## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

The Employee Benefits Administration Committee  
Ameriprise Financial, Inc.

We have audited the accompanying statements of net assets available for benefits of the Ameriprise Financial 401(k) Plan (the Plan ) as of December 31, 2008 and 2007, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan s internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2008 and 2007, and the changes in its net assets available for benefits for the years then ended, in conformity with US generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of delinquent deposits of participant contributions for the year ended December 31, 2008, and assets (held at end of year) as of December 31, 2008, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan s management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

**Ameriprise Financial 401(k) Plan**

**Notes to Financial Statements**

**December 31, 2008**

**1. Description of the Plan**

**General**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

The Ameriprise Financial 401(k) Plan (the Plan ), which became effective October 1, 2005, is a defined contribution pension plan. Under the terms of the Plan, regular full-time and part-time employees of Ameriprise Financial, Inc. and its participating subsidiaries (the Company ) can make contributions to the Plan and are eligible to receive Company contributions on the first full pay period after completing 60 days of service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ( ERISA ). The following is not a comprehensive description of the Plan, and therefore, does not include all situations and limitations covered by the Plan.

### **Administration of Plan Assets**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Ameriprise Trust Company ( ATC ), a wholly-owned subsidiary of Ameriprise Financial, Inc., was the trustee and recordkeeper of the Plan through March 31, 2007. Effective April 1, 2007, the 401(k) Investment Committee changed its Plan trustee and recordkeeper from ATC to Wachovia Bank, National Association ( Wachovia ). Wachovia was the trustee and recordkeeper of the Plan as of December 31, 2008 and 2007. The Plan is administered by the Company s Employee Benefits Administration Committee ( EBAC ). The Company s 401(k) Investment Committee selects the investment options offered to participants under the Plan and directs the manner in which investment options unique to the Plan are invested. Members of the EBAC and members of the 401(k) Investment Committee are determined based upon job title as specified in the Plan.

### **Plan Fees and Expenses**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Fees, commissions, and other charges and expenses that are attributable to administering the Plan are paid from the related trust (the Trust ), unless paid by the Company. The Company currently pays a portion of the cost of administering the Plan, including fees of the auditors, counsel and certain investment managers.

The majority of the cost of administering the Plan, including fees of the trustee, recordkeeper, and investment managers, are paid from the fees associated with the investment options offered under the Plan. In addition, expenses related to investment of the 401(k) Plan funds, for example, brokerage commissions, stock transfer or other taxes and charges incurred for the purchase or sale of the funds investments, are generally paid out of the applicable fund. Fees paid out of the fund reduce the return of that fund. The participant pays for fees and expenses of the Self-Managed Brokerage Account ( SMBA ) and administrative loan origination fees.

### **Contributions**

The Plan currently provides for the following contributions:

*Elective Contributions*

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Each pay period, participants may make before-tax, Roth 401(k), and after-tax (up to 10% of base salary) contributions, or a combination of any of the three, not to exceed 80% of their base salary to the Plan through payroll deductions. The Internal Revenue Code of 1986, as amended (the Code ), imposes a limitation on participants' before-tax contributions to plans, which are qualified under Code Section 401(k), and other specified tax favored plans. This limit per the Code was \$15,500 for employees under age 50 and \$20,500 for employees over age 50 for 2008 and 2007. The Plan complied with nondiscrimination requirements under the Code for 2008 and 2007.

### Variable Match Contributions

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

The amount of the Variable Match Contributions for any plan year is determined at the sole discretion of the Board of Directors of the Company. This contribution is invested in the Ameriprise Financial Stock Fund. However, participants are allowed to immediately transfer their balance among the other investment options. ### **Transfer of Account Balances**

Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Participants may initiate a transfer of their existing account balances on any business day the New York Stock Exchange is open, with the exception of the SMBA. The SMBA has a minimum initial transfer of \$3,000.

**Vesting**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Participants are immediately vested in their before-tax, Roth 401(k), after-tax, and rollover contributions and income and appreciation on the foregoing. Fixed Match, Variable Match and Company Stock Contributions are vested on a five-year graded schedule of 20% per year of service with the Company or if the participant retires at or after age 65, becomes disabled or dies. Profit Sharing Contributions, which were replaced with Variable Match Contributions effective January 1, 2007, and income and appreciation thereon, are fully vested after five years of service, upon retiring at or after attaining age 65, upon becoming disabled or at death. Company Profit Sharing, Fixed Match, Variable Match and Company Stock Contributions not vested at the time of termination of employment are forfeited and used to reduce future Company contributions. Forfeitures for the plan years ended December 31, 2008 and 2007 were \$1,664,897 and \$1,903,467, respectively.

