficial ownership of On Assignment's common stock for the following persons:

all stockholders known by us to beneficially own more than 5% of our common stock;

each of our directors;

our Chief Executive Officer and certain Named Officers set forth in the compensation tables in this proxy statement; and

all of our directors and executive officers as a group.

Certain information in the table concerning stockholders other than our directors and officers is based on information contained in filings made by such beneficial owner with the Securities and Exchange Commission.

Pursuant to Rule 13d-3 of the Securities Exchange Act of 1934, as amended, shares are deemed to be beneficially owned by a person if that person has the right to acquire shares (for example, upon exercise of an option) within sixty (60) days of the date that information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of such acquisition rights. As a result, the percentage of outstanding shares held by any person in the table

Executive Compensation and Related Information

Report of the Compensation Committee

The Compensation Committee of the Board of Directors is responsible for the establishment, approval and oversight of the total compensation awarded to On Assignment's executive officers. It also administers On Assignment's Restated 1987 Stock Option Plan and Employee Stock Purchase Plan. The Compensation Committee determines compensation, including base salary and individual bonus programs for executive officers each fiscal year. The Compensation Committee is also responsible for reviewing and approving On Assignment's employment and other compensatory agreements with its executive officers.

The Compensation Committee meets in executive session without management present as part of its regularly scheduled meetings. During 2003, the following individuals served on the Compensation Committee: Senator Brock, Mr. Jones and Mr. Holman, who served as chairman. Neither of these individuals is, or has been, an officer or employee of On Assignment.

Compensation Philosophy

The Compensation Committee seeks to attract, motivate and retain key talent needed to enable On Assignment to compete successfully in a competitive environment. Its fundamental policy is to offer On Assignment's executive officers competitive compensation opportunities based upon their personal performance, the financial performance of On Assignment and the contributions of the executive officer to On Assignment's performance. It is the Compensation Committee's objective to make a substantial portion of each executive officer's compensation contingent upon On Assignment's performance as well as upon his or her own level of performance. Through such a compensation program, the Compensation Committee seeks to align the interests of On Assignment's executive officers with the interests of its stockholders and to enable On Assignment to meet its operational and financial goals.

The Compensation Committee also recognizes that, from time to time, it is appropriate to enter into compensatory agreements with key executives to seek to further motivate such individuals or retain their services. On Assignment's agreements with executive officers are described under the heading "Employment Contracts and Change in Control Arrangements" elsewhere in this Proxy Statement.

Compensation Program

Compensation paid to executive officers for 2003 consisted primarily of base salary and long-term incentive compensation consisting of stock option grants. Generally, as an executive officer's level of responsibility increases, the Compensation Committee seeks to have a greater portion of his or her total compensation depend upon On Assignment's performance and stock price appreciation rather than base salary. Several of the more important factors that were considered in establishing the components of each executive officer's compensation package for the 2003 fiscal year are summarized below. Additional factors were also taken into account to a lesser degree. The Compensation Committee may in its discretion apply entirely different factors, particularly different measures of financial performance, in recommending and/or setting executive compensation for future fiscal years, but all compensation decisions will be designed to further the general compensation philosophy set forth above. During 2003, the Compensation Committee engaged a third party consultant to provide research information regarding compensation of executives of peer companies.

Base Salary. On Assignment's executive officers receive base salaries that are determined based on their responsibilities, skills and experience related to their respective positions. Other factors considered in base salary determination are individual performance, the success of the business division in the individual's area of responsibility, competitiveness with salary levels of similarly sized companies,

Edgar Filing: ON ASSIGNMENT INC - Form DEF 14A

internal compensation comparability standards and On Assignment's ability to pay an appropriate and competitive salary. The amount and timing of an increase depends upon, among other things, the individual's performance and the time interval and any added responsibilities since the last salary increase.

Annual Incentive Compensation. Executive officers are eligible for annual performance-based incentive compensation payable in cash and tied to On Assignment's achievement of performance goals. At the start of each fiscal year, the Compensation Committee establishes corporate performance targets and corresponding incentive compensation, which may be based on a percentage of the individual's base salary. Executive officers are granted bonuses based, in part, on the achievement of such performance targets. Additional incentive compensation is awarded at the discretion of the Compensation Committee based on individual performance during the applicable fiscal year.

Long-Term Incentive Compensation. The Compensation Committee periodically approves grants of stock options to On Assignment's executive officers under the Restated 1987 Stock Option Plan. These grants are designed to align the interests of each executive officer with those of the stockholders and to provide each individual with a significant incentive to manage On Assignment from the perspective of an owner with an equity stake in the business. Each grant generally allows the executive officer to acquire shares of common stock at a fixed price per share, typically the market price on the grant date, over a specified period of time of up to 10 years. As a result, stock option grants provide a return to the executive officer only if the market price of the shares appreciates over the option term. The size of the option grant to each executive officer generally is set to achieve a potential percentage ownership stake that the Compensation Committee deems appropriate in order to create a meaningful opportunity for stock ownership based upon the individual's current position. Stock option grants also take into account the individual's potential for future responsibility over the option term, the individual's personal performance in recent periods and the individual's current holdings of On Assignment's stock and options. Options were granted to all of On Assignment's executive officers in July 2003 and select officers in March 2004 consistent with these policies.

