7. to transact such other business as may properly come before the Meeting or any adjournment of postponement thereof.

What do I need to do now?

We urge you to carefully read and consider the information contained in this proxy statement. We request that you cast your vote on each of the proposals described in this proxy statement. You are invited to attend the Meeting, but you do not need to attend the Meeting in person to vote your shares. Even if you do not plan to attend the Meeting, please vote by proxy by following instructions provided in the proxy card.

Who can vote at the Meeting?

Our board of directors has fixed the close of business on **June 10, 2014** as the record date (the "**Record Date**") for the determination of the stockholders entitled to notice of, and to vote at, the Meeting or any adjournment. If you were a stockholder of record on the Record Date, you are entitled to vote at the Meeting.

As of the Record Date, 87,233,072 shares of our common stock were issued and outstanding and no other voting securities were issued and outstanding. Therefore, a total of 87,233,072 votes are entitled to be cast at the Meeting.

How many votes do I have?

On each proposal to be voted upon, you have one vote for each share of our common stock that you owned on the Record Date. There is no cumulative voting.

How can you Vote?

Shares of common stock cannot be voted at our annual meeting unless the holder of record is present in person or is represented by proxy. A stockholder has the right to attend our annual meeting at the time and place set forth in the Notice of Annual Meeting and to vote their securities directly at the meeting. In the alternative, a stockholder may appoint a person to represent such stockholder at our annual meeting by completing the enclosed Form of Proxy, which authorizes a person other than the holder of record to vote on behalf of the stockholder, and returning it to our transfer agent, Olympia Trust Company 1003, 750 West Pender Street Vancouver, BC V6C 2T8. All stockholders are urged to complete, sign, date and promptly return the proxy by mail in the enclosed postage-paid envelope, or by fax. If you do not wish to vote in person or if you will not be attending the Meeting, you may vote by proxy by mail, by telephone or via the Internet by following instructions provided in the proxy card.

Valid proxies will be voted at our annual meeting and at any postponements or adjournments thereof as you direct in the proxy, provided that they are received by our transfer agent at least 24 hours prior to the scheduled time of the meeting, or any adjournment thereof, or deposited with the Chair of the meeting on the day of the meeting or any adjournment thereof prior to the time of voting. The shares of common stock represented by the proxy will be voted, or withheld from voting, as directed in the proxy. If no direction is given and the proxy is validly executed, the proxy will be voted: (1) FOR the election of the nominees for our Board of Directors; (2) to approve, ratify, and appoint MNP LLP as our company's auditors for the 2014 fiscal year and to allow directors to set the remuneration; (3) FOR a change of business of our company; (4) to approve the compensation to be paid to the company's named executive officers; (5) in favour of the three year frequency of stockholder advisory votes on compensation (6) to approve Company's 2014 stock option plan, and (7) to transact such other business as may properly come before the Meeting or any adjournment of postponement thereof, as set forth in this proxy statement. If any other matters properly come before our annual meeting, the persons authorized under the proxies will vote upon such other matters in accordance with their best judgment, pursuant to the discretionary authority conferred by the proxy.

ADVICE TO BENEFICIAL HOLDERS OF SHARES OF COMMON STOCK

THE INFORMATION SET FORTH IN THIS SECTION IS OF SIGNIFICANT IMPORTANCE TO MANY STOCKHOLDERS OF OUR COMPANY, AS A SUBSTANTIAL NUMBER OF STOCKHOLDERS DO NOT HOLD SHARES IN THEIR OWN NAME.

Stockholders who do not hold their shares in their own name (referred to in this Proxy Statement as “beneficial stockholders”) should note that only proxies deposited by stockholders whose names appear on the records of our company as the registered holders of shares of common stock can be recognized and acted upon at our annual meeting. If shares of common stock are listed in an account statement provided to a stockholder by a broker, then in almost all cases those shares of common stock will not be registered in the stockholder’s name on the records of our company. Such shares of common stock will more likely be registered under the names of the stockholder’s broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee and custodian for many Canadian brokerage firms). Beneficial stockholders should ensure that instructions respecting the voting of their shares of common stock are communicated to the appropriate person, as without specific instructions, brokers/nominees are prohibited from voting shares for their clients.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from beneficial stockholders in advance of stockholders’ meetings, unless the beneficial stockholders have waived the right to receive meeting materials. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by beneficial stockholders in order to ensure that their shares of common stock are voted at our annual meeting. The Form of Proxy supplied to a beneficial stockholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered stockholders by our company. However, its purpose is limited to instructing the registered stockholder (the broker or agent of the broker) how to vote on behalf of the beneficial stockholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”) (formerly, ADP Investor Communication Services in the United States and Independent Investor Communications Company in Canada). Broadridge typically applies a special sticker to proxy forms, mails those forms to the beneficial stockholders and the beneficial stockholders return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at our annual meeting. **A beneficial stockholder receiving a Broadridge proxy cannot use that proxy to vote shares of common stock directly at our annual meeting - the proxy must be returned to Broadridge well in advance of our annual meeting in order to have the shares of common stock voted.**