### **Tax Deferrals**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

As long as the Plan remains qualified and the Trust remains tax exempt, amounts invested in the Plan through participant and Company contributions and rollovers, as well as the income and appreciation on such amounts, are not subject to federal income tax until distributed to the participant.

### **Distributions and Withdrawals**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

If employment ends, participants are eligible to receive a distribution of their vested account balance. Participants (or their beneficiaries) may elect to receive their accounts as a single lump-sum distribution in cash, whole shares of Ameriprise Financial, Inc. common shares, mutual funds shares held under the SMBA, or a combination of cash and shares. A participant may request a withdrawal of all or a portion of their vested account balance subject to limitations under the terms of the Plan and certain tax penalties imposed by the Code.

### **Loan Program**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

The EBAC has the power to establish, interpret and administer a uniform and nondiscriminatory loan program which the trustee must observe in making loans, if any, to active participants and other parties in interest. Such individuals shall be eligible for loans pursuant to such uniform and nondiscriminatory loan program. Such loan program shall be evidenced by a written document separate from the Plan and Trust.

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum of the lesser of \$50,000 or 50 percent of their account balance. Beginning in 2008, an administrative loan origination fee of \$75 per loan is paid by the participant and is deducted from the proceeds of the loan. Loan terms range from up to 59 months or up to 359 months if the loan is used towards the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a fixed interest rate of the prime rate as reported in the Wall Street Journal on the first business day of the month before the date the loan is originated. Principal and interest payments will be deducted automatically from the participant's pay each period. If the participant's service with the Company ends for any reason, the entire principal and interest of any outstanding loan will be immediately due and payable within 45 days. A loan will be considered in default if payments are not received by the Plan within 90 days following the date payment is due under the note. Loans not repaid within that timeframe will be reported as taxable distributions.

**2. Significant Accounting Policies**

**Valuation of Investments**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Investments are reported at fair value. See Note 6 for information on the Plan's accounting policies related to valuation of investments. Defined-contribution plans are required to report investment contracts at contract value and also report fair value; therefore, a reconciliation of fair value to contract value is presented on the Statements of Net Assets Available for Benefits.

### **Plan Termination**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### **Other**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Purchases and sales of securities are reflected on a trade-date basis. The cost of securities sold is determined using the average cost method. Dividend income is recorded on the ex-dividend date. Income from other investments is recorded on the accrual basis. As required by the Plan, all dividend and interest income is reinvested into the same investment funds in which the dividends and interest arose.

The accompanying financial statements have been prepared on the accrual basis of accounting and include the use of management estimates in conformity with U.S. generally accepted accounting principles. Actual results could differ from those estimates.

### **3. Recent Accounting Pronouncements**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

In September 2006, the Financial Accounting Standards Board ( FASB ) issued Statement of Financial Accounting Standards ( SFAS ) No. 157, Fair Value Measurements ( SFAS 157 ). SFAS 157 defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. SFAS 157 is effective for fiscal years beginning after November 15, 2007. The provisions of SFAS 157 are required to be applied prospectively as of the beginning of the fiscal year in which SFAS 157 is initially applied, except for certain financial instruments as defined in SFAS 157 which will require retrospective application of SFAS 157. Effective January 1, 2008, the Plan adopted SFAS 157, which did not have a material effect on the Statements of Net Assets Available for Benefits and Statements of Changes in Net Assets Available for Benefits. See Note 6 for additional information regarding the fair value of the Plan 's assets.

### **4. Investments**

**Investment Elections**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

A participant may currently elect to invest contributions in any combination of investment funds in increments of 1% and change investment elections for future contributions or transfer existing account balances on any business day the New York Stock Exchange is open, with the exception of the SMBA. The SMBA has a minimum initial transfer of \$3,000. Future contributions cannot be made directly to the SMBA.

**5. Investment Contracts**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Investment contracts are comprised of both an investment and a contractual component. The investment component consists of collective investment funds and a pooled portfolio of actively managed fixed income securities owned by the Fund, referred to as the Covered Assets. The Fund enters into wrapper agreements (the contractual component) with third-parties, generally insurance companies or banks, to protect the Covered Assets from adverse interest rate movements. Under the agreements, the third-party is obligated to provide sufficient funds to cover participant benefit withdrawals and investment transfers regardless of the market value of the Covered Assets. While the agreements protect the Fund against interest rate risk, the Fund is still exposed to default risk if issuers of Covered Assets default on payment of interest or principal.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statements of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statements of Changes in Net Assets Available for Benefits is prepared on a contract value basis. Contract value represents the face amount of the contract plus accrued interest at the contract rate.