Chief Executive Officer Compensation

Dr. Peterson joined On Assignment in July 2001 and was named President and Chief Executive Officer effective September 1, 2001. Dr. Peterson's compensation is determined based on the same basic factors as described above for other executive officers as well as the terms of his June 2001 employment letter agreement, as it has been amended, including pursuant to the terms of a Severance Agreement with On Assignment, dated as of June 2, 2003. This employment arrangement establishes certain minimum compensation terms. In establishing Dr. Peterson's base salary, incentive awards and stock awards for 2003, the Compensation Committee considered On Assignment's overall performance. The Compensation Committee believes that Dr. Peterson has provided On Assignment strong leadership in the effort to design and implement a business revitalization plan, helped to contain costs and realign On Assignment's resources with revenue opportunities, and effected significant infrastructure investments in 2003. During fiscal year 2003, Dr. Peterson's base salary was increased to \$400,000. Dr. Peterson was not awarded an incentive bonus in 2003. This compensation reflects the considerations above as well as On Assignment's results of operations and the terms of Dr. Peterson's employment agreement, which provide for, among other things, reimbursement of certain housing related expenses associated with Dr. Peterson's relocation. During 2003, the Compensation Committee also approved and caused On Assignment to enter into a Severance Agreement with Dr. Peterson. The Severance Agreement was entered into, to provide additional security for Dr. Peterson, who is an at-will employee, and to provide for payment of the amounts described below in "Employment Contracts and Change in Control Arrangements," in the event that Dr. Peterson is terminated without cause or upon his death or disability. The Compensation Committee granted Dr. Peterson stock options exercisable for 250,000 shares of On Assignment common stock in 2003 as described in the "Option

Edgar Filing: ON ASSIGNMENT INC - Form DEF 14A

Grants Table" below. These grants were intended to further reinforce the long-term perspective of equity-based compensation and emphasize the relationship between stockholders and senior management.

Compensation Deductibility Policy

Under Section 162(m) of the Internal Revenue Code and applicable treasury regulations, no tax deduction is allowed for annual compensation in excess of \$1 million paid to our Chief Executive Officer and any of our four most highly compensated executive officers. However, performance-based compensation that has been approved by stockholders is excluded from the \$1 million limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals, and the Compensation Committee that establishes such goals consists only of "outside directors" as defined for purposes of Section 162(m). The Compensation Committee intends to maximize the extent of tax deductibility of executive compensation under the provisions of Section 162(m) so long as doing so is compatible with its determinations as to the most appropriate methods and approaches for the design and delivery of compensation to our executive officers. The Board of Directors and the Compensation Committee reserve the authority to award non-deductible compensation in other circumstances as they deem appropriate. Further, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) and the regulations issued thereunder, no assurance can be given, notwithstanding the Compensation Committee's efforts, that compensation intended to satisfy the requirements for deductibility under Section 162(m) does in fact do so.

Jonathan S. Holman, Chairman
William E. Brock

Includes shares issuable upon exercise of stock options granted under On Assignment's Restated 1987 Stock Option Plan on or subsequent to June 20, 2002 and prior to June 17, 2003. The Restated 1987 Stock Option Plan is treated as a compensation plan not approved by stockholders for the period commencing June 20, 2002 until the amendment and restatement of the Restated 1987 Stock Option Plan approved by stockholders at the June 17, 2003 Annual Meeting of Stockholders.

Restated 1987 Stock Option Plan

Under its Restated 1987 Stock Option Plan, On Assignment may grant employees, contractors and non-employee members of the Board of Directors incentive or non-qualified stock options to purchase shares of its common stock and stock appreciation rights. On June 17, 2003, stockholders approved an amendment and restatement of the Restated Plan, which among other things, increased the number of shares of common stock reserved for issuance under the Restated Plan from 10,000,000 shares to 11,000,000 shares. The amendment and restatement of the Restated Plan also provided for additional award features including stock appreciation rights, restricted stock, unrestricted stock, stock units, dividend equivalent rights and cash awards. These modifications approved by stockholders were intended to give the Compensation Committee enhanced flexibility in award grants.

The Restated Plan is administered by the Compensation Committee of the Board of Directors and shall terminate on April 18, 2013. The Compensation Committee may select the participants to receive awards, determine the types of awards and terms and conditions of awards and interpret the provisions of the Restated Plan. With regard to stock options, the Compensation Committee determines, grant recipients, option prices, option amounts, grant dates and vesting. The option prices of non-qualified option grants may not be less than 85 percent of the fair market value of the stock at the time the option is granted, and the exercise price of incentive stock options must be set at fair market value. Stock options have a maximum term of ten years measured from the grant date. No person may receive options exercisable for more than 500,000 shares in any calendar year. Incentive options are not transferable other than by will or under the laws of descent and distribution. Non-qualified options, except as otherwise provided in an option grant agreement or in a domestic relations court order, are not transferable other than by will or under the laws of descent and distribution. Options may only be exercised during the holder's lifetime, only by him or her. The Board of Directors may terminate or amend the Restated Plan at any time and for any reason. Any amendment shall be contingent upon

stockholder approval to the extent stated by the Board, required by law or required by applicable stock exchange listing requirements.