Although a beneficial stockholder may not be recognized directly at our annual meeting for the purposes of voting shares of common stock registered in the name of his broker (or agent of the broker), a beneficial stockholder may attend at our annual meeting as proxyholder for the registered stockholder and vote the shares of common stock in that capacity. Beneficial stockholders who wish to attend at our annual meeting and indirectly vote their shares of common stock as proxyholder for the registered stockholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of our annual meeting.

Alternatively, a beneficial stockholder may request in writing that his or her broker send to the beneficial stockholder a legal proxy which would enable the beneficial stockholder to attend at our annual meeting and vote his or her shares of common stock.

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers

of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101, issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs.

Quorum

A quorum of stockholders is necessary to take action at our annual meeting. The holders of a majority of the shares entitled to vote as at the Record Date, present in person or by proxy, shall constitute a quorum for the transaction of business at our annual meeting. However, if a quorum is not present, then the holders of a majority of the shares of common stock of our company who are present at the Meeting, in person or by proxy, may adjourn such meeting from time to time until holders of a majority of the shares of the capital stock shall attend. At any such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the original meeting. Broker non-votes occur when a nominee holding shares of common stock for a beneficial owner of those shares of common stock has not received voting instructions from the beneficial owner with respect to a particular matter and such nominee does not possess or choose to exercise discretionary authority with respect thereto. Broker non-votes and abstentions will be included in the determination of the number of shares of common stock present at our annual meeting for quorum purposes but will not be counted as votes cast on any matter presented at our annual meeting.

YOUR VOTE IS IMPORTANT. ACCORDINGLY, YOU ARE ASKED TO MARK, DATE, SIGN AND RETURN THE ACCOMPANYING FORM OF PROXY WHETHER OR NOT YOU PLAN TO ATTEND OUR ANNUAL MEETING. IF YOU PLAN TO ATTEND OUR ANNUAL MEETING TO VOTE IN PERSON AND YOUR SHARES ARE REGISTERED WITH OUR TRANSFER AGENT IN THE NAME OF A BROKER OR BANK, YOU MUST SECURE A PROXY FROM THE BROKER OR BANK ASSIGNING VOTING RIGHTS TO YOU FOR YOUR SHARES OF COMMON STOCK.

Dissenting Stockholder Rights

Dissenting stockholders have no appraisal rights under Nevada law or under our Articles of Incorporation or bylaws in connection with the matters to be voted on at the Meeting.

What is the difference between a stockholder of record and a “street name” holder?

If your shares are registered directly in your name with our transfer agent, Olympia Trust, then you are a stockholder of record with respect to those shares.

If your shares are held in a stock brokerage account or by a bank, or other nominee, then the broker, bank, or other nominee is the stockholder of record with respect to those shares. However, you still are the beneficial owner of those shares, and your shares are said to be held in “street name.” Street name holders generally cannot vote their shares directly and must instead instruct the broker, bank, or other nominee how to vote their shares. Street name holders are also invited to attend the Meeting.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it means that you hold shares registered in more than one name or in different accounts. To ensure that all of your shares are voted, please vote by proxy by following instructions provided in each proxy card. If some of your shares are held in “street name,” you should have received voting instruction with these materials from your broker, bank or other nominee. Please follow the voting instruction provided to ensure that your vote is counted.

Can I change my vote after submitting my proxy?

Yes. You may revoke your proxy and change your vote at any time before the final vote at the Meeting. If you are a stockholder of record, you may vote again on a later date via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the Meeting will be counted), by signing and returning a new proxy card with a

later date, or by attending the Meeting and voting in person. **Your attendance at the Meeting will not automatically revoke your proxy unless you vote again at the Meeting or specifically request in writing that your prior proxy be revoked.** You may also request that your prior proxy be revoked by delivering to our company, at the address on the Notice of Meeting, Attention: President, a written notice of revocation prior to the Meeting being held at the offices of Macdonald Tuskey, our corporate counsel.

Page | 5

If you hold your shares in the street name, you will need to follow the voting instruction provided by your broker, bank or other nominee regarding how to revoke or change your vote.

How can I attend the Meeting?

You may call us at 604-602-1675 if you want to obtain directions to be able to attend the Meeting and vote in person.

You may be asked to present valid picture identification, such as a driver's license or passport, before being admitted to the Meeting. If you hold your shares in street name, you will also need proof of ownership to be admitted to the Meeting. A recent brokerage statement or letter from your broker, bank or other nominee is an example of proof of ownership.