**Notes to Financial Statements** *(continued)*  
**December 31, 2008**

**5. Investment Contracts** *(continued)*

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Certain events may limit the ability of the Fund to transact at contract value with the contract issuers for participant benefit payments or investment transfers. One possible event would be a request by the Company to terminate or partially terminate the Plan. Another possible event would be a request by Wachovia to terminate a contract at market value. Neither of these events is probable.

Certain events may allow the issuer to terminate a fully benefit-responsive investment contract and settle at an amount different from contract value. Such events are not probable but may include the termination of the Plan or the Trust holding the Fund assets, the replacement of the trustee of the Fund without the consent of the wrapper provider, a breach of the contract terms by a counterparty, or a legal or regulatory event such as an adverse ruling by a regulatory agency.

The crediting rate of an investment contract is the rate at which the Fund will recognize income on Covered Assets. The rate is tied to the performance and duration of the Covered Assets and is generally reset quarterly. The weighted average crediting rates on investment contracts was 4.80% and 5.11% at December 31, 2008, and 2007, respectively. The average yield on investment contracts was 7.06% and 7.21% for 2008 and 2007, respectively.

### **6. Fair Values of Assets**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Effective January 1, 2008, the Plan adopted SFAS 157, which defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. SFAS 157 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; that is, an exit price. The exit price assumes the asset or liability is not exchanged subject to a forced liquidation or distressed sale.

### **Valuation Hierarchy**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Under SFAS 157, the Plan categorizes its fair value measurements according to a three-level hierarchy. A level is assigned to each fair value measurement based on the lowest level input that is significant to the fair value measurement in its entirety. The three levels of the fair value hierarchy are defined as follows:

- Level 1      Unadjusted quoted prices for identical assets or liabilities in active markets that are accessible at the measurement date.
- Level 2      Prices or valuations based on observable inputs other than quoted prices in active markets for identical assets and liabilities.
- Level 3      Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

### **Determination of Fair Value**

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

The Plan uses valuation techniques consistent with the market and income approaches to measure the fair value of its assets. The Plan's market approach uses prices and other relevant information generated by market transactions involving identical or comparable assets. The Plan's income approach uses valuation techniques to convert future projected cash flows to a single discounted present value amount. When applying either approach, the Plan maximizes the use of observable inputs and minimizes the use of unobservable inputs.

6. Fair Values of Assets *(continued)*

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

The following is a description of the valuation techniques used to measure fair value and the general classification of these instruments pursuant to the fair value hierarchy.

### **Assets**

#### *Mutual Funds*

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

The fair value of mutual funds is determined by the net asset value ( NAV ) which represents the exit price. Mutual funds are classified as Level 1 as they are traded in active markets and quoted prices are available.

### *Collective Investment Funds*

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

The fair value of collective investment funds is determined by the NAV which represents the exit price. Collective investment funds are classified as Level 2 as they are traded in principal-to-principal markets with little publicly released pricing information.

*Ameriprise Financial Stock Fund*

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

The fair value of the Ameriprise Financial Stock Fund is determined using quoted prices in active markets for Ameriprise Financial, Inc. common shares and is classified as Level 1. Actively traded money market funds are measured at their NAV and classified as Level 1.

*Self-Managed Brokerage Account*

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

The fair value of mutual funds is determined by the NAV which represents the exit price. Mutual funds are classified as Level 1 as they are traded in active markets and quoted prices are available.

*Income Fund*

## Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Fixed income securities fair value is obtained from nationally-recognized pricing services, broker quotes, or other model-based valuation techniques such as present value of cash flows. Fixed income securities classified as Level 1 include U.S. Treasuries and those classified as Level 2 include agency mortgage backed securities, commercial mortgage backed securities, and U.S. government and agency securities. Mutual funds fair value is based on the NAV. Mutual funds are classified as Level 1 as they are traded in active markets and quoted prices are available. Wrapper agreements fair value is based on the present value of future fee payments attributable to each wrapper. Wrapper agreements are classified as Level 3 as there are significant unobservable inputs.

### *Participant Loans*

Edgar Filing: AMERIPRISE FINANCIAL INC - Form 11-K

Participant loans are measured at cost, which is a reasonable estimate of fair value due to restrictions on transfers of these loans. Participant loans are classified as Level 3 as the inputs are unobservable.