Certain change of control transactions involving On Assignment, such as a sale transaction, may cause awards granted under the Restated Plan to vest, unless the awards are continued or substituted for in connection with the change of control transaction.

Employee Stock Purchase Plan

The Employee Stock Purchase Plan was adopted by the Board of Directors on June 22, 1992 and approved by On Assignment's stockholders on September 4, 1992. On June 18, 2002, the Board of Directors extended the term of the Employee Stock Purchase Plan until August 31, 2022. The Compensation Committee of the Board of Directors serves as administrator of the Employee Stock Purchase Plan. Under the Employee Stock Purchase Plan, 800,000 shares of common stock are reserved for issuance. The Employee Stock Purchase Plan allows eligible employees who have completed the requisite service period to purchase On Assignment common stock through payroll deductions, at 85 percent of the lower of the market price on the first day or the last day of the semi-annual purchase period. Purchase periods begin on the first trading day of March and September and end on the last trading day of August and February. Eligible employees may contribute intervals of 1 percent of their base earnings toward the purchase of the stock subject to certain IRS limitations. No individual may purchase more than \$25,000 worth of common stock under the Employee Stock Purchase Plan in any calendar year and individual purchases during any purchase period may not exceed 2,000 shares, or such lesser amount set by the administrator. The Employee Stock Purchase Plan will terminate if there are no longer shares available thereunder. On Assignment may also terminate the Employee Stock Purchase Plan at any time, provided such termination will not affect outstanding purchase rights without participant consent.

Deferred Compensation Plan

The Deferred Compensation Plan is a non-qualified plan that provides benefits to key executives and directors. The Deferred Compensation Plan became effective January 1, 1998. On Assignment credits the account of each participant in the Deferred Compensation Plan in the amount elected by the participant. The Deferred Compensation Plan permits employees and directors determined to be eligible by the Compensation Committee to annually elect to defer up to 100 percent of their base salary, annual bonus, stock option gain or director fees on a pre-tax basis and earn tax-deferred income on these amounts. Distributions from the Deferred Compensation Plan are made at retirement, death or termination of employment, in a lump sum, or over five, ten or fifteen years.

Mr. Jones currently serves as Senior Vice President of Healthcare Business Development. Mr. Jones' annual base salary of \$240,000 and incentive compensation of up to 80% of his annual base salary have been determined by the Compensation Committee. Michael A. Tatum

Pursuant to the terms of a February 28, 2002 employment letter agreement, Mr. Tatum serves as Senior Vice President of Lab Support. Mr. Tatum is entitled to a minimum annual base salary of \$240,000 and incentive compensation based upon attaining Board approved objectives and goals. In the event of a change of control, this 12-week provision would terminate and be replaced by the terms of On Assignment's Change of Control Severance Plan described below.

Change in Control Severance Plan

In 1998, the Board adopted the On Assignment, Inc. Change in Control Severance Plan ("Severance Plan") to provide severance benefits for officers and other eligible employees who are involuntarily terminated within 18 months of a change in control transaction. Upon such a termination, an eligible employee will be entitled to receive a lump sum payment equaling a percentage of their salary and target bonus, such amount to be determined based upon title and years of service. Upon a termination of employment following a change in control, our Chief Executive Officer would receive 18 months of salary and target bonus, a president or senior vice president would receive 12 months of salary and target bonus, all other officers would receive nine months of salary and target bonus and other employees would receive lesser amounts.

Involuntary termination is defined in the Severance Plan to include a termination by On Assignment or a successor entity without cause or a voluntary termination by the employee following (a) a reduction in compensation; (b) a relocation in the employee's place of employment of more than 35 miles; or (c) in the case of an executive officer, a change in the employee's position that materially reduces his or her level of responsibility or authority.

Change in control is defined under the Severance Plan to include (a) a merger or consolidation in which On Assignment is not the surviving entity; (b) the sale, transfer or other disposition of all of substantially all of On Assignment's assets; (c) any reverse merger in which On Assignment is the surviving entity, but in which 50% or more of its outstanding voting stock is transferred to holders different from those stockholders immediately prior to such merger; or (d) the acquisition by any person directly or indirectly of 50% or more voting power. The Severance Plan provides for a reduction in the cash severance benefit payable under the Severance Plan if the employee would be subject to the excise tax imposed under Section 280G of the Internal Revenue Code, but only to the extent that such reduction results in the receipt of a greater after-tax benefit by the employee.

Certain Relationships and Related Transactions

Pursuant to the terms of a consulting agreement dated September 27, 2002, Ettenberg & Company, Inc., of which Mr. Ettenberg serves as Chairman and Chief Executive Officer, receives a \$5,000 per month fee plus all approved out-of-pocket expenses for marketing strategy services.

Mr. Ettenberg earned total consulting fees of \$60,000 in 2003 related to such services and additional strategic planning advice provided to On Assignment.