Counting of Votes

All votes will be tabulated by the inspector of election appointed for the Meeting, who will separately tabulate affirmative and negative votes and abstentions. Shares represented by proxies that reflect abstentions as to a particular proposal will be counted as present and entitled to vote for purposes of determining a quorum. An abstention is counted as a vote against that proposal. Shares represented by proxies that reflect a broker non-vote will be counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote will be treated as not-voted for purposes of determining approval of a proposal and will not be counted as "for" or "against" that proposal. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary authority or does not have instructions from the beneficial owner.

Who pays for the cost of proxy preparation and solicitation?

We pay for the cost of proxy preparation and solicitation, including the reasonable charges and expenses of brokers, banks or other nominees for forwarding proxy materials to street name holders.

We are soliciting proxies primarily by mail. In addition, our directors, officers and regular employees may solicit proxies by telephone, facsimile, mail, other means of communication or personally. These individuals will receive no additional compensation for such services. We will ask brokers, banks, and other nominees to forward the proxy materials to their principals and to obtain their authority to execute proxies and voting instructions. We will reimburse them for their reasonable charges and expenses.

FORWARD-LOOKING STATEMENTS

This proxy statement contains forward-looking statements. These statements relate to future events. In some cases, you can identify forward-looking statements by terminology such as may, should, expect, plan, anticipate, estimate, predict, potential or continue or the negative of these terms or other comparable terminology. These statements are only predictions and involve known and unknown risks, uncertainties and other factors that may cause our company's actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements.

Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States and Canada, we do not intend to update any of the forward-looking statements to conform these statements to actual results.

Voting Securities and Principal Holders Thereof

We are authorized to issue 200,000,000 shares of common stock with a par value of \$0.001. As of the Record Date a total of 87,233,072 shares of common stock were issued and outstanding. Each share of common stock carries the right to one vote at the Meeting.

Only registered stockholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the best of our knowledge, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, shares of common stock carrying more than 10% of the voting rights attached to the outstanding Common Shares of our company other than set forth in the section Security Ownership of Certain Beneficial Owners and Management below.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth, as of the Record Date, certain information with respect to the beneficial ownership of our shares of common stock by each stockholder known by us to be the beneficial owner of more than 5% of our common shares, as well as by each of our current directors and executive officers as a group. Each person has sole voting and investment power with respect to the shares of common stock, except as otherwise indicated. Beneficial ownership consists of a direct interest in the shares of common stock, except as otherwise indicated.

¹ Percentage of ownership is based on 87,233,072 shares of common stock issued and outstanding as of the Record Date. Except as otherwise indicated, we believe that the beneficial owners of the common stock listed above, based on information furnished by such owners, have sole investment and voting power with respect to such shares.

² Under Rule 13d-3, a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares: (i) voting power, which includes the power to vote, or to direct the voting of shares; and (ii) investment power, which includes the power to dispose or direct the disposition of shares. Certain shares may be deemed to be beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. As a result, the percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of shares of common stock actually outstanding on the Record Date.

³ Mr. McAllister's shareholdings include 3,410,000 shares of common stock, 805,000 stock options and 80,000 Warrants exercisable within 60 days of the Record Date.

⁴ Mr. Chadwick's shareholdings include 16,000,000 shares held in the name of 0984329 BC Ltd., for which Mathew Chadwick is the sole beneficiary of the Company.

⁵ Mr. Findlay's shareholdings include 1,702,000 shares of common stock, 1,700,000 warrants and 250,000 stock options exercisable within 60 days of the Record Date.

⁶ Ms. Bhullar's shareholdings include 201,000 shares of common stock and 100,000 warrants and 750,000 stock options exercisable within 60 days of the Record Date.

⁷ Mr. Thomas's shareholdings include 350,000 warrants owned by Jatmet Consult Ltd., solely owned company by John Thomas and 200,000 stock options exercisable within 60 days of the Record Date.

Changes in Control

We are unaware of any contract or other arrangement the operation of which may at a subsequent date result in a change in control of our company.

Corporate Governance

Public Availability of Corporate Governance Documents

Our key corporate governance document is our Code of Ethics which is:

- available in print to any stockholder who requests it from our President; and
- filed on EDGAR as an exhibit to our annual report on Form 10-KSB filed on November 29, 2007.

Code of Ethics

We adopted a Code of Ethics applicable to our senior financial officers and certain other finance executives, which is a code of ethics as defined by applicable rules of the SEC. Our Code of Ethics is attached as an exhibit to our Annual Report on Form 10-KSB filed on November 29, 2007. If we make any amendments to our Code of Ethics other than technical, administrative, or other non-substantive amendments, or grant any waivers, including implicit waivers, from a provision of our Code of Ethics to our chief executive officer, chief financial officer, or certain other finance executives, we will disclose the nature of the amendment or waiver, its effective date and to whom it applies in a Current Report on Form 8-K filed with the SEC.

