With respect to each of the participants, none of the events enumerated in Item 401(f)(1)-(8) of Regulation S-K of the Securities Exchange Act of 1934, as amended, occurred during the past five years. While Cede & Co. believes all required information is included herein, due to the Fund's recent 8-K filed with the U.S. Securities & Exchange Commission and the change in the Fund's meeting date, to the extent additional information is required, please advise Karpus immediately and such alleged required information will be transmitted to the Fund upon request or as soon as practicable. Cede & Co. has been informed by Karpus that Karpus believes the nominations included in this Notice, and all exhibits hereto, are proper matters for shareholder action. Further, Karpus deems the Nominees to be appropriate candidates for election by the vote of the Auction Rate Preferred Stock, voting separately as a class to elect two board members at the Annual Meeting, and also believes that the Nominees presence on the Board of Directors of the Fund, as directors elected by the Auction Rate Preferred Stock voting separately as a class to elect two board members, will help to enhance shareholder value, although there can be no assurance that the election of the Nominees will improve the Fund's business or otherwise enhance shareholder value. As an Auction Rate Preferred shareholder, Karpus does not feel that it is receiving adequate representation from the existing Auction Rate Preferred shareholder directors and therefore submits the Nominees listed in this Notice. Except as set forth herein to the best of Karpus' knowledge: (i) Karpus does not believe that either Nominee is an "interested person" of the Fund as defined in the Investment Company Act of 1940; (ii) it does not believe there is other information with respect to any Nominee that is required to be disclosed in solicitations of proxies for election of directors or is otherwise required by the rules and regulations of securities and Exchange Commission promulgated under the Securities Exchange act of 1934, as amended; and (iii) there are no contracts, arrangements, understandings or relationships of any kind among Karpus and each Nominee and any other person with respect to the Fund. While Cede & Co. is furnishing this Notice as the stockholder of record of the shares of Auction Rate Preferred Stock nominating Mr. Shanahan and Mr. Wenzke for election as directors of the Fund for election by the vote of the Auction Rate Preferred Stock, voting separately as a class to elect two board members at the Annual Meeting, it does so at the request of Participant and Karpus and only as a nominal party for the true party in interest, Karpus. Cede & Co. has no interest in this matter other than to take those steps which are necessary to ensure that Karpus is not denied its rights as the owner of Auction Rate Preferred Stock, and Cede & Co. assumes no further responsibility in this matter.

Sincerely,

Cede & Co.

SHAREHOLDER PROPOSAL
Transmitted February 23, 2011

SHAREHOLDER PROPOSAL Submitted by Karpus Management, Inc., d/b/a Karpus Investment Management ("Karpus")

BE IT RESOLVED, that the Board of Trustees of BlackRock MuniHoldings Fund, Inc. ("MHD" or the "Fund") take all steps necessary to cause MHD to redeem all outstanding auction market preferred shares (AMPS) at par.

SUPPORTING STATEMENT

When MHD holds its 2011 Annual Shareholder meeting, it will have been more than three years since the last auction for MHD's auction market preferred shares took place. AMPS holders' investments remain frozen, with no liquidity at par value. **We feel that it is time for the Fund to emulate the actions of the many responsible closed-end funds which have redeemed and refinanced their frozen preferred shares, and act in a proactive fashion by redeeming all remaining outstanding AMPS at par. Some alternative forms of leverage provided by other funds to replace AMPS are Municipal Term Preferred Securities (MTPS), Variable Rate Demand Preferred Securities (VRDPS) and/or Tender Option Bonds (TOBs).** If the Fund takes steps to complete the redemption of all outstanding AMPS, this will benefit existing AMPS shareholders by providing liquidity at par and may also benefit common shareholders by taking advantage of the current historically low interest rates available through alternative financing vehicles, while simultaneously mitigating the risk of a significant increase in the cost of leverage should short-term interest rates rise. Shareholders deserve a definitive plan from their Fund and Trustees. **The Trustees have failed to redeem any of the BlackRock MuniHoldings Fund, Inc. AMPS since the beginning of July 2009. By comparison, Nuveen has freed approximately \$5.3 billion of preferred shares over the same 19 month period. This lack of action is unacceptable. AMPS holders must be able to receive the intrinsic value of their shares and common shareholders must be protected from a potentially higher cost of leverage should short-term interest rates rise.** Karpus strongly urges your support for this proposal. Thank you.
