Independent Auditors Report

To the	Board o	f Trustees	and	Stockho	lders of

BRT Realty Trust and Subsidiaries

We have audited the accompanying statement of revenues and certain expenses of 160 Madison Farms Lane (Madison at Schilling Farms) for the year ended December 31, 2011. The statement of revenues and certain expenses is the responsibility of BRT Realty Trust s management. Our responsibility is to express an opinion on the statement of revenues and certain expenses based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Madison at Schilling Farms internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission for inclusion in a Form 8-K/A of BRT Realty Trust. As described in Note 2, material amounts that would not be comparable to those resulting from the proposed future operations of Union Square are excluded from the statement of revenues and certain expenses and the statement of revenues and certain expenses is not intended to be a complete presentation of Madison at Schilling Farms revenues and expenses.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the revenues and certain expenses of Madison at Schilling Farms for the year ended December 31, 2011, on the basis of accounting described in Note 2.

1.	Orga	nız	ation

160 Madison Farms Lane (Madison at Schilling Farms) is a 325 unit multi-family garden apartment complex located in Collierville, Tennessee.

BRT Realty Trust and subsidiaries (collectively, the Trust) is a real estate investment trust. The Trust originates and holds for investment senior mortgage loans secured by commercial and multi-family real estate properties and participates as an equity investor in joint ventures which acquire multi-family residential or other real estate assets.

On June 20, 2012, a consolidated joint venture comprised of TRB Schilling LLC, a wholly owned subsidiary of the Trust, and an unaffiliated joint venture partner, acquired Madison at Schilling Farms for a net purchase price of \$32.1 million, including \$25.7 million of mortgage debt.

2. Basis of Presentation and Significant Accounting Policies

The accompanying statements of revenues and certain expenses of Madison at Schilling Farms have been prepared in accordance with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for inclusion in the Trust s Current Report on Form 8-K/A. Accordingly, the statements of revenues and certain expenses exclude certain expenses that may not be comparable to those expected to be incurred in the future operations of the aforementioned property. Items excluded consist of interest expense, depreciation, amortization, corporate expenses, and other costs not directly related to future operations.

In assessing Madison at Schilling Farms, the Trust considered the sources of revenue including, but not limited to, competitive factors present in the local market for residential rentals, the demographics of the area, and the local economic conditions and outlook. We also considered Madison at Schilling Farms expenses including, but not limited to, utility costs, real estate tax rates and maintenance expenses.

After reasonable inquiry, the Trust is not aware of any other material factors other than those discussed above that would cause the reported financial information not to be necessarily indicative of future operating results.

Use of Estimates

The preparation of the statements of revenues and certain expenses in conformity with Regulation S-X Rule 3-14 requires management to make estimates and assumptions that affect the amounts reported in the statements of revenues and certain expenses and accompanying notes. Actual

results could differ from those estimates.
Revenue Recognition
Rental revenue is recognized on an accrual basis. Generally leases are for a one-year term and have no renewal options.
Income Taxes
Madison at Schilling Farms was organized as a limited liability company and is not directly subject to federal income taxes. The limited liability company is subject to Tennessee franchise tax.