Meetings

Our board of directors held no formal meetings during the year ended August 31, 2013. All proceedings of the board of directors were conducted by resolutions consented to in writing by all the directors and filed with the minutes of the proceedings of the directors. Such resolutions consented to in writing by the directors entitled to vote on that resolution at a meeting of the directors are, according to the Nevada Revised Statutes and our Bylaws, as valid and effective as if they had been passed at a meeting of the directors duly called and held.

It is our policy to invite directors to attend the Meeting of stockholders. Three directors are expected to attend the Meeting.

Committees of the Board of Directors

We currently do not have a nominating or compensation committee or committees performing similar functions. There has not been any defined policy or procedure requirements for stockholders to submit recommendations or nomination for directors.

Audit Committee and Audit Committee Financial Expert

Currently our audit committee consists of Robert McAllister, John Thomas and Donald Finley who are all directors of our company.

Our audit committee operates pursuant to a written charter adopted by our board of directors, a copy of which is attached as Schedule A to this Proxy Statement.

We believe that two of our members of our audit committee, Robert McAllister and John Thomas, are collectively capable of analyzing and evaluating our financial statements and understanding internal controls and procedures for financial reporting. We believe that retaining an additional independent director who would qualify as an audit committee financial expert would be overly costly and burdensome and is not warranted in our circumstances given the early stages of our development and the fact that we have not generated any material revenues to date. In addition, we currently do not have nominating, compensation or audit committees or committees performing similar functions nor do we have a written nominating, compensation or audit committee charter. Our board of directors does not believe that it is necessary to have such committees because it believes the functions of such committees can be adequately performed by our board of directors.

Director Independence

We currently act with four directors, consisting of Robert McAllister, Donald Findlay, John Thomas and Mathew Chadwick. We have determined that John Thomas and Donald Findlay are independent directors as defined in Rule 5605(a) of the Nasdaq Listing Rules.

Stockholder Communications with Our Board of Directors

Because of our company's small size, we do not have a formal procedure for stockholder communication with our board of directors. In general, members of our board of directors and executive officers are accessible by telephone or mail. Any matter intended for our board of directors, or for any individual member or members of our board of directors, should be directed to our President with a request to forward the communication to the intended recipient.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who own more than 10% of our common stock, to file reports regarding ownership of, and transactions in, our securities with the Securities and Exchange Commission and to provide us with copies of those filings. Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons, we believe that during fiscal year ended August 31, 2013, all filing requirements applicable to our executive officers, directors and persons who own more than 10% of our common stock were complied with, with the exception of the following:

Name	Number of Late Reports	Number of Transactions Not Reported on a Timely Basis	Failure to File Requested Forms

Ratification of the Continued Appointment of the Independent Registered Public Accounting Firm

Our board of directors is asking our stockholders to ratify the continued appointment of MNP LLP, as our independent registered public accounting firm for the fiscal year ending August 31, 2014 at a remuneration to be fixed by the Board.

Stockholder ratification of the continued appointment of MNP LLP is not required under the Nevada corporate law, our bylaws or otherwise. However, our board of directors is submitting the continued appointment of MNP LLP as our independent registered public accounting firm to our stockholders for ratification as a matter of corporate practice. If our stockholders fail to ratify the continued appointment, our board of directors will reconsider whether or not to retain the firm. Even if the appointment is ratified, our board of directors in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if our board of directors determines that such a change would be in the best interest of our company and our stockholders.

Representatives of MNP LLP are not expected to be present at the Meeting. However, we will provide contact information for MNP LLP to any stockholders who would like to contact the firm with questions.

Unless otherwise directed, the proxy holders will vote the proxies received by them for the ratification of the continued appointment of MNP LLP as our independent registered public accounting firm for the fiscal year ending August 31, 2014.

At the Meeting the stockholders will be asked to approve the following resolution:

RESOLVED THAT the continued appointment of MNP LLP as our independent registered public accounting firm is ratified, approved and confirmed and that the remuneration be fixed by the board.

Our Board of Directors recommends that you vote FOR the ratification of the continued appointment of MNP LLP as our independent registered public accounting firm as our auditors for the fiscal year ending August 31, 2014 at a remuneration to be fixed by the Board.

