On January 21, 2005, August Technology Corporation (August) entered into an Agreement and Plan of Merger and Reorganization with Nanometrics Incorporated, a California corporation (Nanometrics), Major League Merger Corporation, a Minnesota Corporation (Merger Sub 1), and Minor League Merger Corporation, a Delaware Corporation (Merger Sub 2). Both Merger Sub 1 and Merger Sub 2 are wholly-owned subsidiaries of Nanometrics. Under the terms of the merger agreement, Nanometrics will reincorporate in Delaware by merging into Merger Sub 2 and each share of Nanometrics common stock will be exchanged for one share of Merger Sub 2. The transaction is conditioned on obtaining requisite shareholder approvals from the shareholders of both companies, necessary regulatory clearances and other customary closing conditions, including the receipt of legal opinions that the transaction will qualify as a reorganization under the Internal Revenue Code. The companies expect to close the transaction during the second quarter of 2005.

The merger agreement provides that the board of directors of August Nanometrics Inc. will consist of seven directors three directors selected from the existing Nanometrics board, three directors selected from the existing August board and one director independent of both August and Nanometrics.

Directors and executive officers of both August and Nanometrics have entered into voting agreements pursuant to which they have agreed to vote the shares they hold in each company in favor of the transactions contemplated by the merger agreement.