The aggregate fees billed for the most recently completed fiscal year ended August 31, 2013 and for fiscal year ended August 31, 2012 for professional services rendered by the principal accountant for the audit of our annual financial statements and review of the financial statements included in our quarterly reports on Form 10-Q and services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for these fiscal periods were as follows:

	Year Ended	
	August 31, 2013	August 31, 2012
Audit Fees	\$ 30,759	\$ 24,502
Audit Related Fees	25,651	19,986
Tax Fees	Nil	Nil
All Other Fees	Nil	Nil
Total	\$ 56,411	\$ 44,488

Audit Fees

Audit fees consist of fees billed for professional services rendered for the audits of our financial statements, reviews of our interim financial statements included in quarterly reports, services performed in connection with filings with the Securities and Exchange Commission and related comfort letters and other services that are normally provided by MNP LLP for the fiscal years ended August 31, 2013 and August 31, 2012 in connection with statutory and regulatory filings or engagements.

Audit related Fees

There were \$25,651, audit related fees paid to MNPLLP for the fiscal year ended August 31, 2013 and \$19,986 for the fiscal year ended August 31, 2012.

Tax Fees

Tax fees consist of fees billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal, state and local tax compliance and consultation in connection with various transactions and acquisitions. For the fiscal years ended August 31, 2013 and August 31, 2012, we did not use MNP LLP for non-audit professional services or preparation of corporate tax returns.

We do not use MNP LLP, for financial information system design and implementation. These services, which include designing or implementing a system that aggregates source data underlying the financial statements or generates information that is significant to our financial statements, are provided internally or by other service providers. We do not engage MNP LLP to provide compliance outsourcing services.

Effective May 6, 2003, the Securities and Exchange Commission adopted rules that require that before our independent auditors are engaged by us to render any auditing or permitted non-audit related service, the engagement be:

- approved by our audit committee (which consists of Robert McAllister, John Thomas and Donald Finley who are all directors of our company); or
- entered into pursuant to pre-approval policies and procedures established by the board of directors, provided the policies and procedures are detailed as to the particular service, the board of directors is informed of each service, and such policies and procedures do not include delegation of the board of directors' responsibilities to management.

Our audit committee pre-approves all services provided by our independent auditors. All of the above services and fees were reviewed and approved by the board of directors either before or after the respective services were rendered.

Our board of directors has considered the nature and amount of fees billed by our independent auditors and believes that the provision of services for activities unrelated to the audit is compatible with maintaining our independent auditors' independence.

Proposal 3 Change of Business

Over the past four months we have changed our company's direction from the exploration of oil and gas properties to a non-resource business, more specifically the medical marihuana business (the Change of Business). We determined to make this change after an evaluation of our company's existing resources and a review of strategic options for our company. Through our board's business contacts and the entrepreneurial approach of our management team we were able to identify and capitalize upon an opportunity in the Canadian medical marihuana industry.

Background to Canadian Medical Marihuana Industry

In 2001, Canada implemented a government-run program for medical marijuana access. The original regulations, being the *Marihuana Medical Access Regulations* (Canada), referred to as MMAR, permitted approved persons access to either grow the product or seek supply from Health Canada. According to a press release issued by Health Canada on June 10, 2013, the number of individuals in Canada approved to use medical marijuana has grown from 500 in 2001 to more than 30,000 as of June 10, 2013. Due in part to the growth in demand, Health Canada issued new regulations in June 2013, the *Marihuana for Medical Purposes Regulations* (Canada) issued pursuant to the *Controlled Drugs and Substances Act* (Canada), referred to as MMPR, that replace government supply and homegrown medical marijuana existing under the MMAR with highly secure and regulated commercial operations.

Our Acquired Interest in the Canadian Medical Marihuana Industry

On January 16, 2014, our company entered into a joint venture agreement with World of Marihuana Productions Ltd. (WOM) pursuant to which we may acquire up to a 51% interest in the medical marihuana business of WOM. WOM is in the business of producing and selling medical marihuana and is currently in the process of applying to Health Canada to become a "Licensed Producer" of medical marihuana under the MMPR regime. The terms of this joint venture agreement provide that in order for us to earn a 51% interest, we are required to make aggregate cash payments of \$1,375,000 and issue an aggregate of 20,000,000 shares of our common stock all over a four year period. To date, we have issued 10,000,000 shares to WOM, which are subject to applicable hold periods under Canadian and United States securities laws. In the event WOM has not been designated as a Licensed Producer by Health Canada by January 16, 2015, WOM will be entitled to retain the cash payments paid to it under the joint venture agreement to that point but will be required to return all but 5,000,000 shares to us.

On February 28, 2014, we entered into a joint venture agreement with the Green Canvas Ltd. (GCL) to acquire an additional interest in the medical marihuana industry. GCL is in the business of producing and selling medical marihuana and is also currently in the process of applying to Health Canada to become a Licensed Producer of medical marihuana under MMPR. Under the agreement with GCL, we may acquire up to a 75% interest in the medical marihuana business of GCL by making aggregate cash payments of CDN\$1,000,000 and issuing an aggregate of 19,000,000 shares of our common stock to GCL, all over a three year period. To date, we have issued 10,000,000 of such shares, of which 8,200,000 shares were issued to GCL and the balance issued pursuant to finder's fee commitments, all of which are subject to applicable hold periods under Canadian and United States securities laws. In the event GCL has not been designated as a Licensed Producer by Health Canada by February 28, 2015, GCL will be entitled to retain the cash payments paid to it under the joint venture agreement to that point but will be required to return all but 3,600,000 shares to us.

At the Meeting, the stockholders will be asked to vote "FOR" the following resolution:

"RESOLVED that that the Change of Business is ratified, approved and confirmed."

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE
IN FAVOR OF PROPOSAL 3**

**Proposal 4
Advisory Vote On Executive Compensation
(Say-on-pay vote)**

This year, as required by Section 14A of the Exchange Act, we are providing stockholders the opportunity to advise our Board regarding the compensation of our Named Executive Officers, as such compensation is described in this Proxy Statement, the tabular disclosure regarding such compensation and the accompanying narrative disclosure, beginning on page 11 of this Proxy Statement. We urge our stockholders to review these disclosures for further insight into our compensation policies.

The goal of our company's executive officer compensation program is to retain and reward highly qualified, talented leaders who create long term stockholder value. The program is designed to align management's interest with that of stockholders and motivate senior executives to increase our long-term growth and profitability while attempting to minimize risks that could result from compensation decisions. As described in this proxy statement, our board weighs the appropriate mix of compensation elements, including the allocation between cash and equity, for each executive officer to help achieve those objectives. Our Compensation Discussion and Analysis contained in this proxy statement describes our executive compensation program and the decisions made by our board in more detail.

Accordingly, our board is asking our stockholders to indicate their support for the compensation of our named executive officers as described in this proxy statement by casting a non-binding advisory vote "FOR" the following resolution:

"RESOLVED, that the compensation paid to the company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED."

As an advisory vote, this proposal is not binding on our board. Nevertheless, the views expressed by the stockholders, whether through this vote or otherwise, are important to management and our board, and, accordingly, our board intends to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

Advisory approval of this proposal requires the vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE
IN FAVOR OF PROPOSAL 4**

**Proposal 5
Advisory Vote On The Frequency Of An Advisory Vote On The Compensation Of Our Named Executive
Officers
(Say-when-on-pay vote)**

Accordingly, our company is asking stockholders to indicate whether they would prefer an advisory vote every year, every other year or every three years. For the reasons described below, our board recommends that the stockholders select a frequency of three years.

After considering the benefits and consequences of each alternative, our board recommends that the advisory vote on the compensation of our company's named executive officers be submitted to the stockholders once every three years.

Our board believes that a triennial advisory vote makes sense for our company and its stockholders for the following reasons:

- A triennial advisory vote will allow stockholders to better evaluate our executive compensation programs relative to a pattern of performance over time, which is a more appropriate perspective than the short-term approach that an annual vote could encourage. We seek to encourage a long-term focus among our executives by, for example, granting equity awards that vest over long periods and are designed to correlate closely with the creation of long-term stockholder value. In addition, our compensation programs do not change significantly from year to year. We are concerned that annual votes on our executive compensation program could foster a short-term focus and lead to an over-emphasis on the near-term effect of our compensation programs and thus undermine some of our program's long-term features. We believe that a vote on our compensation by our stockholders every three years will encourage stockholders to take the same long-term approach to our compensation programs taken by our executives and our compensation committee.
- A triennial advisory vote will provide us the appropriate time to understand any concerns expressed by our stockholders, thoughtfully evaluate and respond to our stockholders and effectively implement any desired changes to our executive compensation program. As a practical matter, because our critical compensation actions are taken in the first quarter of each fiscal year, any changes to our executive compensation program that were responsive to stockholder concerns would not be fully implemented until the year following the vote, and, as result, would not be disclosed in the compensation tables and reflected in the Compensation Discussion and Analysis section of our proxy statement until the second completed fiscal year following the advisory vote. A triennial advisory vote will permit our stockholders to observe and evaluate the impact of any changes to our executive compensation policies and practices that have occurred since the last advisory vote on executive compensation, including changes made in response to the outcome of a prior advisory vote on executive compensation.
- An annual advisory vote may frustrate stockholder communication. While an advisory vote on executive compensation may reflect general satisfaction or dissatisfaction with a company's practices, a dialogue about executive compensation between our stockholders and our board or Compensation Committee members can provide a forum that is more conducive to expressing precise views regarding specific compensation practices. Our board believes that stockholders should not have to wait for a formal vote at an annual meeting. We encourage our stockholders to convey their compensation concerns to us and view the advisory vote as an additional, but not exclusive, opportunity for our stockholders to communicate with us regarding executive compensation.

While our board believes that its recommendation is appropriate at this time, stockholders are not voting to approve or disapprove that recommendation, but are instead asked to indicate their preference, on an advisory basis, as to whether the non-binding stockholder advisory vote on the approval of our executive officer compensation practices should be

held every year, every two years, or every three years. The frequency option that receives votes from the holders of at least a majority of shares present or represented and voting at the Annual Meeting will be considered the preferred frequency of future advisory votes on the compensation of our named executive officers by our stockholders. Our board values the opinions of our stockholders in this matter, and, to the extent there is any significant vote in favor of one frequency over the other options, even if fewer than a majority of the votes cast, our board will consider the stockholders' concerns and evaluate any appropriate next steps. However, because this vote is advisory and not binding on our board or our company in any way, our board may decide that it is in the best interests of our stockholders and our company to hold an advisory vote on executive compensation more or less frequently than the option indicated by our stockholders.

**OUR BOARD OF DIRECTORS RECOMMENDS
A VOTE IN FAVOR OF THE THREE YEAR FREQUENCY OF
STOCKHOLDER ADVISORY VOTES ON COMPENSATION
ON PROPOSAL 5.**

**Proposal 6
Adoption of 2014 Stock Option Plan**

The purpose of the 2014 Stock Option Plan (the 2014 Plan) is to secure for our company and our stockholders the benefits arising from capital stock ownership by employees, officers and directors of, and consultants or advisors to our company who are expected to contribute to our future growth and success. The 2014 Plan permits grants of options to purchase shares of common stock, \$0.001 par value per share, of our company.

The stock subject to options granted under the 2014 Plan shall be shares of authorized but unissued or reacquired common stock. The maximum number of shares of common stock of our company which may be issued and sold under the 2014 Plan shall be 17,400,000, subject to adjustment for stock splits or consolidations.

The purchase price per share deliverable upon the exercise of an option granted under the 2014 Plan shall be determined by the board of directors at the time of grant of such option. Options granted under the 2014 Plan shall expire on such date as determined by the board of directors and set forth in the applicable option agreement, provided, that such date shall not be later than (10) ten years after the date on which the option is granted.

Employees, officers and directors of, and consultants or advisors to our company will be eligible to participate in the 2014 Plan. As of the date of this Proxy Statement, there are two officers and four directors, and 23 consultants or advisors to our company. The basis of participation for the issuance of options under the 2014 Plan will be determined from time to time by our board of directors.

Our company has not yet made any determinations on the benefits or amounts that will be received by or allocated from the 2014 Plan. Under the 2014 Plan, our company has reserved the right and discretion to amend, modify or terminate the 2014 Plan with respect to all options that have not yet been granted.

There would have been no benefits or amounts that would have been received by or allocated to any persons, eligible under the 2014 Plan, for the last completed fiscal year if the plan had been in effect.

Our board of directors has reserved the right, in its absolute discretion, to at any time amend, modify or terminate the 2014 Plan with respect to all optioned shares in respect of options which have not yet been granted hereunder. Any amendment to any provision of this Plan will be subject to any necessary Regulatory Approvals.

The full text of the proposed 2014 Plan is attached as Schedule "B" to this Proxy Statement.

Our board of directors unanimously recommends a vote FOR the adoption of the 2014 Plan.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as set out below, no director, executive officer, or nominee for election as a director of the Company and no associate of any of the foregoing persons has any substantial interest, direct or indirect, by security holding or otherwise, in any matter to be acted upon at the Meeting, other than elections to office:

HOUSEHOLDING OF PROXY MATERIALS

The Securities and Exchange Commission permits companies and intermediaries such as brokers to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement or annual report, as applicable, addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra conveniences for stockholders and cost savings for companies.

Although we do not intend to household for our stockholders of record, some brokers household our proxy materials and annual reports, delivering a single copy of proxy statement or annual report to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate copy of proxy statement or annual report, or if you are receiving multiple copies of either document and wish to receive only one, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement at their address from their brokers and would like to request householding of their communications should contact their brokers.

STOCKHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in our proxy statement and for consideration at our next meeting of stockholders. To be eligible for inclusion in our 2015 proxy statement, your proposal must be received by us no later than 120 days before April 14, 2015 and must otherwise comply with Rule 14a-8 under the Exchange Act. Further, if you would like to nominate a director or bring any other business before the stockholders at the 2012 Meeting, you must comply with the procedures contained in the bylaws and you must notify us in writing and such notice must be delivered to or received by the Secretary no later than 120 days before April 14, 2015. While the Board will consider stockholder proposals, we reserve the right to omit from our proxy statement relating to our 2013 meeting stockholder proposals that it is not required to include under the Exchange Act, including Rule 14a-8 of the Exchange Act.

All stockholder proposals, notices and requests should be made in writing and sent via registered, certified or express mail, to our company, at the address on the first page of this Proxy Statement to the attention of the President.

With respect to business to be brought before the Meeting, we have received no notices from our stockholders that we were required to include in this proxy statement.

 - (b) in the event of a consolidation of the Shares as constituted on the date of this Plan, at any time while an Option is in effect, into a lesser number of Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Shares as result from the consolidation;
 - (c) in the event of any change of the Shares as constituted on the date of this Plan, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Shares so purchased had the right to purchase been exercised before such change;
 - (d) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Shares at any time outstanding (whether with or without par value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purposes of this sub-paragraph 3.8(d);
 - (e) an adjustment will take effect at the time of the event giving rise to the adjustment and the adjustments provided for in this paragraph are cumulative;
 - (f) the Company will not be required to issue fractional shares in satisfaction of its obligations under this Plan. Any fractional interest in a Share that would, except for the provisions of this sub-paragraph 3.8(f), be deliverable upon the exercise of an Option will be cancelled and will not be deliverable by the Company; and
 - (g) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this paragraph 3.8, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will

have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

ARTICLE 4
COMMITMENT AND EXERCISE PROCEDURES

Option Commitment

4.1 Upon grant of an Options pursuant to this Plan, an authorized Director or Officer of the Company will deliver to the Optionee an Option Commitment detailing the terms of such Options and upon such delivery the Optionee will be subject to this Plan and have the right to purchase the Optioned Shares at the Exercise Price set out in such Option Commitment, subject to the terms and conditions of this Plan.

Manner of Exercise

4.2 An Optionee who wishes to exercise his or her Option may do so by delivering to the Company:

- (a) a written notice specifying the number of Optioned Shares being acquired pursuant to the Option; and
- (b) cash or a certified cheque payable to the Company for the aggregate Exercise Price for the Optioned Shares being acquired.

Delivery of Certificate and Hold Periods

4.3 As soon as practicable after receipt of the notice of exercise described in paragraph 4.2 and payment in full for the Optioned Shares being acquired, the Company will direct its transfer agent to issue a certificate to the Optionee for the appropriate number of Optioned Shares. Such certificate will bear a legend stipulating any resale restrictions required under applicable securities laws.

Withholding

4.4 As a condition of and prior to participation in the Plan, each Optionee authorizes the Company to withhold from any amount otherwise payable to him or her any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of his or her participation in the Plan. The Company will also have the right in its discretion to satisfy any such liability for withholding or other required deduction amounts by retaining or acquiring any Optioned Shares, or retaining any amount payable, which would otherwise be issued or delivered, provided or paid to an Optionee under the Plan. The Company may require an Optionee, as a condition to exercise of an Option to pay or reimburse the Company for any such withholding or other required deduction amounts related to the exercise of Options.

**ARTICLE 5
GENERAL**

Employment and Services

5.1 Nothing contained in this Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in this Plan by an Optionee will be voluntary.

No Representation or Warranty

5.2 The Company makes no representation or warranty as to the future market value of Optioned Shares issued in accordance with the provisions of this Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Optioned Shares issuable thereunder or the tax consequences to a Service Provider. Compliance with applicable securities laws as to the disclosure and resale obligations of each Optionee is the responsibility of such Optionee and not the Company.

No Rights as Shareholder

5.3 No Optionee will have any of the rights as a shareholder of the Company in respect of the Optioned Shares subject to an Option until such Optioned Shares have been paid for in full and issued.

No Prohibition on Other Arrangements

5.4 Nothing contained in this Plan will prevent the Company or any of its Affiliates from adopting or continuing in effect other compensation arrangements and such arrangements may be either generally applicable or applicable only in specific cases.

Interpretation

5.5 The validity, construction and effect of this Plan, the grants of Options, the issue of Optioned Shares, any rules and regulations relating to this Plan and any Option Commitment, and all determinations made and actions taken pursuant to this Plan, will be governed and construed in accordance with the laws of the Province of British Columbia.

5.6 If any provision of this Plan or any Option Commitment is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any person or Option, or would disqualify this Plan or any Option under any law deemed applicable by the Board, such provision will be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Board, materially altering the intent of this Plan or the Option, such provision will be stricken as to such jurisdiction, person, or Option and the remainder of this Plan and any such Option Commitment will remain in full force and effect.

5.7 Headings are given to the sections and paragraphs of this Plan solely as a convenience to facilitate reference. Such headings will not be deemed in any way material or relevant to the construction or interpretation of this Plan or any provision thereof.
